(i) If any assignment is made to any Disqualified Lender without Lead Borrower's prior written consent, or if any Person becomes a Disqualified Lender after the Closing Date, Lead Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, cancel any unfunded Commitment the subject thereof and (A) in the case of outstanding Loans held by Disqualified Lenders, prepay such Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder (it being understood that, notwithstanding anything in the Credit Documents to the contrary, any such prepayment shall not be subject to any provisions requiring prepayments of the Loans on a *pro rata* basis and no other Loans shall be required to be repaid as a result of such prepayment) and/or (B) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 13.04), all of its interest, rights and obligations under this Agreement and related Credit Documents to an Eligible Transferee that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder; *provided* that (i) Lead Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 13.04(b)(unless waived by the Administrative Agent), and (ii) in the case of clause (A) above, the Borrowers shall not use the proceeds from any Loans or loans under the Term Loan Credit Agreement to prepay any Loans held by Disqualified Lenders.

(ii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Lenders (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrowers, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Credit Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws ("Plan of Reorganization"), each Disqualified

Lender party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Lender does vote on such Plan of Reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

Section 13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between any Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

Section 13.06 [Reserved].

Section 13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); *provided* that to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; *provided further*, that if Lead Borrower notifies the Administrative Agent that Lead Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies Lead Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then Lead Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; *provided, further* that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, (i) all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect) and (ii) the accounting for any lease shall be based on Lead Borrower's treatment thereof in accordance with U.S. GAAP as in effect on the Closing Date and without giving effect to any subsequent changes in U.S. GAAP (or the required implementation of any previously promulgated changes in U.S. GAAP) relating to the treatment of a lease as an operating lease or capitalized lease.

(b) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

Section 13.09 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with Lead Borrower and the Administrative Agent.

Section 13.10 Joint and Several Liability of Borrowers.

(a) Each Borrower is accepting joint and several liability hereunder and under the other Credit Documents in consideration of the financial accommodations to be provided by the Lenders under this Agreement, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations.

(b) Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 13.10), it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them.

(c) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrowers will make such payment with respect to, or perform, such Obligations.

(d) The Obligations of each Borrower under the provisions of this Section 13.10 constitute the absolute and unconditional, full recourse Obligations of each Borrower enforceable against each Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement or any other circumstances whatsoever.

(e) Except as otherwise expressly provided in this Agreement and the other Credit Documents, each Borrower hereby waives notice of acceptance of its joint and several liability, notice of any Revolving Commitment Increase or Extended Revolving Loans issued under or pursuant to this Agreement, notice of the occurrence of any Default, Event of Default, or of any demand for any payment under this Agreement, notice of any action at any time taken or omitted by any Agent or any other Secured Creditor under or in respect of any of the Obligations, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable law, all demands, notices and other formalities of every kind in connection with this Agreement (except as otherwise provided in this Agreement).

(f) Each Borrower represents and warrants to the Agents and the other Secured Creditor that such Borrower is currently informed of the financial condition of the other Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations. Each Borrower further represents and warrants to Agent and the other Secured Creditor that such Borrower has read and understands the terms and conditions of the Credit Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of the other Borrowers' financial condition, the financial condition of other guarantors, if any, and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations.

(g) Each Borrower waives all rights and defenses arising out of an election of remedies by any Agent or any other Secured Creditor, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed such Agent's or such Secured Creditor's rights of subrogation and reimbursement against any Borrower.

(h) Each Borrower waives all rights and defenses that such Borrower may have because the Obligations are or become secured by Real Property. This means, among other things:

(i) the Agents and other Secured Creditors may collect from such Borrower without first foreclosing on any Real Property or personal property Collateral pledged by Borrowers.

(ii) If any Agent or any other Secured Creditor forecloses on any Collateral consisting of Real Property pledged by any Credit Party:

(A) the amount of the Obligations may be reduced only by the price for which that Collateral is sold at the foreclosure sale, even if such Collateral is worth more than the sale price; and

(B) the Agents and the other Secured Creditors may collect from such Borrower even if any Agent or other Secured Creditor, by foreclosing on the Collateral consisting of Real Property, has destroyed any right such Borrower may have to collect from the other Borrowers or any other Credit Party.

This is an unconditional and irrevocable waiver of any rights and defenses each Borrower may have because the Obligations are or become secured by Real Property.

(i) The provisions of this Section 13.10 are made for the benefit of the Agents, the other Secured Creditors and their respective successors and assigns, and may be enforced by it or them from time to time against any or all Borrowers as often as occasion therefor may arise and without requirement on the part of any Agent, any other Secured Creditor or any of their respective successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any Borrower or to exhaust any remedies available to it or them against any Borrower or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 13.10 shall remain in effect until all of the Obligations shall have been paid in full in accordance with the express terms of this Agreement. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by any Agent or any other Secured Creditor upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 13.10 will forthwith be reinstated in effect, as though such payment had not been made.

(j) Each Borrower hereby agrees that it will not enforce any of its rights of contribution or subrogation against any other Borrower with respect to any liability incurred by it hereunder or under any of the other Credit Documents, any payments made by it to any Agent or any other Secured Creditor with respect to any of the Obligations or any collateral security therefor until such time as all of the Obligations have been paid in full in accordance with the terms of this Agreement. Any claim which any Borrower may have against any other Borrower with respect to any payments to any Agent or any other Secured Creditor hereunder or under any other Credit Documents are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Borrower therefor.

(k) Each Borrower hereby agrees that, after the occurrence and during the continuance of any Default or Event of Default, the payment of any amounts due with respect to any indebtedness owing by any Borrower to any other Borrower is hereby subordinated to the prior payment in full in cash of the Obligations. Each Borrower hereby agrees that after the occurrence and during the continuance of any Default or Event of Default, such Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such Borrower until the Obligations shall have been paid in full in cash. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, subject to any applicable intercreditor agreements then in effect, such amounts shall be collected, enforced and received by such Borrower as trustee for the Agents, and such Borrower shall deliver any such amounts to Administrative Agent for application to the Obligations in accordance with Section 7.4 of the Security Agreement.

(l) Each Borrower hereby agrees that, to the extent any Borrower shall have paid more than its proportionate share of any payment made hereunder, such Borrower shall be entitled to seek and receive contribution from and against any other Borrower hereunder which has not paid its proportionate share of such payment, in an amount not to exceed the highest amount that would be valid and enforceable and not subordinated to the claims of other creditors as determined in any action or proceeding involving any state corporate, limited partnership or limited liability law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally. Each such Borrower's right of contribution shall be subject to the terms and conditions of clauses (j) and (k) of this Section 13.10. The provisions of this clause (l) shall in no respect limit the obligations and liabilities of any Borrower to the Agents and the Lenders, and each Borrower shall remain liable to the Agent and the Lenders for the full amount such Borrower agreed to repay hereunder.

Section 13.11 Headings Descriptive. The headings of the several Sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

Section 13.12 Amendment or Waiver; etc.(a)

(a) Except as expressly contemplated hereby, neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the Credit Parties party hereto or thereto, the Administrative Agent and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions) the Guaranty Agreement and the Security Documents in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party thereto or the Required Lenders) or the Administrative Agent with the written consent of the Required Lenders, *provided* that no such change, waiver, discharge or termination shall (i) without the prior written consent of each Lender (and Issuing Bank, if applicable) directly and adversely affected thereby, extend the final scheduled maturity of any Revolving Commitment, or reduce the rate or extend the time of payment of interest or fees thereon; except in connection with the waiver of the applicability of any post-default increase in interest rates, (ii) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral without the prior written consent of each Lender, (iii) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty by the Guarantors without the prior written consent of each Lender, (iv) [reserved], (v) amend, modify or waive any *pro rata* sharing provision of Section 2.10, the payment waterfall provision of Section 11.11, or any provision of this Section 13.12(a) (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Revolving Commitments on the Closing Date), in each case, without the prior written consent of each Lender directly and adversely affected thereby, (vi) reduce the percentage specified in the definition of "Required Lenders" or "Supermajority Lenders" without the prior written consent of each Lender (it being understood that, with the prior written consent of the Required Lenders or Supermajority Lenders, as applicable, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders or Supermajority Lenders, as applicable, on substantially the same basis as the extensions of Revolving Commitments are included on the Closing Date) or (vii) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement without the consent of each Lender; *provided further* that no such change, waiver, discharge or termination shall (1) increase the Commitments of any Lender over the amount thereof then in effect without the consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Aggregate Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender), (2) without the consent of each Agent adversely affected thereby, amend, modify or waive any provision of Section 12 or any other provision of any Credit Document as the same relates to the rights or obligations of such Agent, (3) without the consent of Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent, (4) without the consent of an Issuing Bank or the Swingline Lender, amend, modify or waive any provision relating to the rights or obligations of the such Issuing Bank or Swingline Lender, (5) without the prior written consent of the Supermajority Lenders, change the definition of the term "Availability" or "Borrowing Base" or any component definition used therein (including, without limitation, the definitions of "Eligible Accounts", "Eligible Due from Agent Accounts" and "Eligible Inventory") if, as a result thereof, the amounts available to be borrowed by the Borrowers would be increased; *provided* that the foregoing shall not limit the discretion of the Administrative Agent to change, establish or eliminate any Reserves or to add Accounts and Inventory acquired in a

Permitted Acquisition to the Borrowing Base as provided herein or (6) without the prior written consent of the Supermajority Lenders, increase the percentages set forth in the term "Borrowing Base" or add any new classes of eligible assets thereto.

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then Lead Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 3.04 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender's Commitments and/or repay the outstanding Revolving Loans of such Lender in accordance with Section 3.04; *provided* that, unless the Commitments that are terminated, and Revolving Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto; *provided further* that in any event Lead Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Revolving Loans solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, the Borrowers, the Administrative Agent and each Lender providing the relevant Revolving Commitment Increase may (i), in accordance with the provisions of Section 2.15, enter into an Incremental Revolving Commitment Amendment, and (ii) in accordance with the provisions of Section 2.19, enter into an Extension Amendment; *provided* that after the execution and delivery by the Borrowers, the Administrative Agent and each such Lender may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12.

(d) [Reserved.]

(e) Notwithstanding anything to the contrary herein, any fee letter may be amended, or rights and privileges thereunder waived, in a writing executed only by the parties thereto.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of "Supermajority" and "Required Lenders" will automatically be deemed modified accordingly for the duration of such period); *provided* that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, the Administrative Agent and/or the Collateral Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and/or the Collateral Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

Section 13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 3.01, 3.02, 5.01, 12.07 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

Section 13.14 Domicile of Loans. Each Lender may transfer and carry its Revolving Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 3.01 or 5.01 from those being charged by the respective Lender prior to such transfer, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

Section 13.15 Register. The Borrowers hereby designate the Administrative Agent to serve as their agent, solely for purposes of this Section 13.15, to maintain a register (the "Register") on which the Administrative Agent will record the Commitments from time to time of each of the Lenders, the Revolving Commitments and principal amount of Revolving Loans and LC Obligations by each of the Lenders and each repayment in respect of the principal amount of the Loans of each Lender. Holdings, Lead Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement (and the entries in the Register shall be conclusive for such purposes absent manifest error), notwithstanding notice to the contrary. With respect to any Lender, the transfer of the Commitments of, and the principal (and interest) amounts of the Revolving Loans owing to, such Lender and the rights to the principal of, and interest on, any Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Revolving Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Revolving Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Revolving Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Revolving Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The registration of any provision of Revolving Commitment Increases pursuant to Section 2.15 shall be recorded by the Administrative Agent on the Register only upon the acceptance of the Administrative Agent of a properly executed and delivered Incremental Revolving Commitment Amendment. Coincident with the delivery of such Incremental Revolving Commitment Amendment for acceptance and registration of the provision of Revolving Commitment Increases, as the case may be, or as soon thereafter as practicable, to the extent requested by any Lender of a Revolving Commitment Increase, Notes shall be issued, at the Borrowers' expense, to such Lender to be in conformity with Section 2.04 (with appropriate modification) to the extent needed to reflect Revolving Commitment Increases, and outstanding Revolving Loans made by such Lender.

Section 13.16 Confidentiality.

(a) Subject to the provisions of clause (b) of this Section 13.16, each Agent, Lead Arranger and Lender agrees that it will not disclose without the prior written consent, which may take the form of electronic mail, of Lead Borrower (other than to its affiliates and its and their respective directors, officers, employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender's holding or parent company in its reasonable discretion determines that any such party should have access to such information in connection with the transactions contemplated by this Agreement and such Agent's, Lead Arranger's or Lender's role hereunder or investment in the Term Loans; *provided* such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender (or language substantially similar to this Section 13.16(a))) any non-public information with respect to the Borrowers or any of their respective Subsidiaries (other than, for the avoidance of doubt, information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry) which is now or in the future furnished by or on behalf of any Credit Party pursuant to this Agreement or any other Credit Document; *provided* that each Agent, Lead Arranger and Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 13.16(a) by such Agent, Lead Arranger or Lender, (ii) as may be required or appropriate in any report, statement or

All references herein to Sections, paragraphs, clauses, subclauses, Exhibits and Schedules shall be deemed references to Sections, paragraphs, clauses and subclauses of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. Unless otherwise expressly provided herein, (a) all references to documents, instruments and other agreements (including the Credit Documents and organizational documents) shall be deemed to include all subsequent amendments, restatements, amendments and restatements, supplements and other modifications thereto, but only to the extent such amendments, restatements, amendments and restatements, supplements and other modifications are not prohibited by any Credit Document and (b) references to any law, statute, rule or regulation shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such law. (i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated First Lien Net Leverage Ratio, Consolidated Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio and Consolidated Total Net Leverage Ratio (and, for the avoidance of doubt, any financial ratio set forth in Section 2.15(a)); or

(ii) testing availability under baskets set forth in this Agreement (including baskets determined by reference to Consolidated EBITDA or Consolidated Total Assets); or

(iii) determining other compliance with this Agreement (including the determination that no Default or Event of Default (or any type of Default or Event of Default) has occurred, is continuing or would result therefrom);

in each case, at the option of Lead Borrower (Lead Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger) or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition or Investment, (y) the public announcement of an intention to make an offer in respect of the target of such acquisition or Investment or (z) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) the declaration of such Dividend or (y) the making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07(a), at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the "LCT Test Date"), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), Lead Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if Lead Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in

Consolidated EBITDA or Consolidated Total Assets of Lead Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If Lead Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Dividends, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of Lead Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a "Subsequent Transaction") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement, public announcement or irrevocable notice for such Limited Condition Transaction is terminated, revoked or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

1.04 Classification and Reclassification. It is understood and agreed that any Lien, sale, lease or other disposition of assets, Dividend, Indebtedness, Investment, Affiliate transaction or prepayment of Indebtedness need not be permitted solely by reference to one category of permitted Lien, sale, lease or other disposition of assets, Dividend, Indebtedness, Investment, Affiliate transaction or prepayment of Indebtedness under Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06 and 10.07(a), respectively, but may instead be permitted in part under any combination thereof (it being understood that Lead Borrower may utilize amounts under any category that is subject to any financial ratio or test, including the Consolidated First Lien Net Leverage Ratio, Consolidated Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio or Consolidated Total Net Leverage Ratio, prior to amounts under any other category). For purposes of determining compliance at any time with Sections 10.01 and 10.04, in the event that any Lien or Indebtedness meets the criteria of more than one of the categories of transactions or items permitted pursuant to any clause of such Sections 10.01 and 10.04, Lead Borrower, in its sole discretion, may, from time to time, classify or reclassify such transaction or item (or portion thereof) and will only be required to include the amount and type of such transaction (or portion thereof) in any one category. Reclassifications of any utilization of the Incremental Amount shall occur automatically to the extent set forth in the definition thereof.

Section 2. Amount and Terms of Credit.

Once repaid, Initial Term Loans may not be reborrowed.**

**(ii)** ~~(a)~~ Subject to and upon the terms and conditions set forth herein **and in Amendment No. 1**, each Lender with ~~an Initial~~**2018 Additional** Term ~~Loan~~ Commitment severally agrees to make ~~an Initial~~**a 2018 Additional** Term Loan or ~~Initial~~**2018 Additional** Term Loans to the Borrowers, which ~~Initial~~**2018 Additional** Term Loans (i) shall be incurred by the Borrowers pursuant to a single drawing on the ~~Closing~~**Amendment No. 1 Incremental Effective** Date, (ii) shall be denominated in U.S. Dollars, (iii) shall, except as hereinafter provided, at the option of Lead Borrower, be incurred and maintained as, and/or converted into, one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans; *provided* that all ~~Initial~~**2018 Additional** Term Loans comprising the same Borrowing shall at all times be of the same Type, and (iv) shall be made by each such Lender in that aggregate principal amount which does not exceed the ~~Initial~~**2018 Additional** Term ~~Loan~~ Commitment of such Lender on the ~~Closing~~**Amendment No. 1 Incremental Effective** Date (before giving effect to the termination thereof pursuant to Section 4.02(a)**(ii)**). Once repaid, ~~Initial~~**2018 Additional** Term Loans may not be reborrowed.

(b) Subject to and upon the terms and conditions set forth herein, each Lender with an Incremental Term Loan Commitment from time to time severally agrees to make term loans (each, an "Incremental Term Loan" and, collectively, the "Incremental Term Loans") to the Borrowers, which Incremental Term Loans (i) shall be incurred pursuant to a single drawing on the applicable Incremental Term Loan Borrowing Date, (ii) shall be denominated in U.S. Dollars, (iii) shall, except as hereinafter provided, at the option of Lead Borrower, be incurred and maintained as, and/or converted into one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans; *provided* that all Incremental Term Loans of a given Tranche made as part of the same Borrowing shall at all times consist of Incremental Term Loans of the same Type, and (iv) shall not exceed for any such Incremental Term Loan Lender at any time of any incurrence thereof, the Incremental Term Loan Commitment of such Incremental Term Loan Lender for such Tranche (before giving effect to the termination thereof on such date pursuant to Section 4.02(b)). Once repaid, Incremental Term Loans may not be reborrowed.

(c) Each Lender may, at its option, make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not (i) affect in any manner the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement or (ii) excuse or relieve any Lender from its Commitment to make any such Loan to the extent not so made by such branch or Affiliate.

2.02 Minimum Amount of Each Borrowing. The aggregate principal amount of each Borrowing of Term Loans under any Tranche shall not be less than the Minimum Borrowing Amount. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than eight (8) Borrowings of LIBO Rate Term Loans in the aggregate for all Tranches of Term Loans.

2.03 Notice of Borrowing. Whenever the Borrowers desire to make a Borrowing of Term Loans hereunder, Lead Borrower shall give the Administrative Agent at its Notice Office at least one Business Day's prior written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Base Rate Term Loans to be made hereunder and at least three Business Days' (or such shorter period as the Administrative Agent shall agree in its sole and absolute discretion) prior written notice (or telephonic notice promptly confirmed in writing) of each LIBO Rate Term Loan to be made hereunder; *provided* that (a) in each case, any such notice shall be deemed to have been given on a certain day only if given before 12:00 Noon (New York City time) on such day (or such later time as the Administrative Agent shall agree in it its sole and absolute discretion), (b) in any event, any such notice with respect to Initial Term Loans to be incurred on the Closing Date may be given (including in the case of any LIBO Rate Borrowing) one Business Day prior to the Closing Date and (c) that if the Borrowers wish to request LIBO Rate Loans having an Interest Period other than one, two, three or six months in duration, or less than one month in duration with the consent of the Administrative Agent, in each case as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 11:00 a.m., four Business Days prior to the requested date of such Borrowing, conversion or continuation, in each case, having an Interest Period other than one, two, three or six months in duration, whereupon the Administrative Agent shall give prompt notice to each applicable Lender with a Commitment of the relevant Tranche of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify Lead Borrower (which notice may be by telephone) whether or not the requested Interest Period that is other than one, two, three or six months in duration has been consented to by such Lenders or the Administrative Agent, as applicable. Each such notice (each, a "Notice of Borrowing"), except as otherwise expressly provided in Section 2.11, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing by or on behalf of Lead Borrower, in the form of Exhibit A-1 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of Lead Borrower to specify: (i) the aggregate principal amount of the Term Loans to be made pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the respective Borrowing shall consist of Initial Term Loans, Incremental Term Loans or Refinancing Term Loans, (iv) whether the Term Loans being made pursuant to such Borrowing are to be initially maintained as Base Rate Term Loans or LIBO Rate Term Loans, (v) in the case of LIBO Rate Term Loans, the Interest Period to be initially applicable thereto and (vi) the account of the Borrowers into which the proceeds of such Term Loans shall be deposited or other wire instructions therefor. The Administrative Agent shall promptly give each Lender of the Tranche specified in the respective Notice of Borrowing, notice of such proposed Borrowing, of such Lender's proportionate share thereof (determined in accordance with Section 2.07) and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.04 Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the relevant Tranche will make available its *pro rata* portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts will be made available in U.S. Dollars and in immediately available funds at the Notice Office, and the Administrative Agent will make all funds so received by it in like funds as received by the Administrative Agent by wire transfer of such funds to the account designated in writing by Lead Borrower (including in any Notice of Borrowing) from time to time. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender's portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrowers a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify Lead Borrower and the Borrowers shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or the Borrowers interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrowers until the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if recovered from such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from the Borrowers, the rate of interest applicable to the relevant Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which the Borrowers may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.05 Notes.

(a) Each Borrower's obligation to pay the principal of, and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.04 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrowers substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a "Term Note").

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect each Borrower's obligations in respect of such Term Loans. For the avoidance of doubt, to the extent any conflict arises between the records maintained pursuant to this Section and the Register, the Register shall control.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders that at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Term Loans to the Borrowers shall affect or in any manner impair the obligations of the Borrowers to pay the Term Loans (and all related Obligations) incurred by the Borrowers which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guarantees therefor provided pursuant to the various Credit Documents. Any Lender that does not have a Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in the preceding clause (b). At any time when any Lender requests the delivery of a Note to evidence any of its Term Loans, the Borrowers shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Term Loans.

2.06 Interest Rate Conversions.

(a) Lead Borrower shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan; *provided* that (i) except as otherwise provided in Section 2.11, LIBO Rate Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of LIBO Rate Term Loans, as the case may be, shall reduce the outstanding principal amount of such LIBO Rate Term Loans, made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) to the extent the Required Lenders have, or the Administrative Agent at the request of the Required Lenders has, so notified Lead Borrower in writing, Base Rate Term Loans may not be converted into LIBO Rate Term Loans if any Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of LIBO Rate Term Loans than is permitted under Section 2.02. Such conversion shall be effected by Lead Borrower by giving the Administrative Agent at the Notice Office prior to 12:00 Noon (New York City time) at least three Business Days' prior notice (in the case of any conversion to or continuation of LIBO Rate Term Loans) or one Business Days' notice (in the case of any conversion to Base Rate Term Loans) (each, a "Notice of Conversion/Continuation") in the form of Exhibit A-2 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of Lead Borrower to specify the Term Loans of a given Tranche to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.

2.07 Pro Rata Borrowings. All Borrowings of Term Loans under this Agreement, subject to Section 2.10(d), shall be incurred from the Lenders *pro rata* on the basis of such Lenders' Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.

2.08 Interest.

(a) The Borrowers agree, jointly and severally, to pay interest in respect of the unpaid principal amount of each Base Rate Term Loan (including with respect to any LIBO Rate Term Loan converted into a Base Rate Term Loan pursuant to Section 2.06 or 2.09) made to the Borrowers hereunder from the date of Borrowing thereof (or, in the circumstances described in the immediately preceding parenthetical, from the date of conversion of the respective LIBO Rate Term Loan into a Base Rate Term Loan) until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Term Loan to a LIBO Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate *per annum* which shall be equal to the sum of the Applicable Margin *plus* the Base Rate, as in effect from time to time.

(b) The Borrowers agree, jointly and severally, to pay interest in respect of the unpaid principal amount of each LIBO Rate Term Loan made to the Borrowers from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such LIBO Rate Term Loan to a Base Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate *per annum* which shall, during each Interest Period applicable thereto, be equal to the sum of the Applicable Margin *plus* the applicable LIBO Rate for such Interest Period.

(c) Upon the occurrence and during the continuance of any Event of Default under Section 11.01 or 11.05 (x) overdue principal and, to the extent permitted by law, overdue interest in respect of each Term Loan shall bear interest at a rate *per annum* equal to (i) for Base Rate Term Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, (ii) for LIBO Rate Term Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for LIBO Rate Term Loans *plus* the LIBO Rate and (y) overdue amounts with respect to Fees shall bear interest at a rate *per annum* equal to 2.00% *per annum* in excess of the Applicable Margin for Base Rate Term Loans *plus* the Base Rate, each as in effect from time to time, in each case with such interest to be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any conversion of a LIBO Rate Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto, (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the LIBO Rate for each Interest Period applicable to the respective LIBO Rate Term Loans and shall promptly notify Lead Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(f) All interest hereunder and any Fees hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

2.09 Interest Periods. At the time Lead Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any LIBO Rate Term Loan (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such LIBO Rate Term Loan (in the case of any subsequent Interest Period), Lead Borrower shall have the right to elect the interest period (each, an "Interest Period") applicable to such LIBO Rate Term Loan, which Interest Period shall, at the option of Lead Borrower be a one, two, three or six month period, or, if agreed to by all Lenders, a twelve month period, or, if agreed to by the Administrative Agent a period less than one month; *provided* that (in each case):

(i) all LIBO Rate Term Loans comprising a Borrowing shall at all times have the same Interest Period;

(ii) the initial Interest Period for any LIBO Rate Term Loan shall commence on the date of Borrowing of such LIBO Rate Term Loan (including, in the case of LIBO Rate Term Loans, the date of any conversion thereto from a Borrowing of Base Rate Term Loans) and each Interest Period occurring thereafter in respect of such LIBO Rate Term Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a LIBO Rate Term Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; *provided*, *however*, that if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period for a LIBO Rate Term Loan may be selected at any time when an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be selected which extends beyond the Maturity Date therefor.

**Notwithstanding the foregoing or anything to the contrary contained in this Agreement, the initial Borrowing of the 2018 Additional Term Loans on the Amendment No. 1 Incremental Effective Date shall be deemed to be of the same Type as, and will have an Interest Period commencing on the date of the funding of**

**such 2018 Additional Term Loans and ending on the last day of the Interest Period applicable to, the Initial Term Loans that are outstanding immediately prior to the Amendment No. 1 Incremental Effective Date (or, if there is more than one Interest Period applicable to such Initial Term Loans, the last day of such Interest Periods as applied to the applicable portions of the 2018 Additional Term Loans on pro rata basis), and the LIBO Rate (if applicable) applicable thereto will be deemed to be equal to the LIBO Rate applicable to the Initial Term Loans that are outstanding immediately prior to the Amendment No. 1 Incremental Effective Date (or, if there is more than one LIBO Rate applicable to the Initial Term Loans, such LIBO Rates as applied to the applicable portions of the 2018 Additional Term Loans on a pro rata basis).**

With respect to any LIBO Rate Term Loans, at the end of any Interest Period applicable to a Borrowing thereof, Lead Borrower may elect to split the respective Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche or combine two or more Borrowings under a single Tranche into a single Borrowing of the same Type under such Tranche, in each case, by Lead Borrower giving notice thereof together with its election of one or more Interest Periods applicable thereto, in each case so long as each resulting Borrowing (x) has an Interest Period which complies with the foregoing requirements of this Section 2.09, (y) has a principal amount which is not less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche, and (z) does not cause a violation of the requirements of Section 2.02. If by 12:00 Noon (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of LIBO Rate Term Loans, Lead Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such LIBO Rate, Lead Borrower shall be deemed to have elected in the case of LIBO Rate Term Loans, to convert such LIBO Rate Term Loans into Base Rate Term Loans with such conversion to be effective as of the expiration date of such current Interest Period.

2.10 Increased Costs, Illegality, etc.

(a) In the event:

(i) the Administrative Agent shall have determined (which determination shall be conclusive absent manifest error) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank Eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of "LIBO Rate"; or

(ii) the Administrative Agent is advised by the Required Lenders that the LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to Lead Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies Lead Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Notice of Conversion/Continuation that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Borrowing of a LIBO Rate Term Loan shall be ineffective and (ii) if any Notice of Borrowing requests a Borrowing of a LIBO Rate Term Loan, such Borrowing shall be made as a Borrowing of a Base Rate Term Loan.

(b) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender;

(ii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender; or

(iii) subject any Lender or the Administrative Agent to any Taxes (other than (A) Indemnified Taxes, (B) Excluded Taxes or (C) Other Taxes) on its loans, loan principal, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; and the result of any of

the foregoing shall be to increase the cost to such Lender or the Administrative Agent of making, continuing, converting or maintaining any Term Loan (or of maintaining its obligation to make any such Term Loan) or to reduce the amount of any sum received or receivable by such Lender or the Administrative Agent hereunder (whether of principal, interest or otherwise), then the Borrowers will pay to such Lender or the Administrative Agent, as the case may be, such additional amount or amounts as will compensate such Lender or the Administrative Agent, as the case may be, for such additional costs incurred or reduction suffered.

(c) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Term Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(d) If any Lender determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund LIBO Rate Term Loans, or to determine or charge interest rates based upon the LIBO Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, dollars in the London interbank market, then, on notice thereof by such Lender to Lead Borrower through the Administrative Agent, any obligation of such Lender to make or continue LIBO Rate Term Loans or to convert Base Rate Term Loans to LIBO Rate Term Loans shall be suspended until such Lender notifies the Administrative Agent and Lead Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all LIBO Rate Term Loans of such Lender to Base Rate Term Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBO Rate Term Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBO Rate Term Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

(e) A certificate of a Lender or the Administrative Agent setting forth the amount or amounts necessary to compensate such Lender or the Administrative Agent or its holding company, as the case may be, as specified in clause (b) or (c) of this Section, and certifying that it is the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time to the extent it is legally permitted to do so, shall be delivered to Lead Borrower and shall be conclusive absent manifest error. The Borrowers shall pay such Lender or the Administrative Agent, as the case may be, the amount shown as due on any such certificate within 10 Business Days after receipt thereof.

(f) Failure or delay on the part of any Lender or the Administrative Agent to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Administrative Agent's right to demand such compensation; *provided* that the Borrowers shall not be required to compensate a Lender or the Administrative Agent pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or the Administrative Agent, as the case may be, notifies Lead Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Administrative Agent's intention to claim compensation therefor; *provided*, *further*, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

2.11 Compensation. The Borrowers agree, jointly and severally, to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation; it being understood that no Lender shall be required to disclose (i) any confidential or price sensitive information, or (ii) any other information, to the extent prohibited by any Requirement of Law), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBO Rate Term Loans but excluding loss of anticipated profits (and without giving effect to the minimum

"LIBO Rate")) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBO Rate Term Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation); (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Term Loans pursuant to Section 11) or conversion of any of its LIBO Rate Term Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any LIBO Rate Term Loans is not made on any date specified in a notice of prepayment given by Lead Borrower; or (iv) as a consequence of any other default by the Borrowers to repay LIBO Rate Term Loans when required by the terms of this Agreement or any Note held by such Lender.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(b), (c) or (d) or Section 5.04 with respect to such Lender, it will, if requested by Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event; *provided* that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrowers or the right of any Lender provided in Sections 2.10 and 5.04.

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.10(b), (c) or (d) or Section 5.04 with respect to such Lender or (z) in the case of a refusal by a Lender to consent to proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), Lead Borrower shall have the right to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent's consent would be required for an assignment to such Replacement Lender pursuant to Section 13.04); *provided* that (i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumptions pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among Lead Borrower, the Replacement Lender and the Replaced Lender) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Term Loans of, the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replaced Lender under each Tranche with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01 and (ii) all obligations of the Borrowers due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption on behalf of such Replaced Lender, and any such Assignment and Assumption so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 13.04. Upon the execution of the respective Assignment and Assumption, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 13.04 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the Borrowers, the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 5.04, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to actions or occurrences prior to it ceasing to be a Lender hereunder.

2.14 Extended Term Loans.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.14, Lead Borrower may at any time and from time to time request that all or a portion of any Tranche of Term Loans (each, an "Existing Term Loan Tranche"), be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of such Existing Term Loan Tranche (any such Term Loans

which have been so converted, "Extended Term Loans") and to provide for other terms consistent with this Section 2.14. In order to establish any Extended Term Loans, Lead Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, an "Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under the relevant Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and (y) have the same terms as the Existing Term Loan Tranche from which such Extended Term Loans are to be converted, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment (immediately prior to the establishment of such Extended Term Loans); (iv) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; (v) Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans have been converted to be optionally prepaid prior to the prepayment of such Extended Term Loans) as may be agreed by Lead Borrower and the Lenders thereof and (vi) such Extended Term Loans may have other terms (other than those described in the preceding clause (i) through (v)) that differ from those of the Existing Term Loan Tranche, in each case, taken as a whole, that are not materially more favorable to the Lenders providing such Extended Term Loans than the provisions applicable to the Existing Term Loan Tranche or as are otherwise reasonably satisfactory to the Administrative Agent. Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, an "Extension Series") of Extended Term Loans for all purposes of this Agreement; *provided* that, subject to the requirements set forth above, any Extended Term Loans converted from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Tranche of Term Loans.

(b) [Reserved].

(c) Lead Borrower shall provide the applicable Extension Request at least five (5) Business Days (or such shorter period as to which the Administrative Agent may consent) prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.14. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans pursuant to any Extension Request. Any Lender (each, an "Extending Term Loan Lender") wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche, subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a *pro rata* basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections, subject to such rounding requirements as may be established by the Administrative Agent or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist.

(d) Extended Term Loans shall be established pursuant to an amendment (each, an "Extension Amendment") to this Agreement among the Borrowers, the Administrative Agent and each Extending Term Loan Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.14(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Term Loans so extended shall cease to be a part of the Tranche they were a part of immediately prior to the Extension.

(e) Extensions consummated by the Borrowers pursuant to this Section 2.14 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement. The Administrative Agent and the Lenders hereby consent to each Extension and the other transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.14; *provided* that such consent shall not be deemed to be an acceptance of any Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) reasonably necessary to (i) reflect the existence and terms of any Extended Term Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 5.02(a) with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans converted pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 5.02(a)), (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(d), (iv) establish new Tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new Tranches, in each case, on terms consistent with this Section 2.14 and (v) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and Lead Borrower, to effect the provisions of this Section 2.14, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension, the Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date so that such maturity date is extended to the Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent), to the extent required pursuant to applicable local law.

2.15 Incremental Term Loan Commitments.

(a) Lead Borrower may at any time and from time to time request that one or more Lenders (or one or more Eligible Transferees who will become Lenders) provide Incremental Term Loan Commitments to the Borrowers and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Term Loan Amendment, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by Lead Borrower, (ii) any Lender (including any Eligible Transferee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender, (iii) each Tranche of Incremental Term Loan Commitments shall be denominated in U.S. Dollars, (iv) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Amendment shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of at least $25,000,000, (v) the aggregate principal amount of any Incremental Term Loans on the date of the incurrence thereof shall not exceed, when taken together with any incurrence of Permitted Pari Passu Notes or Permitted Junior Debt pursuant to Section 10.04(xxvii)(A)(1) on such date, (x) the then-remaining Fixed Dollar Incremental Amount as of the date of incurrence *plus* (y) subject to the satisfaction of the applicable Incurrence-Based Incremental Facility Test, any Incurrence-Based Incremental Amount that may be incurred thereunder on such date, (vi) the proceeds of all Incremental Term Loans incurred by the Borrowers may be used for any purpose not prohibited under this Agreement, (vii) Lead Borrower shall specifically designate, in consultation with the Administrative Agent, the Tranche of the Incremental Term Loan

Commitments being provided thereunder (which Tranche shall be a new Tranche (i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied), which designation shall be set forth in the applicable Incremental Term Loan Amendment, (viii) if to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the relevant Incremental Term Loan Agreement, except as to purpose (which is subject to the requirements of the preceding clause (vi)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Section 5.02; *provided* that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser share of any such prepayments)); *provided*, *however*, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity (in each case of the foregoing clauses (a) and (b), excluding for this purpose, interim loan financings that provide for automatic rollover, subject to customary conditions, to Indebtedness otherwise meeting the requirements of this clause (I)), (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Term Loan Amendment; *provided*, *however*, that if the Effective Yield for any such Incremental Term Loans incurred prior the date that is six (6) months after the Closing Date, exceeds the Effective Yield then applicable to any then outstanding Initial Term Loans by more than 0.75% *per annum*, the Applicable Margins for all then outstanding Initial Term Loans shall be increased as of such date in accordance with the requirements of the definition of "Applicable Margin" and (III) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans, including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans, in each case, taken as a whole, that are not materially more favorable to the lenders providing such Incremental Term Loans than the provisions applicable to the existing Term Loans or as are otherwise reasonably satisfactory to the Administrative Agent, (ix) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by the Borrowers shall be Obligations of the Borrowers under this Agreement and the other applicable Credit Documents and shall be secured by the Security Agreements, and guaranteed under each relevant Guaranty, on a *pari passu* basis with all other Term Loans secured by the Security Agreement and guaranteed under each such Guaranty, (x) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Amendment shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Amendment as provided in Section 2.01(b) and such Term Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents and (xi) all Incremental Term Loan Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, the Borrowers, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an "Incremental Term Loan Lender") shall execute and deliver to the Administrative Agent an Incremental Term Loan Amendment (which shall not require the consent of any other Lender), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Term Loan Amendment shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Term Loan Commitments), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Amendment, and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Term Notes will be issued at the Borrowers' expense to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Amendment shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement; *provided* that, with the consent of the Administrative Agent, the parties to a given Incremental Term Loan Amendment may specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Amendment shall have the same Borrowers, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;

(ii) the new Incremental Term Loans shall have the same Scheduled Repayment Dates as then remain with respect to the Tranche to which such new Incremental Term Loans are being added (with the amount of each Scheduled Repayment applicable to such new Incremental Term Loans to be the same (on a proportionate basis)) as is theretofore applicable to the Tranche to which such new Incremental Term Loans are being added, thereby increasing the amount of each then remaining Scheduled Repayment of the respective Tranche proportionately; and

(iii) on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a *pro rata* basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche (after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(b)) on a *pro rata* basis.

To the extent the provisions of the preceding clause (iii) require that Incremental Term Loan Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of LIBO Rate Term Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having irregular Interest Periods (i.e., an Interest Period that began during an Interest Period then applicable to outstanding LIBO Rate Term Loans of such Tranche and which will end on the last day of such Interest Period), which irregular interest periods shall be permitted notwithstanding anything to the contrary in this Agreement. All determinations by any the Administrative Agent of the LIBO Rate in such circumstances pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

2.16 LIBOR Successor Rate.

(a) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or Lead Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to Lead Borrower) that Lead Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining LIBOR for any requested Interest Period, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans (such specific date, the "Scheduled Unavailability Date"), or

(iii) syndicated loans currently being executed, or that include language similar to that contained in this Section, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR, then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and Lead Borrower may amend this Agreement to replace LIBOR with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks (any such proposed rate, a "LIBOR Successor Rate"), together with any proposed LIBOR Successor Rate Conforming Changes and any such amendment shall become effective at 5:00 p.m. (New York time) on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and Lead Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders do not accept such amendment.

(b) If no LIBOR Successor Rate has been determined and the circumstances under clause (a)(i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify Lead Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended (to the extent of the affected LIBO Rate Term Loans or Interest Periods), and (y) the LIBO Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, the Borrower may revoke any pending Notice of Borrowing for a Borrowing of, and any pending Notice of Continuation/Conversion for a conversion to or continuation of LIBO Rate Term Loans (to the extent of the affected LIBO Rate Term Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Term Loans (subject to the foregoing clause (y)) in the amount specified therein.

(c) Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement.

2.17 [Reserved].

2.18 Refinancing Term Loans.

(a) Lead Borrower may from time to time by written notice to the Administrative Agent elect to request the establishment of one or more additional Tranches of Term Loans under this Agreement ("Refinancing Term Loans"), which refinance, renew, replace, defease or refund all or any portion of one or more Tranches of Term Loans under this Agreement selected by Lead Borrower; *provided*, that such Refinancing Term Loans may not be in an amount greater than the aggregate principal amount of the Term Loans being refinanced, renewed, replaced, defeased or refunded *plus* unpaid accrued interest and premium (if any) thereon and upfront fees, original issue discount, underwriting discounts, fees, commissions and expenses incurred in connection with the Refinancing Term Loans; *provided* that such aggregate principal amount may also be increased to the extent such additional amount is capable of being incurred at such time pursuant to Section 2.15 and such excess incurrence shall for all purposes hereof be an incurrence under the relevant subclauses of Section 2.15. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which Lead Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than three (3) Business Days after the date on which such notice is delivered to the Administrative Agent; *provided* that:

(i) the Weighted Average Life to Maturity of such Refinancing Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans being refinanced and the Refinancing Term Loans shall not have a final stated maturity (excluding for this purpose, interim loan financings that provide for automatic rollover, subject to customary conditions, to Indebtedness otherwise meeting the maturity requirements of this clause (i)) before the Maturity Date applicable to the Term Loans being refinanced;

(ii) such Refinancing Term Loans shall have pricing (including interest rates, fees and premiums), amortization, optional prepayment, mandatory prepayment (so long as such Refinancing Term Loans are not entitled to participate on a greater than *pro rata* basis in any mandatory prepayment than the then outstanding Term Loans) and redemption terms as may be agreed to by the Borrowers and the relevant Refinancing Term Loan Lenders (as defined below);

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than Holdings, the Borrowers or a Subsidiary Guarantor;

(iv) in the case of any such Refinancing Term Loans that are secured, such Refinancing Term Loans are secured only by assets comprising Collateral, and not secured by any property or assets of Lead Borrower or any of its Subsidiaries other than the Collateral;

(v) all other terms applicable to such Refinancing Term Loans (except as set forth above), taken as a whole, shall not be materially more favorable to the Refinancing Term Loan Lenders, than the related provisions applicable to the existing Term Loans or otherwise reasonably satisfactory to the Administrative Agent, except to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date as of the date such Indebtedness was incurred (*provided* that a certificate of a Responsible Officer of Lead Borrower delivered to the Administrative Agent in good faith at least five Business Days prior to the incurrence of such Indebtedness, together with a reasonably detailed description of the material terms and conditions of such Indebtedness or drafts of the documentation relating thereto, stating that Lead Borrower has determined in good faith that such terms and conditions satisfy the requirement set out in this clause (v), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to Lead Borrower of an objection during such five Business Day period (including a reasonable description of the basis upon which it objects)).

(b) The Borrowers may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a "Refinancing Term Loan Lender"); *provided* that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series (a "Refinancing Term Loan Series") of Refinancing Term Loans for all purposes of this Agreement; *provided* that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

(c) The Administrative Agent and the Lenders hereby consent to the transactions contemplated by Section 2.18(a) (including, for the avoidance of doubt, the payment of interest, fees, amortization or premium in respect of the Refinancing Term Loans on the terms specified by Lead Borrower) and hereby waive the requirements of this Agreement or any other Credit Document that may otherwise prohibit any transaction contemplated by Section 2.18(a). The Refinancing Term Loans shall be established pursuant to an amendment to this Agreement among Holdings, the Borrowers, the Administrative Agent and the Refinancing Term Loan Lenders providing such Refinancing Term Loans (a "Refinancing Term Loan Amendment") (which shall not require the consent of any other Lender) which shall be consistent with the provisions set forth in Section 2.18(a). Each Refinancing Term Loan Amendment shall be binding on the Lenders, the Administrative Agent, the Credit Parties party thereto and the other parties hereto without the consent of any other Lender and the Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and Lead Borrower, to effect the provisions of Section 2.18 including such technical amendments as may be necessary or appropriate in connection therewith and to adjust the amortization schedule in Section 5.02(a) (insofar as such schedule relates to payments due to Lenders the Term Loans of which are refinanced with the proceeds of Refinancing Term Loans; *provided* that no such amendment shall reduce the *pro rata* share of any such payment that would have otherwise been payable to the Lenders, the Term Loans of which are not refinanced with the proceeds of Refinancing Term Loans). The Administrative Agent shall be permitted, and each is hereby authorized, to enter into such amendments with the Borrowers to effect the foregoing.

2.19 Reverse Dutch Auction Repurchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, Lead Borrower or any Restricted Subsidiary may, at any time and from time to time, conduct reverse Dutch auctions in order to purchase Term Loans of a particular Tranche (each, an "Auction") (each such Auction to be managed exclusively by the Administrative Agent or any other bank or investment bank of recognized standing selected by Lead Borrower (with the consent of the Administrative Agent or such other bank or investment bank) following consultation with the Administrative Agent (in such capacity, the "Auction Manager")), so long as the following conditions are satisfied:

(i) each Auction shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.19(a) and Schedule 2.19(a);

(ii) no Default or Event of Default shall have occurred and be continuing on the date of the delivery of each auction notice and at the time of purchase of Term Loans in connection with any Auction;

(iii) the minimum principal amount (calculated on the face amount thereof) of all Term Loans that Holdings, Lead Borrower or such Restricted Subsidiary offers to purchase in any such Auction shall be no less than $2,500,000 (unless another amount is agreed to by the Administrative Agent);

(iv) the Borrowers shall not use the proceeds of any borrowing under the ABL Credit Agreement to finance any such repurchase; and

(v) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, Lead Borrower or such Restricted Subsidiary shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

(b) Holdings, Lead Borrower or such Restricted Subsidiary must terminate an Auction if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Auction. Holdings, Lead Borrower or such Restricted Subsidiary may withdraw any Auction if the reply amounts are insufficient to complete the purchase of a minimum principal amount of the Term Loans designated in writing to the applicable Auction Manager by Holdings, Lead Borrower or such Restricted Subsidiary (the "Minimum Purchase Condition"). No Credit Party or any Restricted Subsidiary shall have any liability to any Lender for any termination of such Auction as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the such Auction, or for any termination of such Auction as a result of the failure to satisfy the Minimum Purchase Condition, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans made pursuant to this Section 2.19, (x) Holdings, Lead Borrower or such Restricted Subsidiary shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans up to the settlement date of such purchase and (y) such purchases (and the payments made therefor and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to an Auction, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Auction, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by this Section 2.19 (*provided* that no Lender shall have an obligation to participate in any such Auctions) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, Lead Borrower or any Restricted Subsidiary contemplated by this Section 2.19 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.19. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 12 and Section 13.01 *mutatis mutandis* as if each reference therein to the "Administrative Agent" were a reference to the Auction Manager, and the Administrative Agent and the Auction Manager shall cooperate in a reasonable manner in connection therewith.

2.20 Open Market Purchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, Lead Borrower or any of its Restricted Subsidiaries may, at any time and from time to time, make open market purchases of Term Loans (each, an "Open Market Purchase"), so long as the following conditions are satisfied:

(i) no Default or Event of Default shall have occurred and be continuing on the date of such Open Market Purchase;

(ii) neither Holdings, Lead Borrower nor any Restricted Subsidiary shall use the proceeds of any borrowing under the ABL Credit Agreement to finance any such purchase; and

(iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by Holdings, Lead Borrower or any of its Restricted Subsidiaries shall automatically be cancelled and retired on the settlement date of the relevant purchase (and may not be resold).

(b) With respect to all purchases of Term Loans made pursuant to this Section 2.20, (x) Holdings, Lead Borrower or such Restricted Subsidiary shall pay on the settlement date of each such purchase all accrued and unpaid interest, if any, on the purchased Term Loans up to the settlement date of such purchase (except to the extent otherwise set forth in the relevant purchase documents as agreed by the respective selling Lender) and (y) such purchases (and the payments made therefor and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to any Open Market Purchase, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Open Market Purchase, with such reduction to be applied to such Scheduled Repayments on a *pro rata* basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Open Market Purchases contemplated by this Section 2.20 and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by Holdings, Lead Borrower or any Restricted Subsidiary contemplated by this Section 2.20 shall not constitute Investments by such Person)) or any other Credit Document that may otherwise prohibit any Open Market Purchase by this Section 2.20.

2.21 Sponsor and Affiliate Term Loan Purchases. Notwithstanding anything to the contrary in this Agreement, the Sponsor and any Affiliate of the Sponsor (other than Holdings, Lead Borrower or any Subsidiary) may be an assignee in respect of Term Loans (and to such extent shall be deemed an "Eligible Transferee"); *provided* that:

(a) at the time of acquisition thereof, the aggregate principal amount of Term Loans held by the Sponsor and Affiliates (other than Debt Fund Affiliates), together with the aggregate principal amount of the Term Loans so acquired, shall not exceed 25% of the aggregate outstanding principal amount of the Term Loans at such time;

(b) notwithstanding anything to the contrary in the definition of "Required Lenders," or in Section 13.12, the holder of any Term Loans acquired pursuant to this Section 2.21(b) (other than Debt Fund Affiliates) shall not be entitled to vote such Term Loans in any "Required Lender" vote or direction pursuant to the terms of this Agreement or any other Credit Document, and for purposes of any such vote or direction such Term Loans shall be deemed not to be outstanding (it being understood that the holder of such Term Loans shall have the right to consent to votes requiring the consent of "all Lenders" or "all Lenders directly and adversely affected thereby" pursuant to Section 13.12 or otherwise, or any other amendment which treats such Lenders differently from other Lenders);

(c) by acquiring a Term Loan hereunder, the Sponsor or such applicable Affiliate (other than Debt Fund Affiliates) shall be deemed to have (I) waived its right to receive information prepared by the Administrative Agent or any Lender (or any advisor, agent or counsel thereof) under or in connection with the Credit Documents (in each case to the extent not provided to the Credit Parties) and attend any meeting or conference call with the Administrative Agent or any Lender (unless any Credit Party has been invited to attend such meeting or conference call), (II) agreed that it is prohibited from making or bringing any claim (but not from joining any claim initiated by any other Lender and acting as a passive participant with respect thereto), in its capacity as a Lender, against Administrative Agent or any Lender with respect to the duties and obligations of such Persons under the Credit Documents, and (III) agreed, without limiting its rights as a Lender described in Section 2.21(b), that it will have no right whatsoever, in its capacity as a Lender, to require the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to this Agreement or any other Credit Document;

(d) the Sponsor or such Affiliate (other than Debt Fund Affiliates) identifies itself as an Affiliate of the Credit Parties prior to the assignment of Term Loans to it pursuant to the applicable Assignment and Assumption; *provided* that this clause (d) shall not apply in the case of an acquisition of Term Loans through an un-Affiliated intermediary to the extent the Sponsor or such Affiliate has made any representations and warranties to such intermediary as are required by such intermediary in connection with its engagement as such (which may include, to the extent required by such intermediary, a representation and warranty that it does not possess any material non-public information about the Credit Parties and their respective securities);

(e) Term Loans acquired by the Sponsor and Affiliates thereof shall be subject to the voting limitations set forth in Section 13.04(g);

(f) notwithstanding anything in Section 13.12 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, all Term Loans held by Debt Fund Affiliates may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 13.12; and

(g) each assignor and assignee party any relevant assignment under this Section 2.21 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption.

Section 3. [Reserved].

Section 4. Fees; Reductions of Commitment.

4.01 Fees.

(a) The Borrowers agree, jointly and severally, to pay to the Administrative Agent such fees as may be agreed to in writing from time to time by the Borrowers and the Administrative Agent.

(b) At the time of the effectiveness of any Repricing Transaction that is consummated prior to the date that is six (6) months after the ~~Closing~~**Amendment No. 1 Incremental Effective** Date, the Borrowers agree, jointly and severally, to pay to the Administrative Agent, for the ratable account of each Lender with outstanding Initial Term Loans that are repaid or prepaid (and/or converted) pursuant to such Repricing Transaction (including, if applicable, each Lender that withholds its consent to a Repricing Transaction of the type described in clause (2) of the definition thereof and is replaced as a non-consenting Lender under Section 2.13), a fee in an amount equal to 1.00% of (x) in the case of a Repricing Transaction of the type described in clause (1) of the definition thereof, the

aggregate principal amount of all Initial Term Loans prepaid (or converted) by any Borrower in connection with such Repricing Transaction and (y) in the case of a Repricing Transaction of the type described in clause (2) of the definition thereof, the aggregate principal amount of all Initial Term Loans outstanding with respect to the Borrowers on such date that are subject to an effective reduction of the Applicable Margin pursuant to such Repricing Transaction. Such fees shall be due and payable upon the date of the effectiveness of such Repricing Transaction.

4.02 Mandatory Reduction of Commitments.

(a) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, **(i)** the Total Initial Term Loan Commitment ~~**shall terminate**~~**terminated** in its entirety on the Closing Date after the funding of all Initial Term Loans on such date **and (ii) the 2018 Additional Term Commitments shall terminate in their entirety on the earlier of (x) the Amendment No. 1 Incremental Effective Date after the funding of all 2018 Additional Term Loans on such date and (y) January 26, 2019**.

(b) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Incremental Term Loan Commitment pursuant to an Incremental Term Loan Amendment (and the Incremental Term Loan Commitment of each Lender with such a Commitment) shall terminate in its entirety on the Incremental Term Loan Borrowing Date for such Total Incremental Term Loan Commitment after the funding of all relevant Incremental Term Loans on such date.

(c) Each reduction to the Total Initial Term Loan Commitment and the Total Incremental Term Loan Commitment under a given Tranche pursuant to this Section 4.02 as provided above (or pursuant to Section 5.02) shall be applied proportionately to reduce the Initial Term Loan Commitment or the Incremental Term Loan Commitment under such Tranche, as the case may be, of each Lender with such a Commitment.

Section 5. Prepayments; Payments; Taxes.

5.01 Voluntary Prepayments.

(a) The Borrowers shall have the right to prepay the Term Loans of any Tranche, without premium or penalty (other than as provided in Section 4.01(b)), in whole or in part at any time and from time to time on the following terms and conditions: (i) Lead Borrower shall give the Administrative Agent at its Notice Office written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay all of the Term Loans, or in the case of any partial prepayment, the Tranche of Term Loans to be prepaid, the amount of the Term Loans to be prepaid, the Types of Term Loans to be repaid, the manner in which such prepayment shall apply to reduce the Scheduled Repayments and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings pursuant to which made, which notice shall be given by Lead Borrower (x) prior to 12:00 Noon (New York City time) at least one Business Day prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of LIBO Rate Term Loans (or, in the case of clause (x) and (y), such shorter period as the Administrative Agent shall agree in its sole and absolute discretion), and be promptly transmitted by the Administrative Agent to each of the Lenders; (ii) each partial prepayment of Term Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least $1,000,000 or such lesser amount as is acceptable to the Administrative Agent; *provided* that if any partial prepayment of LIBO Rate Term Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of LIBO Rate Term Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount, then if such Borrowing is a Borrowing of LIBO Rate Term Loans, such Borrowing shall automatically be converted into a Borrowing of Base Rate Term Loans and any election of an Interest Period with respect thereto given by Lead Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 5.01(a) in respect of any Term Loans made pursuant to a Borrowing shall be applied *pro rata* among such Term Loans; *provided* that it is understood and agreed that this clause (iii) may be modified as expressly provided in Section 2.14 in connection with an Extension Amendment; and (iv) each prepayment of principal of Term Loans of a given Tranche pursuant to this Section 5.01(a) shall be applied as directed by Lead Borrower in the applicable notice of prepayment delivered pursuant to this Section 5.01(a) or, if no such direction is given, in direct order of maturity. Notwithstanding anything to the contrary contained in this Agreement, any such notice of prepayment pursuant to this Section 5.01(a) may state that it is conditioned upon the

occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities, the occurrence of a Change of Control or any similar event), in which case such notice may be revoked by Lead Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) In the event (i) of a refusal by a Lender to consent to proposed changed, amendments, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b) or (ii) any Lender becomes a Defaulting Lender, Lead Borrower may, upon three Business Days' prior written notice to the Administrative Agent at the Notice Office (or such shorter notice as may be agreed by the Administrative Agent) repay all Term Loans of such Lender, together with accrued and unpaid interest, Fees and other amounts owing to such Lender in accordance with, and subject to the requirements of, Section 13.12(b), so long as, in the case of any repayment pursuant to clause (i) hereof, the consents, if any, required under Section 13.12(b) in connection with the repayment pursuant to such clause (i) have been obtained. Each prepayment of any Term Loan pursuant to this Section 5.01(b) shall reduce the then remaining Scheduled Repayments of the applicable Tranche of Term Loans on a *pro rata* basis (based upon the then remaining unpaid principal amounts of Scheduled Repayments of the respective Tranche after giving effect to all prior reductions thereto).

5.02 Mandatory Repayments.

(a) In addition to any other mandatory repayments pursuant to this Section 5.02, on each date set forth below (each, a "Scheduled Repayment Date"), the Borrowers shall be required to repay to the Administrative Agent for the ratable account of the Lenders (i) on the last Business Day of each March, June, September and December, commencing with ~~June 2018~~**the first such date to occur after the Amendment No. 1 Incremental Effective Date**, an aggregate **principal amount equal to 0.25% of the product of (x) the sum of (i) the aggregate outstanding** principal amount of Initial Term Loans ~~equal to $2,100,000~~**immediately prior to the Amendment No. 1 Incremental Effective Date and (ii) the aggregate outstanding principal amount of 2018 Additional Term Loans immediately after the Amendment No. 1 Incremental Effective Date and (y) a fraction, the numerator of which is $840,000,000 and the denominator of which is the aggregate outstanding principal amount of the Initial Term Loans immediately prior to the Amendment No. 1 Incremental Effective Date** and (ii) on the Initial Maturity Date for Initial Term Loans, the aggregate principal amount of all Initial Term Loans that remain outstanding on such date (each such repayment described in clauses (i) ~~and~~**through** (ii), as the same may be reduced as provided in this Agreement, including in Section 2.19, 2.20, 5.01 or 5.02(g), or as a result of the application of prepayments or otherwise in connection with any Extension as provided in Section 2.14, a "Scheduled Repayment").

(b) In addition to any other mandatory repayments pursuant to this Section 5.02, the Borrowers shall be required to make, with respect to each new Tranche (i.e., other than Initial Term Loans, which are addressed in the preceding clause (a)) of Term Loans to the extent then outstanding, scheduled amortization payments of such Tranche of Term Loans to the extent, and on the dates and in the principal amounts, set forth in the Incremental Term Loan Amendment, Refinancing Term Loan Amendment or Extension Amendment applicable thereto.

(c) In addition to any other mandatory repayments pursuant to this Section 5.02, within five Business Days following each date on or after the Closing Date upon which Lead Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any issuance or incurrence of Indebtedness (other than Indebtedness permitted to be incurred pursuant to Section 10.04 (other than Refinancing Term Loans and Refinancing Notes)), an amount equal to 100% of the Net Debt Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(d) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Lead Borrower or any of its Restricted Subsidiaries receives any Net Sale Proceeds from any Asset Sale (other than ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Sale Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to no more than $22,500,000 in the aggregate of such Net Sale Proceeds received by Lead Borrower and its Restricted Subsidiaries in any fiscal year of Lead Borrower, such Net Sale Proceeds shall not be required to be so

applied or used to make mandatory repayments of Term Loans. Notwithstanding the foregoing, Lead Borrower or such Restricted Subsidiary may apply all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale Proceeds (or, if within such 12-month period, Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Sale Proceeds, within 180 days following such 12-month period during which Lead Borrower so committed to such plan of reinvestment); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by Lead Borrower or such Restricted Subsidiary of such Net Sale Proceeds, Lead Borrower or such Restricted Subsidiary has not so used all or a portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Sale Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, on each Excess Cash Flow Payment Date, an amount equal to the remainder of (i) the Applicable ECF Prepayment Percentage of the Excess Cash Flow for the related Excess Cash Flow Payment Period *less* (ii) the aggregate amount of all (x) voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xxvii) that rank *pari passu* with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Section 2.19 or Section 2.20 or similar provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or Restricted Subsidiary therefor) and (y) prepayments of revolving loans under the ABL Credit Agreement or any other revolving credit facility secured by a Lien on the Collateral ranking *pari passu* with the Lien on the Collateral securing the ABL Credit Agreement or senior or *pari passu* with the Lien on the Collateral securing the Indebtedness hereunder, in each case, to the extent accompanied by a permanent reduction in commitments therefor and not financed with the incurrence of other long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement), during such Excess Cash Flow Payment Period shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which Lead Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Recovery Event (other than in respect of ABL Collateral), an amount equal to the Applicable Asset Sale/Recovery Event Prepayment Percentage of the Net Insurance Proceeds from such Recovery Event shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); *provided*, *however*, with respect to no more than $22,500,000 in the aggregate of such Net Insurance Proceeds received by Lead Borrower and its Restricted Subsidiaries in any fiscal year of Lead Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment. Notwithstanding the foregoing, Lead Borrower may apply such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder to reinvest in the purchase of assets useful in the business of Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such proceeds (or, if within such 12-month period, Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest in such Net Sale Proceeds, within 18 months following the date of receipt of such proceeds); *provided*, *further*, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by Lead Borrower or any of its Restricted Subsidiaries of such Net Insurance Proceeds, Lead Borrower or any of its Restricted Subsidiaries have not so used all or a portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder, an amount equal to the remaining portion of such Net Insurance Proceeds that would otherwise be required to be applied as a mandatory repayment hereunder shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period, as the case may be.

(g) Each amount required to be applied pursuant to Sections 5.02(d), (e) and (f) in accordance with this Section 5.02(g) shall be applied to repay the outstanding principal amount of Term Loans, with each Tranche of then outstanding Term Loans to be allocated its Term Loan Percentage of each amount so required to be applied; *provided* that to the extent any Permitted Pari Passu Notes (or any Permitted Refinancing Indebtedness in respect thereof that is secured on a *pari passu* basis with the Obligations) requires any mandatory prepayment or repurchase from any Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to be applied to prepay

Term Loans in accordance with clause (d) or (f) above, up to a *pro rata* portion (based on the aggregate principal amount of Term Loans and such *pari passu* secured Indebtedness then outstanding) of such Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to prepay Term Loans in accordance with clause (d) or (f) above may be applied to prepay or repurchase such *pari passu* secured Indebtedness in lieu of prepaying Term Loans as provided above. Prepayments pursuant to Section 5.02(c) shall be applied to the Tranche or Tranches of Term Loans selected by Lead Borrower. Except as otherwise provided below, all repayments of outstanding Term Loans of a given Tranche pursuant to Sections 5.02(c), (d), (e) and (f) (and applied pursuant to this clause (g)) shall be applied to reduce the Scheduled Repayments of the applicable Tranche in direct order of maturity of such Scheduled Repayments.

(h) With respect to each repayment of Term Loans required by this Section 5.02, Lead Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such LIBO Rate Term Loans were made; *provided* that: (i) repayments of LIBO Rate Term Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such LIBO Rate Term Loans of the applicable Tranche with Interest Periods ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied *pro rata* among such Term Loans. In the absence of a designation by Lead Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its sole discretion.

(i) In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

(j) Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Asset Sale"), the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a "Foreign Recovery Event") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, the portion of such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 5.02 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (the Borrowers hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of Lead Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow is permitted under the applicable local law, rule or regulation or applicable organizational documents of such Foreign Subsidiary, such repatriation will be immediately effected and such repatriated Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof and additional costs relating to such repatriation) to the repayment of the Term Loans pursuant to this Section 5.02 or (ii) to the extent that Lead Borrower has reasonably determined in good faith that repatriation of any of or all the Net Sale Proceeds of any Foreign Asset Sale, Net Insurance Proceeds of any Foreign Asset Sale or Foreign Recovery Event or Foreign Subsidiary Excess Cash Flow would have material adverse tax cost consequences, such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.

(k) The Borrowers shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to Section 5.02(d), (e) or (f) at least three Business Days prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of Lead Borrower's repayment notice and of such Lender's *pro rata* share of any repayment. Each Lender may reject all or a portion of its *pro rata* share of any mandatory repayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant to Section 5.02(d), (e) or (f) by providing written notice (each, a "Rejection Notice")

to the Administrative Agent and Lead Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled. Any Declined Proceeds, to the extent retained by Lead Borrower following compliance with any provisions of the Second Lien Credit Agreement requiring prepayments or offers to prepay with Declined Proceeds, are referred to herein as "Retained Declined Proceeds".

5.03 Method and Place of Payment. All payments under this Agreement and under any Note shall be made (i) to the Administrative Agent at its Notice Office for the account of the Lender or Lenders entitled thereto, or, except as otherwise specifically provided herein, directly to such Lender or Lenders, in each case not later than 2:00 p.m. (New York City time) on the date when due (or, in connection with any prepayment of all outstanding Term Loans, such later time on the specified prepayment date as the Administrative Agent may agree), (ii) in U.S. Dollars in immediately available funds and (iii) free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any payment received after such time on such date referred to in the first sentence of this Section 5.03 shall, at the option of the Administrative Agent, be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension. Unless the Administrative Agent shall have received notice from Lead Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

5.04 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable law. If any Taxes are required to be withheld or deducted from such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable shall be increased as necessary so that after making all required deductions or withholding (including deduction or withholdings applicable to additional sums payable under this Section 5.04), the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by the applicable Credit Party. The Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 Business Days of written request therefor, for the amount of any Indemnified Taxes (including any Indemnified Taxes imposed on amounts payable under this Section 5.04) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any Other Taxes, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.

(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to Lead Borrower and the Administrative Agent, at the time or times reasonably requested by Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by Lead Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to Lead Borrower and the Administrative Agent, at the time or times reasonably requested by Lead Borrower or the Administrative Agent, such other documentation prescribed by applicable law or reasonably requested by Lead Borrower or the Administrative Agent as will enable Lead Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documents required below in Section 5.04(c)) expired, obsolete or inaccurate in any respect, deliver promptly to Lead Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by Lead Borrower or the Administrative Agent) or promptly notify Lead Borrower and the Administrative Agent in writing of its inability to do so.

(c) Without limiting the generality of the foregoing: (x) Each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) shall deliver to Lead Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 2.13 or 13.04(b) (unless the relevant Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, (i) two accurate and complete original signed copies of Internal Revenue Service Form W-8BEN (or successor form) or Form W-8BEN-E (or successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party or Form W-8ECI (or successor form), or (ii) in the case of a Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," a certificate substantially in the form of Exhibit C (any such certificate, a "U.S. Tax Compliance Certificate") and two accurate and complete original signed copies of Internal Revenue Service Form W-8BEN (or successor form) or W-8BEN-E (or successor form) certifying to such Lender's entitlement as of such date to a complete exemption from U.S. withholding tax with respect to payments of interest to be made under this Agreement and under any Note; or (iii) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two accurate and complete original signed copies of Internal Revenue Service Form W-8IMY (or successor form) of the Lender, accompanied by Form W-8ECI, Form W-8BEN, Form W-8BEN-E, U.S. Tax Compliance Certificate, Form W-8IMY, and/or any other required information (or successor or other applicable form) from each beneficial owner that would be required under this Section 5.04(c) if such beneficial owner were a Lender (*provided* that, if the Lender is a partnership for U.S. federal income Tax purposes (and not a participating Lender), and one or more beneficial owners are claiming the portfolio interest exemption, the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owners); (y) Each Lender that is a United States person, as defined in Section 7701(a)(30) of the Code, shall deliver to Lead Borrower and the Administrative Agent, at the times specified in Section 5.04(b), two accurate and complete original signed copies of Internal Revenue Service Form W-9, or any successor form that such Person is entitled to provide at such time, in order to qualify for an exemption from United States backup withholding requirements; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to Lead Borrower and the Administrative Agent, at the time or times prescribed by applicable law and at such time or times reasonably requested by Lead Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Lead Borrower or the Administrative Agent as may be necessary for Lead Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.04(c)(z), "FATCA" shall include any amendment made to FATCA after the Closing Date.

Each Lender authorizes the Administrative Agent to deliver to Lead Borrower and to any successor Administrative Agent any documentation provided by the Lender to the Administrative Agent pursuant to Section 5.04(b) or this Section 5.04(c). Notwithstanding any other provision of this Section 5.04, a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(d) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to Section 5.04(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under Section 5.04(a) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses, including any Taxes, of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the relevant Credit Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Credit Party (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 5.04(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.04(d) to the extent such payment would place the Administrative Agent or such Lender in a less favorable position (on a net after-Tax basis) than such party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing in this Section 5.04(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.

Notwithstanding the foregoing, neither Lead Borrower nor any of its Restricted Subsidiaries will be required to provide any information pursuant to this clause to the extent that the provision thereof would violate any law, rule or regulation or result in the breach of any binding contractual obligation or the loss of any professional privilege; *provided* that in the event that Lead Borrower or any of its Restricted Subsidiaries does not provide information that otherwise would be required to be provided hereunder in reliance on such exception, Lead Borrower shall use commercially reasonable efforts to provide notice to the Administrative Agent promptly upon obtaining knowledge that such information is being withheld (but solely if providing such notice would not violate such law, rule or regulation or result in the breach of such binding contractual obligation or the loss of such professional privilege).

(c) The Borrowers will, and will cause each of the other Credit Parties that are Restricted Subsidiaries of Lead Borrower to, at the expense of Lead Borrower, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent, promptly, upon the reasonable request of the Administrative Agent or the Collateral Agent, at Lead Borrower's expense, any document or instrument supplemental to or confirmatory of the Security Documents to the extent deemed by the Administrative Agent or the Collateral Agent reasonably necessary for the continued validity, perfection and priority of the Liens on the Collateral covered thereby subject to no other Liens except for Permitted Liens or as otherwise permitted by the applicable Security Document.

Each of the parties hereto acknowledges and agrees that the grant of any Mortgage on Mortgaged Property of the Credit Parties (or any increase, extension or renewal of any Loans or Commitments at a time when any Mortgaged Property is subject to a Mortgage) shall be subject to (and conditioned upon) the prior delivery to the Collateral Agent of "life-of-loan" Federal Emergency Management Agency standard flood hazard determinations with respect to each Mortgaged Property and, to the extent any improved Mortgaged Property is located in an area determined by the Federal Emergency Agency (or any successor agency) to be a special flood hazard area, (i) delivery by the Collateral Agent to Lead Borrower of a notice of special flood hazard area status and flood disaster assistance and, if such notice is delivered to Lead Borrower at least two (2) Business Days prior to such grant, increase, extension or renewal, a duly executed acknowledgment of receipt thereof by Lead Borrower and (ii) evidence of flood insurance as required by Section 9.03 hereof. Notwithstanding anything in any Credit Document to the contrary, if the Collateral Agent or any Lender is not satisfied with the results of any flood insurance due diligence or flood insurance compliance or any of the deliveries referred to in the immediately preceding sentence, and determines it is in its best interest not to require a Mortgage on any Mortgaged Property, the Credit Parties shall not be required to grant a Mortgage on such Mortgaged Property in favor of such Person or otherwise comply with respect to such Person with the provisions of the Credit Documents relating to Mortgages.

9.16 Designation of Subsidiaries. Lead Borrower may at any time and from time to time after the Closing Date designate any Restricted Subsidiary of Lead Borrower as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary by written notice to the Administrative Agent; *provided* that (i) immediately before and after such designation, no Event of Default shall have occurred and be continuing, (ii) in the case of the designation of any Subsidiary as an Unrestricted Subsidiary, such designation shall constitute an Investment in such Unrestricted Subsidiary (calculated as an amount equal to the sum of (x) the fair market value of the Equity Interests of the designated Subsidiary and any of its Subsidiaries that are owned by Lead Borrower or any Restricted Subsidiary, immediately prior to such designation (such fair market value to be calculated without regard to any Obligations of such designated Subsidiary or any of its Subsidiaries under the Guaranty Agreement) and (y) the aggregate principal amount of any Indebtedness owed by such Subsidiary and any of its Subsidiaries to Lead Borrower or any of its Restricted Subsidiaries immediately prior to such designation, all calculated, except as set forth in the parenthetical to clause (x) above, on a consolidated basis in accordance with U.S. GAAP), and such Investment shall be permitted under Section 10.05, (iii) no Subsidiary may be designated as an Unrestricted Subsidiary if it or any of its Subsidiaries is a "Restricted Subsidiary" for the purpose of (I) the ABL Credit Agreement, (II) the Second Lien Credit Agreement or (III) any Refinancing Notes Indenture, any Permitted Pari Passu Notes Document, any Permitted Junior Notes Document or other debt instrument, in each case of this clause (III), with a principal amount in excess of the Threshold Amount, (iv) following the designation of an Unrestricted Subsidiary as a Restricted Subsidiary, Lead Borrower shall comply with the provisions of Section 9.12 with respect to such designated Restricted Subsidiary, (v) no Restricted Subsidiary may be a Subsidiary of an Unrestricted Subsidiary (and any Subsidiary of an Unrestricted Subsidiary that is acquired or formed after the date of designation shall automatically be designated as an Unrestricted Subsidiary), (vi) no Borrower may be designated an Unrestricted Subsidiary and (vii) in the case of the designation of any Subsidiary as an Unrestricted Subsidiary, each of (i) the Subsidiary to be so designated and (ii) its Subsidiaries has not, at the time of designation, and does not thereafter, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to any Indebtedness pursuant to which the lender has recourse to any of the assets of Lead Borrower or any Restricted Subsidiary (other than Equity Interests in an Unrestricted Subsidiary). The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (i) the incurrence at the time of designation of any Investment,

Indebtedness or Liens of such Subsidiary and its Subsidiaries existing at such time and (ii) a return on any Investment by Lead Borrower in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the fair market value at the date of such designation of Lead Borrower's Investment in such Subsidiary.

Anything herein to the contrary notwithstanding, none of the Lead Arrangers, Co-Documentation Agents ~~or~~, Co-Syndication Agents**, the Amendment No. 1 Lead Arranger** or any of their respective Affiliates shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent or a Lender hereunder.

12.06 Non-reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

12.07 Indemnification by the Lenders. To the extent that the Borrowers for any reason fail to pay any amount required under Section 13.01(a) to be paid by them to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's *pro rata* share (based on the amount of then outstanding Term Loans held by each Lender or, if the Term Loans have been repaid in full, based on the amount of outstanding Term Loans held by each Lender immediately

prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.04.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Lead Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on Lead Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions to which a Credit Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable

basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.12 of this Agreement), and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

12.10 Resignation of the Agents. Each of the Administrative Agent and the Collateral Agent may at any time give notice of its resignation to the Lenders and Lead Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with Lead Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by Lead Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent or Collateral Agent may, with Lead Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent or successor Collateral Agent, as applicable, in each case meeting the qualifications set forth above; *provided* that if the Administrative Agent or the Collateral Agent shall notify Lead Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors' security interest thereon until such time as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of Lead Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section 12.10. Upon the acceptance of a successor's appointment as Administrative Agent or as Collateral Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents **(**if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent's or retiring Collateral Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent or Collateral Agent, as applicable, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

12.11 Collateral Matters and Guaranty Matters. Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) irrevocably authorizes the Administrative Agent or Collateral Agent, as applicable,

(a) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (i) upon termination of the Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements), (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (iii) that constitutes Excluded Collateral, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Guaranty Agreement pursuant to clause (b) below or (v) if approved, authorized or ratified in writing in accordance with Section 13.12;

(b) to release any Subsidiary Guarantor from its obligations under the Guaranty Agreement if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is permitted by Sections 10.01(iv)(y), (vi) or (xiv) or any other Lien that is expressly permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release, and to execute and/or deliver documents to evidence the release or non-existence of, any Lien securing the Obligations upon any Excluded Collateral.

Upon request by the Administrative Agent or Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent and Collateral Agent will (and each Lender irrevocably authorizes the Administrative Agent and Collateral Agent to), at the Borrowers' expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent and Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's and Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

12.12 Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements. No Guaranteed Creditor that obtains the benefits of any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent and Collateral Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Guaranteed Creditor. Each Guaranteed Creditor agrees to be bound by this Section 12 to the same extent as a Lender hereunder.

12.13 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrowers pursuant to Section 5.04 and without limiting or expanding the obligation of the Borrowers to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

12.14 Certain ERISA Matters.

(v) no fee or other compensation is being paid directly to the Administrative Agent or any other Agent or any their respective Affiliates for investment advice (as opposed to other services) in connection with the Loans, the Commitments or this Agreement.

13.04 Benefit of Agreement; Assignments; Participations, etc.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted, except that (i) the Borrowers may not assign or otherwise transfer any of their rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by any Borrower without such consent shall be null and void), except as contemplated by Section 10.02(vi) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(A) Lead Borrower; *provided* that, Lead Borrower shall be deemed to have consented to an assignment unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof; *provided* that no consent of Lead Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing under Section 11.01 or 11.05, any other Eligible Transferee;

(B) the Administrative Agent; *provided* that no consent of the Administrative Agent shall be required for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund;

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Term Loans of any Tranche, the amount of the Commitment or Term Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000 unless each of Lead Borrower and the Administrative Agent otherwise consent; *provided* that no such consent of Lead Borrower shall be required if an Event of Default has occurred and is continuing under Section 11.01 or 11.05;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; *provided* that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Tranche of Commitments or Term Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with the payment by the assignee of a processing and recordation fee of $3,500; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Credit Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws.

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) below, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 5.04 and 13.01. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) below.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and, as to its own positions only, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants), the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b) above and any written consent to such assignment required by clause (b) above, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; *provided* that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to this Agreement, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (v).

(c) Any Lender may, without the consent of Lead Borrower or the Administrative Agent, sell participations to one or more Eligible Transferees (a "Participant"), in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Term Loans owing to it); *provided* that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that requires the consent of each Lender or each adversely affected Lender and that directly affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the requirements and limitations therein (it being understood that the documentation required under Sections 5.04(b) and (c) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.04; *provided* that such Participant (A) agrees to be subject to the provisions of Section 2.12 as if it were an assignee under clause (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.10 or 5.04, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at Lead Borrower's request and expense, to use reasonable efforts to cooperate with Lead Borrower to effectuate the provisions of Section 2.13 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; *provided* that such Participant agrees to be subject to

Section 2.12 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of Lead Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "Participant Register"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments or Term Loan or its other obligations under any Credit Document) to any Person except to the extent such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Holdings, Lead Borrower and its Restricted Subsidiaries shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections 2.19 and 2.20, which purchases shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender to the Borrowers. Each assignor and assignee party to the relevant repurchases under Sections 2.19 and 2.20 shall render customary "big boy" disclaimer letters or any such disclaimers shall be incorporated into the terms of the Assignment and Assumption. No such transfer or assignment shall be effective until recorded by the Administrative Agent (which the Administrative Agent agrees to promptly record) on the Register pursuant to clause (b) above. All Term Loans purchased pursuant to Sections 2.19 and 2.20 shall be immediately and automatically cancelled and retired, and the Borrowers shall in no event become a Lender hereunder. To the extent of any assignment to a Borrower as described in this clause (d), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.

(e) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank or central banking authority in support of borrowings made by such Lender from such Federal Reserve Bank or central banking authority and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or Lead Borrower), any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (e) shall release the transferor Lender from any of its obligations hereunder.

(f) Each Lender acknowledges and agrees to comply with the provisions of this Section 13.04 applicable to it as a Lender hereunder.

(g) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Assignment and Assumption entered into by a Sponsor Affiliate shall provide a confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary proceeding commenced under any Debtor Relief Law now or hereafter in effect ("Bankruptcy Proceedings"), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Sponsor Affiliate's claim with respect to its Term Loans (a "Claim") (including, without limitation, objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization) so long as such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization), the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be voted by such Sponsor Affiliate in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliates, so long as such Sponsor Affiliate is treated in connection with the exercise of such right or taking of such action on the same or better terms as the other Lenders; *provided*, *however*, that the Administrative Agent shall vote on behalf of any such Sponsor Affiliates holding Term Loans in accordance with this Section 13.04(g) and the relevant Assignment and Assumption. For the avoidance of doubt, the Lenders and each Sponsor Affiliate agree and acknowledge that the provisions set forth in this Section 13.04(g) constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code, and, as such,

would be enforceable for all purposes in any case where a Credit Party has filed for protection under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect applicable to Credit Party. Except as expressly provided in this Section 13.04(g), the provisions of this Section 13.04(g) shall not be applicable to any Debt Fund Affiliate.

(h) If any Borrower wishes to replace the Term Loans or Commitments with Term Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders of such Term Loans or holdings such Commitments, instead of prepaying the Term Loans or reducing or terminating the Commitments to be replaced, to (i) require such Lenders to assign such Term Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 (with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12). Pursuant to any such assignment, all Term Loans and Commitments to be replaced shall be purchased at par (allocated among the applicable Lenders in the same manner as would be required if such Term Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08. By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Term Loans or Commitments pursuant to the terms of an Assignment and Assumption, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) The Administrative Agent shall have the right, and Lead Borrower hereby expressly authorizes the Administrative Agent, to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by Lead Borrower and any updates thereto. The Borrowers hereby agree that any such requesting Lender may share the list of Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledge and agree that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders (other than with respect to assignments or participations by it of its Loans and Commitments, if any). Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (y) the Administrative Agent shall have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender (other than with respect to assignments or participations by it of its Loans and Commitments, if any).

(j) Disqualified Lenders. Notwithstanding anything to the contrary contained in this Agreement, any assignment to a Disqualified Lender shall not be void, but shall be subject to the following provisions:

(i) If any assignment is made to any Disqualified Lender without Lead Borrower's prior written consent, or if any Person becomes a Disqualified Lender after the Closing Date, Lead Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, cancel any unfunded Commitment the subject thereof and (A) in the case of outstanding Term Loans held by Disqualified Lenders, prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder (it being understood that, notwithstanding anything in the Credit Documents to the contrary, any such prepayment shall not be subject to any provisions requiring prepayments of the Term Loans on a pro rata basis and no other Term Loans shall be required to be repaid as a result of such prepayment) and/or (B) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 13.04), all of its interest, rights and obligations under this Agreement and related Credit Documents to an Eligible Transferee that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder; *provided* that (i) Lead Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 13.04(b) (unless waived by the Administrative Agent) and (ii) in the case of clause (A), the Borrowers shall not use the proceeds from any Loans or loans under the ABL Credit Agreement to prepay any Term Loans held by Disqualified Lenders.

(ii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Lenders (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrowers, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Credit Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws ("Plan of Reorganization"), each Disqualified Lender party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Lender does vote on such Plan of Reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between any Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata.

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its *pro rata* share of such payment) *pro rata* based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Term Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; *provided* that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Term Loans as, and to the extent, provided therein.

13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); *provided* that to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; *provided further*, that if Lead Borrower notifies the Administrative Agent that Lead Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies Lead Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then Lead Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; *provided, further* that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, (i) all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect) and (ii) the accounting for any lease shall be based on Lead Borrower's treatment thereof in accordance with U.S. GAAP as in effect on the Closing Date and without giving effect to any subsequent changes in U.S. GAAP (or the required implementation of any previously promulgated changes in U.S. GAAP) relating to the treatment of a lease as an operating lease or capitalized lease.

(b) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

*provided* that no such change, waiver, discharge or termination shall (i) without the prior written consent of each Lender directly and adversely affected thereby, extend the final scheduled maturity of any Term Loan, or reduce the rate or extend the time of payment of interest or fees thereon; except in connection with the waiver of the applicability of any post-default increase in interest rates, (ii) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral without the prior written consent of each Lender, (iii) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty by the Guarantors without the prior written consent of each Lender, (iv) amend, modify or waive any provision of this Section 13.12(a) or Section 13.06 (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Initial Term Loans on the Closing Date), in each case, without the prior written consent of each Lender directly and adversely affected thereby, (v) reduce the percentage specified in the definition of Required Lenders without the prior written consent of each Lender (it being understood that additional extensions of credit pursuant to this Agreement that are permitted by the terms hereof or that have been consented to by the Required Lenders may be included in the determination of the Required Lenders, as applicable, on substantially the same basis as the extensions of Initial Term Loans are included on the Closing Date), (vi) consent to the assignment or transfer by the Borrowers of any of their respective rights and obligations under this Agreement without the consent of each Lender or (vii) amend Section 2.14 the effect of which is to extend the maturity of any Term Loan without the prior written consent of each Lender directly and adversely affected thereby; *provided*, *further*, that no such change, waiver, discharge or termination shall (1) increase the Commitments of any Lender over the amount thereof then in effect without the consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Total Commitment shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender), (2) without the consent of each Agent adversely affected thereby, amend, modify or waive any provision of Section 12 or any other provision of any Credit Document as the same relates to the rights or obligations of such Agent, (3) without the consent of Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent, (4) except in cases where additional extensions of term loans are being afforded substantially the same treatment afforded to the Term Loans pursuant to this Agreement as in effect on the Closing Date, without the consent of the Majority Lenders of each Tranche which is being allocated a lesser prepayment, repayment or commitment reduction, alter the required application of any prepayments or repayments (or commitment reduction), as between the various Tranches, pursuant to Section 5.01 or 5.02 (although (x) the Required Lenders may waive, in whole or in part, any such prepayment, repayment or commitment reduction, so long as the application, as amongst the various Tranches, of any such prepayment, repayment or commitment reduction which is still required to be made is not altered and (y) any conversion of any Tranche of Term Loans into another Tranche of Term Loans hereunder in like principal amount and any other conversion of any Tranche of Term Loans into Extended Term Loans pursuant to an Extension Amendment shall not be considered a "prepayment" or "repayment" for purposes of this clause (4)), (5) without the consent of the Majority Lenders of the respective Tranche affected thereby, amend the definition of Majority Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Majority Lenders on substantially the same basis as the extensions of Term Loans and Commitments are included on the Closing Date) or (6) without the consent of the Supermajority Lenders of the relevant Tranche, reduce the amount of or extend the date of, any Scheduled Repayment (except that, if additional Term Loans are made pursuant to a given Tranche, the scheduled repayments of such Tranche may be increased on a proportionate basis without the consent otherwise required by this clause (6)), or amend the definition of "Supermajority Lenders" (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Supermajority Lenders on substantially the same basis as the Initial Term Loans and Initial Term Loan Commitments are included on the Closing Date); and *provided further* that only the consent the Administrative Agent shall be necessary for amendments described in clause (y) of the first proviso contained in clause (vi) of the definition of "Permitted Junior Loans."

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then Lead Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender's Commitments and/or repay the outstanding Term Loans of each Tranche of such Lender in accordance with Section 5.01(b)(i); *provided* that, unless the Commitments that are terminated, and Term Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Term Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto; *provided*, *further*, that in any event Lead Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Term Loans solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, the Borrowers, the Administrative Agent and each applicable Incremental Term Loan Lender may, without the consent of any other Lender, (i) in accordance with the provisions of Section 2.15 enter into an Incremental Term Loan Amendment; *provided* that after the execution and delivery by the Borrowers, the Administrative Agent and each such Incremental Term Loan Lender of such Incremental Term Loan Amendment, such Incremental Term Loan Amendment, may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12, and (ii) amend this Agreement to increase the interest rate margin, increase the interest rate floor, increase, extend or add any prepayment premium, increase, extend or add any call protection or increase the amortization schedule with respect to any existing Tranche of Term Loans in order to cause any Incremental Term Loans to be fungible with such existing Tranche of Term Loans.

(d) Notwithstanding anything to the contrary in clause (a) above of this Section 13.12, this Agreement may be amended (or amended and restated) (i) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers, (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loan and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and (ii) with the written consent of the Administrative Agent, the Borrowers and the Refinancing Term Loan Lenders, this Agreement and the other Credit Documents shall be amended (or amended and restated) in connection with any refinancing facilities permitted pursuant to Section 2.18.

(e) Notwithstanding anything to the contrary herein, any fee letter may be amended, or rights and privileges thereunder waived, in a writing executed only by the parties thereto.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Term Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Majority Lenders, the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of "Majority Lenders" and "Required Lenders" will automatically be deemed modified accordingly for the duration of such period); *provided* that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, the Administrative Agent and/or the Collateral Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and/or the Collateral Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 2.10, 2.11, 5.04, 12.07 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

13.14 Joint and Several Liability of Borrowers.

(a) Each Borrower is accepting joint and several liability hereunder and under the other Credit Documents in consideration of the financial accommodations to be provided by the Lenders under this Agreement, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations.

(b) Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 13.14), it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them.

(c) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrowers will make such payment with respect to, or perform, such Obligations.

(d) The Obligations of each Borrower under the provisions of this Section 13.14 constitute the absolute and unconditional, full recourse Obligations of each Borrower enforceable against each Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement or any other circumstances whatsoever.

(e) Except as otherwise expressly provided in this Agreement and the other Credit Documents, each Borrower hereby waives notice of acceptance of its joint and several liability, notice of any Incremental Term Loans, Refinancing Term Loans or Extended Term Loans issued under or pursuant to this Agreement, notice of the occurrence of any Default, Event of Default, or of any demand for any payment under this Agreement, notice of any action at any time taken or omitted by any Agent or any other Secured Creditor under or in respect of any of the Obligations, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable law, all demands, notices and other formalities of every kind in connection with this Agreement (except as otherwise provided in this Agreement).

(f) Each Borrower represents and warrants to the Agents and the other Secured Creditor that such Borrower is currently informed of the financial condition of the other Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations. Each Borrower further represents and warrants to Agent and the other Secured Creditor that such Borrower has read and understands the terms and conditions of the Credit Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of the other Borrowers' financial condition, the financial condition of other guarantors, if any, and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations.

(g) Each Borrower waives all rights and defenses arising out of an election of remedies by any Agent or any other Secured Creditor, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed such Agent's or such Secured Creditor's rights of subrogation and reimbursement against any Borrower.

(h) Each Borrower waives all rights and defenses that such Borrower may have because the Obligations are or become secured by Real Property. This means, among other things:

(i) the Agents and other Secured Creditors may collect from such Borrower without first foreclosing on any Real Property or personal property Collateral pledged by Borrowers.

(ii) If any Agent or any other Secured Creditor forecloses on any Collateral consisting of Real Property pledged by any Credit Party:

(A) the amount of the Obligations may be reduced only by the price for which that Collateral is sold at the foreclosure sale, even if such Collateral is worth more than the sale price; and

(B) the Agents and the other Secured Creditors may collect from such Borrower even if any Agent or other Secured Creditor, by foreclosing on the Collateral consisting of Real Property, has destroyed any right such Borrower may have to collect from the other Borrowers or any other Credit Party.

This is an unconditional and irrevocable waiver of any rights and defenses each Borrower may have because the Obligations are or become secured by Real Property.

(i) The provisions of this Section 13.14 are made for the benefit of the Agents, the other Secured Creditors and their respective successors and assigns, and may be enforced by it or them from time to time against any or all Borrowers as often as occasion therefor may arise and without requirement on the part of any Agent, any other Secured Creditor or any of their respective successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any Borrower or to exhaust any remedies available to it or them against any Borrower or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 13.14 shall remain in effect until all of the Obligations shall have been paid in full in accordance with the express terms of this Agreement. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by any Agent or any other Secured Creditor upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 13.14 will forthwith be reinstated in effect, as though such payment had not been made.

(j) Each Borrower hereby agrees that it will not enforce any of its rights of contribution or subrogation against any other Borrower with respect to any liability incurred by it hereunder or under any of the other Credit Documents, any payments made by it to any Agent or any other Secured Creditor with respect to any of the Obligations or any collateral security therefor until such time as all of the Obligations have been paid in full in accordance with the terms of this Agreement. Any claim which any Borrower may have against any other Borrower with respect to any payments to any Agent or any other Secured Creditor hereunder or under any other Credit Documents are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Borrower therefor.

(k) Each Borrower hereby agrees that, after the occurrence and during the continuance of any Default or Event of Default, the payment of any amounts due with respect to any indebtedness owing by any Borrower to any other Borrower is hereby subordinated to the prior payment in full in cash of the Obligations. Each Borrower hereby agrees that after the occurrence and during the continuance of any Default or Event of Default, such Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such Borrower until the Obligations shall have been paid in full in cash. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, subject to any applicable intercreditor agreements then in effect, such amounts shall be collected, enforced and received by such Borrower as trustee for the Agents, and such Borrower shall deliver any such amounts to Administrative Agent for application to the Obligations in accordance with Section 7.4 of the Security Agreement.

(l) Each Borrower hereby agrees that, to the extent any Borrower shall have paid more than its proportionate share of any payment made hereunder, such Borrower shall be entitled to seek and receive contribution from and against any other Borrower hereunder which has not paid its proportionate share of such payment, in an amount not to exceed the highest amount that would be valid and enforceable and not subordinated to the claims of other creditors as determined in any action or proceeding involving any state corporate, limited partnership or limited liability law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally. Each such Borrower's right of contribution shall be subject to the terms and conditions of clauses (j) and (k) of this Section 13.14. The provisions of this clause (l) shall in no respect limit the obligations and liabilities of any Borrower to the Agents and the Lenders, and each Borrower shall remain liable to the Agent and the Lenders for the full amount such Borrower agreed to repay hereunder.

13.15 Confidentiality.

(a) Subject to the provisions of clause (b) of this Section 13.15, each Agent, Lead Arranger and Lender agrees that it will not disclose without the prior written consent, which may take the form of electronic mail, of Lead Borrower (other than to its affiliates and its and their respective directors, officers, employees, auditors, advisors or counsel, or to another Lender if such Lender or such Lender's holding or parent company in its reasonable discretion determines that any such party should have access to such information in connection with the transactions contemplated by this Agreement and such Agent's, Lead Arranger's or Lender's role hereunder or investment in the Term Loans; *provided* such Persons shall be subject to the provisions of this Section 13.15 to the same extent as such Lender (or language substantially similar to this Section 13.15(a)) any non-public information with respect to Lead Borrower or any of its Subsidiaries (other than, for the avoidance of doubt, information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry) which is now or in the future furnished by or on behalf of any Credit Party pursuant to this Agreement or any other Credit Document; *provided* that each Agent, Lead Arranger and Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 13.15(a) by such Agent, Lead Arranger or Lender, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal or supranational regulatory body having or claiming to have jurisdiction over such Agent, Lead Arranger or Lender or to the Federal Reserve Board or other central banking authority or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Agent, Lead Arranger or Lender, (v) in the case of any Lead Arranger or Lender, to the Administrative Agent or the Collateral Agent, (vi) to any prospective or actual direct or indirect contractual counterparty (other than any Disqualified Lender except that the list of Disqualified Lenders may be furnished) in any swap, hedge or similar agreement (or to any such contractual counterparty's professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 13.15 (or language substantially similar to this Section 13.15(a)), (vii) in the case of any Lender, to any prospective or actual transferee, pledgee or participant (other than any Disqualified Lender except that the list of Disqualified Lenders may be furnished) in connection with any contemplated transfer, pledge or participation of any of the Notes or Commitments or any interest therein by such Lender, (viii) has become available to any Agent, Lead Arranger, any Lender, or any of their respective Affiliates on a non-confidential basis from a source other than Holdings, Lead Borrower or any Subsidiary thereof, and which source is not known by such Person to be subject to a confidentiality restriction in respect thereof in favor of Lead Borrower or any Affiliate of Lead Borrower, (ix) for purposes of establishing a "due diligence" defense and (x) that has been independently developed by such Agent, Lead Arranger or Lender without the use of any other confidential information provided by Lead Borrower or on Lead Borrower's behalf; *provided* that such prospective transferee, pledge or participant agrees to be bound by the confidentiality provisions contained in this Section 13.15 (or language substantially similar to this Section 13.15(a)); *provided*, *further*, that, to the extent permitted pursuant to any applicable law, order, regulation or ruling, and other than in connection with credit and other bank examinations conducted in the ordinary course with respect to such Agent, Lead Arranger or Lender, in the case of any disclosure pursuant to the foregoing clauses (ii), (iii) or (iv), such Agent, Lead Arranger or Lender will use its commercially reasonable efforts to notify Lead Borrower in advance of such disclosure so as to afford Lead Borrower the opportunity to protect the confidentiality of the information proposed to be so disclosed.

(b) The Borrowers hereby acknowledge and agree that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to Holdings, Lead Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of Holdings, Lead Borrower and its Subsidiaries); *provided* such Persons shall be subject to the provisions of this Section 13.15 to the same extent as such Lender.

13.16 USA Patriot Act Notice. Each Lender hereby notifies Holdings and the Borrowers that pursuant to the requirements of the USA PATRIOT Act Title III of Pub. 107-56 (signed into law October 26, 2001 and amended on March 9, 2009) (the "Patriot Act"), it is required to obtain, verify, and record information that identifies Holdings, the Borrowers and each Subsidiary Guarantor, which information includes the name of each Credit Party and other information that will allow such Lender to identify the Credit Party in accordance with the Patriot Act, and each Credit Party agrees to provide such information from time to time to any Lender.

13.17 Waiver of Sovereign Immunity. Each of the Credit Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that Holdings, the Borrowers, their respective Subsidiaries or any of their properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Term Loans or any Credit Document or any other liability or obligation of Holdings, any Borrower or any of their respective Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, Holdings and the Borrowers, for themselves and on behalf of their respective Subsidiaries, hereby expressly waive, to the fullest extent permissible under applicable law, any such immunity, and agree not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, Holdings and the Borrowers further agree that the waivers set forth in this Section 13.17 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

13.18 Lead Borrower. Each Borrower hereby designates Lead Borrower as its representative and agent for all purposes under the Credit Documents, including requests for Term Loans, designation of interest rates, delivery or receipt of communications, preparation and delivery of financial reports, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Credit Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent, the Collateral Agent or any Lender. Lead Borrower hereby accepts such appointment. The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any Notice of Borrowing) delivered by Lead Borrower on behalf of any Borrower. The Administrative Agent and the Lenders may give any notice or communication with a Borrower hereunder to Lead Borrower on behalf of such Borrower. Each of the Administrative Agent, the Collateral Agent and the Lenders shall have the right, in its discretion, to deal exclusively with Lead Borrower for any or all purposes under the Credit Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by Lead Borrower shall be binding upon and enforceable against it.

13.19 INTERCREDITOR AGREEMENTS.

(a) EACH LENDER PARTY HERETO UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT, WHICH IN CERTAIN CIRCUMSTANCES MAY REQUIRE (AS MORE FULLY PROVIDED THEREIN) THE TAKING OF CERTAIN ACTIONS BY THE LENDERS, INCLUDING THE PURCHASE AND SALE OF PARTICIPATIONS BY VARIOUS LENDERS TO EACH OTHER IN ACCORDANCE WITH THE TERMS THEREOF.

(b) THE PROVISIONS OF THIS SECTION 13.19 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE

FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT OR ANY OF AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT. COPIES OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM THE ADMINISTRATIVE AGENT.

(c) EACH OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT IS AN AGREEMENT SOLELY AMONGST THE LENDERS (AND THEIR SUCCESSORS AND ASSIGNS) AND IS NOT AN AGREEMENT TO WHICH HOLDINGS OR ANY OF ITS SUBSIDIARIES IS PARTY. AS MORE FULLY PROVIDED THEREIN, THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO IN ACCORDANCE WITH THE PROVISIONS THEREOF.

13.20 Absence of Fiduciary Relationship. Notwithstanding any other provision of this Agreement or any provision of any other Credit Document, (i) none of the Lead Arrangers, **the Amendment No. 1 Lead Arranger,** any Lender or any of their respective Affiliates shall, solely by reason of this Agreement or any other Credit Document, have any fiduciary, advisory or agency relationship or duty in respect of any Lender or any other Person and (ii) Holdings and the Borrowers hereby waive, to the fullest extent permitted by law, any claims they may have against the Lead Arrangers, **the Amendment No. 1 Lead Arranger** any Lender or any of their respective Affiliates for breach of fiduciary duty or alleged breach of fiduciary duty by reason of this Agreement, any other Credit Document or the transactions contemplated hereby or thereby. Each Agent, Lender and their Affiliates may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates.

13.21 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other Notice of Borrowings, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

13.22 Entire Agreement. This Agreement and the other Credit Documents represent the final agreement among the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

13.23 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

**Re: Revisions to Employment Terms**

Dear Vincent:

This letter (hereinafter, the "Amendment") amends your offer letter dated September 30, 2014 (hereinafter, the "Offer Letter").

The following paragraph is added immediately following the second-to-last paragraph of the Offer Letter (which describes your employment with the Company as "at will"):

- Severance: In the event your employment is terminated by the Company without Cause, as defined below, or if you terminate your employment with the Company for Good Reason, also as defined below, in each case, subject to your execution (and, if applicable, non-revocation) of an agreement releasing all claims against the Company containing standard terms acceptable to the Company, the Company will pay your base salary (as of the date of termination) and pay the premium required for you to continue group health insurance coverage under the Company's plans pursuant to COBRA (at the coverage level selected by you as of the open enrollment period immediately preceding your last day of employment with the Company), each for the 12-month period immediately following your last day of employment with the Company.

    - "Good Reason" means a change in authority, duties, responsibilities, reporting lines, or other action by the Company resulting in a material diminution of, or material alteration to, your position, which remains unremedied for the period of 30 consecutive days after you provide written notice to the Company's Chief Executive Officer of the conditions you contend amount or give rise to Good Reason. The Company requests, as a matter of professional courtesy, that you provide three months' advance notice of any voluntary resignation of employment.

    - "Cause" means: (1) your being charged with a felony or misdemeanor criminal offense, other than a misdemeanor traffic offense; (2) your engagement in any act involving gross misconduct or dishonesty that is materially injurious to Company or any of its affiliates; (3) your willful and continued breach of, or failure substantially to perform under or comply with, any of the material terms and covenants of any written agreement with the Company or any of its affiliates; (4) your willful and continued breach of, or refusal or failure substantially to perform under, any policy or reasonable performance goals set by the Company or its affiliates with respect to your job duties or responsibilities, the operation of Company's or its affiliates' business and affairs, or the management of Company's or its affiliates' employees; or (5) you commit or have committed (or are reasonably believed by the Company to have committed) a breach of any laws or regulations which may affect or relate to the conduct of the Company's or its affiliates' business; provided, however, that with respect to (3) and (4) above, you will be provided notice of any misconduct and/or breach constituting Cause and given reasonable opportunity (not to exceed 30 consecutive days) to cure the misconduct and/or breach (unless such misconduct and/or breach is determined by the Company not to be susceptible to cure, in which case termination shall be deemed to be immediate), and provided further that such thirty (30) consecutive day cure period shall only be available for the first such misconduct and/or breach of the same or substantially similar type and subsequent misconduct and/or breach of the same or substantially similar type shall constitute Cause without regard to your subsequent cure of same.

This Amendment supersedes any prior understanding, written or oral, between you and the Company respecting the subject matter contained herein. To the extent the provisions of this Amendment may conflict with your Offer Letter, the provisions of this Amendment shall control.

# ATS
# Leadership Bonus Plan

Effective January 1, 2017

**PURPOSE**

The Leadership Incentive Plan (the "Plan") is an annual incentive plan intended to motivate and reward those employees in eligible leadership positions ("Participants") with an annual incentive opportunity geared toward the achievement of goals within their business units of ATS Consolidated, Inc. (the "Company" or "ATS"). Bonuses under this plan are based on various weighted combination of two criteria: 1) individual contributions and results, and 2) Company performance and metrics. Incentive bonuses are calculated as a percent of a Participant's base salary actually paid during the Plan year (the "Target"). **See Exhibit 1**.

**ELIGIBILITY**

To be eligible to participate in the Plan, an employee must be an active, full-time, salaried employee of the Company, who is classified into an eligible management job title in the Human Resources Information System (HRIS). Participation in the Plan is automatic as of the date the eligible candidates are promoted, newly hired or transferred into an eligible job. Typically, those employees in a leadership job at a Management Level 3 and above will participate in the program. There are some specially approved exceptions to this. All exceptions must be approved by the Company President, in his sole discretion.

In order to receive an Incentive Bonus payment for a Plan Year, a Participant must be employed by the Company on the date the Company pays the Incentive Bonus for the Plan Year (the "Payment Date"). The Company may, in its sole and absolute discretion, pay all or a pro rata portion of an Incentive Bonus to a Participant who was terminated by the Company without cause after the end of the Plan Year but before the Payment Date. Participants who voluntarily terminate their employment or who are terminated by the Company for cause prior to the Payment Date shall not be entitled to any Incentive Bonus amount under the Plan, including any pro-rated amount.

If a Participant transfers out of an Incentive Bonus eligible position during the Plan Year, his/her participation in the plan will stop as of that date and the Participant will be paid for a pro rata portion of any applicable Incentive Bonus, provided he/she is remains an Employee on the Payment Date and the other conditions for receiving an Incentive Bonus are met.

Neither the establishment of the Plan, nor the provision for or payment of any amounts hereunder, nor any action of the Company shall be held or construed to confer upon any Participant or other person or entity any legal right to receive, or possess any interest in, an Incentive Bonus, or any legal right to be continued in the employ of the Company for any particular period of time. Participation in the Plan does not change the "at will" nature of a Participant's employment with the Company.

**PLAN GUIDELINES**

- The Plan Year is January 1 – December 31.
- During the first quarter of any Plan year, the Company will communicate financial targets and individual Target amounts. Participants will be notified of their participation and their Target Incentive Bonus shortly thereafter.
- No payments will be made to Participants unless the Company, or the applicable business unit, meets at least 80% of its Financial Goal for the Plan Year (which is the EBIT amount as set by the Chief Financial Officer and as approved by the President). See Exhibit 2. A Participant is not eligible to receive, pending approval, any Incentive Bonus based on individual performance (Goals and Controls) unless the Participant's manager determines that the Participant successfully completed his/her Goals and Controls for the year and adhered to the Company's values.
- All individual Incentive Bonuses must be approved by the President prior to payment.

- Payment of Commissions under the Plan may not be deferred by the Participant or the Company and must be paid in accordance with the terms of the Plan.

- Subject to all other requirements of this Plan, the Payment Date shall be within 60 days after the Company's books are closed for the fiscal year.

- All Incentive Bonuses will be calculated based on actual paid base wages during the Plan Year.

- All Incentive payments are subject to appropriate federal, state and local withholding and any other deductions required by applicable law. Incentive payments will be taxed as supplemental wages, which is different than the withholding tax on regular wages.

- Unless otherwise specified, Participants will have their regular 401(k) deduction withheld from their Incentive payment according to each Participant's 401(k) election as in effect on the payment date, subject to the applicable annual maximum contribution limit. If a Participant wishes to change the amount withheld from any incentive payment for contribution to the Participant's 401(k) account from the Participant's then-current 401(k) election, it is the Participant's responsibility to timely designate how much, if any, additional (or reduced) 401(k) contribution should be withheld from any incentive payment.

- No Participant, or any other party, claiming an interest in amounts earned under the Plan shall have any interest whatsoever in any specific asset of the Company.

- The Company shall have the absolute and discretionary right to adjust the Financial Goal during a Plan Year if it determines that external changes or other business conditions require changes to be made. Any such adjustment shall apply to all Plan Participants.

- In the event of a merger, consolidation, plan of exchange, acquisition of property or stock, split-up, spin-off, reorganization or liquidation, any sale, lease, exchange or other transfer (in one transaction or a series of transactions) of all, or substantially all, the assets of the Company, the Company will select, prior to the consummation of the Transaction, one of the following alternatives: this Plan: a) shall remain in effect in accordance with its terms; b) shall remain in effect in accordance with its terms but shall be assumed by the surviving corporation; or c) will have any future accruals terminate as of the consummation of the Transaction and all Bonuses shall be pro-rated based upon the number of days that have elapsed in the Plan Year, and paid within 2.5 months after completion of the applicable Plan Year.

- In the event any provision of the plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not be included.

- The Company may, from time to time; amend, suspend, or terminate in whole or in part, and if suspended or terminated, may reinstate, any or all of the provisions of the Plan. The Company also has the sole and absolute discretion to determine the standard or formula pursuant to which each Participant's Bonus shall be calculated, whether all or any portion of the Bonus so calculated will be paid, and the specific amount [if any] to be paid to each Participant. The Company reserves the sole and absolute right to interpret the Plan.

- Any exceptions to this Plan document must be approved in writing by both the CEO/President and the Chief People Officer prior to communication to any Participant.

- All questions pertaining to the construction, regulation, validity, and effect of the provisions of the Plan shall be determined in accordance with the laws of the State of Arizona. This Agreement will be construed in accord with, and any dispute or controversy arising from any breach or asserted breach of this Agreement will be governed by, the laws of the State of Arizona without reference to principles of conflicts of law thereof. In the event of any proceeding to enforce any provision of this Agreement, the prevailing party shall recover its attorneys' fees, expenses, and costs of investigation.

- Code Section 409A. The benefits provided under this Plan shall be paid in such a manner to satisfy the short-term deferral exception to the application of Code Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"). To the extent that those benefits become subject to Section 409A of the Code, the terms of this Plan shall be construed and administered in a manner calculated to meet the requirements of Section 409A, or an exception thereto, and all applicable guidance, rulings and regulations. To the extent a provision of the Plan is contrary to or fails to address the minimum requirements of Section 409A of the Code and all applicable guidance, rulings and regulations, the Company may, in its sole discretion take such steps as it deems reasonable to provide the coverage or benefits provided under the Plan so as to comply with Section 409A of the Code and all applicable guidance rulings and regulations; provided, however, that any and all tax liability and penalties resulting from non-compliance with Section 409A of the Code shall remain the employee's sole responsibility. Nothing in this Agreement shall be construed as a guarantee of any particular tax treatment to Employee. Employee shall be solely responsible for the tax consequences with respect to all amounts payable under this Agreement, and in no event shall the Company have any responsibility or liability if this Agreement does not meet any applicable requirements of Section 409A.

This Plan supersedes any other incentive, bonus, or sales plan that may have previously been applicable to the Participant. The Company reserves the right to discontinue, amend, alter, or modify this Plan at any time, as it may deem necessary or appropriate, in its discretion. The Company will administer this Plan in accordance with all federal, state, and local laws. Nothing in this Plan is a guarantee of continued employment. All employment with the Company is terminable at any time by either party, with or without cause, and can be changed only by a legally binding, written agreement signed by an authorized representative of the Company. An example would be an employment contract for a specific period of time.

# Verra Mobility
# Annual Incentive Bonus Plan

Effective August 13, 2018, for Plan year January 1, 2018 through December 31, 2018

## PURPOSE

The Verra Mobility Corporation Annual Incentive Bonus Plan (the "Plan") is an annual incentive compensation plan intended to motivate and reward selected employees in leadership or key positions with an annual incentive opportunity to achieve certain performance goals of Verra Mobility Corporation (the "Company" or "Verra Mobility"). The Plan replaces and supersedes, in all respects, the ATS 2018 Annual Incentive Bonus Plan.

## ELIGIBILITY

### Eligibility to Participate

**General.** An employee is eligible to participate in the Plan if he or she (i) is employed by the Company or a Verra Mobility direct or indirect subsidiary and, in each case, is not covered by a Collective Bargaining Agreement; (ii) is classified by the Company as an exempt employee for Federal Labor Standards Act purposes, (iii) does not participate in a different Verra Mobility incentive or commission plan and (iv) is approved as a participant by the Company's Chief People Officer ("CPO") and Chief Executive Officer ("CEO") for participation in the Plan for the applicable Plan Year (as applicable, a "Participant").

**Part Year Participation**. If an employee becomes eligible to participate in the Plan during the Plan Year due to promotion or otherwise (as opposed to the beginning of the Plan Year), such Participant may be entitled to a pro rata portion of any annual incentive bonus opportunity based on the period of time after he or she began participating in the Plan. If during the Plan Year a Participant becomes ineligible to participate in the Plan, the employee may be eligible to receive a pro rata payment of any annual incentive bonus opportunity based on the period of time before he or she became ineligible to participate in the Plan, provided that the employee remains employed by the Company or its director or indirect subsidiaries on the Payment Date (as defined below) and the other required criteria to receive an annual incentive bonus are met.

**Eligibility to Receive Payment** -- To be eligible to receive any payment under the Plan, a Participant must be employed by the Company on both the last day of the Plan Year and the date on which the Company actually pays incentive bonuses under the Plan for the prior Plan Year (the "Payment Date"). However, if the Company terminates a Participant's employment without cause (as determined by the Company in its sole discretion) after the end of the relevant Plan Year but before the Payment Date, the Company may, in its sole discretion, pay all or a pro rata portion of the Participant's annual incentive bonus for that relevant Plan Year. Any termination of employment before the Payment Date disqualifies the Participant from receiving any payment under this Plan (with the exception discussed in the prior sentence).

## ANNUAL INCENTIVE BONUS CRITERIA

**General** -- A Participant's annual incentive bonus opportunity will be based on the following components:

- 50% will be based on the achievement against the Company-wide Adjusted EBITDA target (the "Corporate EBITDA" component); and
- 50% will be based on individual performance.

Subject to the Bonus Pool Cap described below, the Corporate EBITDA component of a Participant's annual incentive bonus may be calculated up to 150% (based on actual performance against target, as shown in Exhibit 1), and the individual performance/goal component may be calculated up to 150%. In no event may a Participant receive more than 150% of his or her total annual Target Bonus.

**Determination of Corporate EBITDA Criteria** – During the first quarter of the Plan Year, or as reasonably practical thereafter (or after any amendment to the Plan), the Corporate EBITDA target will be determined by the Company's Chief Financial Officer and approved by the CEO and communicated to Participants.

**EBITDA Performance Threshold** – No payments under the Plan will be made unless the actual level of Corporate EBITDA performance for the Plan Year equals or exceeds 85% of the Corporate EBITDA target for such Plan Year (the "EBITDA Threshold"). **See Exhibit 1**. If the EBITDA Threshold is not met, no amounts will be paid to any Participant under this Plan.

**Determination of Individual Performance/Goals** -- A non-ELT Member's individual performance shall be initially determined by the Participant's supervisor, and is subject to the CEO's approval and discretion. With respect to ELT members, the Participant's individual performance shall be determined by the CEO in his or her discretion, except with respect to the CEO. The CEO's individual performance shall be determined by the Company's board of directors (or its authorized designee) in their discretion.

## PAYMENTS UNDER THE PLAN

**Participant's Target Annual Incentive Bonus Opportunity** -- A Participant's annual incentive bonus opportunity is determined based on a percentage of his or her annual base salary paid during the Plan Year ("Target Bonus"), which Target Bonus will be communicated to each Participant during the first quarter of a Plan Year (or, for new hires or transfers into eligible positions during the year, at or around the time of such eligibility) or after any amendment to the Plan. Notwithstanding the above, in the event of a Corporate Event (as discussed below), the Company may, in its discretion, decide to use a Participant's annualized base salary to calculate payments under this Plan.

**Final Approval of Incentive Bonuses** -- All amounts paid to Participants under the Plan must be approved by the CEO prior to payment, except that the CEO's annual incentive bonus shall be approved by the Company's board of directors (or its authorized designee).

**Bonus Pool Cap** -- The total amount of the Bonus Pool payable to all Participants shall be calculated by multiplying the payout percentage of the Corporate EBITDA Target Attainment (as shown in **Exhibit 1**) by the aggregate amount of all Participants' Target Bonuses. For example, if the aggregate amount of the Target Bonuses for all Participants equals $1M, and if the Company obtains 95% of its Adjusted EBITDA target (which corresponds to an 83.33% payout of the Corporate EBITDA component), the total Bonus Pool may not exceed $833,333.00. In no event may the aggregate Bonuses paid under the Plan exceed the total amount of the Bonus Pool.

**Payment Date** -- Subject to all other requirements of this Plan, the Payment Date shall be after the Company's books are closed for the fiscal year, but no later than March 15 of the year following the year for which the incentive bonus was earned.

**Tax Withholding** -- All payments made under the Plan are subject to appropriate federal, state and local withholding and any other deductions required by applicable law. Payments will generally be taxed as supplemental wages, rather than at the wage withholding rate on regular wages.

**401(k) Deferrals on Payments** -- Unless otherwise specified in the Company 401(k) plan, Participants will have their regular 401(k) deduction withheld from amounts paid under the Plan according to each Participant's 401(k) election as in effect on the Payment Date, subject to the applicable annual maximum contribution limit and other applicable terms of the 401(k) plan. If a Participant wishes to change the amount withheld from any payment under the Plan to the Participant's 401(k) account from the Participant's then-current 401(k) election, it is the Participant's responsibility to timely designate how much, if any, additional (or reduced) 401(k) contribution should be withheld from any incentive payment.

## OTHER IMPORTANT INFORMATION ABOUT THE PLAN

**Plan Year** -- The Plan Year begins January 1 and ends the following December 31 of each calendar year.

**Adjusting Performance Criteria** -- The Company shall have the absolute and discretionary right to adjust the annual incentive bonus criteria, or to exclude items from the calculation of any achieved targets, during a Plan Year if it determines that external changes or other business conditions require changes to be made. Any such adjustment shall apply to all Plan Participants.

**Corporate Event** -- In the event of a merger, consolidation, plan of exchange, acquisition of property or stock, split-up, spin-off, reorganization or liquidation, any sale, lease, exchange or other transfer (in one transaction or a series of transactions) of all, or substantially all, the assets of the Company, the Company will select, prior to the consummation of the transaction, one of the following alternatives: this Plan: (a) shall remain in effect in accordance with its terms; (b) shall remain in effect in accordance with its terms, but shall be assumed by the surviving corporation; (c) will terminate, along with any future accruals, as of the consummation of the transaction and all payments under this Plan shall be pro-rated based upon the number of days that have elapsed in the Plan Year up to the date of the Corporate Event, calculated based on the attainment of performance criteria as of the transaction date, and paid within 30 days after the closing of the transaction or (d) will terminate, and all payments will be made to Plan Participants based on each Participant's annualized base salary (i.e., not on a pro rata basis, but rather a full year basis), calculated based on the attainment of performance criteria as of the transaction date, and paid within 30 days after the closing of the transaction.

**Severability** -- In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not be included.

**Amendment/Termination** -- The Company may, from time to time, amend, suspend, or terminate in whole or in part, and if suspended or terminated, may reinstate, any or all of the provisions of the Plan. The Company also has the sole and absolute discretion to determine the standard or formula pursuant to which the performance criteria and each Participant's annual incentive bonus shall be calculated, whether all or any portion of the bonus so calculated will be paid, and the specific amount, if any, to be paid to each Participant. The Company reserves the sole and absolute right to interpret the Plan. Any exceptions to this Plan document must be approved in writing by both the CEO and the CPO prior to communication to any Participant.

**No Continued Right to Employment** -- Neither the establishment of the Plan, nor the provision for or payment of any amounts hereunder, nor any action of the Company shall be held or construed to confer upon any Participant or other person or entity any legal right to receive, or possess any interest in, an incentive bonus payment, or any legal right to be continued in the employ of the Company for any particular period of time. Participation in the Plan does not change the "at will" nature of a Participant's employment with the Company.

**Applicable Law** -- All questions pertaining to the construction, regulation, validity, and effect of the provisions of the Plan shall be determined in accordance with the laws of the State of Arizona. This Agreement will be construed in accordance with, and any dispute or controversy arising from any breach or asserted breach of this Agreement will be governed by, the laws of the State of Arizona without reference to principles of conflicts of law thereof. In the event of any proceeding to enforce any provision of this Agreement, the prevailing party shall recover its attorneys' fees, expenses, and costs of investigation.

**Code Section 409A** -- The benefits provided under this Plan shall be paid in such a manner to satisfy the short-term deferral exception to the application of Code Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"). To the extent that those benefits become subject to Section 409A of the Code, the terms of this Plan shall be construed and administered in a manner calculated to meet the requirements of Section 409A, or an exception thereto, and all applicable guidance, rulings and regulations. To the extent a provision of the Plan is contrary to or fails to address the minimum requirements of Section 409A of the Code and all applicable guidance, rulings and regulations, the Company may, in its sole discretion take such steps as it deems reasonable to provide the coverage or benefits provided under the Plan so as to comply with Section 409A of the Code and all applicable guidance rulings and regulations; provided, however, that any and all tax liability and penalties resulting from non-compliance with Section 409A of the Code shall remain the employee's sole responsibility. Nothing in this Agreement shall be construed as a guarantee of any particular tax treatment to Employee. Employee shall be solely responsible for the tax consequences with respect to all amounts payable under this Agreement, and in no event shall the Company have any responsibility or liability if this Agreement does not meet any applicable requirements of Section 409A.

1. **ESTABLISHMENT, PURPOSE AND TERM OF PLAN.**

1.1 **Establishment.** The Verra Mobility Corporation 2018 Equity Incentive Plan (the "***Plan***") is hereby established effective as of [____], 2018, the date of its approval by the stockholders of the Company (the "***Effective Date***").

1.2 **Purpose.** The purpose of the Plan is to advance the interests of the Participating Company Group and its stockholders by providing an incentive to attract, retain and reward persons performing services for the Participating Company Group and by motivating such persons to contribute to the growth and profitability of the Participating Company Group. The Plan seeks to achieve this purpose by providing for Awards in the form of Options, Stock Appreciation Rights, Restricted Stock Awards, Restricted Stock Units, Performance Shares, Performance Units, Cash-Based Awards and Other Stock-Based Awards.

For purposes of the preceding sentence, indirect beneficial ownership shall include, without limitation, an interest resulting from ownership of the voting securities of one or more corporations or other business entities which own the Company or the Transferee, as the case may be, either directly or through one or more subsidiary corporations or other business entities. The Committee shall determine whether multiple events described in subsections (i), (ii) and (iii) of this Section 2.1(h) are related and to be treated in the aggregate as a single Change in Control, and its determination shall be final, binding and conclusive.

The Company shall determine in good faith and in the exercise of its discretion whether an individual has become or has ceased to be an Employee and the effective date of such individual's employment or termination of employment, as the case may be. For purposes of an individual's rights, if any, under the terms of the Plan as of the time of the Company's determination of whether or not the individual is an Employee, all such determinations by the Company shall be final, binding and conclusive as to such rights, if any, notwithstanding that the Company or any court of law or governmental agency subsequently makes a contrary determination as to such individual's status as an Employee.

(xx) "***Service***" means a Participant's employment or service with the Participating Company Group, whether as an Employee, a Director or a Consultant. Furthermore, a Participant's Service shall not be deemed to have been interrupted or terminated if the Participant takes any military leave, sick leave, or other bona fide leave of absence approved by the Company. However, unless otherwise provided by the Committee, if any such leave taken by a Participant exceeds ninety (90) days, then on the ninety-first (91st) day following the commencement of such leave the Participant's Service shall be deemed to have terminated, unless the Participant's right to return to Service is guaranteed by statute or contract. Notwithstanding the foregoing, unless otherwise designated by the Company or required by law, an unpaid leave of absence shall not be treated as Service for purposes of determining vesting under the Participant's Award Agreement. A Participant's Service shall be deemed to have terminated either upon an actual termination of Service or upon the business entity for which the Participant performs Service ceasing to be a Participating Company. Subject to the foregoing, the Company, in its discretion, shall determine whether the Participant's Service has terminated and the effective date of and reason for such termination.

(ccc) "***Trading Compliance Policy***" means the written policy of the Company pertaining to the purchase, sale, transfer or other disposition of the Company's equity securities by Directors, Officers, Employees or other service providers who may possess material, nonpublic information regarding the Company or its securities.

2.2 **Construction.** Captions and titles contained herein are for convenience only and shall not affect the meaning or interpretation of any provision of the Plan. Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. Use of the term "or" is not intended to be exclusive, unless the context clearly requires otherwise.

3. **ADMINISTRATION.**

3.1 **Administration by the Committee.** The Plan shall be administered by the Committee. All questions of interpretation of the Plan, of any Award Agreement or of any other form of agreement or other document employed by the Company in the administration of the Plan or of any Award shall be determined by the Committee, and such determinations shall be final, binding and conclusive upon all persons having an interest in the Plan or such Award, unless fraudulent or made in bad faith. Any and all actions, decisions and determinations taken or made by the Committee in the exercise of its discretion pursuant to the Plan or Award Agreement or other agreement thereunder (other than determining questions of interpretation pursuant to the preceding sentence) shall be final, binding and conclusive upon all persons having an interest therein. All expenses incurred in connection with the administration of the Plan shall be paid by the Company.

3.2 **Authority of Officers.** Any Officer shall have the authority to act on behalf of the Company with respect to any matter, right, obligation, determination or election that is the responsibility of or that is allocated to the Company herein, provided that the Officer has apparent authority with respect to such matter, right, obligation, determination or election.

3.3 **Administration with Respect to Insiders.** With respect to participation by Insiders in the Plan, at any time that any class of equity security of the Company is registered pursuant to Section 12 of the Exchange Act, the Plan shall be administered in compliance with the requirements, if any, of Rule 16b-3.

3.4 **Powers of the Committee.** In addition to any other powers set forth in the Plan and subject to the provisions of the Plan, the Committee shall have the full and final power and authority, in its discretion:

(a) to determine the persons to whom, and the time or times at which, Awards shall be granted and the number of shares of Stock, units or monetary value to be subject to each Award;

(b) to determine the type of Award granted;

(c) to determine the Fair Market Value of shares of Stock or other property;

(d) to determine the terms, conditions and restrictions applicable to each Award (which need not be identical) and any shares acquired pursuant thereto, including, without limitation, (i) the exercise or purchase price of shares pursuant to any Award, (ii) the method of payment for shares purchased pursuant to any Award, (iii) the method for satisfaction of any tax withholding obligation arising in connection with any Award, including by the withholding or delivery of shares of Stock, (iv) the timing, terms and conditions of the exercisability or vesting of any Award or any shares acquired pursuant thereto, (v) the Performance Measures, Performance Period, Performance Award Formula and Performance Goals applicable to any Award and the extent to which such Performance Goals have been attained, (vi) the time of expiration of any Award, (vii) the effect of any Participant's termination of Service on any of the foregoing, and (viii) all other terms, conditions and restrictions applicable to any Award or shares acquired pursuant thereto not inconsistent with the terms of the Plan;

(e) to determine whether an Award will be settled in shares of Stock, cash, other property or in any combination thereof;

(f) to approve one or more forms of Award Agreement;

(g) to amend, modify, extend, cancel or renew any Award or to waive any restrictions or conditions applicable to any Award or any shares acquired pursuant thereto;

(h) to accelerate, continue, extend or defer the exercisability or vesting of any Award or any shares acquired pursuant thereto, including with respect to the period following a Participant's termination of Service;

(i) to prescribe, amend or rescind rules, guidelines and policies relating to the Plan, or to adopt sub-plans or supplements to, or alternative versions of, the Plan, including, without limitation, as the Committee deems necessary or desirable to comply with the laws of, or to accommodate the tax policy, accounting principles or custom of, foreign jurisdictions whose residents may be granted Awards; and

(j) to correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award Agreement and to make all other determinations and take such other actions with respect to the Plan or any Award as the Committee may deem advisable to the extent not inconsistent with the provisions of the Plan or applicable law.

3.5 **Option or SAR Repricing.** Without the affirmative vote of holders of a majority of the shares of Stock cast in person or by proxy at a meeting of the stockholders of the

Company at which a quorum representing a majority of all outstanding shares of Stock is present or represented by proxy, the Committee shall not approve a program providing for either (a) the cancellation of outstanding Options or SARs having exercise prices per share greater than the then Fair Market Value of a share of Stock ("***Underwater Awards***") and the grant in substitution therefor of new Options or SARs having a lower exercise price, Full Value Awards or payments in cash, or (b) the amendment of outstanding Underwater Awards to reduce the exercise price thereof. This Section shall not be construed to apply to (i) "issuing or assuming a stock option in a transaction to which Section 424(a) applies," within the meaning of Section 424 of the Code, (ii) adjustments pursuant to the assumption of or substitution for an Option or SAR in a manner that would comply with Section 409A, or (iii) an adjustment pursuant to Section 4.

3.6 **Indemnification.** In addition to such other rights of indemnification as they may have as members of the Board or the Committee or as officers or employees of the Participating Company Group, to the extent permitted by applicable law, members of the Board or the Committee and any officers or employees of the Participating Company Group to whom authority to act for the Board, the Committee or the Company is delegated shall be indemnified by the Company against all reasonable expenses, including attorneys' fees, actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan, or any right granted hereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such person is liable for gross negligence, bad faith or intentional misconduct in duties; provided, however, that within sixty (60) days after the institution of such action, suit or proceeding, such person shall offer to the Company, in writing, the opportunity at its own expense to handle and defend the same.

4. **SHARES SUBJECT TO PLAN.**

4.1 **Maximum Number of Shares Issuable.** Subject to adjustment as provided in Sections 4.2 and 4.3, the maximum aggregate number of shares of Stock that may be issued under the Plan shall be equal to 10,864,000 shares, and such shares shall consist of authorized but unissued or reacquired shares of Stock or any combination thereof.

4.2 **Share Counting.** If an outstanding Award for any reason expires or is terminated or canceled without having been exercised or settled in full, or if shares of Stock acquired pursuant to an Award subject to forfeiture or repurchase are forfeited or repurchased by the Company for an amount not greater than the Participant's purchase price, the shares of Stock allocable to the terminated portion of such Award or such forfeited or repurchased shares of Stock shall again be available for issuance under the Plan. Shares of Stock shall not be deemed to have been issued pursuant to the Plan with respect to any portion of an Award that is settled in cash. Upon payment in shares of Stock pursuant to the exercise of an SAR, the number of shares available for issuance under the Plan shall be reduced by the gross number of shares for which the SAR is exercised. If the exercise price of an Option is paid by tender to the Company, or attestation to the ownership, of shares of Stock owned by the Participant, or by means of a Net Exercise, the number of shares available for issuance under the Plan shall be reduced by the

gross number of shares for which the Option is exercised. Shares purchased in the open market with proceeds from the exercise of Options shall not be added to the limit set forth in Section 4.1. Shares withheld or reacquired by the Company in satisfaction of tax withholding obligations pursuant to the exercise or settlement of Options or SARs pursuant to Section 16.2 shall not again be available for issuance under the Plan. Shares withheld or reacquired by the Company in satisfaction of tax withholding obligations pursuant to the vesting or settlement of Full Value Awards pursuant to Section 16.2 shall again become available for issuance under the Plan.

4.3 **Adjustments for Changes in Capital Structure.** Subject to any required action by the stockholders of the Company and the requirements of Sections 409A and 424 of the Code to the extent applicable, in the event of any change in the Stock effected without receipt of consideration by the Company, whether through merger, consolidation, reorganization, reincorporation, recapitalization, reclassification, stock dividend, stock split, reverse stock split, split-up, split-off, spin-off, combination of shares, exchange of shares, or similar change in the capital structure of the Company, or in the event of payment of a dividend or distribution to the stockholders of the Company in a form other than Stock (excepting regular, periodic cash dividends) that has a material effect on the Fair Market Value of shares of Stock, appropriate and proportionate adjustments shall be made in the number and kind of shares subject to the Plan and to any outstanding Awards, the Annual Increase, the Award limits set forth in Section 5.3 and Section 5.4, and in the exercise or purchase price per share under any outstanding Award in order to prevent dilution or enlargement of Participants' rights under the Plan. For purposes of the foregoing, conversion of any convertible securities of the Company shall not be treated as "effected without receipt of consideration by the Company." If a majority of the shares which are of the same class as the shares that are subject to outstanding Awards are exchanged for, converted into, or otherwise become (whether or not pursuant to an Ownership Change Event) shares of another corporation (the "***New Shares***"), the Committee may unilaterally amend the outstanding Awards to provide that such Awards are for New Shares. In the event of any such amendment, the number of shares subject to, and the exercise or purchase price per share of, the outstanding Awards shall be adjusted in a fair and equitable manner as determined by the Committee, in its discretion. Any fractional share resulting from an adjustment pursuant to this Section shall be rounded down to the nearest whole number and the exercise or purchase price per share shall be rounded up to the nearest whole cent. In no event may the exercise or purchase price, if any, under any Award be decreased to an amount less than the par value, if any, of the stock subject to such Award. The Committee in its discretion, may also make such adjustments in the terms of any Award to reflect, or related to, such changes in the capital structure of the Company or distributions as it deems appropriate, including modification of Performance Goals, Performance Award Formulas and Performance Periods. The adjustments determined by the Committee pursuant to this Section shall be final, binding and conclusive.

4.4 **Assumption or Substitution of Awards.** The Committee may, without affecting the number of shares of Stock reserved or available hereunder, authorize the issuance or assumption of benefits under this Plan in connection with any merger, consolidation, acquisition of property or stock, or reorganization upon such terms and conditions as it may deem appropriate, subject to compliance with Section 409A and any other applicable provisions of the Code. In addition, subject to compliance with applicable laws, and listing requirements, shares available for grant under a stockholder approved plan of an acquired company (as appropriately adjusted to reflect the transaction) may be used for awards under the Plan to

individuals who were not Employees or Directors of the Participating Company Group prior to the transaction and shall not reduce the number of shares otherwise available for issuance under the Plan.

5. **ELIGIBILITY, PARTICIPATION AND AWARD LIMITATIONS.**

5.1 **Persons Eligible for Awards.** Awards may be granted only to Employees, Consultants and Directors.

5.2 **Participation in the Plan.** Awards are granted solely at the discretion of the Committee. Eligible persons may be granted more than one Award. However, eligibility in accordance with this Section shall not entitle any person to be granted an Award, or, having been granted an Award, to be granted an additional Award.

5.3 **Incentive Stock Option Limitations.**

(a) ***Maximum Number of Shares Issuable Pursuant to Incentive Stock Options.*** Subject to adjustment as provided in Section 4.3, the maximum aggregate number of shares of Stock that may be issued under the Plan pursuant to the exercise of Incentive Stock Options shall not exceed 10,864,000 shares. The maximum aggregate number of shares of Stock that may be issued under the Plan pursuant to all Awards other than Incentive Stock Options shall be the number of shares determined in accordance with Section 4.1, subject to adjustment as provided in Sections 4.2 and 4.3.

(b) ***Persons Eligible.*** An Incentive Stock Option may be granted only to a person who, on the effective date of grant, is an Employee of the Company, a Parent Corporation or a Subsidiary Corporation (each being an "***ISO-Qualifying Corporation***"). Any person who is not an Employee of an ISO-Qualifying Corporation on the effective date of the grant of an Option to such person may be granted only a Nonstatutory Stock Option.

(c) ***Fair Market Value Limitation.*** To the extent that options designated as Incentive Stock Options (granted under all stock plans of the Participating Company Group, including the Plan) become exercisable by a Participant for the first time during any calendar year for stock having a Fair Market Value greater than One Hundred Thousand Dollars ($100,000), the portion of such options which exceeds such amount shall be treated as Nonstatutory Stock Options. For purposes of this Section, options designated as Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of stock shall be determined as of the time the option with respect to such stock is granted. If the Code is amended to provide for a limitation different from that set forth in this Section, such different limitation shall be deemed incorporated herein effective as of the date and with respect to such Options as required or permitted by such amendment to the Code. If an Option is treated as an Incentive Stock Option in part and as a Nonstatutory Stock Option in part by reason of the limitation set forth in this Section, the Participant may designate which portion of such Option the Participant is exercising. In the absence of such designation, the Participant shall be deemed to have exercised the Incentive Stock Option portion of the Option first. Upon exercise of the Option, shares issued pursuant to each such portion shall be separately identified.

5.4 **Nonemployee Director Award Limit.** Annual compensation awarded to any Nonemployee Director during each fiscal year, including both shares of Stock subject to Awards and any cash fees paid to such Nonemployee Director (but excluding expense reimbursements), may not exceed $750,000 in total value (calculating the value of any such Awards based on the grant date fair value of such Awards for financial reporting purposes).

6. **STOCK OPTIONS.**

Options shall be evidenced by Award Agreements specifying the number of shares of Stock covered thereby, in such form as the Committee shall establish. Such Award Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

6.1 **Exercise Price.** The exercise price for each Option shall be established in the discretion of the Committee; provided, however, that (a) the exercise price per share shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the Option and (b) no Incentive Stock Option granted to a Ten Percent Owner shall have an exercise price per share less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the effective date of grant of the Option. Notwithstanding the foregoing, an Option (whether an Incentive Stock Option or a Nonstatutory Stock Option) may be granted with an exercise price less than the minimum exercise price set forth above if such Option is granted pursuant to an assumption or substitution for another option in a manner that would qualify under the provisions of Section 409A or Section 424(a) of the Code.

6.2 **Exercisability and Term of Options.** Options shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions as shall be determined by the Committee and set forth in the Award Agreement evidencing such Option; provided, however, that (a) no Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option, (b) no Incentive Stock Option granted to a Ten Percent Owner shall be exercisable after the expiration of five (5) years after the effective date of grant of such Option and (c) no Option granted to an Employee who is a non-exempt employee for purposes of the Fair Labor Standards Act of 1938, as amended, shall be first exercisable until at least six (6) months following the date of grant of such Option (except in the event of such Employee's death, disability or retirement, upon a Change in Control, or as otherwise permitted by the Worker Economic Opportunity Act). Subject to the foregoing, unless otherwise specified by the Committee in the grant of an Option, each Option shall terminate ten (10) years after the effective date of grant of the Option, unless earlier terminated in accordance with its provisions.

6.3 **Payment of Exercise Price.**

(a) ***Forms of Consideration Authorized.*** Except as otherwise provided below, payment of the exercise price for the number of shares of Stock being purchased pursuant to any Option shall be made (i) in cash, by check or in cash equivalent; (ii) if permitted by the Committee and subject to the limitations contained in Section 6.3(b), by means of (1) a Cashless Exercise, (2) a Stock Tender Exercise or (3) a Net Exercise; (iii) by such other consideration as may be approved by the Committee from time to time to the extent permitted by

applicable law, or (iv) by any combination thereof. The Committee may at any time or from time to time grant Options which do not permit all of the foregoing forms of consideration to be used in payment of the exercise price or which otherwise restrict one or more forms of consideration.

(b) ***Limitations on Forms of Consideration.***

(i) **Cashless Exercise.** A "***Cashless Exercise***" means the delivery of a properly executed notice of exercise together with irrevocable instructions to a broker providing for the assignment to the Company of the proceeds of a sale or loan with respect to some or all of the shares being acquired upon the exercise of the Option (including, without limitation, through an exercise complying with the provisions of Regulation T as promulgated from time to time by the Board of Governors of the Federal Reserve System). The Company reserves, at any and all times, the right, in the Company's sole and absolute discretion, to establish, decline to approve or terminate any program or procedures for the exercise of Options by means of a Cashless Exercise, including with respect to one or more Participants specified by the Company notwithstanding that such program or procedures may be available to other Participants.

(ii) **Stock Tender Exercise.** A "***Stock Tender Exercise***" means the delivery of a properly executed exercise notice accompanied by a Participant's tender to the Company, or attestation to the ownership, in a form acceptable to the Company of whole shares of Stock owned by the Participant having a Fair Market Value that does not exceed the aggregate exercise price for the shares with respect to which the Option is exercised. A Stock Tender Exercise shall not be permitted if it would constitute a violation of the provisions of any law, regulation or agreement restricting the redemption of the Company's stock. If required by the Company, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock unless such shares either have been owned by the Participant for a period of time required by the Company (and not used for another option exercise by attestation during such period) or were not acquired, directly or indirectly, from the Company.

(iii) **Net Exercise.** A "***Net Exercise***" means the delivery of a properly executed exercise notice followed by a procedure pursuant to which (1) the Company will reduce the number of shares otherwise issuable to a Participant upon the exercise of an Option by the largest whole number of shares having a Fair Market Value that does not exceed the aggregate exercise price for the shares with respect to which the Option is exercised, and (2) the Participant shall pay to the Company in cash the remaining balance of such aggregate exercise price not satisfied by such reduction in the number of whole shares to be issued.

6.4 **Effect of Termination of Service**.

(a) ***Option Exercisability.*** Subject to earlier termination of the Option as otherwise provided by this Plan and unless otherwise provided by the Committee, an Option shall terminate immediately upon the Participant's termination of Service to the extent that it is then unvested and shall be exercisable after the Participant's termination of Service to the extent it is then vested only during the applicable time period determined in accordance with this Section and thereafter shall terminate.

(i) **Disability.** If the Participant's Service terminates because of the Disability of the Participant, the Option, to the extent unexercised and exercisable for vested shares on the date on which the Participant's Service terminated, may be exercised by the Participant (or the Participant's guardian or legal representative) at any time prior to the expiration of twelve (12) months (or such longer or shorter period provided by the Award Agreement) after the date on which the Participant's Service terminated, but in any event no later than the date of expiration of the Option's term as set forth in the Award Agreement evidencing such Option (the "***Option Expiration Date***").

(ii) **Death.** If the Participant's Service terminates because of the death of the Participant, the Option, to the extent unexercised and exercisable for vested shares on the date on which the Participant's Service terminated, may be exercised by the Participant's legal representative or other person who acquired the right to exercise the Option by reason of the Participant's death at any time prior to the expiration of twelve (12) months (or such longer or shorter period provided by the Award Agreement) after the date on which the Participant's Service terminated, but in any event no later than the Option Expiration Date. The Participant's Service shall be deemed to have terminated on account of death if the Participant dies within three (3) months (or such longer or shorter period provided by the Award Agreement) after the Participant's termination of Service.

(iii) **Termination for Cause.** Notwithstanding any other provision of the Plan to the contrary, if the Participant's Service is terminated for Cause or if, following the Participant's termination of Service and during any period in which the Option otherwise would remain exercisable, the Participant engages in any act that would constitute Cause, the Option shall terminate in its entirety and cease to be exercisable immediately upon such termination of Service or act.

(iv) **Other Termination of Service.** If the Participant's Service terminates for any reason, except Disability, death or Cause, the Option, to the extent unexercised and exercisable for vested shares on the date on which the Participant's Service terminated, may be exercised by the Participant at any time prior to the expiration of three (3) months (or such longer or shorter period provided by the Award Agreement) after the date on which the Participant's Service terminated, but in any event no later than the Option Expiration Date.

(b) ***Extension if Exercise Prevented by Law.*** Notwithstanding the foregoing, other than termination of Service for Cause, if the exercise of an Option within the applicable time periods set forth in Section 6.4(a) is prevented by the provisions of Section 14 below, the Option shall remain exercisable until the later of (i) thirty (30) days after the date such exercise first would no longer be prevented by such provisions or (ii) the end of the applicable time period under Section 6.4(a), but in any event no later than the Option Expiration Date.

6.5 **Transferability of Options.** During the lifetime of the Participant, an Option shall be exercisable only by the Participant or the Participant's guardian or legal representative. An Option shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and

distribution. Notwithstanding the foregoing, to the extent permitted by the Committee, in its discretion, and set forth in the Award Agreement evidencing such Option, an Option shall be assignable or transferable subject to the applicable limitations, if any, described in the General Instructions to Form S-8 under the Securities Act or, in the case of an Incentive Stock Option, only as permitted by applicable regulations under Section 421 of the Code in a manner that does not disqualify such Option as an Incentive Stock Option.

7. **STOCK APPRECIATION RIGHTS.**

Stock Appreciation Rights shall be evidenced by Award Agreements specifying the number of shares of Stock subject to the Award, in such form as the Committee shall establish. Such Award Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

7.1 **Types of SARs Authorized.** SARs may be granted in tandem with all or any portion of a related Option (a "***Tandem SAR***") or may be granted independently of any Option (a "***Freestanding SAR***"). A Tandem SAR may only be granted concurrently with the grant of the related Option.

7.2 **Exercise Price.** The exercise price for each SAR shall be established in the discretion of the Committee; provided, however, that (a) the exercise price per share subject to a Tandem SAR shall be the exercise price per share under the related Option and (b) the exercise price per share subject to a Freestanding SAR shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the SAR. Notwithstanding the foregoing, an SAR may be granted with an exercise price lower than the minimum exercise price set forth above if such SAR is granted pursuant to an assumption or substitution for another stock appreciation right in a manner that would qualify under the provisions of Section 409A of the Code.

7.3 **Exercisability and Term of SARs.**

(a) ***Tandem SARs.*** Tandem SARs shall be exercisable only at the time and to the extent, and only to the extent, that the related Option is exercisable, subject to such provisions as the Committee may specify where the Tandem SAR is granted with respect to less than the full number of shares of Stock subject to the related Option. The Committee may, in its discretion, provide in any Award Agreement evidencing a Tandem SAR that such SAR may not be exercised without the advance approval of the Company and, if such approval is not given, then the Option shall nevertheless remain exercisable in accordance with its terms. A Tandem SAR shall terminate and cease to be exercisable no later than the date on which the related Option expires or is terminated or canceled. Upon the exercise of a Tandem SAR with respect to some or all of the shares subject to such SAR, the related Option shall be canceled automatically as to the number of shares with respect to which the Tandem SAR was exercised. Upon the exercise of an Option related to a Tandem SAR as to some or all of the shares subject to such Option, the related Tandem SAR shall be canceled automatically as to the number of shares with respect to which the related Option was exercised.

(b) ***Freestanding SARs.*** Freestanding SARs shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions as shall be determined by the Committee and set forth in the Award Agreement evidencing such SAR; provided, however, that (i) no Freestanding SAR shall be exercisable after the expiration of ten (10) years after the effective date of grant of such SAR and (ii) no Freestanding SAR granted to an Employee who is a non-exempt employee for purposes of the Fair Labor Standards Act of 1938, as amended, shall be first exercisable until at least six (6) months following the date of grant of such SAR (except in the event of such Employee's death, disability or retirement, upon a Change in Control, or as otherwise permitted by the Worker Economic Opportunity Act). Subject to the foregoing, unless otherwise specified by the Committee in the grant of a Freestanding SAR, each Freestanding SAR shall terminate ten (10) years after the effective date of grant of the SAR, unless earlier terminated in accordance with its provisions.

7.4 **Exercise of SARs.** Upon the exercise (or deemed exercise pursuant to Section 7.5) of an SAR, the Participant (or the Participant's legal representative or other person who acquired the right to exercise the SAR by reason of the Participant's death) shall be entitled to receive payment of an amount for each share with respect to which the SAR is exercised equal to the excess, if any, of the Fair Market Value of a share of Stock on the date of exercise of the SAR over the exercise price. Payment of such amount shall be made (a) in the case of a Tandem SAR, solely in shares of Stock in a lump sum upon the date of exercise of the SAR and (b) in the case of a Freestanding SAR, in cash, shares of Stock, or any combination thereof as determined by the Committee, in a lump sum upon the date of exercise of the SAR. When payment is to be made in shares of Stock, the number of shares to be issued shall be determined on the basis of the Fair Market Value of a share of Stock on the date of exercise of the SAR. For purposes of Section 7, an SAR shall be deemed exercised on the date on which the Company receives notice of exercise from the Participant or as otherwise provided in Section 7.5.

7.5 **Deemed Exercise of SARs.** If, on the date on which an SAR would otherwise terminate or expire, the SAR by its terms remains exercisable immediately prior to such termination or expiration and, if so exercised, would result in a payment to the holder of such SAR, then any portion of such SAR which has not previously been exercised shall automatically be deemed to be exercised as of such date with respect to such portion.

7.6 **Effect of Termination of Service.** Subject to earlier termination of the SAR as otherwise provided herein and unless otherwise provided by the Committee, an SAR shall be exercisable after a Participant's termination of Service only to the extent and during the applicable time period determined in accordance with Section 6.4 (treating the SAR as if it were an Option) and thereafter shall terminate.

7.7 **Transferability of SARs.** During the lifetime of the Participant, an SAR shall be exercisable only by the Participant or the Participant's guardian or legal representative. An SAR shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. Notwithstanding the foregoing, to the extent permitted by the Committee, in its discretion, and set forth in the Award Agreement evidencing such Award, a Tandem SAR related to a Nonstatutory Stock Option or a Freestanding SAR shall be assignable or transferable subject to the applicable limitations, if any, described in the General Instructions to Form S-8 under the Securities Act.

8. **RESTRICTED STOCK AWARDS.**

Restricted Stock Awards shall be evidenced by Award Agreements specifying whether the Award is a Restricted Stock Bonus or a Restricted Stock Purchase Right and the number of shares of Stock subject to the Award, in such form as the Committee shall establish. Such Award Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

8.1 **Types of Restricted Stock Awards Authorized.** Restricted Stock Awards may be granted in the form of either a Restricted Stock Bonus or a Restricted Stock Purchase Right. Restricted Stock Awards may be granted upon such conditions as the Committee shall determine, including, without limitation, upon the attainment of one or more Performance Goals described in Section 10.4. If either the grant of or satisfaction of Vesting Conditions applicable to a Restricted Stock Award is to be contingent upon the attainment of one or more Performance Goals, the Committee shall follow procedures substantially equivalent to those set forth in Sections 10.3 through 10.5(a).

8.2 **Purchase Price.** The purchase price for shares of Stock issuable under each Restricted Stock Purchase Right shall be established by the Committee in its discretion. No monetary payment (other than applicable tax withholding) shall be required as a condition of receiving shares of Stock pursuant to a Restricted Stock Bonus, the consideration for which shall be services actually rendered to a Participating Company or for its benefit. Notwithstanding the foregoing, if required by applicable state corporate law, the Participant shall furnish consideration in the form of cash or past services rendered to a Participating Company or for its benefit having a value not less than the par value of the shares of Stock subject to a Restricted Stock Award.

8.3 **Purchase Period.** A Restricted Stock Purchase Right shall be exercisable within a period established by the Committee, which shall in no event exceed thirty (30) days from the effective date of the grant of the Restricted Stock Purchase Right.

8.4 **Payment of Purchase Price.** Except as otherwise provided below, payment of the purchase price for the number of shares of Stock being purchased pursuant to any Restricted Stock Purchase Right shall be made (a) in cash, by check or in cash equivalent, (b) by such other consideration as may be approved by the Committee from time to time to the extent permitted by applicable law, or (c) by any combination thereof.

8.5 **Vesting and Restrictions on Transfer.** Shares issued pursuant to any Restricted Stock Award may (but need not) be made subject to Vesting Conditions based upon the satisfaction of such Service requirements, conditions, restrictions or performance criteria, including, without limitation, Performance Goals as described in Section 10.4, as shall be established by the Committee and set forth in the Award Agreement evidencing such Award. During any period in which shares acquired pursuant to a Restricted Stock Award remain subject to Vesting Conditions, such shares may not be sold, exchanged, transferred, pledged, assigned or otherwise disposed of other than pursuant to an Ownership Change Event or as provided in Section 8.8. The Committee, in its discretion, may provide in any Award Agreement evidencing a Restricted Stock Award that, if the satisfaction of Vesting Conditions with respect to any

shares subject to such Restricted Stock Award would otherwise occur on a day on which the sale of such shares would violate the provisions of the Trading Compliance Policy, then satisfaction of the Vesting Conditions automatically shall be determined on the next trading day on which the sale of such shares would not violate the Trading Compliance Policy. Upon request by the Company, each Participant shall execute any agreement evidencing such transfer restrictions prior to the receipt of shares of Stock hereunder and shall promptly present to the Company any and all certificates representing shares of Stock acquired hereunder for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

8.6 **Voting Rights; Dividends and Distributions.** Except as provided in this Section, Section 8.5 and any Award Agreement, during any period in which shares acquired pursuant to a Restricted Stock Award remain subject to Vesting Conditions, the Participant shall have all of the rights of a stockholder of the Company holding shares of Stock, including the right to vote such shares and to receive all dividends and other distributions paid with respect to such shares; provided, however, that if so determined by the Committee and provided by the Award Agreement, such dividends and distributions shall be subject to the same Vesting Conditions as the shares subject to the Restricted Stock Award with respect to which such dividends or distributions were paid, and otherwise shall be paid no later than the end of the calendar year in which such dividends or distributions are paid to stockholders (or, if later, the 15th day of the third month following the date such dividends or distributions are paid to stockholders). In the event of a dividend or distribution paid in shares of Stock or other property or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.3, any and all new, substituted or additional securities or other property (other than regular, periodic cash dividends) to which the Participant is entitled by reason of the Participant's Restricted Stock Award shall be immediately subject to the same Vesting Conditions as the shares subject to the Restricted Stock Award with respect to which such dividends or distributions were paid or adjustments were made.

8.7 **Effect of Termination of Service.** Unless otherwise provided by the Committee in the Award Agreement evidencing a Restricted Stock Award, if a Participant's Service terminates for any reason, whether voluntary or involuntary (including the Participant's death or disability), then (a) the Company shall have the option to repurchase for the purchase price paid by the Participant any shares acquired by the Participant pursuant to a Restricted Stock Purchase Right which remain subject to Vesting Conditions as of the date of the Participant's termination of Service and (b) the Participant shall forfeit to the Company any shares acquired by the Participant pursuant to a Restricted Stock Bonus which remain subject to Vesting Conditions as of the date of the Participant's termination of Service. The Company shall have the right to assign at any time any repurchase right it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the Company.

8.8 **Nontransferability of Restricted Stock Award Rights.** Rights to acquire shares of Stock pursuant to a Restricted Stock Award shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or the laws of descent and distribution. All rights with respect to a Restricted Stock Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

9. **RESTRICTED STOCK UNITS.**

Restricted Stock Unit Awards shall be evidenced by Award Agreements specifying the number of Restricted Stock Units subject to the Award, in such form as the Committee shall establish. Such Award Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

9.1 **Grant of Restricted Stock Unit Awards.** Restricted Stock Unit Awards may be granted upon such conditions as the Committee shall determine, including, without limitation, upon the attainment of one or more Performance Goals described in Section 10.4. If either the grant of a Restricted Stock Unit Award or the Vesting Conditions with respect to such Award is to be contingent upon the attainment of one or more Performance Goals, the Committee shall follow procedures substantially equivalent to those set forth in Sections 10.3 through 10.5(a).

9.2 **Purchase Price.** No monetary payment (other than applicable tax withholding, if any) shall be required as a condition of receiving a Restricted Stock Unit Award, the consideration for which shall be services actually rendered to a Participating Company or for its benefit. Notwithstanding the foregoing, if required by applicable state corporate law, the Participant shall furnish consideration in the form of cash or past services rendered to a Participating Company or for its benefit having a value not less than the par value of the shares of Stock issued upon settlement of the Restricted Stock Unit Award.

9.3 **Vesting.** Restricted Stock Unit Awards may (but need not) be made subject to Vesting Conditions based upon the satisfaction of such Service requirements, conditions, restrictions or performance criteria, including, without limitation, Performance Goals as described in Section 10.4, as shall be established by the Committee and set forth in the Award Agreement evidencing such Award.

9.4 **Voting Rights, Dividend Equivalent Rights and Distributions.** Participants shall have no voting rights with respect to shares of Stock represented by Restricted Stock Units until the date of the issuance of such shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). However, the Committee, in its discretion, may provide in the Award Agreement evidencing any Restricted Stock Unit Award that the Participant shall be entitled to Dividend Equivalent Rights with respect to the payment of cash dividends on Stock during the period beginning on the date such Award is granted and ending, with respect to each share subject to the Award, on the earlier of the date the Award is settled or the date on which it is terminated. Dividend Equivalent Rights, if any, shall be paid by crediting the Participant with a cash amount or with additional whole Restricted Stock Units as of the date of payment of such cash dividends on Stock, as determined by the Committee. The number of additional Restricted Stock Units (rounded to the nearest whole number), if any, to be credited shall be determined by dividing (a) the amount of cash dividends paid on the dividend payment date with respect to the number of shares of Stock represented by the Restricted Stock Units previously credited to the Participant by (b) the Fair Market Value per share of Stock on such date. If so determined by the Committee and provided by the Award Agreement, such cash amount or additional Restricted Stock Units shall be subject to the same terms and conditions and shall be settled in the same manner and at the same time as

the Restricted Stock Units originally subject to the Restricted Stock Unit Award. In the event of a dividend or distribution paid in shares of Stock or other property or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.3, appropriate adjustments shall be made in the Participant's Restricted Stock Unit Award so that it represents the right to receive upon settlement any and all new, substituted or additional securities or other property (other than regular, periodic cash dividends) to which the Participant would be entitled by reason of the shares of Stock issuable upon settlement of the Award, and all such new, substituted or additional securities or other property shall be immediately subject to the same Vesting Conditions as are applicable to the Award.

9.5 **Effect of Termination of Service.** Unless otherwise provided by the Committee and set forth in the Award Agreement evidencing a Restricted Stock Unit Award, if a Participant's Service terminates for any reason, whether voluntary or involuntary (including the Participant's death or disability), then the Participant shall forfeit to the Company any Restricted Stock Units pursuant to the Award which remain subject to Vesting Conditions as of the date of the Participant's termination of Service.

9.6 **Settlement of Restricted Stock Unit Awards.** The Company shall issue to a Participant on the date on which Restricted Stock Units subject to the Participant's Restricted Stock Unit Award vest or on such other date determined by the Committee in compliance with Section 409A, if applicable, and set forth in the Award Agreement one (1) share of Stock (and/or any other new, substituted or additional securities or other property pursuant to an adjustment described in Section 9.4) for each Restricted Stock Unit then becoming vested or otherwise to be settled on such date, subject to the withholding of applicable taxes, if any. The Committee, in its discretion, may provide in any Award Agreement evidencing a Restricted Stock Unit Award that if the settlement date with respect to any shares issuable upon vesting of Restricted Stock Units would otherwise occur on a day on which the sale of such shares would violate the provisions of the Trading Compliance Policy, then the settlement date shall be deferred until the next trading day on which the sale of such shares would not violate the Trading Compliance Policy but in any event no later than the 15th day of the third calendar month following the year in which such Restricted Stock Units vest. If permitted by the Committee, the Participant may elect, consistent with the requirements of Section 409A, to defer receipt of all or any portion of the shares of Stock or other property otherwise issuable to the Participant pursuant to this Section, and such deferred issuance date(s) and amount(s) elected by the Participant shall be set forth in the Award Agreement. Notwithstanding the foregoing, the Committee, in its discretion, may provide for settlement of any Restricted Stock Unit Award by payment to the Participant in cash of an amount equal to the Fair Market Value on the payment date of the shares of Stock or other property otherwise issuable to the Participant pursuant to this Section.

9.7 **Nontransferability of Restricted Stock Unit Awards.** The right to receive shares pursuant to a Restricted Stock Unit Award shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. All rights with respect to a Restricted Stock Unit Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

10. **PERFORMANCE AWARDS.**

Performance Awards shall be evidenced by Award Agreements in such form as the Committee shall establish. Such Award Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

10.1 **Types of Performance Awards Authorized.** Performance Awards may be granted in the form of either Performance Shares or Performance Units. Each Award Agreement evidencing a Performance Award shall specify the number of Performance Shares or Performance Units subject thereto, the Performance Award Formula, the Performance Goal(s) and Performance Period applicable to the Award, and the other terms, conditions and restrictions of the Award.

10.2 **Initial Value of Performance Shares and Performance Units.** Unless otherwise provided by the Committee in granting a Performance Award, each Performance Share shall have an initial monetary value equal to the Fair Market Value of one (1) share of Stock, subject to adjustment as provided in Section 4.3, on the effective date of grant of the Performance Share, and each Performance Unit shall have an initial monetary value established by the Committee at the time of grant. The final value payable to the Participant in settlement of a Performance Award determined on the basis of the applicable Performance Award Formula will depend on the extent to which Performance Goals established by the Committee are attained within the applicable Performance Period established by the Committee.

10.3 **Establishment of Performance Period, Performance Goals and Performance Award Formula.** In granting each Performance Award, the Committee shall establish in writing the applicable Performance Period, Performance Award Formula and one or more Performance Goals which, when measured at the end of the Performance Period, shall determine on the basis of the Performance Award Formula the final value of the Performance Award to be paid to the Participant. The Company shall notify each Participant granted a Performance Award of the terms of such Award, including the Performance Period, Performance Goal(s) and Performance Award Formula.

10.4 **Measurement of Performance Goals.** Performance Goals shall be established by the Committee on the basis of targets to be attained ("***Performance Targets***") with respect to one or more measures of business or financial performance or other criteria established by the Committee (each, a "***Performance Measure***"), subject to the following:

(a) ***Performance Measures.*** Performance Measures based on objective criteria shall be calculated in accordance with the Company's financial statements, or, if such measures are not reported in the Company's financial statements, they shall be calculated in accordance with generally accepted accounting principles, a method used generally in the Company's industry, or in accordance with a methodology established by the Committee prior to the grant of the Performance Award. Performance Measures based on subjective criteria shall be determined on the basis established by the Committee in granting the Award. As specified by the Committee, Performance Measures may be calculated with respect to the Company and each Subsidiary Corporation consolidated therewith for financial reporting purposes, one or more

Subsidiary Corporations or such division or other business unit of any of them selected by the Committee. Unless otherwise determined by the Committee prior to the grant of the Performance Award, the Performance Measures applicable to the Performance Award shall be calculated prior to the accrual of expense for any Performance Award for the same Performance Period and excluding the effect (whether positive or negative) on the Performance Measures of any change in accounting standards or any unusual or infrequently occurring event or transaction, as determined by the Committee, occurring after the establishment of the Performance Goals applicable to the Performance Award. Each such adjustment, if any, shall be made solely for the purpose of providing a consistent basis from period to period for the calculation of Performance Measures in order to prevent the dilution or enlargement of the Participant's rights with respect to a Performance Award. Performance Measures may be based upon one or more of the following, without limitation, as determined by the Committee:

(i) revenue;

(ii) sales;

(iii) expenses;

(iv) operating income;

(v) gross margin;

(vi) operating margin;

(vii) earnings before any one or more of: stock-based compensation expense, interest, taxes, depreciation and amortization;

(viii) pre-tax profit;

(ix) net operating income;

(x) net income;

(xi) economic value added;

(xii) free cash flow;

(xiii) operating cash flow;

(xiv) balance of cash, cash equivalents and marketable securities;

(xv) stock price;

(xvi) earnings per share;

(xvii) return on stockholder equity;

(xviii) return on capital;

(xix) return on assets;

(xx) return on investment;

(xxi) total stockholder return;

(xxii) employee satisfaction;

(xxiii) employee retention;

(xxiv) market share;

(xxv) customer satisfaction;

(xxvi) product development;

(xxvii) research and development expenses;

(xxviii) completion of an identified special project;

(xxix) completion of a joint venture or other corporate transaction; and

(xxx) personal performance objectives established for an individual Participant or group of Participants.

(b) ***Performance Targets.*** Performance Targets may include a minimum, maximum, target level and intermediate levels of performance, with the final value of a Performance Award determined under the applicable Performance Award Formula by the Performance Target level attained during the applicable Performance Period. A Performance Target may be stated as an absolute value, an increase or decrease in a value, or as a value determined relative to an index, budget or other standard selected by the Committee.

10.5 **Settlement of Performance Awards.**

(a) ***Determination of Final Value.*** As soon as practicable following the completion of the Performance Period applicable to a Performance Award, the Committee shall determine the extent to which the applicable Performance Goals have been attained and the resulting final value of the Award earned by the Participant and to be paid upon its settlement in accordance with the applicable Performance Award Formula.

(b) ***Discretionary Adjustment of Award Formula.*** In its discretion, the Committee may, either at the time it grants a Performance Award or at any time thereafter, provide for the positive or negative adjustment of the Performance Award Formula applicable to a Performance Award to reflect such Participant’s individual performance in his or her position with the Company or such other factors as the Committee may determine.

(c) ***Effect of Leaves of Absence.*** Unless otherwise required by law or a Participant's Award Agreement, payment of the final value, if any, of a Performance Award held by a Participant who has taken in excess of thirty (30) days in unpaid leaves of absence during a Performance Period shall be prorated on the basis of the number of days of the Participant's Service during the Performance Period during which the Participant was not on an unpaid leave of absence.

(d) ***Notice to Participants.*** As soon as practicable following the Committee's determination in accordance with Sections 10.5(a) and (b), the Company shall notify each Participant of the determination of the Committee.

(e) ***Payment in Settlement of Performance Awards.*** As soon as practicable following the Committee's determination in accordance with Sections 10.5(a) and (b), but in any event within the Short-Term Deferral Period described in Section 15.1 (except as otherwise provided below or consistent with the requirements of Section 409A), payment shall be made to each eligible Participant (or such Participant's legal representative or other person who acquired the right to receive such payment by reason of the Participant's death) of the final value of the Participant's Performance Award. Payment of such amount shall be made in cash, shares of Stock, or a combination thereof as determined by the Committee. Unless otherwise provided in the Award Agreement evidencing a Performance Award, payment shall be made in a lump sum. If permitted by the Committee, the Participant may elect, consistent with the requirements of Section 409A, to defer receipt of all or any portion of the payment to be made to the Participant pursuant to this Section, and such deferred payment date(s) elected by the Participant shall be set forth in the Award Agreement. If any payment is to be made on a deferred basis, the Committee may, but shall not be obligated to, provide for the payment during the deferral period of Dividend Equivalent Rights or interest.

(f) ***Provisions Applicable to Payment in Shares.*** If payment is to be made in shares of Stock, the number of such shares shall be determined by dividing the final value of the Performance Award by the Fair Market Value of a share of Stock determined by the method specified in the Award Agreement. Shares of Stock issued in payment of any Performance Award may be fully vested and freely transferable shares or may be shares of Stock subject to Vesting Conditions as provided in Section 8.5. Any shares subject to Vesting Conditions shall be evidenced by an appropriate Award Agreement and shall be subject to the provisions of Sections 8.5 through 8.8 above.

10.6 **Voting Rights; Dividend Equivalent Rights and Distributions.** Participants shall have no voting rights with respect to shares of Stock represented by Performance Share Awards until the date of the issuance of such shares, if any (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). However, the Committee, in its discretion, may provide in the Award Agreement evidencing any Performance Share Award that the Participant shall be entitled to Dividend Equivalent Rights with respect to the payment of cash dividends on Stock during the period beginning on the date the Award is granted and ending, with respect to each share subject to the Award, on the earlier of the date on which the Performance Shares are settled or the date on which they are forfeited. Such Dividend Equivalent Rights, if any, shall be credited to the Participant either in cash or in the form of additional whole Performance Shares as of the date of

payment of such cash dividends on Stock, as determined by the Committee. The number of additional Performance Shares (rounded to the nearest whole number), if any, to be so credited shall be determined by dividing (a) the amount of cash dividends paid on the dividend payment date with respect to the number of shares of Stock represented by the Performance Shares previously credited to the Participant by (b) the Fair Market Value per share of Stock on such date. Dividend Equivalent Rights, if any, shall be accumulated and paid to the extent that the related Performance Shares become nonforfeitable. Settlement of Dividend Equivalent Rights may be made in cash, shares of Stock, or a combination thereof as determined by the Committee, and may be paid on the same basis as settlement of the related Performance Share as provided in Section 10.5. Dividend Equivalent Rights shall not be paid with respect to Performance Units. In the event of a dividend or distribution paid in shares of Stock or other property or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.3, appropriate adjustments shall be made in the Participant's Performance Share Award so that it represents the right to receive upon settlement any and all new, substituted or additional securities or other property (other than regular, periodic cash dividends) to which the Participant would be entitled by reason of the shares of Stock issuable upon settlement of the Performance Share Award, and all such new, substituted or additional securities or other property shall be immediately subject to the same Performance Goals as are applicable to the Award.

10.7 **Effect of Termination of Service.** Unless otherwise provided by the Committee and set forth in the Award Agreement evidencing a Performance Award, the effect of a Participant's termination of Service on the Performance Award shall be as follows:

(a) ***Death or Disability.*** If the Participant's Service terminates because of the death or Disability of the Participant before the completion of the Performance Period applicable to the Performance Award, the final value of the Participant's Performance Award shall be determined by the extent to which the applicable Performance Goals have been attained with respect to the entire Performance Period and shall be prorated based on the number of months of the Participant's Service during the Performance Period. Payment shall be made following the end of the Performance Period in any manner permitted by Section 10.5.

(b) ***Other Termination of Service.*** If the Participant's Service terminates for any reason except death or Disability before the completion of the Performance Period applicable to the Performance Award, such Award shall be forfeited in its entirety; provided, however, that in the event of an involuntary termination of the Participant's Service, the Committee, in its discretion, may waive the automatic forfeiture of all or any portion of any such Award and determine the final value of the Performance Award in the manner provided by Section 10.7(a). Payment of any amount pursuant to this Section shall be made following the end of the Performance Period in any manner permitted by Section 10.5.

10.8 **Nontransferability of Performance Awards.** Prior to settlement in accordance with the provisions of the Plan, no Performance Award shall be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. All rights with respect to a Performance Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

11. **CASH-BASED AWARDS AND OTHER STOCK-BASED AWARDS.**

Cash-Based Awards and Other Stock-Based Awards shall be evidenced by Award Agreements in such form as the Committee shall establish. Such Award Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

11.1 **Grant of Cash-Based Awards.** Subject to the provisions of the Plan, the Committee, at any time and from time to time, may grant Cash-Based Awards to Participants in such amounts and upon such terms and conditions, including the achievement of performance criteria, as the Committee may determine.

11.2 **Grant of Other Stock-Based Awards.** The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted securities, stock-equivalent units, stock appreciation units, securities or debentures convertible into common stock or other forms determined by the Committee) in such amounts and subject to such terms and conditions as the Committee shall determine. Other Stock-Based Awards may be made available as a form of payment in the settlement of other Awards or as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock-Based Awards may involve the transfer of actual shares of Stock to Participants, or payment in cash or otherwise of amounts based on the value of Stock and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

11.3 **Value of Cash-Based and Other Stock-Based Awards.** Each Cash-Based Award shall specify a monetary payment amount or payment range as determined by the Committee. Each Other Stock-Based Award shall be expressed in terms of shares of Stock or units based on such shares of Stock, as determined by the Committee. The Committee may require the satisfaction of such Service requirements, conditions, restrictions or performance criteria, including, without limitation, Performance Goals as described in Section 10.4, as shall be established by the Committee and set forth in the Award Agreement evidencing such Award. If the Committee exercises its discretion to establish performance criteria, the final value of Cash-Based Awards or Other Stock-Based Awards that will be paid to the Participant will depend on the extent to which the performance criteria are met.

11.4 **Payment or Settlement of Cash-Based Awards and Other Stock-Based Awards**. Payment or settlement, if any, with respect to a Cash-Based Award or an Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash, shares of Stock or other securities or any combination thereof as the Committee determines. To the extent applicable, payment or settlement with respect to each Cash-Based Award and Other Stock-Based Award shall be made in compliance with the requirements of Section 409A.

11.5 **Voting Rights; Dividend Equivalent Rights and Distributions**. Participants shall have no voting rights with respect to shares of Stock represented by Other Stock-Based Awards until the date of the issuance of such shares of Stock (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), if any, in settlement of such Award. However, the Committee, in its discretion, may

provide in the Award Agreement evidencing any Other Stock-Based Award that the Participant shall be entitled to Dividend Equivalent Rights with respect to the payment of cash dividends on Stock during the period beginning on the date such Award is granted and ending, with respect to each share subject to the Award, on the earlier of the date the Award is settled or the date on which it is terminated. Such Dividend Equivalent Rights, if any, shall be paid in accordance with the provisions set forth in Section 9.4. Dividend Equivalent Rights shall not be granted with respect to Cash-Based Awards. In the event of a dividend or distribution paid in shares of Stock or other property or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.3, appropriate adjustments shall be made in the Participant's Other Stock-Based Award so that it represents the right to receive upon settlement any and all new, substituted or additional securities or other property (other than regular, periodic cash dividends) to which the Participant would be entitled by reason of the shares of Stock issuable upon settlement of such Award, and all such new, substituted or additional securities or other property shall be immediately subject to the same Vesting Conditions and performance criteria, if any, as are applicable to the Award.

11.6 **Effect of Termination of Service**. Each Award Agreement evidencing a Cash-Based Award or Other Stock-Based Award shall set forth the extent to which the Participant shall have the right to retain such Award following termination of the Participant's Service. Such provisions shall be determined in the discretion of the Committee, need not be uniform among all Cash-Based Awards or Other Stock-Based Awards, and may reflect distinctions based on the reasons for termination, subject to the requirements of Section 409A, if applicable.

11.7 **Nontransferability of Cash-Based Awards and Other Stock-Based Awards.** Prior to the payment or settlement of a Cash-Based Award or Other Stock-Based Award, the Award shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. The Committee may impose such additional restrictions on any shares of Stock issued in settlement of Cash-Based Awards and Other Stock-Based Awards as it may deem advisable, including, without limitation, minimum holding period requirements, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such shares of Stock are then listed and/or traded, or under any state securities laws or foreign law applicable to such shares of Stock.

## 12. STANDARD FORMS OF AWARD AGREEMENT.

12.1 **Award Agreements.** Each Award shall comply with and be subject to the terms and conditions set forth in the appropriate form of Award Agreement approved by the Committee and as amended from time to time. No Award or purported Award shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement, which execution may be evidenced by electronic means.

12.2 **Authority to Vary Terms.** The Committee shall have the authority from time to time to vary the terms of any standard form of Award Agreement either in connection with the grant or amendment of an individual Award or in connection with the authorization of a new standard form or forms; provided, however, that the terms and conditions of any such new, revised or amended standard form or forms of Award Agreement are not inconsistent with the terms of the Plan.

13. **CHANGE IN CONTROL.**

13.1 **Effect of Change in Control on Awards.** In the event of a Change in Control, outstanding Awards shall be subject to the definitive agreement entered into by the Company in connection with the Change in Control. Subject to the requirements and limitations of Section 409A, if applicable, the Committee may provide for any one or more of the following:

(a) **Accelerated Vesting.** In its discretion, the Committee may provide in the grant of any Award or at any other time may take such action as it deems appropriate to provide for acceleration of the exercisability, vesting and/or settlement in connection with a Change in Control of each or any outstanding Award or portion thereof and shares acquired pursuant thereto upon such conditions, including termination of the Participant's Service prior to, upon, or following the Change in Control, and to such extent as the Committee determines.

(b) **Assumption, Continuation or Substitution.** In the event of a Change in Control, the surviving, continuing, successor, or purchasing corporation or other business entity or parent thereof, as the case may be (the "***Acquiror***"), may, without the consent of any Participant, assume or continue the Company's rights and obligations under each or any Award or portion thereof outstanding immediately prior to the Change in Control or substitute for each or any such outstanding Award or portion thereof a substantially equivalent award with respect to the Acquiror's stock, as applicable. For purposes of this Section, if so determined by the Committee in its discretion, an Award denominated in shares of Stock shall be deemed assumed if, following the Change in Control, the Award confers the right to receive, subject to the terms and conditions of the Plan and the applicable Award Agreement, for each share of Stock subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, other securities or property or a combination thereof) to which a holder of a share of Stock on the effective date of the Change in Control was entitled (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Stock); provided, however, that if such consideration is not solely common stock of the Acquiror, the Committee may, with the consent of the Acquiror, provide for the consideration to be received upon the exercise or settlement of the Award, for each share of Stock subject to the Award, to consist solely of common stock of the Acquiror equal in Fair Market Value to the per share consideration received by holders of Stock pursuant to the Change in Control. Any Award or portion thereof which is neither assumed or continued by the Acquiror in connection with the Change in Control nor exercised or settled as of the time of consummation of the Change in Control shall terminate and cease to be outstanding effective as of the time of consummation of the Change in Control.

(c) **Cash-Out of Outstanding Stock-Based Awards.** The Committee may, in its discretion and without the consent of any Participant, determine that, upon the occurrence of a Change in Control, each or any Award denominated in shares of Stock or portion thereof outstanding immediately prior to the Change in Control and not previously exercised or settled shall be canceled in exchange for a payment with respect to each vested share (and each unvested share, if so determined by the Committee) of Stock subject to such canceled Award in (i) cash, (ii) stock of the Company or of a corporation or other business entity a party to the Change in Control, or (iii) other property which, in any such case, shall be in an amount having a Fair Market Value equal to the Fair Market Value of the consideration to be paid per share of Stock in the Change in Control, reduced (but not below zero) by the exercise or purchase price per share, if any, under such Award. In the event such determination is made by the Committee, an Award having an exercise or purchase price per share equal to or greater than the Fair Market Value of the consideration to be paid per share of Stock in the Change in Control may be canceled without payment of consideration to the holder thereof. Payment pursuant to this Section (reduced by applicable withholding taxes, if any) shall be made to Participants in respect of the vested portions of their canceled Awards as soon as practicable following the date of the Change in Control and in respect of the unvested portions of their canceled Awards in accordance with the vesting schedules applicable to such Awards.

13.2 **Effect of Change in Control on Nonemployee Director Awards.** Subject to the requirements and limitations of Section 409A, if applicable, including as provided by Section 15.4(f), in the event of a Change in Control, each outstanding Nonemployee Director Award shall become immediately exercisable and vested in full and, except to the extent assumed, continued or substituted for pursuant to Section 13.1(b), shall be settled effective immediately prior to the time of consummation of the Change in Control.

13.3 **Federal Excise Tax Under Section 4999 of the Code.**

(a) **Excess Parachute Payment.** If any acceleration of vesting pursuant to an Award and any other payment or benefit received or to be received by a Participant would subject the Participant to any excise tax pursuant to Section 4999 of the Code due to the characterization of such acceleration of vesting, payment or benefit as an "excess parachute payment" under Section 280G of the Code, then, provided such election would not subject the Participant to taxation under Section 409A, the Participant may elect to reduce the amount of any acceleration of vesting called for under the Award in order to avoid such characterization.

(b) **Determination by Tax Firm.** To aid the Participant in making any election called for under Section 13.3(a), no later than the date of the occurrence of any event that might reasonably be anticipated to result in an "excess parachute payment" to the Participant as described in Section 13.3(a), the Company shall request a determination in writing by the professional firm engaged by the Company for general tax purposes, or, if the tax firm so engaged by the Company is serving as accountant or auditor for the Acquiror, the Company will appoint a nationally recognized tax firm to make the determinations required by this Section (the "***Tax Firm***"). As soon as practicable thereafter, the Tax Firm shall determine and report to the Company and the Participant the amount of such acceleration of vesting, payments and benefits which would produce the greatest after-tax benefit to the Participant. For the purposes of such

determination, the Tax Firm may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code. The Company and the Participant shall furnish to the Tax Firm such information and documents as the Tax Firm may reasonably request in order to make its required determination. The Company shall bear all fees and expenses the Tax Firm charges in connection with its services contemplated by this Section.

14. **COMPLIANCE WITH SECURITIES LAW.**

The grant of Awards and the issuance of shares of Stock pursuant to any Award shall be subject to compliance with all applicable requirements of federal, state and foreign law with respect to such securities and the requirements of any stock exchange or market system upon which the Stock may then be listed. In addition, no Award may be exercised or shares issued pursuant to an Award unless (a) a registration statement under the Securities Act shall at the time of such exercise or issuance be in effect with respect to the shares issuable pursuant to the Award, or (b) in the opinion of legal counsel to the Company, the shares issuable pursuant to the Award may be issued in accordance with the terms of an applicable exemption from the registration requirements of the Securities Act. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company's legal counsel to be necessary to the lawful issuance and sale of any shares under the Plan shall relieve the Company of any liability in respect of the failure to issue or sell such shares as to which such requisite authority shall not have been obtained. As a condition to issuance of any Stock, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any applicable law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company.

15. **COMPLIANCE WITH SECTION 409A.**

15.1 **Awards Subject to Section 409A.** The Company intends that Awards granted pursuant to the Plan shall either be exempt from or comply with Section 409A, and the Plan shall be so construed. The provisions of this Section 15 shall apply to any Award or portion thereof that constitutes or provides for payment of Section 409A Deferred Compensation. Such Awards may include, without limitation:

(a) A Nonstatutory Stock Option or SAR that includes any feature for the deferral of compensation other than the deferral of recognition of income until the later of (i) the exercise or disposition of the Award or (ii) the time the stock acquired pursuant to the exercise of the Award first becomes substantially vested.

(b) Any Restricted Stock Unit Award, Performance Award, Cash-Based Award or Other Stock-Based Award that either (i) provides by its terms for settlement of all or any portion of the Award at a time or upon an event that will or may occur later than the end of the Short-Term Deferral Period (as defined below) or (ii) permits the Participant granted the Award to elect one or more dates or events upon which the Award will be settled after the end of the Short-Term Deferral Period.

Subject to the provisions of Section 409A, the term "***Short-Term Deferral Period***" means the 21/2 month period ending on the later of (i) the 15th day of the third month following the end of the Participant's taxable year in which the right to payment under the applicable portion of the Award is no longer subject to a substantial risk of forfeiture or (ii) the 15th day of the third month following the end of the Company's taxable year in which the right to payment under the applicable portion of the Award is no longer subject to a substantial risk of forfeiture. For this purpose, the term "substantial risk of forfeiture" shall have the meaning provided by Section 409A.

15.2 **Deferral and/or Distribution Elections.** Except as otherwise permitted or required by Section 409A, the following rules shall apply to any compensation deferral and/or payment elections (each, an "***Election***") that may be permitted or required by the Committee pursuant to an Award providing Section 409A Deferred Compensation:

(a) Elections must be in writing and specify the amount of the payment in settlement of an Award being deferred, as well as the time and form of payment as permitted by this Plan.

(b) Elections shall be made by the end of the Participant's taxable year prior to the year in which services commence for which an Award may be granted to the Participant.

(c) Elections shall continue in effect until a written revocation or change in Election is received by the Company, except that a written revocation or change in Election must be received by the Company prior to the last day for making the Election determined in accordance with paragraph (b) above or as permitted by Section 15.3.

15.3 **Subsequent Elections.** Except as otherwise permitted or required by Section 409A, any Award providing Section 409A Deferred Compensation which permits a subsequent Election to delay the payment or change the form of payment in settlement of such Award shall comply with the following requirements:

(a) No subsequent Election may take effect until at least twelve (12) months after the date on which the subsequent Election is made.

(b) Each subsequent Election related to a payment in settlement of an Award not described in Section 15.4(a)(ii), 15.4(a)(iii) or 15.4(a)(vi) must result in a delay of the payment for a period of not less than five (5) years from the date on which such payment would otherwise have been made.

(c) No subsequent Election related to a payment pursuant to Section 15.4(a)(vi) shall be made less than twelve (12) months before the date on which such payment would otherwise have been made.

(d) Subsequent Elections shall continue in effect until a written revocation or change in the subsequent Election is received by the Company, except that a written revocation or change in a subsequent Election must be received by the Company prior to

the last day for making the subsequent Election determined in accordance the preceding paragraphs of this Section 15.3.

15.4 **Payment of Section 409A Deferred Compensation.**

(a) ***Permissible Payments.*** Except as otherwise permitted or required by Section 409A, an Award providing Section 409A Deferred Compensation must provide for payment in settlement of the Award only upon one or more of the following:

(i) The Participant's "separation from service" (as defined by Section 409A);

(ii) The Participant's becoming "disabled" (as defined by Section 409A);

(iii) The Participant's death;

(iv) A time or fixed schedule that is either (i) specified by the Committee upon the grant of an Award and set forth in the Award Agreement evidencing such Award or (ii) specified by the Participant in an Election complying with the requirements of Section 15.2 or 15.3, as applicable;

(v) A change in the ownership or effective control or the Company or in the ownership of a substantial portion of the assets of the Company determined in accordance with Section 409A; or

(vi) The occurrence of an "unforeseeable emergency" (as defined by Section 409A).

(b) ***Installment Payments***. It is the intent of this Plan that any right of a Participant to receive installment payments (within the meaning of Section 409A) shall, for all purposes of Section 409A, be treated as a right to a series of separate payments.

(c) ***Required Delay in Payment to Specified Employee Pursuant to Separation from Service.*** Notwithstanding any provision of the Plan or an Award Agreement to the contrary, except as otherwise permitted by Section 409A, no payment pursuant to Section 15.4(a)(i) in settlement of an Award providing for Section 409A Deferred Compensation may be made to a Participant who is a "specified employee" (as defined by Section 409A) as of the date of the Participant's separation from service before the date (the "***Delayed Payment Date***") that is six (6) months after the date of such Participant's separation from service, or, if earlier, the date of the Participant's death. All such amounts that would, but for this paragraph, become payable prior to the Delayed Payment Date shall be accumulated and paid on the Delayed Payment Date.

(d) ***Payment Upon Disability.*** All distributions of Section 409A Deferred Compensation payable pursuant to Section 15.4(a)(ii) by reason of a Participant becoming disabled shall be paid in a lump sum or in periodic installments as established by the Participant's Election. If the Participant has made no Election with respect to distributions of Section 409A Deferred Compensation upon becoming disabled, all such distributions shall be paid in a lump sum upon the determination that the Participant has become disabled.

(e) ***Payment Upon Death.*** If a Participant dies before complete distribution of amounts payable upon settlement of an Award subject to Section 409A, such undistributed amounts shall be distributed to his or her beneficiary under the distribution method for death established by the Participant's Election upon receipt by the Committee of satisfactory notice and confirmation of the Participant's death. If the Participant has made no Election with respect to distributions of Section 409A Deferred Compensation upon death, all such distributions shall be paid in a lump sum upon receipt by the Committee of satisfactory notice and confirmation of the Participant's death.

(f) ***Payment Upon Change in Control.*** Notwithstanding any provision of the Plan or an Award Agreement to the contrary, to the extent that any amount constituting Section 409A Deferred Compensation would become payable under this Plan by reason of a Change in Control, such amount shall become payable only if the event constituting a Change in Control would also constitute a change in ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company within the meaning of Section 409A. Any Award which constitutes Section 409A Deferred Compensation and which would vest and otherwise become payable upon a Change in Control as a result of the failure of the Acquiror to assume, continue or substitute for such Award in accordance with Section 13.1(b) shall vest to the extent provided by such Award but shall be converted automatically at the effective time of such Change in Control into a right to receive, in cash on the date or dates such award would have been settled in accordance with its then existing settlement schedule (or as required by Section 15.4(c)), an amount or amounts equal in the aggregate to the intrinsic value of the Award at the time of the Change in Control.

(g) ***Payment Upon Unforeseeable Emergency.*** The Committee shall have the authority to provide in the Award Agreement evidencing any Award providing for Section 409A Deferred Compensation for payment pursuant to Section 15.4(a)(vi) in settlement of all or a portion of such Award in the event that a Participant establishes, to the satisfaction of the Committee, the occurrence of an unforeseeable emergency. In such event, the amount(s) distributed with respect to such unforeseeable emergency cannot exceed the amounts reasonably necessary to satisfy the emergency need plus amounts necessary to pay taxes reasonably anticipated as a result of such distribution(s), after taking into account the extent to which such emergency need is or may be relieved through reimbursement or compensation by insurance or otherwise, by liquidation of the Participant's assets (to the extent the liquidation of such assets would not itself cause severe financial hardship) or by cessation of deferrals under the Award. All distributions with respect to an unforeseeable emergency shall be made in a lump sum upon the Committee's determination that an unforeseeable emergency has occurred. The Committee's decision with respect to whether an unforeseeable emergency has occurred and the manner in which, if at all, the payment in settlement of an Award shall be altered or modified, shall be final, conclusive, and not subject to approval or appeal.

(h) ***Prohibition of Acceleration of Payments.*** Notwithstanding any provision of the Plan or an Award Agreement to the contrary, this Plan does not permit the acceleration of the time or schedule of any payment under an Award providing Section 409A Deferred Compensation, except as permitted by Section 409A.

(i) ***No Representation Regarding Section 409A Compliance***. Notwithstanding any other provision of the Plan, the Company makes no representation that Awards shall be exempt from or comply with Section 409A. No Participating Company shall be liable for any tax, penalty or interest imposed on a Participant by Section 409A.

16. **TAX WITHHOLDING.**

16.1 **Tax Withholding in General.** The Company shall have the right to deduct from any and all payments made under the Plan, or to require the Participant, through payroll withholding, cash payment or otherwise, to make adequate provision for, the federal, state, local and foreign taxes (including social insurance), if any, required by law to be withheld by any Participating Company with respect to an Award or the shares acquired pursuant thereto. The Company shall have no obligation to deliver shares of Stock, to release shares of Stock from an escrow established pursuant to an Award Agreement, or to make any payment in cash under the Plan until the Participating Company Group's tax withholding obligations have been satisfied by the Participant.

16.2 **Withholding in or Directed Sale of Shares.** The Company shall have the right, but not the obligation, to deduct from the shares of Stock issuable to a Participant upon the exercise or settlement of an Award, or to accept from the Participant the tender of, a number of whole shares of Stock having a Fair Market Value, as determined by the Company, equal to all or any part of the tax withholding obligations of any Participating Company. The Fair Market Value of any shares of Stock withheld or tendered to satisfy any such tax withholding obligations shall not exceed the amount determined by the applicable minimum statutory withholding rates (or the maximum individual statutory withholding rates for the applicable jurisdiction if use of such rates would not result in adverse accounting consequences or cost). The Company may require a Participant to direct a broker, upon the vesting, exercise or settlement of an Award, to sell a portion of the shares subject to the Award determined by the Company in its discretion to be sufficient to cover the tax withholding obligations of any Participating Company and to remit an amount equal to such tax withholding obligations to such Participating Company in cash.

17. **AMENDMENT, SUSPENSION OR TERMINATION OF PLAN.**

The Committee may amend, suspend or terminate the Plan at any time. However, without the approval of the Company's stockholders, there shall be (a) no increase in the maximum aggregate number of shares of Stock that may be issued under the Plan (except by operation of the provisions of Sections 4.2 and 4.3, (b) no change in the class of persons eligible to receive Incentive Stock Options, and (c) no other amendment of the Plan that would require approval of the Company's stockholders under any applicable law, regulation or rule, including the rules of any stock exchange or quotation system upon which the Stock may then be listed or quoted. No amendment, suspension or termination of the Plan shall affect any then outstanding Award unless expressly provided by the Committee. Except as provided by the next sentence,

no amendment, suspension or termination of the Plan may have a materially adverse effect on any then outstanding Award without the consent of the Participant. Notwithstanding any other provision of the Plan or any Award Agreement to the contrary, the Committee may, in its sole and absolute discretion and without the consent of any Participant, amend the Plan or any Award Agreement, to take effect retroactively or otherwise, as it deems necessary or advisable for the purpose of conforming the Plan or such Award Agreement to any present or future law, regulation or rule applicable to the Plan, including, but not limited to, Section 409A.

18. **MISCELLANEOUS PROVISIONS.**

18.1 **Repurchase Rights.** Shares issued under the Plan may be subject to one or more repurchase options, or other conditions and restrictions as determined by the Committee in its discretion at the time the Award is granted. The Company shall have the right to assign at any time any repurchase right it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the Company. Upon request by the Company, each Participant shall execute any agreement evidencing such transfer restrictions prior to the receipt of shares of Stock hereunder and shall promptly present to the Company any and all certificates representing shares of Stock acquired hereunder for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

18.2 **Forfeiture Events.**

(a) The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of Service for Cause or any act by a Participant, whether before or after termination of Service, that would constitute Cause for termination of Service, or any accounting restatement due to material noncompliance of the Company with any financial reporting requirements of securities laws as a result of which, and to the extent that, such reduction, cancellation, forfeiture, or recoupment is required by applicable securities laws. In addition, to the extent that claw-back or similar provisions applicable to Awards are required by applicable law, listing standards and/or policies adopted by the Company, Awards granted under the Plan shall be subject to such provisions.

(b) If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under the securities laws, any Participant who knowingly or through gross negligence engaged in the misconduct, or who knowingly or through gross negligence failed to prevent the misconduct, and any Participant who is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002, shall reimburse the Company for (i) the amount of any payment in settlement of an Award received by such Participant during the twelve- (12-) month period following the first public issuance or filing with the United States Securities and Exchange Commission (whichever first occurred) of the financial document embodying such financial reporting requirement, and (ii) any profits realized by such Participant from the sale of securities of the Company during such twelve- (12-) month period.

18.3 **Provision of Information.** Each Participant shall be given access to information concerning the Company equivalent to that information generally made available to the Company's common stockholders.

18.4 **Rights as Employee, Consultant or Director.** No person, even though eligible pursuant to Section 5, shall have a right to be selected as a Participant, or, having been so selected, to be selected again as a Participant. Nothing in the Plan or any Award granted under the Plan shall confer on any Participant a right to remain an Employee, Consultant or Director or interfere with or limit in any way any right of a Participating Company to terminate the Participant's Service at any time. To the extent that an Employee of a Participating Company other than the Company receives an Award under the Plan, that Award shall in no event be understood or interpreted to mean that the Company is the Employee's employer or that the Employee has an employment relationship with the Company.

18.5 **Rights as a Stockholder.** A Participant shall have no rights as a stockholder with respect to any shares covered by an Award until the date of the issuance of such shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). No adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date such shares are issued, except as provided in Section 4 or another provision of the Plan.

18.6 **Delivery of Title to Shares.** Subject to any governing rules or regulations, the Company shall issue or cause to be issued the shares of Stock acquired pursuant to an Award and shall deliver such shares to or for the benefit of the Participant by means of one or more of the following: (a) by delivering to the Participant evidence of book entry shares of Stock credited to the account of the Participant, (b) by depositing such shares of Stock for the benefit of the Participant with any broker with which the Participant has an account relationship, or (c) by delivering such shares of Stock to the Participant in certificate form.

18.7 **Fractional Shares.** The Company shall not be required to issue fractional shares upon the exercise or settlement of any Award.

18.8 **Retirement and Welfare Plans**. Neither Awards made under this Plan nor shares of Stock or cash paid pursuant to such Awards may be included as "compensation" for purposes of computing the benefits payable to any Participant under any Participating Company's retirement plans (both qualified and non-qualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit. In addition, unless a written employment agreement or other service agreement specifically references Awards, a general reference to "benefits" or a similar term in such agreement shall not be deemed to refer to Awards granted hereunder.

18.9 **Beneficiary Designation.** Subject to local laws and procedures, each Participant may file with the Company a written designation of a beneficiary who is to receive any benefit under the Plan to which the Participant is entitled in the event of such Participant's death before he or she receives any or all of such benefit. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's

lifetime. If a married Participant designates a beneficiary other than the Participant's spouse, the effectiveness of such designation may be subject to the consent of the Participant's spouse. If a Participant dies without an effective designation of a beneficiary who is living at the time of the Participant's death, the Company will pay any remaining unpaid benefits to the Participant's legal representative.

18.10 **Severability**. If any one or more of the provisions (or any part thereof) of this Plan shall be held invalid, illegal or unenforceable in any respect, such provision shall be modified so as to make it valid, legal and enforceable, and the validity, legality and enforceability of the remaining provisions (or any part thereof) of the Plan shall not in any way be affected or impaired thereby.

18.11 **No Constraint on Corporate Action.** Nothing in this Plan shall be construed to: (a) limit, impair, or otherwise affect the Company's or another Participating Company's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or (b) limit the right or power of the Company or another Participating Company to take any action which such entity deems to be necessary or appropriate.

18.12 **Unfunded Obligation.** Participants shall have the status of general unsecured creditors of the Company. Any amounts payable to Participants pursuant to the Plan shall be considered unfunded and unsecured obligations for all purposes, including, without limitation, Title I of the Employee Retirement Income Security Act of 1974. No Participating Company shall be required to segregate any monies from its general funds, or to create any trusts, or establish any special accounts with respect to such obligations. The Company shall retain at all times beneficial ownership of any investments, including trust investments, which the Company may make to fulfill its payment obligations hereunder. Any investments or the creation or maintenance of any trust or any Participant account shall not create or constitute a trust or fiduciary relationship between the Committee or any Participating Company and a Participant, or otherwise create any vested or beneficial interest in any Participant or the Participant's creditors in any assets of any Participating Company. The Participants shall have no claim against any Participating Company for any changes in the value of any assets which may be invested or reinvested by the Company with respect to the Plan.

18.13 **Choice of Law.** Except to the extent governed by applicable federal law, the validity, interpretation, construction and performance of the Plan and each Award Agreement shall be governed by the laws of the State of Delaware, without regard to its conflict of law rules.

**IN WITNESS WHEREOF**, the undersigned Secretary of the Company certifies that the foregoing sets forth the Verra Mobility Corporation 2018 Equity Incentive Plan as duly adopted by the Board on July 10, 2018.

Verra Mobility Corporation, a Delaware corporation (the "***Company***") has granted to the Participant named in the *Notice of Grant of Restricted Stock Units* (the "***Grant Notice***") to which this Restricted Stock Units Agreement (the "***Agreement***") is attached an Award consisting of Restricted Stock Units (each a "***Unit***") subject to the terms and conditions set forth in the Grant Notice and this Agreement. The Award has been granted pursuant to and shall in all respects be subject to the terms and conditions of the Verra Mobility Corporation 2018 Equity Incentive Plan (the "***Plan***"), as amended to the Date of Grant, the provisions of which are incorporated herein by reference. By signing the Grant Notice, the Participant: (a) acknowledges receipt of and represents that the Participant has read and is familiar with the Grant Notice, this Agreement, the Plan and a prospectus for the Plan prepared in connection with the registration with the Securities and Exchange Commission of the shares issuable pursuant to the Award (the "***Plan Prospectus***"), (b) accepts the Award subject to all of the terms and conditions of the Grant Notice, this Agreement and the Plan and (c) agrees to accept as binding, conclusive and final all decisions or interpretations of the Committee upon any questions arising under the Grant Notice, this Agreement or the Plan.

1. **DEFINITIONS AND CONSTRUCTION.**

1.1 **Definitions.** Unless otherwise defined herein, capitalized terms shall have the meanings assigned to such terms in the Grant Notice or the Plan.

1.2 **Construction.** Captions and titles contained herein are for convenience only and shall not affect the meaning or interpretation of any provision of this Agreement. Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. Use of the term "or" is not intended to be exclusive, unless the context clearly requires otherwise.

2. **ADMINISTRATION.**

All questions of interpretation concerning the Grant Notice, this Agreement, the Plan or any other form of agreement or other document employed by the Company in the administration of the Plan or the Award shall be determined by the Committee. All such determinations by the Committee shall be final, binding and conclusive upon all persons having an interest in the Award, unless fraudulent or made in bad faith. Any and all actions, decisions and determinations taken or made by the Committee in the exercise of its discretion pursuant to the Plan or the Award or other agreement thereunder (other than determining questions of interpretation pursuant to the preceding sentence) shall be final, binding and conclusive upon all persons having an interest in the Award. Any Officer shall have the authority to act on behalf of the Company with respect to any matter, right, obligation, or election which is the responsibility of or which is allocated to the Company herein, provided the Officer has apparent authority with respect to such matter, right, obligation, or election.

3. **THE AWARD.**

3.1 **Grant of Units.** On the Date of Grant, the Participant shall acquire, subject to the provisions of this Agreement, the Total Number of Units set forth in the Grant Notice, subject to adjustment as provided in Section 9. Each Unit represents a right to receive on a date determined in accordance with the Grant Notice and this Agreement one (1) share of Stock.

3.2 **No Monetary Payment Required.** The Participant is not required to make any monetary payment (other than applicable tax withholding, if any) as a condition to receiving the Units or shares of Stock issued upon settlement of the Units, the consideration for which shall be past services actually rendered or future services to be rendered to a Participating Company or for its benefit. Notwithstanding the foregoing, if required by applicable law, the Participant shall furnish consideration in the form of cash or past services rendered to a Participating Company or for its benefit having a value not less than the par value of the shares of Stock issued upon settlement of the Units.

4. **VESTING OF UNITS.**

Units acquired pursuant to this Agreement shall become Vested Units as provided in the Grant Notice. For purposes of determining the number of Vested Units following an Ownership Change Event, credited Service shall include all Service with any corporation which is a Participating Company at the time the Service is rendered, whether or not such corporation is a Participating Company both before and after the Ownership Change Event.

5. **COMPANY REACQUISITION RIGHT.**

5.1 **Grant of Company Reacquisition Right.** Except to the extent otherwise provided by the Superseding Agreement, if any, in the event that the Participant's Service terminates for any reason or no reason, with or without cause, the Participant shall forfeit and the Company shall automatically reacquire all Units which are not, as of the time of such termination, Vested Units (***"Unvested Units"***), and the Participant shall not be entitled to any payment therefor (the ***"Company Reacquisition Right"***).

5.2 **Ownership Change Event, Non-Cash Dividends, Distributions and Adjustments.** Upon the occurrence of an Ownership Change Event, a dividend or distribution to the stockholders of the Company paid in shares of Stock or other property, or any other adjustment upon a change in the capital structure of the Company as described in Section 9, any and all new, substituted or additional securities or other property (other than regular, periodic cash dividends paid on Stock pursuant to the Company's dividend policy) to which the Participant is entitled by reason of the Participant's ownership of Unvested Units shall be immediately subject to the Company Reacquisition Right and included in the terms "Units" and "Unvested Units" for all purposes of the Company Reacquisition Right with the same force and effect as the Unvested Units immediately prior to the Ownership Change Event, dividend, distribution or adjustment, as the case may be. For purposes of determining the number of Vested Units following an Ownership Change Event, dividend, distribution or adjustment, credited Service shall include all Service with any corporation which is a Participating Company at the time the Service is rendered, whether or not such corporation is a Participating Company both before and after any such event.

6. **SETTLEMENT OF THE AWARD.**

6.1 **Issuance of Shares of Stock.** Subject to the provisions of Section 6.3, the Company shall issue to the Participant on the Settlement Date with respect to each Vested Unit to be settled on such date one (1) share of Stock. The Settlement Date with respect to a Unit shall be the date on which such Unit becomes a Vested Unit as provided by the Grant Notice (an *"**Original Settlement Date**"*); provided, however, that if the tax withholding obligations of a Participating Company, if any, will not be satisfied by the share withholding method described in Section 7.3 and the Original Settlement Date would occur on a date on which a sale by the Participant of the shares to be issued in settlement of the Vested Units would violate the Trading Compliance Policy of the Company, then the Settlement Date for such Vested Units shall be deferred until the next day on which the sale of such shares would not violate the Trading Compliance Policy, but in any event on or before the 15th day of the third calendar month following calendar year of the Original Settlement Date. Shares of Stock issued in settlement of Units shall not be subject to any restriction on transfer other than any such restriction as may be required pursuant to Section 6.3, Section 7 or the Company's Trading Compliance Policy.

6.2 **Beneficial Ownership of Shares; Certificate Registration.** The Participant hereby authorizes the Company, in its sole discretion, to deposit any or all shares acquired by the Participant pursuant to the settlement of the Award with the Company's transfer agent, including any successor transfer agent, to be held in book entry form, or to deposit such shares for the benefit of the Participant with any broker with which the Participant has an account relationship of which the Company has notice. Except as provided by the foregoing, a certificate for the shares acquired by the Participant shall be registered in the name of the Participant, or, if applicable, in the names of the heirs of the Participant.

6.3 **Restrictions on Grant of the Award and Issuance of Shares.** The grant of the Award and issuance of shares of Stock upon settlement of the Award shall be subject to compliance with all applicable requirements of federal, state or foreign law with respect to such securities. No shares of Stock may be issued hereunder if the issuance of such shares would constitute a violation of any applicable federal, state or foreign securities laws or other law or regulations or the requirements of any stock exchange or market system upon which the Stock may then be listed. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company's legal counsel to be necessary to the lawful issuance of any shares subject to the Award shall relieve the Company of any liability in respect of the failure to issue such shares as to which such requisite authority shall not have been obtained. As a condition to the settlement of the Award, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any applicable law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company.

6.4 **Fractional Shares.** The Company shall not be required to issue fractional shares upon the settlement of the Award.

7. **TAX WITHHOLDING.**

7.1 **In General.** At the time the Grant Notice is executed, or at any time thereafter as requested by a Participating Company, the Participant hereby authorizes withholding from payroll and any other amounts payable to the Participant, and otherwise agrees to make adequate provision for, any sums required to satisfy the federal, state, local and foreign tax (including any social insurance) withholding obligations of the Participating Company, if any, which arise in connection with the Award, the vesting of Units or the issuance of shares of Stock in settlement thereof. The Company shall have no obligation to deliver shares of Stock until the tax withholding obligations of the Participating Company have been satisfied by the Participant.

7.2 **Assignment of Sale Proceeds.** Subject to compliance with applicable law and the Company's Trading Compliance Policy, if permitted by the Company, the Participant may satisfy the Participating Company's tax withholding obligations in accordance with procedures established by the Company providing for delivery by the Participant to the Company or a broker approved by the Company of properly executed instructions, in a form approved by the Company, providing for the assignment to the Company of the proceeds of a sale with respect to some or all of the shares being acquired upon settlement of Units.

7.3 **Withholding in Shares.** The Company shall have the right, but not the obligation, to require the Participant to satisfy all or any portion of a Participating Company's tax withholding obligations by deducting from the shares of Stock otherwise deliverable to the Participant in settlement of the Award a number of whole shares having a fair market value, as determined by the Company as of the date on which the tax withholding obligations arise, not in excess of the amount of such tax withholding obligations determined by the applicable minimum statutory withholding rates if required to avoid liability classification of the Award under generally accepted accounting principles in the United States.

8. **EFFECT OF CHANGE IN CONTROL.**

In the event of a Change in Control, the Award shall be treated as set forth in Section 13 of the Plan.

9. **ADJUSTMENTS FOR CHANGES IN CAPITAL STRUCTURE.**

The Award shall be subject to and treated as set forth in Section 4.3 of the Plan.

10. **RIGHTS AS A STOCKHOLDER, DIRECTOR, EMPLOYEE OR CONSULTANT.**

The Participant shall have no rights as a stockholder with respect to any shares which may be issued in settlement of this Award until the date of the issuance of such shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). No adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date the shares are issued, except as provided in Section 9. If the Participant is an Employee, the Participant understands and acknowledges that, except as otherwise provided in a separate, written employment agreement between a Participating Company and the Participant, the Participant's employment is "at will" and is for

no specified term. Nothing in this Agreement shall confer upon the Participant any right to continue in the Service of a Participating Company or interfere in any way with any right of the Participating Company Group to terminate the Participant's Service at any time.

11. **LEGENDS.**

The Company may at any time place legends referencing any applicable federal, state or foreign securities law restrictions on all certificates representing shares of stock issued pursuant to this Agreement. The Participant shall, at the request of the Company, promptly present to the Company any and all certificates representing shares acquired pursuant to this Award in the possession of the Participant in order to carry out the provisions of this Section.

12. **COMPLIANCE WITH SECTION 409A.**

It is intended that any election, payment or benefit which is made or provided pursuant to or in connection with this Award that may result in Section 409A Deferred Compensation shall comply in all respects with the applicable requirements of Section 409A (including applicable regulations or other administrative guidance thereunder, as determined by the Committee in good faith) to avoid the unfavorable tax consequences provided therein for non-compliance. In connection with effecting such compliance with Section 409A, the following shall apply:

12.1 **Separation from Service; Required Delay in Payment to Specified Employee.** Notwithstanding anything set forth herein to the contrary, no amount payable pursuant to this Agreement on account of the Participant's termination of Service which constitutes a "deferral of compensation" within the meaning of the Treasury Regulations issued pursuant to Section 409A of the Code (the "***Section 409A Regulations***") shall be paid unless and until the Participant has incurred a "separation from service" within the meaning of the Section 409A Regulations. Furthermore, to the extent that the Participant is a "specified employee" within the meaning of the Section 409A Regulations as of the date of the Participant's separation from service, no amount that constitutes a deferral of compensation which is payable on account of the Participant's separation from service shall be paid to the Participant before the date (the "***Delayed Payment Date***") which is first day of the seventh month after the date of the Participant's separation from service or, if earlier, the date of the Participant's death following such separation from service. All such amounts that would, but for this Section, become payable prior to the Delayed Payment Date will be accumulated and paid on the Delayed Payment Date.

12.2 **Other Changes in Time of Payment.** Neither the Participant nor the Company shall take any action to accelerate or delay the payment of any benefits under this Agreement in any manner which would not be in compliance with the Section 409A Regulations.

12.3 **Amendments to Comply with Section 409A; Indemnification.** Notwithstanding any other provision of this Agreement to the contrary, the Company is authorized to amend this Agreement, to void or amend any election made by the Participant under this Agreement and/or to delay the payment of any monies and/or provision of any benefits in such manner as may be determined by the Company, in its discretion, to be necessary

or appropriate to comply with the Section 409A Regulations without prior notice to or consent of the Participant. The Participant hereby releases and holds harmless the Company, its directors, officers and stockholders from any and all claims that may arise from or relate to any tax liability, penalties, interest, costs, fees or other liability incurred by the Participant in connection with the Award, including as a result of the application of Section 409A.

12.4 **Advice of Independent Tax Advisor.** The Company has not obtained a tax ruling or other confirmation from the Internal Revenue Service with regard to the application of Section 409A to the Award, and the Company does not represent or warrant that this Agreement will avoid adverse tax consequences to the Participant, including as a result of the application of Section 409A to the Award. The Participant hereby acknowledges that he or she has been advised to seek the advice of his or her own independent tax advisor prior to entering into this Agreement and is not relying upon any representations of the Company or any of its agents as to the effect of or the advisability of entering into this Agreement.

13. **MISCELLANEOUS PROVISIONS.**

13.1 **Termination or Amendment.** The Committee may terminate or amend the Plan or this Agreement at any time; provided, however, that except as provided in Section 8 in connection with a Change in Control, no such termination or amendment may have a materially adverse effect on the Participant's rights under this Agreement without the consent of the Participant unless such termination or amendment is necessary to comply with applicable law or government regulation, including, but not limited to, Section 409A. No amendment or addition to this Agreement shall be effective unless in writing.

13.2 **Nontransferability of the Award.** Prior to the issuance of shares of Stock on the applicable Settlement Date, neither this Award nor any Units subject to this Award shall be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. All rights with respect to the Award shall be exercisable during the Participant's lifetime only by the Participant or the Participant's guardian or legal representative.

13.3 **Further Instruments.** The parties hereto agree to execute such further instruments and to take such further action as may reasonably be necessary to carry out the intent of this Agreement.

13.4 **Binding Effect.** This Agreement shall inure to the benefit of the successors and assigns of the Company and, subject to the restrictions on transfer set forth herein, be binding upon the Participant and the Participant's heirs, executors, administrators, successors and assigns.

13.5 **Delivery of Documents and Notices.** Any document relating to participation in the Plan or any notice required or permitted hereunder shall be given in writing and shall be deemed effectively given (except to the extent that this Agreement provides for effectiveness only upon actual receipt of such notice) upon personal delivery, electronic delivery at the e-mail address, if any, provided for the Participant by a Participating Company, or upon

deposit in the U.S. Post Office or foreign postal service, by registered or certified mail, or with a nationally recognized overnight courier service, with postage and fees prepaid, addressed to the other party at the address of such party set forth in the Grant Notice or at such other address as such party may designate in writing from time to time to the other party.

(a) ***Description of Electronic Delivery and Signature.*** The Plan documents, which may include but do not necessarily include: the Plan, the Grant Notice, this Agreement, the Plan Prospectus, and any reports of the Company provided generally to the Company's stockholders, may be delivered to the Participant electronically. In addition, if permitted by the Company, the Participant may deliver electronically the Grant Notice to the Company or to such third party involved in administering the Plan as the Company may designate from time to time. Such means of electronic delivery may include but do not necessarily include the delivery of a link to a Company intranet or the Internet site of a third party involved in administering the Plan, the delivery of the document via e-mail or such other means of electronic delivery specified by the Company. Any and all such documents and notices may be electronically signed.

(b) ***Consent to Electronic Delivery and Signature.*** The Participant acknowledges that the Participant has read Section 13.5(a) of this Agreement and consents to the electronic delivery of the Plan documents and, if permitted by the Company, the delivery of the Grant Notice, as described in Section 13.5(a). The Participant agrees that any and all such documents requiring a signature may be electronically signed and that such electronic signature shall have the same effect as handwritten signature for the purposes of validity, enforceability and admissibility. The Participant acknowledges that he or she may receive from the Company a paper copy of any documents delivered electronically at no cost to the Participant by contacting the Company by telephone or in writing. The Participant further acknowledges that the Participant will be provided with a paper copy of any documents if the attempted electronic delivery of such documents fails. Similarly, the Participant understands that the Participant must provide the Company or any designated third party administrator with a paper copy of any documents if the attempted electronic delivery of such documents fails. The Participant may revoke his or her consent to the electronic delivery of documents described in Section 13.5(a) or may change the electronic mail address to which such documents are to be delivered (if Participant has provided an electronic mail address) at any time by notifying the Company of such revoked consent or revised e-mail address by telephone, postal service or electronic mail. Finally, the Participant understands that he or she is not required to consent to electronic delivery of documents described in Section 13.5(a).

13.6 **Integrated Agreement.** The Grant Notice, this Agreement and the Plan, together with the Superseding Agreement, if any, shall constitute the entire understanding and agreement of the Participant and the Participating Company Group with respect to the subject matter contained herein or therein and supersede any prior agreements, understandings, restrictions, representations, or warranties among the Participant and the Participating Company Group with respect to such subject matter. To the extent contemplated herein or therein, the provisions of the Grant Notice, this Agreement and the Plan shall survive any settlement of the Award and shall remain in full force and effect.

13.7 **Applicable Law.** This Agreement shall be governed by the laws of the State of Delaware as such laws are applied to agreements between Delaware residents entered into and to be performed entirely within the State of Delaware.

13.8 **Counterparts.** The Grant Notice may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

The Award has been granted pursuant to and shall in all respects be subject to the terms and conditions of the Verra Mobility Corporation 2018 Equity Incentive Plan (the "***Plan***"), as amended to the Date of Grant, the provisions of which are incorporated herein by reference. By signing the Grant Notice, the Participant: (a) acknowledges receipt of and represents that the Participant has read and is familiar with the Grant Notice, this Agreement, the Plan and a prospectus for the Plan prepared in connection with the registration with the Securities and Exchange Commission of the shares issuable pursuant to the Award (the "***Plan Prospectus***"), (b) accepts the Award subject to all of the terms and conditions of the Grant Notice, this Agreement and the Plan and (c) agrees to accept as binding, conclusive and final all decisions or interpretations of the Committee upon any questions arising under the Grant Notice, this Agreement or the Plan.

1. **DEFINITIONS AND CONSTRUCTION.**

1.1 **Definitions.** Unless otherwise defined herein, capitalized terms shall have the meanings assigned to such terms in the Grant Notice or the Plan.

1.2 **Construction.** Captions and titles contained herein are for convenience only and shall not affect the meaning or interpretation of any provision of this Agreement. Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. Use of the term "or" is not intended to be exclusive, unless the context clearly requires otherwise.

2. **ADMINISTRATION.**

All questions of interpretation concerning the Grant Notice, this Agreement, the Plan or any other form of agreement or other document employed by the Company in the administration of the Plan or the Award shall be determined by the Committee. All such determinations by the Committee shall be final, binding and conclusive upon all persons having an interest in the Award, unless fraudulent or made in bad faith. Any and all actions, decisions and determinations taken or made by the Committee in the exercise of its discretion pursuant to the Plan or the Award or other agreement thereunder (other than determining questions of interpretation pursuant to the preceding sentence) shall be final, binding and conclusive upon all persons having an interest in the Award. Any Officer shall have the authority to act on behalf of the Company with respect to any matter, right, obligation, or election which is the responsibility of or which is allocated to the Company herein, provided the Officer has apparent authority with respect to such matter, right, obligation, or election.

3. **THE AWARD.**

3.1 **Grant of Units.** On the Date of Grant, the Participant shall acquire, subject to the provisions of this Agreement, the Total Number of Units set forth in the Grant Notice, subject to adjustment as provided in Section 9. Each Unit represents a right to receive on a date determined in accordance with the Grant Notice and this Agreement one (1) share of Stock.

3.2 **No Monetary Payment Required.** The Participant is not required to make any monetary payment (other than applicable tax withholding, if any) as a condition to receiving the Units or shares of Stock issued upon settlement of the Units, the consideration for which shall be past services actually rendered or future services to be rendered to a Participating Company or for its benefit. Notwithstanding the foregoing, if required by applicable law, the Participant shall furnish consideration in the form of cash or past services rendered to a Participating Company or for its benefit having a value not less than the par value of the shares of Stock issued upon settlement of the Units.

4. **VESTING OF UNITS**.

Units acquired pursuant to this Agreement shall become Vested Units as provided in the Grant Notice. For purposes of determining the number of Vested Units following an Ownership Change Event, credited Service shall include all Service with any corporation which is a Participating Company at the time the Service is rendered, whether or not such corporation is a Participating Company both before and after the Ownership Change Event.

5. **COMPANY REACQUISITION RIGHT.**

5.1 **Grant of Company Reacquisition Right.** Except to the extent otherwise provided by the Superseding Agreement, if any, in the event that the Participant's Service terminates for any reason or no reason, with or without cause, the Participant shall forfeit and the Company shall automatically reacquire all Units which are not, as of the time of such termination, Vested Units (***"Unvested Units"***), and the Participant shall not be entitled to any payment therefor (the ***"Company Reacquisition Right"***).

5.2 **Ownership Change Event, Non-Cash Dividends, Distributions and Adjustments.** Upon the occurrence of an Ownership Change Event, a dividend or distribution to the stockholders of the Company paid in shares of Stock or other property, or any other adjustment upon a change in the capital structure of the Company as described in Section 9, any and all new, substituted or additional securities or other property (other than regular, periodic cash dividends paid on Stock pursuant to the Company's dividend policy) to which the Participant is entitled by reason of the Participant's ownership of Unvested Units shall be immediately subject to the Company Reacquisition Right and included in the terms "Units" and "Unvested Units" for all purposes of the Company Reacquisition Right with the same force and effect as the Unvested Units immediately prior to the Ownership Change Event, dividend, distribution or adjustment, as the case may be. For purposes of determining the number of Vested Units following an Ownership Change Event, dividend, distribution or adjustment, credited Service shall include all Service with any corporation which is a Participating Company

at the time the Service is rendered, whether or not such corporation is a Participating Company both before and after any such event.

6. **SETTLEMENT OF THE AWARD.**

6.1 **Issuance of Shares of Stock.** Subject to the provisions of Section 6.3, the Company shall issue to the Participant on the Settlement Date with respect to each Vested Unit to be settled on such date one (1) share of Stock. The Settlement Date with respect to a Unit shall be the date on which such Unit becomes a Vested Unit as provided by the Grant Notice (an "***Original Settlement Date***"); provided, however, that if the tax withholding obligations of a Participating Company, if any, will not be satisfied by the share withholding method described in Section 7.3 and the Original Settlement Date would occur on a date on which a sale by the Participant of the shares to be issued in settlement of the Vested Units would violate the Trading Compliance Policy of the Company, then the Settlement Date for such Vested Units shall be deferred until the next day on which the sale of such shares would not violate the Trading Compliance Policy, but in any event on or before the 15th day of the third calendar month following calendar year of the Original Settlement Date. Shares of Stock issued in settlement of Units shall not be subject to any restriction on transfer other than any such restriction as may be required pursuant to Section 6.3, Section 7 or the Company's Trading Compliance Policy.

Except as provided by the foregoing, a certificate for the shares acquired by the Participant shall be registered in the name of the Participant, or, if applicable, in the names of the heirs of the Participant.

6.3 **Restrictions on Grant of the Award and Issuance of Shares.** The grant of the Award and issuance of shares of Stock upon settlement of the Award shall be subject to compliance with all applicable requirements of federal, state or foreign law with respect to such securities. No shares of Stock may be issued hereunder if the issuance of such shares would constitute a violation of any applicable federal, state or foreign securities laws or other law or regulations or the requirements of any stock exchange or market system upon which the Stock may then be listed. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company's legal counsel to be necessary to the lawful issuance of any shares subject to the Award shall relieve the Company of any liability in respect of the failure to issue such shares as to which such requisite authority shall not have been obtained. As a condition to the settlement of the Award, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any applicable law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company.

6.4 **Fractional Shares.** The Company shall not be required to issue fractional shares upon the settlement of the Award.

7. **TAX WITHHOLDING.**

7.1 **In General.** Regardless of any action taken by the Company or any other Participating Company with respect to any or all income tax, social insurance, National Insurance Contributions, payroll tax, payment on account or other tax-related withholding obligations in connection with any aspect of the Award, including the grant, vesting or settlement of the Award, the subsequent sale of shares acquired pursuant to such settlement, or the receipt of any dividends and (the *"**Tax Obligations**"*), the Participant acknowledges that the ultimate liability for all Tax Obligations legally due by the Participant is and remains the Participant's responsibility and that the Company (a) makes no representations or undertakings regarding the treatment of any Tax Obligations and (b) does not commit to structure the terms of the grant or any other aspect of the Award to reduce or eliminate the Participant's liability for Tax Obligations. The Participant shall pay or make adequate arrangements satisfactory to the Company to satisfy all Tax Obligations of the Company and any other Participating Company at the time such Tax Obligations arise. In this regard, the Participant hereby authorizes withholding of all applicable Tax Obligations from payroll and any other amounts payable to the Participant, and otherwise agrees to make adequate provision for withholding of all applicable Tax Obligations, if any, by each Participating Company which arise in connection with the Award. The Company shall have no obligation to process the settlement of the Award or to deliver shares until the Tax Obligations as described in this Section have been satisfied by the Participant.

7.2 **Assignment of Sale Proceeds.** Subject to compliance with applicable law, including local law, and the Company's Trading Compliance Policy, if permitted by the Company, the Participant may satisfy the Tax Obligations in accordance with procedures established by the Company providing for delivery by the Participant to the Company or a broker approved by the Company of properly executed instructions, in a form approved by the Company, providing for the assignment to a Participating Company of the proceeds of a sale with respect to some or all of the shares being acquired upon settlement of Units.

7.3 **Withholding in Shares.** If permissible under applicable law, including local law, the Company shall have the right, but not the obligation, to require the Participant to satisfy all or any portion of the Tax Obligations by deducting from the shares of Stock otherwise deliverable to the Participant in settlement of the Award a number of whole shares having a fair market value, as determined by the Company as of the date on which the Tax Obligations arise, not in excess of the amount of such Tax Obligations determined by the applicable minimum statutory withholding rates.

8. **EFFECT OF CHANGE IN CONTROL.**

In the event of a Change in Control, the Award shall be treated as set forth in Section 13 of the Plan.

9. **ADJUSTMENTS FOR CHANGES IN CAPITAL STRUCTURE.**

The Award shall be subject to and treated as set forth in Section 4.3 of the Plan.

10. **RIGHTS AS A STOCKHOLDER.**

The Participant shall have no rights as a stockholder with respect to any shares which may be issued in settlement of this Award until the date of the issuance of such shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). No adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date the shares are issued, except as provided in Section 9.

11. **SERVICE AND EMPLOYMENT CONDITIONS.**

In accepting the Award, the Participant acknowledges, understands and agrees that:

(a) Any notice period mandated under local law shall not be treated as Service for the purpose of determining the vesting of the Award; and the Participant's right to receive shares in settlement of the Award after termination of Service, if any, will be measured by the date of termination of the Participant's active Service and will not be extended by any notice period mandated under local law. Subject to the foregoing and the provisions of the Plan, the Company, in its sole discretion, shall determine whether the Participant's Service has terminated and the effective date of such termination.

(b) The vesting of the Award shall cease upon, and no Units shall become Vested Units following, the Participant's termination of Service for any reason except as may be explicitly provided by the Plan or this Agreement.

(c) The Plan is established voluntarily by the Company. It is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time, unless otherwise provided in the Plan and this Agreement.

(d) The grant of the Award is voluntary and occasional and does not create any contractual or other right to receive future grants of Awards, or benefits in lieu of Awards, even if Awards have been granted repeatedly in the past.

(e) All decisions with respect to future Award grants, if any, will be at the sole discretion of the Company.

(f) The Participant's participation in the Plan shall not create a right to further Service with any Participating Company and shall not interfere with the ability of with any Participating Company to terminate the Participant's Service at any time, with or without cause.

(g) The Participant is voluntarily participating in the Plan.

(h) The Award is an extraordinary item that does not constitute compensation of any kind for Service of any kind rendered to any Participating Company, and which is outside the scope of the Participant's employment contract, if any.

(i) The Award is not part of normal or expected compensation or salary for any purpose, including, but not limited to, calculating any severance, resignation, termination, redundancy, end-of-service payments, bonuses, long-service awards, pension or retirement benefits or similar payments.

(j) In the event that the Participant is not an employee of the Company, the Award grant will not be interpreted to form an employment contract or relationship with the Company; and furthermore the Award grant will not be interpreted to form an employment contract with any other Participating Company.

(k) The future value of the underlying shares is unknown and cannot be predicted with certainty. If the Participant obtains shares upon settlement of the Award, the value of those shares may increase or decrease.

(l) No claim or entitlement to compensation or damages arises from termination of the Award or diminution in value of the Award or shares acquired upon settlement of the Award resulting from termination of the Participant's Service (for any reason whether or not in breach of local law) and the Participant irrevocably releases the Company and each other Participating Company from any such claim that may arise. If, notwithstanding the foregoing, any such claim is found by a court of competent jurisdiction to have arisen then, by signing this Agreement, the Participant shall be deemed irrevocably to have waived the Participant's entitlement to pursue such a claim.

12. ***DATA PRIVACY CONSENT*.**

**The following provisions shall only apply to the Participant if he or she resides in the UK, EU or EEA:**

*(a) Data collected and Purposes of Collection. The Participant understands that the Company, acting as controller, as well as the employer, may collect, to the extent permissible under applicable law, certain personal information about the Participant, including name, home address and telephone number, information necessary to process the Awards (e.g., mailing address for a check payment or bank account wire transfer information), date of birth, social insurance number or other identification number, salary, nationality, job title, employment location, any capital shares or directorships held in the Company (but only where needed for legal or tax compliance), any other information necessary to process mandatory tax withholding and reporting, details of all Awards granted, canceled, vested, unvested or outstanding in Participant's favor, and where applicable service termination date and reason for termination (all such personal information is referred to as "Data"). The Data is collected from the Participant, the employing Subsidiary, and from the Company, for the exclusive purpose of implementing, administering and managing the Plan pursuant to the terms of this Agreement. The legal basis (that is, the legal justification) for processing the Data is to perform the Agreement. The Data must be provided in order for the Participant to participate in the Plan and for the parties to the Agreement to perform their respective obligations thereunder. If the Participant does not provide Data, her or she will not be able to participate in the Plan and become a party to the Agreement.*

*(b) Transfers and Retention of Data. The Participant understands that the employing Participating Company will transfer Data to the Company for purposes of plan administration. The Company and the employing Subsidiary may also transfer the Participant's Data to other service providers (such as accounting firms, payroll processing firms or tax firms), as may be selected by the Company in the future, to assist the Company with the implementation, administration and management of the Agreement. The Participant understands that the recipients of the Data may be located in the United States, a country that does not benefit from an adequacy decision issued by the European Commission. Where a recipient is located in a country that does not benefit from an adequacy decision, the transfer of the Data to that recipient will be made pursuant to [European Commission-approved standard contractual clauses]/[Binding Corporate Rules], a copy of which may be obtained at [insert email address or other contact information for person who can provide a copy of the relevant document , OR a link to the relevant document; the participant must be able to obtain a copy of the relevant document for free.] The Participant understands that Data will be held only as long as is necessary to implement, administer and manage the Participant's rights and obligations under the Agreement, and for the duration of the relevant statutes of limitations, which may be longer than the term of the Agreement.*

*(c) The Participant's Rights in Respect of Data. The Company will take steps in accordance with applicable legislation to keep Data accurate, complete and up-to-date. The Participant is entitled to have any inadequate, incomplete or incorrect Data corrected (that is, rectified). The Participant also has the right to request access to the Participant's Data as well as additional information about the processing of that Data. Further, the Participant is entitled to object to the processing of Data or have his or her Data erased, under certain circumstances. As from May 25, 2018, and subject to conditions set forth in applicable law, the Participant also is entitled to (i) restrict the processing of the Participant's Data so that it is stored but not actively processed (e.g., while the Company assesses whether the Participant is entitled to have Data erased) and (ii) receive a copy of the Data provided pursuant to the Agreement or generated by the Participant, in a common machine-readable format. To exercise the Participant's rights, he or she may contact the local human resources representative. The Participant may also contact the relevant data protection supervisory authority, as he or she has the right to lodge a complaint.*

13. **LEGENDS.**

The Company may at any time place legends referencing any applicable federal, state or foreign securities law restrictions on all certificates representing shares of stock issued pursuant to this Agreement. The Participant shall, at the request of the Company, promptly present to the Company any and all certificates representing shares acquired pursuant to this Award in the possession of the Participant in order to carry out the provisions of this Section.

14. **COMPLIANCE WITH SECTION 409A.**

It is intended that any election, payment or benefit which is made or provided pursuant to or in connection with this Award that may result in Section 409A Deferred Compensation shall comply in all respects with the applicable requirements of Section 409A (including applicable regulations or other administrative guidance thereunder, as determined by the Committee in good faith) to avoid the unfavorable tax consequences provided therein for non-compliance. In connection with effecting such compliance with Section 409A, the following shall apply:

14.1 **Separation from Service; Required Delay in Payment to Specified Employee.** Notwithstanding anything set forth herein to the contrary, no amount payable pursuant to this Agreement on account of the Participant's termination of Service which constitutes a "deferral of compensation" within the meaning of the Treasury Regulations issued pursuant to Section 409A of the Code (the "***Section 409A Regulations***") shall be paid unless and until the Participant has incurred a "separation from service" within the meaning of the Section 409A Regulations. Furthermore, to the extent that the Participant is a "specified employee" within the meaning of the Section 409A Regulations as of the date of the Participant's separation from service, no amount that constitutes a deferral of compensation which is payable on account of the Participant's separation from service shall be paid to the Participant before the date (the "***Delayed Payment Date***") which is first day of the seventh month after the date of the Participant's separation from service or, if earlier, the date of the Participant's death following such separation from service. All such amounts that would, but for this Section, become payable prior to the Delayed Payment Date will be accumulated and paid on the Delayed Payment Date.

14.2 **Other Changes in Time of Payment.** Neither the Participant nor the Company shall take any action to accelerate or delay the payment of any benefits under this Agreement in any manner which would not be in compliance with the Section 409A Regulations.

14.3 **Amendments to Comply with Section 409A; Indemnification.** Notwithstanding any other provision of this Agreement to the contrary, the Company is authorized to amend this Agreement, to void or amend any election made by the Participant under this Agreement and/or to delay the payment of any monies and/or provision of any benefits in such manner as may be determined by the Company, in its discretion, to be necessary or appropriate to comply with the Section 409A Regulations without prior notice to or consent of the Participant. The Participant hereby releases and holds harmless the Company, its directors, officers and stockholders from any and all claims that may arise from or relate to any tax liability, penalties, interest, costs, fees or other liability incurred by the Participant in connection with the Award, including as a result of the application of Section 409A.

14.4 **Advice of Independent Tax Advisor.** The Company has not obtained a tax ruling or other confirmation from the Internal Revenue Service with regard to the application of Section 409A to the Award, and the Company does not represent or warrant that this Agreement will avoid adverse tax consequences to the Participant, including as a result of the application of Section 409A to the Award. The Participant hereby acknowledges that he or she has been advised to seek the advice of his or her own independent tax advisor prior to entering

into this Agreement and is not relying upon any representations of the Company or any of its agents as to the effect of or the advisability of entering into this Agreement.

15. **MISCELLANEOUS PROVISIONS.**

15.1 **Termination or Amendment.** The Committee may terminate or amend the Plan or this Agreement at any time; provided, however, that except as provided in Section 8 in connection with a Change in Control, no such termination or amendment may have a materially adverse effect on the Participant's rights under this Agreement without the consent of the Participant unless such termination or amendment is necessary to comply with applicable law or government regulation, including, but not limited to, Section 409A. No amendment or addition to this Agreement shall be effective unless in writing.

15.2 **Nontransferability of the Award.** Prior to the issuance of shares of Stock on the applicable Settlement Date, neither this Award nor any Units subject to this Award shall be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. All rights with respect to the Award shall be exercisable during the Participant's lifetime only by the Participant or the Participant's guardian or legal representative.

15.3 **Further Instruments.** The parties hereto agree to execute such further instruments and to take such further action as may reasonably be necessary to carry out the intent of this Agreement.

15.4 **Binding Effect.** This Agreement shall inure to the benefit of the successors and assigns of the Company and, subject to the restrictions on transfer set forth herein, be binding upon the Participant and the Participant's heirs, executors, administrators, successors and assigns.

15.5 **Delivery of Documents and Notices.** Any document relating to participation in the Plan or any notice required or permitted hereunder shall be given in writing and shall be deemed effectively given (except to the extent that this Agreement provides for effectiveness only upon actual receipt of such notice) upon personal delivery, electronic delivery at the e-mail address, if any, provided for the Participant by a Participating Company, or upon deposit in the U.S. Post Office or foreign postal service, by registered or certified mail, or with a nationally recognized overnight courier service, with postage and fees prepaid, addressed to the other party at the address of such party set forth in the Grant Notice or at such other address as such party may designate in writing from time to time to the other party.

(a) ***Description of Electronic Delivery and Signature.*** The Plan documents, which may include but do not necessarily include: the Plan, the Grant Notice, this Agreement, the Plan Prospectus, and any reports of the Company provided generally to the Company's stockholders, may be delivered to the Participant electronically. In addition, if permitted by the Company, the Participant may deliver electronically the Grant Notice to the Company or to such third party involved in administering the Plan as the Company may designate from time to time. Such means of electronic delivery may include but do not

Any and all such documents and notices may be electronically signed.

(b) ***Consent to Electronic Delivery and Signature.*** The Participant acknowledges that the Participant has read Section 15.5(a) of this Agreement and consents to the electronic delivery of the Plan documents and, if permitted by the Company, the delivery of the Grant Notice, as described in Section 15.5(a). The Participant agrees that any and all such documents requiring a signature may be electronically signed and that such electronic signature shall have the same effect as handwritten signature for the purposes of validity, enforceability and admissibility. The Participant acknowledges that he or she may receive from the Company a paper copy of any documents delivered electronically at no cost to the Participant by contacting the Company by telephone or in writing. The Participant further acknowledges that the Participant will be provided with a paper copy of any documents if the attempted electronic delivery of such documents fails. Similarly, the Participant understands that the Participant must provide the Company or any designated third party administrator with a paper copy of any documents if the attempted electronic delivery of such documents fails. The Participant may revoke his or her consent to the electronic delivery of documents described in Section 15.5(a) or may change the electronic mail address to which such documents are to be delivered (if Participant has provided an electronic mail address) at any time by notifying the Company of such revoked consent or revised e-mail address by telephone, postal service or electronic mail. Finally, the Participant understands that he or she is not required to consent to electronic delivery of documents described in Section 15.5(a).

15.6 **Country-Specific Terms and Conditions.** Notwithstanding any other provision of this Agreement to the contrary, the Award shall be subject to the specific terms and conditions, if any, set forth in Appendix A to this Agreement which are applicable to the Participant's country of residence, the provisions of which are incorporated in and constitute part of this Agreement. Moreover, if the Participant relocates to one of the countries included in Appendix A, the specific terms and conditions applicable to such country will apply to the Award to the extent the Company determines that the application of such terms and conditions is necessary or advisable in order to comply with local law or facilitate the administration of the Plan or this Agreement.

15.7 **Foreign Exchange / Exchange Control.** The Participant acknowledges and agrees that it is the Participant's sole responsibility to investigate and comply with any applicable foreign exchange or exchange control laws in connection with the issuance, delivery or sale of the shares of Stock pursuant to the Award and that the Participant shall be responsible for any associated compliance or reporting of inbound international fund transfers required under applicable law. The Participant is advised to seek appropriate professional advice as to how the foreign exchange or exchange control regulations apply to the Participant's specific situation.

15.8 **Language**. If Participant has received this Agreement, or any other document related to the Award and/or the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control, subject to local law.

To the extent contemplated herein or therein, the provisions of the Grant Notice, this Agreement and the Plan shall survive any settlement of the Award and shall remain in full force and effect.

Certain capitalized terms used but not defined in this Appendix have the meanings set forth in the Plan and/or the main body of the Agreement.

***Notifications***

This Appendix also includes information regarding exchange controls and certain other issues of which Participant should be aware with respect to his or her participation in the Plan. The information is based on the securities, exchange control and other laws in effect in the respective countries as of May 2018. Such laws are often complex and change frequently. As a result, the Company strongly recommends that Participant not rely on the information in this Appendix as the only source of information relating to the consequences of Participant's participation in the Plan because the information may be out of date at the time Participant vests in the Shares or sells the Shares acquired under the Plan.

In addition, the information contained herein is general in nature and may not apply to Participant's particular situation and the Company is not in a position to assure Participant of any particular result. Accordingly, Participant is advised to seek appropriate professional advice as to how the relevant laws of Participant's country may apply to his or her situation.

Finally, if Participant is a citizen or resident of a country other than the one in which Participant is currently working or transfers to another country after the grant of the Restricted Stock Units, or is considered a resident of another country for local law purposes, the information contained herein may not be applicable to Participant in the same manner. In addition, the Company shall, in its discretion, determine to what extent the terms and conditions contained herein shall apply to Participant under these circumstances.

**UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION**

The following unaudited pro forma condensed combined balance sheet as of June 30, 2018 and the unaudited pro forma condensed combined statements of operations for the year ended December 31, 2017 and the six months ended June 30, 2018 present the historical financial statements of the Company and Verra Mobility, giving effect to the Business Combination (as defined below). The Company and Verra Mobility shall collectively be referred to herein as the "*Companies*." The Companies, subsequent to the Business Combination, shall be referred to herein as the "*Combined Company*."

The unaudited pro forma condensed combined statements of operations for the year ended December 31, 2017 and for the six months ended June 30, 2018 give pro forma effect to the Business Combination as if it had occurred on January 1, 2017. The unaudited pro forma condensed combined balance sheet as of June 30, 2018 assumes that the Business Combination was completed on June 30, 2018.

The unaudited pro forma condensed combined statement of operations for the year ended December 31, 2017 was derived from Verra Mobility's audited consolidated statement of operations for the periods from January 1, 2017 to May 31, 2017 (Predecessor) and June 1, 2017 to December 31, 2017 (Successor) and the Company's audited statement of operations for the year ended December 31, 2017. The unaudited pro forma condensed combined balance sheet and statement of operations as of and for the six months ended June 30, 2018 were derived from Verra Mobility's unaudited condensed combined financial statements as of and for the six months ended June 30, 2018 and the Company's condensed consolidated unaudited financial statements as of and for the six months ended June 30, 2018. Historical information for Verra Mobility incorporates certain adjustments and estimates relating to the acquisition of HTA on March 1, 2018, the acquisition of EPC on April 6, 2018 and the related refinancing as well as the Platinum Merger on May 31, 2017. The unaudited pro forma condensed combined statements of operations for the year ended December 31, 2017 and for the six months ended June 30, 2018 give pro forma effect to the acquisitions of HTA, EPC and the Platinum Merger as if they had occurred on January 1, 2017. Because the acquisitions of HTA and EPC were consummated prior to June 30, 2018 and the business combinations are reflected in Verra Mobility's historical unaudited condensed combined balance sheet as of June 30, 2018 there is no additional impact related to these transactions to be reflected in the unaudited pro forma condensed combined balance sheet presented herein.

On October 17, 2018, the Company consummated the previously announced business combination pursuant to the Agreement and Plan of Merger dated June 21, 2018 by and among Gores Holdings II, Inc. (“Gores Holdings II”), AM Merger Sub I, Inc. (“First Merger Sub”), AM Merger Sub II, LLC (“Second Merger Sub”), Greenlight Holding II Corporation (“Greenlight”) and PE Greenlight Holdings, LLC (the “Platinum Stockholder” or, in its capacity as the Stockholder Representative, the “Stockholder Representative”), as amended on August 23, 2018 by Amendment No. 1 to Agreement and Plan of Merger (as amended, the “Merger Agreement”), which provided for: (i) the merger of First Merger Sub with and into Greenlight, with Greenlight continuing as the surviving corporation (the “First Merger”) and (ii) immediately following the First Merger and as part of the same overall transaction as the First Merger, the merger of Greenlight with and into Second Merger Sub with Second Merger Sub continuing as the surviving entity (the “Second Merger” and, together with the First Merger, the “Merger” and, together with the other transactions contemplated by the Merger Agreement, the “Business Combination”). As a result of the First Merger, the registrant owns 100% of the outstanding common stock of Greenlight and each share of common stock of Greenlight has been cancelled and converted into the right to receive a portion of the consideration payable in connection with the Merger. As a result of the Second Merger, the registrant owns 100% of the outstanding interests in the Second Merger Sub. In connection with the closing of the Business Combination (the “Closing”), the registrant owns, directly or indirectly, 100% of the stock of Greenlight and its subsidiaries and the stockholders of Greenlight as of immediately prior to the effective time of the First Merger (the “Greenlight Stockholders”) hold a portion of the Class A Common Stock, par value $0.0001 per share, of the registrant (the “Class A Stock”). After giving effect to the Business Combination, Verra Mobility is continuing as a subsidiary of the Company and the Selling Equity holders are holding a portion of the Company’s common stock.

Assuming a pro forma Business Combination date of June 30, 2018, for consideration, the Greenlight Stockholders received $610 million ("*Cash Consideration*"), ownership interests in the Combined Company valued at $696 million based on a stock price of $10.49 per share (as of October 16, 2018) and a cash contribution to Verra Mobility to pay down existing debt by $141 million.

The following pro forma condensed combined financial statements presented herein reflect the actual redemption of 325,269 shares of common stock by Company stockholders in conjunction with the stockholder vote on the Business Combination contemplated by the Merger Agreement at a meeting held on October 16, 2018.

**NOTES TO THE UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION**

**NOTE 1—DESCRIPTION OF THE BUSINESS COMBINATION**

On October 17, 2018, the Company consummated the previously announced business combination pursuant to that certain Agreement and Plan of Merger dated June 21, 2018 by and among Gores Holdings II, Inc. (“Gores Holdings II”), AM Merger Sub I, Inc. (“First Merger Sub”), AM Merger Sub II, LLC (“Second Merger Sub”), Greenlight Holding II Corporation (“Greenlight”) and PE Greenlight Holdings, LLC (the “Platinum Stockholder” or, in its capacity as the Stockholder Representative, the “Stockholder Representative”), as amended on August 23, 2018 by Amendment No. 1 to Agreement and Plan of Merger (as amended, the “Merger Agreement”), which provided for: (i) the merger of First Merger Sub with and into Greenlight, with Greenlight continuing as the surviving corporation (the “First Merger”) and (ii) immediately following the First Merger and as part of the same overall transaction as the First Merger, the merger of Greenlight with and into Second Merger Sub with Second Merger Sub continuing as the surviving entity (the “Second Merger” and, together with the First Merger, the “Merger” and, together with the other transactions contemplated by the Merger Agreement, the “Business Combination”). As a result of the First Merger, the registrant owns 100% of the outstanding common stock of Greenlight and each share of common stock of Greenlight has been cancelled and converted into the right to receive a portion of the consideration payable in connection with the Merger. As a result of the Second Merger, the registrant owns 100% of the outstanding interests in the Second Merger Sub. In connection with the closing of the Business Combination (the “Closing”), the registrant owns, directly or indirectly, 100% of the stock of Greenlight and its subsidiaries and the stockholders of Greenlight as of immediately prior to the effective time of the First Merger (the “Greenlight Stockholders”) hold a portion of the Class A Common Stock, par value $0.0001 per share, of the registrant (the “Class A Stock”). Assuming a pro forma Business Combination date of June 30, 2018, for consideration, the Greenlight Stockholders received $610 million ("Cash Consideration"), ownership interests in the Combined Company valued at $696 million based on a stock price of $10.49 per share (as of October 16, 2018) and a cash contribution to Verra Mobility to pay down existing debt by $141 million.

As part of the Business Combination, private placement investors acquired an additional 43.5 million shares of Company's Class A Stock for gross proceeds of approximately $400 million. The $400 million of gross proceeds from the sale of the Company's Class A Stock is included in the Cash Consideration. The remainder of the Cash Consideration was provided by the funds held in the Company's trust account that held the proceeds of the Company’s January 2017 initial public offering.

**NOTE 2—BASIS OF THE PRO FORMA PRESENTATION**

The Business Combination will be accounted for as a business combination under the scope of the Financial Accounting Standards Board's Accounting Standards Codification 805, Business Combinations, or ASC 805. The Company is the legal acquirer under the terms of the Merger Agreement. However the Business Combination will be accounted for as a reverse merger in accordance with ASC 805. Under this method of accounting, the Company will be treated as the "acquired" company for financial reporting purposes. Pursuant to ASC 805, Verra Mobility has been determined to be the accounting acquirer based on the evaluation of the following facts and circumstances:

- the Greenlight Stockholders retain approximately 42.5% of the equity and voting rights after the Business Combination; and
- the ongoing senior management of the Company will be entirely comprised of Verra Mobility employees.

Consideration was given to the noncontrolling ownership position of the Sponsor after the Business Combination. Further, the initial composition of the Board was considered. The initial composition of the Board includes Mr. David Roberts, the CEO of Verra Mobility, however, six other directors will be on the Board, including two directors appointed by Platinum Equity, and four additional independent directors, two of which are currently independent board members of the Company (Mr. Randy Bort and Mr. Jeff Rea) as well as two additional independent directors. However, the large noncontrolling ownership position and composition of the Board were given less weight than the other factors described above. The most significant determinative factor considered was the voting rights of the Greenlight Stockholders relative to the other shareholders and the fact that management of Verra Mobility will continue to manage the Company upon completion of the merger. Accordingly, there are no pro forma adjustments for depreciation and amortization expense on the statements of operation. Operations prior to the Business Combination will be those of Verra Mobility.

The unaudited pro forma condensed combined statements of operations for the year ended December 31, 2017 and the six months ended June 30, 2018 give pro forma effect to the Business Combination and the transactions described in the Verra Mobility historical information in the unaudited Pro Forma Condensed Combined Statements of Operation at the end of Note 3 as if they had occurred on January 1, 2017. The unaudited pro forma condensed combined balance sheet as of June 30, 2018 assumes that the Business Combination was completed on June 30, 2018. The unaudited pro forma condensed combined financial statements are based on the historical consolidated financial statements of the Companies and related adjustments.

**NOTE 2—BASIS OF THE PRO FORMA PRESENTATION (Continued)**

The unaudited pro forma condensed combined financial statements do not give effect to any anticipated synergies, operating efficiencies or cost savings that may be associated with the Business Combination.

The pro forma adjustments are based on the information currently available. The assumptions and estimates underlying the pro forma adjustments are described in the accompanying notes. In accordance with ASC 805, any subsequent changes to the allocation of consideration transferred that result in material changes to the consolidated financial statements during the measurement period will be adjusted.

The unaudited pro forma condensed combined statements of operations are not necessarily indicative of what the actual results of operations would have been had the Business Combination taken place on the date indicated, nor are they indicative of the future consolidated results of operations of the Combined Company. They should be read in conjunction with the historical consolidated financial statements and notes thereto of the Companies.

As a result of the Business Combination, the Company will adopt Verra Mobility's accounting policies. Verra Mobility may identify differences between the accounting policies among the Companies, but we do not believe they will have a significant impact on the consolidated financial statements of the Combined Company.

**NOTE 3—PRO FORMA ADJUSTMENTS**

The unaudited pro forma condensed combined financial information has been prepared to illustrate the effect of the Business Combination as well as the transactions described in the Verra Mobility Historical Information in the Unaudited Pro Forma Condensed Combined Statements of Operation at the end of Note 3 and has been prepared for informational purposes only. The unaudited pro forma condensed combined statements of operations are not necessarily indicative of what the actual results of operations would have been had the Business Combination taken place on the date indicated, nor is it indicative of the future consolidated results of operations of the Combined Company. The unaudited pro forma condensed combined financial information is based upon the historical consolidated financial statements of the Companies and should be read in conjunction with their historical financial statements.

The historical consolidated financial statements have been adjusted in the unaudited pro forma condensed combined financial information to give effect to pro forma events that are (1) directly attributable to the Business Combination, (2) factually supportable, and (3) with respect to the statements of operations, expected to have a continuing impact on the results of the Combined Company.

There were no significant intercompany balances or transactions between the Companies as of the dates and for the periods of these unaudited pro forma condensed combined financial statements.

The pro forma condensed combined provision for income taxes does not necessarily reflect the amounts that would have resulted had the Companies filed consolidated income tax returns during the periods presented.

The pro forma basic and diluted earnings per share amounts presented in the unaudited pro forma condensed combined statements of operations are based upon the number of the Company's shares outstanding, assuming the Business Combination occurred on January 1, 2017.

**NOTE 3—PRO FORMA ADJUSTMENTS (Continued)**

***Adjustments to Unaudited Pro Forma Condensed Combined Balance Sheet***

**(a)** Reflects the net adjustment to cash associated with the Private Placement and Business Combination (dollars in thousands):

| | | | |
|---|---|---|---|
| Cash inflow from Private Placement | $ | 400,000 | (1) |
| Cash inflow from Company's Trust Account | | 404,612 | (2) |
| Cash inflow from Business Combination | | 804,612 | |
| Paydown of Verra Mobility Second Lien Term Loan (long-term debt) | | 140,861 | (3),(4) |
| Payment to Selling Equityholders | | 610,011 | (5) |
| Payment for Verra Mobility Participation Plan Costs | | 28,398 | (5) |
| Payment to redeeming Company stockholders | | 3,253 | (6) |
| Payment of Company expenses | | 24,024 | (7) |
| Settlement to HTA sellers for certain tax items | | 11,337 | (8) |
| Cash outflow from Business Combination | | 817,884 | |
| Net pro forma cash flow | $ | (13,272) | |

**(1)** Represents the issuance of 43.5 million shares of Class A Stock through the Private Placement at a par value of $0.0001 per share and an assumed fair value of $9.20 per share.

**(2)** Represents the reclassification of cash equivalents held in the Trust Account to reflect that the cash equivalents are available to effectuate the Business Combination or to pay redeeming Company stockholders.

**(3)** On July 24, 2018, Verra Mobility amended its New First Lien Term Loan (the "New First Lien Term Loan Amendment") to expand the aggregate principal loan amount under the New First Lien Term Loan from $840 million to $910 million and to modify certain defined terms. The additional $70 million was used to pay down a portion of the Second Lien Loan to the new First Lien Loan.

**(4)** Reflects the cash prepayment of Verra Mobility Second Lien Term Loan under the terms of the Merger Agreement and the additional 2% prepayment penalty paid to the lender. No modifications to the terms of Verra Mobility's remaining long term debt occurred as part of the Business Combination. The pro forma paydown of debt of $136.9 million is calculated using the projected net debt balance of Verra Mobility anticipated on the date of the Business Combination. Proceeds received by the Greenlight Stockholders from the Business Combination were used to pay down the remaining portion of the Second Lien Loan after the pay down noted in (3) above.

**(5)** Reflects the net cash consideration paid to or on behalf of the Greenlight Stockholders. See Note (j) which follows for payments made on behalf of the Greenlight Stockholders.

**(6)** Reflects the payment made to redeeming Company stockholders.

**(7)** Represents the payment of acquisition-related transaction costs. In accordance with ASC 805, acquisition-related transaction costs and related charges are not included as a component of consideration transferred but are required to be expensed as incurred. The unaudited pro forma condensed combined balance sheet reflects these costs as a reduction of cash with a corresponding decrease in retained earnings. These costs are not included in the unaudited pro forma condensed combined statement of operations as they are directly related to the Business Combination and are nonrecurring.

**(8)** Represents the cash payment made by Verra Mobility on October 16, 2018 to settle the HTA Tax Receivable Agreement in accordance with the terms of the Merger Agreement.

**(b)** Represents the relief of restrictions on the investments and cash held in the Trust Account upon consummation of the Business Combination.

**(c)** Represents funds from the Business Combination used to prepay the Verra Mobility Second Lien Term Loan and pay a 2% prepayment penalty to the lender under the terms of the Merger Agreement using a projected net debt balance of approximately $988.9 million on the date of the Business Combination and a post-Business Combination net debt balance of approximately $852.0 million. The table below shows the prepayment and related penalty (dollars in thousands):

| | | |
|---|---|---|
| Total debt payment | $ | (140,861) |
| Prepayment penalty | | 4,000 |
| Reduction of long-term debt - Principal | | (136,861) |
| Accelerated amortization of debt issuance costs | | 12,491 |
| Reduction of long-term debt | $ | (124,370) |

**NOTE 3—PRO FORMA ADJUSTMENTS (Continued)**

The related tax benefits of $4.29 million have been reflected as an increase to income tax receivable and the after tax impact presented as an increase to retained earnings.

Because the prepayment penalty and accelerated amortization of debt issuance costs will not have an ongoing impact to the statement of operations, there are no corresponding adjustments to the pro forma condensed combined statement of operations.

**(d)** Represents the payment of underwriting costs incurred as part of the Company's IPO committed to be paid upon the consummation of a business combination.

**(e)** Represents a Tax Receivable Agreement payable to the Greenlight Stockholders based on the tax basis of certain intangibles assets related to Verra Mobility's acquisition of HTA. Under the terms of the Tax Receivable Agreement, the Greenlight Stockholders are entitled to 50% of the future tax benefits resulting from the increase in the tax basis of the underlying intangibles as a result of the acquisition of HTA. The amount of expected future payments under the Tax Receivable Agreement are dependent upon the existing tax basis of the Verra Mobility entities at the time an exchange is effectuated as well as the Company's cash tax savings rate in the years in which the Company utilizes tax attributes subject to the Tax Receivable Agreement. The total pro forma adjustment is $73 million.

The Company used schedules of the tax basis of the underlying intangible assets provided by Verra Mobility management and current enacted tax rates in calculating the Tax Receivable Agreement liability. To the extent that changes in future tax law occur, adjustments to the Tax Receivable Agreement liability will be made as appropriate.

Future payments made under the Tax Receivable Agreement could constitute related party transactions that would be disclosed in the Company's future financial statements.

The Tax Receivable Agreement provides that (i) in the event that the Company materially breaches the Tax Receivable Agreement, (ii) if, at any time, the Company elects an early termination of the Tax Receivable Agreement, or (iii) upon certain mergers, asset sales, other forms of business combinations or other changes of control, the Company's obligations under the Tax Receivable Agreement (with respect to all units of Verra Mobility, whether or not any units of Verra Mobility have been exchanged or acquired before or after such transaction) would accelerate and become payable in a lump sum amount. The lump sum amount would be equal to the present value of the anticipated future tax benefits calculated based on certain assumptions, including that the Company would have sufficient taxable income to fully utilize the deductions arising from the tax deductions, tax basis and other tax attributes subject to the Tax Receivable Agreement.

As a result of the foregoing, (i) the Company could be required to make payments under the Tax Receivable Agreement that are greater than or less than the specified percentage of the actual tax savings the Company realizes in respect of the tax attributes subject to the agreements and (ii) the Company may be required to make an immediate lump sum payment equal to the present value of the anticipated future tax savings, which payment may be made years in advance of the actual realization of such future benefits, if any of such benefits are ever realized.

**(f)** Represents the conversion and redemption of Class A Stock at a price of $10 per share (expressed in number of shares):

| | Shares of Class A Stock | Shares of Class F Stock | Par Value | Carrying Value | Note |
|---|---|---|---|---|---|
| Pre-Business Combination | 1,705,784 | 10,000,000 | $ 171 | $ 17,057,840 | |
| Conversion of redeemable shares to Class A Stock of the Company | 38,294,216 | — | 3,829 | 382,942,160 | |

**NOTE 3—PRO FORMA ADJUSTMENTS (Continued)**

**(g)** Represents the after tax impact at a rate of 26% of the following adjustments (dollars in thousands):

| | Amount | After Tax Impact |
|---|---|---|
| Prepayment penalty on Second Lien Term Loan | $ 4,000 | $ 2,960 |
| Accelerated amortization of Second Lien Term Loan | 12,491 | 9,244 |

| Company expenses (excluding $14,000 deferred underwriting compensation) | 10,024 | 7,417 |
| | $ 54,913 | $ 44,031 |

**(1)** Only 54% of the settlement is expected to be tax deductible.

**(h)** Represents the impact of the following costs on retained earnings (dollars in thousands):

| | |
|---|---|
| Company expenses (excluding the $14,000 deferred underwriting compensation) | $ 7,417 |
| Platinum Tax Receivable Agreement | 73,024 |
| | $ 80,441 |

**(i)** Represents settlement of the payable to the sellers of HTA for certain tax items on October 16, 2018. The cash payment amount was for $11.34 million and $0.66 million presented as a reduction of goodwill.

**(j)** Represents cash payments made to and on behalf of the Greenlight Stockholders in consideration for the Business Combination (dollars in thousands):

| | |
|---|---|
| Cash Payable to Greenlight Stockholders | $ 649,746 |
| Less: Settlement payment to HTA sellers for certain tax items | (11,337) |
| Less: Settlement of 2018 Participation Plan | (28,398) |
| Total Cash Consideration Paid to Verra Mobility Stockholders | $ 610,011 |

**(k)** Represents the conversion of 6,521,739 Class F Founder Shares to Class A Stock at a par value of $0.0001 per share and the cancellation of the remaining 3,478,261 Class F Founder Shares.

**(l)** For the purposes of this Note (l), terms used herein are defined as set forth in the Merger Agreement. Following the Closing of the Business Combination, and as additional consideration for the Mergers and the other Transactions, within five Business Days after the occurrence of a Triggering Event, the Parent shall issue to each Cash Consideration Stockholder (at the Pro Rata Cash Share) the following shares of Parent Class A Stock (adjusted for stock splits, reverse stock splits, stock dividends, reorganizations, recapitalizations, reclassifications, combination, exchange of shares or other like change or transaction with respect to Parent Class A Stock occurring on or after the Closing ("*Earn-Out Shares*"), upon the terms and subject to the conditions set forth in the Merger Agreement and the other Related Agreements.

The Earn-Out Shares will be issued by the Company to the Platinum Stockholder as follows: (i) a one-time issuance of 2,500,000 shares if the Common Share Price is greater than $13.00; (ii) a one-time issuance of 2,500,000 shares if the Common Share Price is greater than $15.50; (iii) a one-time issuance of 2,500,000 shares if the Common Share Price is greater than $18.00; and (iv) a one-time issuance of 2,500,000 shares if the Common Share Price is greater than $20.50. If any of the Common Share Price thresholds described in the foregoing clauses (i) through (iv) are not achieved within the five-year period following the closing of the Mergers, the Company will not be required to issue the Earn-Out Shares in respect of such Common Share Price threshold.

For the avoidance of doubt, the Cash Consideration Stockholders shall be entitled to receive Earn-Out Shares upon the occurrence of each Triggering Event; provided, however, that each Triggering Event shall only occur once, if at all, and in no event shall the Cash Consideration Stockholders be entitled to receive more than an aggregate of 10,000,000 Earn-Out Shares. Because this is a reverse acquisition, contingent shares issued to the stockholders of the accounting acquirer should be included in earnings per share from the date of issuance.

**NOTE 3—PRO FORMA ADJUSTMENTS (Continued)**

If, during the Earn Out Period, there is a Change of Control that will result in the holders of Parent Class A Stock receiving a per share price equal to or in excess of the applicable Common Share Price required in connection with any Triggering Event (an "*Acceleration Event*"), then immediately prior to the consummation of such Change of Control: (a) any such Triggering Event that has not previously occurred shall be deemed to have occurred; and (b) Parent shall issue the applicable Earn-Out Shares to the Cash Consideration Stockholders (in accordance with their respective Pro Rata Cash Share), and the recipients of the issued Earn-Out Shares shall be eligible to participate in such Change of Control.

The Company has estimated the fair value of the contingently issuable shares to be $71.350 million. This is initially recorded as a distribution to shareholders and is presented as contingently issuable shares. Upon the occurrence of a Triggering Event, any issuable shares would be transferred from contingently issuable shares to Common Stock and additional paid in capital. Any contingently issuable shares not issued as a result of a Triggering Event not being attained by the end of Earn-out Period will be cancelled.

***Adjustments to Unaudited Pro Forma Condensed Combined Statements of Operations***

The pro forma adjustments included in the unaudited pro forma condensed combined statement of operations for the six month period ended June 30, 2018 and for the year ended December 31, 2017 are as follows:

**(m)** To reclassify the Company's expenses to selling, general and administrative expenses to align with the accounting policy at Verra Mobility.

**(n)** Represents the reduction of interest expense due to the pay down of Verra Mobility debt.

***Verra Mobility Historical Information in the Unaudited Pro Forma Condensed Combined Statements of Operation***

On May 31, 2017, Verra Mobility, formerly known as ATS Consolidated Inc. ("ATS") was acquired by Platinum Equity (the *"Platinum Merger"*). Pursuant to the Platinum Merger, a new basis of accounting at fair value was established and the new stepped-up basis was pushed down to Verra Mobility. Historical information is presented in distinct periods to indicate the application of two different bases of accounting between the periods presented. The period January 1, through May 31, 2017 has been labeled "Predecessor" and has been prepared using the historical basis of accounting of the Predecessor. The period from June 1, 2017 to December 31, 2017 has been labeled "Successor".

On March 1, 2018, Verra Mobility acquired 100% of HTA (the *"HTA Merger"*) and on April 6, 2018, Verra Mobility acquired 100% of Euro Parking Collection plc ("EPC"). In connection with the HTA Merger, Verra Mobility entered into a First Lien Term Loan Credit Agreement, a Second Lien Term Loan Credit Agreement and a Revolving Credit Facility Agreement with a syndicate of lenders (collectively, the *"2018 Credit Facilities"*). The 2018 Credit Facilities provide for committed senior secured financing of $1.115 billion. The 2018 Credit Facilities replaced Verra Mobility's prior credit facilities (the *"2017 Credit Facilities"*).

The Unaudited Pro Forma Condensed Combined Statement of Operations give effect to the HTA Merger and the Platinum Merger and the replacement of the 2017 Credit Facilities with the 2018 Credit Facilities as if they had occurred on January 1, 2017.

Management has evaluated the differences between IFRS and U.S. GAAP as applicable to EPC and has identified one item related to customer unidentified and over payments that would not be considered revenue under U.S. GAAP. Those amounts are being adjusted to other income (expense). The EPC historical financial results utilized for the Unaudited Pro Forma Combined Statements of Operations for the six months ended June 30, 2018 and for the year ended December 31, 2017 have been converted from British Pounds into U.S. dollars using the historical average exchange rates for each period.

**(1a)** Verra Mobility recognizes revenues from tolling and violations services in the Commercial Services segment on a net basis. All of HTA's revenues are related to tolling and violations products. The adjustment above is to reclassify the HTA cost of revenues as a reduction of revenues consistent with the accounting policy at Verra Mobility.

**(1b)** Prior to the HTA Merger, HTA capitalized payments made to a tolling services customer to extend the existing contract. This amount was capitalized and amortized over the term of the contract as a reduction of revenue. As a result of the HTA Merger, and the resultant purchase price allocation, the contract inducement was subsumed into the larger customer relationship intangible asset recorded for this and other HTA customers. This adjustment reflects the removal of those costs.

**(1c)** In connection with the HTA and EPC mergers, Verra Mobility incurred several nonrecurring transaction expenses. Such expenses meet the directly attributable and factually supportable criteria. This adjustment reflects the elimination of those expenses

**(1d)** In connection with the HTA Merger, HTA incurred several nonrecurring transaction expenses. Such expenses meet the directly attributable and factually supportable criteria. This adjustment reflects the elimination of those expenses.

**(1e)** This entry reflects the elimination of Verra Mobility historical amortization of the intangible assets and the subsequent recording of amortization of new intangibles in the HTA and EPC mergers as well as a change in the estimated remaining useful life for Trademarks related to the Platinum Merger.
