Questions and Answers
About these Proxy Materials, Voting and the Annual Meeting

The information provided below is for your convenience only and is merely a summary of the information contained in this proxy statement (this “**Proxy Statement**”). You should read this entire Proxy Statement carefully before casting your vote. Information contained on, or that can be accessed through, our website is not intended to be incorporated by reference into this Proxy Statement and references to our website addressed in this Proxy Statement are inactive textual references only. The use of the terms “Verra Mobility,” “we,” “us,” “our,” or the “Company,” as applicable, refers to Verra Mobility Corporation and, where appropriate, its subsidiaries.

Why am I receiving these materials?

Our board of directors (our “**Board**”) has made these materials available to you on the internet, or, upon your request, has delivered printed proxy materials to you, in connection with the solicitation of proxies for use at Verra Mobility Corporation’s 2019 annual meeting of stockholders (the “**Annual Meeting**”), which will take place on Tuesday, June 25, 2019 at 9:00 a.m. Mountain Standard Time (“**MST**”) at 1150 North Alma School Road, Mesa, Arizona 85201. You are invited to attend the Annual Meeting if you are a stockholder as of the close of business on May 6, 2019, the record date for the Annual Meeting (the “**Record Date**”), or hold a valid proxy for the Annual Meeting. If you are a holder of our Class A common stock (our “**Class A Common Stock**”) as of the Record Date, you are requested to vote on the proposals described in this Proxy Statement.

What is a proxy?

A proxy means that you authorize persons selected by us to vote your shares at our Annual Meeting in the way that you instruct. All shares represented by valid proxies that are received and not revoked before our Annual Meeting will be voted at our Annual Meeting in accordance with the stockholders’ specific voting instructions.

Why did I receive a notice regarding the availability of proxy materials on the internet?

We have elected to provide access to our proxy materials over the internet. Accordingly, we will send you a Notice of Internet Availability of Proxy Materials (the “**Notice**”) because our Board is soliciting your proxy to vote at the Annual Meeting, including at any adjournments or postponements thereof. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or to request a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We expect to mail the Notice on or about May 15, 2019 to all stockholders of record entitled to vote at the meeting.

What information is contained in this Proxy Statement?

This Proxy Statement includes information about the nominees for directors and other matters to be voted on at our Annual Meeting. It also explains the voting process and requirements; describes the compensation of our principal executive officer, principal financial officer and our other most highly compensated executive officers; describes the compensation of our directors; and provides certain other information that the Securities and Exchange Commission (“**SEC**”) rules require.

What should I do with these materials?

Please carefully read and consider the information contained in this Proxy Statement and then vote your shares as soon as possible to ensure that your shares will be represented at our Annual Meeting. You may vote your shares prior to our Annual Meeting even if you plan to attend our Annual Meeting.

How do I attend and participate in the Annual Meeting?

If you plan to attend the Annual Meeting in person you must present valid photo identification, such as a driver’s license or passport, for admittance. If you are not a stockholder of record but hold shares as a beneficial owner in “street name,” you must also provide proof of beneficial ownership as of the Record Date, such as your most recent account statement prior to May 6, 2019, a copy of the voting instruction form provided by your broker, bank, trustee, or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the other procedures outlined above, you will not be admitted to the Annual Meeting.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. As of May 6, 2019, there were 158,556,642 shares of our Class A Common Stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If, on May 6, 2019, your shares of Class A Common Stock are registered directly in your name with our transfer agent, Continental Stock Transfer and Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote online during the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If, on May 6, 2019, your shares of Class A Common Stock are held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and the Notice will be forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. Since you are not the stockholder of record, you may vote your shares online during the meeting only by following the instructions from your broker, bank or other agent.

What matters am I voting on?

There are two matters scheduled for a vote. The following table sets forth a description of each of the proposals you are being asked to vote on, how you may vote on each proposal and how our Board recommends that you vote on each proposal.

<u>Proposal</u>	<u>Description</u>	<u>How May I Vote?</u>	<u>How Does our Board Recommend That I Vote?</u>
Proposal 1	Elect two Class I directors, Cynthia Russo and Douglas Davis, to hold office until the 2022 annual meeting of stockholders.	You may either vote FOR each nominee to serve as a Class I director or WITHHOLD with respect to each nominee.	Our Board recommends a vote FOR each of the Class I director nominees.
Proposal 2	Ratify our Board’s appointment of Ernst & Young LLP (“ E&Y ”) as our independent registered public accounting firm for the fiscal year ending December 31, 2019.	You may vote FOR or AGAINST or you may ABSTAIN from voting.	Our Board recommends a vote FOR the ratification of E&Y as our independent registered public accounting firm for the fiscal year ending December 31, 2019.

What if another matter is properly brought before the Annual Meeting?

Our Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person during the Annual Meeting or vote by proxy through the internet, over the telephone, or using a proxy card that you may request. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. Even if you have submitted a proxy before the Annual Meeting, you may still attend and vote during the Annual Meeting. In such case, your previously submitted proxy will be disregarded.

- You may vote your shares held in your name as the stockholder of record in person at the Annual Meeting.
- To vote online before the Annual Meeting, go to www.proxyvote.com.
- To vote by toll-free telephone at 1-800-690-6903 (be sure to have your Notice or proxy card in hand when you call).
- To vote by mail, simply complete, sign and date the proxy card or voting instruction card, and return it promptly in the envelope provided.

If we receive your vote by internet or phone or your signed proxy card prior to 11:59 p.m. MST the day before the Annual Meeting, we will vote your shares as you direct.

To vote, you will need the control number. The control number will be included in the Notice or on your proxy card if you are a stockholder of record of shares of Class A Common Stock, or included with your voting instructions received from your broker, bank or other agent if you hold your shares of Class A Common Stock in a “street name”.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a Notice containing voting instructions from that organization rather than from us. Simply follow the voting instructions in the Notice to ensure that your vote is counted. To vote online during the Annual Meeting, you must follow the instructions from your broker, bank or other agent.

Internet proxy voting is provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. Please be aware that you must bear any costs associated with your internet access.

Can I change my vote?

Yes. Subject to the voting deadlines above, if you are a stockholder of record, you may revoke your proxy at any time before the close of voting using one of the following methods:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by telephone or through the internet.
- You may send a written notice that you are revoking your proxy to our Secretary.
- You may attend and vote during the Annual Meeting. However, simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by such party.

What happens if I do not vote?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record and do not vote during the Annual Meeting, or through the internet, by telephone or by completing your proxy card before the Annual Meeting, your shares will not be voted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

Broker non-votes occur when shares held by a broker for a beneficial owner are not voted either because (i) the broker did not receive voting instructions from the beneficial owner or (ii) the broker lacked discretionary authority to vote the shares. Abstentions represent a stockholder's affirmative choice to decline to vote on a proposal, and occur when shares present at the meeting are marked "**ABSTAIN**." Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present but have no effect on the outcome of matters voted.

A broker has discretionary authority to vote shares held for a beneficial owner on "routine" matters without instructions from the beneficial owner of those shares. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on "non-routine" matters.

Proposal 1, the election of our Class I directors, is a non-routine matter, so your broker or nominee may not vote your shares on Proposal 1 without your instructions. Proposal 2, the ratification of E&Y as our independent registered public accounting firm for the fiscal year ending December 31, 2019, is a routine matter, so your broker or nominee may vote your shares on Proposal 2 even in the absence of your instruction.

Please instruct your bank, broker or other agent to ensure that your vote will be counted.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote but do not make specific choices, your shares will be voted **FOR** the election of the nominees for Class I director, and **FOR** the ratification of the selection of E&Y as our independent registered public accounting firm. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

How many votes do I have?

Each holder of Class A Common Stock will have the right to one vote per share of Class A Common Stock.

How many votes are needed to approve each proposal?

The following table sets forth the voting requirements with respect to each of the proposals:

<u>Proposal</u>	<u>Description</u>	<u>Voting Requirement</u>
Proposal 1	Elect two Class I directors, Cynthia Russo and Douglas Davis, to hold office until the 2022 annual meeting of stockholders.	Each Class I director must be elected by a plurality of the votes cast. A plurality means that the nominees with the largest number of FOR votes are elected as directors up to the maximum number of directors to be elected at the Annual Meeting. A WITHHOLD vote will have no effect on the vote.
Proposal 2	Ratify our Board's appointment of E&Y as our independent registered public accounting firm for the fiscal year ending December 31, 2019.	To be approved, this proposal must be approved by a majority of the votes cast by the stockholders present in person or by proxy, meaning that the votes cast by the stockholders FOR the approval of the proposal must exceed the number of votes cast AGAINST the approval of the proposal. If a stockholder votes to ABSTAIN , it is not counted as a vote cast and has no effect as a vote on the outcome of this proposal. If you are a beneficial owner, your broker, bank or other nominee may vote your shares on this proposal without receiving voting instructions from you.

How are votes counted?

You may either vote **FOR** each nominee to serve as a Class I director on our Board, or you may **WITHHOLD** your vote for the nominee to serve as a Class I director on our Board. For the ratification of the selection of our independent registered public accounting firm, you may vote **FOR** or **AGAINST** or you may **ABSTAIN** from voting. Abstentions, withheld votes, and broker non-votes are not treated as votes cast either for or against a matter, and therefore will not affect the outcome of the vote.

Who counts the votes?

We have engaged Broadridge Financial Solutions, Inc. ("**Broadridge**") as our independent agent to tabulate stockholder votes. If you are a stockholder of record, and you choose to vote over the internet or by telephone, Broadridge will access and tabulate your vote electronically, and if you choose to sign and mail your proxy card, your executed proxy card is returned directly to Broadridge for tabulation. As noted above, if you hold your shares through a broker, your broker (or its agent for tabulating votes of shares held in "street name," as applicable) returns one proxy card to Broadridge on behalf of all its clients.

Who is paying for this proxy solicitation?

We will pay for the cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid additional compensation for soliciting proxies. We may reimburse brokers, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

When are stockholder proposals due for next year's annual meeting?

Requirements for stockholder proposals to be brought before the 2020 annual meeting.

Our bylaws provide that, for stockholder director nominations or other proposals to be considered at an annual meeting, the stockholder must give timely notice thereof in writing to our Secretary at Verra Mobility Corporation, 1150 North Alma School Road, Mesa, Arizona 85201. To be timely for the 2020 annual meeting of stockholders, a stockholder's notice must be delivered to or mailed and received by our Secretary at our principal executive offices between February 6, 2020 and March 27, 2020; provided that if the date of that annual meeting of stockholders is earlier than May 11, 2020 or later than August 9, 2020 you must give the required notice not earlier than the 120th day prior to the meeting date and not later than the 90th day prior to the meeting date or, if later, the 10th day following the day on which public disclosure of that meeting date is first made. A stockholder's notice to the Secretary must also set forth the information required by our bylaws.

Requirements for stockholder proposals to be considered for inclusion in our proxy materials.

Stockholder proposals submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), and intended to be presented at the 2020 annual meeting of stockholders must be received by us not later than January 11, 2020 in order to be considered for inclusion in our proxy materials for that meeting.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the aggregate voting power of the shares of Class A Common Stock issued, outstanding and entitled to vote at the meeting are present at the meeting or represented by proxy. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you attend the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairperson of the meeting may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

We expect that preliminary voting results will be announced during the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the instructions on each Notice to ensure that all your shares are voted.

What does it mean if multiple members of my household are stockholders but we only received one Notice or full set of proxy materials in the mail?

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for notices and proxy materials with respect to two or more stockholders sharing the same address by delivering a single Notice or set of proxy materials addressed to those stockholders. In accordance with a prior notice sent to certain brokers, banks, dealers or other agents, we are sending only one Notice or full set of proxy materials to those addresses with multiple stockholders unless we received contrary instructions from any stockholder at that address. This practice, known as “householding,” allows us to satisfy the requirements for delivering notices or proxy materials with respect to two or more stockholders sharing the same address by delivering a single copy of these documents. “Householding” helps to reduce our printing and postage costs, reduces the amount of mail you receive and helps to preserve the environment. If you currently receive multiple copies of the Notice or proxy materials at your address and would like to request “householding” of your communications, or you would like to revoke your consent to future “householding” mailings, please contact your broker, bank or other agent or contact us at the following address:

What are the implications of being an “emerging growth company”?

We are an “emerging growth company” under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this Proxy Statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012, including certain executive compensation disclosures required of a “smaller reporting company,” as that term is defined in Rule 12b-2 promulgated under the Exchange Act. In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an emerging growth company until the earliest of (i) the last day of the fiscal year following the fifth anniversary of the completion of our initial public offering (the “**IPO**”), (ii) the last day of the first fiscal year in which our annual gross revenue is \$1.07 billion or more, (iii) the date on which we have, during the previous rolling three-year period, issued more than \$1 billion in non-convertible debt securities or (iv) the date on which we are deemed to be a “large accelerated filer” as defined in the Exchange Act.

Other Information

We were originally incorporated in Delaware on August 15, 2016 as Gores Holdings II, Inc. (“**Gores**”), as a special purpose acquisition company, formed to effect a merger, capital stock exchange, asset acquisition, stock purchase, reorganization, or other similar business combination with one or more target businesses. On January 19, 2017, Gores consummated the IPO, following which its shares began trading on the Nasdaq Capital Market (“**Nasdaq**”).

On October 17, 2018, pursuant to an Agreement and Plan of Merger dated June 21, 2018 as amended on August 23, 2018 by that certain Amendment No. 1 to Agreement and Plan of Merger (as amended, the “**Merger Agreement**”) by and among Gores, a.m. Merger Sub I, Inc., a direct, wholly-owned subsidiary of Gores (“**First Merger Sub**”), a.m. Merger Sub II, LLC, a direct, wholly-owned subsidiary of Gores (“**Second Merger Sub**”), Greenlight Holding II Corporation (“**Greenlight**”), and PE Greenlight Holdings, LLC (the “**Platinum Stockholder**”), the First Merger Sub merged with Greenlight as the surviving entity. Immediately following, and as part of the same overall transaction the Second Merger Sub merged with Greenlight, with the Second Merger Sub as the surviving entity. “**Business Combination**” refers to these mergers, together with the other related transactions.

At the closing of the Business Combination, Gores changed its name to “Verra Mobility Corporation” and the Second Merger Sub changed its name to “Verra Mobility Holdings, LLC.” As a result of the Business Combination, we became the owner, directly or indirectly, of all of the equity interests of Verra Mobility Holdings, LLC and its subsidiaries, including ATS Consolidated, Inc. (“**ATS**”, now known as VM Consolidated, Inc.). At the closing of the Business Combination, we additionally changed our trading symbols from “GSHT,” and “GSHTW,” to “VRRM” and “VRRMW.” Currently, our Class A Common Stock is listed on Nasdaq under the symbol “VRRM”, and our Public Warrants (as defined below) trade on the over-the-counter market by the OTC Markets Group Inc. (“**OTC Markets**”) under the symbol VRRMW.

As partial consideration for the Business Combination and pursuant to certain related transactions, the former majority securities holder of Greenlight Holding II Corporation, the Platinum Stockholder, and its affiliates including Platinum Equity, LLC (together with the Platinum Stockholder and its sponsored funds and other affiliated private equity vehicles “**Platinum Equity**”), received newly issued shares of Class A Common Stock constituting approximately 34% of our issued and outstanding shares of Class A Common Stock.

In connection to the Business Combination, we additionally entered into an investor rights agreement with the Platinum Stockholder (the “**Investor Rights Agreement**”). Pursuant to the Investor Rights Agreement, subject to certain ownership thresholds, the Platinum Stockholder has the right to nominate up to three directors to our Board and, so long as one of the Platinum Stockholder’s nominees is elected as a director, one such nominee shall serve as the Chairman of the Board. Neither of the Class I director nominees listed in Proposal No. 1 is a Platinum Stockholder nominee.

Corporate Governance

We believe that good corporate governance helps ensure that Verra Mobility is managed for the long-term benefit of our stockholders. We have adopted corporate governance guidelines, which provide a foundation for the governance of Verra Mobility as a whole and describe the principles and practices that our Board follows in carrying out its responsibilities. Our corporate governance guidelines address, among other things:

- composition, structure and policies of our Board and its committees;
- determination of director qualifications;
- expectations and responsibilities of directors;
- management succession planning;
- evaluation of performance of our Board and each of its committees;
- principles of director compensation; and
- communications with stockholders and non-management directors.

Our corporate governance guidelines will be reviewed by our nominating and corporate governance committee from time to time to ensure that they effectively promote the best interests of both Verra Mobility and our stockholders and that they comply with applicable laws, regulations and Nasdaq requirements.

Code of Business Ethics and Conduct

We have adopted a code of business ethics and conduct applicable to all of our directors, officers (including our principal executive officer, principal financial officer and principal accounting officer) and employees. Our code of business ethics and conduct is available on our investor relations website (<http://ir.verramobility.com/corporate-governance/governance-highlights>) in the “Governance Highlights” section. In the event that we amend or waive certain provisions of our code of business ethics and conduct applicable to our principal executive officer, principal financial officer or principal accounting officer that require disclosure under applicable SEC rules, we will disclose the same on our website.

Business Combination

Prior to the Business Combination, our Board consisted of four directors including two directors, Alec Gores and William Patton, who resigned their positions upon the closing of the Business Combination, and two directors, Randall Bort and Jeffrey Rea, who continued to serve on our Board as Class I directors following the Business Combination. Pursuant to the Investor Rights Agreement, the Platinum Stockholder designated our Chief Executive Officer, David Roberts, as a Class II director nominee and two representatives of the Platinum Stockholder, Jacob Kotzubei and Bryan Kelln, as Class III director nominees. Our Board additionally nominated Jay Geldmacher and John Rexford as Class II directors. In connection with the Business Combination, all of the aforementioned director nominees were elected to our Board at a special meeting of the stockholders on October 16, 2018.

Director Independence

Our Class A Common Stock is listed on Nasdaq. Under the listing requirements and rules of Nasdaq, independent directors must comprise a majority of our Board. In addition, the rules of Nasdaq require that, subject to specified exceptions, each member of a listed company’s audit, compensation and nominating and corporate governance committees be independent. Under Nasdaq rules, a director will only qualify as an “independent director” if, in the opinion of that company’s board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Compensation committee members must not have a relationship with the company that is material to that director’s ability to be independent from management in connection with the duties of a compensation committee member. Additionally, audit committee

members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act. To be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors or any other board committee accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries or be an affiliated person of the listed company or any of its subsidiaries.

Our Board has undertaken a review of its composition, the composition of its committees and the independence of each director. Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, our Board has determined that other than Jacob Kotzubei, Bryan Kelln and David Roberts, none of our directors has any relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that such directors are “independent” as that term is defined under the applicable rules and regulations of the SEC and the listing requirements and rules of Nasdaq. Jacob Kotzubei and Bryan Kelln are not independent because of their affiliations with Platinum Equity and the Platinum Stockholder. David Roberts is not independent given his position as our President and Chief Executive Officer. Accordingly, a majority of our directors are independent, as required under applicable Nasdaq listing rules. In making this determination, our Board broadly considered all relevant facts and circumstances, including information provided by the directors and by us with regard to each director’s business and personal activities as they may relate to us and our management. There are no family relationships among any of the directors or executive officers.

Board of Directors Leadership

In accordance with our corporate governance guidelines, we currently separate the roles of Chief Executive Officer and Chairman of the Board. These positions are currently held by David Roberts, as our President and Chief Executive Officer, and Jacob Kotzubei, as Chairman of our Board. We believe this leadership structure is appropriate for our Company due to the differences between the two roles. The President and Chief Executive Officer is responsible for setting our strategic direction, providing day-to-day leadership and managing our business, while the Chairman provides guidance to the President and Chief Executive Officer, chairs meetings of the Board, sets the agendas for meetings of our Board and provides information to the members of our Board in advance of such meetings. As a result of this leadership structure, our President and Chief Executive Officer is able to focus on developing and implementing our business strategies and objectives, and the Chairman is able to provide independent oversight and serve as an independent liaison between our management and the members of our Board. Due to Jacob Kotzubei’s extensive executive leadership experience, we believe Jacob Kotzubei is well-suited to serve in his role as Chairman.

Executive Sessions of Non-Employee Directors

To encourage and enhance communication among non-employee directors, and as required under applicable Nasdaq rules, our corporate governance guidelines provide that the non-employee directors will meet in executive sessions without management directors or company management on a periodic basis but no less than once a year. The presiding director at executive sessions of non-employee directors is the presiding independent director as elected by the independent directors, or another non-employee director otherwise designated by the non-employee directors.

Communications with our Board of Directors

Committees of our Board of Directors

Our Board has established an audit committee, a compensation committee and a nominating and corporate governance committee which have the composition and responsibilities described below. Our Board may establish other committees to facilitate the management of our business. Copies of the charters of our audit, compensation, and nominating and corporate governance committees are available in the “Governance Highlights” section of our investor

relations website (<http://ir.verramobility.com/corporate-governance/governance-highlights>). Members serve on these committees until their resignation or until otherwise determined by our Board.

In arriving at these determinations, our Board has examined each audit committee member’s scope of experience and the nature of their employment in the corporate finance sector.

The primary purpose of our audit committee is to discharge the responsibilities of our Board with respect to our accounting, financial and other reporting and internal control practices and to oversee our independent registered accounting firm. Our compensation committee consists of Randall Bort and Jeffrey Rea. The chair of our compensation committee is Jeffrey Rea. Our Board has determined that both members of our compensation committee are independent under Nasdaq listing standards, are “non-employee directors” as defined in Rule 16b-3 promulgated under the Exchange Act and are “outside directors” as that term is defined in Section 162(m) of the Internal Revenue Code of 1986. Our compensation committee may form subcommittees of at least two members for any purpose that the committee deems appropriate and may delegate to such subcommittees such power and authority as the committee deems appropriate except such power or authority that is required by any law, regulation or listing standard to be exercised by the compensation committee as a whole.

The purpose of our compensation committee is to discharge the responsibilities of our Board to oversee our compensation and employee benefit plans and practices. Specific responsibilities of our compensation committee include:

None of our executive officers currently serves, or during fiscal 2018 has served, as a member of the compensation committee or director (or other board committee performing equivalent functions or, in the absence of any such committee, the entire Board) of any entity that has one or more executive officers serving on our compensation committee or our Board.

Each member of our nominating and corporate governance committee is independent within the meaning of applicable listing standards, is a non-employee director and is free from any relationship that would interfere with the exercise of his independent judgment, as determined by our Board in accordance with the applicable Nasdaq listing standards.

The purpose of our nominating and corporate governance committee includes identifying and recommending to our Board the director nominees for the next annual meeting and developing and recommending the corporate governance guidelines and policies to our Board. Specific responsibilities of our nominating and corporate governance committee include:

Board of Directors and Committee Meetings and Attendance

Our Board is responsible for the oversight of our management and our strategy and for establishing corporate policies. Our Board and its committees meet throughout the year on a regular schedule, and also hold special meetings and act by written consent from time to time.

Our Board met six times during our last fiscal year prior to the Business Combination and met twice and acted by unanimous written consent once following the Business Combination. Our audit committee met three times during our last fiscal year prior to the Business Combination and met once and acted by unanimous written consent once following the Business Combination. Our compensation committee met once during our last fiscal year prior to the Business Combination and met twice and acted by unanimous written consent three times following the Business Combination. Our nominating and corporate governance committee met once following the Business Combination. (This committee was not formed until after the Business Combination.) During our last fiscal year, each director attended 75% or more of the aggregate of the meetings of our Board and of the committees on which he served.

We encourage our directors and nominees for director to attend our annual meeting of stockholders. In lieu of a regular annual meeting of stockholders in 2018, we held a special meeting in October 2018 to approve the Business Combination. None of our directors attended the special meeting.

Risk Oversight

Our Board oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance, and to enhance stockholder value. A fundamental part of risk management is not only understanding the most significant risks a company faces and what steps management is taking to manage those risks but also understanding what level of risk is appropriate for a given company. Our Board, as a whole, determines the appropriate level of risk for us, assesses the specific risks that we face and reviews management's strategies for adequately mitigating and managing the identified risks. Although our Board administers this risk management oversight function, the committees of our Board support our Board in discharging its oversight duties and addressing risks inherent in their respective areas.

Our audit committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. Our audit committee monitors compliance with legal and regulatory requirements. Our audit committee also monitors management's preparedness for and responses to data security incidents. Our nominating and corporate governance committee monitors the effectiveness of our corporate governance guidelines. Our compensation committee assesses and monitors whether our compensation philosophy and practices have the potential to encourage excessive risk taking and evaluates compensation policies and practices that could mitigate such risks.

At periodic meetings of our Board and its committees, management reports to and seeks guidance from our Board and its committees with respect to the most significant risks that could affect our business, such as legal risks and financial, tax and audit related risks. In addition, among other matters, management provides our audit committee periodic reports on our compliance programs and practices.

Nominations Process and Director Qualifications

Nomination to our Board of Directors

Candidates for nomination to our Board are selected by our Board based on the recommendation of our nominating and corporate governance committee in accordance with the committee's charter, our policies, our certificate of incorporation and bylaws, our corporate governance guidelines, and the criteria adopted by our Board regarding director candidate qualifications. In recommending candidates for nomination, our nominating and corporate governance committee considers candidates recommended by directors, officers, and employees, as well as candidates that are properly submitted by stockholders in accordance with our policies and bylaws, using the same criteria to evaluate all such candidates. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate and, in addition, our nominating and corporate governance committee may engage consultants or third-party search firms to assist in identifying and evaluating potential nominees.

Additional information regarding the process for properly submitting stockholder nominations for candidates for membership on our Board is set forth above under “Questions and Answers About these Proxy Materials and Voting.”

Director Qualifications

With the goal of developing an experienced and highly qualified board of directors, our nominating and corporate governance committee is responsible for developing and recommending to our Board the desired qualifications, expertise and characteristics of members of our Board, including qualifications that the committee believes must be met by a committee-recommended nominee for membership on our Board and specific qualities or skills that the committee believes are necessary for one or more of the members of our Board to possess.

In addition to the qualifications, qualities, and skills that are necessary to meet U.S. legal, regulatory and Nasdaq listing requirements and the provisions of our certificate of incorporation, bylaws, corporate governance guidelines and charters of the board committees, our nominating and corporate governance committee considers the following qualifications for any nominee for a position on our Board: (i) experience in corporate governance, such as an officer or former officer of a publicly held company, (ii) experience in, and familiarity with, our business and industry, (iii) experience as a board member of another publicly held company, (iv) personal and professional character, integrity, ethics and values, (v) practical and mature business judgment, including the ability to make independent analytical inquiries, (vi) academic expertise in an area of our operations and (vii) background in financial and accounting matters. Our Board and nominating and corporate governance committee believe that an experienced and highly qualified board of directors fosters a robust, comprehensive and balanced decision-making process for the continued effective functioning of our Board and our success. Accordingly, through the nomination process, our nominating and corporate governance committee seeks to promote board membership that reflects diversity, factoring in gender, race, ethnicity, differences in professional background, education, skill, and experience, and other individual qualities and attributes that contribute to the total mix of viewpoints and experience. Our nominating and corporate governance committee evaluates the foregoing factors, among others, and does not assign any particular weighting or priority to any of the factors.

**PROPOSAL 1:
Election of Directors**

Our Board has nominated Cynthia Russo and Douglas Davis to serve, and each has agreed to stand for election at the meeting, as a Class I director.

Our Board consists of seven members. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election until the third annual meeting following the election. Our directors are divided into the three classes as follows:

- *Class I directors:* Randall Bort and Jeffrey Rea, whose terms will expire at the Annual Meeting and have notified us and our Board of their decision not to stand for reelection at the Annual Meeting. Cynthia Russo and Douglas Davis, if elected at this Annual Meeting, will serve until their term expires at the annual meeting of stockholders to be held in 2022 and until their successors have been duly elected, or if sooner, until their death, resignation or removal;

- *Class III directors:* Bryan Kelln and Jacob Kotzubei, whose terms will expire at the annual meeting of stockholders to be held in 2021.

The division of our Board into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control.

Vote Required

Directors are elected by a plurality of the votes cast by the stockholders present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, the two nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominee named above. If such nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead will be voted for the election of a substitute nominee proposed by our Board.

Nominees

Our nominating and corporate governance committee seeks to assemble a board of directors that, as a group, can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its qualifications and experience in various areas. To that end, the committee has identified and evaluated nominees in the broader context of our Board's overall composition, with the goal of recruiting members who complement and strengthen the skills of other members and who also exhibit integrity, collegiality, sound business judgment and other qualities deemed critical to effective functioning of our Board.

**PROPOSAL 2:
Ratification of Selection of Independent Registered Public Accounting Firm**

Our audit committee has appointed E&Y as our independent registered public accounting firm for the fiscal year ending December 31, 2019 and has further directed that management submit this selection for ratification by the stockholders at the Annual Meeting. E&Y has been our independent registered public accounting firm since the consummation of the Business Combination on October 17, 2018.

Representatives of E&Y are expected to be present during the Annual Meeting, where they will be available to respond to appropriate questions and, if they desire, to make a statement. Our Board is submitting this selection as a matter of good corporate governance and because we value our stockholders' views on our independent registered public accounting firm. Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of our independent registered public accounting firm. If the stockholders fail to ratify this selection, our Board will reconsider whether or not to retain that firm. Even if the selection is ratified, our Board may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and in the best interests of our stockholders.

Vote Required

An affirmative vote from holders of a majority in voting power of the shares present at the Annual Meeting or represented by proxy and entitled to vote on the proposal will be required to ratify the selection of E&Y.

During the period from January 1, 2017 until the Business Combination on October 17, 2018, KPMG LLP ("**KPMG**") served as our independent registered public accounting firm. Audit Committee Approval

Our audit committee approved all of the foregoing services. These services may include audit services, audit-related services, tax and other services. Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services. Our independent registered public accounting firm and management are required to periodically report to the audit committee regarding the extent of services provided by our independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. Our audit committee may also pre-approve particular services on a case-by-case basis. During 2017 and 2018 services provided by E&Y and KPMG were pre-approved by the audit committee in accordance with this policy.

Our Board recommends a vote **FOR** the ratification of E&Y as our independent registered public accounting firm for the fiscal year ending December 31, 2019.

Report of the Audit Committee

On behalf of our Board, our audit committee oversees the financial reporting process for which management has responsibility. Our independent registered public accounting firm, E&Y, was responsible for performing an audit of our consolidated financial statements.

The audit committee has reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2018 with our management. The audit committee has discussed with its independent registered public accounting firm, E&Y, the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*, as issued by the Public Company Accounting Oversight Board (“**PCAOB**”). Narrative Disclosure to the Summary Compensation Table

The following is a brief description of the compensation arrangements we have with each of our named executive officers and other compensation paid to our named executive officers. As described more fully below under “*Greenlight Holding Corporation 2018 Participation Plan*” and “*Equity Award Inducement Grants,*” respectively, our named executive officers received certain lump-sum cash payments and time-vested equity awards during 2018 in connection with the Business Combination. The cash payments were made in connection with agreements our named executive officers entered into to terminate performance units each of them held under a prior participation plan that was terminated immediately prior to the Business Combination closing. The equity awards were made pursuant to the Merger Agreement, which required us, promptly following the closing of the Business Combination, to grant awards of RSUs equal to an aggregate of approximately three percent of our outstanding capital stock as of closing to certain individuals who entered into the termination agreements referenced above. The RSUs were granted as a material inducement to such individuals to continue their employment with us following the Business Combination.

Base Salary

Base salary is a fixed element within a total compensation package intended to attract and retain the talent necessary to successfully manage our business and execute our business strategies. Base salary for our named executive officers is established based on the scope of their responsibilities, taking into account relevant experience, internal pay equity, tenure and other factors deemed relevant.

Leadership Bonus Plans

During 2017, we sponsored the Verra Mobility Leadership Bonus Plan (the “**2017 Bonus Plan**”) for employees who were active, full-time salaried employees of Verra Mobility and who were classified as members of management. Participants in the 2017 Bonus Plan, which included Mr. Roberts and Ms. Chiodo, were eligible to receive cash bonus payments based on our performance. For fiscal year 2017, the bonus targets and maximums for Mr. Roberts and Ms. Chiodo were established as a percentage of base salary as follows:

- David Roberts – Target of 100% and Maximum of 200% of Target
- Patricia Chiodo – Target of 50% and Maximum of 200% of Target

Payment of annual bonuses to the plan participants was based on achievement of the EBIT performance target for the plan year, as determined by our Chief Financial Officer and approved by our Chief Executive Officer. The bonuses earned by Mr. Roberts and Ms. Chiodo for fiscal year 2017 were based on a consolidated EBIT performance target of \$65,951,120.

A participant was entitled to payment under the 2017 Bonus Plan only if the actual level of performance for the plan year equaled or exceeded 80% of the EBIT target. If this threshold was met, the actual payment was based on performance against the EBIT target. Bonus payments could be made based on achievement of up to 120% for the EBIT performance metric, in which case the participant could receive up to 200% of his or her target bonus. To receive a bonus payment, a participant must have been employed by us on the date on which we actually paid bonuses under the 2017 Bonus Plan.

Verra Mobility’s consolidated EBIT performance for fiscal year 2017 was \$68,489,454, which correlated to approximately 104% against the EBIT target. Based on this performance, bonus payments to Mr. Roberts and Ms. Chiodo for fiscal year 2017 were as follows:

- David Roberts - \$460,000
- Patricia Chiodo - \$204,269

During 2018, we sponsored the 2018 Verra Mobility Annual Incentive Bonus Plan (the “**2018 Bonus Plan**”) for employees who were active, full-time, salaried employees of Verra Mobility and who were approved for participation by our Chief People Officer and Chief Executive Officer. Participants in the 2018 Bonus Plan, which included our named executive officers, were eligible to receive cash bonus payments based on company and individual performance. For 2018, the bonus targets for the named executive officers were established as a percentage of base salary as follows:

- David Roberts – Target of 100% and Maximum of 150% of Target
- Patricia Chiodo – Target of 50% and Maximum of 150% of Target
- Jonathan Routledge – Target of 40% and Maximum of 150% of Target

Payment of annual bonuses to the named executive officers was based on individual performance and achievement of the adjusted EBITDA target for the plan year, as determined by our Chief Financial Officer and approved by our Chief Executive Officer, which was \$197,000,000 for 2018. The bonus earned by Mr. Routledge for fiscal year 2018 was prorated for ten months of service to Verra Mobility during 2018 (beginning with our acquisition of HTA in March 2018).

A participant was entitled to payment under the 2018 Bonus Plan only if the actual level of performance for the plan year equaled or exceeded 85% of the adjusted EBITDA target. If this threshold was met, the actual payment was based on performance against the adjusted EBITDA target. Bonus payments could be made based on achievement of up to 120% for the adjusted EBITDA performance metric, in which case the participant could receive up to 150% of his or her target bonus. To receive a bonus payment, in the absence of a separate agreement to the contrary, a participant

must have been employed by us on the last day of the plan year and on the date on which we actually paid bonuses under the 2018 Bonus Plan.

Our consolidated adjusted EBITDA performance for fiscal year 2018 was approximately \$197,610,000, which correlated to approximately 100% against the consolidated adjusted EBITDA target. Based on this performance, bonus payments to our NEOs were as follows:

- David Roberts – \$519,230
- Patricia Chiodo – \$204,285
- Jonathan Routledge – \$108,807 (prorated for ten months of service)

Greenlight Holding Corporation 2018 Participation Plan

Mr. Roberts and Ms. Chiodo were granted performance units in 2018 under the Greenlight Holding Corporation 2018 Participation Plan (the “**Participation Plan**”). These units were granted upon the termination of similar performance units previously granted in 2017. The performance units represented the right to receive a payment upon the occurrence of a “Qualifying Event” (as defined in the Participation Plan) either in the form of a cash payment or a payment in securities, depending on the type of consideration paid in connection with the Qualifying Event. In connection with the Merger Agreement, Greenlight Holding Corporation agreed to terminate the Participation Plan effective immediately prior to the closing of the Business Combination. Participants in this plan, including Mr. Roberts and Ms. Chiodo, entered into termination agreements pursuant to which they received a lump-sum payment after the closing of the Business Combination in exchange for a release of claims in favor of Greenlight Holding Corporation and its affiliates. Pursuant to their respective termination letters, Mr. Roberts received a lump-sum payment of \$7,306,909, and Ms. Chiodo received a lump-sum payment of \$3,584,469.

Verra Mobility Corporation 2018 Equity Incentive Plan

The Verra Mobility 2018 Equity Incentive Plan (the “**2018 Equity Plan**”) was approved by our stockholders on October 17, 2018, after being adopted by our Board on July 10, 2018, subject to stockholder approval. Awards made under the 2018 Equity Plan allow us to attract new key employees, to continue to retain existing key employees, directors and other service providers for our and our stockholders’ long-term benefit and to align the interests of our employees, directors and other service providers with the interests of our stockholders. The 2018 Equity Plan authorizes the compensation committee to provide incentive compensation in the form of stock options, restricted stock and stock units, performance shares and units, other stock-based awards and cash-based awards. The maximum aggregate number of shares authorized for issuance under the 2018 Equity Plan is 10,864,000 shares, and such shares shall consist of authorized but unissued or reacquired shares or any combination thereof.

RSUs granted under the 2018 Equity Plan represent rights to receive shares of our Class A Common Stock at a future date determined in accordance with the participant’s award agreement. No monetary payment is required for receipt of RSUs or the shares issued in settlement of the award, the consideration for which is furnished in the form of the participant’s services to the Company. RSUs may not be transferred by the participant. Participants have no voting rights or rights to receive cash dividends with respect to RSUs until shares of stock are issued in settlement of such awards. Unless otherwise provided by the compensation committee, a participant will forfeit any RSUs which have not vested prior to the participant’s termination of service.

Equity Award Inducement Grants

The Merger Agreement required us, promptly following the closing of the Business Combination, to grant awards of RSUs equal to approximately three percent of our outstanding capital stock as of closing to certain individuals who entered into termination agreements relating to their performance units granted under the Participation Plan. These awards of RSUs were granted as a material inducement to the employees entering into employment with

us and vest ratably over four years (subject to continued employment). On October 23, 2018, we granted RSUs that vest ratably over four years to our named executive officers in the following amounts:

- Mr. Roberts – 1,185,489 RSUs;
- Ms. Chiodo – 581,552 RSUs; and

The following is a summary of transactions, since the beginning of our last fiscal year, to which we have been a participant, in which the amount involved exceeded or will exceed \$120,000 and in which any of our directors, executive officers or holders of more than five percent of our capital stock, or any member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest.

Investor Rights Agreement

We are a party to the Investor Rights Agreement with the Platinum Stockholder, pursuant to which the Platinum Stockholder has the right to nominate up to three directors. If one of the Platinum Stockholder's nominees is elected, one of the Platinum Stockholder's nominees will serve as the Chairman of our Board, and the Platinum Stockholder will have the right to appoint one representative to each committee of our Board. The Platinum Stockholder's right to nominate directors is subject to its ownership percentage of the total outstanding shares of our Class A Common Stock. If the Platinum Stockholder holds: (i) 25% or greater of our outstanding Class A Common Stock, it has the right to nominate three directors; (ii) less than 25% but greater than or equal to 15% of our outstanding Class A Common Stock, it has the right to nominate two directors; (iii) less than 15% but greater than or equal to five percent of our outstanding Class A Common Stock, it has the right to nominate one director; and (iv) less than five percent of our outstanding Class A Common Stock, it has no right to nominate any directors.

Registration Rights Agreement

Upon the closing of the Business Combination, we entered into a registration rights agreement with certain restricted stockholders. Pursuant to the terms of the registration rights agreement, (a) any outstanding shares of Class A Common Stock or any of our other equity securities (including the Private Placement Warrants (defined below) and including shares of Class A Common Stock issued or issuable upon the exercise of any other equity security) held by a restricted stockholder as of the date of the agreement or thereafter acquired by a restricted stockholder (including the shares of Class A Common Stock issued upon exercise of any Private Placement Warrants) and shares of Class A Common Stock issued or issuable as Earn-Out Shares (defined below) to certain stockholders and (b) any of our other equity securities issued or issuable with respect to any such share of common stock by way of a stock dividend or stock split or in connection with a combination of shares, recapitalization, merger, consolidation or other reorganization or otherwise, will be entitled to registration rights.

The restricted stockholders are each entitled to make up to six demands for registration, excluding short form demands, that we register shares of Class A Common Stock held by these parties. In addition, the restricted stockholders have certain "piggy-back" registration rights. We will bear the expenses incurred in connection with the filing of any registration statements filed pursuant to the terms of the registration rights agreement. We and the restricted stockholders agree in the registration rights agreement to provide customary indemnification in connection with offerings of common stock effected pursuant to the terms of the registration rights agreement.

Warrant Agreement

In connection with our IPO, we issued 13,333,333 warrants with an exercise price of \$11.50 per share of Class A Common Stock (the "***Public Warrants***") and 6,666,666 warrants with an exercise price of \$11.50 per share of Class A Common Stock that we sold to Gores Sponsor II LLC in a private sale (the "***Private Placement Warrants***"). In addition, we have filed a registration statement under the Securities Act covering the 13,333,301 shares of our Class A Common Stock that may be issued upon exercise of the outstanding Public Warrants, the 6,666,666 Private Placement Warrants, and the 6,666,666 shares of our Class A Common Stock that may be issued upon exercise of the Private Placement Warrants, and we are obligated to maintain the effectiveness of such registration statement until the Warrants expire.

The Public Warrants entitle their holders to purchase one Class A Common Stock for a purchase price of \$11.50, subject to adjustments pursuant to the Warrant Agreement. The Public Warrants were listed on Nasdaq under the symbol "VRRMW", and were removed from listing on Nasdaq on December 14, 2018 and are currently traded on the OTC Markets. As of May 1, 2019, 13,333,301 Public Warrants were outstanding. The Private Placement Warrants entitle its holders to purchase one Class A Common Stock for a purchase price of \$11.50, subject to adjustments pursuant to the Warrant Agreement. As of May 1, 2019, 6,666,666 Private Placement Warrants were outstanding. The terms of the Private Placement Warrants are identical to the Public Warrants, except that such Private Placement Warrants are not redeemable by us so long as they are still held by Gores Sponsor II LLC or its permitted transferees.

Earn-Out Shares

Pursuant to our Merger Agreement, we agreed to issue up to 10,000,000 additional shares of Class A Common Stock (the "***Earn-Out Shares***") to the Platinum Stockholder if either (i) the volume weighted average closing sale price of one share of Class A Common Stock on the Nasdaq exceeds certain thresholds for a period of at least 10 out of 20 consecutive trading days (the "***Common Share Price***") or (ii) there is a change in control (as described in the merger agreement) in which the holders of Class A Common Stock receive a per share price in respect of their Class A

Common Stock that is equal to or greater than any such Common Share Price threshold (the “**Change in Control Price**”), in each case, at any time during the five-year period following the completion of the Business Combination.

On April 26, 2019, the triggering event for the issuance of the first tranche of Earn-Out Shares to the Platinum Stockholder occurred, as the volume weighted average closing price per share of the Company’s Class A Common Stock as of that date had been greater than \$13.00 for 10 out of 20 consecutive trading days. As a result, we issued 2,500,000 Earn-Out Shares to the Platinum Stockholder on April 30, 2019. We will be required to issue additional Earn-Out Shares to the Platinum Stockholder as follows: (i) a one-time issuance of 2,500,000 shares if the Common Share Price or Change in Control Price is greater than \$15.50; (ii) a one-time issuance of 2,500,000 shares if the Common Share Price or Change in Control Price is greater than \$18.00; and (iii) a one-time issuance of 2,500,000 shares if the Common Share Price or Change in Control Price is greater than \$20.50.

Tax Receivable Agreement

At the closing of the Business Combination, we entered into the Tax Receivable Agreement with the Platinum Stockholder and Greenlight as the stockholder representative. The Tax Receivable Agreement generally provides for the payment by us to the Platinum Stockholder of 50% of the net cash savings, if any, in U.S. federal, state and local income tax that we actually realize (or are deemed to realize in certain circumstances) in periods after the closing of the Business Combination as a result of the increase in the tax basis of the intangible assets of HTA which resulted from our acquisition of HTA prior to the Business Combination. We generally will retain the benefit of the remaining 50% of these cash savings.

Corporate Advisory Services Agreement

We are party to a corporate advisory services agreement with Platinum Equity Advisors, LLC (“**Advisors**”), pursuant to which Advisors will provide us with certain mutually agreed transactional and corporate advisory services. No fees are payable under the agreement, but we must reimburse Advisors for its out-of-pocket expenses incurred in connection with services rendered.

Employment Arrangements and Equity Grants

We have entered into offer letters with certain of our executive officers, which include certain termination benefits. For more information regarding these arrangements, see “*Employment, Severance and Change of Control Agreements*” above. We have granted equity awards to our executive officers and certain members of our Board. For a description of these equity awards, see the sections titled “*Executive Compensation*” and “*Director Compensation*.”

Indemnification Agreements

Our certificate of incorporation contains provisions limiting the liability of directors, and our bylaws provide that we will indemnify each of our directors and officers to the fullest extent permitted under Delaware law. In addition, we maintain standard policies of insurance under which coverage is provided (i) to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act, while acting in their capacity as our directors and officers, and (ii) to us with respect to payments which may be made by us to such officers and directors pursuant to any indemnification provision contained in our certificate of incorporation and bylaws or otherwise as a matter of law. We have additionally entered into indemnity agreements with each of our directors and executive officers. Each indemnity agreement provides for indemnification and advancements by Verra Mobility of certain expenses and costs relating to claims, suits or proceedings arising from his or her service to us or, at our request, service to other entities, as officers or directors to the maximum extent permitted by applicable law.

Related Person Transaction Policy

Our audit committee has adopted a written policy and procedures with respect to related person transactions. Under this policy, a transaction constitutes a “related person transaction” if (i) we (or any of our subsidiaries) participate in the transaction, (ii) the transaction’s value exceeds \$120,000, and (iii) a related person has or will have a direct or indirect material interest. A related person for the purposes of our policy is any of our executive officers, our directors and director nominees, beneficial owners of more than five percent of our common stock, any immediate family member of any of the foregoing persons and any person (other than a tenant or employee) sharing the household of the foregoing persons.

Our audit committee must review and approve any related person transaction before we participate in the transaction. No member of our audit committee participates in any review, consideration or approval of any related person transaction with respect to which such member or any of his or her immediate family members is the related person. Our audit committee reports any transaction that the committee has approved under this policy at each meeting of the board of directors. If we become aware of related person transactions that had not previously approved or ratified under this policy, the audit committee evaluates all options, including, but not limited to, ratification, amendment or termination of the related person transaction based on all of the relevant facts and circumstances available to the audit committee.

In reviewing a related person transaction, our audit committee considers all of the relevant facts and circumstances available, including (if applicable) but not limited to: (i) the benefits to the Company; (ii) the impact on a director's independence in the event the related person is a director, an immediate family member of a director or an entity in which a director is a partner, shareholder or officer; (iii) the availability of other sources for comparable products or services; (iv) the terms of the transaction; and (v) the terms available to unrelated third parties or to employees generally. The audit committee approves only those related person transactions that are in, or not inconsistent with, the best interests of the Company and its stockholders, as the audit committee determines in good faith.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our Class A Common Stock and our other equity securities. Officers, directors and greater than ten percent beneficial owners are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2018, our officers, directors and greater than ten percent beneficial owners complied with all applicable Section 16(a) filing requirements.

Other Matters

Our Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the associated proxy to vote on such matters in accordance with their best judgment.

We have filed our Annual Report on Form 10-K for the fiscal year ended December 31, 2018, as amended by Amendment No. 1 thereto, with the SEC.
