

Verra Mobility Announces Receipt of Notice from Nasdaq Regarding Late Filing of Annual Report on Form 10-K

March 8, 2022

MESA, Ariz., March 8, 2022 /PRNewswire/ -- Verra Mobility (NASDAQ: VRRM) (the "Company") announced today that it received a written notice from The Nasdaq Stock Market LLC ("Nasdaq") on March 3, 2022, stating that because the Company has not yet filed its Form 10-K for the year ended December 31, 2021 (the "Form 10-K"), it is no longer in compliance with Nasdaq Listing Rule 5250(c)(1), which requires listed companies to timely file all required periodic financial reports with the Securities and Exchange Commission (the "SEC").

This notification has no immediate effect on the listing of the Company's shares on Nasdaq. However, if the Company fails to timely regain compliance with Nasdaq Listing Rule 5250(c)(1), the Company's common stock will be subject to delisting from Nasdaq.

Under Nasdaq rules, the Company has 60 calendar days to submit to Nasdaq a plan to regain compliance with the Nasdaq Listing Rules. If Nasdaq accepts the Company's plan, then Nasdaq may grant the Company up to 180 days from the prescribed due date for filing the Form 10-K (as extended pursuant to Rule 12b-25 under the Securities Exchange Act of 1934, as amended) to regain compliance. If Nasdaq does not accept the Company's plan, then the Company will have the opportunity to appeal that decision to a Nasdaq hearings panel.

The Company is working diligently to complete its Form 10-K and intends to file the Form 10-K with the SEC as promptly as practicable.

About Verra Mobility

Verra Mobility (NASDAQ: VRRM) is committed to developing and using the latest in technology and data intelligence to help make transportation safer and easier. As a global company operating in more than 15 countries, Verra Mobility sits at the center of the mobility ecosystem – one that brings together vehicles, devices, information, and people to solve the most complex challenges faced by our customers and the constituencies they serve.

Verra Mobility serves the world's largest commercial fleets and rental car companies to manage tolling transactions and violations for millions of vehicles. As a leading provider of connected systems, Verra Mobility processes millions of transactions each year through integration and connectivity with hundreds of tolling and issuing authorities. Verra Mobility fosters the development of safe cities, partnering with law enforcement agencies, transportation departments and school districts, operating thousands of red-light, speed, bus lane and school bus stop arm safety cameras. Arizona-based Verra Mobility operates in North America, Europe, Asia, and Australia. For more information, please visit www.verramobility.com.

Forward Looking Statements

This press release contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about the Company's plans, objectives, expectations, beliefs and intentions and other statements including words such as "hope," "anticipate," "may," "believe," "expect," "intend," "will," "should," "plan," "estimate," "predict," "continue" and "potential" or the negative of these terms or other comparable terminology. The forward-looking statements herein represent the judgment of the Company, as of the date of this release, and the Company disclaims any intent or obligation to update forward-looking statements. Forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those currently anticipated. This press release should be read in

conjunction with the information included in the Company's other press releases, reports and other filings with the SEC and on the SEC website, www.sec.gov. Understanding the information contained in these filings is important in order to fully understand the Company's reported financial results and our business outlook for future periods. Actual results may differ materially from the results anticipated in the forward-looking statements and the assumptions and estimates used as a basis for the forward-looking statements.
