

Verra Mobility Announces Extension and Amendment of Existing Credit Agreement; Launches Senior Notes Offering

March 15, 2021

MESA, Ariz., March 15, 2021 /PRNewswire/ -- Verra Mobility (NASDAQ: VRRM), a leading provider of smart mobility technology solutions, today announced its intention to extend and amend its existing 2020 credit agreement and issue new senior unsecured notes due 2029.

"We believe transitioning to a fixed and variable debt capital structure is timely and addresses our short-term capital needs and strengthens our balance sheet for the long-term. Our visibility into recurring revenue streams and strong cash flow generation potential effectively position us to service our debt and provide us the financial flexibility to invest for the future," stated Tricia Chiodo, Chief Financial Officer of Verra Mobility.

The timing of pricing and terms of the notes are subject to market conditions and other factors. Verra Mobility intends to use the net proceeds of the new \$650 million 7-year Term Loan B and \$350 million of new 8-year Senior Unsecured Notes (the "Notes") to repay the existing \$866 million Term Loan B due 2025, fund the purchase price for the announced acquisition of Redflex Holdings Limited, and for general corporate purposes.
