## ARTICLE II
## PURCHASE AND SALE

Section 2.1 The Parent Contribution and Rollover.

(a) Immediately prior to the Closing, the Issuer and Parent shall consummate the Parent Contribution, pursuant to which Parent shall become a wholly-owned subsidiary of the Issuer.

(b) Upon the terms and subject to the conditions of this Agreement, at the Closing, immediately prior to the Purchase and Sale Transaction, the Issuer and HTA Holdings shall consummate the Rollover, pursuant to which HTA Holdings shall contribute to the Issuer all of HTA Holdings' right, title and interest in and to the Rollover Units, free and clear of all Encumbrances, in exchange for the issuance by the Issuer to HTA Holdings of the Issuer Shares, which exchange shall be treated as a Tax free exchange pursuant to Section 351 of the Code.

Section 2.2 Purchase and Sale of the Units. Upon the terms and subject to the conditions of this Agreement, at the Closing and immediately following the Rollover, the Sellers shall sell, assign, transfer, convey and deliver the Units (other than the Rollover Units) to the Buyer, free and clear of all Encumbrances, and the Buyer, in reliance on the representations, warranties and covenants of the Sellers contained herein, shall purchase the Units from the Sellers.

Section 2.3 Closing.

(a) The sale and purchase of the Units shall take place (i) at a closing (the "Closing") to be held by means of electronic exchange of executed documents, at 10:00 a.m., Pacific time on the third Business Day following the satisfaction or, to the extent permitted by applicable Law, waiver of all conditions to the obligations of the Parties set forth in Article VII (other than such conditions as may, by their terms, only be satisfied at the Closing or on the Closing Date, but subject to the satisfaction or waiver of those conditions); provided, that (A) if the Marketing Period has not ended as of such date, then the Closing shall not occur until the date following such satisfaction or waiver that is the earlier of (x) any Business Day during the Marketing Period as may be specified by the Buyer on no less than two Business Days' prior notice to the Seller Representative (provided, that such notice may be conditioned upon the simultaneous completion of the Debt Financing, and provided, further, that if such Debt Financing is not completed for any reason at any time, such notice shall automatically be deemed withdrawn) or (y) three Business Days after the final day of the Marketing Period; and (B) notwithstanding the satisfaction or waiver of the conditions set forth in Article VII, this Agreement may be terminated pursuant to and in accordance with Section 9.1 such that the Parties shall not be required to effect the Closing, regardless of whether the final day of the Marketing Period shall have occurred prior to such termination; provided, further, if such date is not the last Business Day of a month, then the Closing shall not occur until the first Business Day after the last Business Day of the month in which the Closing otherwise would have occurred, or (ii) at such other place, date, or time as the Parties may mutually agree in writing. The day on which the Closing takes place is referred to as the "Closing Date."

(b) At the Closing:

(i) the Buyer shall deliver or cause to be delivered to each Seller an amount in cash equal to such Seller's Purchase Price Percentage of the Estimated Purchase Price;

(ii) the Buyer shall deposit or cause to be deposited the Indemnity Escrow Amount in an account with the Escrow Agent by wire transfer in immediately available funds, to be managed and paid out by the Escrow Agent pursuant to the terms of the Escrow Agreement;

(iii) the Buyer shall deliver or cause to be delivered on behalf of the Company and from a portion of the Estimated Purchase Price the amount payable to each counterparty or holder of Indebtedness identified on Schedule 2.3(b)(iii) to be delivered by the Sellers not later than three Business Days prior to the Closing (the "Payoff Indebtedness") in order to fully discharge such Payoff Indebtedness and terminate all applicable obligations and liabilities of the Company and any of its Affiliates related thereto, as specified in the Debt Payoff Letters and in accordance with this Agreement;

(iv) the Buyer shall deliver or cause to be delivered from a portion of the Estimated Purchase Price (A) to the Company, an amount equal to the aggregate Closing Employee Payments and (B) on behalf of the Company, the amount payable to each Person who is owed a portion of the remaining Estimated Transaction Expenses, as specified in the Transaction Expenses Payoff Instructions and in accordance with this Agreement;

(v) the Buyer shall deliver or cause to be delivered on behalf of the Company the Morgan Stanley Fee to Morgan Stanley;

(vi) the Issuer shall deliver to HTA Holdings certificates representing the Issuer Shares;

(vii) HTA Holdings shall deliver or cause to be delivered to the Issuer certificates representing the Rollover Units, duly endorsed in blank or accompanied by stock powers duly endorsed in blank in proper form for transfer, with appropriate transfer stamps, if any, affixed;

(viii) the Sellers shall deliver or cause to be delivered to the Buyer certificates representing the Units (other than the Rollover Units), duly endorsed in blank or accompanied by stock powers duly endorsed in blank in proper form for transfer, with appropriate transfer stamps, if any, affixed; and

(ix) each Seller shall deliver or cause to be delivered to the Buyer a duly executed Certification of Non-Foreign Status in the applicable form set forth hereto on Exhibit C.

(c) All payments hereunder shall be made by wire transfer of immediately available funds in United States dollars to such account as may be designated to the payor by the payee at least two Business Days prior to the applicable payment date.

Section 2.4 Closing Estimates. At least five Business Days prior to the Closing Date, the Seller Representative shall prepare, or cause to be prepared, and deliver to the Buyer a written statement (the "Estimated Closing Statement") that shall include and set forth (a) a consolidated balance sheet of the Company and its Subsidiaries, including all notes thereto, as of the Cut-off Time (the "Preliminary Closing Balance Sheet"), (b) a good faith estimate of (i) Net Working Capital based on the Preliminary Closing Balance Sheet (the "Estimated Net Working Capital"), (ii) Indebtedness (the "Estimated Indebtedness"), (iii) Cash (the "Estimated Cash") and (iv) all Transaction Expenses that are accrued or due and remain unpaid (the "Estimated Transaction Expenses") (with each of Estimated Net Working Capital, Estimated Cash, Estimated Indebtedness and Estimated Transaction Expenses determined as of the Cut-off Time and, except for Estimated Transaction Expenses, without giving effect to the transactions contemplated hereby) and (c) on the basis of the foregoing, a calculation of the Estimated Purchase Price, Estimated Net Working Capital, Estimated Indebtedness and Estimated Cash shall be calculated in accordance with GAAP applied on a basis consistent with the preparation of the Balance Sheet and the Net Working Capital Methodologies, provided that in the event of a conflict between GAAP and the explicit Net Working Capital Methodologies, the explicit Net Working Capital Methodologies shall prevail, provided further that in the event of a conflict between GAAP and the Company's consistent application thereof, GAAP shall prevail (the accounting principles as described in this sentence as modified by the proviso, the "Applicable Accounting Principles"). The Estimated Closing Statement and all calculations of Estimated Net Working Capital, Estimated Indebtedness, Estimated Cash and Estimated Transaction Expenses shall be accompanied by a certificate of the Chief Financial Officer of HTA Holdings certifying that such estimates have been calculated in good faith in accordance with this Agreement. The Estimated Closing Statement and all such estimates shall be subject to the Buyer's approval, which shall not be unreasonably withheld, conditioned or delayed, and shall control solely for purposes of determining the amounts payable at the Closing pursuant to Section 2.3 and shall not limit or otherwise affect the Buyer's remedies under this Agreement or otherwise, or constitute an acknowledgement by the Buyer of the accuracy of the amounts reflected thereof.

Section 2.5 Post-Closing Adjustment of Purchase Price.

(a) Within 60 days after the Closing Date, the Seller Representative shall prepare, or cause to be prepared, and deliver to the Buyer a written statement (the "Final Closing Statement") that shall include and set forth (i) a consolidated balance sheet of the Company and its Subsidiaries, including all notes thereto, as of the Cut-off Time and (ii) a calculation of the actual (A) Net Working Capital (the "Closing Net Working Capital"), (B) Indebtedness (the "Closing Indebtedness"), (C) Cash (the "Closing Cash"), and (D) Transaction Expenses (the "Closing Transaction Expenses") (with each of Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses determined as of the Cut-off Time and, except for Closing Transaction Expenses, without giving effect to the transactions contemplated hereby). Closing Net Working Capital, Closing Indebtedness and Closing Cash shall be calculated in accordance with the Applicable Accounting Principles. All calculations of Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses shall be accompanied by a certificate of a duly authorized officer of the Seller Representative certifying that such amounts have been prepared in good faith in accordance with this Agreement.

(b) The Final Closing Statement shall become final and binding on the 60th day following delivery thereof (the "Buyer Review Period"), unless prior to the end of such period, the Buyer delivers to the Seller Representative written notice of its disagreement (a "Notice of Disagreement") specifying the nature and amount of any dispute as to the Closing Net Working Capital, Closing Indebtedness, Closing Cash and/or Closing Transaction Expenses as set forth in the Final Closing Statement.

(c) During the 15-day period following delivery of a Notice of Disagreement by the Buyer to the Seller Representative, the Parties in good faith shall seek to resolve in writing any differences that they may have with respect to the computation of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and/or Closing Transaction Expenses as specified therein. Any disputed items resolved in writing between the Seller Representative and the Buyer within such 15-day period shall be final and binding with respect to such items, and if the Seller Representative and the Buyer agree in writing on the resolution of each disputed item specified by the Buyer in the Notice of Disagreement and the amount of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses, the amounts so determined shall be final and binding on the parties for all purposes hereunder and shall not be subject to appeal or further review. If the Seller Representative and the Buyer have not resolved all such differences by the end of such 15-day period, the Seller Representative and the Buyer shall submit, in writing, to an independent public accounting firm (the "Independent Accounting Firm"), their briefs detailing their views as to the correct nature and amount of each item remaining in dispute and the amounts of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses, and the Independent Accounting Firm shall make a written determination as to each such disputed item and the amount of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses, which determination shall be final and binding on the parties for all purposes hereunder. The Independent Accounting Firm shall consider only those items and amounts in the Seller Representative's and the Buyer's respective calculations of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses that are identified as being items and amounts to which the Seller Representative and the Buyer have been unable to agree. In resolving any disputed item, the Independent Accounting Firm may not assign a value to any item greater than the greatest value for such item claimed by either Party or less than the smallest value for such item claimed by either Party. The Independent Accounting Firm shall be Deloitte LLP or, if such firm is unable or unwilling to act, such other nationally-recognized, independent public accounting firm as shall be agreed in writing by the Seller Representative and the Buyer. The Sellers and the Buyer shall use their commercially reasonable efforts to cause the Independent Accounting Firm to render a written decision resolving the matters submitted to it as promptly as practicable, and in any event within 30 days following the submission thereof. Judgment may be entered upon the written determination of the Independent Accounting Firm in accordance with Section 10.10. In acting under this Agreement, the Independent Accounting Firm will be entitled to the powers, privileges and immunities of an arbitrator.

(d) The costs of any dispute resolution pursuant to Section 2.5(c), including the fees and expenses of the Independent Accounting Firm and of any enforcement of the determination thereof, shall be borne by the HTA Sellers and the Buyer in inverse proportion as they may prevail on the matters resolved by the Independent Accounting Firm, which proportionate allocation shall be calculated on an aggregate basis based on the relative dollar

values of the amounts in dispute and shall be determined by the Independent Accounting Firm at the time the determination of such firm is rendered on the merits of the matters submitted. The fees and disbursements of the Representatives of each Party incurred in connection with the preparation or review of the Final Closing Statement and preparation or review of any Notice of Disagreement, as applicable, shall be borne by such Party.

(e) The Buyer and the HTA Sellers will, and will cause the Company (in the case of the HTA Sellers, prior to the Closing and, in the case of the Buyer, from and after the Closing through the resolution of any adjustment contemplated by this Section 2.5) to afford the other Party and its Representatives reasonable access, during normal business hours and upon reasonable prior notice, to the personnel, properties, books and records of the Company and its Subsidiaries and to any other information reasonably requested for purposes of preparing and reviewing the calculations contemplated by this Section 2.5. Each Party shall authorize its accountants to disclose work papers generated by such accountants in connection with preparing and reviewing the calculations of the Net Working Capital, Cash and Indebtedness as specified in this Section 2.5, provided, that such accountants shall not be obligated to make any work papers available except in accordance with such accountants' disclosure procedures and then only after the non-client Party has signed an agreement relating to access to such work papers in form and substance acceptable to such accountants.

(f) The Estimated Purchase Price shall be adjusted, upwards or downwards, as follows:

(i) For the purposes of this Agreement, the "Net Adjustment Amount" means an amount, which may be positive or negative, equal to (A) the Closing Net Working Capital as finally determined pursuant to this Section 2.5 minus the Estimated Net Working Capital, minus (B) the Closing Indebtedness as finally determined pursuant to this Section 2.5 minus the Estimated Indebtedness, plus (C) the Closing Cash as finally determined pursuant to this Section 2.5 minus the Estimated Cash, minus (D) the Closing Transaction Expenses as finally determined pursuant to this Section 2.5 minus the Estimated Transaction Expenses;

(ii) If the Net Adjustment Amount is positive, the Estimated Purchase Price shall be adjusted upwards in an amount equal to the Net Adjustment Amount. In such event, the Buyer shall pay the Net Adjustment Amount to the Sellers in accordance with their respective Purchase Price Percentages; and

(iii) If the Net Adjustment Amount is negative (in which case the "Net Adjustment Amount" for purposes of this clause (iii) shall be deemed to be equal to the absolute value of such amount), the Estimated Purchase Price shall be adjusted downwards in an amount equal to the Net Adjustment Amount. In such event, the HTA Sellers shall pay an aggregate amount to the Buyer equal to the amount of such deficiency. In the event that the HTA Sellers fail to pay the amount of such deficiency within the time period specified in the second sentence of Section 2.5(g), the Buyer may, in its sole discretion, offset such amount against the Tax Adjustment Amount payable to the HTA Sellers under Section 6.7. No failure on the part of the Buyer to deliver a notice as specified in the immediately preceding sentence shall relieve the HTA Sellers of the obligation to pay the amount of such deficiency to the Buyer.

(g) Amounts to be paid pursuant to Section 2.5(f) shall bear interest from the Closing Date to the date of such payment (inclusive) at a rate equal to the Prime Rate, calculated on the basis of a year of 365 days and the number of days elapsed. Payments in respect of Section 2.5(f) shall be made within three Business Days of final determination of the Net Adjustment Amount pursuant to the provisions of this Section 2.5 by wire transfer of immediately available funds in United States dollars to such account or accounts as may be designated in writing by the Party entitled to such payment at least two Business Days prior to such payment date; provided that any payment which is not paid by such third (3rd) Business Day shall thereafter bear interest at a rate equal to the Prime Rate, plus eight percent (8%), calculated on the basis of a year of 365 days and the number of days elapsed from the date of final determination of the Net Adjustment Amount and the date of payment (inclusive).

Section 2.6 Withholding. Each of the Buyer, the Escrow Agent and each of their respective Representatives shall be entitled to deduct and withhold from any consideration otherwise payable to any Person pursuant to this Agreement or the Ancillary Agreements such amounts as it determines it is required to deduct and withhold with respect to the making of such payment under the Code or any provision of applicable Tax Law, provided, that prior to any such deductions or withholdings with respect to any amounts payable to any Seller in respect of its Units pursuant to this Agreement (other than any payments treated as compensation for Tax purposes or any amounts subject to deduction or withholding due to a failure to provide the certificate described in Section 2.3(b)(ix) and a valid, properly completed IRS Form W-9 or applicable IRS Form W-8), Buyer shall provide such Seller notice of such deductions (a "Withholding Notice") and shall consider in good faith the input of such Seller if such Seller provides such input to Buyer within three Business Days of Buyer delivering a Withholding Notice. To the extent that any such withheld amounts are paid over to the appropriate taxing authority by the Buyer, any such deducted and withheld amounts shall be treated for all purposes of this Agreement and the Ancillary Agreements as having been actually paid to the applicable Person in respect of whom such deduction and withholding was made.

Section 2.7 Further Assurances. From and after the Closing, each of the Parties hereby agrees that at any time, or from time to time, as and when reasonably requested by the Company, or by its successors and assigns, each Party will execute and deliver, or cause to be executed and delivered in its name by its last acting officers, or by the corresponding officers of the Company, all such conveyances, assignments, transfers, deeds or other instruments, and will take or cause to be taken such further or other action as may be reasonably necessary in order to evidence the transfer, vesting of any property, right, privilege or franchise or to vest or perfect in or confirm to the Company, its successors and assigns, title to and possession of all the property, rights, privileges, powers, immunities, franchises and interests referred to in this Article II and otherwise to carry out the intent and purposes thereof. In furtherance of, and in addition to, the foregoing, from and after the Closing, the officers and directors of the Company shall be authorized to execute and deliver, in the name of and on behalf of the Company, all such conveyances, assignments, transfers, deeds or other instruments and to take and do, in the name and on behalf of the Company or otherwise, all such other actions and things as may be reasonably necessary to vest, perfect or confirm any and all right, title and interest in, to any under such properties, rights, privileges, powers, immunities, franchises and interests in the Company or otherwise to carry out this Agreement. The Parties agree that, in the event that any consent, approval or authorization reasonably necessary to preserve for the Company or any of

its Subsidiaries any right or benefit under any lease, license, commitment or other Contract to which the Company or any Subsidiary is a party is not obtained prior to the Closing, each of the Sellers will, subsequent to the Closing, upon written request, reasonably cooperate with Buyer, the Issuer, the Company or any such Subsidiary in attempting to obtain such consent, approval or authorization as promptly thereafter as practicable.

Section 2.8 Structure. At the written request of the Buyer, the Parties shall reasonably cooperate, and shall cause their Affiliates to reasonably cooperate, with the Buyer in amending the Agreement to structure the transaction as (i) a sale of the stock of HTA Holdings (other than the stock described in clause (ii)) to the Buyer by the shareholder of HTA Holdings for cash and (ii) a contribution of the applicable portion of the stock of HTA Holdings to Issuer by the shareholder of HTA Holdings in exchange for the Issuer Shares. Notwithstanding the foregoing, the Buyer shall remain responsible to purchase the HTA Units held directly by the Charity and David Center pursuant to the terms of this Agreement and the Buyer shall be responsible for payment of the Tax Adjustment Amount in respect of such purchase to the extent provided in Section 6.7 and the other terms of this Agreement, in each case, notwithstanding the restructuring of the purchase of the stock of HTA Holdings from the shareholder of HTA Holdings. Any such amendments must be reasonably acceptable to HTA Holdings.

Except as set forth in the corresponding sections or subsections of the Disclosure Schedules attached hereto (collectively, the "Disclosure Schedules") (each of which shall qualify only the specifically identified Sections or subsections hereof to which such Disclosure Schedule relates and any other representations and warranties (or covenants, as applicable) of the applicable Sellers if the relevance of that reference as an exception to (or a disclosure for purposes of) such representations and warranties (or covenants) would be reasonably apparent on its face to a reasonable person who has read that reference and such representations and warranties (or covenants)), the HTA Sellers, jointly and severally, hereby represent and warrant to the Buyer and the Issuer as of the date hereof and as of the Closing Date as follows (provided that the representations and warranties set forth in the second sentence of Section 3.1(a), Section 3.2, Section 3.3, Section 3.4(a), and Section 3.28 are made jointly and severally by each Seller (including the Charity)):

(b) The HTA Sellers have heretofore furnished to the Buyer a complete and correct copy of the certificate of incorporation, certificate of formation, operating agreements, bylaws or equivalent organizational documents, each as amended to date, of the Company and each of its Subsidiaries. Neither the Company nor any of its Subsidiaries is in violation of any of the provisions of its certificate of incorporation, certificate of formation, operating agreements, bylaws or equivalent organizational documents. The transfer books and minute books of each of the Company and its Subsidiaries that have been made available for inspection by the Buyer prior to the date hereof are true and complete.

Section 3.2 Authority. Each Seller has full power and authority to execute and deliver this Agreement and each of the Ancillary Agreements to which such Seller will be a party, to perform the obligations of such Seller hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution, delivery and performance by each Seller of this Agreement and each of the Ancillary Agreements to which such Seller will be a party and the consummation by such Seller of the transactions contemplated hereby and thereby have been duly and validly authorized by all necessary action on the part of such Seller. This Agreement has been, and upon their execution each of the Ancillary Agreements to which each Seller will be a party will have been, duly executed and delivered by such Seller and, assuming due execution and delivery by each of the other parties hereto and thereto, this Agreement constitutes, and upon their execution each of the Ancillary Agreements to which such Seller will be a party will constitute, the legal, valid and binding obligations of such Seller, enforceable against such Seller in accordance with their respective terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law).

Section 3.3 No Conflict; Required Filings and Consents.

(a) The execution, delivery and performance by each Seller of this Agreement and each of the Ancillary Agreements to which such Seller, as applicable, will be a party, and the consummation of the transactions contemplated hereby and thereby, do not and will not:

(i) conflict with or violate the certificate of incorporation, certificate of formation or bylaws or equivalent organizational documents of the Sellers or the Company or any of its Subsidiaries;

(ii) conflict with or violate any Law applicable to the Sellers or the Company or any of its Subsidiaries or by which any property or asset of the Sellers or the Company or any of its Subsidiaries is bound or affected, in each case which would have a material effect on the Company or any of its Subsidiaries or the transactions contemplated by this Agreement; or

SUCH FINANCIAL PROJECTIONS ARE NOT GUARANTEES OF FUTURE PERFORMANCE AND UNDUE RELIANCE SHOULD NOT BE PLACED ON THEM. SUCH FINANCIAL PROJECTIONS NECESSARILY INVOLVE KNOWN AND UNKNOWN RISKS AND UNCERTAINTIES, WHICH MAY CAUSE ACTUAL PERFORMANCE AND FINANCIAL RESULTS IN FUTURE PERIODS TO DIFFER MATERIALLY FROM ANY PROJECTIONS OF FUTURE PERFORMANCE OR RESULT EXPRESSED OR IMPLIED BY SUCH FINANCIAL PROJECTIONS. As used in this Section 3.9(c), "Related Person" means, with respect to a Person, any interest holder, or other investor, director, senior officer, trustee, beneficiary or grantor of such Person or other Person who controls such Person; provided that as to any Person that is publicly held, the term shall only include such owners, investors and controlling persons whose holdings are required to be, and are, publicly reported.

(c) None of the Plans is a multiemployer plan within the meaning of Section 3(37) or 4001(a)(3) of ERISA (a "Multiemployer Plan") or a single employer pension plan within the meaning of Section 4001(a)(15) of ERISA for which the Company or any of its Subsidiaries could incur liability under Section 4063 or 4064 of ERISA (a "Multiple Employer Plan"). (g) There has not been any non-exempt prohibited transaction, within the meaning of Section 406 of ERISA or Section 4975 of the Code, with respect to any Plan. Neither the Company nor any of its Subsidiaries has incurred any liability under, arising out of or by operation of Title IV of ERISA, including any liability in connection with (i) the termination or reorganization of any employee benefit plan subject to Title IV of ERISA or (ii) the withdrawal from any Multiemployer Plan or Multiple Employer Plan, and no fact or event exists that would give rise to any such liability.

(h) All contributions, premiums or payments required to be made with respect to any Plan have been made (or will be) on or before their due dates. All such contributions have been fully deducted for income tax purposes. No such deduction has been challenged or disallowed by any Governmental Authority and no fact or event exists that would give rise to any such challenge or disallowance. All of the Plans are fully funded and there exists no event or condition that has or will subject Buyer to any liability (contingent or otherwise) under the terms of the Plans, ERISA, the Code, or any other applicable law, other than contributions, benefits or liabilities contemplated by such Plans.

(i) There are no Actions or claims (other than routine claims for benefits) pending or, to the Knowledge of the Sellers, threatened, anticipated or expected to be asserted with respect to any Plan or any related trust or other funding medium thereunder or with respect to the Company or any ERISA Affiliate as the sponsor or fiduciary thereof and, to the Knowledge of the Sellers, no fact or event exists that would give rise to any such Action.

(j) No Plan or any related trust or other funding medium thereunder or any fiduciary thereof is, to the Knowledge of the Sellers, the subject of an audit, investigation or examination by any Governmental Authority.

(k) The Company and its ERISA Affiliates do not maintain any Plan which is a “group health plan,” as such term is defined in Section 5000(b)(1) of the Code, that has not been administered and operated in all respects in compliance with the applicable requirements of Section 601 of ERISA, Section 4980B(b) of the Code and the applicable provisions of the Health Insurance Portability and Accountability Act of 1986. The Company is not subject to any liability, including additional contributions, fines, penalties or loss of tax deduction, but excluding the payment of premiums, as a result of such administration and operation.

(l) With respect to each Plan that is a “nonqualified deferred compensation plan” (as defined for purposes of Section 409A(d)(1) of the Code), (i) such plan or arrangement has been operated since January 1, 2005 in compliance with Section 409A of the Code and all applicable IRS guidance promulgated thereunder to the extent such plan or arrangement is subject to Section 409A of the Code and so as to avoid any tax, interest or penalty thereunder; (ii) the document or documents that evidence each such plan or arrangement have conformed to the provisions of Section 409A of the Code and the final regulations under Section 409A of the Code since December 31, 2008; and (iii) as to any such plan or arrangement in existence prior to January 1, 2005 and not subject to Section 409A of the Code, has not been “materially modified” (within the meaning of IRS Notice 2005-1) at any time after October 3, 2004. No stock option (whether currently outstanding or previously exercised) is, has been or would be, as applicable, subject to any tax, penalty or interest under Section 409A of the Code.

(m) Neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated by this Agreement will, either alone or in combination with any other event, (i) result in any payment, including any change in control or severance payment, becoming due to any current or former employee, officer, director or independent contractor, (ii) increase any benefits otherwise payable under any Plan, (iii) result in the acceleration of the time of payment or vesting of any such benefits under any Plan, or (iv) require any contributions or payments to fund any obligations under any Plan. (f) The development, manufacture, sale, distribution or other commercial exploitation of products, and the provision of any services, by or on behalf of the Company or any of its Subsidiaries, and all of the other activities or operations of the Company or any of its Subsidiaries, have not infringed upon, misappropriated or violated, and do not infringe upon, misappropriate or violate, any Intellectual Property of any third party, and, neither the Company nor any of its Subsidiaries has received any notice or claim asserting or suggesting that any such infringement, misappropriation or violation is or may be occurring or has or may have occurred, nor to the Knowledge of the Sellers, is there a reasonable basis therefor. Neither the Company nor any of its Subsidiaries has received any unsolicited written request or invitation to take a license under any Patents owned by a third party. Schedule 3.21 of the Disclosure Schedules identifies which insurance policies are "occurrence" or "claims made" and which Person is the policy holder. Such insurance policies are (i) of the types and for the amounts of coverage reasonable in the context of the business and operations in which the Company and its Subsidiaries are engaged, and (ii) sufficient to comply with all applicable legal requirements and Contracts to which the Company or any of its Subsidiaries is a party or by which they may otherwise be bound, and there are no gaps in the pre-Closing insurance programs of the Company and its Subsidiaries. The activities and operations of the Company and its Subsidiaries have been conducted in a manner so as to conform in all material respects to all applicable provisions of such insurance policies. (a) The Company and each of its Subsidiaries at all times has complied and complies in all material respects (and requires and monitors the compliance of applicable third parties) with all applicable U.S., state, foreign and multinational Laws (including EC Directive 95/46 and its implementations in the EU Member States, the Computer Fraud and Abuse Act (and all state and foreign Laws similar thereto), the Children's Online Privacy Protection Act and California Civil Code section 1798.81.5) relating to privacy or data security, and their own published, posted and internal agreements and policies (which are in material conformance with generally-adopted industry practice) (all of the foregoing collectively, "Privacy Laws") with respect to: personally identifiable information (including name, address, telephone number,

electronic mail address, social security number, bank account number or credit card number), sensitive personal information that is the subject of applicable Privacy Laws and any special categories of personal information regulated thereunder or covered thereby ("Personal Information"), whether any of same is accessed or used by the Company or its Subsidiaries or any of their respective business partners. To the Knowledge of the Sellers, there are no facts or circumstances that would reasonably be expected to give rise to a violation by the Company or its Subsidiaries of any Privacy Law.

(b) The Company and its Subsidiaries post all policies with respect to the matters set forth in Section 3.22(a) on their respective Websites in conformance with Privacy Laws. Neither the Company nor any of its Subsidiaries uses, collects, or receives any Personal Information, except as disclosed in such policies.

(c) To the Company's Knowledge, Persons with which the Company or its Subsidiaries have contractual relationships have not breached any agreements with the Company or its Subsidiaries or any Privacy Laws pertaining to Personal Information to which such Persons have received access from the Company or any of its Subsidiaries.

(d) The Company and its Subsidiaries take all commercially reasonable steps to protect the operation, confidentiality, integrity and security of their respective Software, Systems and Websites and all information and transactions stored or contained therein or transmitted thereby (including all customer, employee and other confidential information) against any unauthorized or improper use, access, transmittal, interruption, modification or corruption, and, to the Company's Knowledge, there have been no such unauthorized or improper use, access, transmittal, interruption, modification or corruption and breaches of the security of such Software, Systems or Websites that would trigger any notice or other legal obligations of the Company or its Subsidiaries under applicable Privacy Laws. Without limiting the generality of the foregoing, each of the Company and its Subsidiaries has implemented a comprehensive security plan that (A) identifies internal and external risks to the security of the Company's or its Subsidiaries' confidential information and Personal Information and (B) implements, monitors and improves adequate and effective safeguards to control those risks. The Company's and its Subsidiaries' Software and Systems (including the Systems operated by vendors or subcontractors on behalf of the Company or any of its Subsidiaries) (x) are adequate for the conduct of the respective businesses of the Company and its Subsidiaries as currently conducted and contemplated to be conducted, and provide sufficient redundancy and speed to materially meet widely adopted standards of comparable businesses in the Company's industry relating to high availability and (y) are, in all material respects, in good working order and condition and have been used and maintained in accordance with their documentation and manufacturer's requirements and applicable insurance policies. Neither the Company nor any of its Subsidiaries has experienced any material disruption to, or material interruption in, its Systems, or the services provided by the Company or its Subsidiaries through the use of the Systems. The Company and its Subsidiaries have implemented commercially reasonable disaster recovery plans, including the regular back-up and prompt recovery of the data and information necessary to the conduct of the business of the Company and its Subsidiaries.

(e) Each of the Company and its Subsidiaries, and each of their respective businesses, products and services, is in compliance with and has at all times complied with all applicable requirements contained in the Payment Card Industry Data Security Standards ("PCI DSS") relating to "cardholder data" (as such term is defined in the PCI DSS, as amended from time to time) with respect to all (if any) such cardholder data that has come into its possession. Neither the Company nor any of its Subsidiaries has received written notice that it is in non-compliance with any PCI DSS standards. The Company has never experienced a security breach involving any such cardholder data which would trigger any notice or other legal obligations of the Company or its Subsidiaries under applicable Privacy Laws or the PCI DSS. The Company or any of its Subsidiaries has not received any claims by any Person alleging that the Company or any of its Subsidiaries have violated the PCI DSS, and there have been no known incidents of breach of the PCI DSS by the Company or any of its Subsidiaries.

None of such Major Customers has otherwise threatened to take any action described in the preceding sentence as a result of the consummation of the transactions contemplated by this Agreement. The Contracts pursuant to which the Company and its Subsidiaries provide products or services to each such Major Customer (x) will continue to be in full force and effect for a term of at least three years following the Closing Date and (y) are not terminable by such Major Customer for convenience. invoiced the Company or such Subsidiary during such period. No Seller has received any written notice, nor does any Seller have Knowledge, that there has been any material adverse change in the price of such supplies or services provided by any such supplier (including the Sellers and their respective Affiliates), or that any such supplier (including the Sellers and their respective Affiliates) will not sell supplies or services to the Company and its Subsidiaries at any time after the Closing Date on terms and conditions substantially the same as those used in its current sales to the Company and its Subsidiaries, subject to general and customary price increases. No such supplier has otherwise threatened to take any action described in the preceding sentence as a result of the consummation of the transactions contemplated by this Agreement. For purposes of general presentation, Schedule 3.23(b) of the Disclosure Schedules shall be redacted to the extent necessary to comply with applicable antitrust Laws, and until the end of the Marketing Period, and in any event not later than three Business Days prior to the Closing, the only Representatives of the Buyer that shall be permitted to view the un-redacted version of Schedule 3.23(b) of the Disclosure Schedules shall be members of the Clean Team.

No termination notice, cure notice or show-cause notice has been received or is otherwise in effect with respect to any Government Contract. No payment due to the Company or any of its Subsidiaries under a Government Contract has been withheld or set off.

(b) Neither the Company, any of its Subsidiaries nor any of their respective officers, directors, employees or agents (i) is or has been the subject of any audit (other than in the ordinary course), investigation or indictment with respect to any alleged material irregularity, misstatement or omission arising under or relating to any Government Contract nor received any notice of any of the same; (ii) has conducted or initiated any internal investigation, or made any voluntary or mandatory disclosure to a Governmental Authority, or other prime contractor or higher-tier subcontractor with respect to any alleged or possible material irregularity, misstatement or omission arising under or relating to a Government Contract; (iii) is or has been suspended, debarred or, proposed for suspension or debarment from contracting with any Governmental Authority; or (iv) has been the subject of a finding of non-responsibility or ineligibility regarding contracting with any Governmental Authority. any product designed, manufactured, sold, leased, licensed or delivered, or any service provided by any of the Company or its Subsidiaries, whether such material Liability was incurred by reason of any express or implied warranty (including any warranty of merchantability or fitness), any doctrine of common law (tort, contract, or other), or otherwise. Section 3.26 Rollover.

(a) Accredited Investor. HTA Holdings is an "accredited investor" as such term is defined in Rule 501 promulgated under the Securities Act.

(b) Evaluation of and Ability to Bear Risks. HTA Holdings has such knowledge and experience in financial affairs that HTA Holdings is capable of evaluating the merits and risks of an investment in the Issuer Shares. HTA Holdings has not relied in connection with this investment upon any representations, warranties or agreements other than those set forth in this Agreement. HTA Holdings' financial situation is such that HTA Holdings can afford to bear the economic risk of holding the Issuer Shares for an indefinite period of time, and HTA Holdings can afford to suffer the complete loss of HTA Holdings' investment in the Issuer Shares.

(c) Investment Purpose. HTA Holdings is acquiring the Issuer Shares pursuant to this Agreement for HTA Holdings' own account and not with a view to or for sale in connection with any distribution of all or any part of the Issuer Shares or HTA Holdings' interest in any of the Issuer Shares. HTA Holdings hereby agrees that HTA Holdings will not, directly or indirectly, transfer, offer, sell, pledge, hypothecate or otherwise dispose of all or any part of the Issuer Shares or HTA Holdings' interest in any of the Issuer Shares (or solicit any offers to buy, purchase or otherwise acquire or take a pledge of all or any part thereof) except in accordance with the terms of the Securityholders Agreement, as it may be amended from time to time, and in a manner that does not violate the registration or any other applicable provisions of the Securities Act (or any other applicable federal securities laws) or any applicable state securities laws. HTA Holdings understands that HTA Holdings must bear the economic risk of an investment in the Issuer Shares for an indefinite period of time because, among other reasons, the offering and sale of the Issuer Shares have not been registered under the Securities Act, and therefore, the Issuer Shares cannot be sold unless they are subsequently registered under the Securities Act or an exemption from such registration is available. HTA Holdings also understands that sales or transfers of the Issuer Shares are further restricted by the provisions of the Securityholders Agreement, as it may be amended from time to time, and applicable state securities laws.

(d) Disclosure. HTA Holdings hereby acknowledges that it has been given access to an electronic "data room" maintained at Intralinks, which contained, among other items pertaining to the Issuer, copies of the audited consolidated balance sheet of ATS Consolidated, Inc. and its Subsidiaries as at December 31, 2014, December 31, 2015 and December 31, 2016 and the related audited consolidated statements of operations and comprehensive income, equity and cash flows of ATS Consolidated, Inc. and its Subsidiaries (collectively, the "Issuer Disclosure Materials"), and HTA Holdings understands the risks of, and other considerations relating to, the ownership of the Issuer Shares.

(e) Access to Information. HTA Holdings has been provided an opportunity to ask questions of, and HTA Holdings has received answers thereto from the Issuer and its Representatives regarding the Issuer Disclosure Materials and other matters pertaining to the Rollover, and HTA Holdings has obtained all additional information requested by HTA Holdings of the Issuer and its Representatives.

(f) No Representations. None of the Issuer, the Buyer, their respective Affiliates or any their respective Representatives has made any representations or warranties to HTA Holdings, other than the representations of the Buyer and the Issuer set forth herein.

(g) Tax Considerations. HTA Holdings is not relying on the Buyer or the Issuer with respect to individual Tax considerations involved in an investment in the Issuer Shares.

(h) Stop Transfer Restrictions / Legends on Stock Certificates. HTA Holdings understands that, in addition to any other restrictions or legends required by applicable state securities laws, the Issuer Shares shall include a stop transfer restriction on Issuer's books or, if any certificate or certificates representing the Issuer Shares are issued, a legend will be placed on any such certificate or certificates representing the Issuer Shares, in each case substantially to the following effect:

> THE SECURITIES REPRESENTED BY THIS BOOK-ENTRY POSITION OR CERTIFICATE, AS APPLICABLE, HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF UNLESS REGISTERED UNDER THAT ACT AND UNDER APPLICABLE STATE SECURITIES LAWS OR GREENLIGHT HOLDING II CORPORATION (THE "COMPANY") SHALL HAVE RECEIVED AN OPINION OF ITS COUNSEL (IF REQUIRED BY THE COMPANY) THAT REGISTRATION OF SUCH SECURITIES UNDER THAT ACT AND UNDER THE PROVISIONS OF APPLICABLE STATE SECURITIES LAWS IS NOT REQUIRED. THE SALE, TRANSFER OR OTHER DISPOSITION OF THE SECURITIES IS ALSO SUBJECT TO COMPLIANCE WITH THE TERMS AND CONDITIONS OF THAT CERTAIN SECURITYHOLDERS AGREEMENT, DATED AS OF [●], AS SUPPLEMENTED, MODIFIED AND AMENDED FROM TIME TO

TIME, AMONG THE COMPANY AND THE SHAREHOLDERS SIGNATORY THERETO, A COPY OF WHICH AGREEMENT IS AVAILABLE FOR INSPECTION DURING REGULAR BUSINESS HOURS AT THE PRINCIPAL EXECUTIVE OFFICES OF THE COMPANY.

Section 3.27 Intentionally Omitted.

Section 3.28 Brokers. Except for the Morgan Stanley Fee, no broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the transactions contemplated hereby based upon arrangements made by or on behalf of the Sellers or the Company or any of its Subsidiaries. The Sellers have furnished to the Buyer a complete and correct copy of all agreements between the Sellers, on the one hand, and Morgan Stanley, on the other hand, pursuant to which such firm would be entitled to any payment related to the transactions contemplated hereby.

Section 3.29 Exclusivity of Representations and Warranties. NOTWITHSTANDING THE DELIVERY OR DISCLOSURE TO BUYER OR ITS AFFILIATES OR REPRESENTATIVES OF ANY DOCUMENTATION OR OTHER INFORMATION (INCLUDING ANY FINANCIAL PROJECTIONS OR OTHER SUPPLEMENTAL DATA), EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES SET FORTH IN THIS AGREEMENT, THE ANCILLARY AGREEMENTS OR ANY SCHEDULE OR CERTIFICATE DELIVERED IN ACCORDANCE WITH THIS AGREEMENT OR THE ANCILLARY AGREEMENTS, SELLERS EXPRESSLY DISCLAIM ANY OTHER REPRESENTATIONS OR WARRANTIES OF ANY KIND OR NATURE, EXPRESS OR IMPLIED. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS SECTION 3.29, CLAIMS AGAINST THE SELLERS OR ANY OTHER PERSON SHALL NOT BE LIMITED IN ANY RESPECT IN THE EVENT OF FRAUD.

## ARTICLE IV
## REPRESENTATIONS AND WARRANTIES OF THE BUYER AND THE ISSUER

Except as set forth in the corresponding sections or subsections of the Buyer Disclosure Schedules attached hereto (collectively, the "Buyer Disclosure Schedules") (each of which shall qualify only the specifically identified Sections or subsections hereof to which such Buyer Disclosure Schedule relates and any other representations and warranties (or covenants, as applicable) of the Buyer or the Issuer if the relevance of that reference as an exception to (or a disclosure for purposes of) such representations and warranties (or covenants) would be reasonably apparent on its face to a reasonable person who has read that reference and such representations and warranties (or covenants)), each of the Buyer and, solely with respect to Section 4.8, the Issuer, hereby represents and warrants to the Sellers as of the date hereof and as of the Closing Date as follows:

Section 4.1 Organization. The Buyer is a corporation duly organized, validly existing and in good standing under the laws of Delaware and has full corporate power and authority to own, lease and operate its properties and to carry on its business as it is now being conducted.

Section 4.2 Authority. The Buyer has full corporate power and authority to execute and deliver this Agreement and each of the Ancillary Agreements to which it will be a party, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution, delivery and performance by the Buyer of this Agreement and each of the Ancillary Agreements to which it will be a party and the consummation by the Buyer of the transactions contemplated hereby and thereby have been duly and validly authorized by all necessary corporate action. This Agreement has been, and upon their execution each of the Ancillary Agreements to which the Buyer will be a party will have been, duly executed and delivered by the Buyer and, assuming due execution and delivery by each of the other parties hereto and thereto, this Agreement constitutes, and upon their execution each of the Ancillary Agreements to which the Buyer will be a party will constitute, the legal, valid and binding obligations of the Buyer, enforceable against the Buyer in accordance with their respective terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law).

Section 4.3 No Conflict; Required Filings and Consents.

(a) The execution, delivery and performance by the Buyer of this Agreement and each of the Ancillary Agreements to which the Buyer will be a party, and the consummation of the transactions contemplated hereby and thereby, do not and will not:

(i) conflict with or violate the certificate of incorporation or bylaws of the Buyer;

(ii) materially conflict with or violate any Law applicable to the Buyer; or

(iii) result in any breach of, constitute a default (or an event that, with notice or lapse of time or both, would become a default) under or require any consent of any Person pursuant to, any note, bond, mortgage, indenture, agreement, lease, license, permit, franchise, instrument, obligation or other Contract to which the Buyer is a party; in each case except for any such conflicts, violations, breaches, defaults or other occurrences that do not, individually or in the aggregate, materially impair the ability of the Buyer to consummate, or prevent or materially delay, any of the transactions contemplated by this Agreement or the Ancillary Agreements or would reasonably be expected to do so.

(b) The Buyer is not required to file, seek or obtain any notice, authorization, approval, order, permit or consent of or with any Governmental Authority in connection with the execution, delivery and performance by the Buyer of this Agreement and each of the Ancillary Agreements to which it will be party or the consummation of the transactions contemplated hereby or thereby, except for such filings as may be required by any applicable federal or state securities or "blue sky" laws.

Section 4.4 Financing. Buyer has delivered to Sellers complete copies of an executed commitment letter (as the same may be amended pursuant to Section 5.11, the "Debt Financing Commitment"), together with the fee letters associated therewith (redacted in a customary manner), pursuant to which the lenders party thereto have agreed, subject to the terms and conditions thereof (including any flex provisions applicable thereto), to provide or cause to be provided the debt amounts set forth therein (the "Debt Financing"). As of the date of this Agreement, the Debt Financing Commitment has not been amended or modified, and the respective commitments contained in the Debt Financing Commitment have not been withdrawn or rescinded. As of the date of this Agreement, the Debt Financing Commitment is in full force and effect and constitutes the legal, valid and binding obligation of the Buyer and, to the Knowledge of the Buyer, the other parties thereto (except to the extent that enforceability may be limited by the applicable bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the enforcement of creditors' rights generally or by general principles of equity), and is the only Contract among the Buyer or any of its Affiliates, on the one hand, and the Financing Sources, on the other hand, with respect to the terms and conditions of the Debt Financing (other than (a) fee letters (complete copies of which have been provided to the Sellers (redacted as set forth above)), (b) customary engagement letters and (c) as expressly set forth in the Debt Financing Commitment delivered to the Sellers as of the date hereof). There are no conditions precedent related to the funding of the full amount of the Debt Financing other than as set forth in or contemplated by the Debt Financing Commitment (subject to customary "flex" provisions the exercise of which would not reasonably be expected to (i) impose additional, or expand existing, conditions precedent to the funding of the Debt Financing in a manner that is adverse in any material respect to the Buyer, (ii) reduce the Debt Financing to an amount committed below the amount that is required, together with other financial resources of the Buyer, to consummate the transactions contemplated by this Agreement or (iii) otherwise materially impair or delay the funding of the Debt Financing at the Closing). Subject to the terms and conditions of the Debt Financing Commitment and subject to the satisfaction of the conditions contained in Sections 7.2 and 7.3, assuming the accuracy of the representations and warranties of the Sellers set forth in Article III and assuming compliance by the Company and the Sellers with the covenants set forth in Sections 5.1 and 5.11, the aggregate proceeds contemplated by the Debt Financing Commitment, together with other financial resources of Buyer including cash, cash equivalents and marketable securities of Buyer, the Company and its Subsidiaries on the Closing Date, will be sufficient for Buyer to consummate the transactions contemplated by this Agreement upon the terms herein and pay all related fees and expenses. Assuming the accuracy of the representations and warranties of the Sellers set forth in Article III and assuming compliance by the Company, the Sellers with the covenants set forth in Sections 5.1 and 5.11, in each case to the standards described in Section 7.3(a), Buyer has no reason to believe that any of the conditions set forth in the Debt Financing Commitment will not be satisfied on or before the Outside Date.

Section 4.5 Solvency. Buyer has, and will continue to have, sufficient cash on hand or other sources of immediately available funds to enable it to make payment of the Reverse Termination Fee, if such becomes due and payable in accordance with the terms of this Agreement. As of the Closing, assuming (a) satisfaction of the conditions to the Buyer's obligation to consummate the purchase of the Units, (b) the accuracy of the representations and warranties of the Sellers set forth in Article III hereof (for such purposes, such representations and warranties shall be true and correct to the standards described in Section 7.3(a)), and (c) any estimates, projections or forecasts of the Company and its Subsidiaries being reasonably

realizable, and (d) after giving effect to the transactions contemplated by this Agreement, including the Debt Financing, the payment of the aggregate Estimated Purchase Price, any other repayment or refinancing of existing indebtedness contemplated by this Agreement or the Debt Financing Commitment, the payment of all amounts required to be paid in connection with the consummation of the transactions contemplated hereby and the payment of all related fees and expenses, the Buyer will be Solvent as of the Closing Date immediately following the transactions contemplated hereby. For purposes of this Section 4.5, "Solvent" with respect to the Person means that, as of any date of determination, (i) the fair value of the assets of such Person and its subsidiaries, on a consolidated basis, is greater as of such date than the total amount of liabilities, including contingent liabilities, of such Person and its subsidiaries, on a consolidated basis (it being understood that the amount of contingent liabilities at any time shall be computed as the amount that, in light of all the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability), (ii) the present fair salable value of the assets of such Person and its subsidiaries, on a consolidated basis, is greater as of such date than the total amount of liabilities, including continent liabilities, of such Person and its subsidiaries, on a consolidated basis (it being understood that the amount of contingent liabilities at any time shall be computed as the amount that, in light of all the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability), (iii) such Person and its subsidiaries, on a consolidated basis, are able to pay their debts and liabilities (including contingent liabilities) as they become absolute and mature in the ordinary course of business on their respective stated maturities and are otherwise "solvent" within the meaning given that term and similar terms under applicable laws relating to fraudulent transfers and conveyances and (iv) such Person and its subsidiaries have adequate capital with which to conduct the business they are presently conducting.

Section 4.6 Brokers. Except for Platinum, the fees of which will be paid by the Buyer, no broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the transactions contemplated hereby based upon arrangements made by or on behalf of the Buyer.

Section 4.7 Investment Intent. The Buyer is acquiring the Units for its own account for investment purposes only and not with a view to any public distribution thereof or with any intention of selling, distributing or otherwise disposing of the Units in a manner that would violate the registration requirements of the Securities Act of 1933, as amended. Buyer acknowledges that the Units are not registered under the Securities Act of 1933, as amended, or any state securities laws, and that the Units may not be transferred or sold except pursuant to the registration provisions of the Securities Act of 1933, as amended or pursuant to an applicable exemption therefrom and subject to state securities laws and regulations, as applicable.

Section 4.8 Issuer Shares.

(a) Organization. Each of the Issuer and Parent is a corporation duly organized, validly existing and in good standing under the laws of Delaware and has full corporate power and authority to own, lease and operate its properties and to carry on its business as it is now being conducted.

(b) Authority. Each of the Issuer and Parent has full corporate power and authority to execute and deliver each of the Ancillary Agreements to which it will be a party, to perform its obligations thereunder and to consummate the transactions contemplated thereby. The execution, delivery and performance by each of the Issuer and Parent of each of the Ancillary Agreements to which it will be a party and the consummation by each of the Issuer and Parent of the transactions contemplated thereby have been duly and validly authorized by all necessary corporate action. Upon their execution each of the Ancillary Agreements to which each of the Issuer and Parent will be a party will have been, duly executed and delivered by the Issuer or Parent (as applicable) and, assuming due execution and delivery by each of the other parties hereto and thereto, upon their execution each of the Ancillary Agreements to which each of the Issuer and Parent will be a party will constitute, the legal, valid and binding obligations of the Issuer or the Parent (as applicable), enforceable against the Issuer or Parent in accordance with their respective terms, except as (i) enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law), (ii) the enforceability of the indemnification and contribution provisions of the Securityholders Agreement may be limited under applicable federal or state securities laws or the public policy underlying such laws, and (iii) the enforceability of the rights of the Issuer to repurchase its securities pursuant to certain provisions of the Securityholders Agreement may be limited by the Delaware General Corporation Law as to inadequate capital surplus and by fraudulent conveyance or similar laws.

(c) No Conflicts. The execution, delivery and performance by each of the Issuer and Parent of this Agreement and each of the Ancillary Agreements to which the Issuer or Parent (as applicable) will be a party, and the consummation of the transactions contemplated hereby and thereby, do not and will not:

(i) conflict with or violate the certificate of incorporation or bylaws of the Issuer or Parent (as applicable);

(ii) conflict with or violate any Law applicable to the Issuer or Parent (as applicable); or

(iii) result in any breach of, constitute a default (or an event that, with notice or lapse of time or both, would become a default) under or require any consent of any Person pursuant to, any note, bond, mortgage, indenture, agreement, lease, license, permit, franchise, instrument, obligation or other Contract to which the Issuer or Parent (as applicable) is a party; except for any such conflicts, violations, breaches, defaults or other occurrences that do not, individually or in the aggregate, materially impair the ability of the Issuer or Parent (as applicable) to consummate, or prevent or materially delay, any of the transactions contemplated by this Agreement or the Ancillary Agreements or would reasonably be expected to do so.

(d) Offer of Issuer Shares. Neither the Issuer nor any person authorized to act on behalf of the Issuer has taken or will take any action that would subject the transactions contemplated by this Agreement to the registration requirements of the Securities Act.

(e) Litigation. Except as set forth on Schedule 4.8(e) of the Buyer Disclosure Schedules, there is no action, proceeding or investigation pending or, to the Knowledge of the Buyer, threatened against the Issuer, Parent or any of its Subsidiaries (including the Buyer) which relates to the Issuer's, Parent's or any of its Subsidiaries' (including Buyer's) business or affects the Issuer, Parent or any of its Subsidiaries (including Buyer) that, if decided adversely to the Issuer, Parent or such Subsidiary, would have a material adverse effect on the Issuer, Parent and its Subsidiaries (including the Buyer), individually or taken as a whole, or that questions the validity of this Agreement or any Ancillary Agreement or any action taken or to be taken pursuant to this Agreement or any Ancillary Agreement.

(f) Issuer Capitalization. Except as set forth in Schedule 4.8(f)(i) of the Buyer Disclosure Schedules, as of the Closing (after giving effect to the Parent Contribution), the authorized capital stock of the Issuer consists of 2,000 shares of common stock, par value $0.01 per share, consisting of 1,000 shares of Voting Common Stock (the "Issuer Voting Common Stock") and 1,000 shares of Non-Voting Common Stock (the "Issuer Non-Voting Common Stock"), of which 99.8066159 shares of Issuer Voting Common Stock are issued and outstanding and 0.1933841 shares of Issuer Non-Voting Common Stock are issued and outstanding. Except as set forth in Schedule 4.8(f)(i) of the Buyer Disclosure Schedules, the Issuer has not issued or agreed to issue any: (i) share of capital stock or other equity or ownership interest; (ii) option, warrant or interest convertible into or exchangeable or exercisable for the purchase of shares of capital stock or other equity or ownership interests; (iii) stock appreciation right, phantom stock, interest in the ownership or earnings of the Issuer or other equity equivalent or equity-based award or right; or (iv) bond, debenture or other Indebtedness having the right to vote or convertible or exchangeable for securities having the right to vote. Upon the Issuer's receipt of the Rollover Units, the Issuer Shares being issued to HTA Holdings will be duly authorized, validly issued, fully paid and nonassessable, free and clear of any Encumbrance other than Encumbrances created by HTA Holdings or the Securityholders Agreement. A true and correct copy of the capitalization table of each of the Issuer, Parent, and each other Subsidiary of Issuer (including Buyer) is set forth on Schedule 4.8(f)(ii) of the Buyer Disclosure Schedules.

Section 4.9 Equity Interests. Except for the Subsidiaries listed in Schedule 4.9 of the Buyer Disclosure Schedules, neither the Issuer, Parent nor any of its Subsidiaries directly or indirectly owns any equity, partnership, membership or similar interest in, or any interest convertible into, exercisable for the purchase of or exchangeable for any such equity, partnership, membership or similar interest, or is under any current or prospective obligation to form or participate in, provide funds to, make any loan, capital contribution or other investment in or assume any liability or obligation of, any Person.

Section 4.10 Buyer Financial Statements.

(b) Except as and to the extent adequately accrued or reserved against in the Balance Sheet, neither the Issuer nor any of its Subsidiaries has any liability or obligation of any nature, whether accrued, absolute, contingent or otherwise, and whether known or unknown, required by GAAP to be reflected in a consolidated balance sheet of (i) Parent and its Subsidiaries (as of the date hereof) or (ii) the Issuer and its Subsidiaries (as of the Closing), or disclosed in the notes thereto, except for liabilities and obligations, incurred in the ordinary course of business consistent with past practice since the Buyer Balance Sheet Date, that are not, individually or in the aggregate, material to the Issuer, Parent or any of its Subsidiaries.

Section 4.11 Affiliate Interests and Transactions. (w) modify or cancel, or cause to be modified or cancelled, any insurance policy set forth on Schedule 3.21 of the Disclosure Schedules; or

(a) From the date hereof through the Closing Date, the Sellers shall, and shall cause the Company and its Subsidiaries to, afford the Buyer and its Representatives reasonable access (including for inspection and copying) at reasonable times to the Representatives, properties, offices, plants and other facilities, books and records of the Company and each of its Subsidiaries, and shall furnish the Buyer with such financial, operating and other data and information as the Buyer may reasonably request.

(b) From the date hereof through the Closing Date, the Sellers shall deliver or shall cause to be delivered to the Buyer monthly financial statements of the Company and its Subsidiaries within 10 calendar days of the end of each calendar month. Such financial statements shall be deemed to constitute "Interim Financial Statements" for purposes of the representations set forth in Section 3.7(a).

(c) Subject in all cases to Section 5.12, on the Closing Date, the Sellers shall deliver or cause to be delivered to the Buyer all original (or, if unavailable, copies of) agreements, documents, books and records, files and other information, and all computer disks, records, tapes and any other storage medium on which any such agreements, documents, books and records, files and other information is stored, in any such case that are in the possession of or under the control of the Sellers, as applicable; provided that the Sellers or any of their Affiliates may keep (i) copies of any of the foregoing to the extent reasonably necessary for Sellers' and its Affiliates' non-Company businesses or operations or to take any action contemplated by this Agreement or any of the Ancillary Agreements, and (ii) the Excluded Assets. If, notwithstanding the foregoing, any Seller discovers following the Closing Date that it is in possession of or has under its control any such items which are required to be delivered to Buyer pursuant to the foregoing sentence, such Seller shall deliver to the Buyer any such items as soon as reasonably practicable.

(d) No Seller shall be required to deliver information to the Buyer to the extent disclosure of such information would (i) jeopardize any attorney-client privilege, protection under the work product doctrine or other legal privilege, or (ii) contravene any applicable Laws, fiduciary duty or binding agreement entered into prior to the date hereof.

Section 5.3 Exclusivity. Each of the Sellers agrees that between the date of this Agreement and the earlier of the Closing and the termination of this Agreement, no Seller shall, and each Seller shall take all action necessary to ensure that none of the Company, any of its Subsidiaries or any of their respective Affiliates or Representatives shall, directly or indirectly:

(a) solicit, initiate, consider, encourage or accept any other proposals or offers from any Person (i) relating to any direct or indirect acquisition or purchase of all or any portion of the capital stock or other equity or ownership interest of the Company or any of its Subsidiaries or assets of the Company or any of its Subsidiaries, other than inventory to be sold in the ordinary course of business consistent with past practice, (ii) to enter into any merger, consolidation or other business combination relating to the Company or any of its Subsidiaries or (iii) to enter into a recapitalization, reorganization or any other extraordinary business transaction involving or otherwise relating to the Company or any of its Subsidiaries; or

(b) participate in any discussions, conversations, negotiations or other communications regarding, or furnish to any other Person any information with respect to, or otherwise cooperate in any way, assist or participate in, facilitate or encourage any effort or attempt by any other Person to seek to do any of the foregoing. The Sellers immediately shall cease and cause to be terminated all existing discussions, conversations, negotiations and other communications with any Persons conducted heretofore with respect to any of the foregoing.

The Sellers shall notify the Buyer promptly, but in any event within 24 hours, orally and in writing if any such proposal or offer, or any inquiry or other contact with any Person with respect thereto, is made. Each of the Sellers shall not, and shall cause the Company and each of its Subsidiaries not to, release any Person from, or waive any provision of, any confidentiality or standstill agreement to which the Sellers or the Company or any of its Subsidiaries is a party, without the prior written consent of the Buyer.

Section 5.4 Notification of Certain Matters. The Sellers shall give prompt written notice to the Buyer of (a) the occurrence or non-occurrence of any change, condition or event, the occurrence or non-occurrence of which would cause any of the conditions set forth in Section 7.1 or Section 7.3, as applicable, to be incapable of fulfillment, (b) the occurrence of any change, condition or event that has had or is reasonably likely to have a Material Adverse Effect, (c) any failure of the Sellers, the Company, any Subsidiary of the Company or any other Affiliate of the Sellers to comply with or satisfy any covenant or agreement to be complied with or satisfied by it hereunder or any event or condition that would otherwise result in the nonfulfillment of any of the conditions to the obligations of the Buyer and the Issuer hereunder, (d) any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the consummation of the transactions contemplated by this Agreement or the Ancillary Agreements or (e) any Action pending or, to the Sellers' Knowledge, threatened against a Party or the Parties relating to the transactions contemplated by this Agreement or the Ancillary Agreements.

Section 5.5 Intercompany Arrangements; Personal Guarantees; Closing Employee Payment Releases.

(a) Other than the accounts or Contracts set forth on Schedule 5.5(a), all intercompany and intracompany accounts, debts or Contracts between the Company or its Subsidiaries, on the one hand, and the Sellers or their respective Affiliates (other than the Company and its Subsidiaries), on the other hand, shall be cancelled without any consideration or further liability to any party and without the need for any further documentation, immediately prior to the Closing. Prior to the Closing, the Company, on the one hand, and the applicable Affiliate of Sellers, on the other hand, shall enter into the new lease attached hereto as Exhibit E.

(b) Each of the parties hereto shall, and shall cause their Affiliates to, use commercially reasonable efforts to remove any guaranty or other surety given by any Seller or his or its Affiliates (other than the Company or any of its Subsidiaries) with respect to any asset or liability of the Company or any of its Subsidiaries, including the personal guarantees described on Schedule 5.5(b), such that the applicable guarantor has no further liability with respect thereto as of the Closing Date or as promptly as practicable thereafter.

(c) HTA Holdings shall use its commercially reasonable efforts to obtain, and each of the other Parties hereto shall reasonably cooperate with HTA Holdings in connection with obtaining, duly executed Closing Employee Payment Releases from each recipient of a Closing Employee Payment on or before the Closing Date.

Section 5.6 Resignations. The Sellers will deliver at the Closing the resignation of all of the directors of the Company and its Subsidiaries, effective as of the Closing, except for such directors that the Buyer specifies in writing to the Sellers prior to the Closing Date.

Section 5.7 Confidentiality.

(a) Each of the Parties shall hold, and shall cause its Representatives to hold, in confidence all documents and information furnished to it by or on behalf of the other Parties in connection with the transactions contemplated hereby pursuant to the terms of (i) the Non-Disclosure Agreement dated October 24, 2017 by and between Platinum and HTA LLC, (ii) the Non-Disclosure Agreement dated November 2, 2017 by and among the Buyer, HTA LLC and Platinum, (iii) the Clean Team Confidentiality Agreement dated January 16, 2018 by and among HTA LLC, the Buyer and Platinum and (iv) the Supplemental Clean Team Confidentiality Agreement dated January 17, 2018 by and among HTA LLC, the Buyer and Platinum (the agreements referenced in the foregoing clauses (i), (ii), (iii) and (iv), collectively, the "Confidentiality Agreements"), which shall continue in full force and effect until the Closing Date, at which time such Confidentiality Agreements and the obligations of the Parties under this Section 5.7(a) shall terminate. If for any reason this Agreement is terminated prior to the Closing Date, the Confidentiality Agreements shall nonetheless continue in full force and effect in accordance with their terms.

(b) For a period of five years following the Closing Date, each of the Sellers shall not, and each of the Sellers shall cause its Affiliates and the respective Representatives of the Sellers and their respective Affiliates not to, use for its or their own benefit or divulge or convey to any third party, any Confidential Information; provided, however, that the Sellers or their respective Affiliates may furnish such portion (and only such portion) of the Confidential Information as such Seller or such Affiliate reasonably determines it is legally obligated to disclose if: (i) it receives a request to disclose all or any part of the Confidential Information under the terms of a subpoena, civil investigative demand or order issued by a Governmental Authority; (ii) to the extent not inconsistent with such request, it notifies the Buyer of the existence, terms and circumstances surrounding such request and consults with the Buyer on the advisability of taking steps available under applicable Law to resist or narrow such request; (iii) it exercises its commercially reasonable efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to the disclosed Confidential Information; and (iv) disclosure of such Confidential Information is required to prevent such Seller or such Affiliate from being held in contempt or becoming subject to any other penalty under applicable Law. For purposes of this Agreement, "Confidential Information" consists of all information and data relating to the Company or its Subsidiaries or the transactions contemplated hereby (other than data or information that is or becomes available to the public other than as a result of a breach of this Section).

(c) Effective as of the Closing, each of the Sellers hereby assigns to the Buyer all of its right, title and interest in and to any confidentiality agreements entered into by such Seller (or its Affiliates or Representatives) and each Person (other than the Buyer and its Affiliates and Representatives) who entered into any such agreement or to whom Confidential Information was provided in connection with a business combination involving the Company or its Affiliates. From and after the Closing, the Sellers will take all actions reasonably requested by the Buyer in order to assist in enforcing the rights so assigned. Each of the Sellers shall use its commercially reasonable efforts to cause any such Person to return to the Sellers, as applicable, any documents, files, data or other materials constituting Confidential Information that was provided to such Person in connection with the consideration of any such business combination.

Section 5.8 Consents and Filings; Further Assurances.

(a) The Parties shall use all commercially reasonable efforts to take, or cause to be taken, all appropriate action to do, or cause to be done, all things necessary, proper or advisable under applicable Law or otherwise to consummate and make effective the transactions contemplated by this Agreement and the Ancillary Agreements as promptly as practicable, including to (i) obtain from Governmental Authorities and other Persons all consents, approvals, authorizations, qualifications and orders as are necessary for the consummation of the transactions contemplated by this Agreement and the Ancillary Agreements and (ii) have vacated, lifted, reversed or overturned any order, decree, ruling, judgment, injunction or other action (whether temporary, preliminary or permanent) that is then in effect and that enjoins, restrains, conditions, makes illegal or otherwise restricts or prohibits the consummation of the transactions contemplated by this Agreement and the Ancillary Agreements. In furtherance and not in limitation of the foregoing, the Sellers shall permit the Buyer and the Issuer reasonably to participate in the defense and settlement of any claim, suit or cause of action relating to this Agreement or the transactions contemplated hereby, and none of the Sellers shall settle or compromise any such claim, suit or cause of action without the Buyer's written consent.

(b) The Sellers shall, or shall cause the Company and its Subsidiaries to, give promptly such notice to third parties and obtain such third party consents and estoppel certificates as the Buyer may in its reasonable discretion deem necessary in connection with the transactions contemplated by this Agreement and the Ancillary Agreements. The Buyer shall cooperate with and assist the Sellers in giving such notices and obtaining such consents and estoppel certificates; provided, however, that the Buyer shall have no obligation to give any guarantee or other consideration of any nature in connection with any such notice, consent or estoppel certificate or consent to any change in the terms of any agreement or arrangement that the Buyer in its sole discretion may deem adverse to the interests of the Buyer, the Issuer or the Company or any of its Subsidiaries.

(c) The Parties agree that, in the event that any consent, approval or authorization necessary or desirable to preserve for the Company or any of its Subsidiaries any right or benefit under any lease, license, commitment or other Contract to which the Company or any Subsidiary is a party is not obtained prior to the Closing, the Sellers will, subsequent to the Closing, cooperate with the Buyer and the Issuer, the Company or any such Subsidiary in attempting to obtain such consent, approval or authorization as promptly thereafter as practicable.

(d) From time to time after the Closing, and for no further consideration, each of the Parties shall, and shall cause its Subsidiaries to, execute, acknowledge and deliver such assignments, transfers, consents, assumptions and other documents and instruments and take such other actions as may be reasonably necessary to consummate and make effective the transactions contemplated by this Agreement and the Ancillary Agreements.

(e) Notwithstanding anything herein to the contrary, neither the Buyer nor the Issuer shall be required by this Section to take or agree to undertake any action, including entering into any consent decree, hold separate order or other arrangement, that would (A) require the divestiture of any material assets of the Buyer, the Issuer, the Company or any of their respective Affiliates, (B) materially limit the Buyer's freedom of action with respect to, or its ability to consolidate and control, the Company and its Subsidiaries or any of their assets or businesses or any of the Buyer's or its Affiliates' other assets or businesses or (C) materially limit the Buyer's ability to acquire or hold, or exercise full rights of ownership with respect to, the Units.

Section 5.9 Termination of Indebtedness. The Sellers shall negotiate Debt Payoff Letters for all Payoff Indebtedness. The Sellers shall, and shall cause the Company and its Subsidiaries to, deliver all notices and take all other actions reasonably requested by the Buyer to facilitate the termination of all Contracts relating to Payoff Indebtedness, the termination of the commitments provided thereunder, the repayment in full of all obligations then outstanding thereunder (using funds provided by the Buyer) and the release of all Encumbrances in connection therewith on the Closing Date; provided, however, that in no event shall this Section 5.9 require any of the Sellers or the Company or any of its Subsidiaries to cause the termination of any Contracts relating to Payoff Indebtedness other than as part of the Closing.

Section 5.10 Public Announcements. On and after the date hereof and through the Closing Date, the Parties shall consult with each other before issuing any press release or otherwise making any public statements with respect to this Agreement or the transactions contemplated hereby, and none of the Parties shall issue any press release or make any public statement prior to obtaining the written approval of the other Parties, which approval shall not be unreasonably withheld, except that no such approval shall be necessary to the extent disclosure may be required by applicable Law or any listing agreement of any Party hereto.

Section 5.11 Financing.

(a) Obligations of the Buyer.

(i) The Buyer shall use its commercially reasonable efforts to obtain the Debt Financing in all material respects on the terms described in the Debt Financing Commitment (including any flex provisions applicable thereto), including using commercially reasonable efforts (I) to negotiate definitive documentation for and consummate the Debt Financing contemplated by the Debt Financing Commitment on a timely basis, (II) to satisfy on a timely basis (taking into account the expected timing of the Marketing Period) all conditions to receipt of the Debt Financing at the Closing set forth therein that are within its control (excluding, for the avoidance of doubt, any condition to receipt of the Debt Financing that cannot be satisfied as a direct result of any failure of the conditions set forth in Section 7.3 to be

satisfied and (III) to comply with its obligations under the Debt Financing Commitment. The Buyer shall have the right from time to time to amend the Debt Financing Commitment or to replace all or any portion of the Debt Financing Commitment with other debt or equity financing from the same and/or alternative Financing Sources; provided, that any such amendment or replacement of the Debt Financing shall not, without the prior written consent of the Sellers (x) impose additional, expand or modify existing, conditions precedent to the funding of the Debt Financing in a manner that is adverse in any material respect to Buyer, (y) reduce the Debt Financing to an amount committed below the amount that is required, together with other financial resources of the Buyer, to consummate the transactions contemplated by this Agreement or (z) otherwise materially impair, prevent, make less likely or delay the funding of the Debt Financing at the Closing or adversely impact the ability of Buyer to enforce its rights under the Debt Financing Commitment. For the avoidance of doubt, (A) the syndication of the Debt Financing as contemplated by the Debt Financing Commitment and (B) any amendment or other modification of the Debt Financing Commitment to provide for the assignment of a portion of the Debt Financing Commitment to additional agents or arrangers and grant such persons customary approval rights (in either case, a "Permitted Financing Action") shall not, in either case, be deemed to violate the Buyer's obligations under this Agreement. In the event the Debt Financing becomes unavailable, the Buyer shall use its commercially reasonable efforts to arrange to obtain alternative financing from alternative sources on terms not materially less beneficial, in the aggregate, to the Buyer (as determined in the reasonable judgment of the Buyer), in an amount sufficient to consummate the transactions contemplated by this Agreement ("Alternate Financing" ). Nothing contained in this Agreement shall be construed to require the Buyer to (1) bring any Action against any source of any Debt Financing to enforce its rights under the Debt Financing Commitment, (2) seek or accept Debt Financing on terms less favorable than the terms and conditions described in the Debt Financing Commitment (including the exercise of flex provisions) as determined in the reasonable judgment of the Buyer or (3) pay any fees in excess of those contemplated by the Debt Financing Commitment (whether to secure a waiver of any conditions contained therein or otherwise).

(ii) Without limiting anything in Section 5.11(a)(i), Buyer shall use its reasonable best efforts to comply with its obligations under the Debt Financing Commitment. Buyer shall, at HTA Sellers' reasonable request, keep the HTA Sellers informed on a periodic basis and in reasonable detail of the status of its efforts to arrange the Debt Financing. Without limiting the generality of the foregoing, Buyer shall give Sellers prompt notice (w) of any amendment or modification to the Debt Financing Commitment or any replacement of the Debt Financing Commitment (other than any such amendment, modification or replacement arising from a Permitted Financing Action), (x) of any breach or default by any party to any of the Debt Financing Commitment or definitive agreements relating to the Debt Financing Commitment of which Buyer becomes aware, (y) of the receipt of any written notice or other written communication from any lender under the Debt Financing Commitment with respect to any (1) actual breach, default, termination or repudiation by any party to any of the Debt Financing Commitment or definitive agreements related to the Debt Financing or any provisions thereof or (2) material dispute or disagreement relating to the Debt Financing with respect to the obligation to fund the Debt Financing or the amount of the Debt Financing to be funded at Closing, and (z) if at any time for any reason Buyer believes in good faith that it is reasonably likely it will not be able to obtain all or any portion of the Debt Financing on the terms and conditions, in the manner or from the sources contemplated by any of the Debt Financing Commitment. Promptly after the

date Seller delivers Buyer a written request, Buyer shall provide information reasonably requested by Seller relating to the circumstances referred to in clause (w), (x), (y) or (z) of the immediately preceding sentence. In the event any Alternate Financing is obtained, Buyer shall promptly deliver to the Sellers true and complete copies of any commitment letters, together with the fee letters associated therewith (redacted in a customary manner), with respect thereto.

(iii) For purposes of this Agreement, (x) "Marketing Period" shall mean the first period of 20 consecutive Business Days after the date hereof (A) throughout which the Buyer and its Financing Sources shall have the Required Information (as defined below) and such Required Information shall be Compliant (as defined below) and (B) throughout which the conditions set forth in Sections 7.1 and 7.2 shall be satisfied (other than those conditions that by their nature are to be satisfied at the Closing), and nothing has occurred and no condition exists that would cause any of the conditions set forth in Sections 7.1 and 7.2 to fail to be satisfied assuming the Closing were to be scheduled for any time during such 20 Business Day period; provided, that February 19, 2018 shall be excluded as a "Business Day" for such purposes, (y) "Required Information" shall mean (A) the historical financial statements of the Company and its Subsidiaries required to be delivered pursuant to paragraphs 2(a)(i) and 2(b)(i) of Annex V of the Debt Financing Commitment and (B) all other financial and other pertinent information that is requested by the Buyer in connection with the preparation by the Buyer of any pro forma financial information or projections required to be delivered pursuant to paragraphs 2(c) and 2(d) of Annex V of the Debt Financing Commitment or otherwise contemplated to be delivered in respect of the Debt Financing and (z) "Compliant" shall mean that the Company's auditors have not withdrawn any audit opinion with respect to any financial statements contained in the Required Information.

(iv) For purposes of this Agreement, references to "Debt Financing" shall include the financing contemplated by the Debt Financing Commitment as permitted to be amended or modified by this Section 5.11(a) and references to "Debt Financing Commitment" shall include such documents as permitted to be amended or modified by this Section 5.11(a).

(b) Obligations of the Sellers. Each of the Sellers shall, and shall cause the Company and its Subsidiaries, and its and their respective Representatives, to provide to the Buyer all cooperation reasonably requested by the Buyer and/or the Financing Sources that is necessary, proper or advisable in connection with the Debt Financing (including the arrangement, marketing, syndication and negotiation thereof) and the transactions contemplated thereby, including (i) participating in meetings, presentations, road shows, due diligence and drafting sessions and sessions with prospective Financing Sources, investors and rating agencies reasonably requested by such Persons, and reasonably cooperating with the marketing efforts of the Buyer and their Financing Sources; (ii) reasonably cooperating with the parties to the Debt Financing Commitment in performing their due diligence and providing due diligence materials reasonably requested by such parties; (iii) reasonably assisting with the preparation of customary materials for rating agency presentations, information memoranda, lender and investor presentations and similar documents in connection with the Debt Financing and executing customary authorization letters in connection therewith; (iv) furnishing the Buyer and the Financing Sources, on a reasonably timely basis, (x) the Required Information and (y) all other financial and other pertinent information regarding the Company and its Subsidiaries as may be reasonably required in connection with the Debt Financing and the preparation of bank

information memoranda, lender presentations or materials for rating agency presentations or otherwise reasonably requested by the Buyer; (v) obtaining legal opinions and other documentation and items required by the Debt Financing Commitment or as are reasonably requested by the Buyer; (vi) in the case of the Company and its Subsidiaries, entering into and delivering, as of the Closing, any definitive financing documents, security documents and any certificates, documents or instruments ancillary to the Debt Financing (including a certificate of the chief financial officer of the Company or any Subsidiary with respect to solvency matters) as are, in the good faith determination of the persons executing such agreements and certificates, accurate; provided, however, that in no event will the Sellers or any of their respective Affiliates (other than the Company or its Subsidiaries) or Representatives be required to deliver any personal guarantees; (vii) reasonably facilitating the pledge of collateral and other matters ancillary to the Debt Financing (including cooperation with payoff and release of Encumbrances relating to existing indebtedness (including by delivery of drafts of all Debt Payoff Letters no later than five Business Days prior to the Closing), and, in the case of the Company and its Subsidiaries, pledging, granting security interests in, and otherwise granting liens on their respective assets pursuant to any definitive security documents, as of the Closing); (viii) providing all documentation and other information that the Financing Sources have determined is required by United States regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act, in each case, at least three Business Days prior to the Closing, to the extent requested in writing at least eight Business Days prior to the Closing; (ix) cooperating, and use reasonable efforts to cause any relevant third parties to cooperate, with respect to the termination, replacement or backstop of any outstanding letters of credit issued for the account of the Company or its Subsidiaries; (x) using commercially reasonable efforts to obtain such consents, approvals and authorizations which may be reasonably requested by Buyer in connection with the Debt Financing; and (xi) taking all corporate or other actions, and providing such other assistance, necessary or reasonably requested by the Buyer to permit the consummation of the Debt Financing and the proceeds thereof to be made available to the Buyer on the Closing Date to consummate the transactions contemplated by this Agreement and the Ancillary Agreements. The Company hereby consents to the use of its and its Subsidiaries' logos in connection with the Debt Financing and the arrangement, marketing and syndication thereof.

(c) Increase in Borrowing or Funded Debt. Buyer agrees that it will not increase the amount of the Debt Financing Commitment, or otherwise increase the amount of funded debt incurred in respect of the Debt Financing on the Closing Date, other than (i) with the consent of the Seller Representative (such consent not to be unreasonably withheld, conditioned or delayed) or (ii) to the extent necessary to finance any amounts (in excess of amounts anticipated to be required as of the date hereof) required (A) to prepay the Buyer's existing Indebtedness for borrowed money (including any interest, fees, expenses, premiums, breakage or other amounts required to be paid by the Buyer under the terms of such Indebtedness in connection therewith), (B) to pay fees (including any fees as the result of the exercise of any "flex" provisions), expenses and other amounts required to be paid by the Buyer in connection with the Debt Financing, (C) to pay amounts required to be paid by the Buyer pursuant to the terms of this Agreement or (D) to pay other transaction fees and expenses incurred or otherwise required to be paid by the Buyer or its Affiliates in connection with the consummation of the transactions contemplated by this Agreement.

Section 5.12 Reasonable Cooperation; Excluded Employees.

(a) Following the Closing and until the date that is three (3) months from the Closing Date (the "Transition Period"), Buyer shall, and shall cause the Company to, reasonably cooperate with the HTA Sellers and their Affiliates and Representatives in identifying and removing all remaining Excluded Assets from the Company and its Subsidiaries; provided that such cooperation will be provided in a manner that (i) does not unreasonably interfere with the business and operations of the Company or its Subsidiaries and (ii) does not provide the HTA Sellers access to the properties, systems and personnel of the Company and its Subsidiaries without the written consent of the Buyer. The HTA Sellers shall use commercially reasonable efforts to complete the removal of any remaining Excluded Assets not later than the Closing Date, although the failure to timely remove such Excluded Assets will not affect the HTA Sellers' rights to such Excluded Assets. If the Buyer or the HTA Sellers discover following the Transition Period that the Company or any of its Subsidiaries is in possession of or has under its control any Excluded Assets, the Buyer shall, or shall cause the Company to, remove and deliver to HTA Holdings any such Excluded Assets as soon as reasonably practicable; provided, that the HTA Sellers (and not the Buyer or the Company or its Subsidiaries) shall bear the cost of such removal and delivery.

(b) From the date hereof until the Closing, and subject in all respects to applicable Law and the provisions of Section 5.7 (and EPC shall be considered an Affiliate of Buyer for such purposes), each of the Sellers shall, and shall cause the Company and its Subsidiaries, and its and their respective Representatives, to reasonably cooperate with the Issuer and the Buyer as requested by the Issuer or the Buyer as necessary, proper or advisable in connection with the EPC Transaction and the transactions contemplated thereby, including (i) reasonably cooperating with the parties to the EPC Transaction in performing their due diligence and providing due diligence materials reasonably requested by such parties and (ii) reviewing any representations or disclosure schedules with respect to the Company and its Subsidiaries proposed to be included in the definitive documents for the EPC Transaction and notifying the Buyer of any errors or omissions therein; provided that Buyer shall reimburse Sellers for all reasonable and documented third party costs and expenses incurred by such Sellers in connection with the cooperation provided under this Section 5.12(b).

(c) The parties acknowledge and agree that each of the employees of the Company set forth on Schedule 5.12(c) (the "Excluded Employees") will not continue employment with the Company following the Closing. Effective as of the date set forth on Schedule 5.12(c), the Company will terminate each Excluded Employee and, notwithstanding anything to the contrary in this Agreement or any Ancillary Agreement, such Excluded Employees will be hired by the applicable Affiliate of HTA Holdings. Each Seller acknowledges and agrees that the Sellers shall be responsible for (i) any severance pay or benefits or any costs or liabilities incurred by the Company, its Subsidiaries or the Buyer in connection with the termination of employment of the Excluded Employees and (ii) any disclosure of Confidential Information by any such Excluded Employee in violation of Section 5.7. The Parties will mutually agree on a timeline and process for transitioning each Excluded Employee's duties in respect of the Company to other employees of the Company, such transition(s) to be completed no later than the end of the Transition Period.

Section 5.13 Non-Competition and Related Covenants.

(a) Non-Competition Covenants. As an inducement to the Buyer and the Issuer to enter into this Agreement, each HTA Seller (together with Leila Center and his, her and its successors and assigns, each a "Restricted Party") hereby covenants and agrees that for a period commencing on the Closing Date and ending on the fifth anniversary of the Closing Date (the "Restrictive Period"), such Restricted Party shall not, and shall cause its Affiliates not to, without the prior written consent of the Buyer (which consent may be withheld in the Buyer's sole and absolute discretion), directly or indirectly:

(i) own any interest in, manage, control, participate in, consult with, render services for (as a director, officer, employee, agent, broker, partner, contractor, consultant or otherwise) or be or become engaged or involved in any Conflicting Organization within the Territory, including by being or becoming an organizer, owner, co-owner, trustee, promoter, affiliate, investor, lender, partner, joint venturer, stockholder, officer, director, employee, independent contractor, manager, salesperson, representative, associate, consultant, agent, broker, supplier, licensor, technician, engineer, analyst or advisor of, to or with any Conflicting Organization; or

(ii) make any investment (whether equity, debt or other) in, lend or otherwise provide any money or assets to, or provide any guaranty or other financial assistance to any Conflicting Organization within the Territory; or

(iii) use or authorize the use of Restricted Party's name or any part thereof to be used or employed in connection with any Conflicting Organization within the Territory; or

(iv) provide any information, assistance, support, product, technology or intellectual property to any Person engaged or involved in any Conflicting Organization within the Territory; or

(v) engage or assist any Conflicting Organization within the Territory in the design, development, manufacture, licensing, sale, marketing, or support of any products or services offered by the Business; provided that ownership by a Restricted Party, as a passive investment, in the aggregate of less than 5% of the outstanding shares or other equity interests of capital stock of any corporation or other entity listed on a national securities exchange or publicly traded on any nationally recognized over-the-counter market, shall not constitute a breach of this Section 5.13(a); provided that such Restricted Party does not actively participate in the business of such entity.

(b) Non-Solicitation/Non-Hire of Employees. As an inducement to the Buyer and the Issuer to enter into this Agreement, each Restricted Party hereby covenants and agrees, for the duration of the Restrictive Period, not to, and to cause its Affiliates not to, directly or indirectly, on its own behalf or on behalf of any third party, solicit for hire or hire any non-California employee of the Company, any of its Subsidiaries or any person who was a non-California employee of the Company or any of its Subsidiaries at any time during the Restrictive Period or during the preceding six months, without the prior written consent of the Buyer (which

consent may be withheld in the Buyer's sole and absolute discretion). Notwithstanding the foregoing, none of (I) the placement of general advertisements that may be targeted to a particular geographic or technical area, but are not targeted specifically towards employees of the Company or its Subsidiaries, (II) the hiring of any such employee more than six months following such employee's termination or resignation, (III) the hiring of any such employee following termination by his or her employer as part of a general reduction in force or in connection with the transactions contemplated by this Agreement or (IV) the hiring of the Excluded Employees, shall be deemed to be a solicitation for purposes of this Section 5.13(b); provided, in each case, that such employee is not hired by a Conflicting Organization.

(c) Non-Solicitation of Business Relationships. As an inducement to the Buyer and the Issuer to enter into this Agreement, each Restricted Party hereby covenants and agrees, for the duration of the Restrictive Period, not to, and to cause its Affiliates not to, directly or indirectly, call on, solicit or service any user, customer, supplier, licensee, licensor or other Person that has a business relationship with the Company or any of its Subsidiaries in order to induce or attempt to induce such Person to cease doing business with the Company or any of its Subsidiaries, or in any way intentionally interfere with the relationship between any such user, customer, supplier, licensee, licensor or other Person that has a business relationship with Company or any of its Subsidiaries (including making any negative or disparaging statements or communications about the Company or any of its Subsidiaries or any of their respective businesses, services, products, technology, compliance with legal requirements, directors, officers, employees, contractors or consultants or otherwise).

(d) Acknowledgement of Reliance. Each Restricted Party acknowledges and agrees that: (i) the covenants and agreements contained in this Section 5.13 (the "Non-Competition and Related Covenants") are necessary, fundamental and required for the protection of the goodwill of the Company and its Subsidiaries; (ii) the Non-Competition and Related Covenants relate to matters that are of a special, unique and extraordinary value; (iii) a breach by such Restricted Party of any of the Non-Competition and Related Covenants applicable to such Restricted Party will result in irreparable harm and damages that cannot be adequately compensated by a monetary award and, accordingly, the Buyer will be entitled to injunctive or other equitable relief to prevent or redress any such breach (without posting a bond or other security); (iv) such Restricted Party is a direct or indirect beneficial owner of the Company; and (v) this Agreement is intended to comply with the laws of the State of Delaware and all other jurisdictions that might be deemed to be applicable hereto and which restrict or otherwise limit the enforceability of a contract that restrains a Person from engaging in a lawful profession, trade or business.

(e) No Restriction on Earning a Living. Each Restricted Party hereby acknowledges that the provisions of this Section 5.13 do not preclude such Restricted Party from earning a livelihood, nor do they unreasonably impose limitations on such Restricted Party's ability to earn a living. In addition, each Restricted Party hereby acknowledges that the potential harm to the Buyer, the Company, its Subsidiaries and their respective Affiliates of non-enforcement of this Agreement outweighs any harm to such Restricted Party of enforcement (by injunction or otherwise) of this Agreement.

(f) Judicial Limitation. It is expressly understood and agreed that although the Restricted Parties and the other Parties hereto consider the restrictions contained herein to be reasonable, if at any time a court or other tribunal of competent jurisdiction finally determines or adjudicates that any portion of the Non-Competition and Related Covenants is unenforceable by reason of it extending for too great of a period of time or over too great of a geographical area or by reason of it being too extensive in any other respect, such Non-Competition and Related Covenants and this Agreement shall not be rendered void but such Non-Competition and Related Covenants shall be deemed amended to apply as to such maximum period of time, maximum geographical area, or maximum extent in all other respects, as the case may be, as such court may judicially determine or adjudicate to be enforceable. Alternatively, if any court or other tribunal of competent jurisdiction finally determines or adjudicates that any portion of the Non-Competition and Related Covenants is unenforceable, and such restriction cannot be amended pursuant to the preceding sentence so as to make such portion of the Non-Competition and Related Covenants enforceable, such judicial determination or adjudication shall not affect the enforceability of any other Non-Competition and Related Covenants.

Section 5.14 Change of Entity Names; Cessation of Use of Intellectual Property. No later than ten (10) Business Days following the Closing, the Sellers shall (i) make or cause to be made all such filings, and take or cause to be taken all such other actions, as may be reasonably necessary in order to change the legal names of HTA Holdings and any relevant Affiliates of the Sellers to names that do not include "HTA" or "Highway Toll Administration" (other than, for the avoidance of doubt, the Company and its Subsidiaries), and (b) cease, and cause all of the Affiliates of Sellers (other than, for the avoidance of doubt, the Company and its Subsidiaries) to cease, any and all uses of any trademarks, service marks, trade names or other Intellectual Property of the Company or any of its Subsidiaries.

Section 5.15 Insurance Return Premiums. The Sellers, the Company and its Subsidiaries hereby grant the Buyer and its Affiliates the right to use or exchange any insurance return premiums to purchase (or consolidate the existing insurance policies maintained in respect of the Company and its Subsidiaries into) new insurance policies in connection with the Closing.

Section 5.16 Securityholders Agreement. From the date hereof until the Closing, Buyer shall not take, and shall not cause or permit to be taken, any action which (i) would have required the consent of HTA Holdings pursuant to the terms of the form of Securityholders Agreement attached hereto as Exhibit B or (ii) which would be subject the rights of first offer pursuant Section 9 of the form of Securityholders Agreement attached hereto as Exhibit B.

## ARTICLE VI
## TAX MATTERS

Section 6.1 Purchase Price Allocation.

(a) For all Tax purposes, including, if applicable, Sections 743 and 751 of the Code, the Purchase Price (including any assumed liabilities) that is treated as consideration for the Units for U.S. federal income tax purposes (the "Tax Purchase Price" ) shall be allocated first among the HTA Units, the Canada Interests and the covenants set forth in the Agreement, and further among the assets of HTA LLC (including the assets of each Subsidiary of HTA LLC that

is disregarded as an entity for federal income tax ) and the assets of Canada, in each case, using the allocation methods to be set forth on Schedule 6.1(a) (the "Price Allocation" ). A tentative draft of the Price Allocation shall be prepared by the Buyer and delivered to HTA Holdings by the end of the Buyer Review Period or with any Notice of Disagreement. The Buyer shall be responsible for the preparation of the Price Allocation. The Buyer shall deliver the proposed Price Allocation to HTA Holdings, and the Buyer shall reasonably consider any comments to the Price Allocation submitted by HTA Holdings to the Buyer in writing within fifteen (15) days following HTA Holdings' receipt of the Price Allocation. The Buyer and HTA Holdings shall consult with each other and attempt in good faith to resolve any issues arising as a result of the Price Allocation during such fifteen (15) day period and, in the event that the Buyer and HTA Holdings are unable to agree on the Price Allocation, the Buyer and HTA Holdings shall submit such dispute to the Independent Accounting Firm. The fees and expenses of the Independent Accounting Firm shall be borne by the Buyer, on the one hand, and the HTA Sellers, on the other hand, in proportion to the relative difference between the amounts asserted by each such party in the applicable dispute and the final amounts as determined by the Independent Accounting Firm, which proportionate allocation shall be determined by the Independent Accounting Firm at the time that the Independent Accounting Firm determines the merits of the matters submitted. The Independent Accounting Firm shall (and the parties shall instruct it to) make a determination as soon as practicable within thirty (30) days (or such other time as the parties hereto shall agree in writing). The Price Allocation, as determined by the Independent Accounting Firm or as agreed upon by the Buyer and HTA Holdings, shall be conclusive and binding upon the Buyer and the Sellers (and their direct and indirect owners). The Sellers shall provide such information as the Buyer shall reasonably request for preparation of the Price Allocation.

(b) Each Party agrees to timely file any form required to be filed by applicable Tax Law reflecting the Price Allocation. The Price Allocation made pursuant to this Section shall be binding on the Buyer and the Sellers (and their direct and indirect owners). None of the Buyer and the Sellers (and their direct and indirect owners) shall take any position inconsistent with the Price Allocation in connection with any Tax proceeding, except to the extent that (i) the Buyer's cost for the assets of the Company and each of its Subsidiaries may differ from the amount so allocated to the extent necessary to reflect its capitalized acquisition costs not included in the amount realized by the Sellers or (ii) the amount treated as purchase price has changed by reason of payments of amounts between the Parties subsequent to the Closing Date that were not previously reflected in the Price Allocation. If any Governmental Authority disputes the Price Allocation, the Party receiving notice of the dispute shall promptly notify the other Parties hereto, and the Parties shall cooperate in good faith in responding to such dispute in order to preserve the effectiveness of the Price Allocation.

(c) Any (i) indemnification or other payment treated as an adjustment to the Tax Purchase Price pursuant to Article VIII hereof or otherwise treated as an adjustment to the Purchase Price for the assets of the Company and each of its Subsidiaries under applicable Law, and (ii) payment of any Tax Adjustment Amount pursuant to Section 6.7(c), shall be reflected as an adjustment to the price allocated to a specific asset, if any, giving rise to the adjustment and if any such adjustment does not relate to a specific asset, such adjustment shall be allocated among such in accordance with this Section 6.1.

Section 6.2 Tax Returns.

(a) Prior to the Closing, at the Company and its Subsidiaries' sole expense, the Company and its Subsidiaries shall prepare or cause to be prepared and timely file any Tax Return due on or before the Closing Date (taking into account any extensions) in respect of the Company and its Subsidiaries. Any such Tax Return shall be prepared on a basis consistent with past practice except to the extent otherwise required by applicable Law.

(b) After the Closing, at HTA Holdings' sole expense, HTA Holdings shall be entitled to prepare or cause to be prepared all income Tax Returns with respect to a Tax Period ending on or prior to the Closing Date required to be filed by or with respect to the Company or any of its Subsidiaries. HTA Holdings shall submit such Tax Returns to Buyer for its review and reasonable approval no later than ten (10) Business days prior to the due date thereof. At the Company's sole expense, the Company shall be entitled to prepare or cause to be prepared all other Tax Returns with respect to a Pre-Closing Tax Period required to be filed by or with respect to the Company or any of its Subsidiaries after the Closing. If any Seller is liable for any Taxes shown on any such other Tax Return, the Company shall submit such Tax Return to HTA Holdings no less than ten (10) Business days prior to the due date thereof (or as soon as practicable after the Closing Date if such Tax Returns are due within ten (10) Business days after the Closing Date); provided, that the failure to so deliver such Tax Returns shall not affect any liability of any Seller with respect thereto. Prior to filing any such Tax Return, the Company shall reasonably consider any comments made in writing by HTA Holdings at least five (5) Business days prior to the due date thereof. The Sellers shall pay to the Buyer any Indemnified Taxes shown to be due thereon no later than two Business Days prior to the date on which such Taxes are required to be paid to the applicable Governmental Authority.

Section 6.3 Cooperation and Assistance. The Parties shall provide the other Parties, at the requesting Party's sole cost and expense, with such cooperation and assistance as may be reasonably requested (including having the right to access the Company's books and records upon reasonable advance notice) in connection with the preparation or review of any Tax Return or any Tax Action relating to Taxes for which the Company or its Subsidiaries are liable. Notwithstanding the above, no cost or expense will be assessed against Seller with respect to assistance provided by the Company relating to the filing of any income Tax Returns of the Company due after the Closing.

Section 6.4 Transfer Taxes. All transfer, documentary, sales, use, stamp, registration and other similar Taxes incurred in connection with the transactions contemplated by this Agreement (collectively, "Transfer Taxes") shall be paid by the HTA Sellers, on the one hand, and by the Buyer, on the other hand, as follows: (x) the HTA Sellers shall pay (I) 50% of the Transfer Taxes that would have been incurred if the transaction contemplated hereby was structured as a sale of 100% of the shares in HTA Holdings (as determined immediately prior to the Closing) less that percentage of shares in HTA Holdings equal to the Rollover Percentage to the Buyer (the "Estimated Share Sale Transfer Taxes"), and (II) 100% of Transfer Taxes resulting from the Hypothetical Distribution (including the transfer of the Excluded Assets); and (y) Buyer shall pay all other Transfer Taxes. All necessary Tax Returns and other documentation with respect to Transfer Taxes will be prepared and filed by the Party required to file such Tax Returns under applicable Law. Buyer shall be responsible for remittance of the full

amount of all Transfer Taxes and the HTA Sellers' payment of its share of Transfer Taxes pursuant to this Section 6.4 shall be by offset to the Tax Adjustment Amount payable to the HTA Sellers under Section 6.7 (provided that if the HTA Sellers' share of Transfer Taxes pursuant to this Section 6.4 exceeds the Tax Adjustment Amount payable to the HTA Sellers under Section 6.7, the HTA Sellers shall pay the excess to Buyer within three (3) days of Buyer's request therefor). At the time the Tax Adjustment Statement is prepared, Seller shall also prepare calculations of the Estimated Share Sale Transfer Taxes, which calculation will be reviewed, disputed and finalized in accordance with the procedures set forth in Section 6.7, *mutatis mutandis*. For the avoidance of doubt, the Buyer's obligation for the payment of Transfer Taxes and the Tax Adjustment Amount pursuant to Section 6.7 shall be reduced by the amounts described in 6.4(x)(I) and 6.4(x)(II) (irrespective, in each case and for the avoidance of doubt, as to whether such amounts are actually incurred).

Section 6.5 Tax Sharing Agreements. All Tax sharing agreements, Tax allocation agreements or Tax indemnity agreements between the Company and its Subsidiaries, on the one hand, and the Sellers or their Affiliates (other than, for the avoidance of doubt, the Company and its Subsidiaries), on the other hand, all powers of attorney with respect to or involving the Company, and any provision in any agreement providing for a distribution by the Company or any of its Subsidiaries with respect to Taxes, shall be terminated prior to the Closing Date and, after the Closing, the Company shall not be bound thereby or have any liability thereunder.

Section 6.6 Contests. Notwithstanding anything in this Agreement to the contrary (including Section 8.4), (i) Buyer agrees to give written notice to HTA Holdings of the receipt by the Company or its Affiliates, Buyer or any of Buyer's Affiliates of any written notice asserting any claim, or the commencement of any action, in respect of which an indemnity is reasonably expected to be sought by Buyer under Article VIII as a result of a breach of a representation or warranty set forth in Section 3.17 or under Section 8.2(d) (a "Tax Indemnity Claim"); provided, that failure to comply with the foregoing shall not release any Indemnifying Party from any of its obligations under Article VIII except to the extent that the Indemnifying Party is materially prejudiced by such failure and (ii) each of the HTA Holdings Owners and the Charity agree to give written notice to Buyer of the receipt by the HTA Holdings Owners (or their direct or indirect owners or Affiliates) or the Charity, as applicable, of any Action that could reasonably be expected to result in an adjustment to the Tax Adjustment Amount (a "Tax Adjustment Claim," and together with a Tax Indemnity Claim, a "Tax Claim"); provided, that failure to comply with the foregoing shall not release Buyer from any of its obligations under Section 6.7(e) except to the extent that Buyer is materially prejudiced by such failure. Buyer shall control the contest or resolution of any Tax Indemnity Claim and any matter in any Tax Adjustment Claim that could result in an adjustment to the Tax Adjustment Amount; provided, however, that Buyer shall obtain the prior written consent of HTA Holdings (in the case of a Tax Indemnity Claim) or the HTA Holdings Owners or the Charity, as applicable (in the case of a Tax Adjustment Claim)) (which consent shall in each case not be unreasonably withheld, conditioned or delayed) before entering into any settlement of a claim or ceasing to defend such claim; and, provided further, that HTA Holdings (in the case of a Tax Indemnity Claim) or the HTA Holdings Owners or the Charity, as applicable (in the case of a Tax Adjustment Claim), shall be entitled to participate in the defense of such claim and to employ counsel of such Person's choice for such purpose, the fees and expenses of which separate counsel shall be borne solely by such Person.

Section 6.7 Adjustment for Additional Taxes.

(a) Tax Adjustment Amount.

(i) As promptly as reasonably practicable after completion of the Price Allocation, HTA Holdings shall prepare, or cause to be prepared, and deliver to the Buyer a detailed statement (the "Tax Adjustment Statement") setting forth its good faith estimate of the respective Tax Adjustment Amount for each of the HTA Holdings Owners and the Charity, together with a calculation of (x) the aggregate income Taxes that would have been incurred by (1) the shareholder of HTA Holdings (or such shareholder's owners or beneficiaries) ("HTA Holdings Owners"), taking into account all income, deductions, credits, carryforwards, and application of the alternative minimum tax, if (A) the Excluded Assets, and any other assets of HTA Holdings or its Subsidiaries not transferred to Buyer, were immediately prior to the Closing, distributed to the HTA Holdings Owners (the "Hypothetical Distribution") and (B) the transaction contemplated hereby was structured as a sale of 95% of the shares in HTA Holdings (as determined immediately prior to the Closing) less that percentage of the shares in HTA Holdings equal to the Rollover Percentage to the Buyer assuming for purposes of this calculation that (i) such sale occurred immediately after the Hypothetical Distribution and (ii) rather than David Centner purchasing 1% of the Company on December 31, 2017, the shareholder of HTA Holdings purchased the applicable percentage of the shares of HTA Holdings for the same amount (and such shares are included in the shares sold), and (2) the Charity, taking into account all income, deductions, credits, carryforwards, unrelated business income tax ("UBIT") and application of the alternative minimum tax, if (A) the Hypothetical Distribution occurred and (B) the transaction contemplated hereby was structured as a sale of 4% of the shares in HTA Holdings (as determined immediately prior to the Closing) to the Buyer assuming for purposes of this calculation that (i) such sale occurred immediately after the Hypothetical Distribution and (ii) the Charity held 4% of HTA Holdings rather than 4% of the Company (the "Estimated Share Sale Taxes") and (y) the aggregate income Taxes that will be paid by the HTA Holdings Owners, David Centner and the Charity, as the case may be, taking into account all income, deductions, credits, carryforwards and application of the alternative minimum tax and UBIT of the HTA Holdings Owners, David Centner and the Charity, as the case may be, on the sale of the HTA Units (excluding, for the sake of clarity, the Rollover Units) and Canada Interests to Buyer pursuant to the transactions set forth in this Agreement and taking into account any Section 338 election pursuant to Section 6.8 assuming for purposes of this calculation that the HTA Holdings Owners, David Centner and the Charity would not be subject to tax in the jurisdictions set forth in Schedule 6.7 on the sale of the HTA Units and Canada Interests to Buyer pursuant to the transactions set forth in this Agreement ("Actual Unit Sale Taxes" ). HTA Holdings shall prepare the Tax Adjustment Statement for each of the HTA Holdings Owners, David Centner and the Charity in a manner consistent with past practice of the applicable parties (unless otherwise required by Law), without a change of any election or any accounting method, and by assuming in both scenarios that any Purchase Price received in the taxable year after the Closing would be subject to the tax in the year received.

(ii) The respective "Tax Adjustment Amount" for each of the HTA Holdings Owners and the Charity shall be an amount equal to the sum of (I) (x) Actual Unit Sale Taxes with respect to such Person, minus (y) Estimated Stock Sale Taxes with respect to such Person, plus (II) an amount equal to the aggregate additional income Tax that such Person will

incur as a result of receipt of the amounts required to be paid by Buyer to such Person under this Section 6.7, plus (III) the reasonable and documented out-of-pocket fees and expenses incurred by such Person in connection with the preparation, negotiation and finalization of the Tax Adjustment Statement, the Final Tax Adjustment Statement or the provisions of this Section 6.7 (in each case whether or not incurred before or after the date hereof), minus (IV) the Estimated Share Sale Transfer Taxes with respect to such Person, and shall be subject to adjustment as set forth in Section 6.7(d); provided that (i) in no event shall the Tax Adjustment Amount include any Taxes resulting from a breach of a representation or warranty of the HTA Sellers or the breach of any representation, warranty, or covenant with respect to Tax matters (including those contained in Section 3.17 and 5.1(o) of this Agreement), and (ii) the Tax Adjustment Amount, as finally determined in accordance with this Section 6.7, shall be final and binding among the Parties. If the Tax Adjustment Amount with respect to the HTA Holdings Owners or the Charity is a positive number, the Buyer shall pay to such Person the amounts with respect to such Person set forth in this Section 6.7(a)(ii) in the manner specified in Section 6.7(c). If the Tax Adjustment Amount is negative with respect to the HTA Holdings Owners or the Charity, no amounts shall be payable by the Buyer to such Person pursuant to this Section 6.7. For the avoidance of doubt, the respective Tax Adjustment Amount (and the calculations therefor) with respect to each of the HTA Holdings Owners and the Charity are independent of each other and neither will be netted against the other for determining the amounts payable under this Section 6.7; provided, that solely with respect to the Charity, the Tax Adjustment Amount will be capped at a maximum of 4.40% of the HTA Holdings Owners' Tax Adjustment Amount.

(b) Estimation and Review.

(i) Examination. After receipt of the Tax Adjustment Statement, the Buyer shall have twenty (20) days (the "Tax Adjustment Review Period") to review the Tax Adjustment Statement. During the Tax Adjustment Review Period, the Buyer and its Representatives, upon prior written request of the Buyer, shall have reasonable access to the respective books and records and work papers of HTA Holdings and the HTA Sellers (or their direct or indirect owners) and any work papers of such Persons' independent accounting firms, in each case, to the extent used in connection with the preparation of, or otherwise reasonably relevant to the review of, the Tax Adjustment Statement.

(ii) Objection. On or prior to the last day of the Tax Adjustment Review Period, the Buyer may object to the Tax Adjustment Statement by delivering to HTA Holdings a written statement setting forth the Buyer's objections in reasonable detail, indicating each disputed item or amount and the basis for the Buyer's disagreement therewith (the "Tax Adjustment Statement of Objections"). If Buyer fails to deliver the Tax Adjustment Statement of Objections before the expiration of the Tax Adjustment Review Period, the Tax Adjustment Statement and the Tax Adjustment Amount, if any, reflected in the Tax Adjustment Statement shall be deemed to have been accepted by Buyer. If the Buyer delivers the Tax Adjustment Statement of Objections before the expiration of the Tax Adjustment Review Period, the HTA Holdings Owners and the Charity, as the case may be, and the Buyer shall negotiate in good faith to resolve such objections within fifteen (15) days after the delivery of the Tax Adjustment Statement of Objections (the "Tax Adjustment Resolution Period"). If all of the matters set forth in the Tax Adjustment Statement of Objections are resolved within the Tax Adjustment Resolution Period, the Tax Adjustment Statement and the Tax Adjustment Amount with such

changes as may have been previously agreed in writing by the HTA Holdings Owners and the Charity, as the case may be, and the Buyer, shall be final and binding and, if required, the applicable Tax Returns shall be revised accordingly to reflect such resolution.

(iii) Resolution of Disputes. If the HTA Holdings Owners or the Charity, as the case may be, and the Buyer fail to reach an agreement with respect to all of the matters set forth in the Tax Adjustment Statement of Objections before expiration of the Tax Adjustment Resolution Period, then any amounts remaining in dispute ("Disputed Tax Adjustment Amounts" ) will be submitted for resolution to the Independent Accounting Firm who will resolve the Disputed Tax Adjustment Amounts only and make any adjustments to the Tax Adjustment Amount and the Tax Adjustment Statement necessary to reflect such resolution of any Disputed Tax Adjustment Amounts. The parties hereto agree that all adjustments shall be made without regard to materiality. The Independent Accounting Firm will only decide the specific items under dispute by the parties and its decision for each Disputed Tax Adjustment Amount must be within the range of values assigned to each such item in the Tax Adjustment Statement and the Tax Adjustment Statement of Objections, respectively.

(iv) Fees of the Independent Accounting Firm. The fees and expenses of the Independent Accounting Firm shall be borne by the Buyer, on the one hand, and the HTA Holdings Owners and the Charity, as the case may be, on the other hand, in proportion to the relative difference between the amounts asserted by each such Party in the applicable dispute and the final amounts as determined by the Independent Accounting Firm, which proportionate allocation shall be determined by the Independent Accounting Firm at the time that the Independent Accounting Firm determines the merits of the matters submitted

(v) Determination by Independent Accounting Firm. The Independent Accounting Firm shall make a determination as soon as practicable within thirty (30) days (or such other time as the parties hereto shall agree in writing) after its engagement, and its resolution of the Disputed Tax Adjustment Amounts and adjustments to the Tax Adjustment Statement and/or the Tax Adjustment Amount shall be conclusive and binding upon the parties hereto.

(c) Payment of Tax Adjustment Amount. If the Tax Adjustment Amount (as determined under Section 6.7(b)) is a positive number for the HTA Holdings Owners or the Charity, then the Buyer shall pay the applicable Tax Adjustment Amount to such Person(s) within five (5) Business Days of the later of the Tax Adjustment Statement becoming final and the final determination of the Net Adjustment Amount; provided that the Buyer may offset against the payment of the Tax Adjustment Amount by any due but unpaid amounts owed to it by the Sellers under this Agreement. Such Tax Adjustment Amounts shall be used to pay the estimated taxes of the HTA Holdings Owners and the Charity with respect to the sale of the HTA Units to Buyer pursuant to the transactions set forth in this Agreement.

(d) True-up to Tax Adjustment Amount. As promptly as reasonably practicable following the end of calendar year 2018, HTA Holdings shall prepare, or cause to be prepared, and deliver to the Buyer a second Tax Adjustment Statement (the "Final Tax Adjustment Statement"), setting forth the calculation of the respective Tax Adjustment Amount for each of the HTA Holdings Owners and the Charity, taking into account any changes of

applicable Law (including rate changes), for the purposes of finally-determining the Tax Adjustment Amount with respect to each such Person. Such Final Tax Adjustment Statement shall be prepared, reviewed and determined in accordance with the procedures set forth in Section 6.7(b), *mutatis mutandis*. If the Tax Adjustment Amount for either Person as set forth in the Final Tax Adjustment Statement is greater than the Tax Adjustment Amount set forth in the Tax Adjustment Statement for such Person, Buyer shall pay to the HTA Holdings Owners or the Charity, as applicable, the amount of such excess(es). If such Person's Tax Adjustment Amount as set forth in the Final Tax Adjustment Statement is less than such Person's Tax Adjustment Amount as set forth in the Tax Adjustment Statement, HTA Holdings Owners or the Charity, as applicable, shall pay to Buyer the amount of such shortfall within five (5) Business Days of the Final Tax Adjustment Statement becoming final.

(e) Post-Payment Audit. If as a result of any Action by a Governmental Authority the aggregate Actual Unit Sale Taxes is determined pursuant to a "final determination" within the meaning of Section 1313(a) of the Code to differ from the amount set forth in the Final Tax Adjustment Statement resulting in a corresponding increase or decrease in the Tax Adjustment Amount contained in such statement ("Modified Tax Adjustment Amount"), HTA Holdings or the Charity, as applicable, shall promptly notify Buyer in writing of the amount of such Actual Unit Sale Taxes and any Modified Tax Adjustment Amount. Within five (5) Business Days of receipt of such notice, Buyer shall pay to the HTA Holdings Owners or the Charity, as applicable, the amount of the excess of the Modified Tax Adjustment Amount over the Tax Adjustment Amount contained in the Final Tax Adjustment Statement and the HTA Holdings Owners or the Charity, as applicable, shall pay to Buyer the excess of the Tax Adjustment amount contained in the Final Tax Adjustment Statement over the Modified Tax Adjustment Amount and any interest, penalties or other costs assessed by the Governmental Authority. Notwithstanding any other provision to the contrary in this Agreement (including this Section 6.7(e)), the obligations of the HTA Holdings Owners or the Charity, as applicable, and Buyer to make any payment to the other Party with respect to the Tax Adjustment Amount or the Modified Tax Adjustment Amount shall expire on the fourth anniversary of the Closing Date (other than (I) with respect to any Action commenced by the applicable Governmental Authority on or prior to such fourth anniversary of the Closing Date provided that the Buyer has received written notice of such Action on or prior to such date and (II) with respect to an assessment described in Schedule 6.7(e)(II) of the Disclosure Schedules (such an assessment, a "Tax Assessment"), which obligations will survive until the statute of limitations on such Tax Assessment has expired, plus 60 days.)

(f) Interest on Late Payments. Any payment due from Buyer, the HTA Holdings Owners or the Charity, as applicable, under this Section 6.7 which is not paid by the applicable payment date will bear interest at a rate equal to the Prime Rate, plus eight percent (8%), calculated on the basis of a year of 365 days and the number of days elapsed from such applicable payment date until the date such amount is actually paid to Seller or Buyer, as applicable.

(g) Change of Control. In the event of a Change of Control prior to the Tax Adjustment Statement and the Tax Adjustment Amount becoming conclusive and binding upon the parties in accordance with Section 6.7(b), Buyer and the Issuer shall, as a condition precedent to such Change of Control, (i) cause the acquiror in such Change of Control (other than an initial

public offering) to assume all obligations of the Buyer with respect to the Tax Adjustment Amount and (ii) cause to be deposited with the Escrow Agent an amount in cash equal to the Tax Adjustment Amount as set forth in the Tax Adjustment Statement delivered to Buyer pursuant to Section 6.7(a)(i) (the "Tax Adjustment Amount Escrow"), to be held by the Escrow Agent in accordance with the Escrow Agreement. Such Tax Adjustment Amount Escrow will be the first source of funds with respect to any Tax Adjustment Amount due and payable to the Sellers under this Section 6.7. The Parties agree that if a Change of Control occurs while a Tax Assessment is still pending, the portion of the Tax Adjustment Amount Escrow with respect to such Tax Assessment will be equal to (x) if the Change of Control occurs after the amount of the tax deficiency as been determined in the Tax Assessment by the relevant tax authority, 110% of the aggregate amount of the Tax Assessment set forth in such determination or (y) if the Change of Control occurs before the amount of the tax deficiency has been determined in the Tax Assessment by the relevant tax authority, 110% of the estimated potential Tax Assessment set forth in Section 6.7(g) of the Disclosure Schedule, and such amount will be for the sole purpose of funding the portion of the Tax Adjustment Amount with respect to such Tax Assessment.

(h) Treatment. For all applicable Tax purposes, the Tax Adjustment Amount shall be treated as an adjustment to the Purchase Price unless otherwise required by Law.

(i) Cooperation. The HTA Sellers (and their direct and indirect owners) shall use commercially reasonable efforts, and the parties shall reasonably cooperate with one another, not to take any action that would reasonably be expected to have the effect of materially increasing Tax Adjustment Amount (including, for the avoidance of doubt, the Modified Tax Adjustment Amount if applicable) and to reasonably consider any proposed steps to minimize the Tax Adjustment Amount; provided that nothing in this Section 6.7(i) will limit the ability of the HTA Holdings Owners or the Charity to (x) take or cause to be taken any action contemplated by this Agreement or any of the Ancillary Agreements or (y) take any bona fide, good faith position in the applicable Tax Returns of the HTA Holdings Owners or the Charity are more likely than not to succeed on the merits (as determined by a nationally recognized law or accounting firm, including any nationally recognized accounting firm preparing the Tax Returns for the Sellers and the Company) unless another bona fide, good faith position that is more likely than not to succeed on the merits (as determined by a nationally recognized law or accounting firm, including any nationally recognized accounting firm preparing the Tax Returns for the Sellers and the Company) could be taken, which position would minimize the Tax Adjustment Amount (including, for the avoidance of doubt, the Modified Tax Adjustment Amount if applicable) and would not adversely affect the HTA Holdings Owners or the Charity in respect of Taxes. For avoidance of doubt, the parties agree that for purposes of the calculation of the Estimated Share Sales Tax, the Sellers would not have been subject to tax in the jurisdictions set forth in Schedule 6.7(i) of the Disclosure Schedules.

Section 6.8 Section 754 Election; Section 338 Election. Notwithstanding anything to the contrary in this Agreement, (i) the Company shall make a protective election under Section 754 of the Code (and any analogous or similar election under applicable state or local Tax law) on the U.S. federal income tax return (and any applicable state or local income Tax Returns) of the Company for the Tax period which includes the Closing Date (to the extent such election is not already in effect for such Tax period) and (ii) the Buyer and its Affiliates may make an election under Section 338 with respect to the sale of the Canada Interests hereunder.

## ARTICLE VII
## CONDITIONS TO CLOSING

Section 7.1 General Conditions. The respective obligations of the Parties to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment, at or prior to the Closing, of each of the following conditions, any of which may, to the extent permitted by applicable Law, be waived in writing by any Party in its sole discretion (provided, that such waiver shall only be effective as to the obligations of such Party):

(a) No Injunction or Prohibition. No Governmental Authority having jurisdiction shall have enacted, issued, promulgated, enforced or entered any Law (whether temporary, preliminary or permanent) that is then in effect and that enjoins, makes illegal or otherwise prohibits the consummation of the transactions contemplated by this Agreement or the Ancillary Agreements.

Section 7.2 Conditions to Obligations of the Sellers. The obligations of the Sellers to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment, at or prior to the Closing, of each of the following conditions, any of which may be waived in writing by HTA Holdings in its sole discretion:

(a) Representations, Warranties and Covenants. (i) The Fundamental Representations of the Buyer and the Issuer shall be true and correct in all but *de minimis* respects (other than Fundamental Representations of the Buyer and the Issuer that are limited by or qualified as to "materiality" (including the word "material") or "material adverse effect," which Fundamental Representations shall be true in all respects) both when made and as of the Closing Date, or in the case of representations and warranties that are made as of a specified date, as of such specified date, and (ii) all other representations and warranties of the Buyer and the Issuer contained in this Agreement or any Ancillary Agreement or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby shall be true and correct both when made and as of the Closing Date (or in the case of representations and warranties that are made as of a specified date, as of such specified date), unless the failure of such representations and warranties to be true and correct (without giving effect to any limitation or qualification as to "materiality" (including the word "material") or "material adverse effect" set forth therein) would not, individually or in the aggregate, have a material adverse effect on the Issuer and its Subsidiaries (including the Buyer). Each of the Buyer and the Issuer shall have performed in all material respects all obligations and agreements and complied with all covenants and conditions required by this Agreement or any Ancillary Agreement to be performed or complied with by it prior to or at the Closing in all material respects. The Sellers shall have received from the Buyer a certificate to the effect set forth in the preceding sentences, signed by a duly authorized officer thereof.

(b) Ancillary Agreements. The Sellers shall have received an executed counterpart of each of the Ancillary Agreements, signed by each party other than the Sellers.

Section 7.3 Conditions to Obligations of the Buyer and the Issuer. The obligations of the Buyer and the Issuer to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment, at or prior to the Closing, of each of the following conditions, any of which may be waived in writing by each of the Buyer and the Issuer in their sole discretion:

(a) Representations, Warranties and Covenants. (i) The Fundamental Representations of the Sellers shall be true and correct in all but *de minimis* respects (other than the Fundamental Representations set forth in Section 3.5 and any Fundamental Representations of the Sellers that are limited by or qualified as to "materiality" (including the word "material") or "Material Adverse Effect," which Fundamental Representations shall be true in all respects) both when made and as of the Closing Date, or in the case of representations and warranties that are made as of a specified date, as of such specified date, and (ii) all other representations and warranties of the Sellers contained in this Agreement or any Ancillary Agreement or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby shall be true and correct both when made and as of the Closing Date (or in the case of representations and warranties that are made as of a specified date, as of such specified date), unless the failure of such representations and warranties to be true and correct (without giving effect to any limitation or qualification as to "materiality" (including the word "material") or "Material Adverse Effect" set forth therein) would not, individually or in the aggregate, have a Material Adverse Effect. Each of the Sellers shall have performed in all material respects all obligations and agreements and complied with all covenants and conditions required by this Agreement or any Ancillary Agreement to be performed or complied with by it prior to or at the Closing in all material respects. The Buyer and the Issuer shall have received from each of the Sellers a certificate to the effect set forth in the preceding sentences, signed by a duly authorized officer thereof.

(b) Consents and Approvals. All authorizations, consents, orders and approvals of all Governmental Authorities and officials and all third-party consents and estoppel certificates set forth on Schedule 7.3(b) shall have been received and shall be satisfactory in form and substance to the Buyer in its sole discretion.

(c) No Litigation. No Action shall have been commenced or threatened by or before any Governmental Authority that, in the reasonable, good faith determination of the Buyer or the Issuer, is reasonably likely to take an action that the Buyer is not required to take pursuant to Section 5.8(e).

(d) Ancillary Agreements. The Buyer and the Issuer shall have received an executed counterpart of each of the Ancillary Agreements, signed by each party other than the Buyer and the Issuer.

(e) Resignations. The Buyer shall have received letters of resignation from the directors of the Company and each of its Subsidiaries.

(f) No Material Adverse Effect. Since the date of this Agreement, there shall not have occurred any change, event or development that, individually or in the aggregate, has had and continues to have or is reasonably expected to have a Material Adverse Effect.

(g) Debt Payoff Letters. The Sellers shall have delivered to the Buyer a payoff letter duly executed by each holder of Payoff Indebtedness, each in form and substance reasonably acceptable to the Buyer, in which the payee shall agree that upon payment of the amount specified in such payoff letter: (i) all outstanding obligations of the Company and its Subsidiaries arising under or related to the applicable Payoff Indebtedness shall be repaid, discharged and extinguished in full; (ii) all Encumbrances in connection therewith shall be released; (iii) the payee shall take all actions reasonably requested by the Buyer to evidence and record such discharge and release as promptly as practicable; and (iv) the payee shall return to the Company and its Subsidiaries all instruments evidencing the applicable Payoff Indebtedness (including all notes) and all collateral securing the applicable Payoff Indebtedness (each such payoff letter, a "Debt Payoff Letter").

(h) Third Party Expense Statements and Releases. With respect to any Transaction Expenses which will not have been paid in full on or prior to the Closing Date, at least two Business Days prior to the Closing Date, the Sellers shall submit to the Buyer reasonably satisfactory documentation setting forth an itemized list of all, and amounts of all, Transaction Expenses, including the identity of each payee, dollar amounts owed, wire instructions and any other information necessary to effect the final payment in full thereof, and copies of final invoices from each such payee acknowledging the invoiced amounts as full and final payment for all services rendered to the Company or its Subsidiaries (the "Transaction Expenses Payoff Instructions"). Prior to the Closing, the Sellers shall have delivered to the Buyer an invoice duly executed by each payee referred to in the Transaction Expenses Payoff Instructions in form and substance reasonably satisfactory to the Buyer in which the payee shall agree that upon payment of the amounts specified in the Transaction Expenses Payoff Instructions, all obligations of the Company and its Subsidiaries to such payee to date shall be repaid, discharged and extinguished in full.

(i) Morgan Stanley Release. At least two Business Days prior to the Closing Date, the Sellers shall submit to the Buyer reasonably satisfactory documentation setting forth wire instructions and any other information necessary to effect the final payment of the Morgan Stanley Fee, and a final invoice duly executed by Morgan Stanley in form and substance reasonably satisfactory to the Buyer in which Morgan Stanley shall agree that upon payment of the Morgan Stanley Fee, all obligations of the HTA Sellers, their Affiliates, the Company and its Subsidiaries to Morgan Stanley to date shall be repaid, discharged and extinguished in full.

(j) RAC Contracts. There shall not have occurred any change, event or development that is reasonably likely to materially impair the Company's pricing under the RAC Contracts, and Buyer shall have received evidence reasonably satisfactory to it that as of the date hereof, each of the RAC Contracts was in full force and effect and had a remaining term of at least three years from the date hereof.

(k) Avis Contract Rebate Fee. The Sellers shall have delivered to Buyer evidence satisfactory to Buyer that the rebate fee due to Avis Budget Car Rental, LLC from the Company in the amount of $6,000,000 (the "Avis Contract Rebate Fee") has been paid in full by the Company prior to the Closing.

**ARTICLE VIII**
**INDEMNIFICATION**

Section 8.1 Survival.

(a) The representations and warranties of the Parties contained in this Agreement and the Ancillary Agreements and any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby shall survive the Closing until the first anniversary of the Closing Date; provided, however, that:

(i) the representations and warranties set forth in Sections 3.1 and 4.1 relating to organization and existence, Sections 3.2 and 4.2 relating to authority, Sections 3.4 and 4.8(a) relating to the Units and the Issuer Shares, respectively, Sections 3.5 and 4.8(b) relating to capitalization, Sections 3.6 and 4.8(f) relating to equity interests, and Sections 3.28 and 4.6 relating to broker's fees and finder's fees (Sections 3.1, 3.2, 3.4, 3.5, 3.6, 3.28, 4.1, 4.2, 4.6, 4.8(a), 4.8(b) and 4.8(f) are collectively referred to herein as the "Fundamental Representations"), and any representation in the case of fraud, intentional misrepresentation or intentional breach, shall survive for a period of 10 years;

(ii) the representations and warranties set forth in Section 3.17 (Taxes) shall survive until the close of business on the 60th day following the expiration of the statute of limitations applicable to the underlying claim (giving effect to any waiver, mitigation or extension thereof);

(iii) the representations and warranties set forth in Section 3.12 (Employee Benefit Plans) shall survive until the close of business on the third (3rd) anniversary of the Closing Date; and

(iv) the representations and warranties set forth in Section 3.15 (Intellectual Property) shall survive until the close of business on the third (3rd) anniversary of the Closing Date.

(b) The respective covenants and agreements of the Parties contained in this Agreement shall survive the Closing until the expiration of the statute of limitations following the date all performance thereunder was due to be performed in accordance with their respective terms; provided, however, that the indemnification obligations set forth in this Article VIII shall survive for a period of 10 years plus 90 days, subject to extension as provided in Section 8.1(c) (other than any indemnification obligation arising out of a breach of any of the representations and warranties set forth in Section 3.17 (Taxes) and the indemnification obligation set forth in Section 8.2(d), which in each case shall survive until the close of business on the 60th day following the expiration of the statute of limitations applicable to the underlying claim (giving effect to any waiver, mitigation or extension thereof), subject to extension as provided in Section 8.1(c)).

(c) None of the Parties shall have any liability with respect to any representations, warranties, covenants or agreements unless notice of an actual or threatened claim, or of discovery of any facts or circumstances that the Sellers, on the one hand, or the Buyer or the Issuer, on the other hand, as the case may be, reasonably believes may result in a claim, hereunder is given to the other Parties, as applicable, prior to the expiration of the survival period, if any, for such representation, warranty, covenant or agreement, in which case the applicable statute of limitations shall be tolled and such representation, warranty, covenant or agreement shall survive as to such claim until such claim has been finally resolved and, if applicable, paid, without the requirement of commencing any Action in order to extend such survival period or preserve such claim.

Section 8.2 Indemnification by the Sellers. HTA Sellers shall, jointly and severally, save, defend, indemnify and hold harmless the Buyer, the Issuer, their respective Affiliates (including the Company and its Subsidiaries) and the respective Representatives, successors and assigns of each of the foregoing (collectively, the "Buyer Indemnified Parties") from and against, and shall compensate and reimburse each of the foregoing for any of the following, including any and all losses, damages, liabilities, deficiencies, claims, diminution of value (including using a multiple of EBITDA or similar valuation methodology to determine such value), interest, awards, judgments, penalties, Taxes, costs and expenses (including reasonable attorneys' fees, costs and other out-of-pocket expenses incurred in investigating, preparing or defending the foregoing) (hereinafter collectively, "Losses"), asserted against, incurred, sustained or suffered by any of the foregoing as a result of, arising out of or relating to:

(a) any breach of any representation or warranty made by any Seller contained in this Agreement or any Ancillary Agreement or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby (without giving effect to any limitations or qualifications thereto, including materiality, Material Adverse Effect, knowledge or subsequent supplements or updates to the Disclosure Schedules);

(b) any breach of any covenant or agreement by any Seller contained in this Agreement or any Ancillary Agreement or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby (including as a result of the action or failure to act of the Company or any of its Subsidiaries);

(c) any Indebtedness or Transaction Expenses charged to the Buyer, the Issuer, the Company, its Subsidiaries or any of their Affiliates that shall not have been reflected in the Final Closing Statement;

(d) Indemnified Taxes;

(e) any Excluded Asset or any liability or obligation relating to an Excluded Asset, whether arising prior to or after the Closing Date; or

(f) the unavailability of coverage under the R&W Insurance Policy due to the exclusions in Sections 4(a)(ii), 4(e), 4(f), or 4(g) of the R&W Insurance Policy.

Section 8.3 Indemnification by the Buyer. The Buyer shall save, defend, indemnify and hold harmless the Sellers, their respective Affiliates and the respective Representatives, successors and assigns of each of the foregoing from and against, and shall compensate and reimburse each of the foregoing for, any and all Losses asserted against, incurred, sustained or suffered by any of the foregoing as a result of, arising out of or relating to:

(a) any breach of any representation or warranty made by the Buyer or the Issuer contained in this Agreement or any Ancillary Agreement or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby (without giving effect to any limitations or qualifications as to materiality, Material Adverse Effect, knowledge or other exception set forth therein);

(b) any breach of any covenant or agreement by the Buyer or the Issuer contained in this Agreement or any Ancillary Agreement or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby;

(c) any guarantee or other surety given by any Seller or his or its Affiliates (other than the Company or any of its Subsidiaries) with respect to any asset or liability of the Company or any of its Subsidiaries (other than any Excluded Asset or any liability or obligation relating to an Excluded Asset) which is not removed in accordance with Section 5.5(b), to the extent the event, change, circumstance, occurrence, effect, result or state of facts giving rise to the exercise of the guarantee or surety first arose after the Closing;

(d) the amount of any Closing Employee Payments included in the calculation of the Net Adjustment Amount which are not actually paid by the Company or its Subsidiaries on or prior to March 15, 2019; or

(e) the matters set forth on Schedule 8.3(e).

Section 8.4 Procedures.

(a) A party seeking indemnification (the "Indemnified Party") in respect of, arising out of or involving a Loss or a claim or demand made by any person against the Indemnified Party (a "Third Party Claim") shall deliver notice (a "Claim Notice") in respect thereof to the Party against whom indemnity is sought (the "Indemnifying Party") with reasonable promptness (but in any event not more than 45 days) after receipt by such Indemnified Party of notice of the Third Party Claim, and shall provide the Indemnifying Party with such information with respect thereto as the Indemnifying Party may reasonably request. The failure to deliver a Claim Notice, however, shall not release the Indemnifying Party from any of its obligations under this Article VIII except to the extent that the Indemnifying Party is materially prejudiced by such failure.

(b) If the Indemnifying Party acknowledges in writing its obligation to indemnify the Indemnified Party against any and all Losses that may result from a Third Party Claim that is exclusively for civil monetary damages at law pursuant to the terms of this Agreement, the Indemnifying Party shall have the right, upon written notice to the Indemnified Party within 15 Business Days of receipt of a Claim Notice from the Indemnified Party in respect

of such Third Party Claim, to assume the defense thereof (except that the defense or prosecution of such claim shall be tendered to the insurance carrier of the R&W Insurance Policy if such carrier has assumed the defense thereof under the R&W Insurance Policy) at the expense of the Indemnifying Party (which expenses shall not be applied against any indemnity limitation herein) with counsel selected by the Indemnifying Party and satisfactory to the Indemnified Party. Notwithstanding the foregoing, the Indemnifying Party shall not be entitled to assume the defense of any Third Party Claim for equitable or injunctive relief, or any claim that would impose criminal liability or damages, and the Indemnified Party shall have the right to defend, at the expense of the Indemnifying Party, any such Third Party Claim. The Indemnifying Party shall be liable for the fees and expenses of counsel employed by the Indemnified Party for any period during which the Indemnifying Party has failed to assume the defense thereof. If the Indemnifying Party does not expressly elect (or is not entitled) to assume the defense of such Third Party Claim within the time period and otherwise in accordance with the first sentence of this Section 8.4(b), the Indemnified Party shall have the sole right to assume the defense of and to settle such Third Party Claim (except that the defense, prosecution or settlement of such claim may be tendered by the Indemnified Party to the insurance carrier of the R&W Insurance Policy if such carrier has agreed to assume the defense thereof under the R&W Insurance Policy). If the Indemnifying Party assumes the defense of such Third Party Claim, the Indemnified Party shall have the right to employ separate counsel and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party unless (i) the employment of such counsel shall have been specifically authorized in writing by the Indemnifying Party or (ii) the named parties to the Third Party Claim (including any impleaded parties) include both the Indemnified Party and the Indemnifying Party, and the Indemnified Party reasonably determines that representation by counsel to the Indemnifying Party of both the Indemnifying Party and such Indemnified Party may present such counsel with a conflict of interest. If the Indemnifying Party assumes the defense of any Third Party Claim, the Indemnified Party shall, at the Indemnifying Party's expense, cooperate with the Indemnifying Party in such defense and make available to the Indemnifying Party all witnesses, pertinent records, materials and information in the Indemnified Party's possession or under the Indemnified Party's control relating thereto as is reasonably required by the Indemnifying Party. If the Indemnifying Party assumes the defense of any Third Party Claim, the Indemnifying Party shall not, without the prior written consent of the Indemnified Party, enter into any settlement or compromise or consent to the entry of any judgment with respect to such Third Party Claim if such settlement, compromise or judgment (i) involves a finding or admission of wrongdoing, (ii) does not include an unconditional written release by the claimant or plaintiff of the Indemnified Party from all liability in respect of such Third Party Claim, (iii) imposes equitable remedies or any obligation on the Indemnified Party other than solely the payment of money damages for which the Indemnified Party will be indemnified hereunder or (iv) requires the consent of the carrier of the R&W Insurance Policy under the terms of the R&W Insurance Policy.

(c) An Indemnified Party seeking indemnification in respect of, arising out of or involving a Loss or a claim or demand hereunder that does not involve a Third Party Claim being asserted against or sought to be collected from such Indemnified Party (a "Direct Claim") shall deliver a Claim Notice in respect thereof to the Indemnifying Party with reasonable promptness after becoming aware of facts supporting such Direct Claim, and shall provide the Indemnifying Party with such information with respect thereto as the Indemnifying Party may

reasonably request. The failure to deliver a Claim Notice, however, shall not release the Indemnifying Party from any of its obligations under this Article VIII except to the extent that the Indemnifying Party is materially prejudiced by such failure and shall not relieve the Indemnifying Party from any other obligation or liability that it may have to the Indemnified Party or otherwise than pursuant to this Article VIII. If the Indemnifying Party does not notify the Indemnified Party within 10 days following its receipt of a Claim Notice in respect of a Direct Claim that the Indemnifying Party disputes its liability to the Indemnified Party hereunder, such Direct Claim specified by the Indemnified Party in such Claim Notice shall be conclusively deemed a liability of the Indemnifying Party hereunder and the Indemnifying Party shall pay the amount of such liability to the Indemnified Party on demand. If the Indemnifying Party agrees that it has an indemnification obligation but asserts that it is obligated to pay a lesser amount than that claimed by the Indemnified Party, the Indemnifying Party shall pay such lesser amount promptly to the Indemnified Party, without prejudice to or waiver of the Indemnified Party's claim for the difference.

(d) The indemnification required hereunder shall be made by prompt payment by the Escrow Agent (to the extent of any amounts then held in the Indemnity Escrow Fund if applicable) or the Indemnifying Party (to the extent of any amounts not then held in the Indemnity Escrow Fund if applicable) of the amount of actual Losses in connection therewith, as and when bills are received by the Indemnifying Party or Losses incurred have been notified to the Indemnifying Party, together with interest on any amount not repaid as necessary to the Indemnified Party by the Escrow Agent or the Indemnifying Party, as applicable, within five Business Days after receipt of notice of such Losses, from the date such Losses have been notified to the Indemnifying Party, at the rate of interest equal to the Prime Rate, calculated on the basis of a year of 365 days and the number of days elapsed.

(e) The Indemnifying Party shall not be entitled to require that any action be made or brought against any other Person before action is brought or claim is made against it hereunder by the Indemnified Party.

(f) Notwithstanding the provisions of Section 10.9, each Indemnifying Party hereby consents to the nonexclusive jurisdiction of any court in which an Action in respect of a Third Party Claim is brought against any Indemnified Party for purposes of any claim that an Indemnified Party may have under this Agreement with respect to such Action or the matters alleged therein and agrees that process may be served on each Indemnifying Party with respect to such claim anywhere.

(g) To the extent there is a conflict between this Section 8.4 and Section 6.6, Section 6.6 shall govern.

Section 8.5 Limits on Indemnification. Notwithstanding anything to the contrary contained in this Agreement or any of the Ancillary Agreements:

(a) (i) An Indemnifying Party shall not be liable for any claim for indemnification pursuant to Section 8.2(a) or Section 8.3(a), as the case may be, unless and until the aggregate amount of indemnifiable Losses which may be recovered from the Indemnifying Party equals or exceeds $2,750,000 (the "Deductible Amount"), in which case the Indemnifying Party shall be liable for the amount of such Losses in excess of the Deductible Amount, (ii) the

maximum aggregate amount of indemnifiable Losses which may be recovered from an Indemnifying Party arising out of or relating to the causes set forth in Section 8.2(a) or Section 8.3(a), as the case may be, shall be an amount equal to $2,750,000 (the "Cap"), and (iii) no Losses shall be indemnifiable by the HTA Sellers pursuant to Section 8.2(a) other than Losses in excess of $25,000 resulting from any single claim or aggregated claims arising out of the same facts, events or circumstances; provided, that the foregoing clauses (i), (ii) and (iii) shall not apply to Losses arising out of or relating to the inaccuracy or breach of any Fundamental Representation, any representation or warranty set forth in Section 3.17, or any representation or warranty or in the event of fraud, willful misconduct or intentional misrepresentation. Except in the case of fraud, the maximum aggregate liability of the HTA Sellers with respect to all Losses indemnifiable pursuant to Section 8.2 shall not exceed the Enterprise Value.

(b) The Buyer Indemnified Parties shall not be entitled to indemnification pursuant to Section 8.2 for any Loss (and such Loss shall not be counted for purposes of the Deductible Amount or the Cap) to the extent that a specific accrual or reserve for the amount of such Loss was included as a Liability in calculating the Net Adjustment Amount.

(c) The amount of any Loss subject to indemnification shall be reduced by any insurance, warranty or indemnity proceeds to the extent actually received by the Indemnified Party in respect of such Losses (net of the cost and expense of obtaining any such benefits, proceeds, payments or reimbursements and any premium or other cost increases resulting therefrom, other than with respect to the R&W Insurance Policy). To the extent any insurance or other such proceeds are actually received by an Indemnified Party which have not previously reduced the amounts recoverable under this Article VIII, the Indemnified Party shall promptly pay such amounts (net of the reasonable cost and expense of obtaining any such benefits, proceeds, payments or reimbursements and any premium or other cost increases resulting therefrom) to the Indemnifying Party.

(d) Each of the Parties shall take all commercially reasonable steps to mitigate their respective Losses, with the obligation to mitigate to commence, respectively, within a reasonable time after the Party's knowledge of the relevant event or condition which would give rise to any Losses that are indemnifiable hereunder, in each case solely to the extent required by applicable Law.

Section 8.6 Indemnity Escrow Fund. Each of the Buyer and the Issuer hereby agrees that with respect to any indemnification claim asserted hereunder, before seeking to recover any Losses directly from the Sellers, it shall (a) first, seek a remedy from the Indemnity Escrow Fund, to the extent of the amount then held in the Indemnity Escrow Fund, and (b) second, seek a remedy from the R&W Insurance Policy, if and only to the extent such Losses are covered by the R&W Insurance Policy. Any portion of the Indemnity Escrow Fund remaining as of the one year anniversary of the Closing Date (less (i) the aggregate amount claimed by the Buyer Indemnified Parties pursuant to claims made in accordance with this Article VIII and not fully resolved prior to such date and (ii) any amount which a Buyer Indemnified Party is entitled to hereunder, but has not yet received) shall be released to one or more accounts designated by Sellers. Buyer and Sellers shall deliver joint written instructions to the Escrow Agent instructing the Escrow Agent to make any distributions from the Indemnity Escrow Funds as provided herein. Interest earned on the Indemnity Escrow Fund, if any, unless utilized to satisfy the Sellers' payment obligations hereunder, will be for the account of the Sellers (and not the Buyer).

Section 8.7 Treatment of Indemnification Payments. The Parties agree to treat all indemnification payments made under this Article VIII as an adjustment to the purchase price for income tax purposes, unless otherwise required by applicable Law.

Section 8.8 Exclusive Remedy. Except (i) in the case of fraud, and (ii) in the case where a Party seeks to obtain specific performance pursuant to Section 10.10, from and after the Closing the rights of the Parties to indemnification pursuant to the provisions of this Article VIII shall be the sole and exclusive remedy for the Indemnified Parties with respect to any matter in any way arising from or relating to this Agreement or its subject matter.

## ARTICLE IX
## TERMINATION

Section 9.1 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by mutual written consent of the Buyer and the Seller Representative;

(b) (i) by the Seller Representative, if none of the Sellers is then in material breach of its obligations under this Agreement and the Buyer or the Issuer breaches or fails to perform in any respect any of its representations, warranties or covenants contained in this Agreement and such breach or failure to perform (A) would give rise to the failure of a condition set forth in Section 7.2, (B) cannot be or has not been cured within 30 days following delivery to the Buyer and the Issuer of written notice of such breach or failure to perform and (C) has not been waived by the Sellers or (ii) by the Buyer or the Issuer, if neither the Buyer nor the Issuer is then in material breach of its obligations under this Agreement and any Seller breaches or fails to perform in any respect any of its representations, warranties or covenants contained in this Agreement and such breach or failure to perform (A) would give rise to the failure of a condition set forth in Section 7.3, (B) cannot be or has not been cured within 30 days following delivery to the Sellers of written notice of such breach or failure to perform and (C) has not been waived by the Buyer or the Issuer;

(c) (i) by the Seller Representative, if any of the conditions set forth in Section 7.1 or Section 7.2 shall have become incapable of fulfillment prior to April 2, 2018 (the "Outside Date") or (ii) by the Buyer, if any of the conditions set forth in Section 7.1 or Section 7.3 shall have become incapable of fulfillment prior to the Outside Date; provided, that the right to terminate this Agreement pursuant to this Section 9.1(c) shall not be available if the failure of any Seller, in the case of termination by the Seller Representative, or the Buyer or the Issuer, in the case of termination by the Buyer, to fulfill any obligation under this Agreement shall have been the primary cause of, or shall have resulted in, the failure of such condition to be satisfied on or prior to such date;

(d) by either the Seller Representative or the Buyer if the Closing shall not have occurred by Outside Date; provided, that the right to terminate this Agreement under this Section 9.1(d) shall not be available if the failure of any Seller, in the case of termination by the Seller Representative, or the Buyer or the Issuer, in the case of termination by the Buyer, to fulfill any obligation under this Agreement shall have been the primary cause of, or shall have resulted in, the failure of the Closing to occur on or prior to such date;

(e) by either the Seller Representative or the Buyer in the event that any Governmental Authority having jurisdiction shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement and such order, decree, ruling or other action shall have become final and nonappealable; provided, that the Sellers, in the case of termination by the Seller Representative, or the Buyer and the Issuer, in the case of termination by the Buyer, shall have used its commercially reasonable efforts, in accordance with Section 5.8, to have such order, decree, ruling or other action vacated;

(f) by the Buyer, if between the date hereof and the Closing, an event or condition occurs and continues that has, or is reasonably expected to have, a Material Adverse Effect; or

(g) by the Seller Representative if (i) all of the conditions to Closing set forth in Section 7.1 and 7.3 were satisfied or waived as of the date the Closing should have been consummated pursuant to the terms of this Agreement (other than those conditions that by their terms are to be satisfied at the Closing and could have been satisfied or would have been waived assuming a Closing would occur), (ii) the Sellers have irrevocably confirmed to the Buyer and the Issuer in writing that (A) all of the conditions to the obligation of the Sellers to consummate the Closing have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing and could have been satisfied or would have been waived assuming a Closing would occur) and (B) the Sellers are ready, willing and able to cause the Closing to occur and (iii) the Buyer or the Issuer fails to complete the Closing within two Business Days after the later of (A) delivery of the confirmation by the Sellers required by clause (ii) above and (B) the date by which the Closing should have occurred pursuant to Section 2.3.

The Party seeking to terminate this Agreement pursuant to this Section 9.1 (other than Section 9.1(a)) shall give prompt written notice of such termination to the other Parties.

Section 9.2 Effect of Termination. In the event of termination of this Agreement as provided in Section 9.1, this Agreement shall forthwith become void and there shall be no liability on the part of any of the Parties (or their respective Representatives or Affiliates) except (a) for the provisions of Sections 3.28 and 4.6 relating to broker's fees and finder's fees, Section 5.7 relating to confidentiality, Section 5.10 relating to public announcements, Section 9.3 relating to the Reverse Termination Fee, Section 10.3 relating to notices, Section 10.6 relating to third-party beneficiaries, Section 10.7 relating to governing law, Section 10.8 relating to submission to jurisdiction and this Section 9.2 and (b) that nothing herein shall relieve any of the Parties from liability for any willful and material breach of this Agreement or any agreement made as of the date hereof or subsequent thereto pursuant to this Agreement, subject in the case of the Buyer and the Issuer to the limitations set forth in Section 9.3, 10.10 and 10.18. For the avoidance of doubt, in the event of termination of this Agreement, the Financing Source Parties will have no liability to the Sellers, any of their Affiliates or any of their direct or indirect stockholders hereunder or under the Debt Financing Commitment or otherwise relating to or arising out of the transactions contemplated by such agreements (including for any willful and material breach), provided that the foregoing shall not preclude any liability of the Financing Source Parties to the Buyer under the terms of the Debt Financing Commitment (and the related fee letters) or the Debt Financing.

Section 9.3 Reverse Termination Fee; Limitation on Liability.

(a) In the event that this Agreement is terminated by the Sellers pursuant to Section 9.1(g), the Buyer shall pay to the HTA Sellers a fee of $20,000,000 (the "Reverse Termination Fee"). Payment of the Reverse Termination Fee shall be made as promptly as reasonably practicable after termination of this Agreement pursuant to Section 9.1(g) (and, in any event, within five Business Days thereof) by wire transfer of same-day funds to the account designated by the HTA Sellers to the Buyer in writing. The Parties acknowledge and agree that in no event shall Buyer be required to pay the Reverse Termination Fee on more than one occasion.

(b) In the event that the Reverse Termination Fee becomes payable pursuant to Section 9.3(a), the receipt by the HTA Sellers of the Reverse Termination Fee shall be deemed to be liquidated damages and the sole and exclusive remedy of the Sellers, the Company and any other Person (other than the Buyer or the Issuer) against the Buyer, the Issuer and their respective former, current and future equityholders, controlling persons, directors, officers, employees, agents, general or limited partners, managers, management companies, members, stockholders, Affiliates or assignees and any and all former, current and future equity holders, controlling persons, directors, officers, employees, agents, general or limited partners, managers, management companies, members, stockholders, Affiliates or assignees of any of the foregoing, and any and all former, current and future heirs, executors, administrators, trustees, successors or assigns of any of the foregoing (each of the foregoing, a "Buyer Related Party," and collectively, the "Buyer Related Parties"), and no Buyer Related Party shall have any other liability or obligation (other than to the Buyer) for any Losses suffered or incurred by the Sellers, the Company or any other Person relating to or arising out of this Agreement (and the termination hereof) or the Debt Financing Commitment or the transactions contemplated hereby and thereby (and the abandonment thereof) or any matter forming the basis for such termination, including any breach of this Agreement or the Debt Financing Commitment (including any willful and material breach), and none of the Sellers, the Company or any other Person (other than the Buyer) shall be entitled to bring or maintain any other Action against the Buyer, the Issuer or any other Buyer Related Party arising out of this Agreement or any Debt Financing Commitment, or any of the transactions contemplated hereby or thereby or any matters forming the basis for such termination, whether in equity or at law, in contract, in tort, or otherwise; provided that nothing herein shall limit any of the remedies available under the Confidentiality Agreements.

(c) Each of the Parties acknowledges and agrees that (i) the agreements contained in Section 9.3(b) are an integral part of the this Agreement and the transactions contemplated hereby and (ii) in light of the difficulty of accurately determining actual damages with respect to the foregoing, upon any such termination of this Agreement pursuant to Section 9.1(g), the right to such payment constitutes a reasonable estimate of the Losses that will be suffered by reason of any such termination of this Agreement and constitutes liquidated damages (and not a penalty).

(d) Notwithstanding anything to the contrary in this Agreement, and without limitation to the rights of the Sellers in respect of specific performance pursuant to Section 10.10(b) and any rights under the Confidentiality Agreements, the Parties acknowledge and agree that the maximum aggregate liability of the Buyer, the Issuer, and any other Buyer Related

Party under this Agreement or relating to the transactions contemplated hereby in the event the Closing does not occur shall be limited to an amount equal to the Reverse Termination Fee (and in no event shall the Sellers, the Company or any other Person seek to recover any money damages (including consequential, indirect or punitive damages) in excess of such amount if the Closing does not occur). So long as this Agreement shall not have been terminated, the Sellers shall be entitled to pursue both a grant of specific performance under Section 10.10(b) and the payment of the Reverse Termination Fee under Section 9.3(a), but under no circumstances shall the Sellers, collectively, be permitted or entitled to receive both a grant of specific performance under Section 10.10(b) and an award of money damages, including all or any portion of the Reverse Termination Fee, with respect to Buyer's failure to consummate the Closing; provided that nothing herein shall limit any of the remedies available under the Confidentiality Agreements.

(e) Notwithstanding anything to the contrary in this Agreement, no Financing Source Party shall have any liability or obligation to the Sellers, the Company, any of its or their Affiliates or any of its or their direct or indirect stockholders relating to or arising out of this Agreement or the Debt Financing Commitment or in respect of any oral representation made or alleged to be have been made in connection herewith or therewith, whether in equity or at law, in contract, in tort or otherwise, and none of the Sellers or the Company shall seek to, and shall cause its and their Affiliates and its and their direct and indirect stockholders not to seek to, recover any money damages (including consequential, special, indirect or punitive damages, or damages on account of a willful and material breach) or obtain any equitable relief from or with respect to any Financing Source Party.

Section 10.4 Interpretation. When a reference is made in this Agreement to a Section, Article, Exhibit or Schedule such reference shall be to a Section, Article, Exhibit or Schedule of this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement or in any Exhibit or Schedule are for convenience of reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. All words used in this Agreement will be construed to be of such gender or number as the circumstances require. Any capitalized terms used in any Exhibit or Schedule but not otherwise defined therein shall have the meaning as defined in this Agreement. All Exhibits and Schedules annexed hereto or referred to herein are hereby incorporated in and made a part of this Agreement as if set forth herein. The word “including” and words of similar import when used in this Agreement will mean “including, without limitation,” unless otherwise specified. The words “hereof,” “herein”

and “hereunder” and words of similar import when used in this Agreement shall refer to the Agreement as a whole and not to any particular provision in this Agreement. The term “or” is not exclusive. The word “will” shall be construed to have the same meaning and effect as the word “shall.” References to days mean calendar days unless otherwise specified. References to a document or other information having been “furnished”, “provided” or “made available” or similar formulation by Sellers shall include a copy having been posted by Sellers or their Representatives to the Project Acorn virtual data room maintained by Intralinks, Inc. and accessible at services.intralinks.com.

Section 10.5 Entire Agreement. This Agreement (including the Exhibits and Schedules hereto), the Ancillary Agreements and the Confidentiality Agreements constitute the entire agreement, and supersede all prior written agreements, arrangements, communications and understandings and all prior and contemporaneous oral agreements, arrangements, communications and understandings between the Parties with respect to the subject matter hereof and thereof. Notwithstanding any oral agreement or course of conduct of the Parties or their Representatives to the contrary, no Party to this Agreement shall be under any legal obligation to enter into or complete the transactions contemplated hereby unless and until this Agreement shall have been executed and delivered by each of the Parties.

Section 10.6 No Third-Party Beneficiaries.

(a) Except as provided in Article VII, nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the Parties and their respective successors and permitted assigns any legal or equitable right, benefit or remedy of any nature under or by reason of this Agreement.

(b) Notwithstanding the foregoing clause (a), (i) the provisions of the last sentence of Section 9.2 and of Section 9.3(e) shall be enforceable against the Sellers (but not the Buyer or the Issuer) by each Financing Source Party as an express and intended third-party beneficiary thereof and (ii) the provisions of this Section 10.6(b) and Section 10.1, Section 10.7, Section 10.8(b), Section 10.9, Section 10.10, Section 10.13 and Section 10.18 shall be enforceable against all Parties to this Agreement by each Financing Source Party as an express and intended third-party beneficiary thereof.

Section 10.7 Governing Law. This Agreement and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, (including in respect of the statute of limitations or other limitations period applicable to any such dispute or controversy) without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of Delaware; provided that, notwithstanding the foregoing, any dispute or controversy relating to any Financing Source Party will be subject to Section 10.8(b).

Section 10.8 Submission to Jurisdiction.

(a) Each of the Parties irrevocably agrees that any legal action or proceeding arising out of or relating to this Agreement brought by any Party or its successors or assigns against the other Party shall be brought and determined in the Court of Chancery of the State of Delaware, provided, that if jurisdiction is not then available in the Court of Chancery of the State of Delaware, then any such legal action or proceeding may be brought in any federal court located in the State of Delaware or any other Delaware state court, and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the aforesaid courts for itself and with respect to its property, generally and unconditionally, with regard to any such action or proceeding arising out of or relating to this Agreement and the transactions contemplated hereby. Each of the Parties agrees not to commence any action, suit or proceeding relating thereto except in the courts described above in Delaware, other than actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in Delaware as described herein. Each of the Parties further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each of the Parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby, (a) any claim that it is not personally subject to the jurisdiction of the courts in Delaware as described herein for any reason, (b) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (c) that (i) the suit, action or proceeding in any such court is brought in an inconvenient forum, (ii) the venue of such suit, action or proceeding is improper or (iii) this Agreement, or the subject matter hereof, may not be enforced in or by such courts.

(b) Notwithstanding anything in this Agreement to the contrary, but subject to the next sentence, each of the Parties hereto agrees that (i) it will not bring or support any action, cause of action, claim, cross-claim or third-party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against the Financing Source Parties, in any way relating to this Agreement or any of the transactions contemplated by this Agreement, including but not limited to any dispute arising out of or relating in any way to the Debt Financing Commitment, the Debt Financing or the definitive agreements executed in connection therewith or the performance thereof, in any forum other than the Supreme Court of the State of New York, County of New York, or, if under applicable law exclusive jurisdiction is vested in the federal courts, the United States District Court for the Southern District of New York (and, in each case, appellate courts thereof) and (ii) any such action, cause of action, claim, cross-claim or third-party claim shall be governed by the laws of the State of New York. The Sellers further agree that they shall not, and shall cause their Affiliates and its and their direct and indirect stockholders not to, bring or support any action, cause of action, claim, cross-claim or third-party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any Financing Source Party, in any way relating to this Agreement or the transactions contemplated hereby, including any dispute arising out of or relating in any way to the Debt Financing Commitment, the Debt Financing or the definitive agreements executed in connection therewith or the performance thereof.

Section 10.9 Assignment; Successors. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated, in whole or in part, by operation of law or otherwise, by any Party without the prior written consent of the other Parties, and any such assignment without such prior written consent shall be null and void; provided, however, that the Buyer may assign this Agreement to (a) any Affiliate of the Buyer or (b) for collateral security purposes to any Financing Sources, Financing Source Parties or other lenders, potential lenders and other customary secured parties providing financing to the Buyer, in each case, without the prior consent of the other Parties; provided further, that no assignment shall limit the assignor's obligations hereunder. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns.

Section 10.10 Enforcement.

(a) The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each of the Parties shall be entitled to specific performance of the terms hereof, including an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the Court of Chancery of the State of Delaware, provided, that if jurisdiction is not then available in the Court of Chancery of the State of Delaware, then in any state or federal court located in the State of Delaware, this being in addition to any other remedy to which such Party is entitled at law or in equity. Each of the Parties hereby further waives (a) any defense in any action for specific performance that a remedy at law would be adequate and (b) any requirement under any law to post security as a prerequisite to obtaining equitable relief. Notwithstanding the foregoing and subject to the rights of the parties to the Debt Financing Commitment under the terms thereof, none of the Sellers or any of their respective Affiliates or its and their direct and indirect stockholders shall have any rights or claims (whether in contract or in tort or otherwise) against any Financing Source Party, solely in their respective capacities as lenders or arrangers in connection with the Debt Financing.

(b) Subject to Section 9.3(d), and notwithstanding Section 10.10(a), it is acknowledged and agreed that the Sellers shall be entitled to specific performance of the obligation of the Buyer to consummate the transactions contemplated hereby only in the event that each of the following conditions have been satisfied: (i) all of the conditions set forth in Section 7.1 and Section 7.3 have been satisfied or waived in accordance with the terms of this Agreement (other than those conditions that by their terms are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions assuming a Closing would occur); (ii) the Debt Financing has been funded; (iii) the Buyer fails to complete the Closing pursuant to and in accordance with Section 2.3; and (iv) each of the Sellers has irrevocably confirmed in writing to the Buyer that if specific performance is granted and the Debt Financing are funded, and the Buyer otherwise complies with its obligations hereunder, then the Closing will occur. For the avoidance of doubt, in no event shall any Seller be entitled to enforce or seek to enforce specifically the Buyer's obligation to consummate the transactions contemplated hereby if the Debt Financing has not been funded.

Section 10.11 Currency. All references to "dollars" or "$" or "US$" in this Agreement or any Ancillary Agreement refer to United States dollars, which is the currency used for all purposes in this Agreement and any Ancillary Agreement.

Section 10.12 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision or portion of any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision or portion of any provision had never been contained herein.

Section 10.13 Waiver of Jury Trial. EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (INCLUDING ANY ACTION, PROCEEDING OR COUNTERCLAIM INVOLVING ANY OF THE FINANCING SOURCE PARTIES) ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE DEBT FINANCING COMMITMENT, THE DEBT FINANCING OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 10.14 Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties.

Section 10.15 Facsimile or .pdf Signature. This Agreement may be executed by facsimile or .pdf signature and a facsimile or .pdf signature shall constitute an original for all purposes.

Section 10.16 Release.

(a) Effective for all purposes as of immediately prior to the Closing, each Seller and Leila Centner, on behalf of itself, himself or herself and any of its, his or her permitted assigns and Affiliates (each a "Seller Releasor"), irrevocably and unconditionally releases and forever discharges the Company, each of its Subsidiaries, the Buyer, the Issuer and the respective current and former equityholders, directors, officers, employees, agents, representatives, Affiliates, successors and permitted assigns of each of the foregoing (collectively, the "Seller Releasees") from any and all claims, charges, complaints, causes of action, damages, agreements and liabilities of any kind or nature whatsoever, whether known or unknown and whether at law or in equity, that such Seller Releasor may have against the Seller Releasees, in any capacity, whether directly or derivatively through another Person, arising contemporaneously with or prior to the transactions contemplated by this Agreement, or on account of or arising out of any act, omission, transaction, matter, cause or event occurring contemporaneously with or up to and including the Closing Date related to the Company or any of its Subsidiaries; provided, that nothing contained in this Section 10.16 shall limit in any manner (i) any rights to indemnification or to advancement or reimbursement of expenses to which the current and former directors and

officers of the Company or any of its Subsidiaries are entitled pursuant to this Agreement or the Company's or any of its Subsidiaries' organizational documents, (ii) any rights pursuant to this Agreement or any Ancillary Agreement, or (iii) any employment compensation (including salary, bonus, vacation pay and holiday pay), employee expense reimbursements and other employee benefits (including medical insurance and other insurance benefits, and rights to severance pay), in each case to the extent accrued, earned or otherwise due to the Seller Releasee as of immediately prior to the Closing.

(b) Each Seller Releasor hereby expressly agrees that the release contemplated by this Section 10.16 extends to any and all rights granted under Section 1542 of the California Civil Code or any analogous state law or federal law or regulation, and such rights are hereby expressly waived. Section 1542 of the California Civil Code ("Section 1542") reads as follows:

> "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

Each Seller Releasor understands that Section 1542, or a comparable statute, rule, regulation or order of another jurisdiction, gives such Seller Releasor the right not to release existing claims of which such Seller Releasor is not aware, unless such Seller Releasor voluntarily chooses to waive this right. Having been so apprised, each Seller Releasor nevertheless hereby voluntarily elects to and does waive the rights described in Section 1542, or such other comparable statute, rule, regulation or order, and elects to assume all risks for claims that exist, existed or may hereafter exist in his, her or its favor, known or unknown, suspected or unsuspected, arising out of or related to claims or other matters purported to be released pursuant to this Section 10.16, in each case, effective as of immediately prior to the Closing. Each Seller Releasor acknowledges and agrees that the foregoing waiver is an essential and material term of the release by each Seller Releasor and that, without such waiver, Buyer and Issuer would not have agreed to the terms of this Agreement.

(c) Each Seller Releasor hereby irrevocably covenants, effective as of immediately prior to the Closing, to refrain from, directly or indirectly, asserting any claim or demand, or commencing, instituting or causing to be commenced, any litigation of any kind against any Seller Releasee before any Governmental Authority or other forum by reason of any matters released hereby.

(d) Each Seller Releasor hereby represents to the Seller Releasees that he, she or it understands and acknowledges that he, she or it may hereafter discover facts and legal theories concerning the Seller Releasees and the subject matter hereof in addition to or different from those which he, she or it now believes to be true. Each Seller Releasor understands and hereby agrees that the release set forth in this Section 10.16 shall remain effective in all respects notwithstanding those additional or different facts and legal theories or the discovery of those additional or different facts or legal theories.

Section 10.17 No Presumption Against Drafting Party. Each Party acknowledges that each Party to this Agreement has been represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting Party has no application and is expressly waived.

Section 10.18 Non-Recourse. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or related to this Agreement may only be brought against the entities that are expressly named as Parties hereto and then only with respect to the specific obligations set forth herein with respect to such Party. Each of the Sellers agrees that, except to the extent a named Party in this Agreement, (a) neither it nor any of its Affiliates will bring or support any action, cause of action, claim, cross-claim or third-party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any Buyer Related Party, in any way relating to this Agreement or the transactions contemplated herby, including any dispute arising out of or relating in any way to the Debt Financing Commitment, the Debt Financing or the definitive agreements executed in connection therewith or the performance thereof and (b) no Buyer Related Party shall have any liability (whether in contract or in tort, in law or in equity, or based upon any theory that seeks to impose liability of an entity Party against its owners or Affiliates) to the Sellers or any of their respective Affiliates or their respective trustees, directors, officers, employees, agents, partners, managers, Affiliates or equity holders for any obligations or liabilities of any Party under this Agreement or for any claim based on, in respect of, or by reason of, the transactions contemplated hereby or in respect of any oral representations made or alleged to have been made in connection herewith.

Section 10.19 Fees and Expenses. Except as otherwise provided herein, all fees and expenses incurred in connection with or related to this Agreement and the Ancillary Agreements and the transactions contemplated hereby and thereby shall be paid by the Party incurring such fees or expenses, whether or not such transactions are consummated; provided, for the avoidance of doubt, that (a) the Transaction Expenses shall be borne and paid as provided in this Agreement, (b) one-half of the R&W Insurance Policy Cost shall be paid by the Buyer and the remaining one-half of the R&W Insurance Policy Cost shall be deemed to be a Transaction Expense; (c) the Morgan Stanley Fee shall be paid by the Buyer and (d) the fees and expenses of the Sellers incurred in connection with amendment of this Agreement pursuant to Section 2.8 shall be borne by Buyer. In the event of termination of this Agreement, the obligation of each Party to pay its own expenses will be subject to any rights of such Party arising from a breach of this Agreement by the other Parties.

Section 10.20 Waiver of Conflicts. Recognizing that Wiggin and Dana LLP has acted as legal counsel to HTA Holdings, its Affiliates and the Company prior to the Closing, and that Wiggin and Dana LLP may act as legal counsel to HTA Holdings and its Affiliates (which will no longer include the Company) after the Closing, each of Buyer and the Company hereby waives, on its own behalf and on behalf of its Affiliates (and agrees to cause its Affiliates to waive), any conflicts that may arise in connection with Wiggin and Dana LLP representing HTA Holdings and its Affiliates after the Closing as such representation may relate to Buyer, the Company or the transactions contemplated herein. In addition, all communications involving attorney-client confidences between HTA Holdings, its Affiliates or the Company and Wiggin and Dana LLP in the course of the negotiation, documentation and consummation of the

transactions contemplated hereby shall be deemed to be attorney-client confidences that belong solely to HTA Holdings and its Affiliates (and not the Company). Accordingly, the Company shall not have access to any such communications, or to the files of Wiggin and Dana LLP relating to engagement, whether or not the Closing shall have occurred. Without limiting the generality of the foregoing, upon and after the Closing, (i) HTA Holdings and its Affiliates (and not the Company) shall be the sole holders of the attorney-client privilege with respect to such engagement, and none of the Company shall be a holder thereof, (ii) to the extent that files of Wiggin and Dana LLP in respect of such engagement constitute property of the client, only HTA Holdings and its Affiliates (and not the Company) shall hold such property rights and (iii) Wiggin and Dana LLP shall have no duty whatsoever to reveal or disclose any such attorney-client communications or files to any of the Company by reason of any attorney-client relationship between Wiggin and Dana LLP and any of the Company or otherwise.

Section 10.21 Seller Representative.

(a) HTA Holdings (the "Seller Representative" ) is hereby appointed as the representative of the Sellers and as the attorney-in-fact, with full power of substitution, and agent for and on behalf of each such Seller for purposes of this Agreement and the Ancillary Agreements and will take such actions to be taken by the Seller Representative under this Agreement and the Ancillary Agreements and such other actions on behalf of such Sellers as it may deem necessary or appropriate in connection with or to consummate the transactions contemplated by this Agreement and the Ancillary Agreements, including (i) taking all actions and making all filings on behalf of such Sellers with any Governmental Authority or other Person necessary to effect the consummation of the transactions contemplated by this Agreement or the Ancillary Agreements, (ii) agreeing to, negotiating, entering into settlements and compromises of, complying with orders of courts with respect to, and otherwise administering and handling any claims under this Agreement or the Ancillary Agreements on behalf of such Sellers, including indemnifications claims, (iii) negotiating and executing any waivers or amendments of this Agreement or the Ancillary Agreements (provided that any amendment that shall materially adversely and disproportionately affect the rights or obligations of any Seller (except as is consistent with such Seller's Purchase Price Percentage) shall require the prior written consent of such Seller) and (iv) taking all other actions that are either necessary or appropriate in the judgment of the Seller Representative for the accomplishment of the foregoing or contemplated by the terms of this Agreement or the Ancillary Agreements. The Seller Representative hereby accepts such appointment. Each Seller shall promptly provide written notice to the Seller Representative of any change of address of such Seller.

(b) The Seller Representative shall be the only party entitled to assert the rights of the Sellers with respect to any matter contemplated by this Agreement or the Ancillary Agreements. A decision, act, consent or instruction of the Seller Representative hereunder shall constitute a decision, act, consent or instruction of all Sellers and shall be final, binding and conclusive upon each of such Sellers, and shall be binding upon the successors, heirs, executors, administers and legal representatives of each such Seller and shall not be affected by, and shall survive, the death, incapacity, bankruptcy, dissolution or liquidation of any Seller, and the Escrow Agent, Buyer the Issuer and the Company may rely upon any such decision, act, consent or instruction of the Seller Representative as being the decision, act, consent or instruction of each and every such Seller. The Escrow Agent, Buyer, Issuer and the Company and their Affiliates shall not be liable to any Person for any acts done by them in accordance with such decision, act, consent or instruction of the Seller Representative.

(c) The Seller Representative will incur no liability with respect to any action taken or suffered by any party in reliance upon any notice, direction, instruction, consent, statement or other document believed by such Seller Representative to be genuine and to have been signed by the proper person (and shall have no responsibility to determine the authenticity thereof), nor for any other action or inaction by the Seller Representative in connection with the Seller Representative's services pursuant to this Agreement or any Ancillary Agreement, except in the event of liability directly resulting from the gross negligence or willful misconduct of the Seller Representative. In all questions arising under this Agreement or any Ancillary Agreement, the Seller Representative may rely on the advice of outside counsel, and the Seller Representative will not be liable to any Seller for anything done, omitted or suffered in good faith by the Seller Representative based on such advice.

(d) A majority-in-interest of Sellers may, by written consent, appoint a new representative as the Seller Representative. Notice together with a copy of the written consent appointing such new representative and bearing the signatures of Sellers of a majority-in-interest of those Sellers must be delivered to Buyer and the Issuer and, if applicable, the Escrow Agent not less than 10 days prior to such appointment. Such appointment will be effective upon the later of the date indicated in the consent or the date such consent is received by Buyer and the Issuer and, if applicable, the Escrow Agent. For the purposes of this Section 10.21, a "majority-in-interest of the Sellers" means Sellers representing in the aggregate over 50% of the aggregate Purchase Price Percentage.

Estimated Net Working Capital, Estimated Indebtedness and Estimated Cash were calculated in accordance with the following order of priority: (i) first, the accounting principles, policies and procedures applied on a basis consistent with the preparation of the Balance Sheet except to the extent inconsistent with UK GAAP; and (ii) second, in accordance with UK GAAP (the accounting principles, policies and priorities as described in this sentence, the "Applicable Accounting Principles"). All calculations of Estimated Net Working Capital, Estimated Indebtedness and Estimated Cash were accompanied by a certificate of a duly authorized officer of the Seller certifying that such estimates were calculated in good faith in accordance with this Agreement. The Buyer and the Seller agree that the estimates set forth in the Preliminary Closing Statement shall control solely for purposes of determining the amounts payable at the Closing pursuant to Section 2.2 and shall not limit or otherwise affect the Buyer's remedies under this Agreement or otherwise, or constitute an acknowledgement by the Buyer of the accuracy of the amounts reflected thereof.

Section 2.4 Post-Closing Adjustment of Settlement Amount.

(a) Within 60 days after the Closing Date, the Seller shall prepare, or cause to be prepared, and deliver to the Buyer a written statement (the "Final Closing Statement") that shall include and set forth (i) a consolidated balance sheet of the Company and its Subsidiaries as of the Cut-off Time (the "Closing Balance Sheet") and (ii) a calculation of the actual (A) Net Working Capital (the "Closing Net Working Capital"), (B) Indebtedness (the "Closing Indebtedness") and (C) Cash (the "Closing Cash") (with each of Closing Net Working Capital, Closing Indebtedness and Closing Cash determined as of the Cut-off Time and, except for clause (ix) of the definition of Indebtedness, without giving effect to the transactions contemplated hereby). Closing Net Working Capital, Closing Indebtedness and Closing Cash shall be calculated in accordance with the Applicable Accounting Principles. All calculations of Closing Net Working Capital, Closing Indebtedness and Closing Cash shall be accompanied by a certificate of a duly authorized officer of the Seller certifying that such amounts have been prepared in good faith in accordance with this Agreement.

(b) The Final Closing Statement shall become final and binding on the 60th day following delivery thereof, unless prior to the end of such period, the Buyer delivers to the Seller written notice of its disagreement (a "Notice of Disagreement") specifying the nature,

amount and rationale of any dispute as to the Closing Net Working Capital, Closing Indebtedness and/or Closing Cash, as set forth in the Final Closing Statement.

(c) During the 15-day period following delivery of a Notice of Disagreement by the Buyer to the Seller, the parties in good faith shall seek to resolve in writing any differences that they may have with respect to the computation of the Closing Net Working Capital, Closing Indebtedness and/or Closing Cash as specified therein. Any disputed items resolved in writing between the Seller and the Buyer within such 15-day period shall be final and binding with respect to such items, and if the Seller and the Buyer agree in writing on the resolution of each disputed item specified by the Buyer in the Notice of Disagreement and the amount of the Closing Net Working Capital, Closing Indebtedness and Closing Cash, the amounts so determined shall be final and binding on the parties for all purposes hereunder and shall not be subject to appeal or further review. If the Seller and the Buyer have not resolved all such differences by the end of such 15-day period, the Seller and the Buyer shall submit, in writing, to an independent public accounting firm (the "Independent Accounting Firm"), their briefs detailing their views as to the correct nature and amount of each item remaining in dispute and the amounts of the Closing Net Working Capital, Closing Indebtedness and Closing Cash, and the Independent Accounting Firm shall make a written determination as to each such disputed item and the amount of the Closing Net Working Capital, Closing Indebtedness and Closing Cash, which determination shall be final and binding on the parties for all purposes hereunder. The Independent Accounting Firm shall consider only those items and amounts in the Seller's and the Buyer's respective calculations of the Closing Net Working Capital, Closing Indebtedness and Closing Cash that are identified as being items and amounts to which the Seller and the Buyer have been unable to agree. In resolving any disputed item, the Independent Accounting Firm may not assign a value to any item greater than the greatest value for such item claimed by either party or less than the smallest value for such item claimed by either party. The Independent Accounting Firm shall be Deloitte LLP or, if such firm is unable or unwilling to act, such other reputable worldwide independent public accounting firm (having office locations in London) as shall be agreed in writing by the Seller and the Buyer. The Seller and the Buyer shall use their commercially reasonable efforts to cause the Independent Accounting Firm to render a written decision resolving the matters submitted to it as promptly as practicable, and in any event within 30 days following the submission thereof. Judgment may be entered upon the written determination of the Independent Accounting Firm in accordance with Section 8.7. The Independent Accounting Firm shall act as an expert and not as an arbitrator.

(d) The costs of any dispute resolution pursuant to Section 2.4(c), including the fees and expenses of the Independent Accounting Firm and of any enforcement of the determination thereof, shall be borne by the Seller and the Buyer in inverse proportion as they may prevail on the matters resolved by the Independent Accounting Firm, which proportionate allocation shall be calculated on an aggregate basis based on the relative values of the amounts (dollar or such other currency as applicable) in dispute and shall be determined by the Independent Accounting Firm at the time the determination of such firm is rendered on the merits of the matters submitted. The fees and disbursements of the Representatives of each party incurred in connection with the preparation or review of the Final Closing Statement and preparation or review of any Notice of Disagreement, as applicable, shall be borne by such party.

(e) The Buyer and the Seller will, and will cause the Company (in the case of the Seller, prior to the Closing and, in the case of the Buyer, from and after the Closing through the resolution of any adjustment to the Settlement Amount contemplated by this Section 2.4) to afford the other party and its Representatives reasonable access, during normal business hours and upon reasonable prior notice, to the personnel, properties, books and records of the Company and its Subsidiaries and to any other information reasonably requested for purposes of preparing and reviewing the calculations contemplated by this Section 2.4. Each party shall authorize its accountants to disclose work papers generated by such accountants in connection with preparing and reviewing the calculations of the Net Working Capital, Cash and Indebtedness as specified in this Section 2.4; provided, that such accountants shall not be obligated to make any work papers available except in accordance with such accountants' disclosure procedures and then only after the non-client party has signed an agreement relating to access to such work papers in form and substance acceptable to such accountants.

(f) The Estimated Settlement Amount shall be adjusted, upwards or downwards, as follows:

(i) For the purposes of this Agreement, the "Net Adjustment Amount" means an amount, which may be positive or negative, equal to (A) the Closing Net Working Capital as finally determined pursuant to this Section 2.4 minus the Estimated Net Working Capital, minus (B) the Closing Indebtedness as finally determined pursuant to this Section 2.4 minus the Estimated Indebtedness, plus (C) the Closing Cash as finally determined pursuant to this Section 2.4 minus the Estimated Cash.

(ii) If the Net Adjustment Amount is positive, the Estimated Settlement Amount shall be adjusted upwards in an amount equal to the Net Adjustment Amount. In such event, the Buyer shall pay or cause to be paid the Net Adjustment Amount to the Seller; and

(iii) If the Net Adjustment Amount is negative (in which case the "Net Adjustment Amount"" for purposes of this clause (iii) shall be deemed to be equal to the absolute value of such amount), the Estimated Settlement Amount shall be adjusted downwards in an amount equal to the Net Adjustment Amount. In such event, the Seller shall pay or cause to be paid the Net Adjustment Amount to the Buyer.

(g) Payments in respect of Section 2.4(f) shall be made within three Business Days of final determination of the Net Adjustment Amount pursuant to the provisions of this Section 2.4 by cash payment by wire transfer of immediately available funds in British pounds sterling to such account or accounts as may be designated in writing by the party entitled to such payment at least two Business Days prior to such payment date.

Section 2.5 Payments . Any payment due to the Buyer in respect of any claim under this Agreement or any of the Ancillary Agreements shall for all purposes be deemed to be and shall take effect as a reduction in the consideration paid by the Buyer for the Shares.

(h) Each of the Company and its Subsidiaries is validly licensed to use the software used in its business and no action will be necessary to enable it to continue to use such software to the same extent and in the same manner as they have been used prior to the date hereof.

(i) The Systems used in connection with the business of the Company and its Subsidiaries are and will continue to be capable of receiving and processing data in accordance with the provisions of Council Regulation 1103/97 and any other regulation or relevant applicable legislation from time to time made pursuant to the Treaty of Rome (together, the "European Regulations") and any market conversion that is attributable to the provisions of the European Regulations or their subject matter.

Section 3.27 Investment in Consideration Shares.

(a) Accredited Investor. The Seller is an "accredited investor" as such term is defined in Rule 501 promulgated under the Securities Act.

(b) Evaluation of and Ability to Bear Risks. The Seller has such knowledge and experience in financial affairs that the Seller is capable of evaluating the merits and risks of an investment in the Consideration Shares. The Seller has not relied in connection with this investment upon any representations, warranties or agreements other than those set forth in this Agreement. The Seller's financial situation is such that the Seller can afford to bear the economic risk of holding the Consideration Shares for an indefinite period of time, and the Seller can afford to suffer the complete loss of the Seller's investment in the Consideration Shares.

(c) Investment Purpose. The Seller is acquiring the Consideration Shares pursuant to this Agreement for the Seller's own account and not with a view to or for sale in connection with any distribution of all or any part of the Consideration Shares or the Seller's interest in any of the Consideration Shares. The Seller hereby agrees that the Seller will not, directly or indirectly, transfer, offer, sell, pledge, hypothecate or otherwise dispose of all or any part of the Consideration Shares or the Seller's interest in any of the Consideration Shares (or solicit any offers to buy, purchase or otherwise acquire or take a pledge of all or any part thereof) except in accordance with the terms of the Securityholders Agreement, as it may be amended from time to time, and in a manner that does not violate the registration or any other applicable provisions of the Securities Act (or any other applicable federal securities laws) or any applicable state securities laws. The Seller understands that the Seller must bear the economic risk of an investment in the Consideration Shares for an indefinite period of time because, among other reasons, the offering and sale of the Consideration Shares have not been registered under the Securities Act, and therefore, the Consideration Shares cannot be sold unless they are subsequently registered under the Securities Act or an exemption from such registration is available. The Seller also understands that sales or transfers of the Consideration Shares are further restricted by the provisions of the Securityholders Agreement, as it may be amended from time to time, and applicable state securities laws.

(d) No Representations. None of the Issuer, the Buyer, their respective Affiliates or any their respective Representatives has made any representations or warranties to the Seller, other than the representations of the Buyer and the Issuer set forth herein.

(e) Tax Considerations. The Seller is not relying on the Buyer or the Issuer with respect to individual Tax considerations involved in an investment in the Consideration Shares.

(f) Stop Transfer Restrictions / Legends on Share Certificates. The Seller understands that, in addition to any other restrictions or legends required by applicable state securities laws, the Consideration Shares shall include a stop transfer restriction on the Issuer's books or, if any certificate or certificates representing the Consideration Shares are issued, a legend will be placed on any such certificate or certificates representing the Consideration Shares, in each case substantially to the following effect:

> THE SECURITIES REPRESENTED BY THIS BOOK-ENTRY POSITION OR CERTIFICATE, AS APPLICABLE, HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF UNLESS REGISTERED UNDER THAT ACT AND UNDER APPLICABLE STATE SECURITIES LAWS OR GREENLIGHT HOLDING II CORPORATION (THE "COMPANY") SHALL HAVE RECEIVED AN OPINION OF ITS COUNSEL (IF REQUIRED BY THE COMPANY) THAT REGISTRATION OF SUCH SECURITIES UNDER THAT ACT AND UNDER THE PROVISIONS OF APPLICABLE STATE SECURITIES LAWS IS NOT REQUIRED. THE SALE, TRANSFER OR OTHER DISPOSITION OF THE SECURITIES IS ALSO SUBJECT TO COMPLIANCE WITH THE TERMS AND CONDITIONS OF THAT CERTAIN SECURITYHOLDERS AGREEMENT, DATED AS OF APRIL 6, 2018, AS SUPPLEMENTED, MODIFIED AND AMENDED FROM TIME TO TIME, AMONG THE COMPANY AND THE SECURITYHOLDERS SIGNATORY THERETO, A COPY OF WHICH AGREEMENT IS AVAILABLE FOR INSPECTION DURING REGULAR BUSINESS HOURS AT THE PRINCIPAL EXECUTIVE OFFICES OF THE COMPANY.

As used in this Section 3.28(a), "Related Person" means, with respect to a Person, any interest holder, or other investor, director, senior officer, trustee, beneficiary or grantor of such Person or other Person who controls such Person; provided that as to any Person that is publicly held, the term shall only

include such owners, investors and controlling persons whose holdings are required to be, and are, publicly reported.

(b) The Seller hereby acknowledges that the Buyer seeks to comply with all applicable anti-money laundering and anti-terrorist laws and regulations, including, but not limited to, the Anti-Money Laundering Laws and all OFAC Laws and Regulations. In furtherance of those efforts, the Seller hereby represents, warrants and agrees that (x) the Company and its Subsidiaries maintain in effect and enforce policies and procedures designed to ensure compliance by the Company, its Subsidiaries and its and their respective Related Persons with all Anti-Money Laundering Laws and all OFAC Laws and Regulations and (y) to the Knowledge of the Seller: (A) none of the cash or property that the Seller or any of the Seller's Related Persons has paid, will pay or will contribute to the Buyer has been or shall be derived from illegal activity and (B) no contribution or payment by the Seller to the Buyer, to the extent within the Seller's control, shall cause the Buyer to be in violation of the Anti-Money Laundering Laws or the OFAC Laws and Regulations.

(c) The Seller represents and warrants that it has carried out reasonable due diligence as to and established the identities of the Seller's Related Persons, holds the evidence of such identities, and will make such information available to the Buyer upon its reasonable request.

(d) Except as otherwise disclosed on Schedule 3.28(d) of the Disclosure Schedules: (A) neither the Seller nor, if applicable, any of the Seller's Related Persons, is resident in, or organized or chartered under the laws of, (x) a jurisdiction that has been designated by the Secretary of the Treasury under Section 311 or 312 of the PATRIOT Act as warranting special measures or enhanced due diligence because of money laundering concerns or (y) any foreign country that has been designated as non-cooperative with international anti-money laundering principles or as having made insufficient progress in addressing anti-money laundering deficiencies by an intergovernmental group or organization, such as the Financial Action Task Force on Money Laundering, of which the United States is a member and with which designation the United States representative to the group or organization continues to concur (a "Non-Cooperative Jurisdiction"); and (B) neither the Seller nor, if applicable, any of the Seller's Related Persons, is a Senior Foreign Political Figure. For purposes of this Section 3.28(d), "Senior Foreign Political Figure" means a current or a former senior official or the spouse, parent, sibling, child or the spouse's parent or sibling of a current or a former senior official in the executive, legislative, administrative, military, or judicial branches of any non-United States government (whether elected or not), a senior official of a major political party, or a senior executive of a non-United States government-owned commercial enterprise; a corporation, business, or other entity formed by, or for the benefit of, any such individual, and having substantial authority over policy, operations, or the use of non-United States government-owned resources; or any individual publicly or widely known to be a close personal or professional associate of such an individual.

(e) The Seller agrees to promptly notify the Buyer if at any time any of the foregoing representations are incorrect or have ceased to be correct.

Section 3.29 Financing. The Seller has sufficient funds to permit the Seller to consummate the transactions contemplated by this Agreement, and to pay all related fees and expenses. The Seller has provided the Buyer with accurate and complete copies of materials satisfactory to the Buyer evidencing the Seller's possession of sufficient funds for the transactions contemplated by this Agreement. Notwithstanding anything to the contrary contained herein, the Seller acknowledges and agrees that its obligations to consummate the transactions contemplated hereby are not contingent upon its ability to obtain any third-party financing.

Section 3.30 Brokers. Except for Danske Bank A/S, the fees and expenses of which will be paid by the Seller at Closing, no broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the transactions contemplated hereby based upon arrangements made by or on behalf of the Seller or the Company or any of its Subsidiaries. The Seller has furnished to the Buyer a complete and correct copy of all agreements between the Seller and Danske Bank A/S pursuant to which such firm would be entitled to any payment relating to the transactions contemplated hereby.

Section 3.31 Exclusivity of Warranties. Neither the Seller nor any of its Affiliates or Representatives is making any representation or warranty on behalf of the Seller of any kind or nature whatsoever, oral or written, express or implied, except as expressly set forth in this Article III, and the Seller hereby disclaims any such other representations or warranties. Each of the warranties set forth in this Article III shall be construed as a separate warranty and (unless expressly provided to the contrary) shall not be limited by the terms of any other warranty.

(d) True and complete copies of the audited consolidated balance sheet of HTA and its Subsidiaries as at December 31, 2015 and December 31, 2016 and the related audited consolidated statements of income, retained earnings, stockholders' equity and changes in financial position of HTA and its Subsidiaries, together with all related notes and schedules thereto, accompanied by the reports thereon of the HTA's independent auditors (collectively referred to as the "HTA Financial Statements") and the unaudited consolidated balance sheet of HTA and its Subsidiaries as at September 30, 2017 (the "HTA Balance Sheet Date" and such balance sheet, the "HTA Balance Sheet"), and the related consolidated statement of income of HTA and its Subsidiaries (collectively referred to as the "HTA Interim Financial Statements"), are attached hereto as Schedule 4.5(d) of the Buyer Disclosure Schedules. Each of the HTA Financial Statements and the HTA Interim Financial Statements (i) are correct and complete in all material respects and have been prepared in accordance with the books and records of HTA and its Subsidiaries, (ii) have been prepared in accordance with US GAAP and applied on a consistent basis throughout the periods indicated (except as may be indicated in the notes thereto) and (iii) fairly present, in all material respects, the consolidated financial position, results of operations and cash flows of HTA and its Subsidiaries as at the respective dates thereof and for the respective periods indicated therein, except as otherwise noted therein and subject, in the case of the HTA Interim Financial Statements, to normal and recurring year-end adjustments.

Section 4.6 Investment Intent. The Buyer is acquiring the Shares for its own account for investment purposes only and not with a view to any public distribution thereof or with any intention of selling, distributing or otherwise disposing of the Shares in a manner that would violate the registration requirements of the Securities Act of 1933, as amended.

Section 4.7 Financing. The Buyer has sufficient funds to permit the Buyer to consummate the transactions contemplated by this Agreement, and to pay all related fees and

expenses. The Buyer has provided the Seller with accurate and complete copies of materials satisfactory to the Seller evidencing the Buyer's possession of sufficient funds for the transactions contemplated by this Agreement. Notwithstanding anything to the contrary contained herein, the Buyer acknowledges and agrees that its obligations to consummate the transactions contemplated hereby are not contingent upon its ability to obtain any third-party financing.

Section 4.8 Brokers. Except for Platinum, the fees of which will be paid by the Buyer, no broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the transactions contemplated hereby based upon arrangements made by or on behalf of the Buyer.

Section 4.9 Affiliate Interests and Transactions. No Affiliate of the Issuer or any of its Subsidiaries (including the Buyer), other than the Issuer or any of its wholly-owned Subsidiaries (an "Issuer Related Party"): (i) owns or has owned, directly or indirectly, or has or has had any interest in any property (real or personal, tangible or intangible) that the Issuer or any of its Subsidiaries (including the Buyer) uses or has used in or pertaining to the business of the Issuer or any of its Subsidiaries (including the Buyer); or (ii) has or has had any business dealings or a financial interest in any transaction with the Issuer or any of its Subsidiaries (including the Buyer) or involving any assets or property of Issuer or any of its Subsidiaries (including the Buyer), other than business dealings or transactions conducted in the ordinary course of business at prevailing market prices and on prevailing market terms. Except as set forth on Schedule 4.9 of the Buyer Disclosure Schedules, there are no Contracts by and between the Issuer or any of its Subsidiaries (including the Buyer), on the one hand, and any Issuer Related Party, on the other hand, pursuant to which such Issuer Related Party provides or receives any information, assets, properties, support or other services to or from the Issuer or any of its Subsidiaries (including the Buyer) (including Contracts relating to billing, financial, tax, accounting, data processing, human resources, administration, legal services, information technology and other corporate overhead matters).

Section 4.10 Exclusivity of Warranties. Neither the Buyer nor any of its Affiliates or Representatives is making any representation or warranty on behalf of the Buyer of any kind or nature whatsoever, oral or written, express or implied, except as expressly set forth in this Article IV, and the Buyer hereby disclaims any such other representations or warranties. Each of the warranties set forth in this Article IV shall be construed as a separate warranty and (unless expressly provided to the contrary) shall not be limited by the terms of any other warranty.

## ARTICLE V
## COVENANTS

Section 5.1 Covenants Regarding Information. Following the Closing, the Seller shall not retain in its possession or under its control, in any form, any agreements, documents, books and records, files or other information, or any computer disks, records, tapes or any other storage medium that contains any agreements, documents, books and records, files and other information, used in the business and operations of the Company and its Subsidiaries (including any personal or other information stored on any media by any employees of the Company or any of its Subsidiaries), including any of the foregoing that is stored on any server or other storage

media maintained by a third party on behalf of the Seller (including any "cloud" storage platform). If, notwithstanding the foregoing, the Seller discovers following the Closing Date that it is in possession of or has under its control any such items, the Seller shall (a) deliver to the Buyer any such items and (b) thereafter permanently delete and erase all such information (including all copies thereof) in its possession or under its control as soon as reasonably practicable.

Section 5.2 Intercompany Arrangements. The Seller hereby terminates without any consideration or further liability to any party thereunder all intercompany and intracompany accounts or contracts between the Company and its Subsidiaries, on the one hand, and the Seller and its Affiliates (other than the Company and its Subsidiaries), on the other hand.

Section 5.3 Confidentiality.

(a) The parties hereby terminate without any consideration or further liability to any party thereunder the non-disclosure agreement dated June 26, 2017 between the Company and American Traffic Solutions Consolidated, LLC (the "Confidentiality Agreement").

(b) For a period of five years following the Closing Date, the Seller shall not, and the Seller shall cause its Affiliates and the respective Representatives of the Seller and its Affiliates not to, use for its or their own benefit or divulge or convey to any third party, any Confidential Information; provided, however, that the Seller or its Affiliates may furnish such portion (and only such portion) of the Confidential Information as the Seller or such Affiliate reasonably determines it is legally obligated to disclose if: (i) it receives a request to disclose all or any part of the Confidential Information under the terms of a subpoena, civil investigative demand or order issued by a Governmental Authority; (ii) to the extent not inconsistent with such request, it notifies the Buyer of the existence, terms and circumstances surrounding such request and consults with the Buyer on the advisability of taking steps available under applicable Law to resist or narrow such request; (iii) it exercises its commercially reasonable efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to the disclosed Confidential Information; and (iv) disclosure of such Confidential Information is required to prevent the Seller or such Affiliate from being held in contempt or becoming subject to any other penalty under applicable Law. For purposes of this Agreement, "Confidential Information" consists of all information and data relating to the Company or its Subsidiaries or the transactions contemplated hereby (other than data or information that is or becomes available to the public other than as a result of a breach of this Section 5.3).

Section 5.4 Further Assurances. From time to time after the Closing, and for no further consideration, each of the parties shall, and shall cause its Subsidiaries to, execute, acknowledge and deliver such assignments, transfers, consents, assumptions and other documents and instruments and take such other actions as may be necessary or desirable to consummate and make effective the transactions contemplated by this Agreement and the Ancillary Agreements.

Section 5.5 Public Announcements. Neither party shall issue any press release or make any public statement prior to obtaining the other party's written approval, which approval shall not be unreasonably withheld, except that no such approval shall be necessary to the extent disclosure may be required by applicable Law or any listing agreement of any party hereto.

Section 5.6 W&I Insurance Policy. The Seller shall use commercially reasonable efforts to cooperate with the Buyer in connection with any claim made by the Buyer or any of its Affiliates under the W&I Insurance Policy, to the extent that the Seller's cooperation would assist the Buyer or any of its Affiliates in pursuing and obtaining the maximum recovery available in respect of such claim. So as to not affect the insurable interest of the Buyer and/or its Affiliates under the W&I Insurance Policy, the parties agree that the existence of the W&I Insurance Policy shall not limit the liability of the Buyer under this Agreement.

Section 5.7 Books and Records.

(a) In order to facilitate the resolution of any claims made or incurred by the Seller prior to the Closing, for a period of six (6) years after the Closing, or, if shorter, the applicable period specified in the Buyer's document retention policy, the Buyer shall:

(i) retain the books and records (including personnel files) of the Company relating to periods prior to the Closing in a manner reasonably consistent with the prior practices of the Company; and

(ii) upon reasonable notice, afford the Seller reasonable access (including the right to make, at the Seller's expense, photocopies), during normal business hours, to such books and records to the extent reasonably necessary to facilitate such purpose; provided, however, that if the Buyer or the Company shall desire to dispose of any of such books and records prior to the expiration of such six (6) year period, the Buyer shall, prior to such disposition, give the Seller a reasonable opportunity, at Seller's expense, to copy such books and records as the Seller may select.

(b) Notwithstanding the forgoing, the Buyer shall not be obligated to provide the Seller with access to any books or records (including personnel files) pursuant to this Section 5.7 where (i) such access would violate any Law, fiduciary duty or binding agreement, (ii) such access would jeopardize any attorney-client or other legal privilege, (iii) the information to be accessed relates or is pertinent to any dispute or potential dispute between the Buyer, the Issuer, or the Company or any of their respective Affiliates, on the one hand, and the Seller or any of its Affiliates, on the other hand, or (iv) the information to be accessed should not be disclosed due to its competitively sensitive nature.

Section 5.8 Restrictive Covenants.

(a) Non-Competition Covenants. As an inducement to the Buyer and the Issuer to enter into this Agreement, the Seller hereby covenants and agrees that for a period of two (2) years following the Closing Date (the "Restrictive Period"), the Seller shall not, and shall cause its Affiliates not to, without the prior written consent of the Company (which consent may be withheld in the Company's sole and absolute discretion), directly or indirectly:

(i) own any interest in, manage, control, participate in, consult with, render services for (as a director, officer, employee, agent, broker, partner, contractor, consultant or otherwise) or be or become engaged or involved in any Conflicting Organization within the Territory, including by being or becoming an organizer, owner, co-owner, trustee, promoter, affiliate, investor, lender, partner, joint venturer, stockholder, officer, director, employee,

independent contractor, manager, salesperson, representative, associate, consultant, agent, broker, supplier, licensor, technician, engineer, analyst or advisor of, to or with any Conflicting Organization; or

(ii) make any investment (whether equity, debt or other) in, lend or otherwise provide any money or assets to, or provide any guaranty or other financial assistance to any Conflicting Organization within the Territory; or

(iii) use or authorize the use of the Seller's name or any part thereof to be used or employed in connection with any Conflicting Organization within the Territory; or

(iv) provide any information, assistance, support, product, technology or intellectual property to any Person engaged or involved in any Conflicting Organization within the Territory; or

(v) engage or assist any Conflicting Organization within the Territory in the design, development, manufacture, licensing, sale, marketing, or support of any products or services offered by the Business; provided, that ownership by the Seller or its Affiliates, as a passive investment, in the aggregate of less than 10% of the outstanding shares or other equity interests of capital stock of any corporation or other entity listed on a national securities exchange or publicly traded on any nationally recognized over-the-counter market, shall not constitute a breach of this Section 5.8(a); provided that the Seller or such Affiliate does not actively participate in the business of such entity.

(b) Non-Solicitation/Non-Hire of Employees. As an inducement to the Buyer and the Issuer to enter into this Agreement, the Seller hereby covenants and agrees, for the duration of the Restrictive Period, not to, and to cause its Affiliates not to, directly or indirectly, on his own behalf or on behalf of any third party, solicit for hire or hire any employee of the Company or any of its Subsidiaries at the Closing, without the prior written consent of the Company (which consent may be withheld in the Company's sole and absolute discretion). Notwithstanding the foregoing, none of (i) the placement of general advertisements that may be targeted to a particular geographic or technical area, but are not targeted specifically towards employees of the Company or its Subsidiaries or (ii) the hiring of any such employee more than six months following such employee's termination or resignation; provided, in each case, that such employee is not hired by a Conflicting Organization.

(c) Non-Solicitation of Business Relationships. As an inducement to the Buyer and the Issuer to enter into this Agreement, the Seller hereby covenants and agrees, for the duration of the Restrictive Period, not to, and to cause its Affiliates not to, directly or indirectly, call on, solicit or service any user, customer, supplier, licensee, licensor or other Person that had a business relationship with the Company or any of its Subsidiaries during the period of six (6) months prior to the Closing in order to induce or attempt to induce such Person to cease doing business with the Company or any of its Subsidiaries, or in any way intentionally interfere with the relationship between any such user, customer, supplier, licensee, licensor or other Person that has a business relationship with Company or any of its Subsidiaries (including making any negative or disparaging statements or communications about the Company or any of its

Subsidiaries or any of their respective businesses, services, products, technology, compliance with legal requirements, directors, officers, employees, contractors or consultants or otherwise).

(d) Trade and Domain Names. The Seller shall not, and shall procure that none of its employees, Related Parties or their respective employees will, directly or indirectly at any time after Closing use any trade or domain name (including the expressions "*EPC*", "*Euro Parking Collections*" or "*Contractum*") or email address used by any member of the Group at any time during the two years immediately preceding the date of this Agreement or any other name intended or likely to be confused with or closely resembling any such trade or domain name or email address. Promptly following the Closing (but in any event within thirty (30) days after the Closing Date), the Seller shall provide evidence to the Buyer of the change of the Seller's corporate name to remove references therein to "EPC".

(e) Purpose. The Seller agrees that the undertakings contained in this Section 5.8 are reasonable and are entered into for the purpose of protecting the goodwill of the business of each member of the Group and that, accordingly, the benefit of the undertakings may be assigned by the Buyer and its successors in title without the consent of the Seller.

(f) Enforceability. Each undertaking contained in this Section 5.8 is and shall be construed as separate and severable and if one or more of the undertakings are held to be against the public interest or unlawful or in any way an unreasonable restraint of trade or unenforceable in whole or in part for any reason, the remaining undertakings or parts thereof, as appropriate, shall continue to bind the Seller.

(g) Validity. If any undertaking contained in this Section 5.8 shall be held to be void but would be valid if deleted in part or reduced in application, such undertaking shall apply with such deletion or modification as may be necessary to make it valid and enforceable. Without prejudice to the generality of the foregoing, in such circumstances, any relevant period of time (as the same may previously have been reduced by virtue of this Section 5.8(g) shall take effect as if reduced by successive six-month periods until the resulting period shall be valid and enforceable.

(h) Remedies. Without prejudice to any other rights or remedies of the parties, the Seller acknowledges for the benefit of Buyer and each member of the Group that damages might not be an adequate remedy for any breach of the provisions of this Section 5.8 and that, accordingly, the Seller agrees that in the event of any such breach on its part or the part of any of its employees, Related Parties or their respective employees, and notwithstanding the Buyer's liability to prove actual damage incurred as a result of such breach, the Seller will not, and will procure that its employees, Related Parties and their respective employees will not, oppose the granting of injunctive relief, specific performance or other equitable relief in favor of the Seller or any member of the Group (as applicable).

(i) Certain Definitions. For purposes of this Section 5.8, the following terms shall have the meaning set forth below:

(i) "Conflicting Organization" means any Person other than the Issuer that is (a) engaged in the same business as the Business or (b) is about to become engaged in the

material design, development, manufacture, licensing, sale, marketing, or support of any products or services offered by the Business.

(iii) "Territory" means each country in which the Group has operations on the Closing Date, including but not limited to the United Kingdom, Hungary, Norway, Ireland, Croatia, Serbia, Holland, Denmark, Belgium, Sweden, Faroe Islands, Bosnia and Herzegovina, Montenegro, Macedonia, Spain and Portugal.

## ARTICLE VI
## TAX MATTERS

Section 6.1 Tax Sharing Agreements. All Tax sharing agreements, Tax allocation agreements or Tax indemnity agreements between a Group Company, on the one hand, and the Seller or its Affiliates (other than, for the avoidance of doubt, a Group Company), on the other hand, and all powers of attorney with respect to or involving a Group Company, and any provision in any agreement providing for a distribution by a Group Company with respect to Taxes, shall be terminated prior to the Closing Date and, after the Closing, neither the Buyer, the Issuer nor any of their respective Affiliates, nor any Group Company, shall be bound thereby or have any liability thereunder.

## ARTICLE VII
## INDEMNIFICATION

Section 7.1 Survival.

(a) The warranties of the Seller and the Buyer contained in this Agreement and/or the Ancillary Agreements and/or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby shall survive the Closing until the first anniversary of the Closing Date; except that:

(i) the warranties set forth in Sections 3.1, 4.1 and 4.4(a) relating to organization and existence, Sections 3.2, 4.2, and 4.4(b) relating to authority, Sections 3.4 relating to the Shares, Sections 3.5 and 4.4(f) relating to capitalization, Section 3.6 relating to equity interests and Sections 3.30 and 4.8 relating to broker's fees and finder's fees (the Sections referenced in this Section 7.1(a)(i) are collectively referred to herein as the "Fundamental Warranties") shall survive for a period of 10 years; and

(ii) the warranties set forth in Section 3.18 (Taxes) and any other warranty in Article III insofar as it relates to Taxes (any warranty set forth in Section 3.18 and any such warranty set forth in Article III, collectively, the "Tax Warranties"), the indemnity given in section 7.2(d) and any warranty involving fraud or fraudulent misrepresentation shall survive until the close of business on the 60th day following the expiration of the relevant statute of limitations applicable to the underlying claim (giving effect to any waiver, mitigation or extension thereof).

(b) Subject to Section 7.1(a), the respective covenants of the parties contained in this Agreement shall survive the Closing until the expiration of the statute of limitations following the date all performance thereunder was due to be performed; provided, however, that the indemnification obligations set forth in this Article VII shall survive until the close of business on the 60th day following the expiration of the relevant statute of limitations applicable to the underlying claim (giving effect to any waiver, mitigation or extension thereof.

(c) None of the parties shall have any liability with respect to any representations, warranties, covenants or agreements unless notice of an actual or threatened claim, or of discovery of any facts or circumstances that the Seller, on the one hand, or the Buyer or the Issuer, on the other hand, as the case may be, reasonably believes may result in a claim, hereunder is given to the other party prior to the expiration of the survival period, if any, for such representation, warranty, covenant or agreement, in which case the applicable statute of limitations shall be tolled and such representation, warranty, covenant or agreement shall survive as to such claim until such claim has been finally resolved and, if applicable, paid, without the requirement of commencing any Action in order to extend such survival period or preserve such claim.

Section 7.2 Indemnification by the Seller. The Seller shall save, defend, indemnify and hold harmless the Buyer, the Issuer and their respective Affiliates (including the Company and its Subsidiaries) and the respective Representatives, successors and assigns of each of the foregoing (collectively, the "Buyer Indemnified Parties") from and against, and shall compensate

and reimburse each of the foregoing for any of the following, including any and all losses, damages, liabilities, deficiencies, claims, diminution of value, interest, awards, judgments, penalties, Taxes costs and expenses (including attorneys' fees, costs and other out-of-pocket expenses incurred in investigating, preparing or defending the foregoing) (hereinafter collectively, "Losses"), asserted against, incurred, sustained or suffered by any of the foregoing as a result of, arising out of or relating to:

(a) any breach of any warranty made by the Seller contained in Article III or any Ancillary Agreement or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby (without giving effect to any limitations or qualifications as to materiality, Material Adverse Effect or Knowledge);

(b) any breach of any covenant or agreement by the Seller contained in this Agreement or any Ancillary Agreement or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby (including as a result of the action or failure to act of the Company or any of its Subsidiaries);

(c) any Indebtedness charged to the Buyer, the Issuer, the Company or any of their Affiliates that shall not have been reflected in the Final Closing Statement; and

(d) any Indemnified Taxes (except to the extent taken into account in the definition of Indebtedness and reflected in the Final Closing Statement). All amounts due under this Section 7.2 from the Seller to the Buyer Indemnified Parties shall be paid in full, without any set-off, counterclaim, deduction or withholding (other than any deduction or withholding of tax required by law). If any deductions or withholdings are required by law to be made from any of the sums payable under Section 7.2, the Seller shall provide any evidence of the relevant withholding as the Buyer may reasonably require and shall pay to the Buyer Indemnified Party such sum as will, after the deduction or withholding is made, leave the Buyer Indemnified Party with the same amount as it would have been entitled to receive without that deduction or withholding. If any sum payable by the Seller to the Buyer Indemnified Parties under this agreement is subject to Tax in the hands of the Buyer Indemnified Parties, the Seller shall pay any additional amount required to ensure that the net amount received by the Buyer shall be the amount that the Buyer Indemnified Parties would have received if the payment was not subject to Tax.

Section 7.3 Indemnification by the Buyer. The Buyer shall save, defend, indemnify and hold harmless the Seller, the Seller Parent and their respective Affiliates and the respective Representatives, successors and assigns of each of the foregoing (collectively, the "Seller Indemnified Parties") from and against, and shall compensate and reimburse each of the foregoing for, any and all Losses asserted against, incurred, sustained or suffered by any of the foregoing as a result of, arising out of or relating to:

(a) any breach of any warranty made by the Buyer or the Issuer contained in Article IV, or any Ancillary Agreement or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby

(without giving effect to any limitations or qualifications as to materiality, Material Adverse Effect or Knowledge); and

(b) any breach of any covenant or agreement by the Buyer or the Issuer contained in this Agreement or any Ancillary Agreement or any schedule, certificate or other document delivered pursuant hereto or thereto or in connection with the transactions contemplated hereby or thereby.

Section 7.4 Procedures.

(a) An Indemnified Party seeking indemnification in respect of, arising out of or involving a Loss or a claim or demand made by any person against the Indemnified Party (a "Third Party Claim") shall deliver notice (a "Claim Notice") in respect thereof to the party against whom indemnity is sought (the "Indemnifying Party") with reasonable promptness after receipt by such Indemnified Party of notice of the Third Party Claim, and shall provide the Indemnifying Party with such information with respect thereto as the Indemnifying Party may reasonably request. The failure to deliver a Claim Notice, however, shall not release the Indemnifying Party from any of its obligations under this Article VII except to the extent that the Indemnifying Party is materially prejudiced by such failure.

(b) If the Indemnifying Party acknowledges in writing its obligation to indemnify the Indemnified Party against any and all Losses that may result from a Third Party Claim that is exclusively for civil monetary damages at law pursuant to the terms of this Agreement, the Indemnifying Party shall have the right, upon written notice to the Indemnified Party within 15 days of receipt of a Claim Notice from the Indemnified Party in respect of such Third Party Claim, to assume the defense thereof (except that the defense or prosecution of such claim shall be tendered to the insurance carrier of the W&I Insurance Policy if such carrier has assumed the defense thereof under the W&I Insurance Policy) at the expense of the Indemnifying Party (which expenses shall not be applied against any indemnity limitation herein) with counsel selected by the Indemnifying Party and satisfactory to the Indemnified Party. Notwithstanding the foregoing, the Indemnifying Party shall not be entitled to assume the defense of any Third Party Claim for equitable or injunctive relief, any Third Party Claim relating to Taxes or any claim that would impose criminal liability or damages, and the Indemnified Party shall have the right to defend, at the expense of the Indemnifying Party, any such Third Party Claim. The Indemnifying Party shall be liable for the fees and expenses of counsel employed by the Indemnified Party for any period during which the Indemnifying Party has failed to assume the defense thereof. If the Indemnifying Party does not expressly elect (or is not entitled) to assume the defense of such Third Party Claim within the time period and otherwise in accordance with the first sentence of this Section 7.4(b), the Indemnified Party shall have the sole right to assume the defense of and to settle such Third Party Claim (except that the defense, prosecution or settlement of such claim may be tendered by the Indemnified Party to the insurance carrier of the W&I Insurance Policy if such carrier has agreed to assume the defense thereof under the W&I Insurance Policy). If the Indemnifying Party assumes the defense of such Third Party Claim, the Indemnified Party shall have the right to employ separate counsel and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party unless (i) the employment of such counsel shall have been specifically authorized in writing by the Indemnifying Party or (ii) the named parties to the Third

Party Claim (including any impleaded parties) include both the Indemnified Party and the Indemnifying Party, and the Indemnified Party reasonably determines that representation by counsel to the Indemnifying Party of both the Indemnifying Party and such Indemnified Party may present such counsel with a conflict of interest. If the Indemnifying Party assumes the defense of any Third Party Claim, the Indemnified Party shall, at the Indemnifying Party's expense, cooperate with the Indemnifying Party in such defense and make available to the Indemnifying Party all witnesses, pertinent records, materials and information in the Indemnified Party's possession or under the Indemnified Party's control relating thereto as is reasonably required by the Indemnifying Party. If the Indemnifying Party assumes the defense of any Third Party Claim, the Indemnifying Party shall not, without the prior written consent of the Indemnified Party, enter into any settlement or compromise or consent to the entry of any judgment with respect to such Third Party Claim if such settlement, compromise or judgment (i) involves a finding or admission of wrongdoing, (ii) does not include an unconditional written release by the claimant or plaintiff of the Indemnified Party from all liability in respect of such Third Party Claim (iii) imposes equitable remedies or any obligation on the Indemnified Party other than solely the payment of money damages for which the Indemnified Party will be indemnified hereunder or (iv) requires the consent of the carrier of the W&I Insurance Policy under the terms of the W&I Insurance Policy.

(c) An Indemnified Party seeking indemnification in respect of, arising out of or involving a Loss or a claim or demand hereunder that does not involve a Third Party Claim being asserted against or sought to be collected from such Indemnified Party (a "Direct Claim") shall deliver a Claim Notice in respect thereof to the Indemnifying Party with reasonable promptness after becoming aware of facts supporting such Direct Claim, and shall provide the Indemnifying Party with such information with respect thereto as the Indemnifying Party may reasonably request. The failure to deliver a Claim Notice, however, shall not release the Indemnifying Party from any of its obligations under this Article VII except to the extent that the Indemnifying Party is materially prejudiced by such failure and shall not relieve the Indemnifying Party from any other obligation or liability that it may have to the Indemnified Party or otherwise than pursuant to this Article VII.

(d) The Indemnifying Party shall not be entitled to require that any action be made or brought against any other Person before action is brought or claim is made against it hereunder by the Indemnified Party.

(e) Notwithstanding the provisions of Sections 8.8 and 8.9, each Indemnifying Party hereby consents to the nonexclusive jurisdiction of any court in which an Action in respect of a Third Party Claim is brought against any Indemnified Party for purposes of any claim that an Indemnified Party may have under this Agreement with respect to such Action or the matters alleged therein and agrees that process may be served on each Indemnifying Party with respect to such claim anywhere.

(f) An Indemnifying Party shall not be liable in respect of, arising out of or involving a Loss or a claim or demand made by any person against the Indemnifying Person unless a Claim Notice is delivered to the Indemnifying Person on or before the survival periods set out in Section 7.1.

Section 7.5 Limits on Indemnification for the Seller. Notwithstanding anything to the contrary contained in this Agreement: (a) the Seller shall not be liable for any claim for indemnification pursuant to Sections 7.2(a) or 7.2(d) unless and until the aggregate amount of indemnifiable Losses which may be recovered from the Seller equals or exceeds $300,000 (the "Deductible Amount"), in which case the Seller shall be liable for the amount of such Losses in excess of the Deductible Amount, (b) the maximum aggregate amount of indemnifiable Losses which may be recovered from the Seller arising out of or relating to the causes set forth in Sections 7.2(a), 7.2(c) and 7.2(d) shall be an amount equal to $300,000 (the "General Cap") and (c) the Seller shall not be required to indemnify any Person for punitive damages (other than punitive damages paid in respect of a Third Party Claim); provided, that the foregoing clauses (a), (b) and (c) shall not apply to Losses arising out of or relating to breach of any Fundamental Warranty, or to any warranty in the event of fraud or fraudulent misrepresentation. Notwithstanding anything to the contrary set out herein, in no event shall the Seller be held liable, for indemnification or otherwise, for any amount that exceeds an amount equal to the Company Equity Value plus the Settlement Amount.

Section 7.6 Satisfaction of Amounts Due. The Buyer hereby agrees that with respect to any indemnification claim asserted pursuant to Sections 7.2(a) or 7.2(d) hereunder, after satisfying the retention under the W&I Insurance Policy (for which, subject to the application of Section 7.5, the Buyer shall seek to recover Losses directly from the Seller), the Buyer shall seek a remedy from the W&I Insurance Policy, if and only to the extent such Losses are covered by the W&I Insurance Policy. The amount of any indemnified Loss payable by the Seller to any Buyer Indemnified Party pursuant to Section 7.2 shall be satisfied by payment to such Buyer Indemnified Party, within five (5) Business Days after delivery of such notice, of such amount by wire transfer of immediately available funds; provided that any amount not paid within such five (5) Business Day period shall bear interest from the date of the delivery of such notice to the date of such payment at a rate equal to the rate of interest from time to time announced publicly by The Wall Street Journal as the prime rate plus eight percent (8%), calculated on the basis of a year of 365 days and the number of days elapsed.

Section 7.7 Limits on Indemnification for the Buyer. Notwithstanding anything to the contrary contained in this Agreement: (a) the Buyer shall not be liable for any claim for indemnification pursuant to Section 7.3(a) unless and until the aggregate amount of indemnifiable Losses which may be recovered from the Buyer equals or exceeds the Deductible Amount, in which case the Buyer shall be liable for the amount of such Losses in excess of the Deductible Amount, (b) the maximum aggregate amount of indemnifiable Losses which may be recovered from the Buyer arising out of or relating to the causes set forth in Section 7.3(a) shall be an amount equal to $5,000,000 and (c) the Buyer shall not be required to indemnify any Person for punitive damages (other than punitive damages paid in respect of a Third Party Claim); provided, that the foregoing clauses (a), (b) and (c) shall not apply to Losses arising out of or relating to the breach of any Fundamental Warranty, or to any warranty in the event of fraud or fraudulent misrepresentation. Notwithstanding anything to the contrary set out herein, in no event shall the Buyer be held liable, for indemnification or otherwise, for any amount that exceeds an amount equal to the Company Equity Value.

When a reference is made in this Agreement to a Section, Article, Exhibit or Schedule such reference shall be to a Section, Article, Exhibit or Schedule of this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement or in any Exhibit or Schedule are for convenience of reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. All words used in this Agreement will be construed to be of such gender or number as the circumstances require. Any capitalized terms used in any Exhibit or Schedule but not otherwise defined therein shall have the meaning as defined in this Agreement. All Exhibits and Schedules annexed hereto or referred to herein are hereby incorporated in and made a part of this Agreement as if set forth herein. The word “including” and words of similar import when used in this Agreement will mean “including, without limitation,” unless otherwise specified. The words “hereof,” “herein” and “hereunder” and words of similar import when used in this Agreement shall refer to the Agreement as a whole and not to any particular provision in this Agreement. The term “or” is not exclusive. The word “will” shall be construed to have the same meaning and effect as the word “shall.” References to days mean calendar days unless otherwise specified.

Section 8.5 Entire Agreement. This Agreement (including the Exhibits and Schedules hereto) and the Ancillary Agreements constitute the entire agreement, and supersede all prior written agreements, arrangements, communications and understandings and all prior and contemporaneous oral agreements, arrangements, communications and understandings between the parties with respect to the subject matter hereof and thereof. Notwithstanding any oral agreement or course of conduct of the parties or their Representatives to the contrary, no party to

this Agreement shall be under any legal obligation to enter into or complete the transactions contemplated hereby unless and until this Agreement shall have been executed by each of the parties. Each of the parties acknowledges that in entering into this Agreement it has agreed not to rely on any representation, warranty, collateral contract, undertaking or other assurance (except those warranties and undertakings expressly set out in this Agreement) made by or on behalf of any other party before the signature of this Agreement, including during the course of negotiating this Agreement. Each of the parties acknowledges that all of its rights and remedies are contained or referred to in this Agreement, and no party shall have any other right or remedy, including a claim for innocent or negligent misrepresentation or negligent misstatement. Nothing in this Agreement, including in this Section 8.5, shall limit or exclude any liability for fraud or fraudulent misrepresentation.

Section 8.6 No Third-Party Beneficiaries.

(a) Save as provided in Article VII, the parties do not intend that any term of this Agreement should be enforceable by any Person who is not party to this Agreement (each such Person who is given rights or benefits under Article VII, a "Third Party") by virtue of the Contracts (Rights of Third Parties) Act 1999 or otherwise.

(b) The parties may amend, vary or terminate this Agreement in such a way as may affect any rights or benefits of any Third Party which are directly enforceable against the parties under the Contracts (Rights of Third Parties) Act 1999 without the consent of such Third Party.

(c) Any Third Party entitled pursuant to the Contracts (Rights of Third Parties) Act 1999 to enforce any rights or benefits conferred on it by this Agreement may not veto any amendment, variation or termination of this Agreement which is proposed by the parties and which may affect the rights or benefits of the Third Party.

Section 8.7 Governing Law and Jurisdiction.

(a) This Agreement, and any dispute, controversy, proceedings or claim of whatever nature arising out of or in any way relating to this Agreement or its formation (including any non-contractual disputes or claims), shall be governed by and construed in accordance with English law.

(b) Each party to this agreement irrevocably agrees that the courts of England shall have exclusive jurisdiction to hear and decide any suit, action or proceedings, and/or to settle any disputes, which may arise out of or in any way relate to this Agreement or its subject matter (including regarding the existence, validity, formation, effect, interpretation, performance or termination of this Agreement) (respectively, "Proceedings" and "Disputes") and, accordingly any Proceedings be brought in such courts.

(c) Each party waives (and agrees not to raise) any objection, on the ground of inconvenient forum or on any other ground, to the bringing of Proceedings in the English courts.

(d) Each party irrevocably agrees that a judgment or order against it in Proceedings brought in England shall (provided there is no appeal pending or open) be

conclusive and binding upon it and may be enforced against it in the courts of any other jurisdiction.

(e) Without prejudice to any other permitted mode of service the parties agree that service of any claim form, notice or other document for the purpose of any Proceedings begun in England shall be duly served upon them if delivered personally or sent in accordance with the provisions of Section 8.3 (*Notices*).

Section 8.8 Assignment; Successors.

(a) Subject to Section 8.8(b) below, neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned, transferred, be subject to a declaration of trust or delegated, in whole or in part, by operation of law or otherwise, by either party without the prior written consent of the other party, and any such assignment without such prior written consent shall be null and void; provided, however, that the Buyer may assign the right to acquire the Shares pursuant to this Agreement to any Subsidiary of the Buyer without the prior consent of the Seller; provided further, that no assignment shall limit the assignor's obligations hereunder. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

(b) The Buyer may assign by way of security and/or charge all or any of its rights under this Agreement for the benefit of:

(i) any financial institution or other person lending money or making other credit facilities available to any Buyer or any of its Affiliates (including for these purposes, the Group) (including the holders of any debt securities);

(ii) any counterparty to a derivative transaction entered into by the Buyer or any of its Affiliates (including for these purposes, the Group);

(iii) any facility or security agent, security trustee, arranger of finance, receiver or person fulfilling a similar or related role,

as security for the obligations owed by the Buyer or any of its Affiliates (including for these purposes, the Group) to such person, and any such beneficiary of security may assign all or any of those rights for the purpose of enforcing such security assignment or charge save that (x) the Seller may discharge its obligations under this Agreement to the Buyer until it receives notice of the assignment or charge; and (y) the assignee or charge may enforce this Agreement as if it were named in this Agreement as the Buyer, but the Buyer shall remain liable for any obligations under this Agreement. The Buyer may disclose to a proposed assignee information it is possession relating to the provisions of this Agreement and the Seller and its Affiliates which it is necessary to disclose for the purposes of the proposed assignment, notwithstanding the provisions of Section 5.3 (*Confidentiality*), but provided such assignee has agreed in writing (in a form reasonably acceptable to the Seller) to keep the same confidential. If the Buyer assigns this Agreement or any or all of its rights under this Agreement to any person it shall promptly notify the Seller of the same and provide details of the assignee and reimburse the Seller any costs and expenses reasonably incurred by the Seller in connection with such assignment. No assignment of this Agreement by the Buyer shall have effect to the extent it increases the liabilities or obligations of the Seller under this Agreement.

Section 8.9 Currency. All references to “dollars” or “$” or “US$” or “USD” in this Agreement or any Ancillary Agreement refer to United States dollars, and all references to “pounds” or “pounds sterling” or “£” or “GB£” or “GBP” in this Agreement or any Ancillary Agreement refer to British pounds sterling.

Section 8.10 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision or portion of any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and the parties shall use all reasonable endeavours to replace such a provision with a valid and enforceable substitute provision which carries out, as closely as possible, the intentions of the parties under this Agreement.

Section 8.11 Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same instrument. This Agreement shall not take effect until it has been executed by all parties to this Agreement.

Section 8.12 Facsimile or .pdf Signature. This Agreement may be executed by facsimile or .pdf signature and a facsimile or .pdf signature shall constitute an original for all purposes.

Section 8.13 Fees and Expenses. Except as otherwise provided herein, all fees and expenses incurred in connection with or related to this Agreement and the Ancillary Agreements and the transactions contemplated hereby and thereby shall be paid by the party incurring such fees or expenses, whether or not such transactions are consummated. In the event of termination of this Agreement, the obligation of each party to pay its own expenses will be subject to any rights of such Party arising from a breach of this Agreement by the other parties.

Section 8.14 Seller Parent Undertaking. In consideration of the Buyer's obligations set forth herein, the Seller Parent acknowledges and agrees as follows:

(a) The Seller Parent warrants that (i) it is a corporation duly organized, validly existing and in good standing under the Laws of Norway and has full corporate power and authority to own, lease and operate its properties and to carry on its business as it is now being conducted; (ii) it has full corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby; (iii) the execution and performance by the Seller Parent of this Agreement have been duly and validly authorized by all necessary corporate action; (iv) this Agreement has been duly executed and delivered by the Seller Parent and, assuming due execution by each of the other parties hereto (other than the Seller), this Agreement constitutes the legal, valid and binding obligations of the Seller Parent, enforceable against the Seller Parent in accordance with their respective terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether considered in a proceeding in equity or at law).

(b) For a period of one (1) year following the Closing (provided, however, that if prior to the close of business on the last day of the applicable survival period the Seller has been properly notified of a claim for indemnity under Article VII and such claim shall not have been finally resolved or disposed of by the end of such one (1) year period, the Seller Parent's obligations under this Section 8.14 shall remain in place until such later date as each such claim is finally and fully resolved), the Seller Parent undertakes to the Buyer that (i) the Seller's equity value shall not be less than $10,000,000 and (ii) the Seller shall have sufficient unrestricted cash to fully and timely pay any amounts that may become due under Section 2.4 and Article VII.

(c) The Seller Parent hereby expressly acknowledges and agrees to be bound by Article VIII of this Agreement.

**ARTICLE IV**
**CAPITALIZATION**

Section 4.1 Authorized Capital Stock. Subject to Section 4.2, the total number of shares of all classes of capital stock, each with a par value of $0.0001 per share, which the Corporation is authorized to issue is 261,000,000 shares, consisting of (a) 260,000,000 shares of common stock (the "***Common Stock***"), including (i) 250,000,000 shares of Class A Common Stock (the "***Class A Common Stock***"), and (ii) 10,000,000 shares of Class F Common Stock (the "***Class F Common Stock***"); and (b) 1,000,000 shares of preferred stock (the "***Preferred Stock***").

Section 4.2 Class F Common Stock. Following the filing of this Second Amended and Restated Certificate with the Secretary of State of the State of Delaware and immediately prior to the Corporation's consummation of any business combination, each share of Class F Common Stock outstanding immediately prior to the filing of this Second Amended and Restated Certificate shall automatically be converted into one share of Class A Common Stock without any action on the part of any person, including the Corporation, and concurrently with such conversion, the number of authorized shares of Class F Common Stock shall be reduced to zero. It is intended that the conversion of Class F Common Stock into Class A Common Stock will be treated as a reorganization within the meaning of Section 368(a)(1)(E) of the Internal Revenue Code of 1986, as amended.

Section 4.3 Preferred Stock. The Preferred Stock may be issued from time to time in one or more series. The Board is hereby expressly authorized to provide for the issuance of shares of the Preferred Stock in one or more series and to establish from time to time the number of shares to be included in each such series and to fix the voting rights, if any, designations, powers, preferences and relative, participating, optional, special and other rights, if any, of each such series and any qualifications, limitations and restrictions thereof, as shall be stated in the resolution or resolutions adopted by the Board providing for the issuance of such series and included in a certificate of designation (a "***Preferred Stock Designation***") filed pursuant to the DGCL, and the Board is hereby expressly vested with the authority to the full extent provided by law, now or hereafter, to adopt any such resolution or resolutions.

Section 4.4 Common Stock.

(a) Except as otherwise required by law or this Second Amended and Restated Certificate (including any Preferred Stock Designation), the holders of the Common Stock shall exclusively possess all voting power with respect to the Corporation. The holders of shares of Common Stock shall be entitled to one vote for each such share on each matter properly submitted to the stockholders on which the holders of the Common Stock are entitled to vote. The holders of shares of Class A Common Stock shall at all times vote together as one class on all matters submitted to a vote of the stockholders of the Corporation.

(b) Except as otherwise required by law or this Second Amended and Restated Certificate (including any Preferred Stock Designation), at any annual or special meeting of the stockholders of the Corporation, the holders of the Common Stock shall have the exclusive right to vote for the election of directors and on all other matters properly submitted to a vote of the stockholders. Notwithstanding the foregoing, except as otherwise required by law or this Second Amended and Restated Certificate (including any Preferred Stock Designation), the holders of the Common Stock shall not be entitled to vote on any amendment to this Second Amended and Restated Certificate (including any amendment to any Preferred Stock Designation) that relates solely to the terms of one or more outstanding series of the Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Second Amended and Restated Certificate (including any Preferred Stock Designation) or the DGCL.

(c) Subject to the rights, if any, of the holders of any outstanding series of the Preferred Stock, the holders of the Common Stock shall be entitled to receive such dividends and other distributions (payable in cash, property or capital stock of the Corporation) when, as and if declared thereon by the Board from time to time out of any assets or funds of the Corporation legally available therefor, and shall share equally on a per share basis in such dividends and distributions.

(d) Subject to the rights, if any, of the holders of any outstanding series of the Preferred Stock, in the event of any voluntary or involuntary liquidation, dissolution or winding-up of the Corporation, after payment or provision for payment of the debts and other liabilities of the Corporation, the holders of the Common Stock shall be entitled to receive all the remaining assets of the Corporation available for distribution to its stockholders, ratably in proportion to the number of shares of the Common Stock held by them.

Section 4.5 Rights and Options. The Corporation has the authority to create and issue rights, warrants and options entitling the holders thereof to purchase shares of any class or series of the Corporation's capital stock or other securities of the Corporation, and such rights, warrants and options shall be evidenced by instrument(s) approved by the Board. The Board is empowered to set the exercise price, duration, times for exercise and other terms and conditions of such rights, warrants or options; provided, however, that the consideration to be received for any shares of capital stock subject thereto may not be less than the par value thereof.

Section 4.6 No Class Vote on Changes in Authorized Number of Shares of Stock. Subject to the rights of the holders of any outstanding series of Preferred Stock, the number of authorized shares of any class or classes of stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of at least a majority of the voting power of the stock entitled to vote thereon irrespective of the provisions of Section 242(b)(2) of the DGCL.

## ARTICLE V
## BOARD OF DIRECTORS

Section 5.1 Board Powers. The business and affairs of the Corporation shall be managed by, or under the direction of, the Board. In addition to the powers and authority expressly conferred upon the Board by statute, this Second Amended and Restated Certificate or the Amended and Restated Bylaws of the Corporation ("***Bylaws***"), the Board is hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject, nevertheless, to the provisions of the DGCL and this Second Amended and Restated Certificate.

Section 5.2 Number, Election and Term.

(a) The number of directors of the Corporation shall be fixed from time to time exclusively by the Board pursuant to a resolution adopted by a majority of the Board.

(b) Subject to Section 5.5 hereof, the Board shall be divided into three classes, as nearly equal in number as possible, and designated Class I, Class II and Class III. The Board is authorized to assign members of the Board already in office to Class I, Class II or Class III. The term of the initial Class I Directors shall expire at the first annual meeting of the stockholders of the Corporation following the effectiveness of this Second Amended and Restated Certificate; the term of the initial Class II Directors shall expire at the second annual meeting of the stockholders of the Corporation following the effectiveness of this Second Amended and Restated Certificate; and the term of the initial Class III Directors shall expire at the third annual meeting of the stockholders of the Corporation following the effectiveness of this Second Amended and Restated Certificate. At

each succeeding annual meeting of the stockholders of the Corporation, beginning with the first annual meeting of the stockholders of the Corporation following the effectiveness of this Second Amended and Restated Certificate, successors to the class of directors whose term expires at that annual meeting shall be elected for a three-year term. Subject to Section 5.5 hereof, if the number of directors is changed, any increase or decrease shall be apportioned by the Board among the classes so as to maintain the number of directors in each class as nearly equal as possible, but in no case shall a decrease in the number of directors shorten the term of any incumbent director. Directors shall be elected by a plurality of the votes cast at an annual meeting of stockholders by holders of the Common Stock.

(c) Subject to Section 5.5 hereof, a director shall hold office until the annual meeting for the year in which his or her term expires and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

(d) Unless and except to the extent that the Bylaws shall so require, the election of directors need not be by written ballot.

Section 5.3 Newly Created Directorships and Vacancies. Subject to Section 5.5 hereof, newly created directorships resulting from an increase in the number of directors and any vacancies on the Board resulting from death, resignation, retirement, disqualification, removal or other cause shall be filled solely by a majority vote of the remaining directors then in office, even if less than a quorum, or by a sole remaining director (and not by stockholders), and any director so chosen shall hold office for the remainder of the full term of the class of directors to which the new directorship was added or in which the vacancy occurred and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

Section 5.4 Removal. Subject to Section 5.5 hereof, any or all of the directors may be removed from office at any time, but only for cause and only by the affirmative vote of holders of a majority of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

Section 5.5 Preferred Stock – Directors. Notwithstanding any other provision of this Article V, and except as otherwise required by law, whenever the holders of one or more series of the Preferred Stock shall have the right, voting separately by class or series, to elect one or more directors, the term of office, the filling of vacancies, the removal from office and other features of such directorships shall be governed by the terms of such series of the Preferred Stock as set forth in this Second Amended and Restated Certificate (including any Preferred Stock Designation) and such directors shall not be included in any of the classes created pursuant to this Article V unless expressly provided by such terms.

## ARTICLE VI
## BYLAWS

In furtherance and not in limitation of the powers conferred upon it by law, the Board shall have the power to adopt, amend, alter or repeal the Bylaws. The affirmative vote of a majority of the Board shall be required to adopt, amend, alter or repeal the Bylaws. The Bylaws also may be adopted, amended, altered or repealed by the stockholders; provided, however, that in addition to any vote of the holders of any class or series of capital stock of the Corporation required by law or by this Second Amended and Restated Certificate (including any Preferred Stock Designation), the affirmative vote of the holders of at least a majority of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required for the

stockholders to adopt, amend, alter or repeal the Bylaws; and provided further, however, that no Bylaws hereafter adopted by the stockholders shall invalidate any prior act of the Board that would have been valid if such Bylaws had not been adopted.

## ARTICLE VII
## MEETINGS OF STOCKHOLDERS; ACTION BY WRITTEN CONSENT

Section 7.1 Meetings. Subject to the rights, if any, of the holders of any outstanding series of the Preferred Stock, and to the requirements of applicable law, special meetings of stockholders of the Corporation may be called only by the Chairman of the Board, Chief Executive Officer of the Corporation, or the Board pursuant to a resolution adopted by a majority of the Board, and the ability of the stockholders to call a special meeting is hereby specifically denied.

Section 7.2 Advance Notice. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Corporation shall be given in the manner provided in the Bylaws.

Section 7.3 Action by Written Consent. Any action required or permitted to be taken by the stockholders of the Corporation must be effected by a duly called annual or special meeting of such stockholders and may not be effected by written consent of the stockholders.

## ARTICLE VIII
## LIMITED LIABILITY; INDEMNIFICATION

Section 8.1 Limitation of Director Liability. A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or may hereafter be amended. Any amendment, modification or repeal of the foregoing sentence shall not adversely affect any right or protection of a director of the Corporation hereunder in respect of any act or omission occurring prior to the time of such amendment, modification or repeal.

Section 8.2 Indemnification and Advancement of Expenses.

(a) To the fullest extent permitted by Delaware law, as the same exists or may hereafter be amended, the Corporation shall indemnify and hold harmless each person who is or was made a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of the Corporation to procure a judgment in its favor (each, a "***proceeding***"), by reason of the fact that he or she is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, other enterprise or nonprofit entity, including service with respect to an employee benefit plan (an "***indemnitee***"), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent, or in any other capacity while serving as a director, officer, employee or agent, against all liability and loss suffered and expenses (including, without limitation, attorneys' fees and disbursements, judgments, fines, ERISA excise taxes, damages, claims and penalties and amounts paid in settlement) reasonably incurred by such indemnitee in connection with such proceeding. The Corporation shall to the fullest extent not prohibited by applicable law pay the expenses (including attorneys' fees) incurred by an indemnitee in defending or otherwise participating in any proceeding in advance of its final disposition; provided, however, that, to the extent required by applicable law, such payment of expenses in advance of the final

disposition of the proceeding shall be made only upon receipt of an undertaking, by or on behalf of the indemnitee, to repay all amounts so advanced if it shall ultimately be determined that the indemnitee is not entitled to be indemnified under this Section 8.2 or otherwise. The rights to indemnification and advancement of expenses conferred by this Section 8.2 shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators. Notwithstanding the foregoing provisions of this Section 8.2(a), except for proceedings to enforce rights to indemnification and advancement of expenses, the Corporation shall indemnify and advance expenses to an indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board.

(b) The rights to indemnification and advancement of expenses conferred on any indemnitee by this Section 8.2 shall not be exclusive of any other rights that any indemnitee may have or hereafter acquire under law, this Second Amended and Restated Certificate, the Bylaws, an agreement, vote of stockholders or disinterested directors, or otherwise.

(c) Any repeal or amendment of this Section 8.2 by the stockholders of the Corporation or by changes in law, or the adoption of any other provision of this Second Amended and Restated Certificate inconsistent with this Section 8.2, shall, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits the Corporation to provide broader indemnification rights on a retroactive basis than permitted prior thereto), and shall not in any way diminish or adversely affect any right or protection existing at the time of such repeal or amendment or adoption of such inconsistent provision in respect of any proceeding (regardless of when such proceeding is first threatened, commenced or completed) arising out of, or related to, any act or omission occurring prior to such repeal or amendment or adoption of such inconsistent provision.

(d) This Section 8.2 shall not limit the right of the Corporation, to the extent and in the manner authorized or permitted by law, to indemnify and to advance expenses to persons other than indemnitees.

## ARTICLE IX
## CORPORATE OPPORTUNITY

(a) The doctrine of corporate opportunity, or any other analogous doctrine, shall not apply with respect to the Corporation or any of its officers or directors in circumstances where the application of any such doctrine to a corporate opportunity would conflict with any fiduciary duties or contractual obligations they may have as of the date of this Second Amended and Restated Certificate or in the future. In addition to the foregoing, the doctrine of corporate opportunity shall not apply to any other corporate opportunity with respect to any of the directors or officers of the Corporation unless such corporate opportunity is offered to such person solely in his or her capacity as a director or officer of the Corporation and such opportunity is one the Corporation is legally and contractually permitted to undertake and would otherwise be reasonable for the Corporation to pursue.

(b) Without limiting the foregoing, to the extent permitted by applicable law, each of Platinum Equity, LLC and the investment funds affiliated with or managed by Platinum Equity, LLC and their respective successors and Affiliates (as defined in Article 10.3) (other than the Corporation and its subsidiaries) and all of their respective partners, principals, directors, officers, members, managers, equity holders and/or employees, including any of the foregoing who serve as officers or directors of the Corporation (each, an “Exempted Person”) shall not have any fiduciary

duty to refrain from engaging directly or indirectly in the same or similar business activities or lines of business as the Corporation or any of its subsidiaries, except as otherwise expressly provided in any agreement entered into between the Company and such Exempted Person. To the fullest extent permitted by applicable law, the Corporation, on behalf of itself and its subsidiaries, renounces any interest or expectancy of the Corporation and its subsidiaries in, or in being offered an opportunity to participate in, business opportunities that are from time to time available to the Exempted Persons, even if the opportunity is one that the Corporation or its subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, and each such Exempted Person shall have no duty to communicate or offer such business opportunity to the Corporation (and there shall be no restriction on the Exempted Persons using the general knowledge and understanding of the industry in which the Corporation operates which it has gained as an Exempted Person in considering and pursuing such opportunities or in making investment, voting, monitoring, governance or other decisions relating to other entities or securities) and, to the fullest extent permitted by applicable law, shall not be liable to the Corporation or any of its subsidiaries or stockholders for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such Exempted Person pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Corporation or its subsidiaries, or uses such knowledge and understanding in the manner described herein, in each case, except as otherwise expressly provided in any agreement entered into between the Company and such Exempted Person. In addition to and notwithstanding the foregoing, a corporate opportunity shall not be deemed to belong to the Corporation if it is a business opportunity that the Corporation is not financially able or contractually permitted or legally able to undertake, or that is, from its nature, not in the line of the Corporation's business or is of no practical advantage to it or that is one in which the Corporation has no interest or reasonable expectancy. Any person or entity purchasing or otherwise acquiring any interest in any shares of stock of the Corporation shall be deemed to have notice of the provisions of this Article IX.

(c) Neither the alteration, amendment, addition to or repeal of this Article IX, nor the adoption of any provision of this Second Amended and Restated Certificate (including any Preferred Stock Designation) inconsistent with this Article IX, shall eliminate or reduce the effect of this Article IX in respect of any business opportunity first identified or any other matter occurring, or any cause of action, suit or claim that, but for this Article IX, would accrue or arise, prior to such alteration, amendment, addition, repeal or adoption. This Article IX shall not limit any protections or defenses available to, or indemnification or advancement rights of, any director or officer of the Corporation under this Second Amended and Restated Certificate, the Bylaws or applicable law.

**ARTICLE X**
**BUSINESS COMBINATIONS**

Section 10.1 Opt Out of DGCL 203. The Corporation shall not be governed by Section 203 of the DGCL.

Section 10.2 Limitations on Business Combinations. Notwithstanding the foregoing, the Corporation shall not engage in any business combination, at any point in time at which the Common Stock is registered under Section 12(b) or 12(g) of the Securities Exchange Act of 1934, as amended, with any interested stockholder for a period of three (3) years following the time that such stockholder became an interested stockholder, unless:

(a) prior to such time, the Board approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder; or

(b) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the Corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding (but not the outstanding voting stock owned by the interested stockholder) those shares owned by: (i) persons who are directors and also officers; or (ii) employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or

(c) at or subsequent to such time, the business combination is approved by the Board and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least two thirds of the outstanding voting stock of the Corporation which is not owned by the interested stockholder.

Section 10.3 Definitions. For purposes of this Article X, the term:

(a) "***Affiliate***" means, with respect to any person, any other person that controls, is controlled by, or is under common control with such person.

(b) "***associate***," when used to indicate a relationship with any person, means: (i) any corporation, partnership, unincorporated association or other entity of which such person is a director, officer or partner or is, directly or indirectly, the owner of 20% or more of any class of voting stock; (ii) any trust or other estate in which such person has at least a 20% beneficial interest or as to which such person serves as trustee or in a similar fiduciary capacity; and (iii) any relative or spouse of such person, or any relative of such spouse, who has the same residence as such person.

(c) "***business combination***," when used in reference to the Corporation and any interested stockholder of the Corporation, means:

(i) any merger or consolidation of the Corporation or any direct or indirect majority-owned subsidiary of the Corporation: (A) with the interested stockholder; or (B) with any other corporation, partnership, unincorporated association or other entity if the merger or consolidation is caused by the interested stockholder and as a result of such merger or consolidation Section 10.2 is not applicable to the surviving entity;

(ii) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), except proportionately as a stockholder of the Corporation, to or with the interested stockholder, whether as part of a dissolution or otherwise, of assets of the Corporation or of any direct or indirect majority-owned subsidiary of the Corporation which assets have an aggregate market value equal to 10% or more of either the aggregate market value of all the assets of the Corporation determined on a consolidated basis or the aggregate market value of all the outstanding stock of the Corporation;

(iii) any transaction which results in the issuance or transfer by the Corporation or by any direct or indirect majority-owned subsidiary of the Corporation of any stock of the Corporation or of such subsidiary to the interested stockholder, except: (A) pursuant to the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into stock of the Corporation or any such subsidiary which securities were outstanding prior to the time that the interested stockholder became such; (B) pursuant to a merger under Section 251(g) of the DGCL; (C) pursuant to a dividend or distribution paid

or made, or the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into stock of the Corporation or any such subsidiary which security is distributed, pro rata to all holders of a class or series of stock of the Corporation subsequent to the time the interested stockholder became such; (D) pursuant to an exchange offer by the Corporation to purchase stock made on the same terms to all holders of said stock; or (E) any issuance or transfer of stock by the Corporation; provided, however, that in no case under items (C) – (E) of this subsection (iii) shall there be an increase in the interested stockholder's proportionate share of the stock of any class or series of the Corporation or of the voting stock of the Corporation (except as a result of immaterial changes due to fractional share adjustments);

(iv) any transaction involving the Corporation or any direct or indirect majority-owned subsidiary of the Corporation which has the effect, directly or indirectly, of increasing the proportionate share of the stock of any class or series, or securities convertible into the stock of any class or series, of the Corporation or of any such subsidiary which is owned by the interested stockholder, except as a result of immaterial changes due to fractional share adjustments or as a result of any purchase or redemption of any shares of stock not caused, directly or indirectly, by the interested stockholder; or

(v) any receipt by the interested stockholder of the benefit, directly or indirectly (except proportionately as a stockholder of the Corporation), of any loans, advances, guarantees, pledges, or other financial benefits (other than those expressly permitted in subsections (i)-(iv) above) provided by or through the Corporation or any direct or indirect majority-owned subsidiary.

(d) "***control***," including the terms "***controlling***," "***controlled by***" and "***under common control with***," means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting stock, by contract, or otherwise. A person who is the owner of 20% or more of the outstanding voting stock of the Corporation, partnership, unincorporated association or other entity shall be presumed to have control of such entity, in the absence of proof by a preponderance of the evidence to the contrary. Notwithstanding the foregoing, a presumption of control shall not apply where such person holds voting stock, in good faith and not for the purpose of circumventing this Article X, as an agent, bank, broker, nominee, custodian or trustee for one or more owners who do not individually or as a group have control of such entity.

(e) "***interested stockholder***" means any person (other than the Corporation or any direct or indirect majority-owned subsidiary of the Corporation) that: (i) is the owner of 15% or more of the outstanding voting stock of the Corporation; or (ii) is an Affiliate or associate of the Corporation and was the owner of 15% or more of the outstanding voting stock of the Corporation at any time within the three (3) year period immediately prior to the date on which it is sought to be determined whether such person is an interested stockholder; or (iii) an Affiliate or associate of any such person described in clauses (i) and (ii); provided, however, that the term "interested stockholder" shall not include: (A) the Sponsor Holders or their transferees; or (B) any person whose ownership of shares in excess of the 15% limitation set forth herein is the result of any action taken solely by the Corporation; provided, that such person specified in this clause (B) shall be an interested stockholder if thereafter such person acquires additional shares of voting stock of the Corporation, except as a result of further corporate action not caused, directly or indirectly, by such person. For the purpose of determining whether a person is an interested stockholder, the voting stock of the Corporation deemed to be outstanding shall include stock deemed to be owned by the person through application of the definition of "owner" below but shall not include any other unissued stock of the Corporation which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

(f) "***owner***," including the terms "***own***" and "***owned***," when used with respect to any stock, means a person that individually or with or through any of its Affiliates or associates:

(i) beneficially owns such stock, directly or indirectly; or

(ii) has: (A) the right to acquire such stock (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise; provided, however, that a person shall not be deemed the owner of stock tendered pursuant to a tender or exchange offer made by such person or any of such person's Affiliates or associates until such tendered stock is accepted for purchase or exchange; or (B) the right to vote such stock pursuant to any agreement, arrangement or understanding; provided, however, that a person shall not be deemed the owner of any stock because of such person's right to vote such stock if the agreement, arrangement or understanding to vote such stock arises solely from a revocable proxy or consent given in response to a proxy or consent solicitation made to 10 or more persons; or

(iii) has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting (except voting pursuant to a revocable proxy or consent as described in item (B) of subsection (ii) above), or disposing of such stock with any other person that beneficially owns, or whose Affiliates or associates beneficially own, directly or indirectly, such stock.

(g) "***person***" means any individual, corporation, partnership, unincorporated association or other entity.

(h) "***stock***" means, with respect to any corporation, capital stock and, with respect to any other entity, any equity interest.

(i) "***Sponsor Holders***" means: (i) the investment funds affiliated with The Gores Group LLC and their respective successors and Affiliates; and (ii) the investment funds affiliated with or managed by Platinum Equity, LLC and their respective successors and Affiliates.

(j) "***voting stock***" means stock of any class or series entitled to vote generally in the election of directors.

**CERTIFICATE OF INCORPORATION**

The Corporation reserves the right at any time and from time to time to amend, alter, change or repeal any provision contained in this Second Amended and Restated Certificate (including any Preferred Stock Designation), in the manner now or hereafter prescribed by this Second Amended and Restated Certificate and the DGCL; and, except as set forth in Article VIII, all rights, preferences and privileges herein conferred upon stockholders, directors or any other persons by and pursuant to this Second Amended and Restated Certificate in its present form or as hereafter amended are granted subject to the right reserved in this Article XI. Notwithstanding anything to the contrary contained in this Second Amended and Restated Certificate, and notwithstanding that a lesser percentage may be permitted from time to time by applicable law, no provision of Article V, Section 7.1, Section 7.3, Article VIII, Article IX, Article X and this Article XI may be altered, amended or repealed in any respect, nor may any provision or bylaw inconsistent therewith be adopted, unless, in addition to any other vote required by this Second Amended and Restated Certificate or otherwise required by law, such alteration, amendment, repeal or adoption is approved by the affirmative vote of the holders of at least two thirds of the voting power of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

## OFFICES

**Section 1.1. Registered Office**. The registered office of Verra Mobility Corporation (the "***Corporation***") within the State of Delaware shall be located at either: (a) the principal place of business of the Corporation in the State of Delaware; or (b) the office of the corporation or individual acting as the Corporation's registered agent in Delaware.

**Section 1.2. Additional Offices**. The Corporation may, in addition to its registered office in the State of Delaware, have such other offices and places of business, both within and outside the State of Delaware, as the Board of Directors of the Corporation (the "***Board***") may from time to time determine or as the business and affairs of the Corporation may require.

## ARTICLE II

## STOCKHOLDERS MEETINGS

**Section 2.1. Annual Meetings**. The annual meeting of stockholders shall be held at such place and time and on such date as shall be determined by the Board and stated in the notice of the meeting, provided that the Board may in its sole discretion determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication pursuant to Section 9.5(a). At each annual meeting, the stockholders shall elect those directors of the Corporation to fill any term of a directorship that expires on the date of such annual meeting and may transact any other business as may properly be brought before the meeting.

**Section 2.2. Special Meetings**. Subject to the rights of the holders of any outstanding series of the Preferred Stock, and to the requirements of applicable law, special meetings of stockholders, for any purpose or purposes, may be called only by the Chairman of the Board, Chief Executive Officer, or the Board pursuant to a resolution adopted by a majority of the Board. Special meetings of stockholders shall be held at such place and time and on such date as shall be determined by the Board and stated in the Corporation's notice of the meeting, provided that the Board may in its sole discretion determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication pursuant to Section 9.5(a).

**Section 2.3. Notices.** Notice of each stockholders meeting stating the place, if any, date, and time of the meeting, and the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, shall be given in the manner permitted by Section 9.3 to each stockholder entitled to vote thereat by the Corporation not less than 10 nor more than 60 days before the date of the meeting. If said notice is for a stockholders meeting other than an annual meeting, it shall in addition state the purpose or purposes for which the meeting is called, and the business transacted at such meeting shall be limited to the matters so stated in the Corporation's notice of meeting (or any supplement thereto). Any meeting of stockholders as to which notice has been given may be postponed, and any special meeting of stockholders as to which notice has been given may be cancelled, by the Board upon public announcement (as defined in Section 2.7(c)) given before the date previously scheduled for such meeting.

**Section 2.4. Quorum**. Except as otherwise provided by applicable law, the Corporation's Second Amended and Restated Certificate of Incorporation, as the same may be amended or restated from time to time (the "***Certificate of Incorporation***") or these Bylaws, the presence, in person or by proxy, at a stockholders meeting of the holders of shares of outstanding capital stock of the Corporation representing a majority of the voting power of all outstanding shares of capital stock of the Corporation entitled to vote at such meeting shall constitute a quorum for the transaction of business at such meeting, except that when specified business is to be voted on by a class or series of stock voting as a class, the holders of shares representing a majority of the voting power of the outstanding shares of such class or series shall constitute a quorum of such class or series for the transaction of such business. If a quorum shall not be present or represented by proxy at any meeting of the stockholders of the Corporation, the chairman of the meeting

may adjourn the meeting from time to time in the manner provided in Section 2.6 until a quorum shall attend. The stockholders present at a duly convened meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum. Shares of its own stock belonging to the Corporation or to another corporation, if a majority of the voting power of the shares entitled to vote in the election of directors of such other corporation is held, directly or indirectly, by the Corporation, shall neither be entitled to vote nor be counted for quorum purposes; provided, however, that the foregoing shall not limit the right of the Corporation or any such other corporation to vote shares held by it in a fiduciary capacity.

**Section 2.5. Voting of Shares**.

(a) Voting Lists. The Secretary shall prepare, or shall cause the officer or agent who has charge of the stock ledger of the Corporation to prepare, at least 10 days before every meeting of stockholders, a complete list of the stockholders of record entitled to vote at such meeting and showing the address and the number of shares registered in the name of each stockholder. Nothing contained in this Section 2.5(a) shall require the Corporation to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours for a period of at least 10 days prior to the meeting: (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting; or (ii) during ordinary business hours, at the principal place of business of the Corporation. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation. If the meeting is to be held at a place, then the list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If a meeting of stockholders is to be held solely by means of remote communication as permitted by Section 9.5(a), the list shall be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of meeting. The stock ledger shall be the only evidence as to who are the stockholders entitled to examine the list required by this Section 2.5(a) or to vote in person or by proxy at any meeting of stockholders.

(b) Manner of Voting. At any stockholders meeting, every stockholder entitled to vote may vote in person or by proxy. If authorized by the Board, the voting by stockholders or proxy holders at any meeting conducted by remote communication may be effected by a ballot submitted by electronic transmission (as defined in Section 9.3), provided that any such electronic transmission must either set forth or be submitted with information from which the Corporation can determine that the electronic transmission was authorized by the stockholder or proxy holder. The Board, in its discretion, or the chairman of the meeting of stockholders, in such person's discretion, may require that any votes cast at such meeting shall be cast by written ballot.

(c) Proxies. Each stockholder entitled to vote at a meeting of stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. Proxies need not be filed with the Secretary of the Corporation until the meeting is called to order, but shall be filed with the Secretary before being voted. Without limiting the manner in which a stockholder may authorize another person or persons to act for such stockholder as proxy, either of the following shall constitute a valid means by which a stockholder may grant such authority.

(i) A stockholder may execute a writing authorizing another person or persons to act for such stockholder as proxy. Execution may be accomplished by the stockholder or such stockholder's authorized officer, director, employee or agent signing such writing or causing such person's signature to be affixed to such writing by any reasonable means, including, but not limited to, by facsimile signature.

(ii) A stockholder may authorize another person or persons to act for such stockholder as proxy by transmitting or authorizing the transmission of an electronic transmission to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like agent duly authorized by the person who will be the holder of the proxy to receive such transmission, provided that any such electronic transmission must either set forth or be submitted with information from which it can be determined that the electronic transmission was authorized by the stockholder. Any copy, facsimile telecommunication or other reliable reproduction of the writing or transmission authorizing another person or persons to act as proxy for a stockholder may be substituted or used in lieu of the original writing or transmission for any and all purposes for which the original writing or transmission could be used; provided that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original writing or transmission.

(d) Required Vote. Subject to the rights of the holders of one or more series of preferred stock of the Corporation ("***Preferred Stock***"), voting separately by class or series, to elect directors pursuant to the terms of one or more series of Preferred Stock, the election of directors shall be determined by a plurality of the votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote thereon. All other matters shall be determined by the vote of a majority of the votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote thereon, unless the matter is one upon which, by applicable law, the Certificate of Incorporation, these Bylaws or applicable stock exchange rules, a different vote is required, in which case such provision shall govern and control the decision of such matter.

(e) Inspectors of Election. The Board may, and shall if required by law, in advance of any meeting of stockholders, appoint one or more persons as inspectors of election, who may be employees of the Corporation or otherwise serve the Corporation in other capacities, to act at such meeting of stockholders or any adjournment thereof and to make a written report thereof. The Board may appoint one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspectors of election or alternates are appointed by the Board, the chairman of the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before discharging his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall ascertain and report the number of outstanding shares and the voting power of each; determine the number of shares present in person or represented by proxy at the meeting and the validity of proxies and ballots; count all votes and ballots and report the results; determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors; and certify their determination of the number of shares represented at the meeting and their count of all votes and ballots. No person who is a candidate for an office at an election may serve as an inspector at such election. Each report of an inspector shall be in writing and signed by the inspector or by a majority of them if there is more than one inspector acting at such meeting. If there is more than one inspector, the report of a majority shall be the report of the inspectors.

**Section 2.6. Adjournments**. Any meeting of stockholders, annual or special, may be adjourned by the chairman of the meeting, from time to time, whether or not there is a quorum, to reconvene at the same or some other place. Notice need not be given of any such adjourned meeting if the date, time, and place, if any, thereof, and the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the stockholders or the holders of any class or series of stock entitled to vote separately as a class, as the case may be, may transact any business that might have been transacted at the original meeting. If the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

**Section 2.7. Advance Notice for Business**.

(a) Annual Meetings of Stockholders. No business may be transacted at an annual meeting of stockholders, other than business that is either: (i) specified in the Corporation's notice of meeting (or any supplement thereto) given by or at the direction of the Board; (ii) otherwise properly brought before the annual meeting by or at the direction of the Board; or (iii) otherwise properly brought before the annual meeting by any stockholder of the Corporation: (A) who is a stockholder of record on the date of the giving of the notice provided for in this Section 2.7(a) and on the record date for the determination of stockholders entitled to vote at such annual meeting; and (B) who complies with the notice procedures set forth in this Section 2.7(a). Notwithstanding anything in this Section 2.7(a) to the contrary, only persons nominated for election as a director to fill any term of a directorship that expires on the date of the annual meeting pursuant to Section 3.2 will be considered for election at such meeting.

(i) In addition to any other applicable requirements, for business (other than nominations) to be properly brought before an annual meeting by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary of the Corporation and such business must otherwise be a proper matter for stockholder action. Subject to Section 2.7(a)(iii), a stockholder's notice to the Secretary with respect to such business, to be timely, must be received by the Secretary at the principal executive offices of the Corporation not later than the close of business on the 90th day nor earlier than the opening of business on the 120th day before the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within 45 days before or after such anniversary date, notice by the stockholder to be

timely must be so received not earlier than the opening of business on the 120th day before the meeting and not later than the later of: (A) the close of business on the 90th day before the meeting; or (B) the close of business on the 10th day following the day on which public announcement of the date of the annual meeting is first made by the Corporation. The public announcement of an adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder's notice as described in this Section 2.7(a).

(ii) To be in proper written form, a stockholder's notice to the Secretary with respect to any business (other than nominations) must set forth as to each such matter such stockholder proposes to bring before the annual meeting: (A) a brief description of the business desired to be brought before the annual meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event such business includes a proposal to amend these Bylaws, the language of the proposed amendment) and the reasons for conducting such business at the annual meeting; (B) the name and record address of such stockholder and the name and address of the beneficial owner, if any, on whose behalf the proposal is made; (C) the class or series and number of shares of capital stock of the Corporation that are owned beneficially and of record by such stockholder and by the beneficial owner, if any, on whose behalf the proposal is made; (D) a description of all arrangements or understandings between such stockholder and the beneficial owner, if any, on whose behalf the proposal is made and any other person or persons (including their names) in connection with the proposal of such business by such stockholder; (E) any material interest of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made in such business; and (F) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

(iii) The foregoing notice requirements of this Section 2.7(a) shall be deemed satisfied by a stockholder as to any proposal (other than nominations) if the stockholder has notified the Corporation of such stockholder's intention to present such proposal at an annual meeting in compliance with Rule 14a-8 (or any successor thereof) of the Securities Exchange Act of 1934, as amended (the "***Exchange Act***"), and such stockholder has complied with the requirements of such Rule for inclusion of such proposal in a proxy statement prepared by the Corporation to solicit proxies for such annual meeting. No business shall be conducted at the annual meeting of stockholders except business brought before the annual meeting in accordance with the procedures set forth in this Section 2.7(a), provided, however, that once business has been properly brought before the annual meeting in accordance with such procedures, nothing in this Section 2.7(a) shall be deemed to preclude discussion by any stockholder of any such business. If the Board or the chairman of the annual meeting determines that any stockholder proposal was not made in accordance with the provisions of this Section 2.7(a) or that the information provided in a stockholder's notice does not satisfy the information requirements of this Section 2.7(a), such proposal shall not be presented for action at the annual meeting. Notwithstanding the foregoing provisions of this Section 2.7(a), if the stockholder (or a qualified representative of the stockholder) does not appear at the annual meeting of stockholders of the Corporation to present the proposed business, such proposed business shall not be transacted, notwithstanding that proxies in respect of such matter may have been received by the Corporation.

(iv) In addition to the provisions of this Section 2.7(a), a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth herein. Nothing in this Section 2.7(a) shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting only pursuant to Section 3.2.

(c) Public Announcement. For purposes of these Bylaws, "***public announcement***" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Exchange Act.

**Section 2.8. Conduct of Meetings**. The chairman of each annual and special meeting of stockholders shall be the Chairman of the Board or, in the absence (or inability or refusal to act) of the Chairman of the Board, the Chief Executive Officer (if he or she shall be a director) or, in the absence (or inability or refusal to act) of the Chief Executive Officer or if the Chief Executive Officer is not a director, the President (if he or she shall be a director) or, in the absence (or inability or refusal to act) of the President or if the President is not a director, such other person as shall be appointed by the Board. The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting by the chairman of the meeting. The Board may adopt such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with these Bylaws or such rules and regulations as adopted by the Board, the chairman of any meeting of stockholders shall have the right and authority to convene and to adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board or prescribed by the chairman of the meeting, may include, without limitation, the following: (a) the establishment of an agenda or order of business for the meeting; (b) rules and procedures for maintaining order at the meeting and the safety of those present; (c) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the chairman of the meeting shall determine; (d) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (e) limitations on the time allotted to questions or comments by participants. Unless and to the extent determined by the Board or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure. The secretary of each annual and special meeting of stockholders shall be the Secretary or, in the absence (or inability or refusal to act) of the Secretary, an Assistant Secretary so appointed to act by the chairman of the meeting. In the absence (or inability or refusal to act) of the Secretary and all Assistant Secretaries, the chairman of the meeting may appoint any person to act as secretary of the meeting.

**Section 2.9. Consents in Lieu of Meeting**. Any action required or permitted to be taken by the stockholders of the Corporation must be effected by a duly called annual or special meeting of such stockholders and may not be effected by written consent of the stockholders.

## ARTICLE III

## DIRECTORS

**Section 3.1. Powers**. The business and affairs of the Corporation shall be managed by or under the direction of the Board, which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these Bylaws required to be exercised or done by the stockholders. Directors need not be stockholders or residents of the State of Delaware.

**Section 3.2. Advance Notice for Nomination of Directors**.

(a) Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation, except as may be otherwise provided by the terms of one or more series of Preferred Stock with respect to the rights of holders of one or more series of Preferred Stock to elect directors. Nominations of persons for election to the Board at any annual meeting of stockholders, or at any special meeting of stockholders called for the purpose of electing directors as set forth in the Corporation's notice of such special meeting, may be made: (i) by or at the direction of the Board; or (ii) by any stockholder of the Corporation: (A) who is a stockholder of record on the date of the giving of the notice provided for in this Section 3.2 and on the record date for the determination of stockholders entitled to vote at such meeting; and (B) who complies with the notice procedures set forth in this Section 3.2.

(b) In addition to any other applicable requirements, for a nomination to be made by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary of the Corporation. To be timely, a stockholder's notice to the Secretary must be received by the Secretary at the principal executive offices of the Corporation: (i) in the case of an annual meeting, not later than the close of business on the 90th day nor earlier than the opening of business on the 120th day before the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within 45 days before or after such anniversary date, notice by the stockholder to be timely must be so received not earlier

than the opening of business on the 120th day before the meeting and not later than the later of: (A) the close of business on the 90th day before the meeting; or (B) the close of business on the 10th day following the day on which public announcement of the date of the annual meeting was first made by the Corporation; and (ii) in the case of a special meeting of stockholders called for the purpose of electing directors, not later than the close of business on the 10th day following the day on which public announcement of the date of the special meeting is first made by the Corporation. In no event shall the public announcement of an adjournment of an annual meeting or special meeting commence a new time period for the giving of a stockholder's notice as described in this Section 3.2.

(c) Notwithstanding anything in paragraph (b) to the contrary, in the event that the number of directors to be elected to the Board at an annual meeting is greater than the number of directors whose terms expire on the date of the annual meeting and there is no public announcement by the Corporation naming all of the nominees for the additional directors to be elected or specifying the size of the increased Board before the close of business on the 90th day prior to the anniversary date of the immediately preceding annual meeting of stockholders, a stockholder's notice required by this Section 3.2 shall also be considered timely, but only with respect to nominees for the additional directorships created by such increase that are to be filled by election at such annual meeting, if it shall be received by the Secretary at the principal executive offices of the Corporation not later than the close of business on the 10th day following the date on which such public announcement was first made by the Corporation.

(d) To be in proper written form, a stockholder's notice to the Secretary must set forth: (i) as to each person whom the stockholder proposes to nominate for election as a director: (A) the name, age, business address and residence address of the person; (B) the principal occupation or employment of the person; (C) the class or series and number of shares of capital stock of the Corporation, if any, that are owned beneficially or of record by the person; and (D) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder; and (ii) as to the stockholder giving the notice: (A) the name and record address of such stockholder and the name and address of the beneficial owner, if any, on whose behalf the nomination is made; (B) the class or series and number of shares of capital stock of the Corporation that are owned beneficially and of record by such stockholder and the beneficial owner, if any, on whose behalf the nomination is made; (C) a description of all arrangements or understandings relating to the nomination to be made by such stockholder among such stockholder, the beneficial owner, if any, on whose behalf the nomination is made, each proposed nominee and any other person or persons (including their names); (D) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and (E) any other information relating to such stockholder and the beneficial owner, if any, on whose behalf the nomination is made that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

(e) If the Board or the chairman of the meeting of stockholders determines that any nomination was not made in accordance with the provisions of this Section 3.2, then such nomination shall not be considered at the meeting in question. Notwithstanding the foregoing provisions of this Section 3.2, if the stockholder (or a qualified representative of the stockholder) does not appear at the meeting of stockholders of the Corporation to present the nomination, such nomination shall be disregarded, notwithstanding that proxies in respect of such nomination may have been received by the Corporation.

(f) In addition to the provisions of this Section 3.2, a stockholder shall also comply with all of the applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth herein. Nothing in this Section 3.2 shall be deemed to affect any rights of the holders of Preferred Stock to elect directors pursuant to the Certificate of Incorporation.

**Section 3.3. Compensation**. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, the Board shall have the authority to fix the compensation of directors. The directors may be reimbursed their expenses, if any, of attendance at each meeting of the Board and may be paid either a fixed sum for attendance at each meeting of the Board or other compensation as director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of committees of the Board may be allowed like compensation and reimbursement of expenses for service on the committee.

**Section 3.4. Newly Created Directorships and Vacancies**. Unless otherwise provided by the Certificate of Incorporation, newly created directorships resulting from an increase in the number of directors and any vacancies on the Board resulting from death, resignation, retirement, disqualification, removal or other cause shall be filled solely by a majority vote of the remaining directors then in office, even if less than a quorum, or by a sole remaining director (and not by stockholders), and any director so chosen shall hold office for the remainder of the full term of the class of directors to which the new directorship was added or in which the vacancy occurred and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

## ARTICLE IV

## BOARD MEETINGS

**Section 4.1. Annual Meetings**. The Board shall meet as soon as practicable after the adjournment of each annual stockholders meeting at the place of the annual stockholders meeting unless the Board shall fix another time and place and give notice thereof in the manner required herein for special meetings of the Board. No notice to the directors shall be necessary to legally convene this meeting, except as provided in this Section 4.1.

**Section 4.2. Regular Meetings**. Regularly scheduled, periodic meetings of the Board may be held without notice at such times, dates and places as shall from time to time be determined by the Board.

**Section 4.3. Special Meetings**. Special meetings of the Board: (a) may be called by the Chairman of the Board or President; and (b) shall be called by the Chairman of the Board, President or Secretary on the written request of at least a majority of directors then in office, or the sole director, as the case may be, and shall be held at such time, date and place as may be determined by the person calling the meeting or, if called upon the request of directors or the sole director, as specified in such written request. Notice of each special meeting of the Board shall be given, as provided in Section 9.3, to each director: (i) at least 24 hours before the meeting if such notice is oral notice given personally or by telephone or written notice given by hand delivery or by means of a form of electronic transmission and delivery; (ii) at least two days before the meeting if such notice is sent by a nationally recognized overnight delivery service; and (iii) at least five days before the meeting if such notice is sent through the United States mail. If the Secretary shall fail or refuse to give such notice, then the notice may be given by the officer who called the meeting or the directors who requested the meeting. Any and all business that may be transacted at a regular meeting of the Board may be transacted at a special meeting. Except as may be otherwise expressly provided by applicable law, the Certificate of Incorporation, or these Bylaws, neither the business to be transacted at, nor the purpose of, any special meeting need be specified in the notice or waiver of notice of such meeting. A special meeting may be held at any time without notice if all the directors are present or if those not present waive notice of the meeting in accordance with Section 9.4.

**Section 4.4. Quorum; Required Vote**. A majority of the Board shall constitute a quorum for the transaction of business at any meeting of the Board, and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board, except as may be otherwise specifically provided by applicable law, the Certificate of Incorporation or these Bylaws. If a quorum shall not be present at any meeting, a majority of the directors present may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present.

**Section 4.5. Consent In Lieu of Meeting**. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board or any committee thereof may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing or by electronic transmission, and the writing or writings or electronic transmission or transmissions (or paper reproductions thereof) are filed with the minutes of proceedings of the Board or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

**Section 4.6. Organization**. The chairman of each meeting of the Board shall be the Chairman of the Board or, in the absence (or inability or refusal to act) of the Chairman of the Board, the Chief Executive Officer (if he or she shall be a director) or, in the absence (or inability or refusal to act) of the Chief Executive Officer or if the Chief Executive Officer is not a director, the President (if he or she shall be a director) or in the absence (or inability or refusal to act) of the President or if the President is not a director, a chairman elected from the directors present. The Secretary shall act as secretary of all meetings of the Board. In the absence (or inability or refusal to act) of the Secretary, an Assistant Secretary shall perform the duties of the Secretary at such meeting. In the absence (or inability or refusal to act) of the Secretary and all Assistant Secretaries, the chairman of the meeting may appoint any person to act as secretary of the meeting.

## ARTICLE V

## COMMITTEES OF DIRECTORS

**Section 5.1. Establishment**. The Board may by resolution passed by a majority of the Board designate one or more committees, each committee to consist of one or more of the directors of the Corporation. Each committee shall keep regular minutes of its meetings and report the same to the Board when required. The Board shall have the power at any time to fill vacancies in, to change the membership of, or to dissolve any such committee.

**Section 5.2. Available Powers**. Any committee established pursuant to Section 5.1 hereof, to the extent permitted by applicable law and by resolution of the Board, shall have and may exercise all of the powers and authority of the Board in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers that may require it, but no such committee shall have the power or authority in reference to the following matters: (a) approving or adopting, or recommending to the stockholders, any action or matter (other than the election or removal of directors) expressly required by the General Corporation Law of the State of Delaware (the "***DGCL***") to be submitted to stockholders for approval; or (b) adopting, amending or repealing any bylaw of the Corporation.

**Section 5.3. Alternate Members**. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of such committee.

**Section 5.4. Procedures**. Unless the Board otherwise provides, the time, date, place, if any, and notice of meetings of a committee shall be determined by such committee. At meetings of a committee, a majority of the number of members of the committee (but not including any alternate member, unless such alternate member has replaced any absent or disqualified member at the time of, or in connection with, such meeting) shall constitute a quorum for the transaction of business. The act of a majority of the members present at any meeting at which a quorum is present shall be the act of the committee, except as otherwise specifically provided by applicable law, the Certificate of Incorporation, these Bylaws or the Board. If a quorum is not present at a meeting of a committee, the members present may adjourn the meeting from time to time, without notice other than an announcement at the meeting, until a quorum is present. Unless the Board otherwise provides and except as provided in these Bylaws, each committee designated by the Board may make, alter, amend and repeal rules for the conduct of its business. In the absence of such rules each committee shall conduct its business in the same manner as the Board is authorized to conduct its business pursuant to Article III and Article IV of these Bylaws.

## ARTICLE VI

Officers elected by the Board shall each have such powers and duties as generally pertain to their respective offices, subject to the specific provisions of this Article VI. Such officers shall also have such powers and duties as from time to time may be conferred by the Board. The Chief Executive Officer or President may also appoint such other officers (including without limitation one or more Vice Presidents and Controllers) as may be necessary or desirable for the conduct of the business of the Corporation. Such other officers shall have such powers and duties and shall hold their offices for such terms as may be provided in these Bylaws or as may be prescribed by the Board or, if such officer has been appointed by the Chief Executive Officer or President, as may be prescribed by the appointing officer.

Any one or more of the Vice Presidents may be given an additional designation of rank or function.

(e) Secretary.

(i) The Secretary shall attend all meetings of the stockholders, the Board and (as required) committees of the Board and shall record the proceedings of such meetings in books to be kept for that purpose. The Secretary shall give, or cause to be given, notice of all meetings of the stockholders and special meetings of the Board and shall perform such other duties as may be prescribed by the Board, the Chairman of the Board, Chief Executive Officer or President. **Section 6.2. Term of Office; Removal; Vacancies**. The elected officers of the Corporation shall be appointed by the Board and shall hold office until their successors are duly elected and qualified by the Board or until their earlier death, resignation, retirement, disqualification, or removal from office. Any officer may be removed, with or without cause, at any time by the Board. Any officer appointed by the Chief Executive Officer or President may also be removed, with or without cause, by the Chief Executive Officer or President, as the case may be, unless the Board otherwise provides. Any vacancy occurring in any elected office of the Corporation may be filled by the Board. Any vacancy occurring in any office appointed by the Chief Executive Officer or President may be filled by the Chief Executive Officer, or President, as the case may be, unless the Board then determines that such office shall thereupon be elected by the Board, in which case the Board shall elect such officer.

**Section 6.4. Multiple Officeholders; Stockholder and Director Officers**. Any number of offices may be held by the same person unless the Certificate of Incorporation or these Bylaws otherwise provide; provided, however, that no officer shall execute, acknowledge or verify any instrument in more than one capacity if such instrument is required by law, the Certificate of Incorporation or these Bylaws to be executed, acknowledged or verified by two or more officers. Officers need not be stockholders or residents of the State of Delaware.

## ARTICLE VII

## SHARES

**Section 7.1. Certificated and Uncertificated Shares**. The shares of the Corporation may be certificated or uncertificated, subject to the sole discretion of the Board and the requirements of the DGCL.

**Section 7.2. Multiple Classes of Stock**. If the Corporation shall be authorized to issue more than one class of stock or more than one series of any class, the Corporation shall: (a) cause the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences or rights to be set forth in full or summarized on the face or back of any certificate that the Corporation issues to represent shares of such class or series of stock; or (b) in the case of uncertificated shares, within a reasonable time after the issuance or transfer of such shares, send to the registered owner thereof a written notice containing the information required to be set forth on certificates as specified in clause (a) above; provided, however, that, except as otherwise provided by applicable law, in lieu of the foregoing requirements, there may be set forth on the face or back of such certificate or, in the case of uncertificated shares, on such written notice a statement that the Corporation will furnish without charge to each stockholder who so requests the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences or rights.

**Section 7.3. Signatures**. Each certificate representing capital stock of the Corporation shall be signed by or in the name of the Corporation by: (a) the Chairman of the Board, Chief Executive Officer, the President or a Vice President; and (b) the Treasurer, the Secretary or an Assistant Secretary of the Corporation. Any or all of the signatures on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, such certificate may be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar on the date of issue.

**Section 7.4. Consideration and Payment for Shares**.

(a) Subject to applicable law and the Certificate of Incorporation, shares of stock may be issued for such consideration, having in the case of shares with par value a value not less than the par value thereof, and to such persons, as determined from time to time by the Board. The consideration may consist of any tangible or intangible property or any benefit to the Corporation, including cash, promissory notes, services performed, contracts for services to be performed or other securities, or any combination thereof.

(b) Subject to applicable law and the Certificate of Incorporation, shares may not be issued until the full amount of the consideration has been paid, unless upon the face or back of each certificate issued to represent any partly paid shares of capital stock or upon the books and records of the Corporation in the case of partly paid uncertificated shares, there shall have been set forth the total amount of the consideration to be paid therefor and the amount paid thereon up to and including the time said certificate representing certificated shares or said uncertificated shares are issued.

**Section 7.5. Lost, Destroyed or Wrongfully Taken Certificates**.

(a) If an owner of a certificate representing shares claims that such certificate has been lost, destroyed or wrongfully taken, the Corporation shall issue a new certificate representing such shares or such shares in uncertificated form if the owner: (i) requests such a new certificate before the Corporation has notice that the certificate representing such shares has been acquired by a protected purchaser; (ii) if requested by the Corporation, delivers to the Corporation a bond sufficient to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, wrongful taking or destruction of such certificate or the issuance of such new certificate or uncertificated shares; and (iii) satisfies other reasonable requirements imposed by the Corporation.

(b) If a certificate representing shares has been lost, apparently destroyed or wrongfully taken, and the owner fails to notify the Corporation of that fact within a reasonable time after the owner has notice of such loss, apparent destruction or wrongful taking and the Corporation registers a transfer of such shares before receiving notification, the owner shall be precluded from asserting against the Corporation any claim for registering such transfer or a claim to a new certificate representing such shares or such shares in uncertificated form.

**Section 7.6. Transfer of Stock**.

(a) If a certificate representing shares of the Corporation is presented to the Corporation with an endorsement requesting the registration of transfer of such shares or an instruction is presented to the Corporation requesting the registration of transfer of uncertificated shares, the Corporation shall register the transfer as requested if:

(i) in the case of certificated shares, the certificate representing such shares has been surrendered;

(ii)(A) with respect to certificated shares, the endorsement is made by the person specified by the certificate as entitled to such shares; (B) with respect to uncertificated shares, an instruction is made by the registered owner of such uncertificated shares; or (C) with respect to certificated shares or uncertificated shares, the endorsement or instruction is made by any other appropriate person or by an agent who has actual authority to act on behalf of the appropriate person;

(iii) the Corporation has received a guarantee of signature of the person signing such endorsement or instruction or such other reasonable assurance that the endorsement or instruction is genuine and authorized as the Corporation may request;

(iv) the transfer does not violate any restriction on transfer imposed by the Corporation that is enforceable in accordance with Section 7.8(a); and

(v) such other conditions for such transfer as shall be provided for under applicable law have been satisfied.

(b) Whenever any transfer of shares shall be made for collateral security and not absolutely, the Corporation shall so record such fact in the entry of transfer if, when the certificate for such shares is presented to the Corporation for transfer or, if such shares are uncertificated, when the instruction for registration of transfer thereof is presented to the Corporation, both the transferor and transferee request the Corporation to do so.

**Section 7.7. Registered Stockholders**. Before due presentment for registration of transfer of a certificate representing shares of the Corporation or of an instruction requesting registration of transfer of uncertificated shares, the Corporation may treat the registered owner as the person exclusively entitled to inspect for any proper purpose the stock ledger and the other books and records of the Corporation, vote such shares, receive dividends or notifications with respect to such shares and otherwise exercise all the rights and powers of the owner of such shares, except that a person who is the beneficial owner of such shares (if held in a voting trust or by a nominee on behalf of such person) may, upon providing documentary evidence of beneficial ownership of such shares and satisfying such other conditions as are provided under applicable law, may also so inspect the books and records of the Corporation.

**Section 7.8. Effect of the Corporation's Restriction on Transfer**.

(a) A written restriction on the transfer or registration of transfer of shares of the Corporation or on the amount of shares of the Corporation that may be owned by any person or group of persons, if permitted by the DGCL and noted conspicuously on the certificate representing such shares or, in the case of uncertificated shares, contained in a notice, offering circular or prospectus sent by the Corporation to the registered owner of such shares within a reasonable time prior to or after the issuance or transfer of such shares, may be enforced against the holder of such shares or any successor or transferee of the holder including an executor, administrator, trustee, guardian or other fiduciary entrusted with like responsibility for the person or estate of the holder.

(b) A restriction imposed by the Corporation on the transfer or the registration of shares of the Corporation or on the amount of shares of the Corporation that may be owned by any person or group of persons, even if otherwise lawful, is ineffective against a person without actual knowledge of such restriction unless: (i) the shares are certificated and such restriction is noted conspicuously on the certificate; or (ii) the shares are uncertificated and such restriction was contained in a notice, offering circular or prospectus sent by the Corporation to the registered owner of such shares prior to or within a reasonable time after the issuance or transfer of such shares.

**Section 7.9. Regulations**. The Board shall have power and authority to make such additional rules and regulations, subject to any applicable requirement of law, as the Board may deem necessary and appropriate with respect to the issue, transfer or registration of transfer of shares of stock or certificates representing shares. The Board may appoint one or more transfer agents or registrars and may require for the validity thereof that certificates representing shares bear the signature of any transfer agent or registrar so appointed.

## ARTICLE VIII

## INDEMNIFICATION

**Section 8.1. Right to Indemnification**. To the fullest extent permitted by applicable law, as the same exists or may hereafter be amended, the Corporation shall indemnify and hold harmless each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "***proceeding***"), by reason of the fact that he or she is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, other enterprise or nonprofit entity, including service with respect to an employee benefit plan (hereinafter an "***Indemnitee***"), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent, or in any other capacity while serving as a director, officer, employee or agent, against all liability and loss suffered and expenses (including, without limitation, attorneys' fees, judgments, fines, ERISA excise taxes and penalties and amounts paid in settlement) reasonably incurred by such Indemnitee in connection with such proceeding; provided, however, that, except as provided in Section 8.3 with respect to proceedings to enforce rights to indemnification, the Corporation shall indemnify an Indemnitee in connection with a proceeding (or part thereof) initiated by such Indemnitee only if such proceeding (or part thereof) was authorized by the Board.

**Section 8.2. Right to Advancement of Expenses**. In addition to the right to indemnification conferred in Section 8.1, an Indemnitee shall also have the right to be paid by the Corporation to the fullest extent not prohibited by applicable law the expenses (including, without limitation, attorneys' fees) incurred in defending or otherwise participating in any such proceeding in advance of its final disposition (hereinafter an "***advancement of expenses***"); provided, however, that, if the DGCL requires, an advancement of expenses incurred by an Indemnitee in his or her capacity as a director or officer of the Corporation (and not in any other capacity in which service was or is rendered by such Indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon the Corporation's receipt of an undertaking (hereinafter an "***undertaking***"), by or on behalf of such Indemnitee, to repay all amounts so advanced if it shall ultimately be determined that such Indemnitee is not entitled to be indemnified under this Article VIII or otherwise.

**Section 8.3. Right of Indemnitee to Bring Suit**. If a claim under Section 8.1 or Section 8.2 is not paid in full by the Corporation within 60 days after a written claim therefor has been received by the Corporation, except in the case of a claim for an advancement of expenses, in which case the applicable period shall be 20 days, the Indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. If successful in whole or in part in any such suit, or in a suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Indemnitee shall also be entitled to be paid the expense of prosecuting or defending such suit. In (a) any suit brought by the Indemnitee to enforce a right to indemnification hereunder (but not in a suit brought by an Indemnitee to enforce a right to an advancement of expenses) it shall be a defense that, and (b) in any suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final judicial decision from which there is no further right to appeal (hereinafter a "***final adjudication***") that, the Indemnitee has not met any applicable standard for indemnification set forth in the DGCL. Neither the failure of the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such suit that indemnification of the Indemnitee is proper in the circumstances because the Indemnitee has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including a determination by its directors who are not parties to such action, a committee of such directors, independent legal counsel, or its stockholders) that the Indemnitee has not met such applicable standard of conduct, shall create a presumption that the Indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the Indemnitee, shall be a defense to such suit. In any suit brought by the Indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the Indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article VIII or otherwise shall be on the Corporation.

**Section 8.4. Non-Exclusivity of Rights**. The rights provided to any Indemnitee pursuant to this Article VIII shall not be exclusive of any other right, which such Indemnitee may have or hereafter acquire under applicable law, the Certificate of Incorporation, these Bylaws, an agreement, a vote of stockholders or disinterested directors, or otherwise.

**Section 8.5. Insurance**. The Corporation may maintain insurance, at its expense, to protect itself and/or any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.

**Section 8.6. Indemnification of Other Persons**. This Article VIII shall not limit the right of the Corporation to the extent and in the manner authorized or permitted by law to indemnify and to advance expenses to persons other than Indemnitees. Without limiting the foregoing, the Corporation may, to the extent authorized from time to time by the Board, grant rights to indemnification and to the advancement of expenses to any employee or agent of the Corporation and to any other person who is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, to the fullest extent of the provisions of this Article VIII with respect to the indemnification and advancement of expenses of Indemnitees under this Article VIII.

**Section 8.7. Amendments**. Any repeal or amendment of this Article VIII by the Board or the stockholders of the Corporation or by changes in applicable law, or the adoption of any other provision of these Bylaws inconsistent with this Article VIII, will, to the extent permitted by applicable law, be prospective only (except to the extent such amendment or change in applicable law permits the Corporation to provide broader indemnification rights to Indemnitees on a retroactive basis than permitted prior thereto), and will not in any way diminish or adversely affect any right or protection existing hereunder in respect of any act or omission occurring prior to such repeal or amendment or adoption of such inconsistent provision; provided further, that amendments or repeals of this Article VIII shall require the affirmative vote of the stockholders holding at least 66.7% of the voting power of all outstanding shares of capital stock of the Corporation.

**Section 8.8. Certain Definitions**. For purposes of this Article VIII: (a) references to "other enterprise" shall include any employee benefit plan; (b) references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; (c) references to "serving at the request of the Corporation" shall include any service that imposes duties on, or involves services by, a person with respect to any employee benefit plan, its participants, or beneficiaries; and (d) a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interest of the Corporation" for purposes of Section 145 of the DGCL.

**Section 8.9. Contract Rights**. The rights provided to Indemnitees pursuant to this Article VIII shall be contract rights and such rights shall continue as to an Indemnitee who has ceased to be a director, officer, agent or employee and shall inure to the benefit of the Indemnitee's heirs, executors and administrators.

**Section 8.10. Severability**. If any provision or provisions of this Article VIII shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Article VIII shall not in any way be affected or impaired thereby; and (b) to the fullest extent possible, the provisions of this Article VIII (including, without limitation, each such portion of this Article VIII containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

## ARTICLE IX

## MISCELLANEOUS

**Section 9.1. Place of Meetings**. If the place of any meeting of stockholders, the Board or committee of the Board for which notice is required under these Bylaws is not designated in the notice of such meeting, such meeting shall be held at the principal business office of the Corporation; provided, however, if the Board has, in its sole discretion, determined that a meeting shall not be held at any place, but instead shall be held by means of remote communication pursuant to Section 9.5 hereof, then such meeting shall not be held at any place.

**Section 9.2. Fixing Record Dates**.

(a) In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the Board may fix a record date, which shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which record date shall not be more than 60 nor less than 10 days before the date of such meeting. If no record date is fixed by the Board, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the business day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

(b) In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than 60 days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto.

**Section 9.3. Means of Giving Notice**.

(a) Notice to Directors. Whenever under applicable law, the Certificate of Incorporation or these Bylaws notice is required to be given to any director, such notice shall be given either: (i) in writing and sent by mail, or by a nationally recognized delivery service; (ii) by means of facsimile telecommunication or other form of electronic transmission; or (iii) by oral notice given personally or by telephone. A notice to a director will be deemed given as follows: (A) if given by hand delivery, orally, or by telephone, when actually received by the director; (B) if sent through the United States mail, when deposited in the United States mail, with postage and fees thereon prepaid, addressed to the director at the director's address appearing on the records of the Corporation; (C) if sent for next day delivery by a nationally recognized overnight delivery service, when deposited with such service, with fees thereon prepaid, addressed to the director at the director's address appearing on the records of the Corporation; (D) if sent by facsimile telecommunication, when sent to the facsimile transmission number for such director appearing on the records of the Corporation; (E) if sent by electronic mail, when sent to the electronic mail address for such director appearing on the records of the Corporation; or (F) if sent by any other form of electronic transmission, when sent to the address, location or number (as applicable) for such director appearing on the records of the Corporation.

(b) Notice to Stockholders. Whenever under applicable law, the Certificate of Incorporation or these Bylaws notice is required to be given to any stockholder, such notice may be given: (i) in writing and sent either by hand delivery, through the United States mail, or by a nationally recognized overnight delivery service for next day delivery; or (ii) by means of a form of electronic transmission consented to by the stockholder, to the extent permitted by, and subject to the conditions set forth in Section 232 of the DGCL. A notice to a stockholder shall be deemed given as follows: (A) if given by hand delivery, when actually received by the stockholder; (B) if sent through the United States mail, when deposited in the United States mail, with postage and fees thereon prepaid, addressed to the stockholder at the stockholder's address appearing on the stock ledger of the Corporation; (C) if sent for next day delivery by a nationally recognized overnight delivery service, when deposited with such service, with fees thereon prepaid, addressed to the stockholder at the stockholder's address appearing on the stock ledger of the Corporation; and (D) if

given by a form of electronic transmission consented to by the stockholder to whom the notice is given and otherwise meeting the requirements set forth above: (1) if by facsimile transmission, when directed to a number at which the stockholder has consented to receive notice; (2) if by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice; (3) if by a posting on an electronic network together with separate notice to the stockholder of such specified posting, upon the later of: (aa) such posting; and (bb) the giving of such separate notice; and (4) if by any other form of electronic transmission, when directed to the stockholder. A stockholder may revoke such stockholder's consent to receiving notice by means of electronic communication by giving written notice of such revocation to the Corporation. Any such consent shall be deemed revoked if: (aa) the Corporation is unable to deliver by electronic transmission two consecutive notices given by the Corporation in accordance with such consent; and (bb) such inability becomes known to the Secretary or an Assistant Secretary or to the Corporation's transfer agent, or other person responsible for the giving of notice; provided, however, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action.

(c) Electronic Transmission. "***Electronic transmission***" means any form of communication, not directly involving the physical transmission of paper, that creates a record that may be retained, retrieved and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process, including but not limited to transmission by telex, facsimile telecommunication, electronic mail, telegram and cablegram.

(d) Notice to Stockholders Sharing Same Address. Without limiting the manner by which notice otherwise may be given effectively by the Corporation to stockholders, any notice to stockholders given by the Corporation under any provision of the DGCL, the Certificate of Incorporation or these Bylaws shall be effective if given by a single written notice to stockholders who share an address if consented to by the stockholders at that address to whom such notice is given. A stockholder may revoke such stockholder's consent by delivering written notice of such revocation to the Corporation. Any stockholder who fails to object in writing to the Corporation within 60 days of having been given written notice by the Corporation of its intention to send such a single written notice shall be deemed to have consented to receiving such single written notice.

(e) Exceptions to Notice Requirements. Whenever notice is required to be given, under the DGCL, the Certificate of Incorporation or these Bylaws, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action or meeting that shall be taken or held without notice to any such person with whom communication is unlawful shall have the same force and effect as if such notice had been duly given. In the event that the action taken by the Corporation is such as to require the filing of a certificate with the Secretary of State of Delaware, the certificate shall state, if such is the fact and if notice is required, that notice was given to all persons entitled to receive notice except such persons with whom communication is unlawful.

Whenever notice is required to be given by the Corporation, under any provision of the DGCL, the Certificate of Incorporation or these Bylaws, to any stockholder to whom: (1) notice of two consecutive annual meetings of stockholders and all notices of stockholder meetings or of the taking of action by written consent of stockholders without a meeting to such stockholder during the period between such two consecutive annual meetings; or (2) all, and at least two payments (if sent by first-class mail) of dividends or interest on securities during a 12-month period, have been mailed addressed to such stockholder at such stockholder's address as shown on the records of the Corporation and have been returned undeliverable, the giving of such notice to such stockholder shall not be required. Any action or meeting that shall be taken or held without notice to such stockholder shall have the same force and effect as if such notice had been duly given. If any such stockholder shall deliver to the Corporation a written notice setting forth such stockholder's then current address, the requirement that notice be given to such stockholder shall be reinstated. In the event that the action taken by the Corporation is such as to require the filing of a certificate with the Secretary of State of Delaware, the certificate need not state that notice was not given to persons to whom notice was not required to be given pursuant to Section 230(b) of the DGCL. The exception in subsection (1) of the first sentence of this paragraph to the requirement that notice be given shall not be applicable to any notice returned as undeliverable if the notice was given by electronic transmission.

**Section 9.4. Waiver of Notice**. Whenever any notice is required to be given under applicable law, the Certificate of Incorporation, or these Bylaws, a written waiver of such notice, signed before or after the date of such meeting by the person or persons entitled to said notice, or a waiver by electronic transmission by the person entitled to said notice, shall be deemed equivalent to such required notice. All such waivers shall be kept with the books of the Corporation. Attendance at a meeting shall constitute a waiver of notice of such meeting, except where a person attends for the express purpose of objecting to the transaction of any business on the ground that the meeting was not lawfully called or convened.

**Section 9.5. Meeting Attendance via Remote Communication Equipment.**

(a) Stockholder Meetings. If authorized by the Board in its sole discretion, and subject to such guidelines and procedures as the Board may adopt, stockholders and proxy holders not physically present at a meeting of stockholders may, by means of remote communication:

(i) participate in a meeting of stockholders; and

(ii) be deemed present in person and vote at a meeting of stockholders, whether such meeting is to be held at a designated place or solely by means of remote communication, provided that: (A) the Corporation shall implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a stockholder or proxy holder; (B) the Corporation shall implement reasonable measures to provide such stockholders and proxy holders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the stockholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings; and (C) if any stockholder or proxy holder votes or takes other action at the meeting by means of remote communication, a record of such votes or other action shall be maintained by the Corporation.

(b) Board Meetings. Unless otherwise restricted by applicable law, the Certificate of Incorporation or these Bylaws, members of the Board or any committee thereof may participate in a meeting of the Board or any committee thereof by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. Such participation in a meeting shall constitute presence in person at the meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting was not lawfully called or convened.

**Section 9.6. Dividends**. The Board may from time to time declare, and the Corporation may pay, dividends (payable in cash, property or shares of the Corporation's capital stock) on the Corporation's outstanding shares of capital stock, subject to applicable law and the Certificate of Incorporation.

**Section 9.7. Reserves**. The Board may set apart out of the funds of the Corporation available for dividends a reserve or reserves for any proper purpose and may abolish any such reserve.

**Section 9.8. Contracts and Negotiable Instruments**. Except as otherwise provided by applicable law, the Certificate of Incorporation or these Bylaws, any contract, bond, deed, lease, mortgage or other instrument may be executed and delivered in the name and on behalf of the Corporation by such officer or officers or other employee or employees of the Corporation as the Board may from time to time authorize. Such authority may be general or confined to specific instances as the Board may determine. The Chairman of the Board, the Chief Executive Officer, the President, the Chief Financial Officer, the Treasurer or any Vice President may execute and deliver any contract, bond, deed, lease, mortgage or other instrument in the name and on behalf of the Corporation. Subject to any restrictions imposed by the Board, the Chairman of the Board, Chief Executive Officer, President, the Chief Financial Officer, the Treasurer or any Vice President may delegate powers to execute and deliver any contract, bond, deed, lease, mortgage or other instrument in the name and on behalf of the Corporation to other officers or employees of the Corporation under such person's supervision and authority, it being understood, however, that any such delegation of power shall not relieve such officer of responsibility with respect to the exercise of such delegated power.

**Section 9.9. Fiscal Year**. The fiscal year of the Corporation shall be fixed by the Board.

**Section 9.10. Seal**. The Board may adopt a corporate seal, which shall be in such form as the Board determines. The seal may be used by causing it or a facsimile thereof to be impressed, affixed or otherwise reproduced.

**Section 9.11. Books and Records**. The books and records of the Corporation may be kept within or outside the State of Delaware at such place or places as may from time to time be designated by the Board.

**Section 9.12. Resignation**. Any director, committee member or officer may resign by giving notice thereof in writing or by electronic transmission to the Chairman of the Board, the Chief Executive Officer, the President or the Secretary. The resignation shall take effect at the time specified therein, or at the time of receipt of such notice if no time is specified or the specified time is earlier than the time of such receipt. Unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

**Section 9.13. Surety Bonds**. Such officers, employees and agents of the Corporation (if any) as the Chairman of the Board, Chief Executive Officer, President or the Board may direct, from time to time, shall be bonded for the faithful performance of their duties and for the restoration to the Corporation, in case of their death, resignation, retirement, disqualification or removal from office, of all books, papers, vouchers, money and other property of whatever kind in their possession or under their control belonging to the Corporation, in such amounts and by such surety companies as the Chairman of the Board, Chief Executive Officer, President or the Board may determine. The premiums on such bonds shall be paid by the Corporation and the bonds so furnished shall be in the custody of the Secretary.

**Section 9.14. Securities of Other Corporations**. Powers of attorney, proxies, waivers of notice of meeting, consents in writing and other instruments relating to securities owned by the Corporation may be executed in the name of and on behalf of the Corporation by the Chairman of the Board, Chief Executive Officer, President or any Vice President. Any such officer, may, in the name of and on behalf of the Corporation, take all such action as any such officer may deem advisable to vote in person or by proxy at any meeting of security holders of any corporation in which the Corporation may own securities, or to consent in writing, in the name of the Corporation as such holder, to any action by such corporation, and at any such meeting or with respect to any such consent shall possess and may exercise any and all rights and power incident to the ownership of such securities and which, as the owner thereof, the Corporation might have exercised and possessed. The Board may from time to time confer like powers upon any other person or persons.

**Section 9.15. Amendments**. The Board shall have the power to adopt, amend, alter or repeal the Bylaws. The affirmative vote of a majority of the Board shall be required to adopt, amend, alter or repeal the Bylaws. The Bylaws also may be adopted, amended, altered or repealed by the stockholders; provided, however, that in addition to any vote of the holders of any class or series of capital stock of the Corporation required by applicable law or the Certificate of Incorporation, the affirmative vote of the holders of at least a majority of the voting power of all outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required for the stockholders to adopt, amend, alter or repeal the Bylaws.

**Section 9.16**. **Exclusive Forum**. Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery in the State of Delaware shall be the sole and exclusive forum for any stockholder (including a beneficial owner) to bring: (a) any derivative action or proceeding brought on behalf of the Corporation; (b) any action asserting a claim of breach of fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders; (c) any action asserting a claim against the Corporation, its directors, officers or employees arising pursuant to any provision of the DGCL or the Corporation's certificate of incorporation or bylaws; or (d) any action asserting a claim against the Corporation, its directors, officers or employees governed by the internal affairs doctrine, except for, as to each of (a) through (d) above, any claim as to which the Court of Chancery determines that there is an indispensable party not subject to the jurisdiction of the Court of Chancery (and the indispensable party does not consent to the personal jurisdiction of the Court of Chancery within ten days following such determination), which is vested in the exclusive jurisdiction of a court or forum other than the Court of Chancery, or for which the Court of Chancery does not have subject matter jurisdiction. If any provision or provisions of this Section 9.16 shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 9.16 (including, without limitation, each portion of any sentence of this Section 9.16 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby.

**Section 9.17. Exclusive Jurisdiction**. Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery in the State of Delaware shall be the sole and exclusive forum for any stockholder (including a beneficial owner) to bring: (a) any derivative action or proceeding brought on behalf of the Corporation; (b) any action asserting a claim of breach of fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders; (c) any action asserting a claim against the Corporation, its directors, officers or employees arising pursuant to any provision of the DGCL or the Corporation's certificate of incorporation or bylaws; or (d) any action asserting a claim against the Corporation, its directors, officers or employees governed by the internal affairs doctrine, except for, as to each of (a) through (d) above, any claim as to which the Court of Chancery determines that there is an indispensable party not subject to the jurisdiction of the Court of Chancery (and the indispensable party does not consent to the personal jurisdiction of the Court of Chancery within ten days following such determination), which is vested in the exclusive jurisdiction of a court or forum other than the Court of Chancery, or for which the Court of Chancery does not have subject matter jurisdiction. Unless the Corporation consents in writing to the selection of an alternative forum, to the fullest extent permitted by law, the federal district courts of the United States will be the exclusive forum for resolving any complaint asserting a cause of action arising under the federal securities laws of the United States against the Corporation, its officers, directors, employees and/or underwriters. To the fullest extent permitted by law, any person or entity purchasing or otherwise acquiring or holding any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Section 9.17. If any provision or provisions of this Section 9.17 shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 9.17 (including, without limitation, each portion of any sentence of this Section 9.17 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby.

The Registration Statement filed with the Commission pursuant to this subsection 2.1.1 shall be on Form S-3 or, if Form S-3 is not then available to the Company, on Form S-1 or such other form of registration statement as is then available to effect a registration for resale of such Registrable Securities, covering such Registrable Securities, and shall contain a Prospectus in such form as to permit any Holder to sell such Registrable Securities pursuant to Rule 415 under the Securities Act (or any successor or similar provision adopted by the Commission then in effect) at any time beginning on the effective date for such Registration Statement. A Registration Statement filed pursuant to this subsection 2.1.1 shall provide for the resale pursuant to any method or combination of methods legally available to, and requested by, the Holders. The Company shall use its best efforts to cause a Registration Statement filed pursuant to this subsection 2.1.1 to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration

Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities. As soon as practicable following the effective date of a Registration Statement filed pursuant to this subsection 2.1.1, but in any event within one (1) business day of such date, the Company shall notify the Holders of the effectiveness of such Registration Statement. When effective, a Registration Statement filed pursuant to this subsection 2.1.1 (including the documents incorporated therein by reference) will comply as to form in all material respects with all applicable requirements of the Securities Act and the Exchange Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading (in the case of any Prospectus contained in such Registration Statement, in the light of the circumstances under which such statement is made).

2.1.2 If the Company files a shelf registration statement on Form S-3 (a "***Form S-3 Shelf***") and thereafter the Company becomes ineligible to use Form S-3 for secondary sales, the Company shall use its best efforts to file a shelf registration on Form S-1 (a "***Form S-1 Shelf***") as promptly as practicable to replace the shelf registration statement that is a Form S-3 Shelf and have the Form S-1 Shelf declared effective as promptly as practicable and to cause such Form S-1 Shelf to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities.

2.1.3 At any time and from time to time following the effectiveness of the shelf registration statement required by Section 2.1.1, any Holder may request to sell all or a portion of their Registrable Securities in an underwritten offering that is registered pursuant to such shelf registration statement, including a Block Trade (a "***Shelf Underwritten Offering***") provided that such Holder(s) (a) reasonably expect aggregate gross proceeds in excess of $50,000,000 from such Shelf Underwritten Offering or (b) reasonably expects to sell all of the Registrable Securities held by such Holder in such Shelf Underwritten Offering (the "***Minimum Amount***"). All requests for a Shelf Underwritten Offering shall be made by giving written notice to the Company (the "***Shelf Take Down Notice***"). Each Shelf Takedown Notice shall specify the approximate number of Registrable Securities proposed to be sold in the Shelf Underwritten Offering and the expected price range (net of underwriting discounts and commissions) of such Shelf Underwritten Offering. The Company shall enter into an underwriting agreement in a form as is customary in Underwritten Offerings of securities by the Company with the managing Underwriter or Underwriters selected by the Holders after consultation with the Company and shall take all such other reasonable actions as are requested by the managing Underwriter or Underwriters in order to expedite or facilitate the disposition of such Registrable Securities. In connection with any Shelf Underwritten Offering contemplated by this subsection 2.1.3, subject to Section 3.3 and *Article IV*, the underwriting agreement into which each Holder and the Company shall enter shall contain such representations, covenants, indemnities and other rights and obligations as are customary in underwritten offerings of securities by the Company.

2.2 Demand Registration.

2.2.1 Request for Registration. Subject to the provisions of subsection 2.2.5 and Sections 2.4 and 3.4 hereof, at any time and from time to time on or after the Closing Date, each of (a) the Gores Holders of at least a majority in interest of the then-outstanding number of Registrable Securities held by the Gores Holders, and (b) the Greenlight Holders of at least a majority in interest of the then-outstanding number of Registrable Securities held by the Greenlight Holders, may make a written demand for Registration of all or part of their Registrable Securities on (i) Form S-1 or (ii) if available, Form S-3, which in the case of either clause (i) or (ii), may be a shelf registration statement filed pursuant to Rule 415 under the Securities Act, which written demand shall describe the amount and type of securities to be included in such Registration and the intended method(s) of distribution thereof (such written demand a "***Demand Registration***"). Except with respect to any Registrable Securities distributed by the Sponsor to

its members following the expiration of the Founder Shares Lock-up Period or the Private Placement Lock-up Period, as applicable, the Company shall, promptly following the Company's receipt of the Demand Registration, notify, in writing, all other Holders of Registrable Securities of such demand, and each Holder of Registrable Securities who thereafter wishes to include all or a portion of such Holder's Registrable Securities in a Registration pursuant to a Demand Registration (each such Holder that includes all or a portion of such Holder's Registrable Securities in such Registration, a "***Requesting Holder***") shall so notify the Company, in writing, within five (5) days after the receipt by the Holder of the notice from the Company. For the avoidance of doubt, to the extent a Requesting Holder also separately possesses Demand Registration rights pursuant to this Section 2.2, but is not the Holder who exercises such Demand Registration rights, the exercise by such Requesting Holder of its rights pursuant to the foregoing sentence shall not count as the exercise by it of one of its Demand Registration rights. Upon receipt by the Company of any such written notification from a Requesting Holder(s) to the Company, subject to Section 2.2.4 below, such Requesting Holder(s) shall be entitled to have their Registrable Securities included in a Registration pursuant to a Demand Registration and the Company shall effect, as soon thereafter as practicable, but not more than forty five (45) days immediately after the Company's receipt of the Demand Registration, the Registration of all Registrable Securities requested by the Demanding Holders and Requesting Holders pursuant to such Demand Registration. The Company shall not be obligated to effect more than (a) an aggregate of six (6) Registrations pursuant to a Demand Registration initiated by the Gores Holders and (b) an aggregate of six (6) Registrations pursuant to a Demand Registration initiated by the Greenlight Holders, in each case under this subsection 2.2.1 with respect to any or all Registrable Securities; provided, however, that a Registration shall not be counted for such purposes unless a Registration Statement that may be available at such time has become effective and all of the Registrable Securities requested by the Demanding Holders and the Requesting Holders to be registered on behalf of the Demanding Holders and the Requesting Holders in such Registration have been sold, in accordance with Section 3.1 of this Agreement; provided, further that if after a Demand Holder executes the maximum number of Demand Registrations permitted hereunder and the related offerings are completed, such Demand Holder continues to hold at least 25% or more of the outstanding Common Stock, such Demand Holder shall have the right to execute one (1) additional Demand Registration.

2.2.2 Effective Registration. Notwithstanding the provisions of subsection 2.2.1 above or any other part of this Agreement, a Registration pursuant to a Demand Registration shall not count as a Registration unless and until (i) the Registration Statement filed with the Commission with respect to a Registration pursuant to a Demand Registration has been declared effective by the Commission and (ii) the Company has complied with all of its obligations under this Agreement with respect thereto; provided, further, that if, after such Registration Statement has been declared effective, an offering of Registrable Securities in a Registration pursuant to a Demand Registration is subsequently interfered with by any stop order or injunction of the Commission, federal or state court or any other governmental agency the Registration Statement with respect to such Registration shall be deemed not to have been declared effective, unless and until, (i) such stop order or injunction is removed, rescinded or otherwise terminated, and (ii) a majority-in-interest of the Demanding Holders initiating such Demand Registration thereafter affirmatively elect to continue with such Registration and accordingly notify the Company in writing, but in no event later than five (5) days, of such election; provided, further, that the Company shall not be obligated or required to file another Registration Statement until the Registration Statement that has been previously filed with respect to a Registration pursuant to a Demand Registration by the same Demand Holder becomes effective or is subsequently terminated.

2.2.3 Underwritten Offering. Subject to the provisions of subsection 2.2.4 and Sections 2.4 and 3.4 hereof, if a majority-in-interest of the Demanding Holders so advise the Company as part of their Demand Registration that the offering of the Registrable Securities pursuant to such Demand Registration shall be in the form of an Underwritten Offering, then the right of such Demanding Holder or Requesting Holder (if any) to include its Registrable Securities in such Registration shall be conditioned upon such Holder's participation in such Underwritten Offering and the inclusion of such Holder's Registrable Securities in such Underwritten Offering to the extent provided herein. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.2.3, subject to Section 3.3 and *Article IV*, shall enter into an underwriting agreement in customary form with the Company and the Underwriter(s) selected for such Underwritten Offering by the majority-in-interest of the Demanding Holders initiating the Demand Registration, which Underwriter(s) shall be reasonably satisfactory to the Company.

2.2.4 Reduction of Underwritten Offering. If a Demand Registration is to be an Underwritten Offering and the managing Underwriter or Underwriters, in good faith, advises the Company, the Demanding Holders and the Requesting Holders (if any) in writing that, in its opinion, the dollar amount or number of Registrable Securities that the Demanding Holders and the Requesting Holders (if any) desire to sell, taken together with all other Common Stock or other equity securities that the Company desires to sell for its own account and the Common Stock, if any, as to which a Registration has been requested pursuant to separate written contractual piggy-back registration rights held by any other stockholders of the Company who desire to sell, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in such Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the "***Maximum Number of Securities***"), then the Company shall include in such Underwritten Offering, as follows: (i) first, the Registrable Securities of the Demanding Holders and the Requesting Holders (if any) (pro rata based on the respective number of Registrable Securities that each Demanding Holder and Requesting Holder (if any) has requested be included in such Underwritten Registration and the aggregate number of Registrable Securities that the Demanding Holders and Requesting Holders have requested be included in such Underwritten Offering (such proportion is referred to herein as "***Pro Rata***")) that can be sold without exceeding the Maximum Number of Securities; (ii) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (i), the Common Stock or other equity securities that the Company desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities; and (iii) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (i) and (ii), the Common Stock or other equity securities of other persons or entities that the Company is obligated to register in a Registration pursuant to separate written contractual arrangements with such persons and that can be sold without exceeding the Maximum Number of Securities.

2.2.5 Demand Registration Withdrawal. A Demanding Holders or a Requesting Holders shall have the right to withdraw all or a portion of its Registrable Securities included in a Demand Registration pursuant to subsection 2.2.1 or a Shelf Underwritten Offering pursuant to subsection 2.1.2 for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of its intention to so withdraw at any time prior to (x) in the case of a Demand Registration not involving an Underwritten Offering, the effectiveness of the applicable Registration Statement or (y) in the case of any Demand Registration involving an Underwritten Offering or any Shelf Underwritten Offering, prior to the pricing of such Underwritten Offering or Shelf Underwritten Offering, provided, however, that upon withdrawal by a majority-in-interest of the Demanding Holders initiating a Demand Registration (or in the case of a Shelf Underwritten Offering, withdrawal of an amount of Registrable Securities included by the Holders in such Shelf Underwritten Offering, in their capacity as Demanding Holders, being less than the Minimum Amount), the Company shall cease all efforts to secure effectiveness of the applicable Registration Statement or complete the Underwritten Offering, as applicable. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Registration pursuant to a Demand Registration or a Shelf Underwritten Offering prior to its withdrawal under this subsection 2.2.5.

2.3 Piggyback Registration.

2.3.1 Piggyback Rights. If the Company proposes to file a Registration Statement under the Securities Act with respect to an offering of equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities, for its own account or for the account of stockholders of the Company (or by the Company and by the stockholders of the Company including, without limitation, pursuant to Section 2.2 hereof), other than a Registration Statement (i) filed in connection with any employee stock option or other benefit plan, (ii) for an exchange offer or offering of securities solely to the Company's existing stockholders, (iii) for an offering of debt that is convertible into equity securities of the Company, (iv) for a dividend reinvestment plan, or (v) filed pursuant to subsection 2.1.1, then the Company shall give written notice of such proposed filing to all of the Holders of Registrable Securities (excluding the Sponsor with respect to any Registrable Securities distributed by the Sponsor to its members following the expiration of the Founder Shares Lock-up Period or the Private Placement Lock-up Period, as applicable) as soon as practicable but not less than twenty (20) days (or, in the case of a Block Trade, three (3) business days) before the anticipated filing date of such Registration Statement, which notice shall (A) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution (including whether such registration will be pursuant to a shelf registration statement), and the proposed price and name of the proposed managing Underwriter or Underwriters, if any, in such offering, (B) such Holders'

The Company shall, in good faith, cause such Registrable Securities identified in a Holder's response noticed described in the foregoing sentence to be included in such Piggyback Registration and shall use its best efforts to cause the managing Underwriter or Underwriters of a proposed Underwritten Offering, if any, to permit the Registrable Securities requested by the Holders pursuant to this subsection 2.3.1 to be included in a Piggyback Registration on the same terms and conditions as any similar securities of the Company or Company stockholder(s) for whose account the Registration Statement is to be filed included in such Registration and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.3.1, subject to Section 3.3 and *Article IV*, shall enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the Company or Company stockholder(s) for whose account the Registration Statement is to be filed. For purposes of this Section 2.3, the filing by the Company of an automatic shelf registration statement for offerings pursuant to Rule 415(a) that omits information with respect to any specific offering pursuant to Rule 430B shall not trigger any notification or participation rights hereunder until such time as the Company amends or supplements such Registration Statement to include information with respect to a specific offering of Securities (and such amendment or supplement shall trigger the notice and participation rights provided for in this Section 2.3).

2.3.2 Reduction of Piggyback Registration. If a Piggyback Registration is to be an Underwritten Offering and the managing Underwriter or Underwriters, in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that, in its opinion, the dollar amount or number of the Common Stock that the Company desires to sell, taken together with (i) the Common Stock, if any, as to which Registration has been demanded pursuant to separate written contractual arrangements with persons or entities other than the Holders of Registrable Securities hereunder, (ii) the Registrable Securities as to which registration has been requested pursuant Section 2.3 hereof, and (iii) the Common Stock, if any, as to which Registration has been requested pursuant to separate written contractual piggy-back registration rights of other stockholders of the Company, exceeds the Maximum Number of Securities, then:

2.3.2.1 If the Registration is undertaken for the Company's account, the Company shall include in any such Registration (A) first, the Common Stock or other equity securities that the Company desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.3.1 hereof, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; and (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Common Stock, if any, as to which Registration has been requested pursuant to written contractual piggy-back registration rights of other stockholders of the Company, which can be sold without exceeding the Maximum Number of Securities;

2.3.2.2 If the Registration is pursuant to a request by persons or entities other than the Holders of Registrable Securities, then the Company shall include in any such Registration (A) first, the Common Stock or other equity securities, if any, of such requesting persons or entities, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.3.1 hereof, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Common Stock or other equity securities that the Company desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities; and (D) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A), (B) and (C), the Common Stock or other equity securities for the account of other persons or entities that the Company is obligated to register pursuant to separate written contractual arrangements with such persons or entities, which can be sold without exceeding the Maximum Number of Securities.

2.3.3 Piggyback Registration Withdrawal. Any Holder of Registrable Securities shall have the right to withdraw from all or any portion of its Registrable Securities in a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw such Registrable Securities from such Piggyback Registration prior to (x) in the case of a Piggyback Registration not involving an Unwritten Offering or Shelf Underwritten Offering, the effectiveness of the applicable Registration Statement or (y), in the case of any Piggyback Registration involving an Underwritten Offering or any Shelf Underwritten Offering, prior to the pricing of such Underwritten Offering or Shelf Underwritten Offering. For purposes of clarity, any Registration effected pursuant to Section 2.3 hereof shall not be counted as a Registration pursuant to a Demand Registration effected under Section 2.2 hereof or a Shelf Underwritten Offering effected under subsection 2.1.2.

2.4 Restrictions on Registration Rights. If (A) during the period starting with the date sixty (60) days prior to the Company's good faith estimate of the date of the filing of, and ending on a date one hundred and twenty (120) days after the effective date of, a Company initiated Registration and provided that the Company has delivered written notice to the Holders prior to receipt of a Demand Registration pursuant to subsection 2.2.1 and it continues to actively employ, in good faith, all reasonable efforts to cause the applicable Registration Statement to become effective; (B) the Holders have requested an Underwritten Registration and the Company and the Holders are unable to obtain the commitment of underwriters to firmly underwrite the offer; or (C) in the good faith judgment of the Board such Registration would be seriously detrimental to the Company and the Board concludes as a result that it is essential to defer the filing of such Registration Statement at such time, then in each case the Company shall furnish to such Holders a certificate signed by the Chairman of the Board stating that in the good faith judgment of the Board it would be seriously detrimental to the Company for such Registration Statement to be filed in the near future and that it is therefore essential to defer the filing of such Registration Statement. In such event, the Company shall have the right to defer such filing for a period of not more than thirty (30) days; provided, however, that the Company shall not defer its obligation in this manner more than once in any 12-month period. Notwithstanding anything to the contrary contained in this Agreement, no Registration shall be effected or permitted and no Registration Statement shall become effective, with respect to any Registrable Securities held by any Holder, until after the expiration of the Founder Shares Lock-Up Period or the Private Placement Lock-Up Period, as the case may be.

2.5 Block Trades. Notwithstanding any other provision of this *Article II*, but subject to Sections 2.4 and 3.4, if the Holders desire to effect a Block Trade, then notwithstanding any other time periods in this Article II, the Holders shall provide written notice to the Company at least five (5) business days prior to the date such Block Trade will commence. As expeditiously as possible, the Company shall use its reasonable best efforts to facilitate such Block Trade. The Holders shall use reasonable best efforts to work with the Company and the Underwriters (including by disclosing the maximum number of Registrable Securities proposed to be the subject of such Block Trade) in order to facilitate preparation of the Registration Statement, Prospectus and other offering documentation related to the Block Trade and any related due diligence and comfort procedures.

**ARTICLE III**
COMPANY PROCEDURES

3.1 General Procedures. If the Company is required to effect the Registration of Registrable Securities, the Company shall use its best efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended plan of distribution thereof, and pursuant thereto the Company shall, as expeditiously as possible:

3.1.1 prepare and file with the Commission as soon as practicable a Registration Statement with respect to such Registrable Securities and use its reasonable best efforts to cause such Registration Statement to become effective and remain effective until all Registrable Securities covered by such Registration Statement have been sold;

3.1.2 prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement, and such supplements to the Prospectus, as may be requested by the Holders or any Underwriter of Registrable Securities or as may be required by the rules, regulations or instructions applicable to the registration form used by the Company or by the Securities Act or rules and regulations thereunder to keep the Registration Statement effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended plan of distribution set forth in such Registration Statement or supplement to the Prospectus;

3.1.3 prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto, furnish without charge to the Underwriters, if any, and the Holders of Registrable Securities included in such Registration, and such Holders' legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary Prospectus), and such other documents as the Underwriters and the Holders of Registrable Securities included in such Registration or the legal counsel for any such Holders may request in order to facilitate the disposition of the Registrable Securities owned by such Holders;

3.1.4 prior to any public offering of Registrable Securities, but in any case no later than the effective date of the applicable Registration Statement, use its best efforts to (i) register or qualify the Registrable Securities covered by the Registration Statement under such securities or "blue sky" laws of such jurisdictions in the United States as the Holders of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may request and to keep such registration or qualification in effect for so long as such Registration Statement remains in effect and (ii) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary and do any and all other acts and things that may be necessary or advisable, in each case, to enable the Holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify or take any action to which it would be subject to general service of process or taxation in any such jurisdiction where it is not then otherwise so subject;

3.1.5 cause all such Registrable Securities to be listed on each securities exchange or automated quotation system on which similar securities issued by the Company are then listed no later than the effective date of such Registration Statement;

3.1.6 provide a transfer agent or warrant agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

3.1.7 promptly furnish to each seller of Registrable Securities covered by such Registration Statement such number of conformed copies of such Registration Statement and of each such amendment and supplement thereto (in each case including all exhibits), such number of copies of the Prospectus contained in such Registration Statement (including each preliminary Prospectus and any summary Prospectus) and any other Prospectus filed under Rule 424 under the Securities Act, in conformity with the requirements of the Securities Act, and such other documents as such seller may reasonably request;

3.1.8 advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of any request by the Commission that the Company amend or supplement such Registration Statement or Prospectus or the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or Prospectus the initiation or threatening of any proceeding for such purpose and promptly use its best efforts to amend or supplement such Registration Statement or Prospectus or prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued, as applicable;

3.1.9 advise each Holder of Registrable Securities covered by such Registration Statement, promptly after the Company receives notice thereof, of the time when such registration statement has been declared effective or a supplement to any Prospectus forming a part of such registration statement has been filed;

3.1.10 at least five (5) business days prior to the filing of any Registration Statement or Prospectus or any amendment or supplement to such Registration Statement or Prospectus or any document that is to be incorporated by reference into such Registration Statement or Prospectus, furnish a copy thereof to each seller of such Registrable Securities or its counsel, and not to file any such Registration Statement or Prospectus, or amendment or supplement thereto, to which any such Holder or Registrable Securities shall have reasonably objected on the grounds that such Registration Statement or Prospectus or supplement or amendment thereto, does not comply in all material respects with the requirements of the Securities Act or the rules and regulations thereunder;

3.1.11 notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event or the existence of any condition as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, or in the opinion of counsel for the Company it is necessary to supplement or amend such Prospectus to comply with law, and then to correct such Misstatement or include such information as is necessary to comply with law, in each case as set forth in Section 3.4 hereof, at the request of any such Holder promptly prepare and furnish to such Holder a reasonable number of copies of a supplement to or an amendment of such Prospectus as may be necessary so that, as thereafter delivered to the purchasers of such securities, such Prospectus shall not include a Misstatement or such Prospectus, as supplemented or amended, shall comply with law;

3.1.12 permit a representative of the Holders, the Underwriters, if any, and any attorney or accountant retained by such Holders or Underwriter to participate in the preparation of any Registration Statement, each such Prospectus included therein or filed with the Commission, and each amendment or supplement thereto, and will give each of them such access to its books and records and such opportunities to discuss the business, finances and accounts of the Company and its subsidiaries with its officers, directors and the independent public accountants who have certified its financial statements as shall be necessary, in the opinion of such Holders' and such Underwriters' respective counsel, to conduct a reasonable investigation within the meaning of the Securities Act, and will cause the Company's officers, directors and employees to supply all information reasonably requested by any such representative, Underwriter, attorney or accountant in connection with the Registration; provided, however, that if requested by the Company, such representatives or Underwriters enter into a confidentiality agreement, in form and substance reasonably satisfactory to the Company, prior to the release or disclosure of any such information;

3.1.13 obtain a "cold comfort" letter from the Company's independent registered public accountants in the event of an Underwritten Offering, in customary form and covering such matters of the type customarily covered by "cold comfort" letters as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders and any Underwriter;

3.1.14 on the date the Registrable Securities are delivered for sale pursuant to such Registration, obtain an opinion and negative assurance letter, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the Holders, the placement agent or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given as the Holders, placement agent, sales agent, or Underwriter may reasonably request and as are customarily included in such opinions and negative assurance letters, and reasonably satisfactory to a majority in interest of the participating Holders and any Underwriter;

3.1.15 in the event of any Underwritten Offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing Underwriter of such offering;

3.1.16 otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission, and to make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months beginning with the first day of the Company's first full calendar quarter after the effective date of the Registration Statement which satisfies the provisions of Section 11(a) of the Securities Act and the rules and regulations thereunder, including Rule 158 thereunder (or any successor rule promulgated thereafter by the Commission);

3.1.17 use its reasonable efforts to make available senior executives of the Company to participate in customary "road show" presentations that may be reasonably requested by the Underwriter in any Underwritten Offering; and

3.1.18 otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the Holders, in connection with such Registration.

3.2 Registration Expenses. The Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that the Holders shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters' commissions and discounts, brokerage fees and, other than as set forth in the definition of "Registration Expenses," all reasonable fees and expenses of any legal counsel representing the Holders.

3.3 Participation in Underwritten Offerings.

3.3.1 No person may participate in any Underwritten Offering for equity securities of the Company pursuant to a Registration initiated by the Company hereunder unless such person (i) agrees to sell such person's securities on the basis provided in any underwriting arrangements approved by the Company and (ii) completes and executes all customary questionnaires, powers of attorney, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements.

3.3.2 Holders participating in an Underwritten Offering may, at their option, require that any or all of the representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of the Underwriters shall also be made to and for the benefit of such Holders and that any or all of the conditions precedent to the obligations of such Underwriters shall also be made to and for the benefit of such Holders; provided, however, that the Company shall not be required to make any representations or warranties with respect to written information specifically provided by a Holder in writing for inclusion in the Registration Statement.

3.3.3 The Company will use its commercially reasonable efforts to ensure that no Underwriter shall require any Holder to make any representations or warranties to or agreements with the Company or the Underwriters other than representations, warranties or agreements regarding such Holder and such Holder's intended method of distribution and any other representation required by law, and if, despite the Company's commercially reasonable efforts, an Underwriter requires any Holder to make additional representation or warranties to or agreements with such Underwriter, such Holder may elect not to participate in such Underwritten Offering (but shall not have any claims against the Company as a result of such election). Any liability of such Holder to any Underwriter or other person under such underwriting agreement shall be limited to an amount equal to the proceeds (net of expenses and underwriting discounts and commissions) that it derives from such registration.

3.4 Suspension of Sales; Adverse Disclosure. Upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a Misstatement, or in the opinion of counsel for the Company it is necessary to supplement or amend such Prospectus to comply with law, each of the Holders shall forthwith discontinue disposition of Registrable Securities until it has received copies of a supplemented or amended Prospectus correcting the Misstatement or including the information counsel for the Company believes to be necessary to comply with law (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as practicable after the time of such notice such that the Registration Statement or Prospectus, as so amended or supplemented, as applicable, will not include a Misstatement and complies with law), or until it is advised in writing by the Company that the use of the Prospectus may be resumed. If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would require the Company to make an Adverse

Disclosure or would require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company's control, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time, but in no event more than thirty (30) days, determined in good faith by the Board to be necessary for such purpose. In the event the Company exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities. The Company shall immediately notify the Holders of the expiration of any period during which it exercised its rights under this Section 3.4.

3.5 Covenants of the Company. As long as any Holder shall own Registrable Securities, the Company hereby covenants and agrees:

3.5.1 the Company will not file any Registration Statement or Prospectus included therein or any other filing or document (other than this Agreement) with the Commission which refers to any Holder of Registrable Securities by name or otherwise without the prior written approval of such Holder, which may not be unreasonably withheld.

3.5.2 the Company will not effect or permit to occur any combination or subdivision of securities which would adversely affect the ability of the Holders to effect registration of Registrable Securities in the manner contemplated by this Agreement.

3.5.3 at all times while it shall be a reporting company under the Exchange Act, to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings. The Company further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell shares of Common Stock held by such Holder without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (or any successor rule promulgated thereafter by the Commission), including providing any legal opinions. Upon the request of any Holder, the Company shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements.

3.5.4 Promptly following the effectiveness of the shelf registration statement required by Section 2.1.1 (and in any event within three business days from such effectiveness), the Company shall cause the transfer agent to remove any restrictive legends (including any electronic transfer restrictions) from any Common Stock or Private Placement Warrants held by such Holder and provide or cause any customary opinions of counsel to be delivered to the transfer agent in connection with such removal.

## ARTICLE IV
INDEMNIFICATION AND CONTRIBUTION

4.1 Indemnification.

4.1.1 The Company agrees to indemnify, to the extent permitted by law, each Holder of Registrable Securities, its officers, directors, partners, stockholders or members, employees, agents, investment advisors and each person who controls such Holder (within the meaning of the Securities Act and Exchange Act) from and against all losses, claims, damages, liabilities and expenses (including attorneys' fees), joint or several (or actions or proceedings, whether commenced or threatened, in respect thereof) (collectively, "***Claims***"), to which any such Holder or other persons may become subject, insofar as such Claims arise out of or are based on any untrue or alleged untrue statement of any material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, and the Company will reimburse such Holder or other person for any legal or any other expenses reasonably incurred by them in connection with investigating or defending any such Claim; except insofar as the Claim or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such filing in reliance upon and in conformity with information furnished in writing to the Company by such Holder expressly for use therein. The Company shall indemnify the Underwriters, their officers and directors and each person who controls such Underwriters (within the meaning of the Securities Act and Exchange Act) to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

4.1.2 In connection with any Registration Statement in which a Holder of Registrable Securities is participating, the Company may require that, as a condition to including any Registrable Securities in any Registration Statement, the Company shall have received an undertaking reasonably satisfactory to it from such Holder, to indemnify the Company, its directors and officers and agents and each person who controls the Company (within the meaning of the Securities Act and Exchange Act) from and against any Claims, to which any the Company or such other persons may become subject, insofar as such Claims arise out of or are based on any untrue statement of any material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information furnished in writing by such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each person who controls such Underwriters (within the meaning of the Securities Act and Exchange Act) to the same extent as provided in the foregoing with respect to indemnification of the Company and the Company shall use its commercially reasonable efforts to ensure that no Underwriter shall require any Holder of Registrable Securities to provide any indemnification other than that provided hereinabove in this Section 4.1.2, and, if, despite the Company's commercially reasonable efforts, an Underwriter requires any Holder of Registrable Securities to provide additional indemnification, such Holder may elect not to participate in such Underwritten Offering (but shall not have any claim against the Company as a result of such election).

4.1.3 Any person entitled to indemnification herein shall (i) give prompt written notice to the indemnifying party of any Claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such Claim, permit such indemnifying party to assume the defense of such Claim with counsel reasonably satisfactory to the indemnified party. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) and which settlement includes a statement or admission of fault or culpability on the part of such indemnified party or does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

4.1.4 The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director, partners, stockholders or members, employees, agents, investment advisors or controlling person of such indemnified party and shall survive the transfer of Registrable Securities.

4.1.5 If the indemnification provided under Section 4.1 hereof from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any Claims, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such Claims in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party or parties on the other hand from the offering of the Registrable Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also to reflect the relative fault of the indemnifying party or parties on the other hand in connection with the statements or omissions that resulted in such Claims, as well as any other relevant equitable considerations; provided, however, that the liability of any Holder or any director, officer, employee, agent, investment advisor or controlling person thereof under this subsection 4.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred

to above shall be deemed to include, subject to the limitations set forth in subsections 4.1.1, 4.1.2 and 4.1.3 above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this subsection 4.1.5 were determined by pro rata allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this subsection 4.1.5. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this subsection 4.1.5 from any person who was not guilty of such fraudulent misrepresentation.

4.1.6 The indemnification required by this Section 4.1 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or expense, loss, damage or liability is incurred.

## ARTICLE V
MISCELLANEOUS

5.1 Notices. Any notice or communication under this Agreement must be in writing and given by (i) deposit in the United States mail, addressed to the party to be notified, postage prepaid and registered or certified with return receipt requested, (ii) delivery in person or by courier service providing evidence of delivery, or (iii) transmission by hand delivery, electronic mail, telecopy, telegram or facsimile. Any party may change its address for notice at any time and from time to time by written notice to the other parties hereto, and such change of address shall become effective thirty (30) days after delivery of such notice as provided in this Section 5.1.

5.2 Assignment; No Third Party Beneficiaries.

5.2.1 This Agreement and the rights, duties and obligations of the Company hereunder may not be assigned or delegated by the Company in whole or in part.

5.2.2 Prior to the expiration of the Founder Shares Lock-up Period or the Private Placement Lock-up Period, as the case may be, no Holder who is subject to either or both the Founder Shares Lock-Up Period or the Private Placement Lock-Up Period may assign or delegate such Holder's rights, duties or obligations under this Agreement, in whole or in part, except in connection with a transfer of Registrable Securities by such Holder to a Permitted Transferee, to an Affiliate or as otherwise permitted pursuant to the terms of the Founder Shares Lock-Up Period or the Private Placement Lock-Up Period, as applicable.

5.2.3 This Agreement and the provisions hereof shall be binding upon and shall inure to the benefit of each of the parties and its successors and the permitted assigns of the applicable Holders, which shall include Permitted Transferees.

5.2.4 This Agreement shall not confer any rights or benefits on any persons that are not parties hereto, other than as expressly set forth in this Agreement and Section 5.2 hereof.

5.2.5 No assignment by any party hereto of such party's rights, duties and obligations hereunder shall be binding upon or obligate the Company unless and until the Company shall have received (i) written notice of such assignment as provided in Section 5.1 hereof and (ii) the written agreement of the assignee, in a form reasonably satisfactory to the Company, to be bound by the terms and provisions of this Agreement (which may be accomplished by an addendum or certificate of joinder to this Agreement). Any transfer or assignment made other than as provided in this Section 5.2 shall be null and void.

5.3 Counterparts. This Agreement may be executed in multiple counterparts (including facsimile or PDF counterparts), each of which shall be deemed an original, and all of which together shall constitute the same instrument, but only one of which need be produced.

5.4 Governing Law; Venue. NOTWITHSTANDING THE PLACE WHERE THIS AGREEMENT MAY BE EXECUTED BY ANY OF THE PARTIES HERETO, THE PARTIES EXPRESSLY AGREE THAT THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED UNDER THE LAWS OF THE STATE OF NEW YORK AS APPLIED TO AGREEMENTS AMONG NEW YORK RESIDENTS ENTERED INTO AND TO BE PERFORMED ENTIRELY WITHIN NEW YORK, WITHOUT REGARD TO THE CONFLICT OF LAW PROVISIONS OF SUCH JURISDICTION.

5.5 Amendments and Modifications. Upon the written consent of the Company and the Holders of at least a majority in interest of the Registrable Securities at the time in question, compliance with any of the provisions, covenants and conditions set forth in this Agreement may be waived, or any of such provisions, covenants or conditions may be amended or modified; provided, however, that notwithstanding the foregoing, (i) any amendment hereto or waiver hereof that adversely affects one Holder, solely in its capacity as a holder of the shares of capital stock of the Company, in a manner that is adverse and different from the other Holders (in such capacity) shall require the consent of the Holder so affected, (ii) any amendment hereto or waiver hereof that adversely affects the Gores Holders or Greenlight Holders, as applicable, solely in their respective capacity as Gores Holders or Greenlight Holders, as applicable, in a manner that is adverse and different from the other Holders, shall require the consent of the Gores Holders or Greenlight Holders, as applicable, of a majority-in-interest of the then-outstanding number of Registrable Securities held by the Gores Holders or Greenlight Holders, as applicable. No course of dealing between any Holder or the Company and any other party hereto or any failure or delay on the part of a Holder or the Company in exercising any rights or remedies under this Agreement shall operate as a waiver of any rights or remedies of any Holder or the Company. No single or partial exercise of any rights or remedies under this Agreement by a party shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder or thereunder by such party.

5.6 Other Registration Rights. Other than pursuant to the terms of the Subscription Agreements, the Company represents and warrants that no person, other than a Holder of Registrable Securities, has any right to require the Company to register any securities of the Company for sale or to include such securities of the Company in any Registration filed by the Company for the sale of securities for its own account or for the account of any other person. Further, the Company represents and warrants that this Agreement supersedes any other registration rights agreement or agreement with similar terms and conditions among the parties thereto and in the event of a conflict between any such agreement or agreements and this Agreement, the terms of this Agreement shall prevail. The Greenlight Holders hereby terminate Section 8 of the GHII Securityholders Agreement and the registration rights provided thereunder.

5.7 Term. This Agreement shall terminate upon the earlier of (i) the tenth anniversary of the date of this Agreement or (ii) the date as of which (A) all of the Registrable Securities have been sold pursuant to a Registration Statement (but in no event prior to the applicable period referred to in Section 4(a)(3) of the Securities Act and Rule 174 thereunder (or any successor rule promulgated thereafter by the Commission)) or (B) the Holders of all Registrable Securities are permitted to sell the Registrable Securities under Rule 144 (or any similar provision) under the Securities Act without limitation on the amount of securities sold or the manner of sale. If a Cumulative Net Realized Tax Benefit is being calculated with respect to a portion of a Taxable Year, then calculations of the Cumulative Net Realized Tax Benefit (including determinations relating to Additional Basis Recovery to the extent applicable) shall be made as if there were an interim closing of the books and the Taxable Year had closed on the relevant date.

is not part of the Corporate Taxpayer's U.S. federal consolidated tax group (provided that, in the case of any such entity that is a partnership, a Divestiture shall not be deemed to occur with respect to any portion of such Applicable Asset in respect of which the Corporate Taxpayer or its wholly owned Subsidiaries can continue to recover the Additional Basis Recovery in respect of such Applicable Asset through amortization for U.S. federal income tax purposes), in each case, other than any such sale, disposition or transfer that constitutes a Change in Control.

Taxable Year, the combined tax rate for state and local Taxes shall be the Assumed State and Local Tax Rate for such Taxable Year; provided, that, for the avoidance of doubt, no Tax item shall be excluded from (i) to the extent that such Tax item was taken into account in the determination of the Final Tax Overpayment/Underpayment Amount (as defined in the Merger Agreement). If a Hypothetical Tax Liability is being calculated with respect to a portion of a Taxable Year, then calculations of the Hypothetical Tax Liability shall be made as if there were an interim closing of the books of the Corporate Taxpayer and its Subsidiaries and the Taxable Year had closed on the relevant date.

## ARTICLE II.

## DETERMINATION OF CERTAIN REALIZED TAX BENEFIT

2.1 Tax Benefit Schedule.

(a) Tax Benefit Schedule. Within ninety (90) calendar days after the due date (taking into account valid extensions) of the U.S. federal income Tax Return of the Corporate Taxpayer for any Taxable Year in which there is a Realized Tax Benefit or Realized Tax Detriment (collectively, a "Realized Tax Benefit or Detriment"), the Corporate Taxpayer shall provide to the Stockholder Representative a schedule showing in reasonable detail the calculation of the Realized Tax Benefit or Detriment for such Taxable Year, the Cumulative Net Realized Tax Benefit as of the end of such Taxable Year and any Tax Benefit Payment due in respect of such Taxable Year (a "Tax Benefit Schedule"). The Tax Benefit Schedule provided by the Corporate Taxpayer will become final as provided in Section 2.2(a) and shall be subject to amendment as provided in Section 2.2(b).

(b) Applicable Principles. The Realized Tax Benefit or Detriment for each Taxable Year is intended to measure the decrease or increase in the actual liability for Taxes of the Corporate Taxpayer and its wholly owned Subsidiaries for such Taxable Year (or portion thereof) attributable to the Additional Basis Recovery determined using a "with and without" methodology. For the avoidance of doubt, the actual liability for Taxes of the Corporate and its wholly owned Subsidiaries will take into account any items attributable to Additional Basis Recovery (and any carryovers and carrybacks attributable thereto), and the Hypothetical Tax Liability shall not take into account any such items (including carryovers and carryback attributable thereto). Carryovers or carrybacks of any Tax item attributable to the Additional Basis Recovery shall be considered to be subject to the rules of the Code and the Treasury Regulations or the appropriate provisions of U.S. state and local Tax Law, as applicable, governing the use, limitation and expiration of carryovers or carrybacks of the relevant type.

2.2 Procedure; Amendments.

(a) Procedure. Every time the Corporate Taxpayer delivers to the Stockholder Representative an applicable Schedule under this Agreement, including any Amended Schedule delivered pursuant to Section 2.2(b), including any Early Termination Schedule or amended Early Termination Schedule, the Corporate Taxpayer shall also allow the Stockholder Representative reasonable access, at the Corporate Taxpayer's sole cost, to the appropriate representatives, as determined by the Corporate Taxpayer, at the Corporate Taxpayer and the Advisory Firm that prepared the relevant Corporate Taxpayer Returns and Schedule in connection with a review of such Schedule. Without limiting the application of the preceding sentence, the Corporate Taxpayer shall, upon request, deliver to the Stockholder Representative work papers providing reasonable detail regarding the computations reflected in such Schedule. An applicable Schedule or amendment thereto shall, subject to the final sentence of this Section 2.2(a), become final and binding on the Stockholder Representative and each Stockholder thirty (30) calendar days from the first date on which the Corporate Taxpayer sent the Stockholder Representative the applicable Schedule or amendment thereto unless (i) the Stockholder Representative within thirty (30) calendar days after the date the Corporate Taxpayer sent such Schedule or amendment thereto provides the Corporate Taxpayer with written notice of a material objection to such Schedule made in good faith and setting forth in reasonable detail the Stockholder Representative's material objection along with a letter from an Advisory Firm supporting such objection, if such objection relates to the application of Tax Law (an "Objection Notice") or (ii) the Stockholder Representative provides a written waiver of the right to provide any Objection Notice with respect to such Schedule or amendment thereto within the period described in clause (i) above, in which case such Schedule or amendment thereto becomes binding on the date the waiver is received by the Corporate Taxpayer. If the Corporate Taxpayer and the Stockholder Representative are unable to resolve the issues raised in such Objection Notice within thirty (30) calendar days after receipt by the Corporate Taxpayer of the Objection Notice, the Corporate Taxpayer and the Stockholder Representative shall employ the reconciliation procedures described in Section 7.9 (the "Reconciliation Procedures").

(b) Amended Schedule. The applicable Schedule for any Taxable Year shall be amended from time to time by the Corporate Taxpayer or at the request of the Stockholder Representative (i) in connection with a Determination affecting such Schedule, (ii) to correct inaccuracies in the Schedule identified after the date the Schedule was provided to the Stockholder Representative, (iii) to comply with an Expert's determination under the Reconciliation Procedures, (iv) to reflect a change in the Realized Tax Benefit or Detriment for such Taxable Year attributable to a carryback or carryforward of a loss or other Tax item to such Taxable Year or (v) to reflect a change in the Realized Tax Benefit or Detriment for such Taxable Year attributable to an amended Tax Return filed for such Taxable Year (any such Schedule, an "Amended Schedule").

2.3 Consistency with Tax Returns. Notwithstanding anything to the contrary herein, all calculations and determinations hereunder (other than, where the context does not permit, the Hypothetical Tax Liability), including the Additional Basis Recovery, the Schedules, and the determination of the Realized Tax Benefit or Detriment, shall be made in accordance with any elections, methodologies or positions taken on the relevant Corporate Taxpayer Returns.

## ARTICLE III.

## TAX BENEFIT PAYMENTS

3.1 Payments.

(a) Payments. Except as provided in Section 5.3, within five (5) Business Days after a Tax Benefit Schedule with respect to a Taxable Year delivered to the Stockholder Representative pursuant to this Agreement becomes final in accordance with ARTICLE II, the Corporate Taxpayer shall pay or cause to be paid to each Stockholder the Tax Benefit Payment (if any) determined pursuant to Section 3.1(b). Such Tax Benefit Payment shall be made, at the sole discretion of the Corporate Taxpayer, by wire or Automated Clearing House transfer of immediately available funds to the bank account previously designated by the Stockholder Representative to the Corporate Taxpayer or as otherwise agreed by the Corporate Taxpayer and Stockholder Representative (except to the extent that such amounts are required to be paid in the form of Parent Class A Stock pursuant to Section 2.11(i) of the Merger Agreement).

(b) A "Tax Benefit Payment" in respect of a Stockholder means an amount (which shall not be less than zero) equal to such Stockholder's Ownership Percentage of the Net Tax Benefit and the Interest Amount. Subject to Section 3.2, the "Net Tax Benefit" for a Taxable Year shall be an amount equal to the excess, if any, of 50% of the Cumulative Net Realized Tax Benefit as of the end of such Taxable Year (or portion thereof) over the total amount of Tax Benefit Payments previously made under Section 3.1(a).

(c) The "Interest Amount" for a Taxable Year (or portion thereof) shall equal interest on the Net Tax Benefit with respect to such Taxable Year (or portion thereof) calculated at the Agreed Rate compounded annually from the due date (without extensions) for filing U.S. federal income Tax Return of the Corporate Taxpayer for such Taxable Year until the Payment Date.

(d) Certain Adjustments. To the extent any items attributable to Additional Basis Recovery are disallowed pursuant to a Determination or are otherwise not permitted to be taken into account in calculating "actual liability" for Taxes for purposes of determining Realized Tax Benefit or Realized Tax Detriment, and the Corporate Taxpayer or any of its Affiliates have actually recovered any amounts in respect of such items under an indemnification pursuant to the HTA Purchase Agreement (as defined in the Merger Agreement), then the Cumulative Net Realized Tax Benefit shall be increased in an amount equal to such recovery (net of any reasonable, out-of-pockets costs (including Taxes) incurred in connection with obtaining such recovery).

3.2 Duplicative Payments. It is intended that the provisions of this Agreement will not result in a duplicative payment of any amount required under this Agreement. It is also intended that the provisions of this Agreement, subject to ARTICLE IV and Section 7.15, will result in an amount equal to 50% of the Cumulative Net Realized Tax Benefit as of any determination date having been paid to the Stockholders pursuant to this Agreement, plus interest as provided herein; provided, that, for the avoidance of doubt, the foregoing shall not be construed as creating a clawback obligation in the event that more than 50% of the Cumulative Net Realized Tax Benefit

has been paid to the Stockholders as a result of a subsequent reduction in the Cumulative Net Realized Tax Benefit pursuant to a Determination or otherwise. The provisions of this Agreement shall be construed in the appropriate manner to ensure such intentions are realized.

3.3 Stock and Stockholders of the Corporate Taxpayer. TRA Payments and any other payments hereunder are not conditioned on the Stockholders holding any stock of the Corporate Taxpayer (or any successor thereto).

3.4 Interest Amount Limitation. Notwithstanding anything herein to the contrary, if at any time the applicable Agreed Rate or Default Rate shall exceed the maximum lawful interest rate that may be contracted for, charged, taken, received or reserved in accordance with applicable Law (the "Maximum Rate"), the Agreed Rate and Default Rate (as applicable) shall be limited to the Maximum Rate; provided, that any amounts unpaid as a result of such limitation (other than with respect to an Early Termination Payment) shall be paid (together with interest calculated at the Agreed Rate or the Default Rate (as applicable) with respect to the period such amounts remained unpaid) on subsequent payment dates to the extent not exceeding the legal limitation.

3.5 Day Count Convention. All computations using the Agreed Rate, Default Rate or Termination Rate shall use the "Actual/360" day count convention.

## ARTICLE IV.

## TERMINATION

4.1 Early Termination, Change in Control, Breach of Agreement and Divestiture.

(a) The Corporate Taxpayer may, with the prior written consent of a majority of the disinterested members of the Board, terminate this Agreement with respect to all amounts payable to all the Stockholders (including, for the avoidance of doubt, any transferee pursuant to Section 7.5(a)) at any time by paying or causing to be paid to such Stockholders an Early Termination Payment; provided, however, that this Agreement shall terminate with respect to any such Stockholder only upon the payment of such Early Termination Payment to such Stockholder; provided, further, that the Corporate Taxpayer may withdraw any notice to execute its termination rights under this Section 4.1(a) prior to the time at which any Early Termination Payment has been paid. Upon payment of an Early Termination Payment to a Stockholder the Corporate Taxpayer shall not have any further payment obligations in respect of such Stockholder under this Agreement, other than for any Tax Benefit Payment (i) agreed to by the Corporate Taxpayer and such Stockholder as due and payable but unpaid as of the Early Termination Date, (ii) that is the subject of an Objection Notice, which will be payable in accordance with resolution of the issues identified in such Objection Notice pursuant to this Agreement, and (iii) due for the Taxable Year ending with or including the Early Termination Date (except to the extent that the amounts described in clauses (i), (ii) or (iii) above are included in the calculation of the Early Termination Payment).

(b) In the event of a Change in Control or in the event that the Corporate Taxpayer materially breaches any of its material obligations under this Agreement, whether as a result of failure to make any payment when due, failure to honor any other material obligation

required hereunder or by operation of Law as a result of the rejection of this Agreement in a case commenced under the Bankruptcy Code or otherwise, then all obligations hereunder shall be accelerated, and such obligations shall be calculated as if an Early Termination Notice had been delivered on the date of such Change in Control or breach, as applicable, to the Stockholder Representative and shall include, but not be limited to, (i) the Early Termination Payment with respect to such Stockholder calculated as if an Early Termination Notice had been delivered on the date of such Change in Control or breach (and the Corporate Taxpayer shall provide the Stockholder Representative with an Early Termination Schedule, which shall become final in accordance with the procedures set forth in Section 4.2), (ii) any Tax Benefit Payment agreed to by the Corporate Taxpayer and such Stockholder as due and payable but unpaid as of the date of such Change in Control or breach, as applicable (iii) any Tax Benefit Payment that is the subject of an Objection Notice, which will be payable in accordance with resolution of the issues identified in such Objection Notice pursuant to this Agreement and (iv) any Tax Benefit Payment due for the Taxable Year ending with or including the date of such Change in Control or breach, as applicable (except to the extent that the amounts described in clauses (ii), (iii) and (iv) above are included in the calculation of the amount described in clause (i) above). Notwithstanding the foregoing, (A) in the event of a Change in Control, each Stockholder may waive the acceleration of payments with respect to such Stockholder hereunder pursuant to this Section 4.1(b), in which case for each Taxable Year ending on or after the date of the Change in Control, all TRA Payments in respect of such Stockholder shall be calculated by applying clauses (a) and (c) of the definition of "Valuation Assumptions," substituting in each case the term "the date of the Change in Control" for "the Early Termination Date", and (B) in the event that the Corporate Taxpayer materially breaches this Agreement, each Stockholder shall be entitled to elect to receive the amounts set forth in clauses (i), (ii), (iii) and (iv) above or to seek specific performance of the terms hereof. The Parties agree that it will not be considered to be a material breach of a material obligation under this Agreement to make a payment due pursuant to this Agreement within thirty (30) calendar days of the date such payment is due (for the avoidance of doubt, taking into account Section 3.4, 5.2 and 5.3).

(c) Divestiture Acceleration Payment. In the event of a Divestiture, the Corporate Taxpayer shall pay to the Stockholders the Divestiture Acceleration Payment in respect of such Divestiture, which shall be calculated utilizing the Valuation Assumptions.

4.2 Early Termination Notice. If the Corporate Taxpayer chooses to exercise its right of early termination under Section 4.1, the Corporate Taxpayer shall deliver to the Stockholder Representative, notice of such intention to exercise such right ("Early Termination Notice") and a schedule (the "Early Termination Schedule") specifying the Corporate Taxpayer's intention to exercise such right and showing in reasonable detail the calculation of the Early Termination Payment for each Stockholder. The Early Termination Schedule will become final and binding with respect to the Stockholder Representative and each Stockholder thirty (30) calendar days from the first date on which the Corporate Taxpayer sent the Stockholder Representative such Early Termination Schedule unless (a) the Stockholder Representative within thirty (30) calendar days after the date the Corporate Taxpayer sent such Schedule or amendment thereto provides the Corporate Taxpayer with an Objection Notice with respect to such Early Termination Schedule or (b) the Stockholder Representative provides a written waiver of the right to provide any Objection Notice with respect to such Schedule or amendment thereto within the period described in clause (a) above, in which case such Schedule or amendment thereto becomes binding on the date the

waiver is received by the Corporate Taxpayer. If the Corporate Taxpayer and the Stockholder Representative, for any reason, are unable to resolve the issues raised in such Objection Notice within thirty (30) calendar days after receipt by the Corporate Taxpayer of the Objection Notice, the Corporate Taxpayer and the Stockholder Representative shall employ the Reconciliation Procedures. The date on which every Early Termination Schedule under this Agreement becomes final with respect to all Stockholders in accordance with this Section 4.2 shall be the "Early Termination Effective Date".

4.3 Payment upon Early Termination.

(a) Within five (5) Business Days after the Early Termination Effective Date or the effective date of the applicable Divestiture, as applicable, the Corporate Taxpayer shall pay or cause to be paid to each Stockholder an amount equal to its Early Termination Payment or Divestiture Acceleration Payment, as applicable. Such payment shall be made, at the sole discretion of the Corporate Taxpayer, by wire or Automated Clearing House transfer of immediately available funds to a bank account or accounts designated by the applicable Stockholder or as otherwise agreed by the Corporate Taxpayer and such Stockholder (except, in each case, to the extent that such amounts are required to be paid with shares of Parent Class A Stock pursuant to Section 2.11(i) of the Merger Agreement).

(b) An "Early Termination Payment" in respect of a Stockholder shall equal the net present value, discounted at the Early Termination Rate as of the Early Termination Date, of all Tax Benefit Payments that would be required to be paid by the Corporate Taxpayer to such Stockholder under Section 3.1(a) beginning from the Early Termination Date assuming that the Valuation Assumptions are applied.

(c) A "Divestiture Acceleration Payment" in respect of a Stockholder, shall equal the net present value, discounted at the Early Termination Rate as of the Early Termination Date, of all Tax Benefits Payments resulting solely from the Applicable Assets (or portion thereof) that are the subject of the Divestiture (or, without duplication, any other portion of such Applicable Asset or other Applicable Asset to the extent that the Additional Basis Recovery attributable thereto is not recoverable for U.S. federal income tax purposes after the applicable Divestiture) that would be required to be paid by the Corporate Taxpayer to such Stockholder under Section 3.1(a) beginning from the Early Termination Date assuming the Valuation Assumptions are applied. The computation of the Divestiture Acceleration Payment shall be subject to the Reconciliation Procedures.

## ARTICLE V.

## SUBORDINATION AND LATE PAYMENTS

5.1 Subordination. Notwithstanding any other provision of this Agreement to the contrary, any TRA Payment (or portion thereof) required to be made to a Stockholder under this Agreement shall rank subordinate and junior in right of payment to any principal, interest (including interest which accrues after the commencement of any case or proceeding in bankruptcy, or the reorganization of the Corporate Taxpayer or any Subsidiary thereof), fees, premiums, charges, expenses, attorneys' fees or other obligations in respect of indebtedness for

borrowed money of the Corporate Taxpayer (and its wholly-owned Subsidiaries, if applicable) ("Senior Obligations") and shall rank pari passu with all current or future unsecured obligations of Corporate Taxpayer (and its wholly-owned Subsidiaries, as applicable) that are not Senior Obligations.

5.2 Late Payments by the Corporate Taxpayer. The amount of all or any portion of any TRA Payment not made to the Stockholders when due under the terms of this Agreement (taking into account any deferral under Section 5.3) shall be payable together with any interest thereon, computed at the Default Rate and commencing from the date on which such TRA Payment was due and payable.

5.3 Payment Deferral.

(a) Notwithstanding anything to the contrary provided herein, to the extent that, at the time any TRA Payment becomes due and payable hereunder, (i) the Corporate Taxpayer Group is not permitted, pursuant to the terms of any outstanding or committed indebtedness for borrowed money to make such TRA Payment (not including an Early Termination Payment, other than one in connection with a Change in Control or Breach), or if, after making such TRA Payment, the Corporate Taxpayer Group would be in breach or default under the terms of any such indebtedness, or (ii) (A) the Corporate Taxpayer does not have the cash on hand to make such TRA Payment, and (B) the Corporate Taxpayer is not able to obtain cash from the Corporate Taxpayer Group to fund such TRA Payment because (1) the Corporate Taxpayer Group is not permitted, pursuant to the terms of any such indebtedness, to make tax distributions or similar payments to the Corporate Taxpayer to allow it to make such TRA Payment, or if, after making such TRA Payment, the Corporate Taxpayer Group would be in breach or default under the terms of any such indebtedness or (2) the applicable members of the Corporate Taxpayer Group do not have the cash on hand to make the payment described in clause (1) above, then, in each case, upon prior notice to the Stockholder Representative, the Corporate Taxpayer shall be permitted to defer such TRA Payment until the condition described in clauses (i) or (ii) above is no longer applicable.

(b) If the Corporate Taxpayer defers any TRA Payment (or portion thereof) pursuant to Section 5.3(a), such deferred amount shall accrue interest at the Agreed Rate, from the date that such amounts originally became due and owing pursuant to the terms hereof to the Payment Date, compounded annually, and such deferred amounts shall not be treated as late payments or as a breach of any obligation under this Agreement, provided that, for the avoidance of doubt, if Section 5.2 becomes applicable because the conditions described in clauses (i) and (ii) in Section 5.3(a) are no longer applicable and such TRA Payment (or portion thereof) still has not been paid to the Stockholders, then Section 5.2, and not this Section 5.3(b), shall apply for the period commencing on the date on which such conditions are no longer applicable.

## ARTICLE VI.

## CERTAIN COVENANTS

6.1 Participation in the Corporate Taxpayer's Tax Matters. Except as otherwise provided herein, the Corporate Taxpayer shall have full responsibility for, and sole discretion over,

all Tax matters concerning the Corporate Taxpayer and its Subsidiaries, including the preparation, filing or amending of any Tax Return and defending, contesting or settling any issue pertaining to Taxes. Notwithstanding the foregoing, the Corporate Taxpayer shall notify the Stockholder Representative of, and keep the Stockholder Representative reasonably informed with respect to, the portion of any audit of the Corporate Taxpayer and its Subsidiaries by a Taxing Authority the outcome of which is reasonably expected to affect the rights and obligations of the Stockholders under this Agreement, and shall provide to the Stockholder Representative reasonable opportunity to provide information and other input to the Corporate Taxpayer and its respective advisors concerning the conduct of any such portion of such audit.

6.2 Consistency. The Corporate Taxpayer and each Stockholder agree to report and cause to be reported for all purposes, including federal, state and local Tax purposes, all Tax-related items (including the Additional Basis Recovery and each Tax Benefit Payment) in a manner consistent with that specified by the Corporate Taxpayer in any Schedule provided by or on behalf of the Corporate Taxpayer under this Agreement unless otherwise required by Law based on written advice of an Advisory Firm.

6.3 Future Indebtedness. If the Corporate Taxpayer Group incurs any indebtedness after the date hereof, the Corporate Taxpayer shall, and shall cause each other member of the Corporate Taxpayer Group to, use commercially reasonable efforts to ensure that such indebtedness does not prohibit, at any time in which no default or event of default thereunder has occurred and is continuing: (a) in the case of the Corporate Taxpayer, TRA Payments to be made in full when due, and (b) in the case of any other member of the Corporate Taxpayer Group, payments to be made directly or indirectly to the Corporate Taxpayer to enable the Corporate Taxpayer to make TRA Payments in full when due on terms and conditions at least as favorable to the Corporate Taxpayer as those as are then market (in the good faith determination of the Corporate Taxpayer) for indebtedness of such type. The Stockholder Representative may, in its sole discretion, waive the requirements of this Section 9.4, in whole or in part.

Any Party may change its address, fax number or e-mail by giving the other Party written notice of its new address or fax number in the manner set forth above.

7.2 Counterparts. This Agreement may be executed in counterparts, and any Party hereto may execute any such counterpart, each of which when executed and delivered shall be deemed to be an original and all of which counterparts taken together shall constitute but one and the same instrument. This Agreement shall become effective when each Party shall have received a counterpart of such document signed by the other Parties. The Parties agree that the delivery of this Agreement may be effected by means of an exchange of facsimile or electronically transmitted signatures.

7.3 Entire Agreement; Third Party Beneficiaries. This Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between

the Parties with respect to the subject matter hereof (other than, for the avoidance of doubt, Section 2.11(i) of the Merger Agreement). This Agreement shall be binding upon and inure solely to the benefit of each party hereto and their respective successors and permitted assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

7.4 Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Law (a) such provision will be fully severable, (b) this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom and (d) in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms of such illegal, invalid or unenforceable provision as may be possible.

7.5 Successors; Assignment; Amendments; Waivers.

(a) A Stockholder is freely permitted to transfer any of its rights (in whole or in part) without the consent of the Corporate Taxpayer or any other Person upon execution and delivery by the transferee of a joinder to this Agreement, in form and substance substantially similar to Exhibit A to this Agreement, in which the transferee agrees to become a "Stockholder" for all purposes of this Agreement, except as otherwise provided in such joinder. Schedule 1 shall be amended to reflect any permitted transfer hereunder.

(b) No provision of this Agreement may be amended unless such amendment is approved in writing by the Corporate Taxpayer and the Stockholders. No provision of this Agreement may be waived unless such waiver is in writing and signed by the party against whom the waiver is to be effective.

(c) All of the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the Parties and their respective successors, permitted assigns, heirs, executors, administrators and legal representatives. The Corporate Taxpayer shall require and cause any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Corporate Taxpayer, by written agreement, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Corporate Taxpayer would be required to perform if no such succession had taken place (except to the extent expressly provided by this Agreement).

7.6 Titles and Subtitles. The titles of the sections and subsections of this Agreement are for convenience of reference only and are not to be considered in construing this Agreement.

7.7 Governing Law. This Agreement shall be governed by and interpreted and enforced in accordance with the Laws of the State of Delaware, without giving effect to any choice of Law or conflict of Laws rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.

7.8 Consent to Jurisdiction; Waiver of Jury Trial. Each Party irrevocably submits to the exclusive jurisdiction of the Court of Chancery of the State of Delaware (unless the Federal courts have exclusive jurisdiction over the matter, in which case the United States District Court for the District of Delaware, or the Court of Chancery of the State of Delaware does not have jurisdiction, in which case the Superior Court of the State of Delaware) for the purposes of any legal proceeding arising out of this Agreement, and agrees to commence any such legal proceeding only in such courts. Each Party further agrees that service of any process, summons, notice or document by United States registered mail to such Party's respective address set forth herein shall be effective service of process for any such legal proceeding. Each Party irrevocably and unconditionally waives any objection to the laying of venue of any legal proceeding out of this Agreement in such courts, and hereby irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such legal proceeding brought in any such court has been brought in an inconvenient forum. EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING OR COUNTERCLAIM (WHETHER AT LAW, IN EQUITY, BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ACTIONS OF SUCH PARTY IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT HEREOF.

7.9 Reconciliation. In the event that the Corporate Taxpayer and the Stockholder Representative are unable to resolve a disagreement with respect to the matters governed by ARTICLE II or ARTICLE IV within the relevant period designated in this Agreement ("Reconciliation Dispute"), the Reconciliation Dispute shall be submitted for determination to a nationally recognized expert (the "Expert") in the particular area of disagreement mutually acceptable to such Parties. The Expert shall be a partner or principal in a nationally recognized accounting or law firm, and (unless the Corporate Taxpayer and the Stockholder Representative agree otherwise) the Expert shall not, and the firm that employs the Expert shall not, have any material relationship with the Corporate Taxpayer or the Stockholder Representative or their Affiliates or other actual or potential conflict of interest. If the Parties are unable to agree on an Expert within fifteen (15) calendar days of the end of the thirty (30) calendar-day period set forth in Sections 2.2 or 4.2, the Expert shall be appointed by the International Chamber of Commerce Centre for Expertise. The Expert shall resolve any matter relating to the Early Termination Schedule or an amendment thereto within thirty (30) calendar days and shall resolve any matter relating to a Tax Benefit Schedule or an amendment thereto within fifteen (15) calendar days or, in each case, as soon thereafter as is reasonably practicable, in each case after the matter has been submitted to the Expert for resolution. If the matter is not resolved before any payment that is the subject of a disagreement would be due (in the absence of such disagreement), the undisputed amount shall be paid on the date prescribed by this Agreement, subject to adjustment upon resolution. For the avoidance of doubt, this Section 7.9 shall not restrict the ability of the Corporate Taxpayer or its Affiliates to determine when or whether to file or amend any Tax Return. The costs and expenses relating to the engagement of such Expert or amending any Tax Return shall be borne equally by the Corporate Taxpayer and the Stockholders (on a pro rata basis based on relative proportion of all Early Termination Payments under this Agreement, measured by present value of payments due under this Agreement, using the present value calculation and assumptions described under Section 4.3(b) assuming for such purpose the Early Termination Date is the date the Reconciliation Dispute is resolved) participating in the Reconciliation Dispute. The Corporate Taxpayer may withhold payments under this Agreement to collect amounts due under the

preceding sentence. Any dispute as to whether a dispute is a Reconciliation Dispute within the meaning of this Section 7.9 shall be decided by the Expert. The Expert shall finally determine any Reconciliation Dispute and the determinations of the Expert pursuant to this Section 7.9 shall be binding on the Corporate Taxpayer, and the Stockholder Representative, as applicable, participating in the Reconciliation Dispute and may be entered and enforced in any court having jurisdiction.

7.10 Withholding. The Corporate Taxpayer shall be entitled to deduct and withhold or cause to be deducted and withheld from any payment payable pursuant to this Agreement such amounts required to be deducted and withheld with respect to the making of such payment under the Code or any other applicable tax Law, provided, that the Corporate Taxpayer shall use commercially reasonable efforts to notify the Stockholder Representative and any applicable Stockholder of its intent to withhold at least ten (10) Business Days prior to withholding such amounts.

To the extent that amounts are so withheld and paid over to the appropriate Taxing Authority by the Corporate Taxpayer, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to such Stockholder.

7.11 Admission of the Corporate Taxpayer into a Consolidated Group; Transfers of Corporate Assets. If the Corporate Taxpayer and its wholly owned Subsidiaries are or become members of a combined, consolidated, affiliated or unitary group that files a consolidated, combined or unitary income tax return pursuant to Sections 1501 *et seq.* of the Code or any corresponding provisions of state or local Law, then: (a) the provisions of this Agreement shall be applied with respect to the relevant group as a whole; and (b) TRA Payments, Net Tax Benefit, Cumulative Net Realized Tax Benefit, Realized Tax Benefit or Detriment and other applicable items hereunder shall be computed with reference to the consolidated (or combined or unitary, where applicable) taxable income, gain, loss, deduction and attributes of the relevant group as a whole.

7.12 Confidentiality. Each Stockholder and each of its assignees acknowledge and agree that the information of the Corporate Taxpayer is confidential and agrees that such Stockholder (or assignee) shall keep and retain in the strictest confidence and not disclose to any Person any confidential matters acquired pursuant to this Agreement of the Corporate Taxpayer and its Affiliates and successors, learned by the Stockholder heretofore or hereafter, except in the course of performing any duties as necessary for the Corporate Taxpayer and its Affiliates, as required by Law or legal process or to enforce the terms of this Agreement. This Section 7.12 shall not apply to (a) any information that has been made publicly available by the Corporate Taxpayer or any of its Affiliates, becomes public knowledge (except as a result of an act of the Stockholder in violation of this Agreement) or is generally known to the business community, (b) any information independently determined by a Stockholder or provided to a Stockholder by a third party on a non-confidential basis and (c) the disclosure of information to the extent necessary for the Stockholder to prepare and file its Tax Returns, to respond to any inquiries regarding the same from any Taxing Authority or to prosecute or defend any action, proceeding or audit by any Taxing Authority with respect to such Tax Returns. Notwithstanding anything to the contrary herein or in any other agreement, the Stockholders and each of their assignees (and each employee, representative or other agent of the Stockholders or their assignees, as applicable) may disclose to any and all

Persons, without limitation of any kind, the tax treatment and tax structure and any related tax strategies of or relating to the Corporate Taxpayer and its Affiliates, the Stockholder or its assignee, and any of their transactions or agreements, and all materials of any kind (including opinions or other tax analyses) that are provided to the Stockholder or its assignee relating to such tax treatment and tax structure and any related tax strategies.

If a Stockholder or an assignee commits a breach, or threatens to commit a breach, of any of the provisions of this Section 7.12, the Corporate Taxpayer and its Affiliates shall have the right and remedy to have the provisions of this Section 7.12 specifically enforced by injunctive relief or otherwise by any court of competent jurisdiction without the need to post any bond or other security, it being acknowledged and agreed that any such breach or threatened breach shall cause irreparable injury to the Corporate Taxpayer or its Affiliates and the accounts and funds managed by the Corporate Taxpayer and that money damages alone shall not provide an adequate remedy to such Persons. Such rights and remedies shall be in addition to, and not in lieu of, any other rights and remedies available at law or in equity.

7.13 Change in Law. Notwithstanding anything herein to the contrary, if, in connection with an actual or proposed change in Law, a Stockholder reasonably believes that the existence of this Agreement could cause income (other than income arising from receipt of a payment under this Agreement) recognized by such Stockholder (or its direct or indirect owners) to be treated as ordinary income rather than capital gain (or otherwise taxed at ordinary income rates) for U.S. federal income tax purposes or could have other material adverse tax consequences to such Stockholder (or its direct or indirect owners), then at the election of such Stockholder and the receipt by such Stockholder of the written consent of the Corporate Taxpayer (such consent not to be unreasonably withheld, conditioned or delayed) and to the extent specified by such Stockholder, this Agreement shall cease to have further effect with respect to such Stockholder.

7.14 Independent Nature of Stockholders' Rights and Obligations. The rights and obligations of each Stockholder are independent of the rights and obligations of any other Stockholder. No Stockholder shall be responsible in any way for the performance of the obligations of any other Stockholder, nor shall any Stockholder have the right to enforce the rights or obligations of any other Stockholder. The obligations of each Stockholder are solely for the benefit of, and shall be enforceable solely by, the Corporate Taxpayer. The decision of each Stockholder to enter into this Agreement has been made by such Stockholder independently of any other Stockholder. Nothing contained herein or in any other agreement or document delivered at any closing, and no action taken by any Stockholder pursuant hereto or thereto, shall be deemed to constitute the Stockholders as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Stockholders are in any way acting in concert or as a group with respect to such rights or obligations or the transactions contemplated hereby, and the Corporate Taxpayer acknowledges that the Stockholders are not acting in concert or as a group and will not assert any such claim with respect to such rights or obligations or the transactions contemplated hereby.

7.15 Stockholder Representative.

(a) The Stockholder Representative shall act as the representative of the Stockholders in respect of all matters arising under this Agreement, and shall be authorized to

act, or refrain from acting, in each case as the Stockholder Representative believes is necessary or appropriate under this Agreement, for and on behalf of the Stockholders. The Stockholders shall be bound by all such actions taken by the Stockholder Representative and no Stockholder shall be permitted to take any such actions. The Stockholder Representative is serving as the Stockholder Representative solely for purposes of administrative convenience, and is not personally liable (except in its capacity as a Stockholder hereunder) for any of the obligations of any Stockholders hereunder, and the Corporate Taxpayer (on behalf of itself and its Affiliates) agrees that it will not look to the Stockholder Representative or the underlying assets of the Stockholder Representative for the satisfaction of any obligations of any of the Stockholders. The Stockholder Representative shall not be liable for any error of judgment, or any action taken, suffered or omitted to be taken, in connection with the performance by the Stockholder Representative of the Stockholder Representative's duties or the exercise by the Stockholder Representative of the Stockholder Representative's rights and remedies under this Agreement, except in the case of its bad faith or willful misconduct. No bond shall be required of the Stockholder Representative. The Stockholder Representative may consult with legal counsel, independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts. The Stockholder Representative shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement. Without limiting the generality of the foregoing, the Stockholder Representative shall have the full power and authority to interpret all the terms and provisions of this Agreement, and to consent to any amendment hereof or thereof on behalf of all Stockholders and their respective successors. The Corporate Taxpayer shall be entitled to rely on all statements, representations, decisions of, and actions taken or omitted to be taken by, the Stockholder Representative relating to this Agreement.

(b) The Stockholders will indemnify and hold harmless the Stockholder Representative from and against any and all Losses (as defined in the Merger Agreement) arising out of or in connection with the Stockholder Representative's execution and performance of this Agreement, in each case as such Loss is suffered or incurred; provided, that in the event that any such Loss is finally adjudicated to have been directly caused by the gross negligence or willful misconduct of the Stockholder Representative, the Stockholder Representative will reimburse the Stockholders the amount of such indemnified Loss to the extent attributable to such gross negligence or willful misconduct. In no event will the Stockholder Representative be required to advance its own funds on behalf of the Stockholders or otherwise. The Stockholders acknowledge and agree that the foregoing indemnities will survive the resignation or removal of the Stockholder Representative or the termination of this Agreement.

(c) The Stockholder Representative may resign at any time by giving 30 days' notice to the Corporate Taxpayer and the Stockholders; provided, however, in the event of the resignation or removal of the Stockholder Representative, a new Stockholder Representative (who shall be reasonably acceptable to the Corporate Taxpayer) shall be appointed by the vote or written consent of PE Greenlight Holdings, LLC.

(i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated Fixed Charge Coverage Ratio and Consolidated Total Net Leverage Ratio;

(ii) testing availability under baskets set forth in this Agreement (including baskets determined by reference to Consolidated EBITDA or Consolidated Total Assets); or

(iii) determining other compliance with this Agreement (including the determination that no Default or Event of Default (or any type of Default or Event of Default) has occurred, is continuing or would result therefrom);

in each case, at the option of Lead Borrower (Lead Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger) or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition or Investment, (y) the public announcement of an intention to make an offer in respect of the target of such acquisition or Investment or (z) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) the declaration of such Dividend or (y) the making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07(a), at the time of (or, in the case of any calculation or any financial ratio or test, with respect to, or as of the last day of, the most recently ended Test Period at the time of) (x) delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the "LCT Test Date"), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), Lead Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if Lead Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Consolidated Total Assets of Lead Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If Lead Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Dividends, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of Lead Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a "Subsequent Transaction") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement, public announcement or irrevocable notice for such Limited Condition Transaction is terminated, revoked or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

Section 1.04 Classification and Reclassification. It is understood and agreed that any Lien, sale, lease or other disposition of assets, Dividend, Indebtedness, Investment, Affiliate transaction or prepayment of Indebtedness need not be permitted solely by reference to one category of permitted Lien, sale, lease or other disposition of assets, Dividend, Indebtedness, Investment, Affiliate transaction or prepayment of Indebtedness under Sections 10.01, 10.02, 10.03, 10.04, 10.05, 10.06 and 10.07(a), respectively, but may instead be permitted in part under any combination thereof (it being understood that Lead Borrower may utilize amounts under any category that is subject to any financial ratio or test, including the Consolidated Total Net Leverage Ratio, Payment Conditions or Distribution Conditions, prior to amounts under any other category). For purposes of determining compliance at any time with Sections 10.01 and 10.04, in the event that any Lien or Indebtedness meets the criteria of more than one of the categories of transactions or items permitted pursuant to any clause of such Sections 10.01 and 10.04, Lead Borrower, in its sole discretion, may, from time to time, classify or reclassify such transaction or item (or portion thereof) and will only be required to include the amount and type of such transaction (or portion thereof) in any one category.

ARTICLE 2

Amount and Terms of Credit

Section 2.01 The Commitments. Subject to the terms and conditions and relying upon the representations and warranties herein set forth, each Lender agrees, severally and not jointly, to make Revolving Loans to the Borrowers, at any time and from time to time on and after the Closing Date until the earlier of one Business Day prior to the Maturity Date and the termination of the Commitment of such Lender in accordance with the terms hereof, in an aggregate principal amount at any time outstanding that will not result in such Lender's Revolving Exposure exceeding the lesser of (i) such Lender's Revolving Commitment, and (ii) such Lender's Pro Rata Percentage multiplied by the Borrowing Base then in effect. Within the limits set forth above and subject to the terms, conditions and limitations set forth herein, the Borrowers may borrow, pay or prepay and reborrow Revolving Loans. All Borrowers shall be jointly and severally liable as Borrowers for all Loans regardless of which Borrower receives the proceeds thereof. Each Lender may, at its option, make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not (A) affect in any manner the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement, (B) excuse or relieve any Lender of its Commitment to make any such Loan to the extent not so made by such branch or Affiliate or (C) cause the Borrowers to pay additional amounts pursuant to Section 3.01.

Section 2.02 Loans.

(a) Each Loan (other than Swingline Loans) shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; *provided* that the failure of any Lender to make any Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). Except for Loans deemed made pursuant to Section 2.02(f), Loans (other than Swingline Loans) comprising any Borrowing shall be in an aggregate principal amount that is (i) (A) in the case of Base Rate Loans, not less than $500,000 and (B) in the case of LIBO Rate Loans, an integral multiple of $250,000 and not less than $1,000,000, or (ii) equal to the remaining available balance of the applicable Revolving Commitments.

(b) Subject to Section 3.01, each Borrowing shall be comprised entirely of Base Rate Loans or LIBO Rate Loans as Lead Borrower may request pursuant to Section 2.03. Borrowings of more than one Type may be outstanding at the same time; *provided further* that Lead Borrower shall not be entitled to request any Borrowing that, if made, would result in more than ten (10) Borrowings of LIBO Rate Loans outstanding hereunder at any one time. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(c) Except with respect to Loans made pursuant to Section 2.02(f), each Lender shall make each Loan (other than Swingline Loans) to be made by it hereunder on the requested date of such Borrowing by wire transfer of immediately available funds to such account in New York City as the Administrative Agent may designate, by not later than 1:00 p.m., New York City time, and the Administrative Agent shall promptly credit the amounts so received to the Designated Account (or such other deposit account of Lead Borrower specified in the applicable Notice of Borrowing) on the requested date of such Borrowing or, if a Borrowing shall not occur on such date because any

condition precedent herein specified shall not have been met or waived, return the amounts so received to the respective Lenders.

(d) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with clause (c) above, and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, such Lender and the applicable Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to such Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of a Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, a rate determined by the Administrative Agent to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error). If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement.

(e) Notwithstanding any other provision of this Agreement, Lead Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

(f) If the Issuing Bank shall not have received from Lead Borrower the payment required to be made by Section 2.13(e) within the time specified in such Section, the Issuing Bank will promptly notify the Administrative Agent of the LC Disbursement and the Administrative Agent will promptly notify each Revolving Lender of such LC Disbursement and its Pro Rata Percentage thereof. Each Revolving Lender shall pay by wire transfer of immediately available funds to the Administrative Agent on such date (or, if such Revolving Lender shall have received such notice later than 12:00 (noon), New York City time, on any day, not later than 11:00 a.m., New York City time, on the immediately following Business Day), an amount equal to such Lender's Pro Rata Percentage of such LC Disbursement (it being understood that such amount shall be deemed to constitute a Base Rate Loan of such Lender, and such payment shall be deemed to have reduced the LC Exposure), and the Administrative Agent will promptly pay to the Issuing Bank amounts so received by it from the Revolving Lenders. The Administrative Agent will promptly pay to the Issuing Bank any amounts received by it from Lead Borrower pursuant to Section 2.13(e) prior to the time that any Revolving Lender makes any payment pursuant to this clause (f), and any such amounts received by the Administrative Agent thereafter will be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made such payments and to the Issuing Bank, as their interests may appear. If any Revolving Lender shall not have made its Pro Rata Percentage of such LC Disbursement available to the Administrative Agent as provided above, such Lender and Lead Borrower severally agree to pay interest on such amount, for each day from and including the date such amount is required to be paid in accordance with this clause (f) to but excluding the date such amount is paid, to the Administrative Agent for the account of the Issuing Bank at (i) in the case of Lead Borrower, a rate *per annum* equal to the interest rate applicable to Revolving Loans pursuant to Section 2.06(a), and (ii) in the case of such Lender, for the first such day, the Federal Funds Rate, and for each day thereafter, the Base Rate.

Section 2.03 Borrowing Procedure. To request a Revolving Borrowing, Lead Borrower shall notify the Administrative Agent of such request by telecopy or electronic transmission (if arrangements for doing so have been approved by the Administrative Agent, which approval shall not be unreasonably withheld, conditioned or delayed) or telephone (promptly confirmed by telecopy or electronic transmission) (i) in the case of a Borrowing of LIBO Rate Loans, not later than 1:00 p.m., New York City time, three Business Days before the date of the proposed Borrowing or (ii) in the case of a Borrowing of Base Rate Loans (other than Swingline Loans), not later than 1:00 p.m., New York City time, on the date of the proposed Borrowing. Notwithstanding the foregoing, if Lead Borrower wishes to request LIBO Rate Loans having an Interest Period other than one, two, three or six months in duration, or less than one month in duration with the consent of the Administrative Agent, in each case as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days before the date of the proposed Borrowing having an Interest Period other than one, two, three or six months in duration, whereupon the Administrative Agent shall give prompt notice to each applicable Lender whose

consent is required with a relevant Revolving Commitment of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the proposed date of such Borrowing having an Interest Period other than one, two, three or six months in duration, the Administrative Agent shall notify Lead Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by such Lenders or the Administrative Agent, as applicable. Each such telephonic Notice of Borrowing shall be irrevocable, subject to Sections 2.09, 3.01 and 3.05, and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Notice of Borrowing, appropriately completed and signed by Lead Borrower. Each such telephonic and written Notice of Borrowing shall specify the following information in compliance with Section 2.02:

(a) the aggregate amount of such Borrowing;

(b) the date of such Borrowing, which shall be a Business Day;

(c) whether such Borrowing is to be a Borrowing of Base Rate Loans or a Borrowing of LIBO Rate Loans;

(d) in the case of a Borrowing of LIBO Rate Loans, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(e) the location and number of the account to which funds are to be disbursed, which shall comply with the requirements of Section 2.02.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be a Borrowing of Base Rate Loans. If no Interest Period is specified with respect to any requested Borrowing of LIBO Rate Loans, then Lead Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Notice of Borrowing in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04 Evidence of Debt; Repayment of Loans.

(a) Each Borrower, jointly and severally, hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender, the then unpaid principal amount of each Revolving Loan of such Lender on the Maturity Date and (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the Maturity Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement. Lead Borrower shall be entitled to review records of such accounts with prior reasonable notice during normal business hours.

(c) The Administrative Agent shall maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. Lead Borrower shall be entitled to review records of such accounts with prior reasonable notice during normal business hours.

(d) The entries made in the accounts maintained pursuant to clauses (b) and (c) above shall be *prima facie* evidence of the existence and amounts of the obligations therein recorded absent manifest error; *provided* that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrowers to repay the Loans in accordance with their terms; *provided*, *further*, for the avoidance of doubt, to the extent any conflict arises between the accounts maintained pursuant to clause (b)

above and clause (c) above, the accounts maintained by the Administrative Agent pursuant to clause (c) above shall control.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the applicable Borrower shall promptly prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) substantially in the form of Exhibit B-1 or Exhibit B-2, as applicable.

Section 2.05 Fees.

(a) Unused Line Fee. The Borrowers jointly and severally agree to pay to the Administrative Agent, for the *pro rata* benefit of the Lenders (other than any Defaulting Lender), a fee equal to the Unused Line Fee Rate multiplied by the amount by which the Revolving Commitments (other than Revolving Commitments of a Defaulting Lender) exceed the average daily balance of outstanding Revolving Loans (other than Swingline Loans) and stated amount of outstanding Letters of Credit during any fiscal quarter (such fee, the "Unused Line Fee"). Such fee shall accrue commencing on the Closing Date, and will be payable in arrears, on the first day of each quarter, commencing on or about April 1, 2018.

(b) Administrative Agent Fees. The Borrowers jointly and severally agree to pay to the Administrative Agent, for its own account, the administrative fees payable in the amounts and at the times separately agreed upon between Lead Borrower and the Administrative Agent.

(c) LC and Fronting Fees. The Borrowers jointly and severally agree to pay (i) to the Administrative Agent for the account of each applicable Revolving Lender a participation fee ("LC Participation Fee") with respect to its participations in Letters of Credit, which shall accrue at a rate equal to the Applicable Margin from time to time used to determine the interest rate on LIBO Rate Loans pursuant to Section 2.06, on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the Issuing Bank a fronting fee ("Fronting Fee"), which shall accrue at the rate of 0.125% *per annum* on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as the Issuing Bank's standard and reasonable fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder as agreed among Lead Borrower and the Issuing Bank from time to time. LC Participation Fees and Fronting Fees shall be payable on the first day of the quarter, commencing on the first such date to occur after the Closing Date; *provided* that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand (including documentation reasonably supporting such request). Any other fees payable to the Issuing Bank pursuant to this paragraph shall be payable within 10 Business Days after written demand (together with backup documentation supporting such reimbursement request). All LC Participation Fees and Fronting Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(d) All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders (other than Defaulting Lenders), except that the Fronting Fees shall be paid directly to the Issuing Bank. Once paid, none of the fees shall be refundable under any circumstances.

Section 2.06 Interest on Loans.

(a) Subject to the provisions of Section 2.06(c), the Loans comprising each Borrowing of Base Rate Loans, including each Swingline Loan, shall bear interest at a rate *per annum* equal to the Base Rate *plus* the Applicable Margin in effect from time to time.

(b) Subject to the provisions of Section 2.06(c), the Loans comprising each Borrowing of LIBO Rate Loans shall bear interest at a rate *per annum* equal to the LIBO Rate for the Interest Period in effect for such Borrowing *plus* the Applicable Margin in effect from time to time.

(c) Upon the occurrence and during the continuance of any Event of Default under Section 11.01 or Section 11.05, (x) overdue principal and, to the extent permitted by law, overdue interest in respect of each Loan, shall bear interest at a rate *per annum* equal to (i) for Base Rate Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for Base Rate Loans *plus* the Base Rate, (ii) for LIBO Rate Revolving Loans and associated interest, 2.00% *per annum* in excess of the Applicable Margin for LIBO Rate Revolving Loans *plus* the LIBO Rate and (y) overdue Fees shall bear interest at a rate *per annum* equal to 2.00% *per annum* in excess of the Applicable Margin for Base Rate Loans plus the Base Rate, each as in effect from time to time, in each case with such interest to be payable on demand.

(d) Accrued interest on each Loan shall be payable in arrears (i) in the case of Base Rate Loans, on each Adjustment Date, commencing with April 1, 2018, for such Base Rate Loans, (ii) in the case of LIBO Rate Loans, at the end of the current Interest Period therefor and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period and (iii) in the case of Revolving Loans, upon termination of the Revolving Commitments; *provided* that (x) interest accrued pursuant to clause (c) of this Section 2.06 shall be payable on demand and, absent demand, on each Adjustment Date, at the end of the current Interest Period and upon termination of the Revolving Commitments, as applicable, (y) in the event of any repayment or prepayment of any Loan (other than a prepayment of a Base Rate Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (z) in the event of any conversion of any LIBO Rate Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 365/366 days, except that interest computed by reference to the LIBO Rate (other than Base Rate Loans determined by reference to the LIBO Rate) shall be computed on the basis of a year of 360 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or LIBO Rate shall be determined by the Administrative Agent in accordance with the provisions of this Agreement and such determination shall be conclusive absent manifest error.

Section 2.07 Termination and Reduction of Commitments.

(a) The Revolving Commitments, the Swingline Commitment, and the LC Commitment shall automatically terminate on the Maturity Date.

(b) Lead Borrower may at any time terminate, or from time to time reduce, the Revolving Commitments; *provided* that (i) any such reduction shall be in an amount that is an integral multiple of $1,000,000 and (ii) the Revolving Commitments shall not be terminated or reduced if after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.09, the Aggregate Exposures would exceed the Aggregate Commitments.

(c) Lead Borrower shall notify the Administrative Agent of any election to terminate or reduce the Aggregate Commitments under paragraph (b) of this Section 2.07 at least two Business Days (or such shorter period to which the Administrative Agent may consent) prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each such notice shall be irrevocable except that, to the extent delivered in connection with a refinancing of the Obligations or other contingent transaction, such notice shall not be irrevocable until such refinancing is closed and funded or other contingent transaction has been consummated. Any effectuated termination or reduction of the Aggregate Commitments shall be permanent. Each reduction of the Aggregate Commitments shall be made ratably among the Lenders in accordance with their respective Revolving Commitments.

Section 2.08 Interest Elections.

(a) Each Revolving Borrowing initially shall be of the Type specified in the applicable Notice of Borrowing and, in the case of a Borrowing of LIBO Rate Loans, shall have an initial Interest Period as specified in such Notice of Borrowing. Thereafter, Lead Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Borrowing of LIBO Rate Loans, may elect Interest Periods therefor, all as provided in this Section 2.08. Lead Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding anything to the contrary, Lead Borrower shall not be entitled to request any conversion or continuation that, if made, would result in more than ten (10) Borrowings of LIBO Rate Loans outstanding hereunder at any one time. This Section 2.08 shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this Section 2.08, Lead Borrower shall notify the Administrative Agent of such election by telephone or electronic transmission (if arrangements for doing so have been approved by the Administrative Agent, which approval shall not be unreasonably withheld, delayed or conditioned) by the time that a Notice of Borrowing would be required under Section 2.03 if Lead Borrower was requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election, subject to Section 3.05. Each such telephonic Notice of Conversion/Continuation shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Notice of Conversion/Continuation substantially in the form of Exhibit A-2, unless otherwise agreed to by the Administrative Agent and Lead Borrower.

(c) Each telephonic and written Notice of Conversion/Continuation shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Notice of Conversion/Continuation applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Notice of Conversion/Continuation, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be a Borrowing of Base Rate Loans or a Borrowing of LIBO Rate Loans; and

(iv) if the resulting Borrowing is a Borrowing of LIBO Rate Loans, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term “Interest Period”.

If any such Notice of Conversion/Continuation requests a Borrowing of LIBO Rate Loans but does not specify an Interest Period, then Lead Borrower shall be deemed to have selected an Interest Period of one month’s duration.

(d) Promptly following receipt of a Notice of Conversion/Continuation, the Administrative Agent shall advise each Lender of the details thereof and of such Lender’s portion of each resulting Borrowing.

(e) If a Notice of Conversion/Continuation with respect to a Borrowing of LIBO Rate Loans is not timely delivered prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Borrowing of Base Rate Loans. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies Lead Borrower, then, after the occurrence and during the continuance of such Event of Default (i) no outstanding Borrowing may be converted to or continued as a Borrowing of LIBO Rate Loans and (ii) unless repaid, each Borrowing of LIBO Rate Loans shall be converted to a Borrowing of Base Rate Loans at the end of the Interest Period applicable thereto.

Section 2.09 Optional and Mandatory Prepayments of Loans.

(a) Optional Prepayments. Lead Borrower shall have the right at any time and from time to time to prepay, without premium or penalty (subject to Section 3.02), any Borrowing, in whole or in part, subject to the requirements of this Section 2.09; *provided* that each partial prepayment shall be in an amount that is an integral multiple of $100,000.

(b) Revolving Loan Prepayments.

(i) In the event of the termination of all the Revolving Commitments, Lead Borrower shall, on the date of such termination, repay or prepay all the outstanding Revolving Borrowings and all outstanding Swingline Loans and Cash Collateralize or backstop on terms reasonably satisfactory to the Administrative Agent the LC Exposure in accordance with Section 2.13(j).

(ii) In the event of any partial reduction of the Revolving Commitments, then (A) at or prior to the effective date of such reduction, the Administrative Agent shall notify Lead Borrower and the Revolving Lenders of the Aggregate Exposures after giving effect thereto and (B) if the Aggregate Exposures would exceed the Line Cap then in effect, after giving effect to such reduction, then Lead Borrower shall, on the date of such reduction (or, if such reduction is due to the imposition of new Reserves or a change in the methodology of calculating existing Reserves, within five Business Days following such notice), first, repay or prepay all Swingline Loans, second, repay or prepay Revolving Borrowings, and third, replace or Cash Collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.13(j), in an amount sufficient to eliminate such excess.

(iii) In the event that the Aggregate Exposures at any time exceeds the Line Cap then in effect, Lead Borrower shall, immediately after demand (or, if such overadvance is due to the imposition of new Reserves or a change in the methodology of calculating existing Reserves, or change in eligibility criteria or standards, within five Business Days following notice from the Administrative Agent), apply an amount equal to such excess to prepay the Loans and any interest accrued thereon, in accordance with this Section 2.09(b)(iii). Lead Borrower shall, first, repay or prepay all Swingline Loans, second, repay or prepay Revolving Borrowings, and third, replace or Cash Collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.13(j), in an amount sufficient to eliminate such excess.

(iv) In the event that the aggregate LC Exposure exceeds the LC Commitment then in effect, Lead Borrower shall, immediately after demand, replace or Cash Collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.13(j), in an amount sufficient to eliminate such excess.

(v) In the event the Administrative Agent delivers a Liquidity Notice to any bank or other depository at which any Deposit Account is maintained directing such bank or other depository to remit all funds in such Deposit Account to the Dominion Account, the Administrative Agent may apply any funds from time to time on deposit in the Dominion Account first, to repay or prepay all Swingline Loans and any interest accrued thereon, and second, repay or prepay Revolving Borrowings, with any amounts remaining after such application being deposited into the Designated Account.

(c) Application of Prepayments.

(i) Prior to any optional or mandatory prepayment of Borrowings hereunder, Lead Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to clause (i) of this Section 2.09(c). Except as provided in Section 2.09(b)(iii) hereof, all mandatory prepayments shall be applied as follows: first, to fees and reimbursable expenses of the Administrative Agent then due and payable pursuant to the Credit Documents; second, to interest then due and payable on the Borrowers' Swingline Loans; third, to the principal balance of the Swingline Loan outstanding until the same has been prepaid in full; fourth, to interest then due and payable on the Revolving Loans and other amounts due pursuant to Sections 3.01, 3.02 and 5.01; fifth, to the principal balance of the Revolving Loans until the same have been prepaid in full; sixth, to Cash Collateralize all LC Exposure plus any accrued and unpaid interest thereon (to be held and applied in accordance with Section 2.13(j) hereof); seventh, to all other Obligations *pro rata* in accordance with the amounts that such Lender certifies is outstanding; and eighth, as required by the Intercreditor Agreement or, in the absence of any such requirement, returned to Lead Borrower or to such party as otherwise required by law.

(ii) Amounts to be applied pursuant to this Section 2.09 to the prepayment of Revolving Loans shall be applied, as applicable, first to reduce outstanding Base Rate Loans. Any amounts remaining after each such application shall be applied to prepay LIBO Rate Loans. Notwithstanding the foregoing, if the amount of any prepayment of Loans required under this Section 2.09 shall be in excess of the amount of the Base Rate Loans at the time outstanding, only the portion of the amount of such prepayment that is equal to the amount of such outstanding Base Rate Loans shall be immediately prepaid and, at the election of Lead Borrower, the balance of such required prepayment shall be either (A) deposited in the LC Collateral Account and applied to the prepayment of LIBO Rate Loans on the last day of the then next-expiring Interest Period for LIBO Rate Loans (with all interest accruing thereon for the account of the applicable Borrower) or (B) prepaid immediately, together with any amounts owing to the Lenders under Section 2.10. Notwithstanding any such deposit in the LC Collateral Account, interest shall continue to accrue on such Loans until prepayment.

(d) Notice of Optional Prepayment. Lead Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (confirmed by telecopy) of any optional prepayment hereunder (i) in the case of prepayment of a Borrowing of LIBO Rate Loans, not later than 1:00 p.m., New York City time, three Business Days (or such shorter period to which the Administrative Agent may consent) before the date of prepayment, (ii) in the case of prepayment of a Borrowing of Base Rate Loans, not later than 4:00 p.m., New York City time, on the date of prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 4:00 p.m., New York City time, on the date of prepayment. Each such notice shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid. Each notice of prepayment pursuant to this Section shall be irrevocable, except that Lead Borrower may, by subsequent notice to the Administrative Agent, revoke any such notice of prepayment if such notice of revocation is received not later than 10:00 a.m. (New York City time) on the day on which such prepayment is scheduled to occur, and, provided that (i) Lead Borrower reimburses each Lender pursuant to Section 3.02 for any funding losses within five Business Days after receiving written demand therefor and (ii) the amount of Loans as to which such recovation applies shall be deemed converted to (or continued as, as applicable) Base Rate Loans in accordance with the provisions of Section 2.08 as of the date of notice of revocation (subject to subsequent conversion in accordance with the provisions of this Agreement). Promptly following receipt of any such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.06.

Section 2.10 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Each Borrower shall make each payment required to be made by it hereunder or under any other Credit Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Sections 3.01, 3.02 and 5.01 or otherwise) at or before the time expressly required hereunder or under such other Credit Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time (or, in connection with any prepayment of all outstanding Loans and the termination of all Commitments, such later time on the specified date as the Administrative Agent may agree)), on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the reasonable discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at the Payment Office, except payments to be made directly to the Issuing Bank or Swingline Lender as expressly provided herein and except that payments pursuant to Sections 3.01, 3.02, 5.01 and 13.01 shall be made to the Persons entitled thereto and payments pursuant to other Credit Documents shall be made to the Administrative Agent for the benefit of the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Credit Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Credit Document shall be made in U.S. Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall

be applied in the manner as provided in Section 2.09(c) or 11.11 hereof, as applicable, ratably among the parties entitled thereto.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in LC Disbursements and Swingline Loans; *provided* that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by Lead Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to Lead Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Credit Parties rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of a Credit Party in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from Lead Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that Lead Borrower will not make such payment, the Administrative Agent may assume that Lead Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if Lead Borrower has not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.02(c), 2.02(f), 2.10(d), 2.12(d) or 2.13(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.11 Defaulting Lenders.

(a) Reallocation of Pro Rata Share; Amendments. For purposes of determining the Lenders' obligations to fund or acquire participations in Loans or Letters of Credit, the Administrative Agent may exclude the Commitments and Loans of any Defaulting Lender(s) from the calculation of Pro Rata Shares. A Defaulting Lender shall have no right to vote on any amendment, waiver or other modification of a Credit Document, except as provided in Section 13.12.

(b) Payments; Fees. The Administrative Agent may, in its discretion, receive and retain any amounts required to be paid to a Defaulting Lender under the Credit Documents, and a Defaulting Lender shall be deemed to have assigned to the Administrative Agent such amounts until all Obligations owing to the Administrative Agent, Non-Defaulting Lenders and other Secured Creditors have been paid in full. The Administrative Agent may apply such amounts to the Defaulting Lender's defaulted obligations, use the funds to Cash Collateralize such Lender's Fronting Exposure, or readvance the amounts to the Borrowers hereunder. A Lender shall not be entitled to receive (and no Borrower shall be obligated to pay) any fees accruing hereunder during the period in which it is a Defaulting Lender, and the unfunded portion of its Commitment shall be disregarded for purposes of calculating the Unused Line Fee under Section 2.05(a). To the extent any LC Obligations owing to a Defaulting Lender are reallocated to other

Lenders, LC Participation Fees attributable to such LC Obligations under Section 2.05(c) shall be paid to such other Lenders. The Administrative Agent shall be paid all LC Participation Fees attributable to LC Obligations that are not so reallocated.

(c) Cure. Lead Borrower, Administrative Agent and Issuing Bank may agree in writing that a Lender is no longer a Defaulting Lender. At such time, Pro Rata Shares shall be reallocated without exclusion of such Lender's Commitments and Loans, and all outstanding Loans, LC Obligations and other exposures under the Commitments shall be reallocated among Lenders and settled by the Administrative Agent (with appropriate payments by the reinstated Lender) in accordance with the readjusted Pro Rata Shares. Unless expressly agreed by Lead Borrower, Administrative Agent and Issuing Bank, no reinstatement of a Defaulting Lender shall constitute a waiver or release of claims against such Lender. The failure of any Lender to fund a Loan, to make a payment in respect of LC Obligations or otherwise to perform its obligations hereunder shall not relieve any other Lender of its obligations, and no Lender shall be responsible for default by another Lender.

Section 2.12 Swingline Loans.

(a) Swingline Commitment. Subject to the terms and conditions set forth herein, the Swingline Lender may, but shall not be obligated to, make Swingline Loans to the Borrowers from time to time during the Revolving Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding $15,000,000 or (ii) the Aggregate Exposures exceeding the lesser of (A) the Aggregate Commitments and (B) the Borrowing Base then in effect; *provided* that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, repay and reborrow Swingline Loans.

(b) Swingline Loans. To request a Swingline Loan, Lead Borrower shall notify the Administrative Agent of such request by telephone (confirmed by telecopy), not later than 2:00 p.m., New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from Lead Borrower. The Swingline Lender shall make each Swingline Loan available to the applicable Borrower by means of a credit to the Designated Account (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.13(e), by remittance to the Issuing Bank) by 5:00 p.m., New York City time, on the requested date of such Swingline Loan. Lead Borrower shall not request a Swingline Loan if at the time of and immediately after giving effect to such request a Default has occurred and is continuing. Swingline Loans shall be made in minimum amounts of $100,000.

(c) Prepayment. Lead Borrower shall have the right at any time and from time to time to repay, without premium or penalty, any Swingline Loan, in whole or in part, upon giving written or telecopy notice (or telephone notice promptly confirmed by written, or telecopy notice) to the Swingline Lender and to the Administrative Agent before 4:00 p.m., New York City time on the date of repayment at the Swingline Lender's address for notices specified in the Swingline Lender's administrative questionnaire. All principal payments of Swingline Loans shall be accompanied by accrued interest on the principal amount being repaid to the date of payment.

(d) Participations. The Swingline Lender may by written notice given to the Administrative Agent not later than 4:00 p.m., New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender's Pro Rata Percentage of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Pro Rata Percentage of such Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Aggregate Commitments or whether an Overadvance exists or is created thereby, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever (*provided* that such payment shall not cause such Lender's Revolving Exposure to exceed such Lender's Revolving

Commitment). Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.02(f) with respect to Loans made by such Lender (and Section 2.02 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify Lead Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from Lead Borrower (or other party on behalf of Lead Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve any Borrower of any default in the payment thereof.

(e) If a Maturity Date shall have occurred at a time when Extended Revolving Loan Commitments are in effect, then on such Maturity Date all then outstanding Swingline Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swingline Loans as a result of the occurrence of such Maturity Date); *provided* that, if on the occurrence of such Maturity Date (after giving effect to any repayments of Revolving Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.13(g)), there shall exist sufficient unutilized Extended Revolving Loan Commitments so that the respective outstanding Swingline Loans could be incurred pursuant to the Extended Revolving Loan Commitments which will remain in effect after the occurrence of such Maturity Date, then there shall be an automatic adjustment on such date of the participations in such Swingline Loans and same shall be deemed to have been incurred solely pursuant to the Extended Revolving Loan Commitments and such Swingline Loans shall not be so required to be repaid in full on such Maturity Date.

Section 2.13 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, Lead Borrower may request the issuance of Letters of Credit for Lead Borrower's account or the account of a Subsidiary of Lead Borrower in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time during the Revolving Availability Period (*provided* that Lead Borrower shall be a co-applicant with respect to each Letter of Credit issued for the account of or in favor of a Subsidiary). All Existing Letters of Credit shall be deemed, without further action by any party hereto, to have been issued on the Closing Date pursuant to this Agreement, and the Lenders shall thereupon acquire participations in the Existing Letters of Credit as if so issued without further action by any party hereto, to be acquired by the Lenders hereto. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by Lead Borrower to, or entered into by Lead Borrower with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Request for Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit, Lead Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank) a LC Request to the Issuing Bank and the Administrative Agent not later than 1:00 p.m. on the second Business Day preceding the requested date of issuance, amendment, renewal or extension (or such later date and time as is reasonably acceptable to the Issuing Bank). A request for an initial issuance of a Letter of Credit shall specify in form and detail reasonably satisfactory to the Issuing Bank: (i) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (ii) the amount thereof; (iii) the expiry date thereof; (iv) the name and address of the beneficiary thereof; (v) the documents to be presented by such beneficiary in case of any drawing thereunder; (vi) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder, and (vii) such other matters as the Issuing Bank may reasonably require. A request for an amendment, renewal or extension of any outstanding Letter of Credit shall specify in form and detail reasonably satisfactory to the Issuing Bank (w) the Letter of Credit to be amended, renewed or extended; (x) the proposed date of amendment, renewal or extension thereof (which shall be a Business Day), (y) the nature of the proposed amendment, renewal or extension, and (z) such other matters as the Issuing Bank may reasonably require. If requested by the Issuing Bank, Lead Borrower also shall submit a letter of credit application substantially on the Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended

only if (and upon issuance, amendment, renewal or extension of each Letter of Credit Lead Borrower shall be deemed to represent and warrant (solely in the case of (w) and (x) that), after giving effect to such issuance, amendment, renewal or extension (A) the LC Exposure shall not exceed $35,000,000, (B) the total Revolving Exposures shall not exceed the lesser of (1) the total Revolving Commitments and (2) the Borrowing Base then in effect and (C) if a Defaulting Lender exists, either such Lender or Lead Borrower has entered into arrangements reasonably satisfactory to the Administrative Agent and Issuing Bank to eliminate any Fronting Exposure associated with such Lender). Unless the Issuing Bank shall otherwise agree, no Letter of Credit shall be denominated in a currency other than U.S. Dollars.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of the date which is one year after the date of the issuance of such Letter of Credit (or such other longer period of time as the Administrative Agent and the applicable Issuing Bank may agree and, in the case of any renewal or extension thereof, one (1) year after such renewal or extension) and, unless Cash Collateralized (in which case the expiry may extend no longer than twelve months after the Letter of Credit Expiration Date) the Letter of Credit Expiration Date. Each Letter of Credit may, upon the request of Lead Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional consecutive periods of twelve (12) months or less (but, subject to the foregoing, not beyond the date that is after the Letter of Credit Expiration Date) unless the applicable Issuing Bank notifies the beneficiary thereof at least thirty (30) days prior to the then-applicable expiration date that such Letter of Credit will not be renewed.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Lender's Pro Rata Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, such Lender's Pro Rata Percentage of each LC Disbursement made by the Issuing Bank and not reimbursed by Lead Borrower on the date due as provided in clause (e) of this Section 2.13, or of any reimbursement payment required to be refunded to the Borrowers for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Aggregate Commitments or whether or not an Overadvance exists or is created thereby, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If the Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, Lead Borrower shall reimburse such LC Disbursement by paying to the Issuing Bank an amount equal to such LC Disbursement not later than 2:00 p.m., New York City time, on the Business Day after receiving notice from the Issuing Bank of such LC Disbursement; *provided* that, whether or not Lead Borrower submits a Notice of Borrowing, Lead Borrower shall be deemed to have requested (except to the extent Lead Borrower makes payment to reimburse such LC Disbursement when due) a Borrowing of Base Rate Loans in an amount necessary to reimburse such LC Disbursement. If Lead Borrower fails to make such payment when due, the Issuing Bank shall notify the Administrative Agent and the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from Lead Borrower in respect thereof and such Lender's Pro Rata Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Pro Rata Percentage of the unreimbursed LC Disbursement in the same manner as provided in Section 2.02(f) with respect to Loans made by such Lender, and the Administrative Agent shall promptly pay to the Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from Lead Borrower pursuant to this paragraph, the Administrative Agent shall, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse the Issuing Bank, distribute such payment to such Lenders and the Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse the Issuing Bank for any LC Disbursement (other than the funding of Base Rate Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve Lead Borrower of its obligation to reimburse such LC Disbursement.

(f) Obligations Absolute.

(i) Subject to the limitations set forth below, the obligation of Lead Borrower to reimburse LC Disbursements as provided in clause (e) of this Section 2.13 shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not strictly comply with the terms of such Letter of Credit, (iv) the existence of any claim, set-off, defense or other right which Lead Borrower may have at any time against a beneficiary of any Letter of Credit, or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.13, constitute a legal or equitable discharge of, or provide a right of set-off against, the obligations of Lead Borrower hereunder; *provided* that Lead Borrower shall have no obligation to reimburse the Issuing Bank to the extent that such payment was made in error due to the gross negligence, bad faith, or willful misconduct of the Issuing Bank (as determined by a court of competent jurisdiction or another independent tribunal having jurisdiction). Neither the Administrative Agent, the Lenders nor the Issuing Bank, nor any of their Affiliates, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; *provided* that the foregoing shall not be construed to excuse the Issuing Bank from liability to Lead Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by Lead Borrower to the extent permitted by applicable law) suffered by Lead Borrower that are caused by the Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence, willful misconduct, or bad faith on the part of the Issuing Bank (as determined by a court of competent jurisdiction or another independent tribunal having jurisdiction), the Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(ii) The Issuing Bank does not assume any responsibility for any failure or delay in performance or any breach by Lead Borrower or other Person of any obligations under any LC Document. The Issuing Bank does not make to the Lenders any express or implied warranty, representation or guaranty with respect to the Collateral, such documents or any Credit Party. The Issuing Bank shall not be responsible to any Lender for any recitals, statements, information, representations or warranties contained in, or for the execution, validity, genuineness, effectiveness or enforceability of any LC Document; the validity, genuineness, enforceability, collectability, value or sufficiency of any Collateral or the perfection of any Lien therein; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Credit Party.

(iii) No Issuing Bank or any of its Affiliates or any of its or their respective officers, directors, employees, agents and investment advisors shall be liable to any Lender or other Person for any action taken or omitted to be taken in connection with any LC Documents except as a result of its actual gross negligence or willful misconduct as determined by court of competent jurisdiction in a final nonappealable judgment. The Issuing Bank shall not have any liability to any Lender if the Issuing Bank refrains from any action under any Letter of Credit or such LC Documents until it receives written instructions from the Required Lenders.

(g) Disbursement Procedures. The Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall promptly notify the Administrative Agent and Lead Borrower by telephone (confirmed by telecopy) of such demand for payment and whether the Issuing Bank has made or will make an LC Disbursement thereunder; *provided* that any

failure to give or delay in giving such notice shall not relieve Lead Borrower of its obligation to reimburse the Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement (other than with respect to the timing of such reimbursement obligation set forth in Section 2.13(e)).

(h) Interim Interest. If the Issuing Bank shall make any LC Disbursement, then, unless Lead Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that Lead Borrower reimburses such LC Disbursement, at the rate *per annum* then applicable to Base Rate Loans; *provided* that, if Lead Borrower fails to reimburse such LC Disbursement when due pursuant to clause (e) of this Section 2.13, then Section 2.06(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section 2.13 to reimburse the Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Resignation or Removal of the Issuing Bank. The Issuing Bank may resign as Issuing Bank hereunder at any time upon at least 30 days' prior written notice to the Lenders, the Administrative Agent and Lead Borrower. The Issuing Bank may be replaced at any time by agreement between Lead Borrower and the Administrative Agent. One or more Lenders may be appointed as additional Issuing Banks in accordance with clause (k) below. The Administrative Agent shall notify the Lenders of any such replacement of the Issuing Bank or any such additional Issuing Bank. At the time any such resignation or replacement shall become effective, Lead Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.05(c). From and after the effective date of any such resignation or replacement or addition, as applicable, (i) the successor or additional Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or such addition or to any previous Issuing Bank, or to such successor or such additional Issuing Bank and all previous Issuing Banks, as the context shall require. After the resignation or replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit. If at any time there is more than one Issuing Bank hereunder, Lead Borrower may, in its discretion, select which Issuing Bank is to issue any particular Letter of Credit.

(j) Cash Collateralization.

(i) If any Event of Default under Section 11.01 or Section 11.05 shall occur and be continuing, on the Business Day after Lead Borrower receives notice from the Administrative Agent (acting at the request of the Required Lenders) demanding the deposit of Cash Collateral pursuant to this paragraph, Lead Borrower shall deposit in the LC Collateral Account, in the name of the Administrative Agent and for the benefit of the Secured Creditors, an amount in cash equal to 102% of the LC Exposure as of such date. Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of Lead Borrower under this Agreement, but shall be immediately released and returned to Lead Borrower (in no event later than two (2) Business Days) once all such Events of Default are cured or waived. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made only in Cash Equivalents and at the direction of Lead Borrower and at Lead Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of Lead Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Obligations of Lead Borrower.

(ii) Lead Borrower shall, on demand by the Issuing Bank or the Administrative Agent from time to time, Cash Collateralize the Fronting Exposure associated with any Defaulting Lender.

(k) Additional Issuing Banks. Lead Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld, delayed or conditioned) and such Lender, designate one or more additional Lenders to act as an issuing bank under the terms of this Agreement. Any Lender designated as an issuing bank pursuant to this clause (k) shall be deemed (in addition to being a Lender) to be the Issuing Bank with respect to Letters of Credit issued or to be issued by such Lender, and all references herein and in the other Credit Documents to the term "Issuing Bank" shall, with respect to such Letters of Credit, be deemed to refer to such Lender in its capacity as Issuing Bank, as the context shall require.

(l) The Issuing Bank shall be under no obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Bank from issuing such Letter of Credit, or any law applicable to the Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Issuing Bank shall prohibit, or request that the Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the Issuing Bank in good faith deems material to it; or

(ii) the issuance of such Letter of Credit would violate one or more policies of the Issuing Bank.

(m) The Issuing Bank shall be under no obligation to amend any Letter of Credit if (i) the Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (ii) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(n) LC Collateral Account.

(i) The Administrative Agent is hereby authorized to establish and maintain at the Notice Office, in the name of the Administrative Agent and pursuant to a dominion and control agreement, a restricted deposit account designated "Lead Borrower LC Collateral Account." Each Credit Party shall deposit into the LC Collateral Account from time to time the Cash Collateral required to be deposited under Section 2.13(j) hereof.

(ii) The balance from time to time in such LC Collateral Account shall constitute part of the Collateral and shall not constitute payment of the Obligations until applied as hereinafter provided. Notwithstanding any other provision hereof to the contrary, all amounts held in the LC Collateral Account shall constitute collateral security first for the liabilities in respect of Letters of Credit outstanding from time to time and second for the other Obligations hereunder until such time as all Letters of Credit shall have been terminated and all of the liabilities in respect of Letters of Credit have been paid in full. All funds in "Lead Borrower LC Collateral Account" may be invested in accordance with the provisions of Section 2.13(j).

(o) Extended Commitments. If a Maturity Date shall have occurred at a time when Extended Revolving Loan Commitments are in effect, then (i) such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Lenders to purchase participations therein and to make payments in respect thereof pursuant to Sections 2.13(d) and (e)) under (and ratably participated in by Lenders) the Extended Revolving Loan Commitments, up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Extended Revolving Loan Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to the immediately preceding clause (i), the Borrowers shall Cash Collateralize any such Letter of Credit in accordance with Section 2.13(j). Except to the extent of reallocations of participations pursuant to the prior sentence, the occurrence of such Maturity Date with respect to Existing Revolving Loans shall have no effect upon (and shall not diminish) the percentage participations of the Lenders of Extended Revolving Loans in any Letter of Credit issued before such Maturity Date.

Section 2.14 Settlement Amongst Lenders.

(a) The Swingline Lender may, at any time (but, in any event shall weekly), on behalf of Lead Borrower (which hereby authorizes the Swingline Lender to act on its behalf in that regard) request the Administrative Agent to cause the Lenders to make a Revolving Loan (which shall be a Base Rate Loan) in an amount equal to such Lender's Pro Rata Percentage of the Outstanding Amount of Swingline Loans, which request may be made regardless of whether the conditions set forth in Section 7 have been satisfied. Upon such request, each Lender shall make available to the Administrative Agent the proceeds of such Revolving Loan for the account of the Swingline Lender. If the Swingline Lender requires a Revolving Loan to be made by the Lenders and the request therefor is received prior to 12:00 Noon on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if the request therefor is received after 12:00 Noon, then no later than 3:00 p.m. on the next Business Day. The obligation of each such Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent or the Swingline Lender. If and to the extent any Lender shall not have so made its transfer to the Administrative Agent, such Lender agrees to pay to the Administrative Agent, forthwith on demand, such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, at the Federal Funds Rate.

(b) The amount of each Lender's Pro Rata Percentage of outstanding Revolving Loans (including outstanding Swingline Loans) shall be computed weekly (or more frequently in the Administrative Agent's discretion) and shall be adjusted upward or downward based on all Revolving Loans (including Swingline Loans) and repayments of Revolving Loans (including Swingline Loans) received by the Administrative Agent as of 3:00 p.m. on the first Business Day (such date, the "Settlement Date") following the end of the period specified by the Administrative Agent.

(c) The Administrative Agent shall deliver to each of the Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Revolving Loans (including Swingline Loans) for the period and the amount of repayments received for the period. As reflected on the summary statement, (i) the Administrative Agent shall transfer to each Lender its applicable Pro Rata Percentage of repayments, and (ii) each Lender shall transfer to the Administrative Agent (as provided below) or the Administrative Agent shall transfer to each Lender, such amounts as are necessary to insure that, after giving effect to all such transfers, the amount of Revolving Loans made by each Lender with respect to Revolving Loans to the Borrowers (including Swingline Loans) shall be equal to such Lender's applicable Pro Rata Percentage of Revolving Loans (including Swingline Loans) outstanding as of such Settlement Date. If the summary statement requires transfers to be made to the Administrative Agent by the Lenders and is received prior to 12:00 Noon on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if received after 12:00 Noon, then no later than 3:00 p.m. on the next Business Day. The obligation of each Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent. If and to the extent any Lender shall not have so made its transfer to the Administrative Agent, such Lender agrees to pay to the Administrative Agent, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, at the Federal Funds Rate.

Section 2.15 Revolving Commitment Increase.

(a) Subject to the terms and conditions set forth herein, after the Closing Date, Lead Borrower shall have the right to request, by written notice to the Administrative Agent, an increase in the Revolving Commitments (a "Revolving Commitment Increase") in an aggregate amount not to exceed the greater of (x) $50,000,000 and (y) the excess of the Borrowing Base at such time over the Aggregate Commitments at such time; *provided* that (a) Lead Borrower shall only be permitted to effect five Revolving Commitment Increases during the term of this Agreement and (b) any Revolving Commitment Increase shall be in a minimum amount of $10,000,000 or, if less than $10,000,000 is available, the amount left available (but in any event no less than $5,000,000).

(b) Each notice submitted pursuant to this Section 2.15 (a "Revolving Commitment Increase Notice") requesting a Revolving Commitment Increase shall specify the amount of the increase in the Revolving Commitments being requested. Upon receipt of a Revolving Commitment Increase Notice, the Administrative Agent may (at the direction of Lead Borrower) promptly notify the Lenders selected by Lead Borrower to provide all or a portion of the Revolving Commitment Increase (it being understood that Lead Borrower shall have no obligation to seek or accept

a Revolving Commitment Increase from any existing Lenders) and each such Lender may (subject to Lead Borrower's consent) have the right to elect to have its Revolving Commitment increased by such portion of the requested increase in Revolving Commitments as agreed with Lead Borrower; *provided* that (i) each such Lender may decline, in its sole discretion, to have its Revolving Commitment increased in connection with any requested Revolving Commitment Increase, it being understood that no Lender shall be obligated to increase its Revolving Commitment unless it so agrees, (ii) if commitments from additional financial institutions are required by Lead Borrower in connection with the Revolving Commitment Increase, any Person or Persons selected by Lead Borrower and providing such commitment shall be subject to the written consent of the Administrative Agent, the Swingline Lender and the Issuing Bank (such consent not to be unreasonably withheld, delayed or conditioned), if such consent would be required pursuant to the definition of Eligible Transferee and (iii) in no event shall a Defaulting Lender be entitled to participate in such Revolving Commitment Increase. In the event that any Lender or other Person agrees to participate in any Revolving Commitment Increase (each an "Increase Loan Lender"), such Revolving Commitment Increase shall become effective on such date as shall be mutually agreed upon by the Increase Loan Lenders and Lead Borrower, which date shall be as soon as practicable after the date of receipt of the Revolving Commitment Increase Notice (such date, the "Increase Date"); *provided* that the establishment of such Revolving Commitment Increase shall be subject to the satisfaction of each of the following conditions: (1) subject to Section 1.03, no Event of Default shall have occurred and be continuing or would exist after giving effect thereto; (2) subject to Section 1.03, the representations and warranties under Section 8 shall be true in all material respects and (3) the Revolving Commitment Increase shall be effected pursuant to one or more joinder agreements executed and delivered by Lead Borrower, the Administrative Agent, and the Increase Loan Lenders, each of which shall be reasonably satisfactory to Lead Borrower, the Administrative Agent, and the Increase Loan Lenders.

(c) On the Increase Date, upon fulfillment of the conditions set forth in this Section 2.15, (i) the Administrative Agent shall effect a settlement of all outstanding Revolving Loans among the Lenders that will reflect the adjustments to the Revolving Commitments of the Lenders as a result of the Revolving Commitment Increase, (ii) the Administrative Agent shall notify the Lenders and Credit Parties of the occurrence of the Revolving Commitment Increase to be effected on the Increase Date and (iii) Schedule 2.01(a) shall be deemed modified to reflect the revised Revolving Commitments of the affected Lenders.

(d) The terms and provisions of the Revolving Commitment Increase shall be identical to the Revolving Loans and the Revolving Commitments (other than (A) any terms and provisions that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Revolving Commitment Increase (immediately prior to the establishment of such Revolving Commitment Increase), (B) subject to clause (i) below, the maturity date and (C) arranger, upfront fees and other similar fees) and, for purposes of this Agreement and the other Credit Documents, all Revolving Loans made under the Revolving Commitment Increase shall be deemed to be Revolving Loans. Without limiting the generality of the foregoing, (i) in no event shall the final maturity date of any Revolving Loans under a Revolving Commitment Increase at the time of establishment thereof be earlier than the Latest Maturity Date that is in effect on the effective date of the Revolving Commitment Increase (immediately prior to the establishment of such Revolving Commitment Increase), (ii) the Revolving Commitment Increase shall require no scheduled amortization or mandatory commitment reduction prior to the Latest Maturity Date that is in effect on the effective date of the Revolving Commitment Increase (immediately prior to the establishment of such Revolving Commitment Increase), (iii) the rate of interest applicable to the Revolving Commitment Increase shall be the same as the rate of interest applicable to the existing Revolving Loans, (iv) unused line fees applicable to the Revolving Commitment Increase shall be calculated using the same Unused Line Fee Rates applicable to the existing Revolving Loans, (v) the Revolving Commitment Increase shall share ratably in any mandatory prepayments of the Revolving Loans, (vi) after giving effect to such Revolving Commitment Increases, the Pro Rata Percentage of the Revolving Commitments of each Lender may be adjusted to give effect to the total Revolving Commitment as increased by such Revolving Commitment Increase, and (vii) the Revolving Commitment Increase shall rank *pari passu* in right of payment and security with the existing Revolving Loans. Each joinder agreement and any amendment to any Credit Document requested by the Administrative Agent in connection with the establishment of the Revolving Commitment Increase may, without the consent of any of the Lenders, effect such amendments to this Agreement (an "Incremental Revolving Commitment Amendment") and the other Credit Documents as may be reasonably necessary or appropriate, in the opinion of the Administrative Agent and Lead Borrower, to effect the provisions of this Section 2.15.

Section 2.16 Lead Borrower. Each Borrower hereby designates Lead Borrower as its representative and agent for all purposes under the Credit Documents, including requests for Revolving Loans and Letters of Credit, designation of interest rates, delivery or receipt of communications, preparation and delivery of Borrowing Base and financial reports, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Credit Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent, the Issuing Bank or any Lender. Lead Borrower hereby accepts such appointment. The Administrative Agent and the Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any Notice of Borrowing) delivered by Lead Borrower on behalf of any Borrower. The Administrative Agent and the Lenders may give any notice or communication with a Borrower hereunder to Lead Borrower on behalf of such Borrower. Each of the Administrative Agent, the Issuing Bank and the Lenders shall have the right, in its discretion, to deal exclusively with Lead Borrower for any or all purposes under the Credit Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by Lead Borrower shall be binding upon and enforceable against it.

Section 2.17 Overadvances. If the aggregate Revolving Loans outstanding exceed the Line Cap (an "Overadvance") at any time, the excess amount shall be payable by the Borrowers on demand (or, if such Overadvance is due to the imposition of new Reserves or a change in the methodology of calculating existing Reserves, or change in eligibility criteria or standards, within three Business Days following notice from the Administrative Agent) by the Administrative Agent, but all such Revolving Loans shall nevertheless constitute Obligations secured by the Collateral and entitled to all benefits of the Credit Documents. The Administrative Agent may require the Lenders to honor requests for Overadvance Loans and to forbear from requiring the Borrowers to cure an Overadvance, (a) when no other Event of Default is known to the Administrative Agent, as long as (i) the Overadvance does not continue for more than 30 consecutive days (and no Overadvance may exist for at least five consecutive days thereafter before further Overadvance Loans are required) and (ii) the aggregate amount of all Overadvances and Protective Advances is not known by the Administrative Agent to exceed 10% of the Borrowing Base, (b) regardless of whether an Event of Default exists, if the Administrative Agent discovers an Overadvance not previously known by it to exist, as long as from the date of such discovery the Overadvance (i) is not increased by more than $500,000, and (ii) does not continue for more than 30 consecutive days. In no event shall Overadvance Loans be required that would cause the aggregate outstanding Revolving Loans and LC Obligations to exceed the aggregate Revolving Commitments. The making of any Overadvance shall not create nor constitute a Default or Event of Default; it being understood that the making or continuance of an Overadvance shall not constitute a waiver by the Administrative Agent or the Lenders of the then existing Event of Default. In no event shall any Borrower or other Credit Party be permitted to require any Overadvance Loan to be made.

Section 2.18 Protective Advances. The Administrative Agent shall be authorized, in its discretion, following notice to and consultation with Lead Borrower, at any time, to make Base Rate Loans ("Protective Advances") (a) in an aggregate amount, together with the aggregate amount of all Overadvance Loans, not to exceed 10% of the Borrowing Base, if the Administrative Agent deems such Protective Advances necessary or desirable to preserve and protect the Collateral, or to enhance the collectability or repayment of the Obligations; or (b) to pay any other amounts chargeable to Credit Parties under any Credit Documents, including costs, fees and expenses; *provided* that, the aggregate amount of outstanding Protective Advances *plus* the outstanding amount of Revolving Loans and LC Obligations shall not exceed the aggregate Revolving Commitments. Each Lender shall participate in each Protective Advance in accordance with its Pro Rata Percentage. Required Lenders may at any time revoke the Administrative Agent's authority to make further Protective Advances under clause (a) by written notice to the Administrative Agent. Absent such revocation, the Administrative Agent's determination that funding of a Protective Advance is appropriate shall be conclusive. The Administrative Agent may use the proceeds of such Protective Advances to (a) protect, insure, maintain or realize upon any Collateral; or (b) defend or maintain the validity or priority of the Administrative Agent's Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, or any discharge of a Lien; *provided* that the Administrative Agent shall use reasonable efforts to notify Lead Borrower after paying any such amount or taking any such action and shall not make payment of any item that is being Properly Contested.

Section 2.19 Extended Loans.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.19, Lead Borrower may at any time and from time to time when no Event of Default then exists request that all or a

portion of the then-existing Revolving Loans (the "Existing Revolving Loans"), together with any related outstandings, be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of the principal amount (and related outstandings) of such Revolving Loans (any such Revolving Loans which have been so converted, "Extended Revolving Loans") and to provide for other terms consistent with this Section 2.19. In order to establish any Extended Revolving Loans, Lead Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders) (each, an "Extension Request") setting forth the proposed terms of the Extended Revolving Loans to be established, which shall (x) be identical as offered to each Lender (including as to the proposed interest rates and fees payable) and (y) have the same terms as the Existing Revolving Loans from which such Extended Revolving Loans are to be converted, except that: (i) repayments of principal of the Extended Revolving Loans may be delayed to later dates than the Initial Maturity Date; (ii) the effective yield with respect to the Extended Revolving Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the effective yield for the Existing Revolving Loans to the extent provided in the applicable Extension Amendment; and (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Revolving Loans); *provided*, *however*, that (A) in no event shall the final maturity date of any Extended Revolving Loans at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Revolving Loans hereunder that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Revolving Loans) and (B) the Weighted Average Life to Maturity of any Extended Revolving Loans at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of any other Revolving Loans then outstanding. Any Extended Revolving Loans converted pursuant to any Extension Request shall be designated a series (each, an "Extension Series") of Extended Revolving Loans, as applicable, for all purposes of this Agreement; *provided* that any Extended Revolving Loans converted from Existing Revolving Loans may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Revolving Loans.

(b) With respect to any Extended Revolving Loans, subject to the provisions of Sections 2.12(e) and 2.13(g), to the extent dealing with Swingline Loans and Letters of Credit which mature or expire after a Maturity Date, all Swingline Loans and Letters of Credit shall be participated in on a *pro rata* basis by all Lenders with Revolving Commitments and/or Extended Revolving Loan Commitments in accordance with their Pro Rata Share of the Aggregate Commitments (and, except as provided in Sections 2.12(e) and 2.13(g), without giving effect to changes thereto on such Maturity Date with respect to Swingline Loans and Letters of Credit theretofore incurred or issued) and all borrowings under the Aggregate Commitments and repayments thereunder shall be made on a *pro rata* basis (except for (x) payments of interest and fees at different rates on Extended Revolving Loan Commitments (and related outstandings) and (y) repayments required upon any Maturity Date of any Revolving Commitments or Extended Revolving Loan Commitments).

(c) Lead Borrower shall provide the applicable Extension Request at least ten (10) Business Days prior to the date on which Lenders under the Existing Revolving Loans, are requested to respond, and shall agree to such procedures, if any, as may be established by, or reasonably acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.19. No Lender shall have any obligation to agree to have any of its Existing Revolving Loans converted into Extended Revolving Loans pursuant to any Extension Request. Any Lender (each, an "Extending Lender") wishing to have all or a portion of its Existing Revolving Loans subject to such Extension Request converted into Extended Revolving Loans shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Existing Revolving Loans which it has elected to request be converted into Extended Revolving Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Existing Revolving Loans subject to Extension Elections relating to a particular Extension Request exceeds the amount of Extended Revolving Loans requested pursuant to such Extension Request, Revolving Loans subject to such Extension Elections shall be converted to Extended Revolving Loans, on a *pro rata* basis based on the aggregate principal amount of Revolving Loans included in each such Extension Elections or to the extent such option is expressly set forth in the respective Extension Request, Lead Borrower shall have the option to increase the amount of Extended Revolving Loans so that such excess does not exist.

(d) Extended Revolving Loans shall be established pursuant to an amendment (each, an "Extension Amendment") to this Agreement among the Borrowers, the Administrative Agent and each Extending Lender providing Extended Revolving Loans thereunder which shall be consistent with the provisions set forth in Section 2.19(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment.

(e) With respect to any Extension Amendment consummated by a Borrower pursuant to this Section 2.19, (i) such Extension Amendment shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement, (ii) with respect to Extended Revolving Loan Commitments, if the aggregate amount extended is less than (A) the LC Commitment, the LC Commitment shall be reduced upon the date that is five (5) Business Days prior to the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Revolving Loans) (to the extent needed so that the LC Commitment does not exceed the aggregate Revolving Commitment which would be in effect after such Latest Maturity Date), and, if applicable, the Borrowers shall Cash Collateralize obligations under any issued Letters of Credit in an amount equal to 102% of the stated amount of such Letters of Credit, or (B) the Swingline Commitment, the Swingline Commitment shall be reduced upon the date that is five (5) Business Days prior to such Latest Maturity Date (to the extent needed so that the Swingline Commitment does not exceed the aggregate Revolving Commitment which would be in effect after such Latest Maturity Date), and, if applicable, the Borrowers shall prepay any outstanding Swingline Loans. The Administrative Agent and the Lenders hereby consent to each Extension Amendment and the other transactions contemplated by this Section 2.19 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Revolving Loan Commitments on such terms as may be set forth in the Extension Request) and hereby waive the requirements of any provision of this Credit Agreement or any other Credit Document that may otherwise prohibit any Extension Amendment or any other transaction contemplated by this Section 2.19; *provided* that such consent shall not be deemed to be an acceptance of the Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of any Extended Revolving Loans incurred pursuant thereto, (ii) establish new tranches or sub-tranches in respect of Revolving Commitments so extended and such technical amendments as may be necessary in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.19, and (iii) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and Lead Borrower, to effect the provisions of this Section, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment.

## ARTICLE 3

## Yield Protection, Illegality and Replacement of Lenders

Section 3.01 Increased Costs, Illegality, etc.

(a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of "LIBO Rate";

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBO Rate Loan because of any Change in Law; or

(iii) at any time, if the making or continuance of any LIBO Rate Loan has been made (x) unlawful by any Change in Law, (y) impossible by compliance by any Lender in good faith with any

governmental request (whether or not having force of law) or (z) impracticable as a result of a contingency occurring after the Closing Date which materially and adversely affects the interbank eurodollar market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to Lead Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBO Rate Loans shall no longer be available until such time as the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by Lead Borrower with respect to LIBO Rate Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrowers, (y) in the case of clause (ii) above, each Borrower, jointly and severally, agrees to pay to such Lender, upon such Lender's written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice setting forth the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, shall be submitted to Lead Borrower by such Lender and shall, absent manifest error, be final and conclusive and binding on all the parties hereto), (z) in the case of clause (iii) above, the Borrowers shall take one of the actions specified in Section 3.01(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any LIBO Rate Loan is affected by the circumstances described in Section 3.01(a)(ii), Lead Borrower may, and in the case of a LIBO Rate Loan affected by the circumstances described in Section 3.01(a)(iii), Lead Borrower shall, either (x) if the affected LIBO Rate Loan is then being made initially or pursuant to a conversion, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed in writing) on the same date that Lead Borrower was notified by the affected Lender or the Administrative Agent pursuant to Section 3.01(a)(ii) or (iii) or (y) if the affected LIBO Rate Loan is then outstanding, upon at least three Business Days' written notice to the Administrative Agent, require the affected Lender to convert such LIBO Rate Loan into a Base Rate Loan; *provided* that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 3.01(b).

(c) If any Lender determines that after the Closing Date any Change in Law, will have the effect of increasing the amount of capital or liquidity required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender's Commitments hereunder or its obligations hereunder, then each Borrower, jointly and severally, agrees to pay to such Lender, upon its written demand therefor, such additional documented amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable; *provided* that such Lender's determination of compensation owing under this Section 3.01(c) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 3.01(c), will give prompt written notice thereof to Lead Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 3.01 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time.

Section 3.02 Compensation. Each Borrower, jointly and severally, agrees to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation; it being understood that no Lender shall be required to disclose (i) any confidential or price sensitive information, or (ii) any other information, to the extent prohibited by any Requirement of Law), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBO Rate Loans but excluding loss of anticipated profits and excluding the impact of the second proviso of the definition of "LIBO Rate") which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBO Rate Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation (whether or not withdrawn by the applicable Borrower or deemed withdrawn pursuant to Section 3.01(a)); (ii) if any prepayment or repayment (including any termination or reduction of Commitments made pursuant to Section 2.07 or as a result of an acceleration of the Loans pursuant to Section 11) or conversion of any of its LIBO Rate Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any LIBO Rate Loans is not made on any date specified in a notice of termination or reduction given by Lead Borrower; or (iv) as a consequence of (x) any other default by any Borrower to repay its LIBO Rate Loans when required by the terms of this Agreement or any Note held by such Lender or (y) any election made pursuant to Section 3.01(b).

Section 3.03 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 3.01(a)(ii) or (iii), Section 3.01(c) or Section 5.01 with respect to such Lender, it will, if requested by Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; *provided* that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 3.03 shall affect or postpone any of the obligations of the Borrowers or the right of any Lender provided in Sections 3.01 and 5.01.

Section 3.04 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 3.01(a)(ii) or (iii), Section 3.01(c) or Section 5.01 with respect to such Lender or (z) in the case of a refusal by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), Lead Borrower shall have the right, if no Event of Default then exists (or, in the case of preceding clause (z), will exist immediately after giving effect to such replacement), to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent's consent would be required for an assignment to such Replacement Lender pursuant to Section 13.04); *provided* that (i) at the time of any replacement pursuant to this Section 3.04, the Replacement Lender shall enter into one or more Assignment and Assumptions pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among Lead Borrower, the Replacement Lender and the Replaced Lender)) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Loans of, the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the respective Replaced Lender and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 2.05 and (ii) all obligations of each Borrower due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 3.04, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption on behalf of such Replaced Lender, and any such Assignment and Assumption so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 3.04 and Section 13.04. Upon the execution of the respective Assignment and Assumption, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 13.15 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the applicable Borrower, (x) the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect

to indemnification provisions under this Agreement (including, without limitation, Sections 3.01, 3.02, 5.01, 12.07 and 13.01), which shall survive as to such Replaced Lender. In connection with any replacement of Lenders pursuant to, and as contemplated by, this Section 3.04, each Borrower hereby irrevocably authorizes Holdings to take all necessary action, in the name of such Borrower, as described above in this Section 3.04 in order to effect the replacement of the respective Lender or Lenders in accordance with the preceding provisions of this Section 3.04.

Section 3.05 Inability to Determine Rates. If the Required Lenders determine in good faith that for any reason (a) U.S. Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such LIBO Rate Loan, (b) adequate and reasonable means do not exist for determining the LIBO Rate for any requested Interest Period with respect to a proposed LIBO Rate Loan, or (c) that the LIBO Rate for any requested Interest Period with respect to a proposed LIBO Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify Lead Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain LIBO Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the LIBO Rate component of the Base Rate, the utilization of the LIBO Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, Lead Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of LIBO Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of LIBO Rate Loans in the amount specified therein.

Section 3.06 LIBOR Successor Rate.

(a) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or Lead Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to Lead Borrower) that Lead Borrower or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining LIBOR for any requested Interest Period, including, without limitation, because the LIBOR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the administrator of the LIBOR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which LIBOR or the LIBOR Screen Rate shall no longer be made available, or used for determining the interest rate of loans (such specific date, the "Scheduled Unavailability Date"), or

(iii) syndicated loans currently being executed, or that include language similar to that contained in this Section, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR,

then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice , as applicable, the Administrative Agent and Lead Borrower may amend this Agreement to replace LIBOR with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein) , giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated syndicated credit facilities for such alternative benchmarks (any such proposed rate, a "LIBOR Successor Rate"), together with any proposed LIBOR Successor Rate Conforming Changes and any such amendment shall become effective at 5:00 p.m. (New York time) on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and Lead Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders do not accept such amendment.

(b) If no LIBOR Successor Rate has been determined and the circumstances under clause (i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify Lead Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended, (to the extent of the affected LIBO Rate Term Loans or Interest Periods), and (y) the LIBO Rate component shall no longer be utilized in determining the Base Rate. Upon receipt of such notice, the Borrower

may revoke any pending Notice of Borrowing for a Borrowing of, and any pending Notice of Continuation/Conversion for a conversion to or continuation of LIBO Rate Term Loans (to the extent of the affected LIBO Rate Term Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Term Loans (subject to the foregoing clause (y)) in the amount specified therein.

(c) Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement.

Taxes

Section 5.01 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable law. If any Taxes are required to be withheld or deducted from such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable shall be increased as necessary so that after making all required deductions or withholding (including deduction or withholdings applicable to additional sums payable under this Section 5.01), the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by the applicable Credit Party. The Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 Business Days of written request therefor, for the amount of any Indemnified Taxes (including any Indemnified Taxes imposed on amounts payable under this Section 5.01) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any Other Taxes, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.

(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to Lead Borrower and the Administrative Agent, at the time or times reasonably requested by Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by Lead Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to Lead Borrower and the Administrative Agent, at the time or times reasonably requested by Lead Borrower or the Administrative Agent, such other documentation prescribed by applicable law or reasonably requested by Lead Borrower or the Administrative Agent as will enable Lead Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documents required below in Section 5.01(c)) expired, obsolete or inaccurate in any respect, deliver promptly to Lead Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by Lead Borrower or the Administrative Agent) or promptly notify Lead Borrower and the Administrative Agent in writing of its inability to do so.

(c) Without limiting the generality of the foregoing: (x) Each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) shall deliver to Lead Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 3.04 or 13.04(b) (unless the relevant Lender was already a Lender hereunder

immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, (i) two accurate and complete original signed copies of Internal Revenue Service Form W-8BEN (or successor form) or Form W-8BEN-E (or successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party or Form W-8ECI (or successor form), or (ii) in the case of a Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," a certificate substantially in the form of Exhibit C (any such certificate, a "U.S. Tax Compliance Certificate") and two accurate and complete original signed copies of Internal Revenue Service Form W-8BEN (or successor form) or W-8BEN-E (or successor form) certifying to such Lender's entitlement as of such date to a complete exemption from U.S. withholding tax with respect to payments of interest to be made under this Agreement and under any Note; or (iii) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two accurate and complete original signed copies of Internal Revenue Service Form W-8IMY (or successor form) of the Lender, accompanied by Form W-8ECI, Form W-8BEN, Form W-8BEN-E, U.S. Tax Compliance Certificate, Form W-8IMY, and/or any other required information (or successor or other applicable form) from each beneficial owner that would be required under this Section 5.01(c) if such beneficial owner were a Lender (*provided* that, if the Lender is a partnership for U.S. federal income Tax purposes (and not a participating Lender), and one or more beneficial owners are claiming the portfolio interest exemption), the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owners; (y) Each Lender that is a United States person, as defined in Section 7701(a)(30) of the Code, shall deliver to Lead Borrower and the Administrative Agent, at the times specified in Section 5.01(b), two accurate and complete original signed copies of Internal Revenue Service Form W-9, or any successor form that such Person is entitled to provide at such time, in order to qualify for an exemption from United States backup withholding requirements; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to Lead Borrower and the Administrative Agent, at the time or times prescribed by applicable law and at such time or times reasonably requested by Lead Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Lead Borrower or the Administrative Agent as may be necessary for Lead Borrower or the Administrative Agent to comply with its obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.01(c)(z), "FATCA" shall include any amendment made to FATCA after the Closing Date.

Each Lender authorizes the Administrative Agent to deliver to Lead Borrower and to any successor Administrative Agent any documentation provided by the Lender to the Administrative Agent pursuant to Section 5.01(b) or this Section 5.01(c). Notwithstanding any other provision of this Section 5.01, a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(d) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to Section 5.01(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under Section 5.01(a) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes) of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the relevant Credit Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 5.01(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.01(d) to the extent that such payment would place the Administrative Agent or such Lender in a less favorable position (on a net after-Tax basis) than such party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing in this Section 5.01(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or

computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.

(e) For the avoidance of doubt, for purposes of this Section 5.01, the term "Lender" shall include any Issuing Bank.

No Borrower has outstanding any capital stock or other securities convertible into or exchangeable for its capital stock or any rights to subscribe for or to purchase, or any options for the purchase of, or any agreement providing for the issuance (contingent or otherwise) of, or any calls, commitments or claims of any character relating to, its capital stock.

Section 8.14 Subsidiaries. On and as of the Closing Date and after giving effect to the consummation of the Transaction, Lead Borrower has no Subsidiaries other than those Subsidiaries listed on Schedule 8.14. The provisions of this Section 9.03 shall be deemed supplemental to, but not duplicative of, the provisions of any Security Documents that require the maintenance of insurance.

(xiii) any restrictions on Liens imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (i), (ii), (iii), (ix), (x) and (xi) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of Lead Borrower, not materially more restrictive, taken as a whole, with respect to such encumbrance and other restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

Amounts distributed with respect to any Secured Bank Product Obligations shall be the lesser of the maximum Secured Bank Product Obligations last reported to the Administrative Agent or the actual Secured Bank Product Obligations as calculated by the methodology reported to the Administrative Agent for determining the amount due. The Administrative Agent shall have no obligation to calculate the amount to be distributed with respect to any Secured Bank Product Obligations, and may request a reasonably detailed calculation of such amount from the applicable Secured Creditor. If a Secured Creditor fails to deliver such calculation within five days following request by the Administrative Agent, the Administrative Agent may assume the amount to be distributed is zero.

## ARTICLE 12

## The Administrative Agent and the Collateral Agent

Section 12.01 Appointment and Authorization.

(a) Each of the Lenders hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Sections 12.08, 12.10 and 12.11) are solely for the benefit of the Administrative Agent, the Issuing Bank and the Lenders, and neither any Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) Bank of America shall also act as the "collateral agent" and "security trustee" under the Credit Documents, and each of the Lenders (on behalf of itself and its Affiliates, including in its capacity as a potential Secured Bank Product Provider) hereby irrevocably appoints and authorizes Bank of America to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, Bank of America, as "collateral agent" or "security trustee" and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" or "security trustee" under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Collateral Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(c) Each of the Lenders (including in its capacity as a potential Secured Bank Product Provider) hereby authorizes the Administrative Agent and/or the Collateral Agent to enter into the Intercreditor Agreement and any other intercreditor agreement or arrangement or supplement thereto permitted under this Agreement without any further consent by any Lender and any such intercreditor agreement shall be being binding upon the Lenders.

Section 12.02 Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent and/or the Collateral Agent. The Administrative Agent, the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent, the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and as Collateral Agent, as applicable. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents, except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence, bad faith or willful misconduct in the selection of such sub-agents.

Section 12.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and the Collateral Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent and/or the Collateral Agent are required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); *provided* that neither the Administrative Agent nor the Collateral Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Collateral Agent, as applicable, to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their respective Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent, the Collateral Agent or any of their respective Affiliates in any capacity;

(d) shall not be liable to any Lender for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent and/or the Collateral Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction by a final nonappealable judgment. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent and the Collateral Agent by Lead Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent and/or the Collateral Agent.

Section 12.04 Reliance by Administrative Agent and Collateral Agent. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each of the Administrative Agent and the Collateral Agent also may

rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 12.05 No Other Duties, Etc.

Anything herein to the contrary notwithstanding, none of the Lead Arrangers, Co-Documentation Agents, Co-Syndication Agents or any of their respective Affiliates shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent or a Lender hereunder.

Section 12.06 Non-reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

Section 12.07 Indemnification by the Lenders. To the extent that the Borrowers for any reason fail to pay any amount required under Section 13.01(a) to be paid by them to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's *pro rata* share (based on the amount of then outstanding Loans held by each Lender or, if the Loans have been repaid in full, based on the amount of outstanding Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.01.

Section 12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Lead Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan or LC Exposure shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Bank and the Administrative

Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Bank and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Bank, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the Issuing Bank to authorize the Administrative Agent to vote in respect of the claim of any Lender or the Issuing Bank in any such proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions to which a Credit Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.12 of this Agreement), and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

Section 12.10 Resignation of the Agents.

(a) Each of the Administrative Agent and the Collateral Agent may at any time give notice of its resignation to the Lenders and Lead Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with Lead Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by Lead Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent or retiring Collateral Agent, as applicable, gives notice of its resignation, then the retiring Administrative Agent or the retiring Collateral Agent, as applicable, may, with Lead

Borrower's consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent or successor Collateral Agent, as applicable, meeting the qualifications set forth above; *provided* that if the Administrative Agent or the Collateral Agent shall notify Lead Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors' security interest thereon until such time as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent or the Collateral Agent, as applicable, shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of Lead Borrower, to the extent so required) appoint a successor Administrative Agent or as Collateral Agent, as applicable, as provided for above in this Section 12.10. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or the retiring (or retired) Collateral Agent, as applicable, and the retiring Administrative Agent or retiring Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent's or retiring Collateral Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent or retiring Collateral Agent, as applicable, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent or retiring Collateral Agent, as applicable, was acting as Administrative Agent or Collateral Agent.

(b) Any resignation by Bank of America as administrative agent pursuant to this Section 12.10 shall also constitute its resignation as lender of the Swingline Loans to the extent that Bank of America is acting in such capacity at such time. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring lender of the Swingline Loans and (ii) the retiring lender of the Swingline Loans shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents.

Section 12.11 Collateral Matters and Guaranty Matters. Each of the Lenders (including in its capacity as a potential Secured Bank Product Provider) and the Issuing Bank irrevocably authorizes the Administrative Agent and the Collateral Agent, as applicable,

(i) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (A) upon termination of the Aggregate Commitments, payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) Secured Bank Product Obligations not then due) and termination of all Letters of Credit (other than Letters of Credit that have been Cash Collateralized in an amount equal to 102% of the face amount thereof), (B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (C) subject to Section 13.12(a)(ii), if approved, authorized or ratified in writing by the Required Lenders, (D) that constitutes Excluded Collateral, (E) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Guaranty Agreement pursuant to clause (ii) below or (F) if approved, authorized or ratified in writing in accordance with Section 13.12;

(ii) to release any Subsidiary Guarantor from its obligations under the Guaranty Agreement if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; and

(iii) to subordinate any Lien on any property granted to or held by the Collateral Agent under any Credit Document to the holder of any Lien on such property that is permitted by Sections 10.01(vi) or (xiv) or any other Lien that is expressly permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release, and to execute and/or deliver documents to evidence the release or non-existence of, any Lien securing the Obligations upon any Excluded Collateral.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's or the Collateral Agent's, as applicable, authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent and the Collateral Agent will (and each Lender irrevocably authorizes the Administrative Agent and the Collateral Agent to), at the Borrowers' expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent and the Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's and the Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Section 12.12 Bank Product Providers. Each Secured Bank Product Provider agrees to be bound by this Section 12 to the same extent as a Lender hereunder. Each such Secured Bank Product Provider shall indemnify and hold harmless the Administrative Agent and the Collateral Agent, to the extent not reimbursed by the Credit Parties, against all claims that may be incurred by or asserted against the Administrative Agent and the Collateral Agent in connection with such provider's Secured Bank Product Obligations.

Section 12.13 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrowers pursuant to Section 5.01 and without limiting or expanding the obligation of the Borrowers to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and, as to its own positions only, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants), the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (ii) above and any written consent to such assignment required by clause (ii) above, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; *provided* that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to this Agreement, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (v).

(c) Any Lender may, without the consent of Lead Borrower or the Administrative Agent, sell participations to one or more Eligible Transferees (a "Participant"), in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Term Loans owing to it); *provided* that (A) such Lender's obligations under this Agreement shall remain unchanged; (B) such Lender shall

remain solely responsible to the other parties hereto for the performance of such obligations; and (C) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that requires the consent of each Lender or each adversely affected Lender and that directly affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the requirements and limitations therein (it being understood that the documentation required under Sections 5.04(b) and (c) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.04; *provided* that such Participant (A) agrees to be subject to the provisions of Section 3.03 as if it were an under assignee clause (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 3.01 or 5.01, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at Lead Borrower's request and expense, to use reasonable efforts to cooperate with Lead Borrower to effectuate the provisions of Section 3.04 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 3.03 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of Lead Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "Participant Register"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments or Revolving Loan or its other obligations under any Credit Document) to any Person except to the extent such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Revolving Loans and Notes hereunder to a Federal Reserve Bank or central banking authority in support of borrowings made by such Lender from such Federal Reserve Bank or central banking authority and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or Lead Borrower), any Lender which is a fund may pledge all or any portion of its Revolving Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (d) shall release the transferor Lender from any of its obligations hereunder.

(e) Each Lender acknowledges and agrees to comply with the provisions of this Section 13.04 applicable to it as a Lender hereunder.

(f) If any Borrower wishes to replace the Revolving Loans or Commitments with Revolving Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders of such Revolving Loans or holdings such Commitments, instead of prepaying the Revolving Loans or reducing or terminating the Commitments to be replaced, to (i) require such Lenders to assign such Revolving Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 (with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12). Pursuant to any such assignment, all Revolving Loans and Commitments to be replaced shall be purchased at par (allocated among the applicable Lenders in the same manner as would be required if such Revolving Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08. By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Revolving Loans or Commitments pursuant to the terms of an

Assignment and Assumption, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(g) The Administrative Agent shall have the right, and Lead Borrower hereby expressly authorizes the Administrative Agent to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by Lead Borrower (or its counsel) and any updates thereto. The Borrower hereby agrees that any such requesting Lender may share the list of Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledge and agree that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders (other than with respect to assignments or participations by it of its Loans and Commitments, if any). Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender (other than with respect to assignments or participations by it of its Loans and Commitments, if any).

(h) Disqualified Lenders. Notwithstanding anything to the contrary contained in this Agreement, any assignment to a Disqualified Lender shall not be void, but shall be subject to the following provisions:

(i) If any assignment is made to any Disqualified Lender without Lead Borrower's prior written consent, or if any Person becomes a Disqualified Lender after the Closing Date, Lead Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Lender and the Administrative Agent, cancel any unfunded Commitment the subject thereof and (A) in the case of outstanding Loans held by Disqualified Lenders, prepay such Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder (it being understood that, notwithstanding anything in the Credit Documents to the contrary, any such prepayment shall not be subject to any provisions requiring prepayments of the Loans on a *pro rata* basis and no other Loans shall be required to be repaid as a result of such prepayment) and/or (B) require such Disqualified Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 13.04), all of its interest, rights and obligations under this Agreement and related Credit Documents to an Eligible Transferee that shall assume such obligations at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Lender paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder; *provided* that (i) Lead Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 13.04(b)(unless waived by the Administrative Agent), and (ii) in the case of clause (A) above, the Borrowers shall not use the proceeds from any Loans or loans under the Term Loan Credit Agreement to prepay any Loans held by Disqualified Lenders.

(ii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Lenders (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrowers, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Credit Document, each Disqualified Lender will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Lender consented to such matter, and (y) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws ("Plan of Reorganization"), each Disqualified Lender party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Lender does vote on such Plan of Reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be

counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

Section 13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between any Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

Section 13.06 [Reserved].

Section 13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); *provided* that to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; *provided further*, that if Lead Borrower notifies the Administrative Agent that Lead Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies Lead Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then Lead Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; *provided*, *further* that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, (i) all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect) and (ii) the accounting for any lease shall be based on Lead Borrower's treatment thereof in accordance with U.S. GAAP as in effect on the Closing Date and without giving effect to any subsequent changes in U.S. GAAP (or the required implementation of any previously promulgated changes in U.S. GAAP) relating to the treatment of a lease as an operating lease or capitalized lease.

(b) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

Section 13.09 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with Lead Borrower and the Administrative Agent.

Section 13.10 Joint and Several Liability of Borrowers.

(a) Each Borrower is accepting joint and several liability hereunder and under the other Credit Documents in consideration of the financial accommodations to be provided by the Lenders under this Agreement, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations.

(b) Each Borrower, jointly and severally, hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Borrowers, with respect to the payment and performance of all of the Obligations (including any Obligations arising under this Section 13.10), it being the intention of the parties hereto that all the Obligations shall be the joint and several obligations of each Borrower without preferences or distinction among them.

(c) If and to the extent that any Borrower shall fail to make any payment with respect to any of the Obligations as and when due or to perform any of the Obligations in accordance with the terms thereof, then in each such event the other Borrowers will make such payment with respect to, or perform, such Obligations.

(d) The Obligations of each Borrower under the provisions of this Section 13.10 constitute the absolute and unconditional, full recourse Obligations of each Borrower enforceable against each Borrower to the full extent of its properties and assets, irrespective of the validity, regularity or enforceability of this Agreement or any other circumstances whatsoever.

(e) Except as otherwise expressly provided in this Agreement and the other Credit Documents, each Borrower hereby waives notice of acceptance of its joint and several liability, notice of any Revolving Commitment Increase or Extended Revolving Loans issued under or pursuant to this Agreement, notice of the occurrence of any Default, Event of Default, or of any demand for any payment under this Agreement, notice of any action at any time taken or omitted by any Agent or any other Secured Creditor under or in respect of any of the Obligations, any requirement of diligence or to mitigate damages and, generally, to the extent permitted by applicable law, all demands, notices and other formalities of every kind in connection with this Agreement (except as otherwise provided in this Agreement).

(f) Each Borrower represents and warrants to the Agents and the other Secured Creditor that such Borrower is currently informed of the financial condition of the other Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations. Each Borrower further represents and warrants to Agent and the other Secured Creditor that such Borrower has read and understands the terms and conditions of the Credit Documents. Each Borrower hereby covenants that such Borrower will continue to keep informed of the other Borrowers' financial condition, the financial condition of other guarantors, if any, and of all other circumstances which bear upon the risk of nonpayment or nonperformance of the Obligations.

(g) Each Borrower waives all rights and defenses arising out of an election of remedies by any Agent or any other Secured Creditor, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed such Agent's or such Secured Creditor's rights of subrogation and reimbursement against any Borrower.

(h) Each Borrower waives all rights and defenses that such Borrower may have because the Obligations are or become secured by Real Property. This means, among other things:

(i) the Agents and other Secured Creditors may collect from such Borrower without first foreclosing on any Real Property or personal property Collateral pledged by Borrowers.

(ii) If any Agent or any other Secured Creditor forecloses on any Collateral consisting of Real Property pledged by any Credit Party:

(A) the amount of the Obligations may be reduced only by the price for which that Collateral is sold at the foreclosure sale, even if such Collateral is worth more than the sale price; and

(B) the Agents and the other Secured Creditors may collect from such Borrower even if any Agent or other Secured Creditor, by foreclosing on the Collateral consisting of Real Property, has destroyed any right such Borrower may have to collect from the other Borrowers or any other Credit Party.

This is an unconditional and irrevocable waiver of any rights and defenses each Borrower may have because the Obligations are or become secured by Real Property.

(i) The provisions of this Section 13.10 are made for the benefit of the Agents, the other Secured Creditors and their respective successors and assigns, and may be enforced by it or them from time to time against any or all Borrowers as often as occasion therefor may arise and without requirement on the part of any Agent, any other Secured Creditor or any of their respective successors or assigns first to marshal any of its or their claims or to exercise any of its or their rights against any Borrower or to exhaust any remedies available to it or them against any Borrower or to resort to any other source or means of obtaining payment of any of the Obligations hereunder or to elect any other remedy. The provisions of this Section 13.10 shall remain in effect until all of the Obligations shall have been paid in full in accordance with the express terms of this Agreement. If at any time, any payment, or any part thereof, made in respect of any of the Obligations, is rescinded or must otherwise be restored or returned by any Agent or any other Secured Creditor upon the insolvency, bankruptcy or reorganization of any Borrower, or otherwise, the provisions of this Section 13.10 will forthwith be reinstated in effect, as though such payment had not been made.

(j) Each Borrower hereby agrees that it will not enforce any of its rights of contribution or subrogation against any other Borrower with respect to any liability incurred by it hereunder or under any of the other Credit Documents, any payments made by it to any Agent or any other Secured Creditor with respect to any of the Obligations or any collateral security therefor until such time as all of the Obligations have been paid in full in accordance with the terms of this Agreement. Any claim which any Borrower may have against any other Borrower with respect to any payments to any Agent or any other Secured Creditor hereunder or under any other Credit Documents are hereby expressly made subordinate and junior in right of payment, without limitation as to any increases in the Obligations arising hereunder or thereunder, to the prior payment in full in cash of the Obligations and, in the event of any insolvency, bankruptcy, receivership, liquidation, reorganization or other similar proceeding under the laws of any jurisdiction relating to any Borrower, its debts or its assets, whether voluntary or involuntary, all such Obligations shall be paid in full in cash before any payment or distribution of any character, whether in cash, securities or other property, shall be made to any other Borrower therefor.

(k) Each Borrower hereby agrees that, after the occurrence and during the continuance of any Default or Event of Default, the payment of any amounts due with respect to any indebtedness owing by any Borrower to any other Borrower is hereby subordinated to the prior payment in full in cash of the Obligations. Each Borrower hereby agrees that after the occurrence and during the continuance of any Default or Event of Default, such Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such Borrower until the Obligations shall have been paid in full in cash. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, subject to any applicable intercreditor agreements then in effect, such amounts shall be collected, enforced and received by such Borrower as trustee for the Agents, and such Borrower shall deliver any such amounts to Administrative Agent for application to the Obligations in accordance with Section 7.4 of the Security Agreement.

(l) Each Borrower hereby agrees that, to the extent any Borrower shall have paid more than its proportionate share of any payment made hereunder, such Borrower shall be entitled to seek and receive contribution from and against any other Borrower hereunder which has not paid its proportionate share of such payment, in an amount not to exceed the highest amount that would be valid and enforceable and not subordinated to the claims of other creditors as determined in any action or proceeding involving any state corporate, limited partnership or limited liability law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally. Each such Borrower's right of contribution shall be subject to the terms and conditions of clauses (j) and (k) of this Section 13.10. The provisions of this clause (l) shall in no respect limit the obligations and liabilities of any Borrower to the Agents and the Lenders, and each Borrower shall remain liable to the Agent and the Lenders for the full amount such Borrower agreed to repay hereunder.

Section 13.11 Headings Descriptive. The headings of the several Sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

Section 13.12 Amendment or Waiver; etc.

(a) Except as expressly contemplated hereby, neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the Credit Parties party hereto or thereto, the Administrative Agent and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions) the Guaranty Agreement and the Security Documents in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party thereto or the Required Lenders) or the Administrative Agent with the written consent of the Required Lenders, *provided* that no such change, waiver, discharge or termination shall (i) without the prior written consent of each Lender (and Issuing Bank, if applicable) directly and adversely affected thereby, extend the final scheduled maturity of any Revolving Commitment, or reduce the rate or extend the time of payment of interest or fees thereon; except in connection with the waiver of the applicability of any post-default increase in interest rates, (ii) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral without the prior written consent of each Lender, (iii) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty by the Guarantors without the prior written consent of each Lender, (iv) [reserved], (v) amend, modify or waive any *pro rata* sharing provision of Section 2.10, the payment waterfall provision of Section 11.11, or any provision of this Section 13.12(a) (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Revolving Commitments on the Closing Date), in each case, without the prior written consent of each Lender directly and adversely affected thereby, (vi) reduce the percentage specified in the definition of "Required Lenders" or "Supermajority Lenders" without the prior written consent of each Lender (it being understood that, with the prior written consent of the Required Lenders or Supermajority Lenders, as applicable, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders or Supermajority Lenders, as applicable, on substantially the same basis as the extensions of Revolving Commitments are included on the Closing Date) or (vii) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement without the consent of each Lender; *provided further* that no such change, waiver, discharge or termination shall (1) increase the Commitments of any Lender over the amount thereof then in effect without the consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Aggregate Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender), (2) without the consent of each Agent adversely affected thereby, amend, modify or waive any provision of Section 12 or any other provision of any Credit Document as the same relates to the rights or obligations of such Agent, (3) without the consent of Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent, (4) without the consent of an Issuing Bank or the Swingline Lender, amend, modify or waive any provision relating to the rights or obligations of the such Issuing Bank or Swingline Lender, (5) without the prior written consent of the Supermajority Lenders, change the definition of the term "Availability" or "Borrowing Base" or any component definition used therein (including, without limitation, the definitions of "Eligible Accounts", "Eligible Due from Agent Accounts" and "Eligible Inventory") if, as a result thereof, the amounts available to be borrowed by the Borrowers would be increased; *provided* that the foregoing shall not limit the discretion of the Administrative Agent to change, establish or eliminate any Reserves or to add Accounts and Inventory acquired in a

Permitted Acquisition to the Borrowing Base as provided herein or (6) without the prior written consent of the Supermajority Lenders, increase the percentages set forth in the term "Borrowing Base" or add any new classes of eligible assets thereto.

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then Lead Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 3.04 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender's Commitments and/or repay the outstanding Revolving Loans of such Lender in accordance with Section 3.04; *provided* that, unless the Commitments that are terminated, and Revolving Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto; *provided further* that in any event Lead Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Revolving Loans solely as a result of the exercise of such Lender's rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, the Borrowers, the Administrative Agent and each Lender providing the relevant Revolving Commitment Increase may (i), in accordance with the provisions of Section 2.15, enter into an Incremental Revolving Commitment Amendment, and (ii) in accordance with the provisions of Section 2.19, enter into an Extension Amendment; *provided* that after the execution and delivery by the Borrowers, the Administrative Agent and each such Lender may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12.

(d) [Reserved.]

(e) Notwithstanding anything to the contrary herein, any fee letter may be amended, or rights and privileges thereunder waived, in a writing executed only by the parties thereto.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of "Supermajority" and "Required Lenders" will automatically be deemed modified accordingly for the duration of such period); *provided* that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, the Administrative Agent and/or the Collateral Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and/or the Collateral Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

Section 13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 3.01, 3.02, 5.01, 12.07 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

Section 13.14 Domicile of Loans. Each Lender may transfer and carry its Revolving Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 3.01 or 5.01 from those being charged by the respective Lender prior to such transfer, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

Section 13.15 Register. The Borrowers hereby designate the Administrative Agent to serve as their agent, solely for purposes of this Section 13.15, to maintain a register (the "Register") on which the Administrative Agent will record the Commitments from time to time of each of the Lenders, the Revolving Commitments and principal amount of Revolving Loans and LC Obligations by each of the Lenders and each repayment in respect of the principal amount of the Loans of each Lender. Holdings, Lead Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement (and the entries in the Register shall be conclusive for such purposes absent manifest error), notwithstanding notice to the contrary. With respect to any Lender, the transfer of the Commitments of, and the principal (and interest) amounts of the Revolving Loans owing to, such Lender and the rights to the principal of, and interest on, any Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Revolving Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Revolving Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Revolving Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Revolving Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The registration of any provision of Revolving Commitment Increases pursuant to Section 2.15 shall be recorded by the Administrative Agent on the Register only upon the acceptance of the Administrative Agent of a properly executed and delivered Incremental Revolving Commitment Amendment. Coincident with the delivery of such Incremental Revolving Commitment Amendment for acceptance and registration of the provision of Revolving Commitment Increases, as the case may be, or as soon thereafter as practicable, to the extent requested by any Lender of a Revolving Commitment Increase, Notes shall be issued, at the Borrowers' expense, to such Lender to be in conformity with Section 2.04 (with appropriate modification) to the extent needed to reflect Revolving Commitment Increases, and outstanding Revolving Loans made by such Lender.

Section 13.16 Confidentiality.

(a) Subject to the provisions of clause (b) of this Section 13.16, each Agent, Lead Arranger and Lender agrees that it will not disclose without the prior written consent, which may take the form of electronic mail, of Lead Borrower (other than to its affiliates and its and their respective directors, officers, employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender's holding or parent company in its reasonable discretion determines that any such party should have access to such information in connection with the transactions contemplated by this Agreement and such Agent's, Lead Arranger's or Lender's role hereunder or investment in the Term Loans; *provided* such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender (or language substantially similar to this Section 13.16(a))) any non-public information with respect to the Borrowers or any of their respective Subsidiaries (other than, for the avoidance of doubt, information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry) which is now or in the future furnished by or on behalf of any Credit Party pursuant to this Agreement or any other Credit Document; *provided* that each Agent, Lead Arranger and Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 13.16(a) by such Agent, Lead Arranger or Lender, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal or supranational regulatory body having or claiming to have jurisdiction over such Agent, Lead Arranger or Lender or to the Federal Reserve Board or other central banking authority or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in

connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Agent, Lead Arranger or Lender, (v) in the case of any Lead Arranger or Lender, to the Administrative Agent or the Collateral Agent, (vi) to any prospective or actual direct or indirect contractual counterparty (other than any Disqualified Lender except that the list of Disqualified Lenders may be furnished) in any swap, hedge or similar agreement (or to any such contractual counterparty's professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 13.16 (or language substantially similar to this Section 13.16(a)), (vii) in the case of any Lender, to any prospective or actual transferee, pledgee or participant (other than any Disqualified Lender except that the list of Disqualified Lenders may be furnished) in connection with any contemplated transfer, pledge or participation of any of the Notes or Commitments or any interest therein by such Lender, (viii) has become available to any Agent, Lead Arranger, any Lender, or any of their respective Affiliates on a non-confidential basis from a source other than Holdings, any Borrower or any Subsidiary thereof, and which source is not known by such Person to be subject to a confidentiality restriction in respect thereof in favor of the Borrowers or any Affiliate of the Borrowers, (ix) for purposes of establishing a "due diligence" defense and (x) that has been independently developed by such Agent, Lead Arranger or Lender without the use of any other confidential information provided by the Borrowers or on the Borrowers' behalf; *provided* that such prospective transferee, pledge or participant agrees to be bound by the confidentiality provisions contained in this Section 13.16 (or language substantially similar to this Section 13.16(a)); *provided, further*, that, to the extent permitted pursuant to any applicable law, order, regulation or ruling, and other than in connection with credit and other bank examinations conducted in the ordinary course with respect to such Agent, Lead Arranger or Lender, in the case of any disclosure pursuant to the foregoing clauses (ii), (iii) or (iv), such Agent, Lead Arranger or Lender will use its commercially reasonable efforts to notify the Borrowers in advance of such disclosure so as to afford the Borrowers the opportunity to protect the confidentiality of the information proposed to be so disclosed.

(b) The Borrowers hereby acknowledge and agree that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to Holdings, Lead Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of Holdings, Lead Borrower and its Subsidiaries); *provided* such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender.

Section 13.17 USA Patriot Act Notice. Each Lender hereby notifies Holdings and the Borrowers that pursuant to the requirements of the USA PATRIOT Act Title III of Pub. 107-56 (signed into law October 26, 2001 and amended on March 9, 2009) (the "Patriot Act"), it is required to obtain, verify, and record information that identifies Holdings, the Borrowers and each Subsidiary Guarantor, which information includes the name of each Credit Party and other information that will allow such Lender to identify the Credit Party in accordance with the Patriot Act, and each Credit Party agrees to provide such information from time to time to any Lender.

Section 13.18 [Reserved].

Section 13.19 Waiver of Sovereign Immunity. Each of the Credit Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that Holdings, the Borrowers, or any of their respective Subsidiaries or any of their respective properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Loans or any Credit Document or any other liability or obligation of Holdings, the Borrowers, or any of their respective Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, Holdings and the Borrowers, for themselves and on behalf of their respective Subsidiaries, hereby expressly waive, to the fullest extent permissible under applicable law, any such immunity, and agree not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, Holdings and the Borrowers further agree that the waivers set forth in this Section 13.19 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

Section 13.20 [Reserved].

Section 13.21 INTERCREDITOR AGREEMENT.

(a) EACH LENDER PARTY HERETO UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE INTERCREDITOR AGREEMENT, WHICH IN CERTAIN CIRCUMSTANCES MAY REQUIRE (AS MORE FULLY PROVIDED THEREIN) THE TAKING OF CERTAIN ACTIONS BY THE LENDERS, INCLUDING THE PURCHASE AND SALE OF PARTICIPATIONS BY VARIOUS LENDERS TO EACH OTHER IN ACCORDANCE WITH THE TERMS THEREOF.

(b) THE PROVISIONS OF THIS SECTION 13.21 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT OR ANY OF AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE INTERCREDITOR AGREEMENT. A COPY OF THE INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM THE ADMINISTRATIVE AGENT.

(c) THE INTERCREDITOR AGREEMENT IS AN AGREEMENT SOLELY AMONGST THE LENDERS (AND THEIR SUCCESSORS AND ASSIGNS) AND IS NOT AN AGREEMENT TO WHICH HOLDINGS OR ANY OF ITS SUBSIDIARIES IS PARTY. AS MORE FULLY PROVIDED THEREIN, THE INTERCREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO IN ACCORDANCE WITH THE PROVISIONS THEREOF.

Section 13.22 Absence of Fiduciary Relationship. Notwithstanding any other provision of this Agreement or any provision of any other Credit Document, (i) none of the Lead Arrangers and their Affiliates or the Documentation Agent and its Affiliates or any Lender shall, solely by reason of this Agreement or any other Credit Document, have any fiduciary, advisory or agency relationship or duty in respect of any Lender or any other Person and (ii) Holdings and the Borrowers hereby waive, to the fullest extent permitted by law, any claims they may have against the Lead Arrangers or their Affiliates, the Documentation Agent or its Affiliates or any Lender for breach of fiduciary duty or alleged breach of fiduciary duty by reason of this Agreement, any other Credit Document or the transactions contemplated herby or thereby.

Section 13.23 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other Notice of Borrowings, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 13.24 Entire Agreement. This Agreement and the other Credit Documents represent the final agreement among the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

Section 13.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Solely to the extent an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document,

to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

All such rights of each Grantor to vote and to give consents, waivers and ratifications shall cease at any time after the occurrence and during the continuance of an Event of Default upon, except in the case of an Event of Default under Section 11.05 of the Credit Agreement, at least two Business Days' prior written notice from the Collateral Agent of its intent to exercise its rights with respect to such Pledged Collateral under this Agreement.

(d) For greater certainty, except as permitted under the Credit Agreement, (i) unless and until there shall have occurred and be continuing an Event of Default and, other than in the case of an Event of Default under Section 11.05 of the Credit Agreement, the Collateral Agent shall have given at least two Business Days' prior written notice of its intent to exercise such rights with respect to the Pledged Collateral to the Grantor, all cash dividends, cash distributions, cash Proceeds and other cash amounts payable in respect of the Pledged Collateral shall be paid to the respective Grantor and (ii) after there shall have occurred and be continuing an Event of Default and, other than in the case of an Event of Default under Section 11.05 of the Credit Agreement, the Collateral Agent shall have given at least two Business Days' prior written notice of its intent to exercise such rights with respect to the Pledged Collateral to the Grantor, all cash dividends, cash distributions, cash Proceeds and other cash amounts payable in respect of the Pledged Collateral shall be paid to the Collateral Agent. All dividends, distributions or other payments which are received by any Grantor contrary to the provisions of this Section 3.1(d) or Section 7 hereof shall be received for the benefit of the Collateral Agent, shall be segregated from other property or funds of such Grantor and shall be forthwith delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary endorsement).

3.2 Accounts and Contract Rights. Upon the occurrence and during the continuance of an Event of Default and at the request of the Collateral Agent, such Grantor shall, at its own cost and expense, deliver all tangible evidence of its Accounts and Contract Rights (including, without limitation, all documents evidencing the Accounts and all Contract Rights) and any books and records related thereto to the Collateral Agent or to its representatives (copies of which evidence and books and records may be retained by such Grantor). Upon the occurrence and during the continuance of an Event of Default and if the Collateral Agent so requests, such Grantor shall legend, in form and manner reasonably satisfactory to the Collateral Agent, the Accounts and the Contracts, as well as books, records and documents (if any) related thereto of such Grantor evidencing or pertaining to such Accounts and Contracts with an appropriate reference to the fact that such Accounts and Contracts have been assigned to the Collateral Agent and that the Collateral Agent has a security interest therein.

3.3 Direction to Account Debtors; Contracting Parties; etc. Subject to the terms of the Intercreditor Agreement, (a) upon the occurrence and during the continuance of an Event of Default, after giving notice to the relevant Grantor of its intent to do so, if the Collateral Agent so directs any Grantor and (b) as otherwise required pursuant to Section 9.17(c) of the Credit Agreement, such Grantor agrees (i) to cause all payments on account of the Accounts (including Proceeds of Pledged Collateral) and Contracts to be made directly to the Dominion Account, (ii) that the Collateral Agent may, at its option, directly notify the obligors in its own name or in the name of the applicable Grantor with respect to any Accounts and/or under any Contracts to make payments with respect thereto as provided in the preceding clause (i), and (iii) that the Collateral Agent may enforce collection of any such Accounts and Contracts and may adjust, settle or compromise the amount of payment thereof, in the same manner and to the same extent as such Grantor; provided that, (x) any failure by the Collateral Agent to give or any delay in giving such notice (including pursuant to Section 9.17(c) of the Credit Agreement) to the relevant Grantor shall not affect the effectiveness of such notice or the other rights of the Collateral Agent created by this Section 3.3 and (y) no such notice shall be required if an Event of Default of the type described in Section 11.05 of the Credit Agreement has occurred and is continuing. Without notice to or assent by any Grantor, the Collateral Agent may (subject to the Intercreditor Agreement), upon the occurrence and during the continuance of a Liquidity Period or an Event of Default, apply any or all amounts then in, or thereafter deposited in, the Dominion Account (including any amounts transferred to the Dominion Account from other Deposit Accounts subject to a Deposit Account Control Agreement in accordance with Section 9.17(c) of the Credit Agreement) toward the payment of the Obligations in the manner provided in Section 7.4 of this Agreement. The Collateral Agent shall deliver a copy of each notice referred to in the preceding clause (y) to the relevant Grantor, provided that (x) the failure by the Collateral Agent to so notify such Grantor shall not affect the effectiveness of such notice or the other rights of the Collateral Agent created by this Section 3.3 and (y) no such notice shall be required if an Event of Default of the type described in Section 11.05 of the Credit Agreement has occurred and is continuing.

3.5 Collection. Each Grantor shall endeavor in accordance with historical business practices or otherwise in accordance with reasonable business judgment as determined in good faith by the applicable Grantor to cause to be collected from the Account Debtor named in each of its Accounts or obligor under any Contract, as and when due (including, without limitation, amounts which are delinquent, such amounts to be collected in accordance with generally accepted lawful collection procedures) any and all amounts owing under or on account of such Account or Contract, and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Account or under such Contract. Except as otherwise directed by the Collateral Agent after the occurrence and during the continuation of an Event of Default or otherwise required pursuant to the Credit Agreement, any Grantor may allow in the ordinary course of business, or consistent with reasonable business judgment as determined in good faith by the applicable Grantor, as adjustments to amounts owing under its Accounts and Contracts (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, which such Grantor finds appropriate in accordance with reasonable business judgment, (ii) a refund or credit due as a result of returned or damaged merchandise or improperly performed services or for other reasons which such Grantor finds appropriate in accordance with reasonable business judgment and (iii) any other adjustments necessary or desirable in the Grantor's reasonable business judgment.

3.6 Instruments. If any Grantor at any time holds or acquires any Instrument constituting Collateral with a face value in excess of $3,375,000 individually (other than checks received and collected in the ordinary course of business), such Grantor shall, on the date hereof pursuant to the Perfection Certificate with respect to any such instruments held on the date hereof, and otherwise on or prior to the next Quarterly Update Date, notify the Collateral Agent thereof, and upon request by the Collateral Agent (subject to the Intercreditor Agreement), promptly deliver such Instrument to the Collateral Agent appropriately endorsed in blank or to the order of the Collateral Agent, provided that, so long as no Event of Default shall have occurred and be continuing, such Grantor may retain for collection in the ordinary course of business any Instrument received by such Grantor in the ordinary course of business, and the Collateral Agent shall, promptly upon request of such Grantor, make appropriate arrangements for making any Instruments in its possession and pledged by such Grantor available to such Grantor for purposes of presentation, collection or renewal. If such Grantor retains possession of any Instruments pursuant to the terms hereof, upon request of the Collateral Agent, such Instrument shall be marked with the following legend: "This writing and the obligations evidenced or secured hereby are subject to the security interests of Bank of America, N.A., as collateral agent, for the benefit of itself and certain Secured Creditors."

3.7 Grantors Remain Liable Under Accounts. Anything herein to the contrary notwithstanding, the Grantors shall remain liable under each of the Accounts to observe and perform all of the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to such Accounts. Neither the Collateral Agent nor any other Secured Creditor shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement, nor shall the Collateral Agent or any other Secured Creditor be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by them or as to the sufficiency of any performance by any party under any Account (or any agreement giving rise thereto), to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

3.8 Grantors Remain Liable Under Contracts. Anything herein to the contrary notwithstanding, the Grantors shall remain liable under each of the Contracts to observe and perform all of the conditions and obligations to be observed and performed by them thereunder, all in accordance with and pursuant to the terms and

provisions of each Contract. Neither the Collateral Agent nor any other Secured Creditor shall have any obligation or liability under any Contract by reason of or arising out of this Agreement, nor shall the Collateral Agent or any other Secured Creditor be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any performance by any party under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

3.9 Deposit Accounts. After the date of this Agreement, no Grantor shall establish any new demand, time, savings, passbook or similar account, except for Excluded Accounts, the Dominion Account and Deposit Accounts established and maintained with banks and meeting the requirements of Section 9.17 of the Credit Agreement.

If any Grantor shall at any time after the date of this Agreement hold or acquire a Commercial Tort Claim in an amount (taking the greater of the aggregate claimed damages thereunder or the reasonably estimated value thereof) of $11,250,000 or more, such Grantor shall, on or prior to the next Quarterly Update Date, notify the Collateral Agent thereof in a writing signed by such Grantor and describing the details thereof and shall grant to the Collateral Agent in such writing a security interest therein (subject to Permitted Liens) and in the Proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

If such Grantor retains possession of any Chattel Paper pursuant to the terms hereof, upon request of the Collateral Agent, such Chattel Paper shall be marked with the following legend: “This writing and the obligations evidenced or secured hereby are subject to the security interests of Bank of America, N.A., as collateral agent, for the benefit of itself and certain Secured Creditors.”

3.12 Further Actions. To the extent otherwise required by this Agreement or the other Credit Documents, each Grantor will, at its own expense, (i) make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent from time to time such vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and (ii) take such further steps, including any and all actions as may be necessary or required relating to its Accounts, Contracts, Instruments and other property or rights which constitute Collateral, as the Collateral Agent may reasonably require for the purpose of obtaining or preserving the full benefits of the security interests, rights and powers herein granted.

## ARTICLE IV

## SPECIAL PROVISIONS CONCERNING TRADEMARKS AND DOMAIN NAMES

4.1 Power of Attorney Each Grantor hereby grants to the Collateral Agent an absolute power of attorney to sign until the Termination Date (or such earlier date such Grantor is released from this Agreement in accordance with Section 10.08(b)), solely upon the occurrence and during the continuance of an Event of Default, any document which may be required by the PTO in order to effect an assignment of all right, title and interest in each Mark listed in Schedule 7(a) of the Perfection Certificate, and record the same.

4.2 Assignments. Except as otherwise permitted by the Credit Agreement, each Grantor hereby agrees not to assign or otherwise transfer any rights to any third party all or substantially all rights in any Mark that, in the reasonable business judgment of such Grantor exercised in good faith, is material to such Grantor’s business, absent prior written approval of the Collateral Agent.

4.3 Infringements. Each Grantor agrees, on or prior to the next Quarterly Update Date after learning thereof, to notify the Collateral Agent in writing of any party claiming that such Grantor's use of any Mark violates in any material respect any intellectual property right of that party, except to the extent such violation would not reasonably be expected to have a Material Adverse Effect. Each Grantor further agrees to the extent deemed reasonable business judgment as determined by the applicable Grantor, to prosecute diligently any Person infringing any Mark owned by it in any manner that would reasonably be expected to have a Material Adverse Effect.

4.4 Preservation of Marks. Each Grantor agrees to take all such actions as are reasonably necessary to preserve the Marks that are material to such Grantor's business as trademarks or service marks under the laws of the United States (other than any such material Marks that are no longer material or are deemed by such Grantor in its reasonable business judgment to no longer be necessary in the conduct of Grantor's business).

4.5 Maintenance of Registration. Each Grantor shall, at its own expense, diligently process all documents reasonably required to maintain all material Mark registrations for all of its material registered Marks.

4.6 Future Registered Marks. If any Mark registration is issued hereafter prior to the Termination Date to any Grantor as a result of any application now or hereafter prior to the Termination Date pending before the PTO, such Grantor shall deliver to the Collateral Agent, on or prior to the next Quarterly Update Date, an updated Schedule 7(a) of the Perfection Certificate and a grant of a security interest in such Mark to the Collateral Agent and at the expense of such Grantor, confirming the grant of a security interest in such Mark to the Collateral Agent hereunder, the form of such security to be substantially in the form of Exhibit C hereto or in such other form as may be reasonably satisfactory to the Collateral Agent.

4.7 Remedies. If an Event of Default shall occur and be continuing, subject to the terms of the Intercreditor Agreement, the Collateral Agent may, by written notice to the relevant Grantor, take any or all of the following actions: (i) take and use or sell the Marks or Domain Names and the goodwill of such Grantor's business symbolized by the Marks or Domain Names and the right to carry on the business and use the assets of such Grantor in connection with which the Marks or Domain Names have been used (provided that any license shall be subject to reasonable quality control); and (ii) direct such Grantor to refrain, in which event such Grantor shall refrain, from using the Marks or Domain Names in any manner whatsoever, directly or indirectly, and such Grantor shall execute such further documents that the Collateral Agent may reasonably request to further confirm this and to transfer ownership of the Marks owned by it and registrations and any pending trademark applications in the PTO or applicable Domain Name registrar therefor to the Collateral Agent. Solely for the purpose of enabling the Collateral Agent to exercise rights and remedies under this Section 4.7 and at such time as the Collateral Agent shall be lawfully entitled, and permitted under the Credit Agreement, to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor), subject, in the case of Marks, to sufficient rights to quality control and inspection in favor of such Grantor to avoid the risk of invalidation of said Marks, to use, operate under, license, or sublicense any Marks and Domain Names now owned or hereafter acquired by such Grantor to the extent constituting Collateral hereunder.

## ARTICLE V

## SPECIAL PROVISIONS CONCERNING PATENTS, COPYRIGHTS AND TRADE SECRETS

5.1 Power of Attorney Each Grantor hereby grants to the Collateral Agent a power of attorney to sign until the Termination Date (or such earlier date such Grantor is released from this Agreement in accordance with Section 10.08(b)), solely upon the occurrence and during the continuance of any Event of Default, any document which may be required by the PTO or the USCO in order to effect an assignment of all right, title and interest in each Patent listed in Schedule 7(a) of the Perfection Certificate or Copyright listed in Schedule 11(b) of the Perfection Certificate, or any other issued or applied-for United States patent or registered or applied-for United States copyright hereinafter owned by such Grantor, and to record the same.

5.2 Assignments. Except as otherwise permitted by the Credit Agreement, each Grantor hereby agrees not to assign or otherwise transfer to any third party all or substantially all rights in any Patent or

Copyright to the extent such Patent or Copyright is material to such Grantor's business, such materiality to be determined in good faith by such Grantor, absent prior written approval of the Collateral Agent.

5.3 Infringements. Each Grantor agrees, on or prior to the next Quarterly Update Date after learning thereof, to notify the Collateral Agent in writing of any party claiming that such Grantor's use of any Patent, Copyright or Trade Secret Right violates in any material respect any intellectual property right of that party, except to the extent such violation would not reasonably be expected to have a Material Adverse Effect. Each Grantor further agrees to diligently prosecute, in accordance with such Grantor's reasonable business judgment, any Person infringing any Patent owned by it or Copyright or any Person misappropriating any Trade Secret Right, in each case to the extent that such infringement or misappropriation, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

5.4 Maintenance of Patents or Copyrights. At its own expense, each Grantor shall make timely payment of all post-issuance fees required to maintain in force its rights under each issued Patent or registered Copyright, absent prior written consent of the Collateral Agent (other than any such Patents or Copyrights that are no longer material or are deemed by such Grantor in its reasonable business judgment to no longer be necessary in the conduct of Grantor's business).

5.5 Prosecution of Patent or Copyright Applications. At its own expense, each Grantor shall diligently prosecute all material applications for (i) United States Patents listed in Schedule 7(a) of the Perfection Certificate and (ii) Copyrights listed on Schedule 7(b) of the Perfection Certificate, in each case for such Grantor (other than applications that are no longer material or are deemed by such Grantor in its reasonable business judgment to no longer be necessary in the conduct of Grantor's business), absent written consent of the Collateral Agent not to be unreasonably withheld.

5.6 Other Patents and Copyrights. Upon acquisition or issuance of a United States Patent, registration of a Copyright, or acquisition of a registered Copyright, or of filing of an application for a United States Patent or Copyright, the relevant Grantor shall deliver to the Collateral Agent, on or prior to the next Quarterly Update Date, an updated Schedule 7 of the Perfection Certificate and a grant of a security interest as to such Patent or Copyright, as the case may be, to the Collateral Agent and at the expense of such Grantor, the form of such grant of a security interest to be substantially in the form of Exhibit A or B hereto, as appropriate, or in such other form as may be reasonably satisfactory to the Collateral Agent.

5.7 Remedies. If an Event of Default shall occur and be continuing, subject to the terms of the Intercreditor Agreement, the Collateral Agent may, by written notice to the relevant Grantor, take any or all of the following actions: (i) take and practice or sell the Patents, Copyrights and Trade Secrets, in each case, owned by such Grantor, and exercise any other rights vested in the Patents , Copyrights and Trade Secrets pursuant to this Agreement; and (ii) direct such Grantor to refrain, in which event such Grantor shall refrain, from practicing the Patents and using the Copyrights and Trade Secrets directly or indirectly, and such Grantor shall execute such further documents as the Collateral Agent may reasonably request further to confirm this and to transfer ownership of the Patents, Copyrights and Trade Secrets , in each case owned by it, to the Collateral Agent for the benefit of the Secured Creditors. Solely for the purpose of enabling the Collateral Agent to exercise rights and remedies under this Section 5.7 and at such time as the Collateral Agent shall be lawfully entitled, and permitted under the Credit Agreement, to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor) until the Termination Date (or such earlier date such Grantor is released from this Agreement in accordance with Section 10.08(b)), to use, operate under, license, or sublicense any Patents, Copyrights and Trade Secrets now owned or hereafter acquired by such Grantor to the extent constituting Collateral hereunder.

## ARTICLE VI

## PROVISIONS CONCERNING ALL COLLATERAL

6.1 Protection of Collateral Agent's Security Except as otherwise permitted or not prohibited by the Credit Agreement, each Grantor will not take any action to impair the rights of the Collateral Agent in the Collateral. If any Event of Default shall have occurred and be continuing, the Collateral Agent shall (subject to the

Intercreditor Agreement), at the time any proceeds of such insurance are distributed to the Secured Creditors, apply such proceeds in accordance with Section 7.4 hereof. Each Grantor assumes all liability and responsibility in connection with the Collateral acquired by it and the liability of such Grantor to pay the Obligations shall in no way be affected or diminished by reason of the fact that such Collateral may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to such Grantor.

6.2 Additional Information. Each Grantor will, at its own expense, from time to time upon the reasonable request of the Collateral Agent, promptly furnish to the Collateral Agent such information with respect to the Collateral (including the identity of the Collateral or such components thereof as may have been reasonably requested by the Collateral Agent, the value and location of such Collateral, etc.) as may be reasonably requested by the Collateral Agent, taking into account any reporting or other notification requirements with respect to such Collateral otherwise set forth in the Credit Documents.

6.3 Further Actions. To the extent otherwise required by this Agreement or the other Credit Documents, each Grantor will, at its own expense and upon the reasonable request of the Collateral Agent, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent from time to time such lists, descriptions and designations of its Collateral, warehouse receipts, receipts in the nature of warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted, which the Collateral Agent deems reasonably appropriate or advisable to perfect, preserve or protect its security interest in the Collateral at least to the extent described in Section 2.1.

6.4 Financing Statements. Each Grantor agrees to deliver to the Collateral Agent such financing statements, in form reasonably acceptable to the Collateral Agent, as the Collateral Agent may from time to time reasonably request to establish and maintain a valid, enforceable, perfected security interest in the Collateral as provided herein and for the purpose of obtaining and preserving the full benefits of the other rights and security contemplated hereby at least to the extent described in Section 2.1. Each Grantor will pay any applicable filing fees, recordation taxes and related expenses relating to its Collateral. Each Grantor hereby authorizes the Collateral Agent to file any such financing statements (and such authorization includes describing the Collateral as “all assets and all personal property whether now owned or hereafter acquired” of such Grantor or words of similar effect).

## ARTICLE VII

## REMEDIES UPON OCCURRENCE OF AN EVENT OF DEFAULT

7.1 Remedies; Obtaining the Collateral Upon an Event of Default. Each Grantor agrees that, subject to the terms of the Intercreditor Agreement, if any Event of Default shall have occurred and be continuing, then and in every such case, the Collateral Agent, in addition to any rights now or hereafter existing under applicable law and under the other provisions of this Agreement, shall have all rights as a secured creditor under any UCC, and such additional rights and remedies to which a secured creditor is entitled under the laws in effect in all relevant jurisdictions and may:

(i) personally, or by agents or attorneys, immediately take possession of the Collateral or any part thereof, from such Grantor or any other Person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon such Grantor’s premises where any of the Collateral is located and remove the same and use in connection with such removal any and all services, supplies, aids and other facilities of such Grantor, in each case without breach of the peace;

(ii) instruct the obligor or obligors on any agreement, instrument or other obligation (including, without limitation, the Accounts and the Contracts) constituting the Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to the Collateral Agent and may exercise any and all remedies of such Grantor in respect of such Collateral;

(iii) instruct all banks which have entered into a Deposit Account Control Agreement with the Collateral Agent to transfer all monies, securities and instruments held by such depositary bank to the

Dominion Account; it being understood and agreed that unless a Liquidity Period or an Event of Default has occurred and is continuing, the Collateral Agent shall not deliver to such banks a Liquidity Notice or any other notice stating that the Collateral Agent is exercising exclusive control relating of such Deposit Accounts, Securities Accounts or Commodity Accounts subject thereto;

(iv) sell, assign or otherwise liquidate any or all of the Collateral or any part thereof in accordance with Section 7.2 hereof, or direct such Grantor to sell, assign or otherwise liquidate any or all of the Collateral or any part thereof, and, in each case, take possession of the proceeds of any such sale or liquidation;

(v) take possession of the Collateral or any part thereof, by directing such Grantor in writing to deliver the same to the Collateral Agent at any reasonable place or places designated by the Collateral Agent, in which event such Grantor shall at its own expense:

(1) forthwith cause the same to be moved to the place or places so designated by the Collateral Agent and there delivered to the Collateral Agent;

(2) store and keep any Collateral so delivered to the Collateral Agent at such place or places pending further action by the Collateral Agent as provided in Section 7.2 hereof; and

(3) while the Collateral shall be so stored and kept, provide such security and maintenance services as shall be reasonably necessary to protect the same and to preserve and maintain it in good condition;

(vi) license or sublicense, whether on an exclusive (where permissible) or nonexclusive basis, any Marks (subject to reasonable quality control), Domain Names, Patents or Copyrights included in the Collateral for such term and on such conditions and in such manner as the Collateral Agent shall in its sole judgment determine;

(vii) apply any monies constituting Collateral or Proceeds thereof in accordance with the provisions of Section 7.4;

(viii) take any other action as specified in clauses (a)(1) through (a)(5), inclusive, of Section 9-607 of the UCC;

(ix) accelerate any Instrument which may be accelerated in accordance with its terms, and take any other lawful action to collect upon any Instrument (including, without limitation, to make any demand for payment thereon); and

(x) with respect to Pledged Collateral,

(1) receive all amounts payable in respect of the Pledged Collateral otherwise payable under Section 3.1 hereof to the respective Grantor;

(2) upon at least two Business Days' prior written notice to Lead Borrower, transfer all or any part of the Pledged Collateral into the Collateral Agent's name or the name of its nominee or nominees; and

(3) upon at least two Business Days' prior written notice to Lead Borrower, vote (and exercise all rights and powers in respect of voting) all or any part of the Pledged Collateral (whether or not transferred into the name of the Collateral Agent) and give all consents, waivers and ratifications in respect of the Pledged Collateral and otherwise act with respect thereto as though it were the outright owner thereof (each Grantor hereby irrevocably constituting and appointing the Collateral Agent the proxy and attorney-in-fact of such Grantor, with full power of substitution to do so);

it being understood that each Grantor's obligation so to deliver the Collateral is of the essence of this Agreement and that, accordingly, upon application to a court of equity having jurisdiction, the Collateral Agent shall be entitled to a decree requiring specific performance by such Grantor of said obligation. By accepting the benefits of this Agreement and each other Security Document, the Secured Creditors expressly acknowledge and agree that this Agreement and each other Security Document may be enforced only by the action of the Collateral Agent and that no Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Collateral Agent.

7.2 Remedies; Disposition of the Collateral.

(a) To the extent permitted by applicable law, if any Event of Default shall have occurred and be continuing, then any Collateral repossessed by the Collateral Agent under or pursuant to Section 7.1 hereof and any other Collateral whether or not so repossessed by the Collateral Agent, may be sold, assigned, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Collateral Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Collateral Agent or after any overhaul or repair at the expense of the relevant Grantor which the Collateral Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any such sale, lease or other disposition may be effected by means of a public disposition or private disposition, effected in accordance with the applicable requirements (in each case if and to the extent applicable) of Sections 9-610 through 9-613 of the UCC and/or such other mandatory requirements of applicable law as may apply to the respective disposition. The Collateral Agent may, without notice or publication, adjourn any public or private disposition or cause the same to be adjourned from time to time by announcement at the time and place fixed for the disposition, and such disposition may be made at any time or place to which the disposition may be so adjourned. To the extent permitted by any such requirement of law, the Collateral Agent may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Obligations against the purchase price) of the Collateral or any item thereof, offered for disposition in accordance with this Section 7.2 without accountability to the relevant Grantor. Each Grantor agrees to do or cause to be done all such other acts and things as may be reasonably necessary to make such disposition or dispositions of all or any portion of the Collateral valid and binding and in compliance with any and all applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, having jurisdiction over any such sale or sales, all at such Grantor's expense. Each Grantor acknowledges and agrees that, to the extent notice of sale or other disposition of the Collateral or any part thereof shall be required by law, ten (10) days' prior notice to such Grantor of the time and place of any public sale or of the time after which any private sale or other intended disposition is to take place shall be commercially reasonable notification of such matters.

(b) If at any time when the Collateral Agent shall determine to exercise its right to sell all or any part of the Pledged Collateral consisting of Securities, and such Pledged Collateral or the part thereof to be sold shall not, for any reason whatsoever, be effectively registered under the Securities Act, as then in effect, the Collateral Agent may, in its sole and absolute discretion, sell such Pledged Collateral or part thereof by private sale in such manner and under such circumstances as the Collateral Agent may deem necessary or advisable in order that such sale may legally be effected without such registration. Without limiting the generality of the foregoing, in any such event the Collateral Agent, in its sole and absolute discretion (i) may proceed to make such private sale notwithstanding that a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under such Securities Act, (ii) may approach and negotiate with a single possible purchaser to effect such sale, and (iii) may restrict such sale to a purchaser who will represent and agree, among other things, that such purchaser is purchasing for its own account, for investment, and not with a view to the distribution or sale of such Pledged Collateral or part thereof. In the event of any such sale, the Collateral Agent shall incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price which the Collateral Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might be realized if the sale were deferred until the registration as aforesaid.

7.3 Waiver of Claims. Except as otherwise provided in this Agreement (including provisions hereof that require that the Collateral Agent act in a manner that it has, in compliance with any mandatory requirements of law, determined to be commercially reasonable), EACH GRANTOR HEREBY WAIVES, TO THE EXTENT

PERMITTED BY APPLICABLE LAW, NOTICE AND JUDICIAL HEARING IN CONNECTION WITH THE COLLATERAL AGENT'S TAKING POSSESSION OR THE COLLATERAL AGENT'S DISPOSITION OF ANY OF THE COLLATERAL, INCLUDING, WITHOUT LIMITATION, ANY AND ALL PRIOR NOTICE AND HEARING FOR ANY PREJUDGMENT REMEDY OR REMEDIES, and each Grantor hereby further waives, to the extent permitted by law:

(a) all damages occasioned by such taking of possession or any such disposition except any damages which are the direct result of the Collateral Agent's gross negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision);

(b) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent's rights hereunder; and

(c) all rights of redemption, appraisement, valuation, stay, extension or moratorium now or hereafter in force under any applicable law in order to prevent or delay the enforcement of this Agreement or the absolute sale of the Collateral or any portion thereof, and each Grantor, for itself and all who may claim under it, insofar as it or they now or hereafter lawfully may, hereby waives the benefit of all such laws.

Any sale of, or the grant of options to purchase, or any other realization upon, any Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the relevant Grantor therein and thereto, and shall be a perpetual bar both at law and in equity against such Grantor and against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under such Grantor.

7.4 Application of Proceeds.

(a) Subject to the terms of the Intercreditor Agreement, all moneys collected by the Collateral Agent (or, to the extent any other Security Document requires proceeds of collateral under such other Security Document to be applied in accordance with the provisions of this Agreement, the collateral agent under such other Security Document) upon any sale or other disposition of the Collateral (or the collateral under the relevant Security Document), together with all other moneys received by the Collateral Agent hereunder (or under the relevant Security Document), in each case, as a result of the exercise of remedies by the Collateral Agent after the occurrence and during the continuance of an Event of Default, shall be applied in accordance with Section 11.11 of the Credit Agreement.

(b) All payments required to be made hereunder shall be made (x) if to the Lender Creditors, to the Administrative Agent for the account of the Lender Creditors and (y) if to any Other Creditors, to the trustee, paying agent or other similar representative (each, a "Representative") for the Other Creditors or, in the absence of such a Representative, directly to the Other Creditors.

(c) For purposes of applying payments received in accordance with this Section 7.4, the Collateral Agent shall be entitled to rely upon (i) the Administrative Agent and (ii) the Representative or, in the absence of such a Representative, upon the Other Creditors for a determination (which the Administrative Agent, each Representative and the Other Creditors agree (or shall agree) to provide upon request of the Collateral Agent) of the outstanding Credit Document Obligations and Other Obligations owed to the Lender Creditors or the Other Creditors, as the case may be. Unless it has written notice from an Other Creditor to the contrary, the Collateral Agent, in acting hereunder, shall be entitled to assume that no Secured Bank Product Obligation that would give rise to any Other Obligations is in existence.

(d) It is understood that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Obligations.

7.5 Remedies Cumulative. Each and every right, power and remedy hereby specifically given to the Collateral Agent shall be in addition to every other right, power and remedy specifically given to the Collateral Agent under this Agreement, the other Credit Documents or now or hereafter existing at law, in equity or by statute and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by the Collateral Agent. All such rights, powers and remedies shall be cumulative and the exercise or the beginning of the exercise of

one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Collateral Agent in the exercise of any such right, power or remedy and no renewal or extension of any of the Obligations shall impair any such right, power or remedy or shall be construed to be a waiver of any Default or Event of Default or an acquiescence thereof. No notice to or demand on any Grantor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Collateral Agent to any other or further action in any circumstances without notice or demand. In the event that the Collateral Agent shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Collateral Agent may recover reasonable invoiced out-of-pocket expenses, including reasonable attorneys' fees, and the amounts thereof shall be included in such judgment, in each case, in accordance with the terms and provisions of Section 13.01 of the Credit Agreement.

7.6 Discontinuance of Proceedings. In case the Collateral Agent shall have instituted any proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case the relevant Grantor, the Collateral Agent and each holder of any of the Obligations shall be restored to their former positions and rights hereunder with respect to the Collateral subject to the security interest created under this Agreement, and all rights, remedies and powers of the Collateral Agent shall continue as if no such proceeding had been instituted.

**[FORM OF]**

**AGREEMENT REGARDING UNCERTIFICATED SECURITIES**

AGREEMENT (as amended, amended and restated, modified, supplemented, extended or renewed from time to time, this "Agreement"), dated as of [●], 20[●], among the undersigned Grantor (the "Grantor"), BANK OF AMERICA, N.A., in its capacity as Collateral Agent (the "Collateral Agent"), and [_____], as the issuer of the Uncertificated Securities (the "Issuer").

W I T N E S S E T H :

WHEREAS, the Grantor, certain of its affiliates and the Collateral Agent have entered into a Security Agreement, dated as of March 1, 2018 (as amended, amended and restated, modified, supplemented, extended or renewed from time to time, the "Security Agreement"), under which, among other things, in order to secure the payment of the Obligations (as defined in the Security Agreement), the Grantor has or will pledge to the Collateral Agent for the benefit of the Secured Creditors (as defined in the Security Agreement), and grant a security interest in favor of the Collateral Agent for the benefit of the Secured Creditors in, all of the right, title and interest of the Grantor in and to certain "uncertificated securities" (as defined in Section 8-102(a)(18) of the Uniform Commercial Code, as adopted in the State of New York) ("Uncertificated Securities"), from time to time issued by the Issuer, whether now existing or hereafter from time to time acquired by the Grantor (with all of such Uncertificated Securities being herein collectively called the "Issuer Pledged Interests"); and

WHEREAS, the Grantor desires the Issuer to enter into this Agreement in order to perfect the security interest of the Collateral Agent under the Security Agreement in the Issuer Pledged Interests, to vest in the Collateral Agent control of the Issuer Pledged Interests and to provide for the rights of the parties under this Agreement;

NOW, THEREFORE, in consideration of the premises and the mutual promises and agreements contained herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. The Grantor hereby irrevocably authorizes and directs the Issuer, and the Issuer hereby agrees, to comply with any and all instructions and orders originated by the Collateral Agent (and its successors and assigns) regarding any and all of the Issuer Pledged Interests without the further consent by the registered owner (including the Grantor), and, following its receipt of a notice from the Collateral Agent stating that the Collateral Agent is exercising exclusive control of the Issuer Pledged Interests, not to comply with any instructions or orders regarding any or all of the Issuer Pledged Interests originated by any person or entity other than the Collateral Agent (and its successors and assigns) or a court of competent jurisdiction.

2. All notices, statements of accounts, reports, prospectuses, financial statements and other communications to be sent to the Grantor by the Issuer in respect of the Issuer will also be sent to the Collateral Agent at the following address:

Bank of America, N.A.

3. Following its receipt of a notice from the Collateral Agent stating that the Collateral Agent is exercising exclusive control of the Issuer Pledged Interests and until the Collateral Agent shall have delivered written notice to the Issuer that the Termination Date has occurred and this Agreement is terminated, the Issuer will send any and all redemptions, distributions, interest or other payments in respect of the Issuer Pledged Interests from the Issuer for the account of the Collateral Agent only by wire transfers to such account as the Collateral Agent shall instruct.

4. Except as expressly provided otherwise in Sections 4 and 5, all notices, instructions, orders and communications hereunder shall be sent or delivered by mail, telegraph, telex, telecopy, cable or overnight courier service and all such notices and communications shall, when mailed, telexed, telecopied, cabled or sent by overnight courier, be effective when deposited in the mails or delivered to overnight courier, prepaid and properly addressed for delivery on such or the next Business Day, or sent by telex or telecopier, except that notices and communications to the Collateral Agent or the Issuer shall not be effective until received. All notices and other communications shall be in writing and addressed as follows:

or at such other address as shall have been furnished in writing by any Person described above to the party required to give notice hereunder. As used in this Section 4, "Business Day" means any day other than a Saturday, Sunday, or other day in which banks in New York are authorized to remain closed.

5. This Agreement shall be binding upon the successors and assigns of the Grantor and the Issuer and shall inure to the benefit of and be enforceable by the Collateral Agent and its successors and permitted assigns. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which shall constitute one instrument. In the event that any provision of this Agreement shall prove to be invalid or unenforceable, such provision shall be deemed to be severable from the other provisions of this Agreement which shall remain binding on all parties hereto. None of the terms and conditions of this Agreement may be changed, waived, modified or varied in any manner whatsoever except in writing signed by the Collateral Agent, the Issuer and the Grantor.

6. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to its principles of conflict of laws.

7. The rights and powers granted herein to the Collateral Agent have been granted in order to perfect its security interest in the Issuer Pledged Interests. This Agreement shall continue in effect until the security interest of the Collateral Agent in the Issuer Pledged Interests has been terminated and the Collateral Agent has notified the Issuer of such termination in writing. Upon receipt of such notice the obligations of Issuer pursuant to this Agreement with respect to the Issuer Pledged Interests after the receipt of such notice shall terminate, the Collateral Agent shall have no further right to originate instructions concerning the Issuer Pledged Interests and the Issuer may thereafter take such steps as the Grantor may request to vest full ownership and control of the Issuer Pledged Interests in the Grantor. The Grantor may only terminate this Agreement with the written consent of the Collateral Agent; provided that, by giving such notice with the Collateral Agent's written consent, both the Grantor and the Collateral Agent acknowledge that they will thereby be confirming that, as of the termination date set forth in such Notice, the Collateral Agent will no longer have a perfected security interest in the Issuer Pledged Interests via control pursuant to this Agreement. Subject to the foregoing, this Agreement automatically terminates when the Collateral Agent notifies the Issuer that all obligations owed to the Collateral Agent have been paid in full and the Collateral Agent has terminated its security interest in the Issuer Pledged Interests.

8. This Agreement is subject to the terms and conditions set forth in the Intercreditor Agreement (as defined in the Credit Agreement) in all respects and, in the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern.

W I T N E S S E T H:

WHEREAS, the Grantors have entered into the Security Agreement in order to induce the Lenders to make Revolving Loans and Swingline Loans to, and to issue Letters of Credit on behalf of, the Borrowers and the Other Creditors to enter into separate arrangements pursuant to which the Lead Borrower and/or one or more of the Restricted Subsidiaries will incur Secured Bank Product Obligations;

Each reference to a Grantor in the Credit Agreement and to a Grantor in the Security Agreement shall, from and after the date hereof, be deemed to include the New Grantor.

3. Severability. Any provision of this Joinder Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

4. Counterparts. This Joinder Agreement may be executed in counterparts, each of which shall constitute an original. Delivery of an executed signature page to this Joinder Agreement by facsimile, PDF or other electronic transmission shall be as effective as delivery of a manually executed counterpart of this Joinder Agreement.

FORM OF GUARANTY AGREEMENT

THIS ABL GUARANTY AGREEMENT, dated as of [●] (as amended, amended and restated, modified, supplemented, extended or renewed from time to time, this "Guaranty"), made by each of the undersigned Guarantors (as defined in the Credit Agreement referred to below) and each additional Guarantor that becomes a party hereto pursuant to Section 22 hereof. Except as otherwise defined herein, capitalized terms used herein and defined in the Credit Agreement (as defined below) shall be used herein as therein defined.

W I T N E S S E T H :

WHEREAS, Greenlight Acquisition Corporation, a Delaware corporation ("Holdings"), ATS Consolidated, Inc., a Delaware corporation ("Lead Borrower"), the other Borrowers party thereto from time to time (together with Lead Borrower and AT Solutions, the "Borrowers"), the lenders and issuing banks party thereto from time to time (the "Lenders") and Bank of America, N.A., as administrative agent (together with any successor administrative agent, the "Administrative Agent") and as collateral agent, have entered into a Revolving Credit Agreement, dated as of even date herewith (as amended, amended and restated, modified, supplemented, extended or renewed from time to time, the "Credit Agreement");

WHEREAS, in order to induce the Lenders and the other Lender Creditors to extend credit under, or otherwise enter into, the Credit Agreement, and to induce the other Guaranteed Creditors to enter into pursuant to one or more separate arrangements, Secured Bank Product Obligations from Secured Bank Product Providers, and in recognition of the direct or indirect benefits to be received by each Guarantor from the incurrence of Revolving Loans by the Borrowers under the Credit Agreement and the entry by the Borrowers or the Restricted Subsidiaries into such agreements underlying any Secured Bank Product Obligations, each Guarantor desires to enter into this Guaranty; and

WHEREAS, it is a condition to (i) the making of Revolving Loans to, and the issuance of Letters of Credit on behalf of, the Borrowers, and (ii) the making of Swingline Loans to the Borrowers, in each case under the Credit Agreement that each Guarantor shall have executed and delivered this Guaranty.

NOW, THEREFORE, in consideration of the foregoing and other benefits accruing to each Guarantor, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby agrees with the Administrative Agent for the benefit of the Guaranteed Creditors as follows:

1. The Guaranty. Each Guarantor, jointly and severally, hereby unconditionally and irrevocably, until the Termination Date (or such earlier date such Guarantor is released from this Guaranty in accordance with Section 18), guarantees as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors. If any or all of the Relevant Guaranteed Obligations becomes due and payable hereunder, such Guarantor, unconditionally and irrevocably, jointly and severally, promises to pay such indebtedness to the Administrative Agent and/or the other Guaranteed Creditors, on order, on demand, together with any and all expenses which may be incurred by the Administrative Agent and the other Guaranteed Creditors in collecting any of the Relevant Guaranteed Obligations, subject to any applicable limitations set forth in Section 13.01 of the Credit Agreement. This Guaranty is a guaranty of payment and not of collection. This Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Relevant Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including any Borrower or any other Guaranteed Party), then and in such event each Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Guarantor, notwithstanding any revocation of this Guaranty or any other instrument evidencing any liability of any Borrower or any other Guaranteed Party, and such Guarantor shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

No failure or delay on the part of any Guaranteed Creditor in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly specified are cumulative and not exclusive of any rights or remedies which any Guaranteed Creditor would otherwise have. Except as otherwise required hereby or by any other Credit Document, no notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Guaranteed Creditor to any other or further action in any circumstances without notice or demand.

2. Bankruptcy. Additionally, each Guarantor, jointly and severally, unconditionally and irrevocably, until the Termination Date (or such earlier date such Guarantor is released from this Guaranty in accordance with Section 18), guarantees the payment of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by any Borrower or any such other Guaranteed Party upon the occurrence of any of the events specified in Section 11.05 of the Credit Agreement, and jointly and severally, unconditionally and irrevocably, until the Termination Date (or such earlier date such Guarantor is released from this Guaranty in accordance with Section 18), promises to pay such Relevant Guaranteed Obligations to the Guaranteed Creditors, on order, on demand, in lawful money of the United States.

3. Nature of Liability. The liability of each Guarantor hereunder is primary, absolute, joint and several, and unconditional, exclusive and independent of any security for or other guaranty of the Relevant Guaranteed Obligations, whether executed by such Guarantor, any other Guarantor, any other guarantor or by any other party, and each Guarantor understands and agrees, to the fullest extent permitted under law, that the liability of such Guarantor hereunder shall not be affected or impaired by (a) any direction as to application of payment by the Borrowers, any other Guaranteed Party or any other party, (b) any other continuing or other guaranty or undertaking of such Guarantor or of any other party as to the Relevant Guaranteed Obligations, (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment in cash of the Relevant Guaranteed Obligations to the extent of such payment), (d) any dissolution, termination or increase, decrease or change in personnel by any Guaranteed Party, (e) any payment made to any Guaranteed Creditor on the Relevant Guaranteed Obligations which any such Guaranteed Creditor repays to any Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, (f) any action or inaction by the Guaranteed Creditors as contemplated in Section 5 hereof or (g) any invalidity, irregularity or unenforceability of all or any part of the Relevant Guaranteed Obligations or of any security therefor.

4. Independent Obligation. The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor, any other guarantor, any Borrower, any other party or any other Guaranteed Party, and a separate action or actions may be brought and prosecuted against any Guarantor whether or not action is brought against any other Guarantor, any other guarantor, any other party, any Borrower or any other Guaranteed Party and whether or not any other guarantor, any other party, any Borrower or any other Guaranteed Party be joined in any such action or actions. Each Guarantor waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Borrower or any other Guaranteed Party or other circumstance which operates to toll any statute of limitations as to any Borrower or any such other Guaranteed Party shall operate to toll the statute of limitations as to the relevant Guarantor. The provisions of this Guaranty constitute a continuing guaranty and includes all present and future Relevant Guaranteed Obligations including any under transactions continuing, compromising, extending, increasing, modifying, releasing, or renewing the Relevant Guaranteed Obligations, changing the interest rate, payment terms, or other terms and conditions thereof, or creating new or additional Relevant Guaranteed Obligations after prior Relevant Guaranteed Obligations have been satisfied in whole or in part. To the maximum extent permitted by law, each Guarantor hereby waives any right to revoke the provisions of this Guaranty as to future Relevant Guaranteed Obligations. If such a revocation is effective notwithstanding the foregoing waiver, each Guarantor acknowledges and agrees that (i) no such revocation shall be effective until written notice thereof has been received by Administrative Agent, (ii) no such revocation shall apply to any Relevant Guaranteed Obligations in existence on the date of receipt by Administrative Agent of such written notice (including any subsequent continuation, extension, or renewal thereof, or change in the interest rate, payment terms, or other terms and conditions thereof), (iii) no such revocation shall apply to any Relevant Guaranteed Obligations made or created after such date to the extent made or created pursuant to a legally binding commitment of any Guaranteed Party in existence on the date of such revocation, (iv) no payment by any Guarantor or from any

other source, prior to the date of Administrative Agent's receipt of written notice of such revocation shall reduce the maximum obligation of such Guarantor hereunder, and (v) any payment by the Borrower or from any source other than such Guarantor subsequent to the date of such revocation shall first be applied to that portion of the Relevant Guaranteed Obligations as to which the revocation is effective and which are not, therefore, guarantied hereunder, and to the extent so applied shall not reduce the maximum obligation of such Guarantor hereunder.

5. Authorization. To the fullest extent permitted under law, each Guarantor authorizes the Guaranteed Creditors without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Relevant Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Guaranty shall apply to the Relevant Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Relevant Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Relevant Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(c) exercise or refrain from exercising any rights against the Borrowers, any other Guaranteed Party, any other Credit Party or any other Person or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, guarantors, the Borrowers, any other Guaranteed Party, any other Credit Party, any other Person or other obligors;

(e) settle or compromise any of the Relevant Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) to its creditors other than the Guaranteed Creditors;

(f) except as otherwise expressly required by the Security Documents, apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of the Borrowers or any other Guaranteed Party to the Guaranteed Creditors regardless of what liability or liabilities of the Borrowers or such other Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, this Guaranty, any other Credit Document, any agreements underlying any Secured Bank Product Obligations or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Guaranty, any other Credit Document, any agreements underlying any Secured Bank Product Obligations or any of such other instruments or agreements; and/or

(h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Guarantor from its liabilities under this Guaranty.

6. Reliance. It is not necessary for any Guaranteed Creditor to inquire into the capacity or powers of the Borrowers, any other Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Relevant Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

7. Subordination. Any indebtedness of the Borrowers or any other Guaranteed Party now or hereafter owing to any Guarantor is hereby subordinated to the Relevant Guaranteed Obligations of the Borrowers or such other Guaranteed Party owing to the Guaranteed Creditors and, if the Administrative Agent so requests at a time

when an Event of Default exists, all such indebtedness to such Guarantor shall be collected, enforced and received by such Guarantor for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the Relevant Guaranteed Obligations of the Borrowers or such other Guaranteed Party to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of any Guarantor under the other provisions of this Guaranty. Without limiting the generality of the foregoing, each Guarantor hereby agrees with the Guaranteed Creditors that it will not exercise any right of subrogation, reimbursement, exoneration, contribution or indemnification or any right to participate in any claim or remedy of any Borrower or any other Guaranteed Party which it may at any time otherwise have as a result of this Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Relevant Guaranteed Obligations have been irrevocably paid in full in cash. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence, such amount shall be held in trust for the benefit of the Borrowers and the other Guaranteed Parties, and shall forthwith be paid to Administrative Agent to be credited and applied to the Relevant Guaranteed Obligations and all other amounts payable hereunder, whether matured or unmatured, in accordance with the terms of this Guaranty, or to be held as Collateral for any Relevant Guaranteed Obligations or other amounts payable hereunder thereafter arising. Notwithstanding anything to the contrary contained herein, no Guarantor may exercise any rights of subrogation, contribution, indemnity, reimbursement or other similar rights against, and may not proceed or seek recourse against or with respect to any property or asset of, any other Guarantor (the "Foreclosed Guarantor"), including after the Termination Date, if all or any portion of the Obligations have been satisfied in connection with a sale or other disposition by Collateral Agent of the Equity Interests of such Foreclosed Guarantor, whether pursuant to the Security Agreement or otherwise.

8. Waiver. (a) Each Guarantor waives, to the fullest extent permitted under applicable law, any right to require any Guaranteed Creditor to (i) proceed against the Borrowers, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from the Borrowers, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other Person, (iii) protect, secure, perfect, or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any other Guarantor or any other Person, or any collateral or (iv) pursue any other remedy in any Guaranteed Creditor's power whatsoever. Each Guarantor waives, to the fullest extent permitted under applicable law, any defense based on or arising out of any defense of the Borrowers, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other person, other than payment of the Relevant Guaranteed Obligations to the extent of such payment and release of such Guarantor from this Guaranty in accordance with Section 18, based on or arising out of the disability of the Borrowers, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other Person, or the invalidity, illegality or unenforceability of the Relevant Guaranteed Obligations or any part thereof for any cause, or the cessation from any cause of the liability of the Borrowers or any other Guaranteed Party other than payment of the Relevant Guaranteed Obligations to the extent of such payment and release of such Guarantor from this Guaranty in accordance with Section 18. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against the Borrowers, any other Guaranteed Party or any other Person, or any security, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Relevant Guaranteed Obligations have been paid. Each Guarantor waives, to the fullest extent permitted under law, any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against the Borrowers, any other Guaranteed Party or any other Person or any security.

(b) Each Guarantor waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Guaranty, and notices of the existence, creation or incurring of new or additional Relevant Guaranteed Obligations. Each Guarantor assumes all responsibility for being and keeping itself informed of each Borrower's and each other Guaranteed Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Relevant Guaranteed Obligations and the nature, scope and extent of the risks which such Guarantor assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any of the other Guaranteed Creditors shall have any duty to advise any Guarantor of information known to them regarding such circumstances or risks.

(c) Each Guarantor, to the fullest extent permitted under law, (i) subordinates to the payment in full of the Obligations, any right to assert against any Borrower or any other Guaranteed Party, any defense (legal or equitable), set-off, counterclaim, or claim which each Guarantor may now or at any time hereafter have against any Borrower or any other party liable to any Borrower or such other Guaranteed Party; and (ii) waives any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the Guaranteed Obligations or any security therefor.

9. Maximum Liability. It is the desire and intent of each Guarantor and the Guaranteed Creditors that this Guaranty shall be enforced against such Guarantor to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of any Guarantor under this Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of such Guarantor's obligations under this Guaranty shall be deemed to be reduced and such Guarantor shall pay the maximum amount of the Relevant Guaranteed Obligations which would be permissible under applicable law.

10. Enforcement. Each Guaranteed Creditor agrees (by its acceptance of the benefits of this Guaranty) that this Guaranty may be enforced only by the action of the Administrative Agent, acting upon the instructions of the Required Lenders and that no other Guaranteed Creditor shall have any right individually to seek to enforce or to enforce this Guaranty, it being understood and agreed that such rights and remedies may be exercised by the Administrative Agent, for the benefit of the Guaranteed Creditors upon the terms of this Guaranty. Each Guaranteed Creditor further agrees (by its acceptance of the benefits of this Guaranty) that this Guaranty may not be enforced against any director, officer, employee, partner, member or stockholder of any Guarantor (except to the extent such partner, member or stockholder is also a Guarantor hereunder).

11. Representations and Warranties. Each Guarantor represents and warrants that:

(a) Such Guarantor (i) is a duly organized or incorporated and validly existing corporation, partnership, limited liability company, unlimited liability company or other applicable business entity, as the case may be, in good standing (to the extent such concept is applicable) under the laws of the jurisdiction of its organization or incorporation, as applicable, (ii) has the requisite corporate, partnership, limited liability company, unlimited limited company or other applicable business entity power and authority, as the case may be, to own its property and assets and to transact the business in which it is engaged and presently proposes to engage and (iii) is, to the extent such concepts are applicable under the laws of the relevant jurisdiction, duly qualified and is authorized to do business and is in good standing in each jurisdiction where the ownership of its property or the conduct of its business requires such qualifications except for failures to be so qualified which, individually and in the aggregate would not reasonably be expected to have a Material Adverse Effect.

(b) Such Guarantor has the corporate, partnership, limited liability company, unlimited liability company or other applicable business entity power and authority, as the case may be, to execute, deliver and perform the terms and provisions of this Guaranty and each other Credit Document to which it is party and has taken all necessary corporate, partnership, limited liability company, unlimited liability company or other applicable business entity action, as the case may be, to authorize the execution, delivery and performance by it of this Guaranty and each such other Credit Document. Such Guarantor has duly executed and delivered this Guaranty and each other Credit Document to which it is a party, and this Guaranty and each such other Credit Document constitutes the legal, valid and binding obligation of such Guarantor, enforceable in accordance with its terms, except to the extent that the enforceability hereof or thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors' rights and by equitable principles (regardless of whether enforcement is sought in equity or at law).

(c) Neither the execution, delivery or performance by such Guarantor of this Guaranty or any other Credit Document to which it is a party, nor compliance by it with the terms and provisions hereof and thereof, will violate any provision of the certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, of such Guarantor.

12. Covenants. Each Guarantor that is not a party to the Credit Agreement covenants and agrees that on and after the Closing Date and until the Termination Date (or such earlier date released from this Guaranty in accordance with Section 18 hereof), such Guarantor will comply, and will cause each of its Restricted Subsidiaries to comply, with all of the applicable provisions, covenants and agreements contained in Articles 9 and 10 of the Credit Agreement. As used in this Guaranty, "Termination Date" shall mean the date upon which the Credit Document Obligations have been paid in full and terminated (other than any indemnification obligations arising under the Credit Documents which are not then due and payable) and all Letters of Credit have expired or otherwise terminated (within the meaning of Section 1.02 of the Credit Agreement).

13. Successors and Assigns. This Guaranty shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the Guaranteed Creditors and their successors and permitted assigns.

14. Amendments. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except with the written consent of each Guarantor directly affected thereby (it being understood that the addition or release of any Guarantor hereunder shall not constitute a change, waiver, discharge or termination affecting any Guarantor other than the Guarantor so added or released) and the Administrative Agent (with each other consent required pursuant to Section 13.12 of the Credit Agreement).

15. Authorization. Subject, in each case, to the limitations set forth in Section 13.02(b) of the Credit Agreement, in addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Guaranteed Creditor is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Guarantor, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) (other than accounts used exclusively for payroll, payroll taxes, fiduciary and trust purposes, and employee benefits) and any other Indebtedness at any time held or owing by such Guaranteed Creditor to or for the credit or the account of such Guarantor against and on account of its Relevant Guaranteed Obligations to the Guaranteed Creditor under this Guaranty, irrespective of whether or not such Guaranteed Creditor shall have made any demand hereunder and although such Relevant Guaranteed Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

16. Notice, etc. All notices, requests, demands or other communications pursuant hereto shall be sent in accordance with the terms and provisions set forth in Section 13.03 of the Credit Agreement. All notices and other communications shall be in writing and addressed to such party at (i) in the case of any Lender Creditor, as provided in the Credit Agreement, (ii) in the case of any Guarantor, at: ATS Consolidated, Inc. c/o Platinum Equity, LLC, 360 North Crescent Drive, Beverly Hills, CA 90210; Facsimile: 310-712-1863, Attention: Legal Department, and (iii) in the case of any other Guaranteed Creditor, at such address as such other Guaranteed Creditor shall have specified in writing to Lead Borrower and the Administrative Agent or, in any case at such other address as any of the Persons listed above may hereafter notify the others in writing.

17. CHOICE OF LAW; CONSENT TO JURISDICTION; WAIVER OF JURY TRIAL. (a) THIS GUARANTY AND THE RIGHTS AND OBLIGATIONS OF THE GUARANTEED CREDITORS AND OF THE UNDERSIGNED HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK. Any legal action or proceeding with respect to this Guaranty (except that in the case of any bankruptcy, insolvency or similar proceedings with respect to any Guarantor, actions or proceedings related to this Guaranty and the other Credit Documents may be brought in such court holding such bankruptcy, insolvency or similar proceedings) may be brought in the courts of the State of New York or of the United States of America for the Southern District of New York in each case which are located in the County of New York, and, by execution and delivery of this Guaranty, each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the exclusive jurisdiction of the aforesaid courts. Each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby further irrevocably waives any claim that any such court lacks personal jurisdiction over it, and agrees not to plead or claim in any legal action or proceeding with respect to this Guaranty or any other Credit Document to which it is a party brought in any of the aforesaid courts that any such court lacks personal jurisdiction over it. Each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) further irrevocably consents to the service of process out of any of the aforementioned courts in any

such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to such party at its address set forth in Section 16 hereof, such service to become effective 30 days after such mailing. Each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any action or proceeding commenced hereunder or under any other Credit Document to which it is a party that such service of process was in any way invalid or ineffective. Nothing herein shall affect the right of any such party to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against any other party in any other jurisdiction.

(b) EACH GUARANTOR AND EACH GUARANTEED CREDITOR (BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY) HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS GUARANTY OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(c) EACH GUARANTOR AND EACH GUARANTEED CREDITOR HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS GUARANTY, THE OTHER CREDIT DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

18. Release. In the event that a Guarantor becomes an Excluded Subsidiary or all of the capital stock of a Guarantor is sold or otherwise disposed of or liquidated in accordance with Section 10.02 of the Credit Agreement (or such sale or other disposition has been approved in writing by the Required Lenders (or all the Lenders if required by Section 13.12 of the Credit Agreement)), such Guarantor shall upon consummation of such sale or other disposition (except to the extent that such sale or disposition is to Holdings or another Credit Party) be released from this Guaranty automatically and without further action and this Guaranty shall, as to each such Guarantor, terminate, and have no further force or effect (it being understood and agreed that the sale of one or more Persons that own, directly or indirectly, all of the capital stock of any Guarantor shall be deemed to be a sale of such Guarantor for the purposes of this Section 18). Upon the occurrence of the Termination Date, this Guaranty shall automatically and without further action, as to all Guarantors, terminate and have no further force and effect. The Administrative Agent will (and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) irrevocably authorizes the Administrative Agent to), at the Guarantors' expense, execute and deliver to the Guarantors such documents as the Guarantors may reasonably request to evidence, as applicable, the release of such Guarantor from, or the termination in full of, this Guaranty.

19. Right of Contribution. At any time a payment in respect of the Relevant Guaranteed Obligations is made under this Guaranty, the right of contribution of each Guarantor against each other Guarantor shall be determined as provided in the immediately following sentence, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment (a "Relevant Payment") is made on the Relevant Guaranteed Obligations under this Guaranty. At any time that a Relevant Payment is made by a Guarantor that results in the aggregate payments made by such Guarantor in respect of the Relevant Guaranteed Obligations to and including the date of the Relevant Payment exceeding such Guarantor's Contribution Percentage (as defined below) of the aggregate payments made by all Guarantors in respect of the Relevant Guaranteed Obligations to and including the date of the Relevant Payment (such excess, the "Aggregate Excess Amount"), each such Guarantor shall have a right of contribution against each other Guarantor who has made payments in respect of the Relevant Guaranteed Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Guarantor's Contribution Percentage of the aggregate payments made to and including the date of the Relevant Payment by all Guarantors in respect of the Relevant Guaranteed Obligations (the aggregate amount of such deficit, the "Aggregate Deficit Amount") in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Guarantor and the denominator of which is the Aggregate Excess Amount of all Guarantors multiplied by (y) the Aggregate Deficit Amount of such other Guarantor. A Guarantor's right of contribution pursuant to the preceding sentences shall arise at the time of each computation, subject to adjustment to the time of each computation; provided that no Guarantor may take any action to enforce such right until the Relevant Guaranteed Obligations have

been paid in full, it being expressly recognized and agreed by all parties hereto that any Guarantor's right of contribution arising pursuant to this Section 19 against any other Guarantor shall be expressly junior and subordinate to such other Guarantor's obligations and liabilities in respect of the Relevant Guaranteed Obligations and any other obligations owing under this Guaranty. As used in this Section 19, (i) each Guarantor's "Contribution Percentage" shall mean the percentage obtained by dividing (x) the Adjusted Net Worth (as defined below) of such Guarantor by (y) the aggregate Adjusted Net Worth of all Guarantors; (ii) the "Adjusted Net Worth" of each Guarantor shall mean the greater of (x) the Net Worth (as defined below) of such Guarantor and (y) zero; and (iii) the "Net Worth" of each Guarantor shall mean the amount by which the fair saleable value of such Guarantor's assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Relevant Guaranteed Obligations arising under this Guaranty) on such date. Notwithstanding anything to the contrary contained above, any Guarantor that is released from this Guaranty shall thereafter have no contribution obligations, or rights, pursuant to this Section 19, and at the time of any such release, if the released Guarantor had an Aggregate Excess Amount or an Aggregate Deficit Amount, same shall be deemed reduced to $0, and the contribution rights and obligations of the remaining Guarantors shall be recalculated on the respective date of release (as otherwise provided above) based on the payments made hereunder by the remaining Guarantors. All parties hereto recognize and agree that, except for any right of contribution arising pursuant to this Section 19, each Guarantor who makes any payment in respect of the Relevant Guaranteed Obligations shall have no right of contribution or subrogation against any other Guarantor in respect of such payment until all of the Relevant Guaranteed Obligations have been paid in full. Each of the Guarantors recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution.

20. Counterparts. This Guaranty may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Guarantors and the Administrative Agent.

21. Payments. All payments made by any Guarantor hereunder will be made without setoff, counterclaim or other defense (other than payment of the Relevant Guaranteed Obligations to the extent of such payment), and shall be subject to the applicable provisions of the Credit Agreement including Sections 2.10, 5.01, 11.11 and 13.22 thereof.

22. Additional Guarantors. It is understood and agreed that any Restricted Subsidiary of Lead Borrower that is required, or with respect to which Lead Borrower elects to cause, to become a party to this Guaranty after the date hereof pursuant to the relevant provisions of the Credit Agreement, shall become a Guarantor hereunder by executing and delivering a counterpart hereof, or a joinder agreement substantially in the form of Exhibit A hereto, and delivering same to the Administrative Agent.

23. Keepwell. Each Guarantor that is a Qualified ECP Guarantor (as defined below) at the time the Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Credit Party (as defined below), becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Credit Party with respect to such Swap Obligation as may be needed by such Specified Credit Party from time to time to honor all of its obligations under this Guaranty and the other Credit Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor's obligations and undertakings under this Section 23 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 23 shall remain in full force and effect until the Relevant Guaranteed Obligations have been paid and performed in full. Each Qualified ECP Guarantor intends this Section 23 to constitute, and this Section 23 shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support, or other agreement" for the benefit of, each Specified Credit Party for all purposes of the Commodity Exchange Act.

24. Definitions. The following terms shall have the meanings herein specified. Such definitions shall be equally applicable to the singular and plural forms of the terms defined.

"Credit Document Obligations" shall have the meaning specified in the definition of "Guaranteed Obligations" hereunder.

"Guaranteed Obligations" shall mean the full and prompt payment when due (whether at the stated maturity, by acceleration or otherwise) of the unpaid principal and interest on each Note issued by, all Revolving Loans and Swingline Loans made to, and the Letters of Credit issued on behalf of, the Borrowers under the Credit Agreement, together with all the other Obligations (including obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), indebtedness and liabilities (including, without limitation, indemnities, fees, expenses, prepayment premiums, and interest (including any interest, fees, expenses, prepayment premiums and other amounts accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for herein, whether or not such interest, fees, expenses and other amounts is an allowed or allowable claim in any such proceeding) thereon) of (x) the Credit Parties to the Guaranteed Creditors now existing or hereafter incurred under, arising out of or in connection with the Credit Agreement and each other Credit Document to which any of the Credit Parties is a party and the due performance and compliance by the Credit Parties with all the terms, conditions and agreements contained in the Credit Agreement and in each such other Credit Document (all such obligations, collectively, the "Credit Document Obligations") and (y) Lead Borrower or any of the Restricted Subsidiaries owing under any agreement underlying any Secured Bank Product Obligations and the due performance and compliance with all terms, conditions and agreements contained therein.

"Guaranteed Party" shall mean each of the Borrowers and/or each Restricted Subsidiary of Lead Borrower party to any agreement underlying any Secured Bank Product Obligations with the applicable Guaranteed Creditor.

"Qualified ECP Guarantor" shall mean, in respect of any Swap Obligation, each Guarantor that has total assets exceeding $10,000,000 at the time the guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other Person as constitutes an "eligible contract participant" under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an "eligible contract participant" at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

"Relevant Guaranteed Obligations" shall mean (x) with respect to any Borrower, all Guaranteed Obligations (other than with respect to such Borrower, its own Guaranteed Obligations) and (y) with respect to all other Guarantors, the Guaranteed Obligations.

"Specified Credit Party" shall mean any Credit Party that is not an "eligible contract participant" under the Commodity Exchange Act (determined prior to giving effect to Section 23).

JOINDER AGREEMENT

Reference is made to (a) the ABL Guaranty Agreement, dated as of March 1, 2018 (as amended, amended and restated, modified, supplemented, extended or renewed from time to time, the "Guaranty"), among Greenlight Acquisition Corporation ("Holdings"), ATS Consolidated, Inc. ("Lead Borrower"), the other subsidiaries of Lead Borrower party thereto from time to time (the "Subsidiary Guarantors") and Bank of America, N.A., as administrative agent (together with any successor administrative agent, the "Administrative Agent") and (b) the Revolving Credit Agreement, dated as of dated as of March 1, 2018, among Holdings, the Borrowers party thereto from time to time, the lenders party thereto from time to time (the "Lenders") and the Administrative Agent (as amended, modified, restated and/or supplemented from time to time, the "Credit Agreement"). Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Guaranty or, if not defined therein, the Credit Agreement.

W I T N E S S E T H:

WHEREAS, the Guarantors have entered into the Guaranty in order to induce (i) the Lender Creditors to make the Revolving Loans to, and issue Letters of Credit on behalf of, the Borrowers under the Credit Agreement, (ii) the Swingline Lender to make Swingline Loans to the Borrowers under the Credit Agreement, and (iii) the other Guaranteed Creditors to enter into one or more separate agreements underlying any Secured Bank Product Obligations in recognition of the direct benefits to be received by Lead Borrower or any of its Restricted Subsidiaries from the proceeds of the Revolving Loans and the entering into of such agreements underlying any Secured Bank Product Obligations; and

WHEREAS, the undersigned Subsidiary (the "New Guarantor") is required pursuant to the terms of the Credit Agreement and the Guaranty, or Lead Borrower has otherwise elected in accordance with the terms of the Credit Agreement and the Guaranty to cause such New Guarantor, to become a Guarantor by executing this joinder agreement (this "Joinder Agreement") to the Guaranty.

NOW, THEREFORE, the Administrative Agent and the New Guarantor hereby agree as follows:

1. Guarantee. In accordance with Section 22 of the Guaranty, the New Guarantor by its signature below becomes a Guarantor under the Guaranty with the same force and effect as if originally named therein as a Guarantor.

2. Covenants; Representations and Warranties. The New Guarantor hereby (a) agrees to all the terms and provisions of the Guaranty applicable to it as a Guarantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Guarantor thereunder are true and correct in all material respects (except that any representation and warranty that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects) on and as of the date hereof. Each reference to a Guarantor in the Credit Agreement and to a Guarantor in the Guaranty shall, from and after the date hereof, be deemed to include the New Guarantor.

3. Severability. Any provision of this Joinder Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

4. Counterparts. This Joinder Agreement may be executed in counterparts, each of which shall constitute an original. Delivery of an executed signature page to this Joinder Agreement by facsimile transmission shall be as effective as delivery of a manually executed counterpart of this Joinder Agreement.

5. No Waiver. Except as expressly supplemented hereby, the Guaranty shall remain in full force and effect.

6. Notices. All notices, requests and demands to or upon the New Guarantor, any Agent or any Lender shall be governed by the terms of Section 16 of the Guaranty.

7. Governing Law. THIS JOINDER AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

FORM OF SOLVENCY CERTIFICATE

This Solvency Certificate (this "Certificate") is delivered pursuant to (a) [Section 6.12] of the First Lien Term Loan Credit Agreement, dated as of March 1, 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "First Lien Credit Agreement"), among Greenlight Acquisition Corporation, a Delaware corporation ("Holdings"), ATS Consolidated, Inc., a Delaware corporation ("Lead Borrower"), the other borrowers from time to time party thereto, the financial institutions from time to time party thereto and Bank of America, N.A., as administrative agent, (b) [Section 6.12] of the Second Lien Term Loan Credit Agreement, dated as of March 1, 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Second Lien Credit Agreement"), among Holdings, Lead Borrower, the other borrowers from time to time party thereto, the financial institutions from time to time party thereto and Bank of America, N.A., as administrative agent, and (c) [Section 6.12] of Revolving Credit Agreement, dated as of March 1, 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "ABL Credit Agreement" and, together with the First Lien Credit Agreement and the Second Lien Credit Agreement, the "Credit Agreements"), among Holdings, Lead Borrower, the other borrowers from time to time party thereto, the financial institutions from time to time party thereto and Bank of America, N.A., as administrative agent. Capitalized terms used herein without definition have the same meanings as in the applicable Credit Agreement.

I hereby certify on behalf of Lead Borrower and its subsidiaries, solely in my capacity as an officer of Lead Borrower and not in my individual capacity, as follows:

1. I am the duly qualified and acting [Chief Financial Officer] [*specify other officer with equivalent duties*] of Lead Borrower and in such capacity am a senior financial officer with responsibility for the management of the financial affairs of Lead Borrower and the preparation of consolidated financial statements of Lead Borrower. In connection with the following certifications, I have reviewed the financial statements of Lead Borrower and its subsidiaries and the business, financial conditions, assets and liabilities of Lead Borrower and its subsidiaries.

2. I have carefully reviewed the contents of this Certificate and have made such investigations and inquiries as I have deemed to be reasonably necessary and prudent, and have carefully reviewed the Credit Agreements and the other Credit Documents referred to therein (collectively, the "Transaction Documents") and such other documents as I have deemed relevant.

3. The projections which underlie and form the basis for the certifications made in this Certificate were made in good faith based on assumptions believed to be reasonable at the time made and continue to be believed to be reasonable as of the date hereof.

4. As of the date hereof, before and after giving effect to the transactions contemplated by the Transaction Documents and the loans made under the Credit Agreements it is my opinion that:

a. the fair value of the assets of Lead Borrower and its subsidiaries, on a consolidated basis, is greater as of the date hereof than the total amount of liabilities, including contingent liabilities, of Lead Borrower and its subsidiaries, on a consolidated basis (it being understood that the amount of contingent liabilities at any time shall be computed as the amount that, in light of all the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability);

b. the present fair salable value of the assets of Lead Borrower and its subsidiaries, on a consolidated basis, is greater as of the date hereof than the total amount of liabilities, including contingent liabilities, of Lead Borrower and its subsidiaries, on a consolidated basis (it being understood that the amount of contingent liabilities at any time shall be computed as the amount

that, in light of all the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability);

c. Lead Borrower and its subsidiaries, on a consolidated basis, are able to pay their debts and liabilities (including, without limitation, contingent and subordinated liabilities) as they become absolute and mature in the ordinary course of business on their respective stated maturities and are otherwise "solvent" within the meaning given that term and similar terms under applicable laws relating to fraudulent transfers and conveyances; and

d. Lead Borrower and its subsidiaries have, and will have adequate capital with which to conduct the business they are presently conducting and reasonably anticipate conducting.

5. Lead Borrower and its subsidiaries, on a consolidated basis, do not intend to, nor do they believe that they will, incur debts or liabilities that would be beyond their ability to pay such debts as they mature.

IN WITNESS WHEREOF, the undersigned officer has duly executed this Certificate as of the date first written above.

(d) Subject to Sections 3.l(a) and (c) and Section 6.3(c)(1):

(1) each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, agrees that it will not, except as not prohibited herein, take any action that would hinder or delay any exercise of remedies under the Revolving Credit Documents or that is otherwise prohibited hereunder, including any sale, lease, exchange, transfer or other disposition of the ABL Collateral, whether by foreclosure or otherwise;

(2) each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, hereby waives any and all rights it or the applicable Fixed Asset Claimholders may have as a junior lien creditor with respect to the ABL Collateral or otherwise to object to the manner in which the Revolving Credit Collateral Agent or the Revolving Credit Claimholders seek to enforce or collect the Revolving Credit Obligations or the Liens on the ABL Collateral securing the Revolving Credit Obligations

granted in any of the Revolving Credit Documents or undertaken in accordance with this Agreement, regardless of whether any action or failure to act by or on behalf of the Revolving Credit Collateral Agent or Revolving Credit Claimholders is adverse to the interest of the Fixed Asset Claimholders; and

(3) each Fixed Asset Collateral Agent hereby acknowledges and agrees that no covenant, agreement or restriction contained in any of the Fixed Asset Collateral Documents or any other Fixed Asset Document (other than this Agreement) shall be deemed to restrict in any way the rights and remedies of the Revolving Credit Collateral Agent or the Revolving Credit Claimholders with respect to the ABL Collateral as set forth in this Agreement and the Revolving Credit Documents.

(e) Except as otherwise set forth in, or otherwise prohibited by or inconsistent, any provision of this Agreement (including Sections 3.1(a) and (d), 3.5 and any provision prohibiting or restricting them from taking various actions or making various objections), the Fixed Asset Collateral Agents and the Fixed Asset Claimholders may exercise rights and remedies as unsecured creditors against any Grantor and may exercise rights and remedies with respect to the Fixed Asset Collateral, in each case, in accordance with the terms of the applicable Fixed Asset Documents and applicable law; provided, however, that in the event that any Fixed Asset Claimholder becomes a judgment Lien creditor in respect of ABL Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Fixed Asset Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the Revolving Credit Obligations) as the other Liens securing the Fixed Asset Obligations are subject to this Agreement.

(f) Nothing in this Agreement shall prohibit the receipt by any Fixed Asset Collateral Agent or any Fixed Asset Claimholders of payments of interest, principal and other amounts owed in respect of the applicable Fixed Asset Obligations so long as such receipt is not the direct or indirect result of the exercise by such Fixed Asset Collateral Agent or any Fixed Asset Claimholders of rights or remedies with respect to ABL Collateral (including set-off) or enforcement of any Lien on ABL Collateral held by any of them. Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies the Revolving Credit Collateral Agent or the Revolving Credit Claimholders may have against the Grantors under the Revolving Credit Documents, other than with respect to the Fixed Asset Collateral solely to the extent expressly provided herein.

**3.2.** Exercise of Remedies – Restrictions on Revolving Credit Collateral Agent.

(a) Until the Discharge of Fixed Asset Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, the Revolving Credit Collateral Agent and the Revolving Credit Claimholders:

(1) will not exercise or seek to exercise any rights or remedies with respect to any Fixed Asset Collateral or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure); provided, however, that the Revolving Credit Collateral Agent may exercise the rights provided for in Section 3.3 (with respect to any Access Period) and may exercise any or all such other rights or remedies after the passage of a period of at least 180 days has elapsed since the later of: (A) the date on which the Revolving Credit Collateral Agent declared the existence of any Revolving Credit Default and demanded the repayment of all the principal amount of any Revolving Credit Obligations; and (B) the date on which the Controlling Fixed Asset Collateral Agent received notice from the Revolving Credit Collateral Agent of such declaration of a Revolving Credit Default and that the Revolving Credit Obligations are currently due and payable in full (whether as a result of acceleration thereof or otherwise) in accordance with the terms of the applicable Revolving Credit Documents (the "**Revolving Credit Standstill Period**"); provided, further, however, that notwithstanding anything herein to the contrary, in no event shall the Revolving Credit Collateral Agent or any Revolving Credit Claimholder exercise any rights or remedies (other than those under Section 3.3) with respect to the Fixed Asset Collateral if, notwithstanding the expiration of the Revolving Credit Standstill Period, the Controlling Fixed Asset Collateral Agent (or any person authorized by it) shall have commenced and be diligently pursuing the exercise of their rights or remedies with respect to all or any material portion of such Collateral (prompt notice of such exercise to be given to the Revolving Credit Collateral Agent) or shall be stayed under applicable law from exercising such rights and remedies;

(2) will not contest, protest or object to, or otherwise interfere with, any foreclosure proceeding or action brought by any Fixed Asset Collateral Agent or any Fixed Asset Claimholder or any other exercise by a Fixed Asset Collateral Agent or any Fixed Asset Claimholder of any rights and remedies relating to the Fixed Asset Collateral, whether under the Fixed Asset Documents or otherwise; and

(3) subject to their rights under clause (a)(1) above and except as may be permitted in Section 3.2(c), will not object to the forbearance by any Fixed Asset Collateral Agent or Fixed Asset Claimholders from bringing or pursuing any Collateral Enforcement Action;

provided, however, that in the case of (1), (2) and (3) above, the Liens granted to secure the Revolving Credit Obligations of the Revolving Credit Claimholders shall attach to the Proceeds thereof subject to the relative priorities described in Section 2.

(b) Until the Discharge of Fixed Asset Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that the Fixed Asset Collateral Agents and the Fixed Asset Claimholders shall (subject to Section 3.2(a)(1)) have the exclusive right to enforce rights, exercise remedies (including set-off and the right to credit bid their debt) and, in connection therewith (including voluntary Dispositions of Fixed Asset Collateral by the respective Grantors after a Fixed Asset Default) make determinations regarding the release, disposition, or restrictions with respect to the Fixed Asset Collateral without any consultation with or the consent of the Revolving Credit Collateral Agent or any Revolving Credit Claimholder; provided, however, that the Lien securing the Revolving Credit Obligations shall remain on the Proceeds (other than those properly applied to the Fixed Asset Obligations) of such Collateral released or disposed of subject to the relative priorities described in Section 2. In exercising rights and remedies with respect to the Fixed Asset Collateral, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that the Fixed Asset Collateral Agents and the Fixed Asset Claimholders may enforce the provisions of the Fixed Asset Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of the Fixed Asset Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured creditor under the UCC and of a secured creditor under the Bankruptcy Laws of any applicable jurisdiction. The Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, agrees that it will not seek, and hereby waives any right, to have any Fixed Asset Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral.

(c) Notwithstanding the foregoing, the Revolving Credit Collateral Agent and any Revolving Credit Claimholder may:

(1) file a claim or statement of interest with respect to the Revolving Credit Obligations; provided that an Insolvency or Liquidation Proceeding has been commenced by or against any Grantor;

(2) take any action in order to create, perfect, preserve or protect (but not enforce) its Lien on any of the Collateral; provided that such action shall not be inconsistent with the terms of this Agreement and shall not be adverse to the priority status of the Liens on the Fixed Asset Collateral, or the rights of any Fixed Asset Collateral Agent or any of the Fixed Asset Claimholders to exercise remedies in respect thereof;

(3) file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims or Liens of the Revolving Credit Claimholders, including any claims secured by the Fixed Asset Collateral, if any, in each case in accordance with the terms of this Agreement;

(4) file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Grantors arising under either any Insolvency or Liquidation Proceeding or applicable non-bankruptcy law, in each case not inconsistent with or prohibited by the terms of this Agreement;

(5) vote on any plan of reorganization or similar dispositive restructuring plan, file any proof of claim, make other filings and make any arguments and motions that are, in each case, in accordance with the terms of this Agreement (including Section 6.7(d)), with respect to the Revolving Credit Obligations and the ABL Collateral; and

(6) exercise any of its rights or remedies with respect to any of the Collateral after the termination of the Revolving Credit Standstill Period to the extent permitted by Section 3.2(a)(1).

The Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that it will not take or receive any Fixed Asset Collateral or any Proceeds of such Collateral in connection with the exercise of any right or remedy (including set-off) with respect to any such Collateral in its capacity as a creditor in violation of this Agreement. Without limiting the generality of the foregoing, unless and until the Discharge of Fixed Asset Obligations has occurred, except as expressly provided in Sections 3.2(a), 3.3, 3.4, 6.3(c)(2) and this Section 3.2(c), the sole right of the Revolving Credit Collateral Agent and the Revolving Credit Claimholders with respect to the Fixed Asset Collateral is to hold a Lien on such Collateral pursuant to the Revolving Credit Collateral Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of Fixed Asset Obligations has occurred.

(d) Subject to Sections 3.2(a) and (c) and Sections 3.3 and 6.3(c)(2):

(1) the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, agrees that the Revolving Credit Collateral Agent and the Revolving Credit Claimholders will not, except as not prohibited herein, take any action that would hinder or delay any exercise of remedies under the Fixed Asset Documents or that is otherwise prohibited hereunder, including any sale, lease, exchange, transfer or other disposition of the Fixed Asset Collateral, whether by foreclosure or otherwise;

(2) the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, hereby waives any and all rights it or the Revolving Credit Claimholders may have as a junior lien creditor with respect to the Fixed Asset Collateral or otherwise to object to the manner in which the any Fixed Asset Collateral Agent or the Fixed Asset Claimholders seek to enforce or collect the Fixed Asset Obligations or the Liens on the Fixed Asset Collateral securing the Fixed Asset Obligations granted in any of the Fixed Asset Documents or undertaken in accordance with this Agreement, regardless of whether any action or failure to act by or on behalf of any Fixed Asset Collateral Agent or the Fixed Asset Claimholders is adverse to the interest of the Revolving Credit Claimholders; and

(3) the Revolving Credit Collateral Agent hereby acknowledges and agrees that no covenant, agreement or restriction contained in any of the Revolving Credit Collateral Documents or any other Revolving Credit Document (other than this Agreement) shall be deemed to restrict in any way the rights and remedies of the Fixed Asset Collateral Agents or the Fixed Asset Claimholders with respect to the Fixed Asset Collateral as set forth in this Agreement and the Fixed Asset Documents.

(e) Except as otherwise set forth in, or otherwise prohibited by or inconsistent with, any provision of this Agreement (including Sections 3.2(a) and (d), Section 3.5 and any provision prohibiting or restricting them from taking various actions or making various objections), the Revolving Credit Collateral Agent and the Revolving Credit Claimholders may exercise rights and remedies as unsecured creditors against any Grantor and may exercise rights and remedies with respect to the ABL Collateral, in each case, in accordance with the terms of the Revolving Credit Documents and applicable law; provided, however, that in the event that any Revolving Credit Claimholder becomes a judgment Lien creditor in respect of Fixed Asset Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Revolving Credit Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the Fixed Asset Obligations) as the other Liens securing the Revolving Credit Obligations are subject to this Agreement.

(f) Nothing in this Agreement shall prohibit the receipt by the Revolving Credit Collateral Agent or any Revolving Credit Claimholders of payments of interest, principal and other amounts owed in respect of the Revolving Credit Obligations so long as such receipt is not the direct or indirect result of the exercise by the Revolving Credit Collateral Agent or any Revolving Credit Claimholders of rights or remedies with respect to Fixed

Asset Collateral (including set-off) or enforcement of any Lien on the Fixed Asset Collateral held by any of them. Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies the Fixed Asset Collateral Agents or the Fixed Asset Claimholders may have against the Grantors under the Fixed Asset Documents, other than with respect to the ABL Collateral solely to the extent expressly provided herein.

**3.3.** Exercise of Remedies – Collateral Access Rights.

(a) The Revolving Credit Collateral Agent and the Fixed Asset Collateral Agents agree not to commence any Collateral Enforcement Action until an Enforcement Notice has been given to the other Collateral Agent. Subject to the provisions of Sections 3.1 and 3.2 above, either Collateral Agent may join in any judicial proceedings commenced by the other Collateral Agent to enforce Liens on the Collateral, provided that neither Collateral Agent, nor the Revolving Credit Claimholders or the Fixed Asset Claimholders, as the case may be, shall interfere with the Collateral Enforcement Actions of the other with respect to Collateral in which such party has the priority Lien in accordance herewith.

(b) If any Fixed Asset Collateral Agent, or any agent or representative of any Fixed Asset Collateral Agent, or any receiver, shall obtain possession or physical control of any of the Mortgaged Premises, such Fixed Asset Collateral Agent shall promptly notify the Revolving Credit Collateral Agent of that fact (such notice, a "**Notice of Occupancy**") and the Revolving Credit Collateral Agent shall, within ten (10) Business Days thereafter, notify the Controlling Fixed Asset Collateral Agent as to whether the Revolving Credit Collateral Agent desires to exercise access rights under this Agreement (such notice, an "**Access Acceptance Notice**"), at which time the parties shall confer in good faith to coordinate with respect to the Revolving Credit Collateral Agent's exercise of such access rights; provided, that it is understood and agreed that the Fixed Asset Collateral Agents shall obtain possession or physical control of the Mortgaged Premises in the manner provided in the applicable Fixed Asset Collateral Documents and in the manner provided herein. Access rights may apply to differing parcels of Mortgaged Premises at differing times, in which case, a differing Access Period may apply to each such property. In the event that the Revolving Credit Collateral Agent elects to exercise its access rights as provided in this Agreement, each Fixed Asset Collateral Agent agrees, for itself and on behalf of the applicable Fixed Asset Claimholders, that in the event that any Fixed Asset Claimholder exercises its rights to sell or otherwise dispose of any Mortgaged Premises, whether before or after the delivery of a Notice of Occupancy to the Revolving Credit Collateral Agent, the Fixed Asset Collateral Agents shall (i) provide access rights to the Revolving Credit Collateral Agent for the duration of the Access Period in accordance with this Agreement and (ii) if such a sale or other disposition occurs prior to the Revolving Credit Collateral Agent delivering an Access Acceptance Notice during the time period provided therefor, or if applicable, the expiration of the applicable Access Period, shall ensure that the purchaser or other transferee of such Mortgaged Premises provides the Revolving Credit Collateral Agent the opportunity to exercise its access rights, and upon delivery of an Access Acceptance Notice to such purchaser or transferee, continued access rights to such Mortgaged Premises for the duration of the applicable Access Period, in the manner and to the extent required by this Agreement.

(c) Upon delivery of notice to the Controlling Fixed Asset Collateral Agent as provided in Section 3.3(b), the Access Period shall commence for the subject parcel of Mortgaged Premises. During the Access Period, the Revolving Credit Collateral Agent and its agents, representatives and designees shall have a non-exclusive right to have access to, and a rent free right to use, the Fixed Asset Collateral for the purpose of arranging for and effecting the sale or disposition of ABL Collateral, including the production, completion, packaging and other preparation of such ABL Collateral for sale or disposition. During any such Access Period, the Revolving Credit Collateral Agent and its agents, representatives and designees (and Persons employed on their respective behalves), may continue to operate, service, maintain, process and sell the ABL Collateral, as well as to engage in bulk sales of ABL Collateral. The Revolving Credit Collateral Agent shall take proper care of any Fixed Asset Collateral that is used by the Revolving Credit Collateral Agent during the Access Period and repair and replace any damage (ordinary wear-and-tear excepted) caused by the Revolving Credit Collateral Agent or its agents, representatives or designees and the Revolving Credit Collateral Agent shall comply with all applicable laws in connection with its use or occupancy of the Fixed Asset Collateral. The Revolving Credit Collateral Agent and the Revolving Credit Claimholders shall (to the extent that there are sufficient available proceeds of ABL Collateral for the purposes of paying such indemnity) indemnify and hold harmless the Fixed Asset Collateral Agents and the Fixed Asset Claimholders for any injury or damage to Persons or property caused by the acts or omissions of Persons under its control. The Revolving Credit Collateral Agent and the Fixed Asset Collateral Agents shall cooperate and use reasonable efforts to ensure that their activities during the Access Period as described above do not interfere materially

with the activities of the other as described above, including the right of the Fixed Asset Collateral Agents to show the Fixed Asset Collateral to prospective purchasers and to ready the Fixed Asset Collateral for sale.

(d) If any order or injunction is issued or stay is granted which prohibits the Revolving Credit Collateral Agent from exercising any of its rights hereunder, then at the Revolving Credit Collateral Agent's option, the Access Period granted to the Revolving Credit Collateral Agent under this Section 3.3 shall be stayed during the period of such prohibition and shall continue thereafter for the number of days remaining as required under this Section 3.3. If any Fixed Asset Collateral Agent shall foreclose or otherwise sell any of the Fixed Asset Collateral, such Fixed Asset Collateral Agent will notify the buyer thereof of the existence of this Agreement and that the buyer is acquiring the Fixed Asset Collateral subject to the terms of this Agreement.

(e) The Grantors hereby agree with the Fixed Asset Collateral Agents that the Revolving Credit Collateral Agent shall have access, during the Access Period, as described herein and each such Grantor that owns any of the Mortgaged Premises grants a non-exclusive easement in gross over its property to permit the uses by the Revolving Credit Collateral Agent contemplated by this Section 3.3. Each Fixed Asset Collateral Agent consents to such easement and to the recordation of a collateral access easement agreement, in form and substance reasonably acceptable to the Controlling Fixed Asset Collateral Agent, in the relevant real estate records with respect to each parcel of real property that is now or hereafter subject to a Fixed Asset Mortgage. The Revolving Credit Collateral Agent agrees that upon either a Discharge of Revolving Credit Obligations or the expiration of the final Access Period with respect to any parcel of property covered by a Fixed Asset Mortgage, it shall, upon request, execute and deliver to the Controlling Fixed Asset Collateral Agent, or if a Discharge of Fixed Asset Obligations has occurred, to the respective Grantor, such documentation, in recordable form, as may reasonably be requested to terminate any and all rights with respect to such Access Periods.

**3.4.** Exercise of Remedies – Intellectual Property Rights/Access to Information. Each Fixed Asset Collateral Agent hereby grants (to the full extent of their respective rights and interests) the Revolving Credit Collateral Agent and its agents, representatives and designees (a) a royalty free, rent free non-exclusive license and lease to use all of the Fixed Asset Collateral constituting Intellectual Property, to complete the sale of inventory and (b) a royalty free non-exclusive license (which will be binding on any successor or assignee of the Intellectual Property) to use any and all Intellectual Property, in each case, at any time in connection with its Collateral Enforcement Action; provided, however, the royalty free, rent free non-exclusive license and lease granted in clause (a) shall immediately expire upon the sale, lease, transfer or other disposition of all such inventory.

**3.5.** Exercise of Remedies – Set Off and Tracing of and Priorities in Proceeds.

(a) The Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, acknowledges and agrees that, to the extent the Revolving Credit Collateral Agent or any Revolving Credit Claimholder exercises its rights of setoff against any Grantors' Deposit Accounts or Securities Accounts that contain identifiable Proceeds of Fixed Asset Collateral, a percentage of the amount of such setoff equal to the percentage that such Proceeds of Fixed Asset Collateral bear to the total amount on deposit in or credited to the balance of such Deposit Accounts or Securities Accounts shall be deemed to constitute Fixed Asset Collateral, which amount shall be held and distributed pursuant to Section 4.3; provided, however that the foregoing shall not apply to any setoff by the Revolving Credit Collateral Agent against any ABL Collateral to the extent applied to the payment of Revolving Credit Obligations.

(b) Each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, also agrees that prior to an issuance of an Enforcement Notice, all funds deposited in an account subject to a Deposit Account Control Agreement or a Dominion Account (in each case as defined in the Revolving Credit Agreement) that constitute ABL Collateral and then applied to the Revolving Credit Obligations shall be treated as ABL Collateral and, unless the Revolving Credit Collateral Agent has actual knowledge to the contrary, any claim that payments made to the Revolving Credit Collateral Agent through the Deposit Accounts and Securities Accounts that are subject to such Deposit Account Control Agreements or Dominion Accounts, respectively, are Proceeds of or otherwise constitute Fixed Asset Collateral are waived by the Fixed Asset Collateral Agents and the Fixed Asset Claimholders; provided that after the issuance of an Enforcement Notice by the Controlling Fixed Asset Collateral Agent, all identifiable proceeds of Fixed Asset Collateral shall be deemed Fixed Asset Collateral, whether or not held in an account subject to a control agreement.

(c) The Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, and each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, further agree that prior to an issuance of an Enforcement Notice, any Proceeds of Collateral, whether or not deposited in an account subject to a deposit account control agreement or a securities account control agreement, shall not (as between the Collateral Agents, the Revolving Credit Claimholders and the Fixed Asset Claimholders) be treated as Proceeds of Collateral for purposes of determining the relative priorities in the Collateral.

**SECTION 4.** Payments.

**4.1.** Application of Proceeds.

(a) So long as the Discharge of Revolving Credit Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, all ABL Collateral or Proceeds thereof received in connection with the sale or other disposition of, or collection on, such Collateral upon the exercise of remedies by the Revolving Credit Collateral Agent or any Revolving Credit Claimholder, shall be applied by the Revolving Credit Collateral Agent to the Revolving Credit Obligations in such order as specified in the relevant Revolving Credit Documents. Upon the Discharge of Revolving Credit Obligations, the Revolving Credit Collateral Agent shall deliver to the Controlling Fixed Asset Collateral Agent any Collateral and Proceeds of Collateral held by it as a result of the exercise of remedies in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct to be applied by the Controlling Fixed Asset Collateral Agent to the Fixed Asset Obligations in such order as specified in Section 4.1(b).

(b) So long as the Discharge of Fixed Asset Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, subject to any intercreditor arrangements among the Fixed Asset Claimholders referred to in Section 8.17 hereof, all Fixed Asset Collateral or Proceeds thereof received in connection with the sale or other disposition of, or collection on, such Collateral upon the exercise of remedies by any Fixed Asset Collateral Agent or any Fixed Asset Claimholder, shall be applied by the Controlling Fixed Asset Collateral Agent to the Fixed Asset Obligations in the order specified in the Fixed Asset Documents. Upon the Discharge of Fixed Asset Obligations, each Fixed Asset Collateral Agent shall deliver to the Revolving Credit Collateral Agent any Collateral and Proceeds of Collateral held by it as a result of the exercise of remedies in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct to be applied by the Revolving Credit Collateral Agent to the Revolving Credit Obligations in such order as specified in the Revolving Credit Collateral Documents.

**4.2.** Payments Over in Violation of Agreement. So long as neither the Discharge of Revolving Credit Obligations nor the Discharge of Fixed Asset Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, any Collateral or Proceeds thereof (including assets or Proceeds subject to Liens referred to in the final sentence of Section 2.3) received by any Collateral Agent or any Fixed Asset Claimholders or Revolving Credit Claimholders in connection with the exercise of any right or remedy (including set-off) relating to the Collateral or otherwise received in contravention of this Agreement shall be segregated and held in trust and forthwith paid over to the appropriate Collateral Agent for the benefit of the Fixed Asset Claimholders or the Revolving Credit Claimholders, as the case may be, in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct. Each Collateral Agent is hereby authorized by the other Collateral Agent to make any such endorsements as agent for the other Collateral Agent or any Fixed Asset Claimholders or Revolving Credit Claimholders, as the case may be. This authorization is coupled with an interest and is irrevocable until the Discharge of Revolving Credit Obligations and Discharge of Fixed Asset Obligations.

**4.3.** Application of Payments. Subject to the other terms of this Agreement, all payments received by (a) the Revolving Credit Collateral Agent or the Revolving Credit Claimholders may be applied, reversed and reapplied, in whole or in part, to the Revolving Credit Obligations to the extent provided for in the Revolving Credit Documents and (b) the Fixed Asset Collateral Agents or the Fixed Asset Claimholders, subject to any intercreditor arrangements among the Fixed Asset Claimholders referred to in Section 8.17 hereof, may be applied, reversed and reapplied, in whole or in part, to the Fixed Asset Obligations.

**4.4.** Reinstatement.

(a) To the extent any payment with respect to any Revolving Credit Obligation (whether by or on behalf of any Grantor, as Proceeds of security, enforcement of any right of setoff or otherwise) is avoided or otherwise declared to be a fraudulent conveyance or a preference in any respect, set aside or required to be paid to a debtor in possession, any Fixed Asset Claimholders, receiver or similar Person, whether in connection with any Insolvency or Liquidation Proceeding or otherwise, then the obligation or part thereof originally intended to be satisfied shall, for the purposes of this Agreement and the rights and obligations of the Revolving Credit Claimholders and the Fixed Asset Claimholders, be deemed to be reinstated and outstanding as if such payment had not occurred. To the extent that any interest, fees, expenses or other charges (including, without limitation, Post-Petition Interest) to be paid pursuant to the Revolving Credit Documents are disallowed by order of any court, including, without limitation, by order of a Bankruptcy Court in any Insolvency or Liquidation Proceeding, such interest, fees, expenses and charges (including, without limitation, Post-Petition Interest) shall, as between the Revolving Credit Claimholders and the Fixed Asset Claimholders, be deemed to continue to accrue and be added to the amount to be calculated as the "Revolving Credit Obligations."

(b) To the extent any payment with respect to any Fixed Asset Obligation (whether by or on behalf of any Grantor, as Proceeds of security, enforcement of any right of setoff or otherwise) is avoided or otherwise declared to be a fraudulent conveyance or a preference in any respect, set aside or required to be paid to a debtor in possession, any Revolving Credit Claimholders, receiver or similar Person, whether in connection with any Insolvency or Liquidation Proceeding or otherwise, then the obligation or part thereof originally intended to be satisfied shall, for the purposes of this Agreement and the rights and obligations of the Fixed Asset Claimholders and the Revolving Credit Claimholders, be deemed to be reinstated and outstanding as if such payment had not occurred. To the extent that any interest, fees, expenses or other charges (including, without limitation, Post-Petition Interest) to be paid pursuant to the Fixed Asset Documents are disallowed by order of any court, including, without limitation, by order of a Bankruptcy Court in any Insolvency or Liquidation Proceeding, such interest, fees, expenses and charges (including, without limitation, Post-Petition Interest) shall, as between the Fixed Asset Claimholders and the Revolving Credit Claimholders, be deemed to continue to accrue and be added to the amount to be calculated as the "Fixed Asset Obligations."

**SECTION 5.** Other Agreements.

**5.1.** Releases.

(a) (i) If in connection with the exercise of the Revolving Credit Collateral Agent's remedies in respect of any Collateral as provided for in Section 3.1, the Revolving Credit Collateral Agent, for itself or on behalf of any of the Revolving Credit Claimholders, releases any of its Liens on any part of the ABL Collateral, then the Liens, if any, of each Fixed Asset Collateral Agent, for itself or for the benefit of the applicable Fixed Asset Claimholders, on the ABL Collateral sold or disposed of in connection with such exercise, shall be automatically, unconditionally and simultaneously released. Each Fixed Asset Collateral Agent, for itself or on behalf of any such Fixed Asset Claimholders, promptly shall execute and deliver to the Revolving Credit Collateral Agent or such Grantor such termination statements, releases and other documents as the Revolving Credit Collateral Agent or such Grantor may request to effectively confirm such release.

(ii) If in connection with the exercise of the Controlling Fixed Asset Collateral Agent's remedies in respect of any Collateral as provided for in Section 3.2, the Controlling Fixed Asset Collateral Agent, for itself or on behalf of any of the Fixed Asset Claimholders, releases any of its Liens on any part of the Fixed Asset Collateral, then the Liens, if any, of the Revolving Credit Collateral Agent, for itself or for the benefit of the Revolving Credit Claimholders, on the Fixed Asset Collateral sold or disposed of in connection with such exercise, shall be automatically, unconditionally and simultaneously released. The Revolving Credit Collateral Agent, for itself or on behalf of any such Revolving Credit Claimholders, promptly shall execute and deliver to the Controlling Fixed Asset Collateral Agent or such Grantor such termination statements, releases and other documents as the Controlling Fixed Asset Collateral Agent or such Grantor may request to effectively confirm such release.

(b) If in connection with any sale, lease, exchange, transfer or other disposition of any Collateral (collectively, a "**Disposition**") permitted under the terms of both the Revolving Credit Documents and the Fixed Asset Documents (other than in connection with the exercise of the respective Collateral Agent's rights and remedies in respect of the Collateral as provided for in Sections 3.1 and 3.2), (i) the Revolving Credit Collateral Agent,

for itself or on behalf of any of the Revolving Credit Claimholders, releases any of its Liens on any part of the ABL Collateral, in each case other than (A) in connection with the Discharge of Revolving Credit Obligations or (B) after the occurrence and during the continuance of a Fixed Asset Default, then the Liens, if any, of each Fixed Asset Collateral Agent, for itself or for the benefit of the applicable Fixed Asset Claimholders, on such Collateral shall be automatically, unconditionally and simultaneously released, and (ii) the Controlling Fixed Asset Collateral Agent, for itself or on behalf of any of the applicable Fixed Asset Claimholders, releases any of its Liens on any part of the Fixed Asset Collateral, in each case other than (A) in connection with the Discharge of Fixed Asset Obligations or (B) after the occurrence and during the continuance of a Revolving Credit Default, then the Liens, if any, of the Revolving Credit Collateral Agent, for itself or for the benefit of the Revolving Credit Claimholders on such Collateral (or, if such Collateral includes the Equity Interests of any Subsidiary, the Liens on Collateral owned by such Subsidiary) shall be automatically, unconditionally and simultaneously released. The Revolving Credit Collateral Agent and each Fixed Asset Collateral Agent, each for itself and on behalf of any such Revolving Credit Claimholders or Fixed Asset Claimholders, as the case may be, promptly shall execute and deliver to the other Collateral Agents or such Grantor such termination statements, releases and other documents as the other Collateral Agents or such Grantor may request to effectively confirm such release.

(c) Until the Discharge of Revolving Credit Obligations and Discharge of Fixed Asset Obligations shall occur, the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, and each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, as the case may be, hereby irrevocably constitutes and appoints the other Collateral Agents and any officer or agent of the other Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the other Collateral Agent or such holder or in the Collateral Agent's own name, from time to time in such Collateral Agent's discretion, for the purpose of carrying out the terms of this Section 5.1, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 5.1, including any endorsements or other instruments of transfer or release.

(d) Until the Discharge of Revolving Credit Obligations and Discharge of Fixed Asset Obligations shall occur, to the extent that the Collateral Agents or the Revolving Credit Claimholders or the Fixed Asset Claimholders (i) have released any Lien on Collateral and such Lien is later reinstated or (ii) obtain any new Liens from any Grantor, then each other Collateral Agent, for itself and for the Revolving Credit Claimholders or applicable Fixed Asset Claimholders, as the case may be, shall be granted a Lien on any such Collateral, subject to the lien priority provisions of this Agreement and subject to Section 2.5 of this Agreement.

**5.2.** Insurance.
