

Verra Mobility partners with rental car provider Locauto Group to bring a seamless electronic toll payment solution to drivers in Italy

January 28, 2026

Partnership enables frictionless electronic toll payments across Italy, so drivers can continue their journey without having to stop and pay

AMSTERDAM, Jan. 28, 2026 /PRNewswire/ -- [Verra Mobility Corporation](#) (NASDAQ: VRRM), a leading provider of smart mobility technology solutions, announced today a partnership with Italian rental car company [Locauto](#) Group to offer an electronic toll payment solution across Italy. Drivers can easily opt in to the program in all 100+ Locauto rental locations - covering airports, railway stations and major city centers - during the vehicle rental process to automatically pay tolls electronically, bypassing tollbooth lines and eliminating the need for cash. In addition to the Locauto brand, Locauto also operates the Enterprise, National and Alamo brands through an exclusive partnership agreement with Enterprise Mobility.

Drivers can opt in to the frictionless electronic toll payment program in all 100+ Locauto rental locations in Italy.

Italy operates one of Europe's largest toll road networks, with more than [7,000 kilometers across 35 toll motorways](#) supporting nationwide travel. As the Italian car rental market grows at approximately [5% annually](#), driven by more than [70 million](#) international visitors, demand for electronic toll payment solutions continues to accelerate.

"By implementing electronic tolling, Locauto's rental car users can now access better 'fast lanes,' creating a safer and seamless tolling experience across all roadways in Italy," said Tsjerk-Friso Roelfzema, Senior Vice President and General Manager for Verra Mobility Europe. *"As we've seen in other European markets, electronic tolling saves drivers time and frustration and solves pain points for rental car companies."*

"Locauto has always been committed to delivering innovative solutions that simplify and enrich the rental experience for our customers," said Raffaella Tavazza, Locauto Group CEO. *"We immediately recognized the added value that Verra Mobility's solution brings, and we are thrilled to leverage this partnership to further elevate the customer experience across all our rental locations in Italy."*

Verra Mobility provides end-to-end toll management and violation processing solutions for customers in North America and Europe. The company automatically processes more than 300 million toll transactions annually for more than seven million vehicles globally. Its proprietary tolling management software allows for tolls to be matched to a specific vehicle plate and driver for payment collection.

Verra Mobility partners with toll and licensing authorities and other key stakeholders to provide toll and violation management services across 15 European countries.

Forward Looking Statements

We describe initiatives that drive our business and future results in this press release. Such discussions contain forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Forward-looking statements are those that address activities, events, or developments that management intends, expects, projects, believes or anticipates will or may occur in the future. They are based on management's assumptions and assessments in light of past experience and trends, current economic and industry conditions, expected future developments and other relevant factors. They are not guarantees of future performance, and actual results, developments and business decisions may differ significantly from those envisaged by our forward-looking statements. We do not undertake to update or revise any of our forward-looking statements, except as required by applicable securities law. Our forward-looking statements are also subject to material risks and uncertainties that can affect our performance in both the near-and long-term. In addition, no assurance can be given that any plan, initiative, projection, goal, commitment, expectation, or prospect set forth in this press release can or will be achieved. These forward-looking statements should be considered in light of the information included in this press release, our Form 10-K and other filings with the Securities and Exchange Commission. Any forward-looking plans described herein are not final and may be modified or abandoned at any time.
