About Verra Mobility

Verra Mobility (NASDAQ: VRRM) is committed to developing and using the latest in technology and data intelligence to help make transportation safer and easier. As a global company, Verra Mobility sits at the center of the mobility ecosystem – one that brings together vehicles, devices, information, and people to solve the most complex challenges faced by our customers and the constituencies they serve.

Verra Mobility serves the world's largest commercial fleets and rental car companies to manage tolling transactions and violations for millions of vehicles. A leading provider of connected systems, Verra Mobility processes millions of transactions each year through connectivity with more than 50 individual tolling authorities and more than 400 issuing authorities. The company also fosters the development of safe cities, partnering with law enforcement agencies, transportation departments and school districts across North America, operating thousands of red-light, speed, bus lane and school bus stop arm safety cameras. Arizona-based Verra Mobility operates in more than 15 countries. For more information, visit www.verramobility.com.
